Re: Case 18-E-0130 – In the Matter of Energy Storage Deployment Program.

Dear Secretary Phillips:

AES Clean Energy Development, LLC, submits these comments in response to the New York State Energy Research and Development's Bulk Storage Implementation Plan Proposal published on October 18, 2024. AES appreciates the thoughtful dialogue between NYSERDA, Department of Public Service staff and the Commission on New York's energy storage program. AES supports New York's Energy Storage program as we work together to achieve the clean energy goals of the Climate Leadership and Community Protection Act.

Respectfully submitted,
