(Issued September 9, 2020)

PLEASE TAKE NOTICE that a virtual procedural conference, followed by a technical conference, will be held before Administrative Law Judges Anthony Belsito and Michael Clarke on October 6, 2020, by Webex. The procedural conference will begin at 10:00 a.m. and will be followed immediately by the technical conference. These conferences concern the electric and gas rate requests filed by Central Hudson Gas & Electric Corporation on August 27, 2020.

The principal purposes of the procedural conference are to identify the parties and major issues, discuss a schedule for the proceedings, address issues related to the service of documents and discovery, and to address any other pertinent procedural issues.

The technical conference will be presented by Central Hudson's technical experts and will consist of an overview of the electric and gas rate case filings.
