

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 26-E-0045 - Proceeding on Motion of the Commission to
Address Interconnection Reforms for Large Loads.

NOTICE EXTENDING COMMENT PERIOD

(Issued October 19, 2026)

On September 18, 2026, a Notice of Positive Declaration and Availability of Draft Scope (September 18 Notice) was issued in this proceeding requesting comments on a Draft Scoping Document for a Generic Environmental Impact Statement (Draft Scope). Recently, several requests to extend the period for accepting comments on the Draft Scope were filed in this proceeding. The requests for additional time to comment must be weighed against the desire to continue making reasonable progress in this proceeding. Considering these competing factors, an extension until November 4, 2026, is hereby granted to those who wish to comment on the Draft Scope. This extension is available to all who are interested in submitting comments on the Draft Scope, in response to the September 18 Notice. Please be advised that comments submitted after November 4, 2026, may not be considered.

PLEASE TAKE NOTICE that the date for submitting comments in response to the September 18 Notice is hereby extended until **November 4, 2026**. Please refer to the September 18 Notice for additional information, including how and where to file comments.

(SIGNED)

MICHELLE L. PHILLIPS
Secretary
