RULING ON SCHEDULE

(Issued September 5, 2024)

LEAH SOULE AMYOT and ERIKA BERGEN,
Administrative Law Judges:

A procedural conference was held in these proceedings on September 4, 2024 to address a variety of matters, including the litigation schedule for these proceedings. On August 30, 2024, Counsel for Central Hudson Gas & Electric Corporation (Company) provided us with a proposed litigation schedule, which was supported by trial staff of the Department of Public Service (DPS), Multiple Intervenors, Public Utility Law Project, and the Utility Intervention Unit of the New York State Department of State. No other party has proposed an alternate schedule.

After considering the proposed schedule and hearing from the parties at the procedural conference, we believe that the proposed litigation schedule is in the best interest of all parties:
