1) **Welcome:**

- a. Attendance
- b. Review/modify agenda
- c. DPS staff remarks

2) **Utility system updates**

- a. National Grid

- Billing system updates are continuing. KEDNY and Massachusetts Gas are moving to CSS where all other operating companies reside
- Josh P sent out updated list of changes to stakeholder list.
- Cancel rebill process to change for KEDNY. It will mirror what is currently done for KEDLI. – one example of a change outlined on the list and one that will likely need system updates on the ESCO/EDI provider side
- Expected conversion date Memorial Day 2024.

*****Changes only impact KEDNY/Massachusetts Gas**

- Frank Nunes asks if there were any additional items added to the email notice being sent by National Grid. Josh Pasquariello states additional items were added as new topics arose that are involved in the change over; also, some previously unanswered questions now have answers

- c. Others

- No other comments.
