THE SUNNOVA EASY SAVE MONTHLY ADVANTAGE

Predictable Savings

Lock in 25 years of rate protection with no upfront costs or down payment. You'll always know what you're going to pay each month for your solar energy – with no unpleasant surprises.

Sunnova Warranty¹

The **Sunnova Protect** warranty is best-in-class. All system components are covered for 25 years, eliminating out-of-pocket expenses for repairs and maintenance. This includes labor, too.

System Monitoring

We track the system's solar generation, and if we detect that it's not producing the amount of energy we guarantee in your agreement, our service team will take care of it.

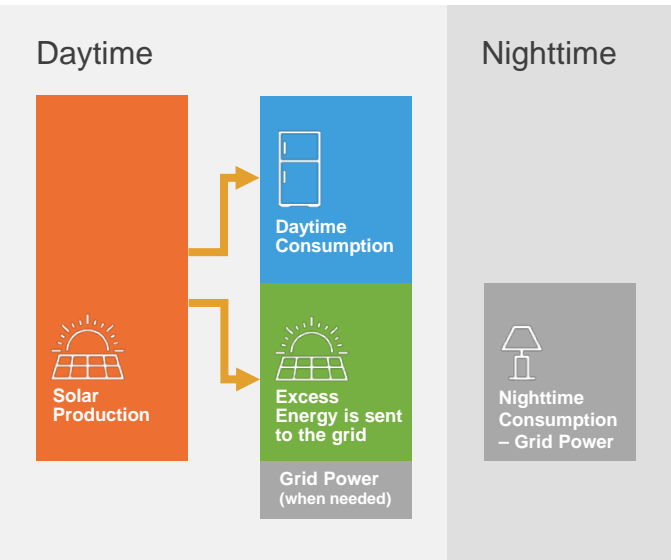

Sunnova Insured²

Our insurance protects your system for 25 years. We insure the solar system for theft or damage, so you don't have to worry about additional costs for this coverage.

Transferable Agreement³

If you sell your home, you can pass the benefits to the new homeowner. The **Sunnova Protect** warranty will continue to cover the system through the 25-year agreement.

HOW YOUR SOLAR SYSTEM WORKS

The Energy Mix

1. Sunlight hits the solar panels, producing clean, renewable energy. That clean energy powers your home during the day.
2. Any excess energy the system produces during the daytime is sent to the utility grid. The utility may buy back or provide credit for excess energy.⁴ Check with your utility for specific details about its net metering program.
3. During the day, when you need more energy than the solar system provides, the utility will supply the additional electricity to your home.
4. At night, your system won't generate energy. The utility will supply the electricity needed.
5. In the event of a utility power outage, your solar system won't work.

Seasonality and Weather Factors

Solar energy production depends on how much sunlight hits the panels. For example, factors like weather, season and time of day will impact your system's performance.

During summer months, your system will have a higher production because the days are longer. In contrast, during the winter months or on cloudy days, you'll experience a lower performance of your system.

¹ Refer to the Limited Warranty in your agreement for complete warranty terms and limitations.

² Insurance coverage may vary. Restrictions and limitations apply.

³ New homeowner is required to meet Sunnova's credit requirements. Refer to your agreement for conditions and limitations.

⁴ Sunnova makes no guarantees regarding credit for net energy exported to the electric grid, and any credit provided (now or in the future) is subject to change or termination by executive, legislative or regulatory action.

FREQUENTLY ASKED QUESTIONS (For more information, visit www.sunnova.com/knowledge-center)

What if I sell my home prior to the end of the solar service agreement?

If you sell your home, you can transfer⁴ your Sunnova service agreement to the new homebuyer and pass the solar benefits to them. The **Sunnova Protect** warranty will still cover the system through the full 25-year agreement. The Sunnova Customer Service team will walk you through the entire process, but it's important that you contact us by email at customerservice@sunnova.com, or by phone at 855.277.6379, as soon as you decide to sell your home.

Will I receive two bills, one from the utility and one from Sunnova?

Yes. You should expect to continue receiving a bill from your utility for basic service and any electricity supplied by them. Your Sunnova bill is for your solar service agreement payment.

Will I still be connected to the electric grid?

Yes, your solar system will be connected to the electric grid. The interconnection between your solar system and the electric grid creates a bi-directional, give-and-take relationship between you and the utility company. This concept is known as net metering, and it enables you to both consume energy from the electric grid and export excess energy to it.⁵

How much will my utility bill be?

Sunnova cannot guarantee your bill from the utility company will be a specific amount after going solar. Your utility bill will depend on the amount of energy you use from the grid after your solar production is subtracted, in addition to any other fees your utility may charge.¹

¹ Because jurisdiction over utility rates, regulation and design lies exclusively with agencies and branches of the government, Sunnova cannot make, and does not make, any representation or suggestion, express or implied, that your System will result in financial savings. Any potential savings would be based on estimated system production and would be a function of the difference between the cost of the solar service agreement and the net avoided cost of electricity from your utility, which is subject to change.

SOLAR POWER PURCHASE AGREEMENT

1. INTRODUCTION.

This Power Purchase Agreement (this “Power Purchase Agreement” or “PPA”) is the agreement between you and Sunnova Energy Corporation (together with its successors and assigns, “Sunnova” or “we”), covering the sale to you of the power produced by the solar panel system (the “System”) described below. Sunnova agrees to sell to you, and you agree to buy from Sunnova, all of the power produced by the System on the terms and conditions described in this Power Purchase Agreement. The System will be installed by Sunnova or a contractor acting on Sunnova’s behalf at the address you listed above. This Power Purchase Agreement will refer to this address as the “Property” or your “Home.” Sunnova provides you with a Limited Warranty (the “Limited Warranty”). The Limited Warranty is attached as **EXHIBIT 2**.

Following the execution of this PPA, a representative of Sunnova will contact you to verify your information (the “Validation Call”).

This is a legally binding agreement with disclosures required by law, so please read everything carefully.

This PPA requires the parties to resolve their disputes by arbitration rather than by lawsuits in court; jury trials and class actions are not permitted.

If you have any questions regarding this Power Purchase Agreement, please ask your Sunnova sales consultant.

2. TERM

Sunnova agrees to sell you the power generated by the System for <<Lead_Contract_Term_in_Years>> years (<<Lead_Quote_Term_months>> months), plus, if the Interconnection Date is not on the first day of a calendar month, the number of days left in that partial calendar month. We refer to this period of time as the “Term.” The Term begins on the Interconnection Date, as defined below. Sunnova will notify you by email when the System is ready to be turned on.

Approximate Start Date. The installation work to be performed by Contractor pursuant to this Power Purchase Agreement shall commence within 3 days from the date that is the later of the date in which (a) all permits have been issued; (b) any homeowner’s association approval letter has been received; and (c) all materials have been delivered to the site (the “Commencement Date”).

Approximate Interconnection Date. All work to install the System shall be completed as soon as

possible, but in no event more than twelve (12) months from the Commencement Date, subject to any applicable amendments. The time between Commencement Date and Interconnection Date will vary depending on a number of factors, some outside the control of Contractor. These factors include the process for obtaining utility approval for net metering and interconnection of your System. The project shall be deemed completed upon the date the System is connected to the electrical grid, and begins generating power (the “Interconnection Date”).

3. POWER PURCHASE AGREEMENT PAYMENTS; AMOUNTS

a. Power Price

You are purchasing the power the System produces. The price of that power is set forth on the “Value Statement” attached as **Schedule A**.

b. Payments

Schedule A details, among other things, (i) the price per kWh you will be charged; (ii) the annual percentage price increase (if any); and (iii) Sunnova’s estimate of the amount of power that is expected to be produced by the System over the entire Initial Term. You will pay no Monthly Payments if you are fully prepaying this PPA. During contract validation, you will choose one of the available payment date options for your Payment Date. After your first Monthly Payment, 299 additional Monthly Payments will be due on the same day of each following month. You will have regular access to the System’s production via your Sunnova online account. Actual production will vary from estimated production due to weather and other conditions. Payments due upon installation are due immediately prior to commencement of installation.

c. Payment Reconciliation

If (i) the System is off line for more than seven (7) full twenty-four (24) hour days cumulatively during the Term (for example, you remove the System to do renovations to your Home); or (ii) you take some action that significantly reduces the output of the System; or (iii) you don’t trim your bushes or trees to their appearance when you signed this PPA to avoid foliage growth from shading the System, then Sunnova will reasonably estimate the amount of power that would have been delivered to you during such outages or reduced production periods and shall consider that as actual production for purposes of this PPA (including the Limited Warranty). You will not be

charged for the System being off line due to Sunnova's fault or grid failure.

d. Payment Suspension Due to Circumstances Outside of Your Control

In the event of System destruction or grid failure caused by a Force Majeure Event, your payment obligations under this Power Purchase Agreement will be suspended for as long as the System is down or the grid failure continues due to the Force Majeure Event, and the term of this Power Purchase Agreement will be extended for an equivalent period of time; provided however, that (i) you provide notice to Sunnova of the Force Majeure Event and your intention to rely upon the Force Majeure Event as a basis for suspending payments, and (ii) the payment obligations may be suspended and the term extended only for the amount of time that Sunnova may determine, in its sole discretion, that a Force Majeure Event exists and provides written confirmation of the same.

"Force Majeure Event" means any event, condition or circumstance beyond the control of and not caused by fault or negligence. It shall include, without limitation, failure or interruption of the production, delivery or acceptance of power due to: an act of god; war (declared or undeclared); sabotage; riot; insurrection; civil unrest or disturbance; military or guerilla action; terrorism; economic sanction or embargo; civil strike, work stoppage, slow-down, or lock-out; explosion; fire; earthquake; abnormal weather condition or actions of the elements; hurricane; flood; lightning; wind; drought; unavailability of power from the utility grid, equipment, supplies or products; power or voltage surge caused by someone other than Sunnova including a grid supply voltage outside of the standard range specified by your utility; and failure of equipment not utilized by Sunnova or under its control.

4. POWER PURCHASE AGREEMENT OBLIGATIONS

a. System, Home and Property Maintenance

You agree to:

- (i) have the System repaired pursuant to the Limited Warranty only and reasonably cooperate when repairs are being made;
- (ii) keep trees, bushes and hedges trimmed so that the System receives as much sunlight as it did when Sunnova initially installed the System;

- (iii) keep the panels and modules clean, pursuant to the Limited Warranty and the Solar Service Guide (as such term is defined in Exhibit 2) and protect the System from animals and infestation;
- (iv) not modify your Home or landscaping in a way that shades the System;

- (vi) be responsible for the structural integrity of the Home where the System is installed, including structural or electrical modifications necessary to prepare your Home and roof for the System. You agree that Sunnova is not responsible for any known or unknown property conditions, including but not limited to, actual or alleged exacerbation of pre-existing conditions;
- (vii) not remove any markings or identification tags on the System;
- (viii) permit Sunnova, after we give you reasonable notice, to inspect the System for proper operation as we reasonably determine necessary;
- (ix) use the System primarily for personal, family or household purposes, but not exclusively to heat a swimming pool, and not to provide power to any property outside of your Home;
- (x) not do anything, permit or allow to exist any condition or circumstance that would cause the System not to operate as intended at the Property;
- (xi) notify Sunnova immediately if you think the System is damaged or appears unsafe; if the System is stolen; and prior to changing your electric provider;
- (xii) that every person who has an ownership interest in your Home agrees to be bound by this Power Purchase Agreement;
- (xiii) permit us access to data regarding your energy consumption from your electric provider or from electronic usage data storage sites (data produced by the System shall be owned by us) and execute a third-party access agreement for this purpose where required;

- (xiv) return signed any documents we send you for signature (like incentive claim forms) within five (5) business days of receiving them;
- (xv) authorize Sunnova to make inquiries concerning your credit history and standing from time to time; and
- (xvi) authorize Sunnova to (i) call you and (ii) send pre-recorded and text messages to your provided phone number regarding the installation, maintenance, and administration of your System using automated telephone technology even if your phone number is listed on any national or state "Do Not Call" list. Message and data rates may apply.

- (xi) not put a lien on your Home or Property; and
- (xii) install, operate and maintain the System in accordance with applicable net metering and interconnection laws.

c. System Installation Timeline

Your System requires review and approval by your utility. Review and approval of your application may take 5-6 months to complete. Sunnova and its installation partner will work with you to complete this process as quickly as possible.

By initialing below, you acknowledge that it may take several months to complete the review of your application and complete the installation of your system.

Homeowner(s)' Initials

d. Home Renovations or Repairs

If you want to make any repairs or improvements to the Property that could interfere with the System (such as repairing the roof where the System is located), you may only remove and replace the System at your cost with advance notice to us and in compliance with the Limited Warranty.

e. Automatic Payment, Fees; Late Charges

In addition to the other amounts you agree to pay in this Power Purchase Agreement, you agree to pay the following:

- (i) **Automatic Payment Discount:** All prices include a ten percent (10%) monthly discount for using automatic payment. You will not receive a ten percent (10%) monthly discount if you do not make automatic Monthly Payments through your checking or savings account;

- (ii) **Late Payments:** accrue interest at the lesser of twelve percent (12%) annually or the maximum allowable rate by applicable law beginning on the twentieth (20th) day after the date the payment was due and continuing until paid in full; and
- (iii) Returned Check Fee: \$25.00 (or such lower amount as required by law) for any check or withdrawal right that is returned or refused by your bank.

f. Estimated Taxes

You agree to pay any applicable sales or use taxes on the Monthly Payments (or prepayment, as applicable) due under this PPA. If this PPA contains a purchase option, you agree to pay any applicable tax on the purchase price for the System. You also agree to pay as invoiced any applicable personal property taxes on the System that your local jurisdiction may levy. The total estimated amount you will pay for taxes over the Term is **<<totalEstimatedTaxesNoACH>>** assuming that tax rate, structure, exemptions (and the interpretations of the same) stay the same as they are on the date of this PPA. In the event the tax rate structure or exemptions (and/or the interpretations of the same) change during the Term that amount will change.

g. No Alterations

You agree that you will not make or allow any other party to make any modifications, improvements, revisions or additions to the System or take any other action such as modifying your Home or landscaping in a way that affects the System and that could void the Limited Warranty on the System without Sunnova's prior written consent. If you make or allow any other party to make any modifications, improvements, revisions or additions to the System, they will become part of the System and shall be Sunnova's property.

h. Access to the System

- (i) You grant to Sunnova and its employees, agents and contractors the right to reasonably access all of the Property as necessary for the purposes of (A) installing, constructing, operating, owning, repairing, removing and replacing the System or making any additions to the System or installing complementary technologies on or about the location of the System; (B) enforcing Sunnova's rights as to this Power

Purchase Agreement and the System; (C) installing, using and maintaining electric lines and inverters and meters, necessary to interconnect the System to your electric system at the Property and/or to the utility's electric distribution system; or (D) taking any other action reasonably necessary in connection with the construction, installation, operation, maintenance, removal or repair of the System. This access right shall continue for up to ninety (90) days after this Power Purchase Agreement expires to provide Sunnova with time to remove the System at the end of the Power Purchase Agreement. Sunnova shall provide you with reasonable notice of its need to access the Property whenever commercially reasonable.

- (ii) During the time that Sunnova has access rights you shall ensure that its access rights are preserved and shall not interfere with or permit any third party to interfere with such rights or access. You agree that the System is not a fixture, but Sunnova has the right to file any UCC-1 financing statement or fixture filing that confirms its interest in the System.

i. Indemnity

To the fullest extent permitted by law, you shall indemnify, defend, protect, save and hold harmless Sunnova, its employees, officers, directors, agents, successors and assigns from any and all third party claims, actions, costs, expenses (including attorneys' fees and expenses), damages, liabilities, penalties, losses, obligations, injuries, demands and liens of any kind or nature arising out of, connected with, relating to or resulting from your negligence or willful misconduct; provided, that nothing herein shall require you to indemnify Sunnova for its own negligence or willful misconduct. The provisions of this paragraph shall survive termination or expiration of this Power Purchase Agreement.

j. Payments

Schedule A describes your payment obligations under this PPA. **SUBJECT TO SECTION 3(b) ABOVE, YOU AGREE THAT THE OBLIGATION TO PAY ALL PAYMENTS AND ALL OTHER AMOUNTS DUE UNDER THIS PPA SHALL BE ABSOLUTE AND UNCONDITIONAL UNDER ALL CIRCUMSTANCES AND SHALL NOT BE SUBJECT TO ANY ABATEMENT, DEFENSE, COUNTERCLAIM, SETOFF, RECOUPMENT OR REDUCTION FOR ANY REASON**

WHATSOEVER, IT BEING THE EXPRESS INTENT OF THE PARTIES THAT ALL AMOUNTS PAYABLE BY YOU HEREUNDER SHALL BE, AND CONTINUE TO BE, PAYABLE IN ALL EVENTS INCLUDING BY YOUR HEIRS AND ESTATE AND, EXCEPT AS SET FORTH BELOW IN SECTION 5 AND IN THE NOTICE OF CANCELLATION, YOU HEREBY WAIVE ALL RIGHTS YOU MAY HAVE TO REJECT OR CANCEL THIS PPA, TO REVOKE ACCEPTANCE OF THE SYSTEM, OR TO GRANT A SECURITY INTEREST IN THE SYSTEM.

k. Option to Prepay all Payments Remaining on the PPA

At any time during this PPA, you may prepay all payments remaining on this PPA, equal to: (i) all accrued but unpaid Monthly Payments, taxes, late charges, penalties, interest and all or any other sums then accrued or due and owing, plus (ii) the amount set forth on Schedule A in the column titled "Prepay Option" which has been discounted to present value at 5% per annum, plus (iii) reasonable compensation, on a net after tax basis assuming a tax rate of 35%, for the loss or recapture of (A) the investment tax credit equal to thirty percent (30%) of the System cost, including installation; and (B) accelerated depreciation over five (5) years equal to eighty five percent (85%) of the System cost, including installation, and for the loss of any anticipated benefits pursuant to Section 8 of this PPA (Sunnova shall furnish you with a detailed calculation of such compensation if such a claim is made).

l. Utility Service

You agree to continue to subscribe to the utility service that you had at the time of entering into this PPA and you agree to execute all documentation associated with that utility service.

m. Supplemental Energy

All electric energy made available by the System is for use at your Home pursuant to this PPA. If, at any time, you need more electricity than is being produced by the System ("Supplemental Energy"), you will be responsible for purchasing that Supplemental Energy from another supplier, such as your utility.

5. CONDITIONS PRIOR TO INSTALLATION OF THE SYSTEM; CHANGE ORDERS

a. Sunnova's obligation to install the System and sell you the power it produces is conditioned

on the following items having been completed to its reasonable satisfaction

- (i) completion of (A) the engineering site audit (a thorough physical inspection of the Property, including, if applicable, geotechnical work), (B) the final System design, and (C) real estate due diligence to confirm the suitability of the Property for the construction, installation and operation of the System;
- (ii) approval of this Power Purchase Agreement by Sunnova's financing sources;
- (iii) your meeting Sunnova's credit underwriting criteria then in effect;
- (iv) confirmation of rebate, tax credit and renewable energy credit payment availability in the amount used to calculate the Monthly Payments set forth in this Power Purchase Agreement;
- (v) confirmation that Sunnova will obtain all applicable benefits referred to in Section 8;
- (vi) receipt of all necessary zoning, land use and building permits; and
- (vii) completion of any renovations, improvements or changes reasonably required at your Home or on the Property (e.g., removal of a tree or necessary roof repairs to enable us to safely install the System).

Sunnova may terminate this Power Purchase Agreement without liability if, in its judgment, any of the above listed conditions will not be satisfied in a timely manner for any reason. Once Sunnova starts installation, however, it may not terminate this Power Purchase Agreement for your failure to satisfy conditions (i) through (vii) above.

b. Amendments, Your Right to Terminate for Material Changes

Both parties will have the right to terminate this PPA, without penalty or fee, if Sunnova determines after the engineering site audit of your Home that it has misestimated the System's annual production by more than ten percent (10%). Such termination right will expire at the earlier of (i) one (1) week prior to the scheduled System installation date and (ii) one (1) month after we inform you in writing of the revised production estimate. If neither party exercises their right to terminate this PPA following a ten percent (10%) change in the System's production,

then any changes to the System will be documented in an amendment to this PPA. You authorize Sunnova to make corrections to the utility paperwork to conform to this PPA or any amendments to this PPA we both sign.

6. WARRANTY

YOU UNDERSTAND THAT THE SYSTEM IS WARRANTED SOLELY UNDER THE LIMITED WARRANTY ATTACHED AS **EXHIBIT 2**, AND THAT, TO THE FULL EXTENT PERMITTED BY STATE LAW, THERE ARE NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AS TO THE MERCHANTABILITY, FITNESS FOR ANY PURPOSE, CONDITION, DESIGN, CAPACITY, SUITABILITY OR PERFORMANCE OF THE SYSTEM OR ITS INSTALLATION. THE WARRANTY SET FORTH HEREIN REPRESENTS THE SOLE AND EXCLUSIVE REMEDY YOU HAVE AGAINST SUNNOVA RELATING TO THE SYSTEM OR THE POWER PURCHASED THEREUNDER.

7. TRANSFER

Sunnova works with banks, companies and other financing parties to finance the System. As a result, Sunnova may assign this PPA to one of its financing parties. In addition, Sunnova may assign this PPA to its affiliates or a third party that purchases the PPA. You agree that Sunnova may pledge, assign, sell or transfer the System and this Power Purchase Agreement, or any part of this Power Purchase Agreement or the exhibits, without your consent. Assignment, sale or transfer generally means that Sunnova would transfer all or a portion of its rights and certain of its obligations under this Power Purchase Agreement to another party.

8. OWNERSHIP OF THE SYSTEM; TAX CREDITS AND REBATES

You agree that the System is and shall remain Sunnova's exclusive personal property under the Uniform Commercial Code or otherwise. You understand and agree that this PPA is not a contract to sell or lease the System to you. Sunnova owns the System for all purposes, including any data generated from the System. You shall at all times keep the System free and clear of all liens, claims, levies and legal processes not created by Sunnova, and shall at your expense protect and defend Sunnova against the same.

NO FEDERAL OR STATE TAX INCENTIVES ARE INCLUDED IN CALCULATING THE MONTHLY PAYMENT. YOU UNDERSTAND AND AGREE THAT WITH THE EXCEPTION OF STATE SPECIFIC

REBATES AND/OR TAX CREDITS AVAILABLE ONLY TO THE HOMEOWNER ANY AND ALL (i) TAX CREDITS (ii) TAX INCENTIVES, (iii) RENEWABLE ENERGY CREDITS, GREEN TAGS, OR CARBON OFFSET CREDITS, (iv) UTILITY REBATES, OR (v) ANY OTHER NON-POWER ATTRIBUTES OF THE SYSTEM ARE THE PROPERTY OF AND FOR THE BENEFIT OF SUNNOVA, USABLE AT ITS SOLE DISCRETION. SUNNOVA SHALL HAVE THE EXCLUSIVE RIGHT TO ENJOY AND USE ALL SUCH BENEFITS, WHETHER SUCH BENEFITS EXIST NOW OR IN THE FUTURE. YOU AGREE TO REFRAIN FROM ENTERING INTO ANY AGREEMENT WITH YOUR UTILITY THAT WOULD ENTITLE YOUR UTILITY TO CLAIM ANY SUCH BENEFITS RETAINED BY SUNNOVA. YOU AGREE TO REASONABLY COOPERATE WITH SUNNOVA SO THAT IT MAY CLAIM ANY TAX CREDITS, RENEWABLE ENERGY CREDITS, REBATES, CARBON OFFSET CREDITS OR ANY OTHER BENEFITS FROM THE SYSTEM. THIS MAY INCLUDE TO THE EXTENT ALLOWABLE BY LAW, ENTERING INTO NET METERING AGREEMENTS, INTERCONNECTION AGREEMENTS, AND FILING RENEWABLE ENERGY/CARBON OFFSET CREDIT REGISTRATIONS AND/OR APPLICATIONS FOR REBATES FROM THE FEDERAL, STATE OR LOCAL GOVERNMENT OR A LOCAL UTILITY AND GIVING THESE TAX CREDITS, RENEWABLE ENERGY/CARBON CREDITS, REBATES OR OTHER BENEFITS TO SUNNOVA.

9. PURCHASING THE SYSTEM PRIOR TO THE END OF THE TERM

In addition to purchasing the System at the end of the Term (see Schedule A), you have the option to purchase the System prior to the end of the Term. To exercise this option you must be in good standing under this Power Purchase Agreement and you need to give us at least one (1) month's, but not more than three (3) months' prior written notice. You can purchase this System:

- i. on the five (5) year anniversary of the beginning of the Term and every annual anniversary after the five (5) year anniversary; and
- ii. at any time after the five (5) year anniversary of the beginning of the Term, when you sell your Home.

In each of (i) and (ii) above, the price you will pay for the System will be the greater of the System's fair market value ("FMV") and the amount shown on Schedule A. The interests of any financing party shall not be taken into account when determining the FMV;

a third party independent appraiser will be retained to compute the System's FMV. Sunnova's maintenance and repair obligations will end when you purchase the System unless you enter into a new maintenance and repair agreement with Sunnova, provided that you will have no less than a ten (10) year warranty on the System beginning on the Interconnection Date that guarantees that the System will be free from defects in workmanship or defects in, or breakdown of, materials or components.

10. RENEWAL

If you are in compliance with your PPA, you have the option to renew your PPA for up to ten (10) years in two (2) consecutive five (5) year renewal periods. We will send you renewal forms at least ninety (90) days prior to the expiration of the Term, which forms shall set forth the new rates per kwh applicable for the renewal term as well as the rates applicable in the event the PPA is renewed for one (1) year as provided for herein. The renewal forms will give you the option to: (a) elect to renew the PPA for an additional five (5) year term at the rates specified in the renewal notice; or (b) elect not to renew the PPA. You must make your election whether to renew or not at least thirty (30) days prior to the end of the then current term of the PPA. In the event that you affirmatively elect not to renew this PPA as provided for in part (b) above this PPA shall expire by its terms on the expiration of the then current term. **If you don't send us anything in writing you will be deemed to have renewed for an additional one (1) year term at a rate which equals the rate per kwh applicable at the expiration of the then current term plus two point nine percent (2.9%) and this PPA shall continue to renew for additional one (1) year terms on the above described rate terms until (i) you give us notice at least thirty (30) days prior to the expiration of the then current term that you do not wish to renew; or (ii) we send you a notice terminating the PPA at least thirty (30) days prior to the expiration of the then current term.**

11. SELLING YOUR HOME

a. If you sell your Home you can:

(i) Transfer this Power Purchase Agreement and the Monthly Payments

If the person buying your Home meets Sunnova's credit requirements, then where permitted by the local utility, the person buying your Home can sign a transfer agreement assuming all of your rights and obligations under this Power Purchase Agreement.

(ii) Move the System to Your New Home

If you are moving to a new home in the same utility district, where permitted by the local utility, the System can be moved to your new home pursuant to the Limited Warranty. You will need to pay all costs associated with relocating and redesigning the System, execute and provide the same access and ownership rights to Sunnova as provided for in this PPA and provide any third party consents or releases required by Sunnova in connection with the substitute premises. You agree that Sunnova will need to reevaluate the production of your System at the substitute premises and may need to revise the estimates in your PPA and Limited Warranty.

(iii) Prepay this Power Purchase Agreement and Transfer only the Use of the System

You can prepay this Power Purchase Agreement as set forth in Section 4(k). The Person buying your Home will only need to sign a transfer agreement to assume your rights and non-Monthly Payment obligations under this PPA.

- b. You agree to give Sunnova at least fifteen (15) days but not more than three (3) months' prior written notice if you want someone to assume your PPA obligations. In connection with this assumption, you, your approved buyer and Sunnova shall execute a transfer agreement. Unless we have released you from your obligations in writing, you are still responsible for performing under this PPA. If your buyer defaults on this PPA and we have not yet signed the transfer agreement, you will be responsible for their default. We will release you from your obligations under this PPA in writing once we have a signed transfer agreement with the person buying your Home (provided such person has been approved as a transferee by Sunnova in writing).
- c. If you sell your Home and can't comply with any of the options in subsection (a) above, you will be in default under this Power Purchase Agreement. Death does not negate the obligations in this PPA and does not give rise to a right of termination. In the event of death, this PPA and the obligations herein will transfer to the decedent's estate.
- d. This PPA is free of any restrictions that would prevent the homeowner from freely transferring their Property. In the event of a foreclosure on the

Property, your lender has the right (but not obligation) to do ONE of the following:

- (i) terminate the PPA and require Sunnova to remove the System subject to your obligations under Sections 14 and 15;
- (ii) become a beneficiary (but not the obligor) of your PPA free of charge (i.e., receive power from the System and enforce the Limited Warranty but not have the obligation to make payment, which obligation will remain with you – if you don't make timely payment you will be in default under Section 14 and Sunnova can terminate, remove the System and take all other remedies it has under Section 15);
- (iii) enter into a new PPA with Sunnova on terms no less favorable than the current PPA; or
- (iv) require transfer of the PPA under Section 11 to a subsequent purchaser of the Property.

Sunnova will not prohibit the sale, conveyance or refinancing of the Property. Sunnova may choose to file in the real estate records a UCC-1 financing statement ("Fixture Filing") that preserves its rights in the System. The Fixture Filing is intended only to give notice of its rights relating to the System and is not a lien or encumbrance against the Property. Sunnova shall explain the Fixture Filing to any subsequent purchasers of the Property and any related lenders as requested. Sunnova shall also accommodate reasonable requests from lenders or title companies to facilitate a purchase, financing or refinancing of the Property. If Sunnova temporarily removes its Fixture Filing in order to facilitate the purchase, financing or refinancing of the Property, Sunnova may charge you a UCC Notice Removal and Refiling fee, in the amount charged to Sunnova by the local jurisdiction, and a processing fee for its expenses.

- e. EXCEPT AS SET FORTH IN THIS SECTION, YOU WILL NOT ASSIGN, SELL, PLEDGE OR IN ANY OTHER WAY TRANSFER YOUR INTEREST IN THE SYSTEM OR THIS PPA WITHOUT OUR PRIOR WRITTEN CONSENT, WHICH SHALL NOT BE UNREASONABLY WITHHELD AS LONG AS YOU AND THE PROPOSED TRANSFEREE MEET THE OTHER REQUIREMENTS SET FORTH HEREIN.

BY INITIALING BELOW, YOU EXPRESSLY AGREE THAT YOU HAVE READ THIS SECTION

11 IN ITS ENTIRETY AND AGREE TO ITS TERMS.

12. LOSS OR DAMAGE

Unless you are negligent or you intentionally damage the System, Sunnova will bear all of the risk of loss, damage, theft, destruction or similar occurrence to any or all of the System.

In the event you are negligent or intentionally damage the System you shall be liable to pay Sunnova the greater of (a) the actual damages suffered by Sunnova; or (b) the amount determined in Section 4(k). Except as expressly provided in this PPA, no loss, damage, theft or destruction will excuse you from your obligations under this PPA, including Monthly Payments.

13. LIMITATION OF LIABILITY

a. No Consequential Damages

SUNNOVA'S LIABILITY TO YOU UNDER THIS POWER PURCHASE AGREEMENT SHALL BE LIMITED TO DIRECT, ACTUAL DAMAGES ONLY. YOU AGREE THAT IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY, SPECIAL OR INDIRECT DAMAGES.

b. Actual Damages

EXCEPT FOR CLAIMS UNDER SECTION 4(i), NEITHER PARTY'S LIABILITY TO THE OTHER WILL EXCEED AN AMOUNT EQUAL TO THE MAXIMUM AMOUNT THAT COULD BE PAYABLE BY YOU UNDER SECTION 15(i). DAMAGES TO YOUR HOME, BELONGINGS OR PROPERTY RESULTING FROM THE INSTALLATION OR OPERATION OF THE SYSTEM ARE COVERED IN THE LIMITED WARRANTY.

14. DEFAULT

You will be in default under this Power Purchase Agreement if any one of the following occurs:

- a. you fail to make any payment when it is due and such failure continues for a period of ten (10) days;
- b. you fail to perform any material obligation that you have undertaken in this PPA (which includes doing something you have agreed not to do, like

alter the System) and such failure continues for a period of fourteen (14) days after written notice;

- c. you or your guarantor have provided any false or misleading financial or other information to obtain this Power Purchase Agreement;
- d. you assign, transfer, encumber, sublet or sell this PPA or any part of the System without Sunnova's prior written consent; or
- e. you or any guarantor makes an assignment for the benefit of creditors, admits in writing its insolvency, files or there is filed against you or it a voluntary petition in bankruptcy, is adjudicated bankrupt or insolvent or undertakes or experiences any substantially similar activity.

15. REMEDIES IN CASE OF DEFAULT

If this Power Purchase Agreement is in default, we may take any one or more of the following actions. If the law requires us to do so, we will give you notice and wait any period of time required before taking any of these actions. We may:

- a. terminate this PPA and your rights to possess and use the System;
- b. suspend our performance under this PPA;
- c. take any reasonable action to correct your default or to prevent our loss; any amount we pay will be added to the amount you owe us and will be immediately due;
- d. require you, at your expense, to return the System or make it available to us in a reasonable manner;
- e. proceed, by appropriate court action, to enforce performance of this PPA and to recover damages for your breach;
- f. disconnect, turn off or take back the System by legal process or self-help, but we may not disturb the peace or violate the law;
- g. report such non-operational status of the System to your utility, informing them that you are no longer net metering;
- h. charge you a reasonable reconnection fee for reconnecting the System to your utility or turning the System back on after we disconnect or turn off the System due to your default;
- i. recover from you (i) all accrued but unpaid Monthly Payments, taxes, late charges, penalties, interest and all or any other sums then accrued or due and owing, plus (ii) the estimated amount of future Monthly Payment, each payment discounted to present value at 5% per annum,

plus (iii) reasonable compensation, on a net after tax basis assuming a tax rate of 35%, for the loss or recapture of (A) the investment tax credit equal to thirty percent (30%) of the System cost, including installation; and (B) accelerated depreciation over five (5) years equal to eighty five percent (85%) of the System cost, including installation, and for the loss of any anticipated benefits pursuant to Section 8 of this PPA (Sunnova shall furnish you with a detailed calculation of such compensation if such a claim is made);

- j. in the case of your failure to protect the System from animals, infestation or overgrown tree growth and foliage, unilaterally adjust the contract terms upon notice to you for reduced production as appropriate; or
- k. use any other remedy available to us in this PPA or by law.

We may submit to consumer reporting agencies (credit bureaus) negative credit reports that would be reflected on your credit record if you do not pay any amounts due under this PPA as required.

You agree to repay us for any reasonable amounts we incur to correct or cover your default and to enforce our rights under this PPA including, but not limited to, attorney's fees and court costs. You also agree to reimburse us for any costs and expenses we incur relating to the System's return resulting from early termination. By choosing any one or more of these remedies, Sunnova does not give up its right to use another remedy. By deciding not to use any remedy should this Power Purchase Agreement be in default, Sunnova does not give up our right to use that remedy in case of a subsequent default.

16. ADDITIONAL AGREEMENTS

- a. **Notice of Changes.** You agree to notify us if your name or mailing address changes or if there is any material deterioration in your financial circumstances or any material changes to the condition of your Home that would impact the System or impact our interest in the System.
- b. **Waiver of Confidentiality of Residence Address.** By signing this PPA, and so long as you have a contract with us, you waive the confidentiality of your residence address under the provisions of any applicable law and authorize us to obtain from the applicable state agency your current residence address.
- c. **Monitoring and Recording Telephone Calls.** We and others acting on our behalf may (a) monitor and record telephone calls between you

and us regarding this PPA and (b) use automatic dialing equipment to make calls to you. You expressly consent to our, and others acting on our behalf, using prerecorded/artificial voice messages, or text messages, while servicing and enforcing our rights under this PPA, including the collection of outstanding payments. In making calls to you, you agree that we, and others acting on our behalf, may use any telephone number you provide us, or that is lawfully given to us by someone other than you even if the number is for a mobile telephone, and even if our doing so results in charges to you under your telephone payment plan. We will not charge you for such calls.

17. SYSTEM REMOVAL; RETURN

At the end of the Term or the termination of this PPA, if you have not renewed this PPA or exercised your purchase option (if any) and you have not defaulted, then within ninety (90) days you agree to call Sunnova at the telephone number listed in Exhibit 2, or any other number we notify you of in the future, to schedule a convenient time for Sunnova to remove the System from your Home at no cost to you unless the termination was due to your default which is addressed in Section 15.

18. APPLICABLE LAW

The laws of the state where your Home is located, without giving effect to conflict of laws principles, shall govern this PPA, except the Federal Arbitration Act, 9 U.S.C. § 1, et seq., shall govern interpretation, enforcement and proceedings under Section 19, and not the arbitration acts, statutes or rules of any other jurisdiction.

19. ARBITRATION

PLEASE READ THIS SECTION CAREFULLY. ARBITRATION REPLACES THE RIGHT TO GO TO COURT, INCLUDING THE RIGHT TO A JURY TRIAL AND THE RIGHT TO PARTICIPATE IN A CLASS ACTION OR SIMILAR PROCEEDING. IN ARBITRATION, A DISPUTE IS RESOLVED BY AN ARBITRATOR INSTEAD OF A JUDGE OR JURY.

In this Section, the words “you” and “your” mean any person signing this Agreement as a Homeowner or Co-Homeowner. Unless the context requires otherwise, the words “we,” “us” and “our” mean Sunnova and any assignee of this PPA.

The laws of the state where your Home is located shall govern this PPA without giving effect to conflict of laws principles. If you are in default under this PPA, Sunnova may elect, at its sole discretion, remedies available under the terms of this PPA, at law, or in equity. We agree that any other dispute, claim or disagreement between us (a “Dispute”) shall be resolved exclusively by arbitration except as specifically provided below. Disputes covered by this agreement include but are not limited to: claims arising out of or relating to this PPA; claims arising out of or relating to our relationship; claims that arose before this or any prior PPA (including, but not limited to, claims relating to advertising); consumer protection claims; and claims under any federal or state statute.

The arbitration, including the selection of the arbitrator, will be administered by the American Arbitration Association (“AAA”) under its Consumer Arbitration Rules (the “Rules”) by a single neutral arbitrator. Either party may initiate the arbitration process by filing the necessary forms with the AAA. To learn more about arbitration before the AAA, you can review materials available at www.adr.org. The arbitration shall be held in the location that is most convenient to your Home. If the AAA is unavailable to administer the dispute, then the arbitration, including the selection of the arbitrator, will be administered by JAMS, under its Streamlined Arbitration Rules (the “Rules”) by a single neutral arbitrator agreed on by the parties within thirty (30) days of the commencement of the arbitration. If JAMS is not available either, then the parties shall select another recognized arbitration administrator which can offer a location for arbitration that is close to your Home.

If you initiate the arbitration, you will be required to pay the first \$125 of any filing fee, except where prohibited by law. We will pay any filing fees in excess of \$125 and we will pay all of the arbitration fees and costs. If we initiate the arbitration, we will pay all of the filing fees and all of the arbitration fees and costs. We will each bear all of our own respective attorney’s fees, witness fees, and costs unless the arbitrator decides otherwise.

The arbitrator shall have the authority to award any legal or equitable remedy or relief that a court could order or grant under this PPA. The arbitrator, however, is not authorized to change or alter the terms of this PPA or to make any award that would extend to any transaction other than yours. All statutes of limitation that are applicable to any Dispute shall apply to any arbitration between you and us. The arbitrator will issue a decision or award in writing, briefly stating the essential findings of fact and conclusions of law.

Only Disputes involving you and us may be addressed in the arbitration. Disputes must be brought in the name of an individual person or entity and must proceed on an individual (non-class, non-representative) basis. The arbitrator will not award relief for or against anyone who is not a party to the Dispute. If you and we arbitrate a Dispute, none of you or us, nor any other person, may pursue the Dispute in arbitration as a class action, class arbitration, private attorney general action or other representative action, nor may any such Dispute be pursued on your or our behalf in any litigation in any court except as specifically provided below. Claims regarding any Dispute and remedies sought as part of a class action, class arbitration, private attorney general or other representative action are subject to arbitration only on an individual (non-class, non-representative) basis, and the arbitrator may award relief only on an individual (non-class, non-representative) basis. This means that the arbitration may not address disputes involving other persons with disputes similar to the Disputes between you and us. If any part of this paragraph of this Section is found to be unenforceable by an arbitrator or a court having jurisdiction over a Dispute, then this entire Section (except for this sentence and the following sentence) shall be automatically inapplicable to that Dispute.

EVEN IF ANY PART OF THIS SECTION IS FOUND TO BE UNENFORCEABLE AS DESCRIBED ABOVE, YOU AND WE EACH AGREE TO WAIVE THE RIGHT TO A TRIAL BY JURY IN CONNECTION WITH ANY DISPUTE THAT MIGHT ARISE BETWEEN OR INVOLVING YOU AND US, AND THE RIGHT TO PARTICIPATE IN A CLASS ACTION OR SIMILAR PROCEEDING IN CONNECTION WITH ANY SUCH DISPUTE.

BECAUSE YOU AND WE HAVE AGREED TO ARBITRATE ALL DISPUTES EXCEPT AS SPECIFICALLY PROVIDED IN THE LAST PARAGRAPH OF THIS SECTION, YOU AND WE WILL NOT HAVE THE RIGHT TO LITIGATE THAT DISPUTE IN COURT, OR TO HAVE A JURY TRIAL ON THAT DISPUTE, OR ENGAGE IN DISCOVERY EXCEPT AS PROVIDED FOR IN THE RULES. FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE AS A REPRESENTATIVE OR MEMBER OF ANY CLASS PERTAINING TO ANY DISPUTE. THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING ON THE PARTIES AND MAY BE ENTERED AND ENFORCED IN ANY COURT HAVING JURISDICTION, EXCEPT TO THE EXTENT IT IS SUBJECT TO REVIEW IN ACCORDANCE WITH APPLICABLE FEDERAL LAW GOVERNING ARBITRATION AWARDS. OTHER

RIGHTS THAT YOU OR WE WOULD HAVE IN COURT MAY ALSO NOT BE AVAILABLE IN ARBITRATION.

NOTWITHSTANDING THE FOREGOING, NOTHING HEREIN CONTAINED SHALL BAR YOU OR US FROM: (I) OBTAINING INJUNCTIVE RELIEF FROM A COURT AGAINST THREATENED CONDUCT THAT COULD CAUSE IRREPARABLE HARM, LOSS OR DAMAGE, UNDER THE USUAL EQUITY RULES, INCLUDING THE APPLICABLE RULES FOR OBTAINING RESTRAINING ORDERS AND PRELIMINARY INJUNCTIONS; OR (II) OBTAINING A JUDGMENT FROM A COURT HAVING JURISDICTION CONFIRMING THE AWARD OF THE ARBITRATOR; OR (III) OBTAINING RESOLUTION OF A DISPUTE IN A SMALL CLAIMS COURT IF THE DISPUTE FALLS WITHIN THE JURISDICTION OF THE SMALL CLAIMS COURT (PROVIDED, HOWEVER, THAT NO ATTEMPT IS MADE TO TRANSFER RESOLUTION OF SUCH A DISPUTE FROM A SMALL CLAIMS COURT TO A COURT OF GENERAL JURISDICTION).

BY SIGNING BELOW, YOU AGREE IN ADVANCE TO SUBMIT DISPUTES TO ARBITRATION WITH AN ARBITRATION FIRM APPROVED BY STATE REGULATORS, TO THE EXTENT REQUIRED.

LIMITED WARRANTY

1. INTRODUCTION

This Limited Warranty (this "Limited Warranty") is Sunnova's agreement to provide you warranties on the System you are hosting pursuant to our PPA. The System will be professionally installed by a contractor acting on Sunnova's behalf at the address you listed in the PPA. We will refer to the installation location as your "Property" or your "Home." This Limited Warranty begins when our contractor starts installing the System at your Home. We look forward to helping you produce clean, renewable solar power at your Home. To the extent that you prepay the PPA or purchase the System *during the Term of the PPA*, this Exhibit 2 shall continue to apply and be enforceable until what would have been the end of the *original* Term. For purposes of this Limited Warranty the term "Sunnova" means Sunnova Energy Corporation or its successors and assigns.

2. LIMITED WARRANTIES

a. Limited Warranties

Sunnova warrants the System as follows:

(i) System Warranty

During the entire Power Purchase Agreement Term, under normal use and service conditions, the System will be free from defects in workmanship or defects in, or a breakdown of, materials or components (the "System Warranty");

(ii) Roof Warranty

When our contractors penetrate your roof during a System installation we will warrant roof damage caused by our contractors due to our roof penetrations. This roof warranty will run the longer of (A) one (1) years following the completion of the System installation; and (B) the length of any existing installation warranty or new home builder performance standard for your roof (the "Roof Warranty Period"); and

(iii) Repair Promise

During the entire Power Purchase Agreement Term, Sunnova will honor the System Warranty and will repair or replace any defective part, material or component or correct any defective workmanship, at no cost or expense to you (including all labor costs), when you submit a valid claim to us under this Limited Warranty. If our contractors damage your Home, your belongings or your Property we will cause our contractors to repair the damage they cause or pay you for the damage as described in Section 6. Sunnova may use new or reconditioned parts when making repairs or replacements. Sunnova may also, at no additional cost to you, upgrade or add to any part of the System as it deems advisable in its discretion. Cosmetic repairs that do not involve safety or performance shall be made at Sunnova's discretion.

b. Warranty Length

- (i) The warranties in Sections 2(a)(i) and 2(a)(iii) above will start when our contractors begin installing the System at your Home and continue through the entire Power Purchase Agreement Term but never less than ten (10) years. Thus, for as long as you host the System from Sunnova under a PPA, you will have a System Warranty and our Repair Promise.
- (ii) The Roof Warranty Period may be shorter than the System Warranty, as described in Section 2(a)(ii) above.
- (iii) If you have assumed an existing PPA in accordance with the terms and conditions of the PPA, then this Limited Warranty will cover you for the remaining balance of the existing Power Purchase Agreement Term.

c. Maintenance and Operation

(i) General

When the System is installed Sunnova will provide you with a copy of its Solar Service Guide. The Solar Service Guide provides you with information about your System and solar energy, monitoring and maintenance instructions, answers to frequently asked questions and service information.

(ii) Power Monitor

The Power Monitor requires access to cellular networks in order to operate. If cellular service is not available then (A) we will not be able to monitor the System; and (B) you will be required to provide Sunnova with annual production information from your inverter or (C) Sunnova, in its sole discretion, will estimate production. In connection with such any such estimated production by Sunnova, Sunnova will make commercially reasonable methods to estimate the missing kWh based on available information and such estimate will be included in the calculations under Schedule A for such period. In the event that no such information is reasonably accessible, Sunnova will make the adjustment based on the original kWh expectation attributable to such period.

d. Making a Claim; Transferring this Warranty

(i) Claims Process

You can make a claim by:

- A. emailing us at the email address in Section 7 below;
- B. writing us a letter and sending it overnight mail with a well-known service;
- C. sending us a fax at the number in Section 7 below; or
- D. creating a claim through our online customer portal (as more particularly set forth in the Solar Service Guide when the System is installed).

(ii) Transferable Limited Warranty

Sunnova will accept and honor any valid and properly submitted Warranty claim made during any Term by any person who either purchases the System from you or to whom you properly transfer the PPA in accordance with the terms and conditions contained in the PPA.

e. Exclusions and Disclaimer

The limited warranties provided in this Limited Warranty do not apply to any lost power production or any repair, replacement or correction required due to the following:

- (i) someone other than Sunnova or its approved service providers installed, removed, re-installed or repaired the System;
- (ii) destruction or damage to the System or its ability to safely produce power not caused by Sunnova or its approved service providers while servicing the System (e.g., if a tree falls on the System we will replace the System per the Power Purchase Agreement, but we will not repay you for power it did not produce);
- (iii) your failure to perform, or breach of, your obligations under the Power Purchase Agreement (e.g., you modify or alter the System);
- (iv) your breach of this Limited Warranty, including your being unavailable to provide access or assistance to us or our contractors in diagnosing or repairing a problem, or your failing to maintain the System as stated in the Solar Service Guide;
- (v) any Force Majeure Event (as defined below);
- (vi) shading from foliage that is new growth or is not kept trimmed to its appearance on the date the System was installed;
- (vii) any system failure or lost production not caused by a System defect (e.g., the System is not producing power because it has been removed to make roof repairs or you have required us to locate the inverter in a non-shaded area);
- (viii) theft of the System (e.g., if the System is stolen we will replace the System per the Power Purchase Agreement, but we will not repay you for the power it did not produce);
- (ix) a power or voltage surge caused by someone other than Sunnova or the Installer, including a grid supply voltage outside of the standard range specified by the local utility or the System specifications or as a result of a local power outage or curtailment; and

- (x) a change in usage of the Property or any buildings at or near such Property that may affect insolation without Sunnova's prior written approval.

This Limited Warranty gives you specific rights, and you may also have other rights which vary from state to state. This Limited Warranty does not warrant any specific electrical performance of the System.

THE LIMITED WARRANTIES DESCRIBED IN SECTION 2(a) ABOVE ARE THE ONLY WARRANTIES MADE BY SUNNOVA WITH RESPECT TO THE SYSTEM. SUNNOVA HEREBY DISCLAIMS, AND ANY BENEFICIARY OF THIS LIMITED WARRANTY HEREBY WAIVES, ANY WARRANTY WITH RESPECT TO ANY COST SAVINGS FROM USING THE SYSTEM. WITHOUT LIMITING THE FOREGOING THERE ARE NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AS TO THE MERCHANTABILITY, FITNESS FOR ANY PURPOSE, CONDITION, DESIGN, CAPACITY, SUITABILITY OR PERFORMANCE OF THE SYSTEM OR ITS INSTALLATION.

3. SUNNOVA'S STANDARDS

For the purpose of this Limited Warranty the standards for our performance will be (i) normal professional standards of performance within the solar photovoltaic power generation industry in the relevant market; and (ii) Prudent Electrical Practices. "Prudent Electrical Practices" means those practices, as changed from time to time, that are engaged in or approved by a significant portion of the solar power electrical generation industry operating in the United States to operate electric equipment lawfully and with reasonable safety, dependability, efficiency and economy.

4. SYSTEM REPAIR, RELOCATION OR REMOVAL

- a. You agree that if (i) the System needs any repairs that are not the responsibility of Sunnova under this Limited Warranty, (ii) the system needs to be removed and reinstalled to facilitate remodeling of your Home or (iii) the system is being relocated to another home you own pursuant to the Power Purchase Agreement, you will have Sunnova, or another qualified service provider we approve, at your expense, perform such repairs, removal and reinstallation, or relocation on a time and materials basis.
- b. If you want to return the System to Sunnova under Section 16 of the Power Purchase Agreement then Sunnova will cause our contractors to remove the System at no cost to you. Sunnova will cause our contractors to remove the posts, waterproof the post area and return the roof as close as is reasonably possible to its original condition before the System was installed (e.g. ordinary wear and tear and color variances due to manufacturing changes are excepted). Sunnova will warrant the waterproofing for one (1) year after it removes the System. You agree to reasonably cooperate with Sunnova or its contractors in removing the System including providing necessary space, access and storage, and we or our contractors will reasonably cooperate with you to schedule removal in a time and manner that minimizes inconvenience to you.

5. FORCE MAJEURE

If Sunnova is unable to perform all or some of its obligations under this Limited Warranty because of a Force Majeure Event, Sunnova will be excused from whatever performance is affected by the Force Majeure Event, provided that:

- a. Sunnova, as soon as is reasonably practical, gives you notice describing the Force Majeure Event;
- b. Sunnova's suspension of its obligations is of no greater scope and of no longer duration than is required by the Force Majeure Event (i.e., when a Force Majeure Event is over, we will make repairs); and
- c. No Sunnova obligation that arose before the Force Majeure Event that could and should have been fully performed before such Force Majeure Event is excused as a result of such Force Majeure Event.

"Force Majeure Event" means any event, condition or circumstance beyond the control of and not caused by Sunnova's fault or negligence. It shall include, without limitation, failure or interruption of the production, delivery or acceptance of power due to: an act of god; war (declared or undeclared); sabotage; riot; insurrection; civil unrest or disturbance; military or guerilla action; terrorism; economic sanction or embargo; civil strike, work stoppage, slow-down, or lock-out; explosion; fire; earthquake; abnormal weather condition or actions of the elements; hurricane; flood; lightning; wind; drought; unavailability of power from the utility grid, equipment, supplies or products (but not to the extent that any such availability of any of the foregoing results from Sunnova's failure to have exercised reasonable diligence); power or voltage surge caused by someone other than Sunnova including a grid supply voltage outside of the standard range specified by your utility; and failure of equipment not utilized by Sunnova or under its control.

6. LIMITATIONS ON LIABILITY

a. No Consequential Damages

IN NO EVENT SHALL SUNNOVA OR ITS AGENTS OR CONTRACTORS BE LIABLE TO YOU OR YOUR ASSIGNS FOR SPECIAL, INDIRECT, PUNITIVE, EXEMPLARY, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY NATURE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

EXHIBIT 3.**NEW YORK DISCLOSURE / ADDENDUM**

If applicable, any contractor, subcontractor, or materialman who provides home improvement goods or services pursuant to a home improvement contract and who is not paid may have a valid legal claim against the homeowner's property known as a mechanic's lien. Any mechanic's lien filed against the homeowner's property may be discharged. Payment of the agreed-upon price under a home improvement contract prior to filing of a mechanic's lien may invalidate such lien. The homeowner may contact an attorney to determine his or her rights to discharge a mechanic's lien. The contractor will provide the homeowner with a Certificate of Workers' Compensation Insurance prior to beginning installation.

If applicable, a home improvement contractor is legally required to deposit all payments received prior to completion of an executory contract for the sale of real property and the improvement thereof by the construction of a building thereon. In lieu of such deposit, a home improvement contractor may post a bond, contract of indemnity or irrevocable letter of credit with the homeowner guaranteeing the return or proper application of such payments to the purposes of the contract.

Because your agreement is for a distributed energy resource product, you have rights under the New York Home Energy Fair Practices Act (HEFPA). For more information consult <http://www3.dps.ny.gov>. You also have the right to the attached disclosures under the Uniform Business Practices for Distributed Energy Resource Suppliers.

ELECTRONIC FUNDS TRANSFER OR CREDIT CARD PAYMENT AUTHORIZATION

In this Electronic Funds Transfer or Credit Card Payment Authorization ("Authorization"), "I," "me," "my," "we" and "our" refer to the Homeowner(s) under the Solar Service or Solar Purchase Agreement ("Agreement") signed the same date I sign this Authorization. I may choose the convenience of having my monthly payments under the Agreement made automatically from my Bank Account at my Financial Institution or through recurring charges to my Credit Card Account. This Authorization allows preauthorized payments from my designated Bank Account or Credit Card Account ("Account") to Sunnova Energy Corporation or its designees ("You").

By signing this Authorization, I agree to the following terms:

1. AUTHORIZATION

As applicable to the type of Account that I designate, I authorize You to: (i) automatically withdraw funds from my deposit Account ("Electronic Funds Transfer Payment") through an automated clearing house transfer (electronic debiting of my Account=) or by bank draft (remotely created check or "RCC"); or (ii) initiate charges to my credit Account, in order to make my payments to You as required by the Agreement. If the due date falls on a Saturday, Sunday, or holiday, my payment will be deducted on the next business day following the due date, and You will credit my payment as if it had been received on the due date. If I designate a deposit Account, I agree to keep sufficient available funds in the Account on the due date so that the payment can be made in the required amount and to cover all payment to You under the Agreement. If there are insufficient funds in my deposit Account, You may initiate a second debit to my Account or attempt a second presentment of a remotely created check. You will not attempt to debit my deposit Account or present a remotely created check drawn on my Account more than twice for any single payment due. If any of this information changes, I will immediately notify Sunnova at customerservice@sunnova.com or by calling us at 1-855-277-6379. If Sunnova incurs any fees as a result of inaccurate or out of date information, Sunnova will bill me for those charges.

2. REJECTED PAYMENTS

My failure to keep sufficient funds in my deposit Account or a rejected charge to my credit Account will be an event of default under this Authorization and You will have the right to terminate this Authorization. I will be responsible for any payments that do not clear as well as any dishonored check fees, including those that may be discovered after the Agreement is apparently paid off, paid in full or otherwise.

3. BANK FEES

I agree to be bound by any rules my bank requires for pre-authorized electronic funds transfers and/or credit card transactions and understand that I will be responsible for any fees my financial institution may charge for these electronic payments.

4. EARLY PAYMENT

If I make a full monthly payment two business days before the scheduled transfer date, there will be no automatic payment for that month. I agree that the termination of this Authorization shall not prevent a debit or credit transaction authorized before any notice of termination and does not terminate the Agreement or my obligation to make payments as required by the Agreement.

5. RIGHTS REGARDING VARYING AMOUNTS

I acknowledge and understand that You reserve the right to change these conditions at any time. Notice may be provided on or with my bill or by other methods. I have the right to receive notice of all Electronic Funds Transfer Payments that vary from a preauthorized amount, or from the previous Electronic Funds Transfer Payment amount.

6. PROCEDURES UPON PAYMENT IN FULL

I understand that when my Agreement is paid off and You send notice to my Bank to cease making Electronic Funds Transfer Payments or initiating charges to my credit Account, as applicable, occasionally a bank fails to stop such payments in a timely manner. If this occurs, or if an overpayment is otherwise made, You will refund to me the amount exceeding any amount due as soon as reasonably possible upon discovery of the overpayment, and I agree that this is a

reasonable procedure. If there is a balance remaining after the scheduled final due date of the Agreement, I authorize You to continue to debit and/or initiate charges to my Account in the amount of the minimum payment required under the Agreement at regular intervals until the unpaid balance is paid. Although You are authorized to continue these payments, You are under no obligation to do so.

BY SIGNING THIS DOCUMENT, I ACKNOWLEDGE THAT I HAVE READ THE TERMS AND CONDITIONS OF THIS AUTHORIZATION ABOVE AND AGREE TO BE BOUND BY ITS TERMS. I ACKNOWLEDGE THAT I HAVE RECEIVED A COPY OF THIS AUTHORIZATION. I REPRESENT THAT ALL PERSONS WHOSE SIGNATURES ARE REQUIRED TO WITHDRAW FUNDS FROM OR INITIATE CHARGES TO THE ACCOUNT I HAVE DESIGNATED HAVE EXECUTED OR OTHERWISE AUTHORIZED THIS AUTHORIZATION. I UNDERSTAND THAT I WILL RECEIVE A SEPARATE REQUEST TO SECURELY PROVIDE MY DESIGNATED BANK OR CREDIT CARD ACCOUNT INFORMATION.
