Re: Case 16-F-0205 - Application of Canisteo Wind Energy LLC for a
Certificate of Environmental Compatibility and Public Need Pursuant to
Article 10 for Construction of a Wind Energy Project in Steuben County.

Dear John Dax,

I received your letter dated November 1, 2023, requesting an extension of time for Canisteo Wind Energy LLC (CWE) to file a Net Conservation Benefit Plan (NCBP) for Grassland Birds, in accordance with Condition 60 of the *Order Granting Certificate of Environmental Compatibility and Public Need, with Conditions* (Order), issued March 13, 2020, in the above proceeding. An extension to November 30, 2023, was granted on May 24, 2023.

In your letter, you state that CWE requires additional time to complete the long-term management plan for the selected migration property.

Please be advised that an extension is granted to Canisteo Wind Energy LLC, until August 30, 2024, to file its NCBP for Grassland Birds as required by the Order. This extension is granted in order to promote the fair, orderly, and efficient conduct of this proceeding, and this ruling will be posted on the Department's website.

Very truly yours,
