Re: Matter No. 18-F-0087: Application of Flint Mine Solar LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 for Construction of a Solar Electric Generating Facility Located in the Towns of Coxsackie and Athens, Greene County.

Affidavits and Proof of Pre-Construction Notice

Dear Secretary Phillips:

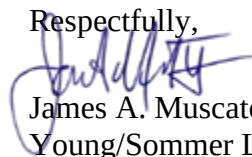

We represent Flint Mine Solar LLC (the "Certificate Holder") with regard to the above-referenced proceeding. Pursuant to Certificate Condition 23 of the Certificate of Environmental Compatibility and Public Need, with Conditions, which was issued by the New York State Department of Public Service ("DPS") on August 4, 2021, the Certificate Holder submits this correspondence with enclosures to affirm that it has notified the public regarding construction activities that will commence on or around November 3, 2026.

The Certificate Holder issued its pre-construction notice on October 16 and October 20, to notify the public regarding construction activities that will commence on or around November 3, 2026. Consistent with Certificate Condition 21(a)-(f), the Certificate Holder: (1) provided notice by mail to all persons residing within 2,500 feet of parcels with Project Components; (2) provided notice to local Town and County officials and emergency personnel; (3) published notice in the local newspaper of record for dissemination; (4) provided notice for display in public places, which included the Town Hall of the host municipality, at least one library in the host municipality, at least one post office in the host municipality, the facility website, and the facility site; and (5) filed notice with DPS for posting on DPS-DMM website.

Accordingly, please also find enclosed for filing Attachment A, an affidavit of service upon all persons and entities required to receive copies of the notice pursuant to Certificate Condition 21(a) and (b). Attachment B, proof that the notice has been published with the local newspaper of record pursuant to Certificate Condition 21(c). Attachment C, an affidavit of service confirming the notice has been displayed in public places including the Town Hall, libraries, and post office of the host municipality pursuant to Certificate Condition 21(d). Attachment D, an affidavit of service confirming the notice has been filed with DPS for posting on DPS-DMM website pursuant to Certificate Condition 21(e) and (f).

Should you have any questions or require anything further in this regard, please do not hesitate to contact us. Thank you.

Respectfully,

James A. Muscato II

AFFIDAVIT ATTACHMENT 1

October 2026

Flint Mine Solar, LLC is providing notice of upcoming construction activities for the Flint Mine Solar Project. Flint Mine Solar is a 100-MWac solar energy generating facility and is located in the Towns of Coxsackie and Athens in Greene County, New York.

The Project currently anticipates the following construction schedule, subject to the New York State Department of Public Service (NYS DPS) issuing Notice to Proceed (NTP) for the applicable scopes:

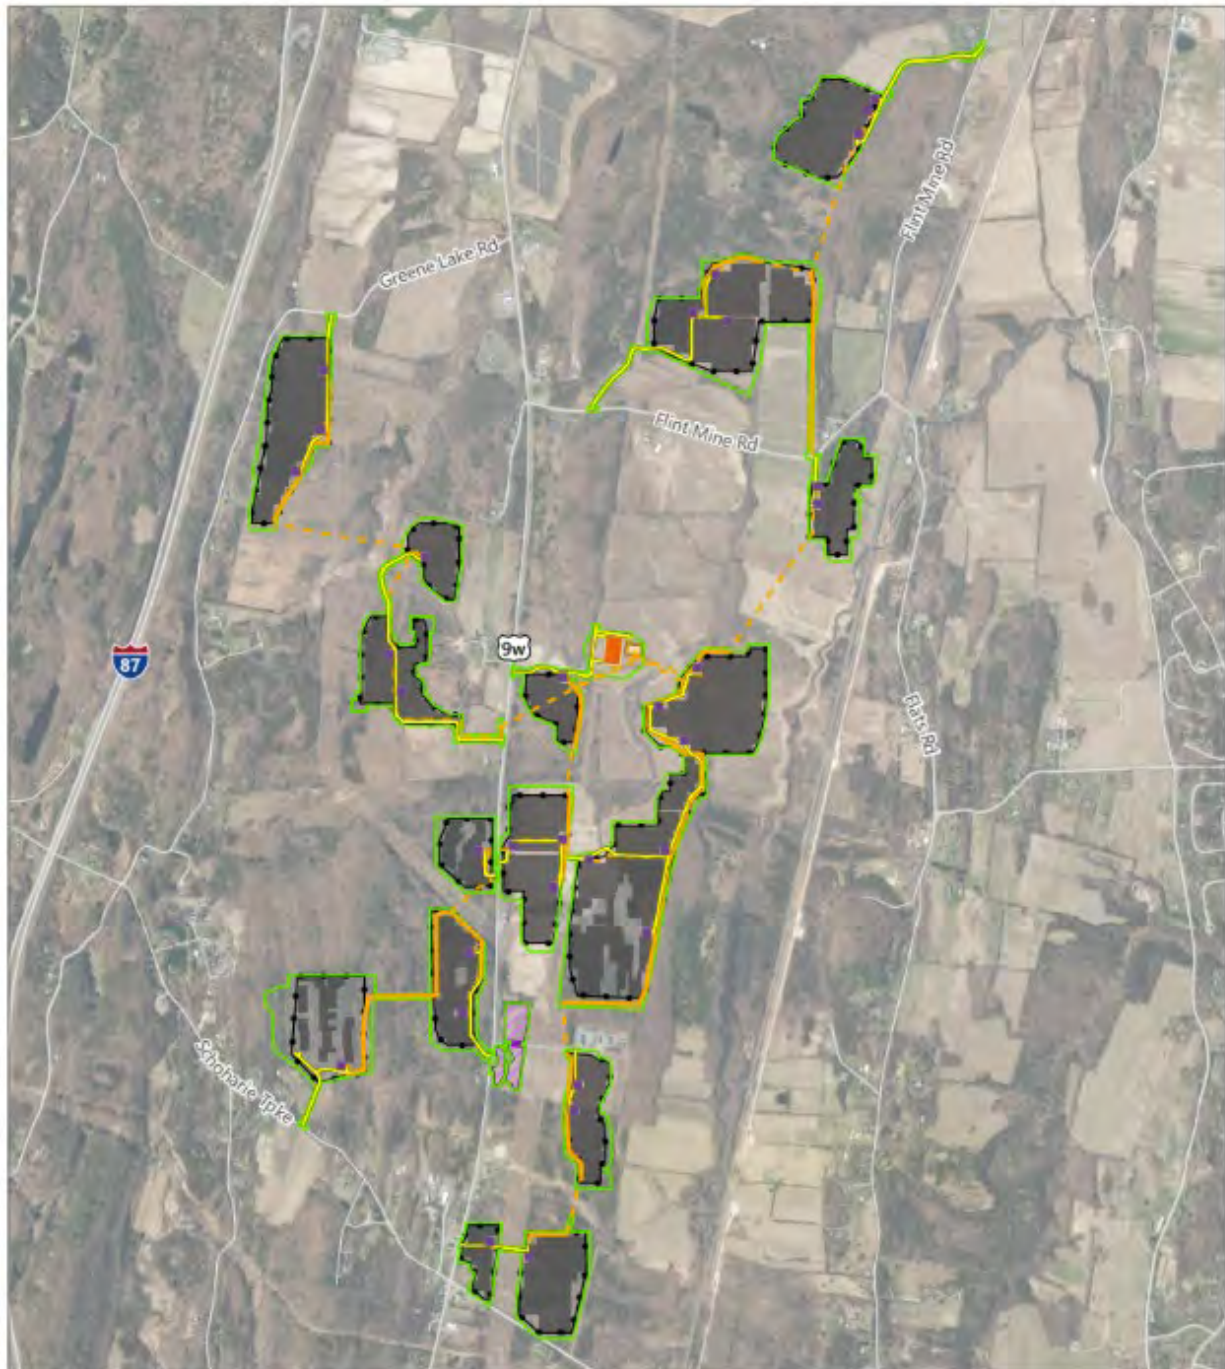

- **Hand-felling of trees:** November 3, 2026
- **Mechanized tree clearing and early civil work** (including Stormwater Pollution Prevention Plan (SWPPP) implementation and access road construction): Upon receipt of the State Pollution Discharge Elimination System (SPDES) permit, currently targeted for late November 2026
- **Remaining civil work and commencement of mechanical and electrical installation for the PV array:** March 2027
- **Commencement of module installation:** April 2027
- **Commencement of high-voltage (HV) work** (switchyard and substation): May 2027
- **Testing and commissioning:** End of 2027

Flint Mine commenced its mowing effort in early October 2026 following receipt of DPS Limited Notice to Proceed (LNTP). Similar to the mowing scope: prior to all subsequent construction activities, Flint Mine will ensure all limits of work are flagged or staked in accordance with its *Certificate of Environmental Compatibility and Public Need, With Conditions*, including the limits of disturbance; wetlands, streams, waterbodies and New York State Department of Environmental Conservation wetland adjacent areas within limits of disturbance; designated restrictive areas and sensitive environmental resources; and all on-site or off-site access roads associated with the approved work areas subject to this NTP.

Construction activities will occur during daytime hours and will be subject to weather, site, and permitting conditions.

A map of the Facility is enclosed here. Site access will be from US Route 9W, Flint Mine Road, and Green Lake Road. While hauling routes are not applicable to this scope, the previously approved routes per the Site Engineering and Environmental Plan (SEEP) filings are also included below for reference.

Feedback may be submitted by telephone, email, mail, in person, or online. A copy of the Projects Communication and Complaint Resolution Plan is available through the New York State Department of Public Service website, www.dps.ny.gov.

To access documents, go to “Search” type the case number, “18-F-0087” and click “Search by Case Number.”

You may also reach out to the New York State Department of Public Service through the following contacts:

Honorable Michelle L. Phillips, Secretary
3 Empire State Plaza
Albany, New York 12223
Phone: (518) 474-4520
Email: secretary@dps.ny.gov

Ian Rasweiler, NYS Department of Public Service
3 Empire State Plaza
Albany, New York 12223
Phone: (518) 391-8080
Email: Web.Questions@dps.ny.gov

More information about the Facility, construction, and Flint Mine Solar is posted on the Project website (located here: <https://www.flintminesolarproject.com/>), and available at the Town Halls in Coxsackie and Athens, as well as in public libraries and post offices within the Towns.

We greatly appreciate the community’s support and questions that have been received to date, and we look forward to continuing to work with the community as the Project proceeds to construction.

Sincerely,

Flint Mine Solar, LLC

Flint Mine Solar Pre-Construction Notice

Flint Mine Solar, LLC is providing notice of upcoming construction activities for the Flint Mine Solar Project. Flint Mine Solar is a 100-MWac solar energy generating facility and is located in the Towns of Coxsackie and Athens in Greene County, New York.

The Project currently anticipates the following construction schedule, subject to the New York State Department of Public Service (NYS DPS) issuing Notice to Proceed (NTP) for the applicable scopes:

- **Hand-felling of trees:** November 3, 2026
- **Mechanized tree clearing and early civil work** (including Stormwater Pollution Prevention Plan (SWPPP) implementation and access road construction): Upon receipt of the State Pollution Discharge Elimination System (SPDES) permit, currently targeted for late November 2026
- **Remaining civil work and commencement of mechanical and electrical installation for the PV array:** March 2027
- **Commencement of module installation:** April 2027
- **Commencement of high-voltage (HV) work** (switchyard and substation): May 2027
- **Testing and commissioning:** End of 2027

Flint Mine commenced its mowing effort in early October 2026 following receipt of DPS Limited Notice to Proceed (LNTNTP). Similar to the mowing scope: prior to all subsequent construction activities, Flint Mine will ensure all limits of work are flagged or staked in accordance with its *Certificate of Environmental Compatibility and Public Need, With Conditions*, including the limits of disturbance; wetlands, streams, waterbodies and New York State Department of Environmental Conservation wetland adjacent areas within limits of disturbance; designated restrictive areas and sensitive environmental resources; and all on-site or off-site access roads associated with the approved work areas subject to this NTP.

Construction activities will occur during daytime hours and will be subject to weather, site, and permitting conditions.

A map of the Facility is enclosed here. Site access will be from US Route 9W, Flint Mine Road, and Green Lake Road. While hauling routes are not applicable to this scope, the previously approved routes per the Site Engineering and Environmental Plan (SEEP) filings are also included below for reference.

We remain committed to minimizing disruption to the community during construction. If you have any questions or concerns, or complaints, please contact:

Susan Moberg

575 Fifth Avenue, 24th Floor New York, NY 10017
Phone: (518)-646-0253
Email: Flint-Mine-Project@desri.com (address updated from previous notice)

Feedback may be submitted by telephone, email, mail, in person, or online. A copy of the Projects Communication and Complaint Resolution Plan is available through the New York State Department of Public Service website, www.dps.ny.gov.

To access documents, go to "Search" type the case number, "18-F-008/" and click "Search by Case Number." You may also reach out to the New York State Department of Public Service through the following contacts:

Honorable Michelle L. Phillips, Secretary
3 Empire State Plaza
Albany, New York 12223
Phone: (518) 474-4520
Email: secretary@dps.ny.gov

Ian Rasweiler, NYS Department of Public Service
3 Empire State Plaza
Albany, New York 12223
Phone: (518) 391-8080
Email: Web.Questions@dps.ny.gov

More information about the Facility, construction, and Flint Mine Solar is posted on the Project website (located here: <https://www.flintminesolarproject.com/>), and available at the Town Halls in Coxsackie and Athens, as well as in public libraries and post offices within the Towns.

We greatly appreciate the community's support and questions that have been received to date, and we look forward to continuing to work with the community as the Project proceeds to construction.

Sincerely,

Flint Mine Solar, LLC

**NOTICE OF A 30-DAY PERIOD FOR PUBLIC REQUESTS FOR INCLUSION IN
AGRICULTURAL DISTRICT NO. 124**

PLEASE TAKE NOTICE that Agricultural District No. 124 encompasses 84 parcels and 41,916.46 acres within the County of Greene, in the Towns of Adolphus, Adams, Catskill, Canaan, Canastota, Chatham, Hainesville, Hamlet, Canastota, Jewett, New Baltimore, Postville, Lewisburg, Wadsworth and the Villages of Adams, Catskill, Canastota, Hamlet, and Tannawassie within County of Greene, was established pursuant to Article 25-A-A of the Agriculture and Markets Law.

PLEASE TAKE FURTHER NOTICE that, under Section 301-b of the Agriculture and Markets Law, the County is required to allow landowners an opportunity to submit a request for inclusion of land which is predominantly rural agriculture land within a certified agricultural district prior to its expiration.

PLEASE TAKE FURTHER NOTICE that the County will submit a thirty-day request for inclusion period which will begin November 1, 2008 and end on November 30, 2008.

PLEASE TAKE FURTHER NOTICE that, during this 30-day period, any municipality whose territory encompasses the above Agricultural District, any State Agency or any landowner within or adjacent to the district may propose an addition to the district.

PLEASE TAKE FURTHER NOTICE that any proposed addition must be filed with Greene County Economic Development, Tourism & Planning, 611 Main Street, Suite 418, Catskill, NY 12034 within the thirty (30) days specified.

PLEASE TAKE FURTHER NOTICE that a Release PDF of the Request for Inclusion form, see attached at:

<http://greencounty.ny.gov/departments/planning/agriculture-district-124>

PLEASE TAKE FURTHER NOTICE that, a paper copy of the Request for Inclusion form can be obtained from Greene County Economic Development, Tourism & Planning by calling (518) 719-3296.

PLEASE TAKE FURTHER NOTICE that, on the termination of the thirty (30) day period, the proposed additions will be submitted to the Agricultural District and Farmland Preservation Board and then forwarded a public hearing will be held on the District, proposed additions, and recommendations of said board.

Hydrant Flushing: 10/19 – 10/23/26

By athenavillage on October 15, 2026

Hydrant flushing operations are scheduled in the village for next week: **October 19th - October 23rd**

We always get a lot of questions regarding hydrant flushing. So, here's some info from our water operators, including what to expect and what to do during the procedure.

Hydrant Flushing 101:

FAQ's

It enhances water quality by removing sediments from inside the mainline and flushing them out through the hydrant, identifies malfunctions of the hydrant and related valves, helps determine weaknesses in the water distribution system.

identifies inadequate water volumes and pressures in the mainlines and helps determine locations where flow pressures may require valve inspections.

When a hydrant is opened, the water in the mainline will flow out at a high velocity. This creates a scouring action in the pipe and dislodges fine sediment particles that have accumulated in the pipe. The fine sediment mixes with the water, turning the water a cloudy or rusty-brown color. This mixture is discharged out of the

What should I do when hydrants are being flushed in my area?

Flint Mine Solar, LLC is providing notice of upcoming construction activities for the Flint Mine Solar Project. Flint Mine Solar is a 100-MWac solar energy generating facility and is located in the Towns of Cossack and Athens in Greene County, New York. The Project currently anticipates the following construction schedule, subject to the New York State Department of Public Service (NYS DPS) issuing Notice to Proceed (NTP) for the applicable scopes:

- **Hand-felling of trees:** November 3, 2026
- **Mechanized tree clearing and early civil work** (including Stormwater Pollution Prevention Plan (SWPPP) implementation and access road construction): Upon receipt of the State Pollution Discharge Elimination System (SPDES) permit, currently targeted for late November 2026
- **Remaining civil work and commencement of mechanical and electrical installation for the PV array:** March 2027
- **Commencement of module installation:** April 2027
- **Commencement of high-voltage (HV) work** (switchyard and substation): May 2027
- **Testing and commissioning:** End of 2027

Flint Mine commenced its mowing effort in early October 2026 following receipt of DPS Limited Notice to Proceed (LNTD). Similar to the mowing scope, prior to all subsequent construction activities, Flint Mine will ensure all limits of work are flagged or staked in accordance with its *Certificate of Environmental Compatibility and Public Need, With Conditions*, including the limits of disturbance; wetlands, streams, waterbodies and New York State Department of Environmental Conservation wetland adjacent areas within limits of disturbance; designated restrictive areas and sensitive environmental resources; and all on-site or off-site access roads associated with the approved work areas subject to this NTP.

Construction activities will occur during daytime hours and will be subject to weather, site, and permitting conditions. A map of the Facility is enclosed here. Site access will be from US Route 9W, Flint Mine Road, and Green Lake Road. While hauling routes are not applicable to this scope, the previously approved routes per the Site Engineering and Environmental Plan (SEEP) filings are also included below for reference.

We remain committed to minimizing disruption to the community during construction. If you have any questions or concerns, or complaints, please contact:

Susan Moberg

More information about the Facility, construction, and Flint Mine Solar is posted on the Project website (located here: <https://www.flintminesolarproject.com/>), and available at the Town Halls in Cossack and Athens, as well as in public libraries and post offices within the Towns. We greatly appreciate the community's support and questions that have been received to date, and we look forward to continuing to work with the community as the Project proceeds to construction.

Sincerely,
Flint Mine Solar, LLC

Dear Friend of Dutchess Community College,

DCC offers several opportunities for prospective students to learn more about our college and how we may assist on their educational journey. We've enclosed materials promoting three upcoming in-person events and would appreciate it if you would post these at your location. Below are event descriptions. All are welcome to register for these events at www.sunydutchess.edu/admissions/open-houses.

Aviation Open House

Saturday, October 17, 10 a.m. - 1 p.m.

DCC @ HVR AIRPORT: 237 New Hackensack Road, Wappingers Falls, NY 12590

If you're interested in learning more about DCC's Pilot, Aviation Maintenance and Aviation Management programs, this event is for you! Tour DCC's cutting-edge aviation education center - 31,800 sq. ft. of classrooms, labs and hangar designed for immersive, hands-on learning. You'll also have a chance to step inside Falcon One, a Grumman G3-C2 previously owned by the U.S. government and used by presidents George H.W. Bush and Ronald Reagan, and General Norman Schwarzkopf.

Poughkeepsie Open House

Saturday, November 14, 9:30 a.m. - 1 p.m.

POUGHKEEPSIE CAMPUS: 53 Pendell Road, Poughkeepsie, NY 12601

Are you looking for the true college experience, where you will find classes, activities, sports, and residence hall in place? If so, our Poughkeepsie Campus is the place for you! This self-guided event will feature academic faculty and student services showcases setup in various locations on campus. Prospective students, families and guests will be encouraged to explore locations around campus. Post-event tours of the DCC Aviation Education Center and Fishkill locations will be available.

Center of Excellence in Business, Industry, and Innovation (COEBII) Open House - Fishkill

Thursday, December 3, 6 p.m. - 8 p.m.

DCC @ FISHKILL: 461 Rt. 9, Fishkill, NY 12524

Tour this recently expanded facility and discover the many opportunities COEBII has to offer through interactive presentations and academic showcases! Learn about our Electrical Technology, Mechatronics, Advanced Manufacturing, and Business offerings.

We appreciate your support in advance. Please feel free to contact us at (845) 431-8010 if you have any questions regarding these or other DCC Admissions events.

Best wishes,

Michael C. Roe

October 2026

First Mine Solar, LLC is providing notice of upcoming construction activities for the First Mine Solar Project. First Mine Solar is a 100-MWAC solar energy generating facility and is located in the Towns of Coxsackie and Athens in Dutchess County, New York.

The Project currently anticipates the following construction schedule, subject to the New York State Department of Public Service (NYS DPS) Review Notice to Proceed (NTP) for the applicable scope:

Groundbreaking ceremony and early civil work (including Stormwater Pollution Prevention Plan (SWPPP) implementation and Commencement of module installation, April 2027

Construction of high-voltage (HV) work (substation and substations) May 2027

Construction of civil work and commencement of mechanical and electrical installation for the PV array March 2027

First Mine Solar is committed to minimizing disruption to the community during construction. If you have any questions or concerns, or complaints, please contact:

Robert Hocking
First Mine Solar, LLC
578 Pine Avenue, 24th Floor New York, NY 10017
Phone: (314) 444-0253
Email: First.Mine.Solar@firstminesolar.com

Feedback may be submitted by telephone, email, mail, in person, or online. A copy of the Project Communication and Complaint Resolution Plan is available through the New York State Department of Public Service website, nysdps.org.

You may also reach out to the New York State Department of Public Service through the following contacts:

Honorable Nicholas L. Phillips, Secretary
3 Empire State Plaza
Albany, New York 12223
Phone: (518) 474-4520
Email: nicholas.phillips@ny.gov

For more information about the Facility, construction, and First Mine Solar is posted on the Project website located here: www.firstminesolar.com

We greatly appreciate the community's support and questions that have been received to date, and we look forward to continuing to work with the community as the Project proceeds to construction.

Sincerely,
First Mine Solar, LLC

518-719-3253 — www.greencounty.ny.gov

Announces a
**CONTINUOUS RECRUITMENT OPEN COMPETITIVE
ONLINE TRAINING AND EXPERIENCE EXAM FOR
EXAM NO. 60049420 - CORRECTIONS OFFICER**

APPLICATIONS ACCEPTED CONTINUOUSLY

ADMINISTERED FOR: Current and anticipated vacancies in the GREENE COUNTY SHERIFF'S OFFICE-CORRECTIONS DIVISION.

SALARY: \$25.20 per hour

RESIDENCY REQUIREMENTS: Candidates must be legal residents of Greene, Albany, Columbia, Delaware, Schoharie or Ulster Counties for at least one (1) month immediately preceding the date of the examination. Preference in appointment may be given to residents of Greene County (C.S. LAW #23, SUB PAR. A)

NON-REFUNDABLE FILING FEE: A \$25.00 filing fee must be submitted with your application in the form of a check or money order. Credit cards can be accepted when filing applications in person only. Please be advised the service fee is 2.49% or a flat fee of \$1.50, whichever is greater, for each credit card transaction.

CASH IS NOT ACCEPTED

SCOPE OF THE EXAMINATION: There is no written multiple-choice test. This is an online examination questionnaire that asks questions about your education, training, and work experience. This online questionnaire IS YOUR EXAMINATION. If you meet the minimum qualifications, you will receive a rating based upon an evaluation of your training and experience against the duties of the position being tested.

- Candidates must complete an examination application and return it to the Greene County Civil Service Office at the address noted above.
- Approved candidates will be sent a "Notice to Approved Candidates" containing directions to a website address needed to complete a Training and Experience Questionnaire.
- The Training and Experience (T&E) Questionnaire will be available on February 1, 2026, and approved candidates will be required to complete and submit this questionnaire within 30 days of the Notice to Approved Candidates.
- Candidates may be credited with training and experience gained up to the date the Training and Experience Questionnaire was submitted.
- Candidates who fail to submit their questionnaire within 30 days of the Notice to Approved Candidates will not receive a score and will not be added to the eligible list.

NOTE: Individuals can participate in Correction Officer examinations for other municipal civil service agencies to maximize their opportunity for appointment. Interested candidates will need to separately apply, be registered, and complete the T&E questionnaire for each municipal civil service agency according to each agency's guidelines. In addition, the application and T&E questionnaire process for the NYS Correction Officer Trainee exam program is separate from the Correction Officer T&E exam program for municipal civil service agencies. Visit cs.ny.gov for more information on applying to State exams.

The Town of Coxsack Highway Dept. is seeking a full time MEO. Experience is preferred but will train the right person. Applicant must possess at least a CDL class B license or will be willing to get one within one year of employment. Some operating experience is a plus with loaders, tractor and mower, rollers, etc. Physical labor is required such as shoveling, raking, weed eating, Plowing snow with large trucks and making yourself available during all winter storm events is a must. Mechanical skills is a plus. Health insurance available with employee contribution along with NYS retirement, NYS deferred compensation, and Aflac. Vacation, sick, and personal time available on an accrued basis.

Please contact Scott Eldred, Highway Supt. Via email at seldred@coxsackie.gov or at 518 731 6535 for an application or any questions.

Announces an
**CONTINUOUS RECRUITMENT OPEN-COMPETITIVE EXAMINATION FOR
CASEWORKER/CASEWORKER TRAINEE #00120010**

APPLICATIONS ACCEPTED CONTINUOUSLY

ADMINISTRATION OF THE EXAM: The exam will be held the second Tuesday of every other month at 10:00 a.m., beginning with February. Admission letters will be mailed to all approved candidates.

LOCATION OF EXAM: The exam will be held in the GREENE COUNTY CIVIL SERVICE OFFICE, address as stated above.

ADMINISTERED FOR: Current and anticipated vacancies in the GREENE COUNTY DEPARTMENT OF SOCIAL SERVICES AND HUMAN SERVICES DEPARTMENT.

MINIMUM SALARY: CASEWORKER: \$29.30 per hour AND CASEWORKER TRAINEE: \$27.19 per hour

RESIDENCY REQUIREMENTS: Candidates must be legal residents of Albany, Columbia, Delaware, Greene, Schoharie, or Ulster Counties for at least one (1) month immediately preceding the date of the examination. Preference in appointment may be given to Greene County Residents. (C.S. Law#23, Par. 4, Sub Par A)

NON-REFUNDABLE FILING FEE: CASH IS NOT ACCEPTED. A \$15.00 filing fee must be submitted with your application in the form of a check or money order. Credit cards can be accepted when filing applications in person only. Please be advised there is a service fee of 2.49% or a flat fee of \$1.50, whichever is greater for each credit card transaction.

NOTE: According to Civil Service Law, section 54 which became effective September 4, 2024, applicants who are within 12 months of attaining the minimum educational requirements following the date of examination, may take the civil service exam, but will be restricted from certification until such a time that the educational requirements are met.

MINIMUM QUALIFICATIONS: "YOUR TRANSCRIPTS MUST BE SUBMITTED WITH YOUR APPLICATION"

CASEWORKER: A Bachelor's Degree in Behavioral Sciences, Human Services, Social Science, Social Work, Counseling, Nursing, Education or other human services fields from a regionally accredited college or university or one recognized by the New York State Education Department and ONE (1) year of full-time paid experience as a Caseworker providing social services in a public or private human services agency.

CASEWORKER TRAINEE: Bachelor's Degree from a regionally accredited college or university or one recognized by the New York State Education Department.

SPECIAL REQUIREMENT: Must have access to transportation to meet fieldwork requirements in a timely and efficient manner. The job involves extensive travel to all parts of the county and state and occasional travel out-of-state. If this position requires a driver's license, possession of a valid New York State Driver's license is required at time of appointment and this license must be maintained throughout employment.

ESTABLISHMENT OF ELIGIBLE LIST: Successful candidates will have their names placed on the eligible list in order of their score, regardless of the date on which they take the test. The rank of the eligible changes when new eligibles are added to the existing list. Eligible candidates' names will remain in effect for two (2) years from the date he/she appears on the list.

LIST AND CERTIFICATION: One eligible list will be established from this examination. Candidates who are successful in this examination and possess the minimum qualifications for Caseworker will be certified for appointment first as a Caseworker. Those eligibles for Caseworker Trainee will be certified second at the Trainee level. Persons appointed at the Trainee level will be advanced to Caseworker without further examination upon satisfactory completion of the one (1) year traineeship. Caseworker eligibles will have their names certified for appointment before those eligibles for Caseworker Trainee. If Candidates originally placed on the

October 2026

From Mine Solar, LLC is providing notice of upcoming construction activities for the First Mine Solar Project. First Mine Solar is a 100-MW solar energy generating facility and is located in the Towns of Coxsackie and Athens in Greene County, New York.

The Project currently anticipates the following construction schedule, subject to the New York State Department of Public Service (NYS DPS) issuing notices to Proceed (NTP) for the applicable scopes:

- Hand tearing of trees: November 3, 2026
- Mechanical tree clearing and early civil work (including Stormwater Pollution Prevention Plan (SWPPP) implementation and access road construction): Upon receipt of the State Pollution Discharge Elimination System (SPDES) permit, currently targeted for late November 2026
- Remaining civil work and commencement of mechanical and electrical installation for the PV array: March 2027
- Commencement of module installation: April 2027
- Commencement of high-voltage (HV) work (substation and substation): May 2027
- Testing and commissioning: End of 2027

From Mine Solar has commenced its moving effort in early October 2026 following receipt of DPS Limited Notice to Proceed (LNT). Similar to the moving effort, prior to all subsequent construction activities, First Mine Solar will ensure all limits of work are flagged or staked in accordance with its Certificate of Environmental Compatibility and Public Notice, with Conditions, including the limits of disturbance, wetlands, streams, wetlands and New York State Department of Environmental Conservation wetland adjacent areas within limits of disturbance, designated restrictive areas and sensitive environmental resources, and all on-site or off-site access roads associated with the approved work areas subject to this NTP.

Construction activities will occur during daytime hours and will be subject to weather, site, and permitting conditions.

A map of the Facility is enclosed here. Site access will be from US Route 9W, First Mine Road, and Green Lane Road. While hauling routes are not appropriate to this scope, the previously approved routes per the Site Engineering and Environmental Plan (SEEP) filings are also included below for reference.

We remain committed to minimizing disruption to the community during construction. If you have any questions or concerns, or complaints, please contact:

Susan Hering
First Mine Solar, LLC
515 PPS Avenue, 2nd Floor New York, NY 10017
Phone: (516) 446-6262
Email: FirstMineSolar@firstminesolar.com (address updated from previous notice)

Feedback may be submitted by telephone, email, mail, or in person. A copy of the Project Communication and Complaint Resolution Plan is available through the New York State Department of Public Service website, www.dps.ny.gov to access documents, go to "Search" type the case number: "18-F-0087" and click "Search by Case Number".

Re: Matter No. 18-F-0087: Application of Flint Mine Solar LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 for Construction of a Solar Electric Generating Facility Located in the Towns of Coxsackie and Athens, Greene County - Informational Filing, Certificate Condition 23 - Host Community Agreements

Good afternoon,

Young/Sommer LLC represents Flint Mine Solar LLC (the "Certificate Holder") in the above referenced matter. Today, via electronic filing, the Certificate Holder submitted Notice regarding construction activities that will commence on or about November 3, 2026, pursuant to Certificate Condition 21(e) and (f) of the Certificate of Environmental Compatibility and Public Need, with Conditions, issued by the New York State Department of Public Service on August 4, 2021. On behalf of the Certificate Holder below, attached please find the Notice submitted for filing today as well as correspondence from Attorney Jim Muscato.

Regards,

Savannah Ledermann, Legal Assistant
