Re: Case 22-C-0342 - Joint Petition of Atlas Connectivity, LLC, Westelcom Communications, Inc., and Westelcom Network, Inc. for Authority to Transfer and Acquire Shares -- 9th Quarterly Filing

Dear Secretary Phillips:

In accordance with the terms outlined in the commission order, Chazy and Westport Telephone Corp. provides the following updates:

1. Maintaining Customer-Facing Jobs - Customer facing jobs for the required 9th quarterly filing are as follows: Customer Service Representative, 2 positions; Installer/Repair Technician, 4 positions.
2. Investment of All the Net Proceeds of the Sale of Westelcom – To date, we continue to dedicate resources to invest and maintain existing electronics (Calix equipment, ONTs). Additionally, we have proactively established a management reserve (Certificates of Deposit) to fund and support potential contingencies and future build-out obligations. All Certificates of Deposit that have come due during this 9th quarterly filing (principal and interest) have been reinvested.
3. Broadband Deployment Commitment –Chazy and Westport Telephone Corp. is dedicated to providing high-speed broadband to underserved areas within the franchise territory. We are working with the New York State Public Service Commission to identify and approve replacement locations for nineteen (19) addresses that were rejected for various reasons, and we will be reaching additional addresses once replacements are agreed upon.

Sincerely,
