Re: Case No. 15-F-0122: Baron Winds II LLC – Minor Change Request No. 34

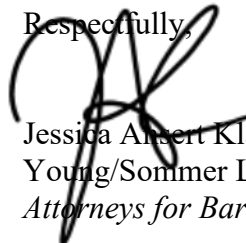

Dear Records Access Officer:

We represent Baron Winds II LLC (the “Certificate Holder”) with regard to the above proceeding. In accordance with Certificate Condition 64 of the Certificate of Environmental Compatibility and Public Need, with Conditions, issued on September 12, 2019, and the Order Granting Amendment Petition II, with Conditions, and Granting Transfer Petition, with Conditions issued on July 1, 2024, the Certificate Holder has submitted Minor Change Request No. 34.

Please keep in mind, pursuant to the New York Freedom of Information Law (“FOIL”), Public Officers Law (“POL”) § 87(2)(a) and 89(5), the Certificate Holder is asserting that **Post-Construction Avian Bat Monitoring and Adaptive Management Plan** is confidential because either it is a trade secret or it may provide the location of threatened and endangered species, or alternatively, is information that DPS/DEC has previously requested be redacted.

Should you have any questions or require anything further in this regard, please feel free to contact us. Thank you.

Respectfully,

Jessica Ansert Klami
