Re: 15-E-0302 – Proceeding on Motion of the Commission to Implement a Large-Scale Renewable Energy Program and a Clean Energy Standard.

Dear Secretary Phillips:

AES Clean Energy Development, LLC, submits these comments in response to the Department of Public Service Staff Proposed Definitions of Key Terms in the Provisions of the Climate Leadership and Community Protection Act, codified in Section 66-p of the Public Service Law, filed on November 4, 2024. AES encourages clear, plain language definitions of the key terms to provide regulatory certainty to all stakeholders. AES requests that the Commission promptly issue an Order approving the definitions appreciates the consideration of our suggestions.

Respectfully submitted,
