RePetition of Ventura Group Inc. and Nivo Mountain LLC for a Sharing Project Notice Requirement Under SIR Appendix E (Cost-Sharing 2.0) - Request for Expedited Consideration

Dear Secretary Phillips:

Enclosed for filing please find the Petition of Ventura Group Inc. and Nivo Mountain LLC (together, "Petitioners") for a Sharing Project Notice Requirement under Appendix E of the New York State Standardized Interconnection Requirements ("SIR").

The Petition requests that the Commission require Consolidated Edison Company of New York, Inc. to provide advance written notice to Triggering Project developers before a Sharing Project's entry renders previously paid qualifying upgrade costs non-refundable, together with a ten (10) Business Day period within which the Triggering Project developer may elect to remain in the interconnection queue or withdraw and receive a full refund. Supporting Exhibits A and B are also enclosed.

Ventura's next qualifying upgrade payment for the referenced project is due in fewer than ten (9) business days. In light of that deadline, Petitioners respectfully request expedited consideration of this filing.

Please direct any questions regarding this filing to the undersigned.

Respectfully submitted,

Shira Parnes
