Re: 16 NYCRR Chapter 7, Subpart D, Part 730
PCB Semi-Annual Inventory

Dear Secretary Phillips:

As required by the above referenced rule, Orange and Rockland Utilities, Inc. submits its semi-annual PCB Inventory Reports for July 1, 2022 through December 31, 2022. The inventory report is divided into two parts: (1) PCB equipment in service, (2) PCB equipment retired, stored, processed, or shipped during the reporting period over 500ppm.

Orange & Rockland does not have any known PCB transformers or equipment in service. During this reporting period the Company disposed of 2 PCB equipment over 500 PPM.

Copies of the report have also been provided to Director Tammy Mitchell at the Office of Electric, Gas, and Water (DPS), and Chief Executives of Rockland County and Orange County as required.

Please contact me at (845) 577-2343 if any additional information is required.

Sincerely yours,

Jeremy McVey
Director, EHS

Cc: Director Tammy Mitchell, Office of Electric, Gas, and Water (DPS)
Steven M. Neuhaus, Orange County Executive
Ed Day, Rockland County Executive
