Re: Case 24-C-0618 – Joint Petition of Verizon/Frontier, Approval of a Proposed Transaction Pursuant to Sections 99 and 100 of the Public Service Law.

Dear Joseph Post:

I received your letter filed June 15, 2026, on behalf of the Petitioners,¹ requesting an extension of time to comply with the directives set forth in Ordering Clause 28 of the Commission's *Order Granting Joint Petition Subject to Conditions* (Order), issued December 18, 2025, in this proceeding. Ordering Clause 28 requires the Petitioners to file compliance reports every six months, indicating the number and location of the unserved/underserved or overbuild addresses passed and investment made during the reporting cycle, including the amount of the expenditures, timing of such, and recipients, along with supporting documentation. The initial compliance report is due six months from the date of the issuance of the Order, or June 18, 2026.

You state that the Petitioners are in the process of revising the address lists as required by Ordering Clause 24. You advise that once the revised lists are finalized, the Petitioners will provide their report on the subset of addresses and related expenditures, as required by the Order.

Please be advised that an extension until June 25, 2026, is granted to the Petitioners to comply with the directives set forth in Ordering Clause 28 of the Order. This extension is granted to promote the fair, orderly, and efficient conduct of this proceeding, and this ruling will be posted on the Department's website.

Sincerely,

A handwritten signature in black ink that reads "Michelle L. Phillips". To the right of the signature is the text "/njm".

Michelle L. Phillips
Secretary
