Re: Matter No. 26-00025: Application of Azalea Wind LLC for a Permit, Pursuant to Article VIII of the New York State Public Service Law, to Construct and Operate a 100 MW Major Renewable Energy Facility in the Towns of Catharine and Hector, Schuyler County

Dear Records Access Officer:

We represent the Prospective Applicant, Azalea LLC ("Prospective Applicant"), in the above proceeding. The Prospective Applicant is proposing to construct and operate the Azalea Wind Project, a wind energy generation facility in the Towns of Catharine and Hector, Schuyler County, New York.

Enclosed for filing, please find the Revised Wildlife Site Characterization Memorandum ("Revised WSC Memo") in accordance with the pre-application procedures under Article VIII of the Public Service Law and 16 NYCRR §1101-1.1(b). Please keep in mind, pursuant to the New York Freedom of Information Law ("FOIL"), Public Officers Law ("POL") § 87(2)(a); 89(5), and New York Environmental Conservation Law ("ECL") § 3-0301(2)(r), the Prospective Applicant is asserting that certain information in the WSC Memo is confidential because either it is a trade secret or it may provide the potential location of threatened and endangered species.

Should you have any questions or require anything further in this regard, please feel free to contact us. Thank you.

Respectfully Submitted,

James A. Muscato II
