DEPARTMENT OF PUBLIC SERVICE

MATTER 21-01188 - In the Matter of the Indian Point Closure Task Force and Indian Point Decommissioning Oversight Board.

NOTICE ANNOUNCING MEETING CONCERNING INDIAN POINT
DECOMMISSIONING

(Issued April 7, 2023)

On February 28, 2017, New York State established a task force to provide guidance and support to the communities, taxing jurisdictions, and employees affected by the planned closure of Indian Point. The Department of Public Service (Department) was called upon to lead the Indian Point Closure Task Force (Task Force), which is charged with developing recommendations to mitigate local tax and workforce impacts, evaluating and identifying new economic opportunities and work force retraining programs and opportunities, advocating for appropriate decommissioning timelines in the best interests of local communities, and ultimately positioning the region for a prosperous and sustainable future.

On December 31, 2020, the Department was further directed to establish the Indian Point Decommissioning Oversight Board (Oversight Board). The Oversight Board is charged with assessing how to protect the financial, environmental, and physical interests of the communities affected by decommissioning, including the interests of the current workforce as it relates to continuing the public safety of the surrounding communities.

The Task Force and Oversight Board periodically convene joint meetings. The next joint meeting will be held on April 27, 2023. Members of the public are welcome to attend the

joint meeting live or virtually. Topics to be addressed at the April 2023 joint meeting will include: the scope and goals of the Closure Task Force; the scope and goals of the Oversight Board; and presentations regarding key issues related to decommissioning and spent fuel management.
