Re: Case 18-E-0130 – In the Matter of Energy Storage Deployment Program.

Dear Secretary Phillips,

The New York State Energy Research and Development Authority (NYSERDA) will conduct an information webinar on Thursday, February 29, 2024 from 1:00 p.m. – 2:00 p.m. EST, via Webex. NYSERDA staff will provide updates to the retail energy storage program that was developed as part of the Order Establishing Energy Storage Goal and Deployment Policy, issued on December 13, 2018 in this proceeding. Specifically, the webinar will address challenges and benefits of project attrition and retail energy storage block 5 in New York City. There will also be a question-and-answer period.

Attendees can register to attend the webinar using the following link:
