RE: 174 Power Global NorthEast, LLC - Triennial Filing

Dear Chris Hodrick:

Thank you for your recent triennial submittal pursuant to Section 3A.D.2 of the New York State Public Service Commission's Uniform Business Practices for Distributed Energy Resource Suppliers (UBP-DERS). This letter is to inform you that the documentation submitted has been reviewed by Department of Public Service staff (Staff) and determined to be in compliance with the UBP-DERS.

Be advised that to maintain your DER Provider eligibility, you must notify Staff of any substantive legal, financial, or business-related changes to your company as they occur. If your business plan changes and you decide to expand your service, acquire or sell projects, or any other substantive operational change, you must immediately submit the appropriate documentation for Staff review and determination of how it affects your current eligibility.

Please do not hesitate to contact me with any further questions or concerns at 518-474-5858 or [Kathleen.oriley@dps.ny.gov](mailto:Kathleen.oriley@dps.ny.gov).

Sincerely,

Kathleen O'Riley
