STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 24-E-0378 - Joint Petition of Holtsville Energy Storage, LLC, Savion, LLC, and East Point Energy, LLC for Approval to Transfer Ownership Interests in Battery Energy Storage System Pursuant to Public Service Law Section 70.

ERRATUM NOTICE

(Issued February 4, 2025)

The Commission's Declaratory Ruling on Transfer Transaction, issued on December 23, 2024, in the above-captioned proceeding, requires correction. The last sentence of the first full paragraph on page 7 should read as follows: The Proposed Transaction involves ownership interests in entities upstream from the direct generation owner, Holtsville, and would result in East Point owning 100% of the membership interest in Holtsville.
