Re: Case 14-M-0094 - Clean Energy Fund Proceeding.
Case-18-M-0084 – Comprehensive Energy Efficiency Initiative.

Dear Marco Padula:

I received your letter dated July 21, 2023, on behalf of the Department of Public Service staff (DPS staff), requesting an extension of time to comply with the directives set forth in the *Order Adopting Clean Energy Fund Modifications* (CEF Order), issued September 9, 2021, in Case 14-M-0094. The CEF Order requires DPS staff to file updated guidance no later than July 26, 2023.

You state that the DPS staff's efforts to complete the filing are ongoing. You also assert that the Order Directing Energy Efficiency and Building Electrification Proposals, issued July 20, 2023, in Case 18-M-0084, requires increased granularity in that filing, thus necessitating additional engagement and time.

Based upon the information you have provided, an extension is granted until September 27, 2023, to the DPS staff to comply with the directives set forth in the CEF Order. This extension is granted in order to promote the fair, orderly and efficient conduct of this proceeding.

This ruling will be posted on the Department's website.

Very truly yours,
