

Town of Lewisboro

Dear _____,

2/14/2024

The Town of Lewisboro is pleased to announce our participation in a Community Choice Aggregation (CCA) program administered by Sustainable Westchester. The program puts control of energy supply choices into local hands and provides access to renewable electricity. You are receiving this letter because you are newly eligible to participate in the CCA program. Through a competitive procurement process an Energy Service Company (ESCO), Direct Energy Services, LLC, has been selected to replace NYSEG as the default supplier of electricity for residential and small-commercial accounts within our community. We have chosen 50% renewable supply as the default product offering for our community, but you have the choice to switch to a standard or a 100% renewable supply option by contacting Direct Energy Services/Sustainable Westchester at 914-242-4725 ext. 134 or at the website below.

All eligible residential and small-commercial electricity customers will be automatically enrolled in the 50% renewable supply product beginning with the bill cycle following March 31, 2024 and will be able to continue to receive the CCA program price of \$.1216/kWh for electricity through November 30, 2024. You may opt-out at any time with no fee or penalty.

Below is a comparison of the NYSEG posted 12-month trailing electricity average supply pricing compared against the CCA program pricing. While the NYSEG average is not indicative of NYSEG pricing going forward, as NYSEG supply pricing is variable and may change each month, the CCA product pricing is fixed for the contract period and provides a basis for comparison. If you choose the renewable product offering, you will pay a premium for this product over the utility standard product pricing, however, you will be contributing to NYS clean energy goals.

Product Offering	Residential	Small-Commercial
NYSEG Standard Electric Supply*	\$.092469/kWh	\$.094704/kWh
CCA Standard Supply	\$.1120/kWh	\$1120/kWh
CCA 50% Renewable Supply [Default]	\$.1216/kWh	\$.1216/kWh
CCA 100% Renewable Supply	\$.1312/kWh	\$.1312/kWh

* Utility posted 12-month trailing average for 01/2023-12/2023 as defined by the Public Service Commission Rates do not include Gross Receipt Tax (GRT). If GRT is collected in your municipality it will be added to your rate. Please note that if you do not opt-out before 03/15/2024, you will be enrolled in ESCO service under the above-mentioned terms and your information, including energy usage data and low-income status, will be provided to Direct Energy Services.

How to Opt-Out or Change your Product Offering

If you decide not to participate, or want to change your product offering from the default, please respond in one of the ways below:

For Opt-Out only: Mail the enclosed Opt-Out card

For Opt-Out or to Change your Product Offering: Call Sustainable Westchester at 914-242-4725 ext. 134 or visit: sustainablewestchester.org/wp/nyseg-area-pre-enroll. **{Your Opt-Out Code is []}**.

Translation Services are available at 914-242-4725 ext. 134

Your Municipal Liaison information can be found here: sustainablewestchester.org/wp/municipal-contacts

We will be holding multiple information sessions to outline the program and answer any questions you may have. Please visit our website at sustainablewestchester.org/wp/nyseg/#events for more information.

Sincerely,

Town of Lewisboro

Town of Pound Ridge

Dear _____,
