Dear Secretary Phillips:

On January 16, 2024, Consolidated Edison Company of New York, Inc. (the “Company”) filed its 12-month trailing average utility supply rates for January 1, 2023, to December 31, 2023. That filing had incorrect rates for Electric SC 1 Rate I, Rate II On Peak, and Rate III On and Off Peak in Zone I. The Company is filing this report with corrections to replace the prior report.

Please contact me if you have any questions about this filing.

Respectfully submitted,

Edward Sherwin
