Dear Secretary Phillips:

On behalf of Carr Street Holding LLC, Carr Street Generating Station, L.P., and Syracuse Power Holdings, LLC (“Petitioners”), please find attached updated corporate organizational charts reflecting internal updates to their organizational structure. These charts supplement the Joint Petition filed with the New York State Public Service Commission (“Commission”) on February 3, 2026 and subject to the order issued on June 12, 2026 in the above-referenced proceeding, consistent with the Commission’s encouragement to ensure a full and transparent view of all relevant assets.

Petitioners claim confidentiality over the updated corporate organizational charts. Accordingly, pursuant to the Department of Public Service’s (“Department”) Confidential Document Submission Guidelines, Petitioners are concurrently filing with the Department Records Access Office a confidential version of this notice, accompanied by a cover letter substantiating Petitioners’ claim of confidentiality.

Please direct any questions to the undersigned.

Respectfully submitted,
