

STATE OF NEW YORK  
PUBLIC SERVICE COMMISSION

CASE 15-E-0302 - Proceeding on Motion of the Commission to Implement a Large-Scale Renewable Program and a Clean Energy Standard.

NOTICE SOLICITING COMMENTS

(Issued July 24, 2024)

On July 1, 2024, Department of Public Service staff and the New York State Energy Research and Development Authority filed the Draft Clean Energy Standard Biennial Review (Biennial Review) in the above-captioned proceeding.<sup>1</sup> The Biennial Review summarizes the progress made toward the renewable energy and zero emission goals set by the Climate Leadership and Community Protection Act since the establishment of New York State's Clean Energy Standard, assesses what remains to be done to achieve those goals, presents policy options and proposals, and invites comments from stakeholders and the public on these or any other matters raised in the Biennial Review.

**PLEASE TAKE NOTICE** that interested persons are invited to submit initial comments on the Biennial Review by **September 23, 2024**, with reply comments requested by **October 7, 2024**. Commenters are asked to submit comments by e-filing through the Department's Document and Matter Management (DMM) System.<sup>2</sup> All comments received will be posted to the Department's website and become part of the case record.

---

<sup>1</sup> On July 8, 2024, Department of Public Service staff filed corrections to the Biennial Review addressing two typographical errors in the original filing.
