(Issued September 18, 2026)

On September 4, 2026, Department of Public Service staff filed its Preliminary Proposal for Modifications to the Data Access Framework (Preliminary Proposal) in the above-captioned proceedings. The Preliminary Proposal presented, among other things, high-level recommendations concerning cybersecurity and privacy requirements, the Data Security Agreement and Self-Attestation process, Data Ready Certification and the Data Access Matrix, the availability of energy-related data, governance, and customer consent and education.

Because the recommendations in the Preliminary Proposal are intended to provide a basis for stakeholder input, comments are requested regarding the Preliminary Proposal, including aspects such as the feasibility, implementation, costs, benefits, and potential alternatives associated with staff's preliminary recommendations, so that such comments may help to inform the development of a more comprehensive proposal.

PLEASE TAKE NOTICE that comments on the Preliminary Proposal are requested by or before Friday, **October 30, 2026**. Comments should be e-filed using the Department of Public Service's (Department) Document and Matter Management system
