Hi Robert,

We had 19 employees take an in-person U-Dig course on 5/7. I’m just waiting on the certificates from the trainer. Once I receive them I will send them over – should they be sent to this email?

Thanks,
Brian

Good Morning Brian,

Staff has reviewed the Certified Excavator Program (CEP) trainings through the UDig NY website. Out of the 22 stated on the Consent Order Agreement (COA), only 6 are valid. This meaning completed after the damage occurrence on 9/27/2024. In order to comply to the COA, an additional 14 employees must complete the CEP trainings or remittance of \$600 (Six Hundred Dollars) payment by certified check or money order payable to the “Department of Public Service”. If you have the copies of the certificates, please email them to Staff so they can be placed in the case file. The payment should be addressed to:

Laura Ferraro
Director of Finance and Budget
Department of Public Service
Three Empire State Plaza, 16th Floor
Albany, NY 12223-1350

Please feel free to contact me if you have any questions!
