Re: Case 24-C-0218-Atlas Connectivity, LLC, Patricia L Knapp, et al

Dear Ms. Magnis:

Attached please find the confidential filing responsive to the requirements of Ordering Clauses 6 of the Commission's "Order Granting Joint Petition Subject to Conditions" issued on December 23, 2024.

Petitioners request these financial statements along with the supporting notes and the entire contents be treated by the Commission and the Department of Public Service as trade secret information and confidential commercial information pursuant to Public Officers Law Sections 87(2)(d) and 89(5)(a)(1) and the Commission's implementing regulation 16 NYCRR Section 6-1.3. The information in this document, if made publicly available, would likely cause substantial injury to the competitive position of the Petitioners. Accordingly, Petitioners respectfully request that the document referred to and attached hereto, when received by the Commission, be treated as confidential trade secret information and afforded all the protections against public disclosure available for such information, as provided by law.

Respectfully submitted,

Kevin Lynch
