The Honorable Jaclyn A. Brillling  
Secretary to the Commission  
New York State Public Service Commission  
Three Empire State Plaza  
Agency Building Three  
Albany, NY 12223 – 1350

**RE: Application for Certificate of Confirmation for the Town of Duanesburg,  
Schenectady County, New York**

Dear Secretary Brillling:

On behalf of Time Warner Cable Northeast LLC ("TWCNE"), enclosed please find an application for a certificate of confirmation regarding a franchise issued by the Town of Duanesburg, New York (Schenectady County).

TWCNE is in the process of acquiring cable system facilities serving Duanesburg and the associated franchise from Princetown Cable Co., Inc. ("Princetown Cable"). Pursuant to Section 213.2 of the New York Public Service Law, because Princetown Cable serves fewer than 1,000 customers, it is exempt from the obligation to obtain a certificate of confirmation. However, TWCNE respectfully requests a certificate of confirmation pursuant to Section 221 of the Public Service Law upon closing of the pending transaction.

In accordance with the New York State Public Service Commission Cable TV Regulations contained in 16 NYCRR Part 8, TWCNE's enclosed application for a certificate of confirmation includes the following documents:

1. The Franchise Agreement between the Town of Duanesburg and Princetown Cable dated July 11, 2002 is attached as Exhibit 1.
2. The application for a Certificate of Confirmation Form R-2 is attached as Exhibit 2.
3. The most recent Signed Leakage Test Results for the Princetown Cable System are attached as Exhibit 3.
4. A letter from the Town Clerk of Duanesburg regarding a public hearing and the Town's Resolution #111-12 are attached as Exhibit 4.
5. A complete copy of this application for a certificate of confirmation has been served on the Town of Duanesburg by FedEx. The certificate of service is attached as Exhibit 5.

6. The required legal notice has been ordered to be published and is attached as Exhibit 6. Proof of publication will be forwarded to the Commission when it is received.

Additional information regarding TWCNE and its acquisition of certain facilities and franchises from Princetown Cable including the Duanesburg franchise may be found in the related Federal Communications Commission Form 394 filing submitted to the New York Public Service Commission concurrently herewith.

Because the parties are anxious to close their transaction as soon as possible, prompt action on this application would be greatly appreciated.

If you have any questions, please do not hesitate to contact me at (518) 242-8890.

Sincerely,

A handwritten signature in black ink that reads "John Mucha". The signature is written in a cursive, flowing style.

## EXHIBIT 1

### FRANCHISE AGREEMENT BETWEEN THE TOWN OF DUANESBURG, NEW YORK AND PRINCETOWN CABLE CO., INC. DATED JULY 11, 2002

*Resolution # 111-02*

A NON-EXCLUSIVE FRANCHISE AWARDED TO PRINCETOWN CABLE CO., INC. TO OWN, OPERATE AND MAINTAIN A CABLE TELEVISION SYSTEM IN THE TOWN OF DUANESBURG SETTING FORTH CONDITIONS ACCOMPANYING THE GRANT OF FRANCHISE AND PROVIDING FOR REGULATION OF SAID SYSTEM BY THE TOWN.

WHEREAS, Princetown Cable Co., Inc., has applied in writing to the Town of Duanesburg for renewal of its existing cable television franchise pursuant to State of New York Department of Public Service Rules and Regulations as authorized by the Commission, and

WHEREAS, the Federal Communications Commission and State of New York Department of Public Service have adopted rules governing the issuance of franchises and the provisions contained therein, and

WHEREAS, the Town Board has determined that the applicant is qualified in all respects to provide adequate service, and

WHEREAS, the Board, on July 11, 2002 by Resolution # 111-02, awarded a non-exclusive franchise to provide cable television in the Town of Duanesburg to Princetown Cable Co., Inc.

NOW THEREFORE, the attached document shall constitute the full formal agreement between the parties.

#### SECTION 1 – SHORT TITLE

This franchise shall be known and may be cited as the "Town of Duanesburg Cable Television Franchise II".

#### SECTION 2 – DEFINITIONS

For purpose of this franchise, the following terms, phrases, words and their derivations shall have the meaning given herein. When not inconsistent with the context, words used in the present tense include the future; words in the plural number include the singular number and words in the singular number include the plural number. The word "shall" is always mandatory and not merely directory.

- (A) "Municipality" is the Town of Duanesburg in the State of New York.
- (B) "Board" is the Town Board of the Town of Duanesburg.
- (C) "Company" is the grantee of rights under this franchise and is known as Princetown Cable Company, Inc.
- (D) "F.C.C." is the Federal Communications Commission, Washington, D.C. 20554.
- (E) "NYDPS" is the State of New York Department of Public Service, Three Empire State Plaza, Albany, New York 12223.
- (F) "Person" is any person, firm, partnership, association, corporation, company or organization of any kind.
- (G) "Activation charge" is the fee charged to initiate service to a new subscriber.
- (H) "Gross revenues" shall include the revenue from cable television operations within the municipality as defined by the FCC.

(I) "Cable television system" or "CATV system" shall mean a system of towers, antennas, waveguides, cables, wires or any other conductors, converters, equipment or facilities, designed and constructed for the purpose of producing, receiving, amplifying and distributing television and radio signals and other electronic impulses primarily by wire, fiber, dish or cable (which may include two-way capability) to subscribing members of the public who pay for such service.

(J) "Basic service" shall include certain analog channels exclusive of digital and premium channels.

(K) "Premium channels" shall mean specialized services such as Home Box Office and Cinemax and/or other premium or optional entertainment services that may become available.

(L) "Digital Channels" shall mean specified channels as may be offered from time to time by Company via any digital delivery system.

### SECTION 3 – QUALIFICATIONS OF GRANTEE AND GRANT OF AUTHORITY

After considering all pertinent facts, the Board has found that the Company possesses all necessary legal, technical character, financial and other qualifications and that Company's arrangements for the construction, operation and maintenance of the system are adequate and feasible, and pursuant to such finding, Board hereby grants to Company a non-exclusive franchise, right and privilege to construct, erect, operate, modify, and maintain in, upon, along, across, above, over, and under the public highways, streets, alleys, sidewalks, public places and rights of ways not laid out or dedicated and all extensions thereof, and additions thereto in the Municipality, inclusive of all poles, wires, cable, underground conduits, manholes, pedestals and other television conductors and fixtures necessary for the maintenance and operation of Cable Television system for the purpose of distributing television and radio signals, and other electronic impulses in order to furnish television and radio programs, and various communications and other electronic services to the public. The right so granted includes the right to occupy said public streets, alleys, public ways and public places and all manner of easements and rights of way for the purpose herein set forth. Such use will not interfere with the use of town highways or other public ways by other licensed and lawful users. The provisions contained herein are in compliance with the franchise standards of, and based on a total subscriber count of less than one thousand (1,000) subscribers, is NOT subject to the approval of the NYDPS.

The right and privileges of this franchise shall continue for a period of 15 years from the effective date of this franchise after which the Company shall have, at its option, the right to renew for an additional 10 years by giving notice to the Municipality 60 days prior to the expiration of the original term. Thereafter, the Company shall be entitled to additional renewals at the option of the Municipality, under then existing State and Federal rules.

### SECTION 4 – CONSTRUCTION STANDARDS

(A) All poles, cables, wires, antennas, conduits or appurtenances shall be constructed and erected in a workmanlike manner. The Municipality shall not be held liable for any disturbances of Company's installation resulting from the altering, repairing, or installation of streets, sewer, lighting or water installation or

the like by the Town. Company shall, at its own expense, move or relocate any of Company's installations at the request of the Municipality whenever, or wherever Company's installations are found by the Municipality to interfere with the streets, street grade, sewer or water installations, or any other public facilities, or any proposed changes thereof, or extensions thereto.

(B) This franchise shall not be construed as to deprive the Municipality of any rights or privileges which it now has, or may hereafter have, to regulate and control the use of its streets.

(C) All the construction of the Company, including installation, shall conform to all applicable federal and state laws and regulations, ordinances, local laws and regulations and the National Electric Safety Code. Company shall provide to the Municipality on request, a map designating the location of cable television facilities; said map shall be available for public examination upon reasonable advance request.

(D) The Municipality reserves the general right to see that the system of the company is constructed and maintained in a safe condition. If the Municipality reasonably finds that an unsafe condition does exist, it may, upon written notice, order the Company to make the necessary repairs; if, after twenty days of receiving such notice the Company has not complied with such written notice the Municipality may make or cause to be made, all necessary repairs and collect all reasonable costs and expenses of such repair from the Company, which the Company agrees to pay, subject to an itemized invoice.

(E) Any Municipal property damaged or destroyed by Company shall be repaired or replaced by Company and restored to serviceable condition. If the Company fails to make repairs as required herein, then damaged or destroyed property may be considered an unsafe condition under sub-paragraph (D) as above.

(F) To the extent possible, Company shall make attachments to poles already in existence within the Municipality where such poles are owned by the Municipality. To the extent that existing poles are insufficient for its purposes, Company shall have the right to erect and maintain its own poles, as necessary, for the construction and maintenance of its television distribution system with the approval of locating such poles by the Municipality.

(G) Company shall have the right, authority, power and privilege to attach any of its system facilities to any existing or future poles, towers, or other facilities owned by the Municipality.

(H) It is the stated intention of the Municipality that all holders of public franchises, within the limits of the Municipality, shall cooperate with the Company to allow its usage of their poles and pole line facilities wherever possible and wherever such usage of their poles and pole lines does not interfere with the normal operation of said poles and pole lines, so that the number of new or additional poles constructed by Company may be minimized.

(I) In areas of the Municipality where power and telephone are required to place their facilities underground, Company shall be required to place cable TV facilities underground also.

(J) Company shall have the authority to trim trees, upon and overhanging all streets, alleys, easements, sidewalks, and other public places so as to prevent the branches of such trees from coming into contact with the facilities of the Company subject to Town Highway Superintendent's authorization.

(K) Company shall, upon 72 hour advance written notice, from any Person holding an appropriate permit issued by the Municipality, temporarily raise or lower its lines to permit the moving of any building or

structure. The actual expense of such temporary removal shall be paid by the person requesting the same and Company shall have the right to require payment in advance of such temporary removal.

#### SECTION 5 – SERVICES TO BE OFFERED

Basic service to all subscribers effective January 01, 2002, will include, but not limited to the basic service signals set forth in Attachment 1, which, in accordance with applicable laws, may be modified by Company as it deems appropriate.

(A) Premium channel services such as Home Box office and Cinemax and/or other optional services that may become available will be offered to residential subscribers as an optional service.

(B) Free Service Drops – A single outlet will be furnished free of charge for each school, fire station, or other municipally-owned facility as agreed to with the municipality, which is adjacent to energized cable plant and can be reached by a normal subscriber drop. The Municipality will furnish a list of proposed drops to be supplied. Additional outlets will be billed at the regular rates. The cost of unusual installations will be quoted prior to installation in accordance with NYDPS rules and regulations.

#### SECTION 6 – RATES

(A) Company proposes to charge its subscribers an activation fee, a monthly fee for their continued use of the service, and such other fees and charges as may be deemed appropriate by the Company, and that are not in violation of Federal or State Regulations. See Attachment 2 for a current rate card. Rates and services will be amended from time to time by the Company. The Company will provide 30 days advance notice to the Town of any pending rate increase.

#### (B) OTHER ITEMS

- a. Monthly charges may at the Customer's option be paid annually in advance. There will be no discount for advance payments. Any prepaid accounts disconnected prior to the expiration of the prepayment will receive a pro-rata rebate for the unused portion. Any increase in rates will not affect prepaid accounts until the prepayment has expired, unless there is a change in service level requested by the Customer.
- b. Customers shall have the option to be billed monthly or annually.
- c. Bills will be due and payable in advance on the 1<sup>st</sup> day of the month for which the services are rendered, and will be considered late after thirty (30) days from the date due.
- d. A late charge of 1.5% per month, or the maximum rate allowed by law, will be added to all bills paid after the thirty- (30) days from which they were due.
- e. A service charge will be charged to a subscriber whose bank returns a check unpaid for any reason.
- f. A reconnect fee will be charged if reconnect becomes necessary.

- g. Parental guidance devices will be furnished on request at the rate allowed by Law at the time of activation.

#### SECTION 7 – INSURANCE

The Company shall indemnify and save the Municipality harmless from any and all liability, damage or expense from accident or damage, either to itself or to persons or property of others, which may occur by reason of Company's activities in the cable television business. For this purpose, the Company shall have in full force and effect and thereafter so maintain the same at all times, and file evidence thereof with the Clerk, a good and sufficient policy of insurance with liability limits of \$50,000 for property damage for each occurrence, \$500,000 for personal injury to each person, and \$ 1,000,000 for personal injury for each occurrence.

#### SECTION 8 – UPGRADE

A. The Company is engaged in an upgrade of its existing cable plant, and in the addition of several extensions to the cable plant. This upgrade will involve elimination of long amplifier cascades, and conversion to a hybrid fiber coax plant (HFC). The Company will have installed 20 fiber nodes throughout the cable plant and standby power supplies. As part of the upgrade, the Company will also be installing two-way capable cable plant, facilitating the offering of HSD as well as enhanced video services when they are available. The Company has the right to determine where service is economically feasible.

B. The Pre-existing cable plant shall be considered the primary service area.

C. The Municipality shall have the right to require the posting of a bond or other instrument in the amount of \$1,000, payable to the Municipality prior to the start of the upgrade. The Company shall have the right to cancel same on notification to the Municipality that the construction is completed and that residents within the proposed service area are capable of being served.

D. In future areas where underground extension is required, the difference between the actual cost of the underground installation and the average current cost of the equivalent amount of aerial plant shall be borne by the developer or by those subscribers directly benefiting from the service and a prepayment shall be required in the amount of that difference proportioned among those desiring and benefiting from the service. Equalization of costs borne by the developer or the subscriber shall be done on an annual basis for a period of 2 years on the anniversary of the completion of construction.

#### SECTION 9 – TECHNICAL STANDARDS

(A) Company shall construct and maintain a cable television system complying with all applicable federal and state technical standards, as now enacted and as subsequently modified, either by general action of the appropriate regulatory body or by specific action relating only to the system authorized herein.

(B) Nothing shall be construed to prohibit Company from requesting a waiver of any federal or state technical standard, provided that a copy of any such request is served upon the Municipality.

#### SECTION 10 – COMPLAINT PROCEDURES

The Company shall maintain a business office or agent easily accessible to the citizens of the Municipality for the purpose of receiving subscriber complaints regarding the quality of service, equipment malfunction, billing disputes and any other matters. Company shall investigate and resolve such complaints expeditiously and normally within twenty-four hours (24).

Company shall provide notice to all subscribers at yearly intervals (or as otherwise prescribed by NYDPS or FCC) of the procedures for reporting and resolving complaints. NYDPS rules on complaint and billing procedures will be complied with.

#### SECTION 11 – REVOCATION

(A) Non-performance or violation by the Company of any material term or provision of this franchise shall constitute a default. The Municipality shall send a written default notice by Certified Mail, return receipt requested, and the Company shall have sixty (60) days from the receipt of said notice to correct or remedy the default. However, in the event a default is related to the components of Company's CATV system, Company shall have such time in excess of 60 days as industry standards may be deemed reasonable to remedy such defaults, provided that Company has initiated the remedial process within thirty (30) days from the receipt of notice.

(B) If the Company corrects or remedies the alleged default within the 60-day period, then no default will have been deemed to have occurred.

(C) In the event of default by Company, Municipality shall have option to terminate agreement.

#### SECTION 12 – FRANCHISE FEE

There shall not be a franchise fee.

#### SECTION 13 – TERMINATION

At the normal termination date (including extensions) of this franchise, or if the franchise is forfeited or abandoned for any other reason prior to the normal termination thereof, Company may sell or transfer such construction and installations as then exist to any Person, subject to the approval of the Municipality. Company may leave such construction and installation in place for at least one year (or such additional time as the Municipality may approve) after the termination, forfeiture or abandonment of this franchise in order to seek a purchaser. No purchaser or transferee of such construction or installation acquires thereby any rights or authorization to operate a cable television system in the Municipality. If after the period allowed, such construction and installation have not been sold, the Municipality may thereafter direct the Company to remove any or all such construction and installations at its own expense from all public areas and direct that the Company shall place all public areas that may have been disturbed in as good a condition (exclusive of normal wear and tear) for public use as the abutting portions thereof.

#### SECTION 14 – COMPLIANCE WITH STATE AND FEDERAL LAW

(A) Company shall conform to all laws, rules and regulations of the United States and the State of New York in the construction and operation of its cable television system. All rules and regulations of the FCC and the NYDPS relating to cable television franchises, as now enacted or subsequently amended, are incorporated herein by reference. Company shall take such additional action as is necessary to formally incorporate in the terms of this franchise any modifications required by amendment of applicable federal and state laws, rules and regulations governing the contents of cable television franchises within one year of their adoption or at the time of franchise renewal, whichever occurs first.

(B) This franchise is in full compliance with the rules and regulations of the FCC and the NYDPS relating to cable television franchises as now enacted.

(C) Nothing herein shall be construed to prohibit Company from requesting a waiver of any state or federal rule or regulation provided that a copy of any such request shall be served upon the Municipality.

#### SECTION 15 – SEVERABILITY CLAUSE

If any section, sentence, clause, or phrase of this franchise should be held to be invalid or illegal, the invalidity or illegality thereof shall not effect the validity or legality of any other section, sentence, clause, or phrase of this franchise.

#### SECTION 16 – NON-DISCRIMINATION

Company will not refuse to hire or employ, nor bar, nor discharge from employment, nor discriminate against any person in compensation or terms, conditions or privileges of employment because of age, race, creed, color, national origin or sex.

#### SECTION 17 – APPROVAL OF NYDPS AND FCC

This franchise renewal does not require the approval of the NYDPS or the FCC.

#### SECTION 19 – GIVING NOTICE

All notices required to be given under this franchise shall be in writing and mailed to the parties by certified mail at the following address:

**Company:**  
Princeton Cable Co., Inc.  
878 Ennis Road  
Schenectady, N.Y. 12306

**Town of Princetown:**  
Attn: Town Board  
165 Princetown Plaza  
Schenectady, N.Y. 12306

#### SECTION 20 – ABANDONMENT OF SERVICE

The Company shall not abandon any service areas or portions thereof to be furnished hereunder without the prior written consent of the Municipality.

SECTION 21 - ADMINISTRATION

The Town Board or its duly authorized representative, is hereby designated the officer of said Town responsible for the continuing administration of the franchise.

SECTION 22 - RESERVATION OF RIGHT

The Municipality reserves the right to adopt, in addition to the provisions contained in the franchise and existing applicable ordinances, such additional regulations as it shall find necessary in the exercise of its police power; provided, however, that such regulations are reasonable, not materially in conflict with the privileges granted in the franchise and do not place any undue burden on the Company.

SECTION 23 - EFFECTIVE DATE

This franchise shall go in effect immediately upon passage by the Municipality and acceptance by the Company. Grantee shall file with the Clerk a written acceptance hereof within (30) thirty days of the date of passage. The effective date of the franchise renewal shall be on the date that the Company files the required written acceptance.

IN WITNESS HEREOF, the parties have set their hands and seals the day and year written.
