

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 24-E-0165 - Proceeding on Motion of the Commission
Regarding the Grid of the Future.

NOTICE ANNOUNCING TECHNICAL CONFERENCE

(Issued September 11, 2024)

In its Order Instituting Proceeding, issued on April 18, 2024, in this proceeding, the Public Service Commission (Commission) directed Department of Public Service staff (Staff) to conduct a technical conference to gather input from stakeholders.¹

PLEASE TAKE NOTICE that Staff will convene a technical conference, via WebEx, on **September 27, 2024**. The technical conference will start at 2:00 p.m. EDT and will conclude by 3:30 p.m. EDT. The purpose of this technical conference is to provide an overview of the modeling approach and key study assumptions in the Grid Flexibility Study (Study) that will be prepared by the Brattle Group and DNV in consultation with Staff. The Study will estimate the potential for deploying and utilizing flexible distributed resources across New York's electric grid in 2030 and 2040, and will address barriers to achieving that potential. Time will be reserved to answer questions from meeting attendees on the presented material.

To access the technical conference via WebEx, please go to:
