DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Cash Compensation
- Equals the sum of Annual Salary and Variable Pay @ Target

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Cash Compensation
- Equals the sum of Annual Salary and Variable Pay @ Target

REDACTED VERSION

								Overall Positioning: Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

REDACTED VERSION

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

Overall Positioning:
Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

REDACTED VERSION

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

Overall Positioning:
Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

REDACTED VERSION

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

Overall Positioning:
Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

REDACTED VERSION

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

Overall Positioning:
Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

REDACTED VERSION

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

Overall Positioning:
Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

REDACTED VERSION

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

Overall Positioning:
Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.

Band	CECONY Title	Department	Survey Benchmark Code and Functional Area		Band	Title	CECONY	50th Percentile	+/-	Average	+/-

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

REDACTED VERSION

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

Overall Positioning:
Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.

Band	CECONY Title	Department	Survey Benchmark Code and Functional Area		Band	Title	CECONY	50th Percentile	+/-	Average	+/-

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

REDACTED VERSION

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

Overall Positioning:
Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

REDACTED VERSION

Overall Positioning:
Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

REDACTED VERSION

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

Overall Positioning:
Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

REDACTED VERSION

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

Overall Positioning:
Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.

Band	CECONY Title	Department	Survey Benchmark Code and Functional Area		Band	Title	CECONY	50th Percentile	+/-	Average	+/-

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

DPS-14-440 Total Benefits & Compensation Results

Consolidated Edison of New York (CECONY) 2021/2022 Competitive Analysis

Competitive Positioning of Target Direct Compensation
- Equals the sum of Target Cash Compensation and Long-term Equity Value

Overall Positioning:
Detail below reflects only those incumbents with a defined benchmark with available survey data, adjusted for geography. Roles specific to the Utility industry were adjusted by 19.6%, while all others were adjusted by 11.8%.
