IMPORTANT ACCOUNT INFORMATION

Beginning in August 2017, we are enhancing the description of certain non-consumer ACH debit entries to include "Business to Business ACH". This entry description may appear on your statements and online banking transaction histories. The terms governing these entries remain the same and are found in the Business Account Agreement section titled "Funds transfer service" under the subsection "ACH transactions". Under ACH rules, a Business to Business ACH debit entry has a return time frame of one business day from the date the entry posted to your account. In order for the Bank to meet this deadline, you are required to notify us to return any Business to Business ACH debit entry as unauthorized by the cutoff time which is currently 3:00 PM Central Time. If you do not notify us within one business day from the date the unauthorized entry is posted to your account, we will not be able to return it without the cooperation and agreement of the originating bank and the originator of the debit entry. Any other effort to recover the funds must occur solely between you and the originator of the entry.
