# DPS Oversight Activities

- Agency staff reviewed the NRC inspection report covering the 3rd and 4th Quarters of 2025:
  - Indian Point received one violation associated with their use of a Multi-Purpose Canisters (MPC) that had an inadequate certificate of compliance.
    - The NRC chose to use enforcement discretion.
    - This violation is consistent with other General Licensees using the same MPC's from Holtec International.

# DPS Oversight Activities

- State regulators have been present at Holtec monthly project meetings, and Holtec has provided the information required under the Joint Proposal at each meeting.
- Notable on-site observations:
  - Demolition activities:
    - U1 Water Factory
    - U1 Substation Abatement area
    - U2 Containment, lower internals segmentation

# DEC Oversight Activities: Consent Order

## Remedial Investigation Scoping Work Plan

- Approved by DEC on August 11, 2022 and updated by Holtec on May 9, 2024.

## Remedial Investigation (RI) Work Plans

- Investigations will be conducted in a series of RI Work Plans.
- Approved work plans will be announced via fact sheet distributed to the public.
- Work plans can be found linked at the bottom of DEC's Indian Point Decommissioning web page: <https://www.dec.ny.gov/chemical/126311.html>

## **AOC 118 - LaFarge**

- DEC approved the draft Remedial Investigation Work Plan for the IPEC Lafarge / Former Spectra Construction Area (AOC 118) on October 23, 2023.
- Holtec completed field work in May 2024.
- Holtec submitted the Remedial Investigation Report for AOC 118 to DEC.
- DEC provided a second round of comments on the revised Remedial Investigation Report on November 25, 2025.
- No other RI work plans have been submitted to DEC.

# DEC Oversight Activities – Facility Permits

- SPDES # NY0004472 – Governs Discharges from Main Facility
  - Expired on April 30, 2022. Holtec submitted a timely renewal application. Facility continues to have coverage under the existing SPDES permit pursuant to the State Administrative Procedure Law.
- SPDES #NY0250414 – Governs stormwater discharges from the Unit 2 transformer moat
  - Expired on March 31, 2023. Holtec submitted a timely renewal application. Facility continues to have coverage under the existing SPDES permit pursuant to the State Administrative Procedure Law.
  - After requests from the public, DEC held processing of this application in order to combine both SPDES permits.
- DEC has reviewed the permit application.
- DEC is awaiting a final court decision on the Save the Hudson litigation before providing a Draft SPDES Permit for public review and comment.
