Subject: RE: Revised Testimony of the Environmental Defense Fund's Mark Brownstein

Your honors –

Because of the changes made to Mr. Brownstein's testimony, as indicated in Mr. Peltz' email below, the City no longer takes issue with this testimony. Accordingly, we no longer have any need to conduct cross-examination of Mr. Brownstein and withdraw our request to do so.

Subject: Revised Testimony of the Environmental Defense Fund's Mark Brownstein

Judges Agresta and Bielawski:

EDF witness Mark Brownstein is scheduled to testify this coming Friday morning. Attached is a copy of his revised direct testimony (also attached is a redline showing the revisions to the testimony – IT IS NOT FOR FILING, but to inform the parties. It will NOT be available in DMM). The revised testimony deletes most of what was section II in his May 31 direct testimony dealing with Con Edison's natural gas pipeline capacity issues. This deletion necessarily leads to some modification to text in section I that deals with capacity matters. Mr. Brownstein's testimony regarding methane emissions remains.

If you have any questions, please contact me.

Respectfully submitted,

Adam Peltz
