1. **Welcome**
    a. DPS Staff remarks
        i. Attendance will be taken via the chat
    b. Review/ modify agenda

2. **EDI Standards Update**
    a. Due to ESCO Cost Comparison Law, EDI standards will be put on the back burner so cost comparison can be prioritized

3. **EDI Supplemental Guide Updates**
    a. Due to ESCO Cost Comparison Law, EDI standards will be put on the back burner so cost comparison can be prioritized

4. ***[Tom Dougherty Earth Etch]*** **ESCO Cost Comparison Law**
    a. Is there any proposed template for the price comparisons so that the information will be presented in a similar format across utilities?

    Central Hudson: ***R. Saverino (Central Hudson)****. Bill comparison is live for electric bills. Company is not providing a template for dual bill customers. That would be up to the ESCOs to produce.*

    Con Edison/ORU: *There is not a standard template that is being utilized. The price information is just being provided in a simple bill message for consolidated bills.*

    T.Dougherty (Earth Etch) *asks if it would be up to the ESCO to come up with their*

own format. Con Ed/ORU states it would be up to the ESCO to decide the best format.

National Fuel Gas: *No Comment*

National Grid (KEDNY/KEDLI, NIMO): ***L. Baker (National Grid)*** *says messaging will be provided to customers.*

NYSEG/RGE: *NYSEG/RGE is planning on sending out a letter to explain changes on the bill.*

PSEG LI: *No comment*

b. Status update from each utility, including any updates on the following:
    i. Will there be any bill inserts or customer educational materials to announce/ explain the changes to the bill format?

Central Hudson: ***R. Saverino (Central Hudson)*** *The 503 for consolidated billing is all set. The gas is still being worked on with hopeful completion for Q4.* ***T.Dougherty (Earth Etch)*** *asks if 503 transaction contains any changes or if it will be used as documented.* ***R. Saverino*** *says that it will be used as documented. Confirms that it is live for electric.* ***T.D.*** *asks if ESCOs or EDI providers need to go through any certification for that.* ***R.S.*** *says no.*

Con Edison/ORU: *The side-by-side comparison is complete for consolidated bill customers. The remaining updates for dual bill customers and 12-month statement are still being worked on but are hoping to be wrapped up in the next quarter. Planning to provide an updated implementation plan in the near future.*

National Fuel Gas: *No Comment*

National Grid (KEDLI/KEDNY, NIMO): *Company will provide more information in the future.*

NYSEG/RGE: ***P.Foster (NYSEG/RGE)*** *says the company is still working on the side-by-side comparison with hopes to be set for Q4.*

PSEG LI: *No Comment*

5. **Other Business**

- ***S. Wilson (Vistra)*** *asks if additional questions can be asked.* ***C. Crisp (Con Ed)*** *states if questions are specific to utilities, it would be better to discuss with the company directly.* ***S. Wilson*** *abstains from question(s).*
- ***J. Goodchild (NRG/Direct Energy Services)*** *asks if companies will be utilizing portals and, if so, what do ESCOs/EDI providers need to do to prepare.*
    - ***NYSEG/RGE*** *states they will be using the secure website that is currently used, but will circle back with more information.*
    - ***ConEd /ORU*** *states the existing RAIS/TCIS portal will be updated to include the additional information needed by the ESCOs to provide the monthly comparison for dual billed as well as the 12-month statement.*
    - ***National Grid*** *will be through Energy Market Web (not a new portal).*
- ***S.Wilson (Vistra)*** *asks if there will be a change control request for (Con Ed) 810 transaction changes*

- ***N. Cancel (Con Ed)*** *says 05 is associated with a different project. Company will circle back with info for the 810 change.*
