

EASEMENT

In consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration or payment waived, the receipt and sufficiency of which is hereby acknowledged, **LAZARO J. DACHILLE & COLLEEN DACHILLE** with a mailing address of 50 Harold Avenue, Rochester, New York 14623, hereinafter collectively called "Grantor", does hereby grant and convey unto **ROCHESTER GAS AND ELECTRIC CORPORATION**, a New York Corporation, 89 East Avenue, in the City of Rochester, Monroe County, New York, hereinafter called "Grantee", its lessees, licensees, successors and assigns, forever a permanent easement and right of way (the "Easement Premises"), in, upon, over, under, above, across, along and through the premises known as **340 BALLANTYNE ROAD, Tax Account No. 159.02-1-11**, Town of **CHILI**, County of **MONROE**, New York and being the same premises described in a Deed recorded in the Monroe County Clerk's Office in **Liber 7767** of Deeds at **Page 201**, (the "Property") to, from time to time, lay, construct, reconstruct, increase, enlarge, raise, lower, replace, erect, relocate, extend, operate, inspect, maintain, protect, move, repair and replace at its pleasure:

- A. Any and all conduits, mains, pipes, regulators, valves, vaults, meters, stacks, manholes, cabinets, services and any and all other appurtenances and fixtures which the Grantee shall require now and in the future for the underground transmission and/or distribution of gas by the Grantee; provided that manhole covers, valves, cabinets and stack may be located at or above ground level within said Easement Premises.

The Easement Premises for all of the foregoing are more particularly described as follows:

BALLANTYNE ROAD; A strip of land sixty (60) feet in width which is shown on the sketch attached and identified as "Exhibit A" hereto and made a part hereof.

The Grantee, its employees, servants, agents, contractors and its successors and assigns, are hereby expressly given and granted the right to:

- A. A temporary easement area adjacent to the permanent easement area forty (40) feet in width for the purposes of construction. This temporary easement area will only be occupied during the course of construction and the Grantee will leave the premises in as good condition as found at the completion of the construction.
- B. Assign this easement and right of way, or any part thereof, or interest therein, and the same shall be divisible among two or more owners as to any right or rights created hereunder, so that each assignee or owner shall have the full rights and privileges herein granted, to be owned and enjoyed either in common or severally.
- C. Free ingress and egress over the Easement Premises and other portions of the Property for all of the above purposes, as well as the right (but not the duty) to trim, cut, and remove at any time by manual, mechanical and chemical means trees and other vegetation, structures and other obstructions, to use formulations registered with the environmental protection agency or its successors to eliminate vegetation, and modify the growth of trees, vegetation, growth, structures or obstructions within the Easement Premises and such other trees, vegetation, growth, structures or obstructions elsewhere on the Property that, in the judgment of Grantee, may interfere with the construction, operation or maintenance of its equipment or facilities or otherwise endanger the rights and privileges granted herein; and the right to prohibit the construction of, and\or remove, any building(s), structure(s) or improvements (including planting of trees, construction of roads, paths or driveways) within the Easement Premises or within ten (10) feet of Grantee's equipment and facilities and the right to keep the surface of ground above its underground gas equipment and facilities free from structures, improvement and growth which, in the judgment of Grantee may interfere with the proper construction, maintenance or operation of said underground equipment or facilities or that may interfere with the rights and privileges granted hereunder.

This grant is made and accepted upon the express conditions that after any exercise of the rights and privileges granted hereunder, the Grantee shall leave the premises in as good condition as found, and that the Grantee shall make reasonable compensation to the Grantor for any damage (except as permitted specifically hereunder) to the property of Grantor caused by their exercise of the rights and privileges granted hereunder.

This Instrument shall be binding on and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors and assigns.

The Grantor hereby warrants the title to the rights above granted.

IN WITNESS WHEREOF, the Grantor has hereunto set its hand and seal this 3 day of Aug, 2017.
