

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 26-E-0045 - Proceeding on Motion of the Commission to
Address Interconnection Reforms for Large
Loads.

NOTICE OF TECHNICAL CONFERENCE

(Issued October 2, 2026)

On February 12, 2026, the Public Service Commission (Commission) issued its Order Instituting Proceeding and Soliciting Comments (Order) in this proceeding. As explained in the Order, Department of Public Service (Department) staff is required to convene at least one technical conference to help inform the Commission in regard to the objectives of this proceeding, including, but not limited to, (1) modernizing the interconnection process for all building loads; (2) improving transparency and predictability related to grid upgrades; (3) ensuring that data centers and similar facilities bear the costs they impose on the electric system; (4) providing for the continued reliability of the electric system; (5) developing programs and policies for the interconnection of large loads that consider the objectives of the Climate Leadership and Community Protection Act; and (6) exploring ways in which new large electric load could lead to downward pressure on rates for all customers.

PLEASE TAKE NOTICE that a technical conference regarding data centers and other large loads will be held on **Wednesday, October 28, 2026**, from 10:00 a.m. to 4:00 p.m. The technical conference will be conducted in-person and virtually. Interested stakeholders are welcome to attend the conference in-person at the Department's Albany offices at Three Empire State Plaza, Albany, New York, in the 3rd Floor Hearing room. To

comply with building security requirements, those intending to participate in-person must email Kevin.Luteran@dps.ny.gov by October 26, 2026, and must be prepared to show valid photo identification upon arrival at Three Empire Plaza.

On October 28, 2026, remote participation will be available electronically or by teleconference using the information provided below.
