

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 15-E-0302 - Proceeding on Motion of the Commission to
Implement a Large-Scale Renewable Energy
Program and Clean Energy Standard.

NOTICE FURTHER EXTENDING COMMENT DEADLINE

(Issued September 29, 2026)

On May 15, 2026, Department of Public Service staff filed a "White Paper on Clean Energy Zones Program" (CEZ White Paper). A Notice Soliciting Comments, issued June 9, 2026, in this proceeding (June Notice), invited the submission of comments on the CEZ White Paper. On July 24, 2026, a Notice Extending the Comment Deadline was issued establishing an October 9, 2026 deadline for comments on the CEZ White Paper.

By letter filed September 23, 2026, staff requests a further extension of the comment due date. According to staff, an extension will allow time for a series of technical conferences to be held, thus providing interested entities with an opportunity to better understand the proposals in the CEZ White Paper prior to commenting. This extension request is granted and is available to anyone who is interested in filing comments in response to the June Notice.

PLEASE TAKE NOTICE that the deadline for submitting comments on the CEZ White Paper is hereby extended until **December 8, 2026**. Please refer to the June Notice for any additional information, including how to file comments and where to direct questions. As a reminder, please note that untimely comments may not be considered by the Commission.
