RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER G*7 PENALTIES

§3-103 Buildings Penalty Schedule.

BUILDINGS PENALTY SCHEDULE

Buildings Penalty Schedule I: Effective For Notices of Violation With a Date of Occurrence On or Before June 30, 2008:

The Penalty Schedule set forth below, Buildings Penalty Schedule I, sets forth the penalties that will be imposed in connection with Notices of Violation with a date of occurrence on or before June 30, 2008.

Citations preceded by "ZR" refer to the NYC Zoning Resolution. All other citations, except where otherwise indicated, are to the NYC Administrative Code; also, citations preceded by "AC" are to the NYC Administrative Code.

A stipulation (stip.) is available at a hearing (at the first offense penalty) only if so indicated in this Penalty Schedule. A stip. provides a 75 day extension of time to comply with the Buildings Commissioner's Order to Correct, with the 75 days counted from the first scheduled hearing date. If the violation has been marked hazardous by the Issuing Officer on the Notice of Violation or the NOV is amended to indicate a hazardous violation, a stipulation will not be offered.

A second or subsequent offense is a violation by the same respondent of the same provision of law, rule or

regulation as the previous violation and, if the respondent is the owner, agent, lessee, or other person in control of the premises with respect to which the violation occurred, at the same premises as the previous violation (all violations committed within an 18 month period).

If the violation has been corrected by the first scheduled hearing date, a mitigated (MIT.) penalty will be imposed for violations that are eligible for mitigation as indicated in this Penalty Schedule, unless the violation has been marked hazardous by the Issuing Officer on the Notice of Violation or the NOV is amended to indicate a hazardous violation.

Section of Law	Violation Description	STIP.	Penalty	MIT. Pen.	Default-Penalty	2nd Offense Penalty	2nd Offense MIT.	2nd Offense Default Penalty
26-118	Failure to comply with a Stop Work Order-HAZARDOUS	No	2,000	No	2,500	5,000	No	10,000
26-122	Failure to comply with order by the Department.	No	1,500	No	5,000	3,000	No	5,000
26-124 (b)	Filing a false certificate, form, affidavit or statement of correction with the N. Y. C. Department of Buildings.	No	2,500	No	2,500	6,250	No	10,000
26-125 (f)	Illegal conversion from 1 or 2 family house to 4 families or more (daily penalty per unit for a violation of 26-125)	No	1,000 (perday)	No	25,000	1,000 (perday)	No	45,000
26-126 .1(e)(i)	Additional daily penalty for continued violation of 27-118.1(a) (1st & 2nd Offenses) HAZARDOUS	No	50	No	4,500	75	No	4,500
26-126 .1(e)(ii)	Additional daily penalty for continued violation of 27-118.1(a) (3rd Offense) HAZARDOUS	No	N/A	N/A	N/A	3rd Off:100	No	3rd Off:4,500
26-126 .1(f)	Additional daily penalty for continued violation of 27-118.1(b)	No	350	No	15,750	N/A	N/A	N/A
26-126 .3(a)	Failure to comply with the commissioner's order to file a certificate of correction.	No	500	No	2,500	1,250	No	10,000
26-138 (a)	Falsely advertising as eligible to perform work requiring DOB license.	No	400	No	2,500	1,000	No	10,000
26-142	Performing work required to be performed by a licensed Master Plumber without having obtained Master Plumber's license.	No	400	No	2,500	1,250	No	10,000
26-166	Supervision or use of hoisting machine without a hoisting machine operator's license.	No	500	No	2,500	1,250	No	10,000
26-172	Supervision/use of rigging equipment without a master rigger's license-HAZARDOUS	No	1,250	No	2,500	2,500	No	15,000
26-172	Supervision/use of rigging equipment without a special rigger's license-HAZARDOUS	No	1,250	No	2,500	2,500	No	15,000
26-178	Failed to obtain or maintain a bond and/or insurance as required-HAZARDOUS	No	1,250	No	2,500	2,500	No	15,000
26-179	Failed to obtain and/or maintain workers' comp. ins. as required by law-HAZARDOUS	No	1,250	No	2,500	2,500	No	15,000
26-181 (a)	Use of rigging equipment without proper "DANGER" signs.	No	500	No	2,500	1,250	No	10,000
26-181 .1	Lic. Rigger failed to ensure Susp. Scaff. workers have valid Cert. ofFitness on site-HAZARDOUS	No	1,500	No	2,500	2,500	No	15,000
26-204 .1(a)	Erected, dismantled, repaired, maintained or modified supported scaffold without a Supported Scaffold Certificate of Completion issued pursuant to 26-204.3-HAZARDOUS	No	800	No	2,500	2,000	No	10,000

26-204 .1(b)	Knowingly permitted individual to erect, dismantle, repair, maintain or modify supported scaffold without a Supported Scaffold Certificate of Completion issued pursuant to 26-204.3-HAZARDOUS	No	1,200	No	2,500	2,500	No	10,000
26-204 .1(c)	Use of permitted supported scaffold without a Supported Scaffold User Certificate issued pursuant to 26-204.4	No	500	250	2,500	1,000	No	10,000
26-204 .1(d)	Knowingly allowed individual(s) to use permitted supported scaffold without a Supported Scaffold User Certificate issued pursuant to 26-204.4-HAZARDOUS	No	1,200	No	2,500	2,500	No	10,000
26-229	Failure to provide 8 foot high fence where required during excavation operations.	No	480	No	2,500	1,250	No	10,000
26-230	Failure to protect roofs, roof outlets or skylights or adjoining property.	No	500	No	2,500	1,250	No	10,000
26-230	Failure to protect roof, roof outlets or skylights of adjoining property during construction operations.	No	500	No	2,500	1,250	No	10,000
26-246	Operation of a Place of Assembly without a current permit.	Yes	200	100	2,500	500	250	10,000
26-246 (a) (2)	Failure to use safety belts while working on swinging scaffold.	No	500	No	2,500	1,250	No	10,000
26-252	No permit for sidewalk shed.	No	400	200	2,500	1,000	500	10,000
26-252	No permit for footbridge.	No	400	200	2,500	1,000	500	10,000
26-252	No permit for catch-platform.	No	400	200	2,500	1,000	500	10,000
26-252	No permit for sidewalk shanty.	No	400	200	2,500	1,000	500	10,000
26-252	No permit for sidewalk chute.	No	400	200	2,500	1,000	500	10,000
26-252	Failure to obtain a permit for temporary construction.	No	400	200	2,500	1,000	500	10,000
26-252	No permit for fence	Yes	400	200	2,500	1,000	No	10,000
26-252	No permit for railing	Yes	400	200	2,500	1,000	No	10,000
27-118 .1(a)	Residence altered or maintained for more than the legally approved number of families. (1st or 2nd Offense (Also subject to additional daily penalties for continued violations per section 26-126.1 (e)(i)) HAZARDOUS	No	800	No	2,500	2,000	No	10,000
27-118 .1(a)	Residence altered or maintained for occupancy as a dwelling for more than the legally approved number of families. (3rd Offense) (Also subject to additional daily penalties for continued violations per §26-126.2(e)(i)) HAZARDOUS	No	N/A	No	N/A	3rd Off:5 ,000	No	3rd Off:15, 000
27-118 .1(b)	Industrial/manufacturing altered or maintained for residential use-HAZARDOUS	No	3,000	No	5,000	8,000	No	25,000
27-127	Failure to maintain exterior building wall.	Yes	350	180	2,500	880	440	10,000
27-127	Failure to maintain building: interior.	Yes	350	180	2,500	880	440	10,000
27-127	Failure to maintain Boiler.	Yes	350	180	2,500	880	440	10,000
27-127	Failure to maintain Boiler-HAZARDOUS.	No	800	400	2,500	2,000	1,000	10,000
27-127	Failure to maintain exterior building wall HAZARDOUS	No	800	No	2,500	2,000	No	10,000
27-127	Failure to maintain building: interior HAZARDOUS.	No	800	No	2,500	2,000	No	10,000
27-127	Failure to maintain Place of Assembly.	Yes	350	180	2,500	880	440	10,000
27-127	Failure to Maintain Exterior Building Wall-NON-HAZARDOUS.	No	800	No	2,500	2,000	No	10,000

27-127	Failure to maintain plumbing and/or appurtenances-NON-HAZARDOUS	Yes	350	180	2,500	880	440	10,000
27-127	Failure to maintain plumbing and/or appurtenances-HAZARDOUS.	No	800	No	2,500	2,000	No	10,000
27-127	Failure to Maintain Exterior Building-HAZARDOUS	No	800	400	2,500	2,000	No	10,000
27-129	Failure to submit a 5th round Technical Report: Periodic Inspection of Exterior Wall and appurtenances as required by 1 RCNY 32-03.	No	700	350	2,500	1,750	No	10,000
27-129	Failure to submit a 2nd or 3rd round Technical Report: Periodic Inspection of Exterior Wall and appurtenances as required by 1 RCNY 32-03.	No	700	350	2,500	1,750	No	10,000
27-129	Failure to submit a 4th round Technical Report: Periodic inspection of Exterior Wall and Appurtenances as required by 1 RCNY 32-03.	No	700	350	2,500	1,750	No	10,000
27-129	Failure to submit a 6th round Technical Report: Periodic Inspection of Exterior wall and appurtenances as required by 1 RCNY 32-03	No	700	350	2,500	1,750	No	10,000
27-129 (d)(1)(b),(c)	Failure to file an amended report acceptable to this Department indicating correction of unsafe conditions described in initial report.	No	700	350	2,500	1,750	No	10,000
27-132	Failure to file 10E/TRI upon completion of controlled work.	No	350	180	2,500	880	No	10,000
27-132	Failure to file 10F/TRI prior to start of controlled work.	No	350	180	2,500	880	No	10,000
27-146	Site Safety. Approved plans not available for inspection.	Yes	500	250	2,500	1,250	630	10,000
27-146	Failure to provide approved plans at premises at time of inspection.	Yes	250	130	2,500	630	320	10,000
27-146	Approved Plans not available at premises at time of inspection- plumbing	Yes	250	130	2,500	630	320	10,000
27-147	Work without a permit.	Yes	500	250	2,500	1,250	630	10,000
27-147	Work without a permit: Expired permit.	Yes	500	250	2,500	1,250	630	10,000
27-147	Work without a permit - elevator	Yes	500	250	2,500	1,250	630	10,000
27-147	No permit for elevator in readiness.	Yes	1,000	500	2,500	2,500	1,250	10,000
27-147	No permit for material hoist.	Yes	500	250	2,500	1,250	630	10,000
27-147	No permit for personnel hoist.	Yes	500	250	2,500	1,250	630	10,000
27-147	No permit for new building.	Yes	500	250	2,500	1,250	630	10,000
27-147	Plumbing work without a permit-HAZARDOUS	No	800	No	2,500	2,000	No	10,000
27-147	Work without a permit-HAZARDOUS	No	800	No	2,500	2,000	No	10,000
27-147	Plumbing without a permit NON-HAZARDOUS	Yes	500	250	2,500	1,250	No	10,000
27-147	Work without a permit NON-HAZARDOUS	Yes	500	250	2,500	1,250	No	10,000
27-147	Boiler installed, altered, repaired or used without a permit.	Yes	500	250	2,500	1,250	630	10,000
27-147	Work without a permit: Facilities for people with physical disabilities.	No	500	250	2,500	1,250	630	10,000
27-147	Demolition Work Without Required Demolition Permit-HAZARDOUS	No	2,000	1,000	2,500	5,000	No	10,000
27-147	Construction or alteration work without a permit in manufacturing district for residential use-HAZARDOUS.	No	2,000	No	2,500	2,500	No	10,000

27-147	Construction or alteration work without a permit in manufacturing district for residential use.	No	1,500	750	2,000	2,000	1,000	10,000
27-147	Plumbing work without a permit in manufacturing district for residential use-HAZARDOUS.	No	2,000	No	2,500	2,500	No	10,000
27-147	Plumbing work without a permit in manufacturing district for residential use.	No	1,500	750	2,000	2,000	1,000	10,000
27-185	Operation of a elevator without an equipment use permit.	Yes	300	150	2,500	750	380	10,000
27-194	Failure to post permit for work at premises.	Yes	250	130	2,500	625	320	10,000
27-195	Failure to notify the DOB prior to the commencement of demolition work-HAZARDOUS	No	1,000	No	2,500	2,500	No	10,000
1 RCNY 52-01(a)	Failure to notify the Department prior to the commencement of earthwork-HAZARDOUS	No	1,000	No	2,500	2,500	No	10,000
1 RCNY 52-01(b)	Failure to notify the Department prior to the cancellation of earthwork-HAZARDOUS	No	1,000	No	2,500	2,500	No	10,000
27-201	Work contrary to approved Department of Buildings plans and application. Site safety hazardous.	No	500	No	2,500	1,250	No	10,000
27-201	Work does not conform to approved plans.	Yes	250	130	2,500	630	320	10,000
27-201	Place of Assembly contrary to approved plans.	Yes	250	130	2,500	630	320	10, 000
27-201	Work does not conform to approved plans-plumbing.	Yes	250	130	2,500	630	320	10,000
27-201	Work does not conform to approved plans-HAZARDOUS	No	500	No	2,500	1,250	No	10,000
27-201	Work contrary to approved Department of Buildings plans and application. Site Safety Non-hazardous	Yes	500	250	2,500	1,250	No	10,000
27-201	Work does not conform to approved plans.	Yes	500	250	2,500	1,250	No	10,000
27-201	Work contrary to approved application: Facilities for people with disabilities.	No	500	250	2,500	1,250	630	10,000
27-201	Plumbing work contrary to approved applications and plans in manufacturing district for residential use-HAZARDOUS.	No	2,000	No	2,500	2,500	No	10,000
27-201	Plumbing work contrary to approved applications and plans in manufacturing district for residential use.	No	1,500	750	2,000	2,000	1,000	10,000
27-201	Construction work contrary to approved applications and plans in a manufacturing district for residential use-HAZARDOUS.	No	2,000	No	2,500	2,500	No	10,000
27-201	Construction work contrary to approved applications and plans in a manufacturing district for residential use.	No	1,500	750	2,000	2,000	1,000	10,000
27-203	Failure to comply with safety requirements during buildings operations	No	1,500	No	2,500	3,750	No	10,000
27-205	Failure to grant entry to premises to inspect work-HAZARDOUS	No	2,000	No	2,500	5,000	No	10,000
27-214	New building occupied without a valid temporary or final certificate of occupancy.	Yes	700	350	2,500	1,750	No	10,000
27-214	New building occupied in manufacturing district without a valid certificate of occupancy.	No	1,500	750	2,000	2,000	1,000	10,000

27-215	Altered building occupied without a valid Certificate of Occupancy.	Yes	350	180	2,500	880	440	10,000
27-215	Operation of a Place of Assembly contrary to the C of O when the current C of O allows for the operation of a P.A.	Yes	350	180	2,500	880	440	10,000
27-215	Operation of a Place of Assembly contrary to the C of O when the current C of O does not allow the operation of a P.A.	Yes	350	180	2,500	880	440	10,000
27-215	Building in a manufacturing districtaltered for residential use occupiedwithout a valid certificate of occupancy.	No	1,500	750	2,000	2,000	1,000	10,000
27-217	Occupancy contrary to that allowed by the Certificate of Occupancy or Building Department records.	Yes	800	400	1,000	2,000	1,000	5,000
27-217	Occupancy contrary to that allowed by the Certificate of Occupancy or Building Department records-HAZARDOUS	No	800	No	1,000	2,000	No	5,000
27-217	Occupancy contrary to that allowed by the Certificate of Occupancy or Building Department records. NON-HAZARDOUS	Yes	800	400	1,000	2,000	No	5,000
27-217	Dwelling illegally converted from family to 2 or 3 families.	Yes	800	400	1,000	2,000	1,000	5,000
27-217	Occupancy contrary to that allowed by Certificate of Occupancy number-HAZARDOUS	No	800	No	1,000	2,000	No	5,000
27-217	Occupancy contrary to that allowed by Certificate of Occupancy number-NON-HAZARDOUS	Yes	800	400	1,000	2,000	1,000	5,000
27-217	Occupancy in a manufacturing district inconsistent with that allowed by the certificate of occupancy or Buildings Department records-HAZARDOUS.	No	2,000	No	2,500	2,500	No	10,000
27-217	Occupancy in manufacturing district inconsistent with that allowed by the certificate of occupancy or Buildings Department records.	No	1,500	750	2,000	2,000	1,000	10,000
27-225	Failure to post sign with occupant loads	Yes	250	130	500	630	320	5,000
27-228 .5	Failure to file a "Report of Compliance with Local Law 16/84" certifying to the installation of required fire protection systems.	No	400	200	2,500	1,000	500	10,000
27-228 .5	Failure to file an architect/engineer report certifying exit/directional signs connection to emergency power source/battery storage equipment	No	700	350	2,500	1,750	No	10,000
27-292 .10	People with Physical Disabilities: Public spaces/rooms not accessible/usable.	No	500	250	2,500	1,250	630	10,000
27-292 .11	Failure to provide/inadequate accessible wheelchair viewing positions.	No	500	250	2,500	1,250	630	10,000
27-292 .12	People with Physical Disabilities: Inadequate accessible public toilet rooms.	No	500	250	2,500	1,250	630	10,000
27-292 .13	People with Physical Disabilities: Inadequate accessible drinking fountains.	No	500	250	2,500	1,250	630	10,000
27-292 .14	People with Physical Disabitlities: inadequate accessible public telephones.	No	500	250	2,500	1,250	630	10,000
27-292 .15	People with Physical Disabilities: Inadequate emergency warning systems.	No	500	250	2,500	1,250	630	10,000

27-292 .16	People with Physical Disabilities: Operating mechanisms inaccessible.	No	500	250	2,500	1,250	630	10,000
27-292 .17	People with Physical Disabilities: Inadequate tactile warning systems.	No	500	250	2,500	1,250	630	10,000
27-292 .18	People with Physical Disabilities: Inadequate signage.	No	500	250	2,500	1,250	630	10,000
27-292 .19	People with Physical Disabilities: Insufficient usable parking spaces.	No	500	250	2,500	1,250	630	10,000
27-292 .20	People with Physical Disabilities: Inadequate passenger loading zones.	No	500	250	2,500	1,250	630	10,000
27-292 .5	People with Physical Disabilities: Failure to provide/ inadequate access.	No	500	250	2,500	1,250	630	10,000
27-292 .8	People with Physical Disabilities: Inadequate adaptable dwelling units.	No	500	250	2,500	1,250	630	10,000
27-292 .9	People with Physical Disabilities: Inadequate usable adaptable dwelling units.	No	500	250	2,500	1,250	630	10,000
27-345	Failure to provide/maintain fire stopping where required.	Yes	350	180	2,500	880	440	10,000
27-353 .01(a)	Failure to provide/inadequate elevator vestibules.	Yes	400	200	2,500	1,000	500	10,000
27-353 .01(b)	Failure to provide/inadequate fire protection for escalators.	Yes	400	200	2,500	1,000	500	10,000
27-361	Exit door: Total obstruction.	No	480	No	2,500	1,200	No	10,000
27-365	Failure to provide at least two means of egress from room or space as required.	No	480	No	2,500	1,200	No	10,000
27-366	Failure to provide required means of egress for every floor.	No	480	No	2,500	1,200	No	10,000

Buildings Penalty Schedule II: Effective For Notices of Violation With a Date of Occurrence On or After July 1, 2008:

The Penalty Schedule set forth below, Buildings Penalty Schedule II, sets forth the penalties that will be imposed in connection with Notices of Violation with a date of occurrence on or after July 1, 2008.

1.) **Legal References.** The legal references referred to in this Penalty Schedule include the following:

· Title 28 of the New York City (NYC) Administrative Code. References to Title 28 of the NYC Administrative Code begin with "28-" (for example, "28-201.1). The citation "28-Misc." refers to provisions of Title 28 that are not specifically designated elsewhere in the Penalty Schedule.

· Title 27 of the NYC Administrative Code (also known as the "1968 Building Code"). References to title 27 of the NYC Administrative Code begin with "27-" (for example, "27-371"). The citation "27-Misc." refers to provisions of Title 27 that are not specifically designated elsewhere in the Penalty Schedule.

· The "New York City Construction Codes," which consist of:-The New York City plumbing code (PC)-The New York City building code (BC)-The New York City mechanical code (MC)-The New York City fuel gas code (FGC)

· References to these New York City Construction Codes are designated by the various abbreviations set out above (for example, "BC3010.1"). The citations "BC-Misc.", "PC-Misc.", "MC-Misc." and "FGC-Misc." refer to provisions of the New York City building, plumbing, mechanical or fuel gas code that are not specifically designated elsewhere in the Penalty Schedule.

· Appendices to the New York City Construction Codes (the New York City Construction Codes include all enacted appendices, as per §28-102.6 of the NYC Administrative Code). References to Appendices are cited by using the abbreviation for the particular Construction Code followed by the applicable Appendix letter (for example, "H") followed by the applicable section number (for example, "BC H103.1").

· The NYC Zoning Resolution (ZR) and the Rules of the City of New York (RCNY). References to the Zoning Resolution and to the Rules of the City of New York are designated by the abbreviations "ZR" and "RCNY" (for example, "ZR25-41"; "1 RCNY9-01"). The citations "1 RCNY-Misc." and "ZR-Misc." refer to provisions of 1 RCNY or the Zoning Resolution that are not specifically designated elsewhere in the Penalty Schedule.

· Reference Standards that pertain to Title 27 of the NYC Administrative Code (RS). References to the Reference Standards are designated by the abbreviation set out above (for example, "RS-16"). The citation "RS-Misc." refers to Reference Standards that are not specifically designated elsewhere in the Penalty Schedule.

2.) **Citations to the New York City Construction Codes.** Whenever a section or subdivision of the New York City Construction Codes is cited or referred to, subordinate consecutively numbered subdivisions or paragraphs of the cited provision are deemed to be included in such reference unless the context or subject matter requires otherwise.

3.) **Classification of Violations.** Pursuant to the Rules of the Department of Buildings set out in Title 1 of the Rules of the City of New York, for purposes of classifying violations pursuant to section 28-201.2 of the Administrative Code, the following terms shall have the following meanings:

· IMMEDIATELY HAZARDOUS VIOLATION. Immediately hazardous violations are those specified as such by the New York City Construction Codes, or those where the violating condition poses a threat that severely affects life, health, safety, property, the public interest, or a significant number of persons so as to warrant immediate corrective action, or, with respect to outdoor advertising, those where the violation and penalty are necessary as an economic disincentive to the continuation or the repetition of the violating condition.) Immediately hazardous violations shall be denominated as Class 1 violations.

· MAJOR VIOLATION. Major violations are those specified as such by the New York City Construction Codes or those where the violating condition affects life, health, safety, property, or the public interest but does not require

immediate corrective action, or, with respect to outdoor advertising, those where the violation and penalty are appropriate as an economic disincentive to the continuation or the repetition of the violating condition. Major violations shall be denominated as Class 2 violations.

· LESSER VIOLATION. Lesser violations are those where the violating condition has a lesser effect than an immediately hazardous (Class 1) or major violation (Class 2) on life, health, safety, property, or the public interest. Lesser violations shall be denominated as Class 3 violations.

In this Penalty Schedule, the classification of any particular charge is indicated in the column of the Penalty Schedule that is entitled ""Classification." In some instances, where so indicated in this Penalty Schedule, a violation of a particular section of law may be charged by the Department of Buildings as either an "Class 1" violation, or as a "Class 2" violation, or as a "Class 3" violation, depending upon the assessment by the Department of Buildings as to the classification that is warranted for the particular violation in question.

4.) **Aggravated Penalties:** If a Notice of Violation charges a violation as an Aggravated I or as an Aggravated II violation and the respondent is found in violation, then aggravated penalties of the first order ("Aggravated I") or aggravated penalties of the second order ("Aggravated II") penalties will be imposed. This Penalty Schedule sets forth the Aggravated I or Aggravated II penalties that will apply. Pursuant to the Rules of the Department of Buildings set out in Title 1 of the Rules of the City of New York, the Department of Buildings will charge a violation as an Aggravated I or Aggravated II violation under the following circumstances: (1) Aggravated penalties of the first order. Aggravated penalties of the first order ("Agg. I") shall be imposed in the following instances:

(i) Aggravated penalties of the first order. Aggravated penalties of the first order ("Agg. I") shall be imposed when evidence establishes the same condition or the same charge under the New York City Construction Codes or the predecessor charge under the laws in effect prior to July 1, 2008, in a prior enforcement action against the same owner or responsible party during the previous three years.

(2) Aggravated penalties of the second order. Aggravated penalties of the second order ("Agg. II") shall be imposed in the following instances:

(i) When the respondent or defendant is found in violation of any law or rule enforced by the Department where the violation of law is accompanied by or results in an accident, or poses a substantial risk thereof; is accompanied by, or results in a fatality or serious injury; or where the violating condition affects a significant number of people; or

(ii) Where the respondent refuses to give the Department of Buildings requested information necessary to determine the condition of a building or site; or

(iii) Where the respondent has a history of non-compliance with laws or rules enforced by the Department of Buildings at one or more locations, including but not limited to a pattern of unreasonable delays in correcting violations, a pattern of failing to obey Stop Work Orders, filing false documents, or multiple defaults.

5.) **Mitigation.** A violation that is otherwise subject to a standard penalty or to an Aggravated I penalty is potentially eligible for a mitigated penalty if and only if this Penalty Schedule so indicates by a "Yes" in the "Mitigated Penalty" column. If a violation is potentially eligible for a mitigated penalty, a mitigated penalty will be imposed if the respondent proves at the hearing that the violating condition was corrected prior to the first scheduled hearing date at ECB. (A certificate of correction must thereafter be filed by the respondent with the Department of Buildings in accordance with its Rules.) If a mitigated penalty is imposed, that mitigated penalty will be half of the penalty amount rounded to the nearest dollar (i.e., either half of the standard penalty amount or half of the Aggravated I penalty amount, whichever is applicable) that would otherwise have been imposed at a hearing for that particular violation. A mitigated penalty is never available in connection with a violation that has been charged by the Department of Buildings as an Aggravated II charge. (This is the case even if there is a "Yes" in the "Mitigated Penalty" column in this Penalty Schedule.)

6.) **Additional Daily and Monthly Penalties.** Additional daily penalties may be imposed in connection with certain Class 1 violations. Additional monthly penalties may be imposed in connection with certain Class 2 violations. If such penalties are sought by the Department of Buildings in connection with a particular Class 1 or Class 2 charge, that will be indicated on the Notice of Violation.

Such daily or monthly penalties, if applicable, are in addition to the set penalty amount that also is indicated in this Penalty Schedule as applicable to the type of violation in question taking into account the classification level and Aggravated level of the particular violation. Imposition of such additional daily and monthly penalties is authorized pursuant to Section 28-202.1 of the New York City Administrative Code.

Accrual of Daily Penalties: Daily penalties, if applicable, will accrue at the rate set forth in this Penalty Schedule per day for a potential total of forty-five days running from the date of the Order to Correct of the Commissioner of the Department of Buildings that is set forth in the Notice of Violation unless the violating condition is proved by the respondent at the hearing to have been corrected prior to the end of that forty-five day period, in which case the daily penalties will accrue for every day up to the date of that proved correction.

Accrual of Monthly Penalties: Monthly penalties, if applicable, accrue at the rate set forth in this Penalty Schedule per month for a potential total of one month running from the date of the Order to Correct of the Commissioner of the Department of Buildings that is set forth in the Notice of Violation unless the violating condition is proved by the respondent at the hearing to have been corrected prior to the end of a month period.

7.) **Cures.** Certain violations are potentially eligible for a cure by correction within forty days running from the date of the Order to Correct of the Commissioner of the Department of Buildings that is set forth in the Notice of Violation. This Penalty Schedule indicates which violations are potentially subject to cure. A cure constitutes an admission of the charged violation; results in a finding of violation in connection with that charged violation; dispenses with the need for a hearing at ECB; may constitute a prior violation in relation to later-issued violations, for purposes of determining if those later-issued violations have an Aggravated I or Aggravated II status; and results in a zero penalty. As is indicated in this Penalty Schedule, and consistent with the provisions of Section 28-204.2 of the NYC Administrative Code, all violations that are designated as Class 3 violations are eligible for cure. Also some, but not all, violations that are designated as Class 2 violations are eligible for cure. (Note: A violation that has been charged as an Aggravated II violation is never eligible for a cure. This is the case even if there is a "Yes" in the "Cure" column in this Penalty Schedule.) In order to cure, the respondent must file a certificate of correction acceptable to the Department of Buildings with the Department of Buildings within the forty day period.

8.) **Stipulations.** Stipulations are agreements between the Department of Buildings and a respondent, subject to approval by the Environmental Control Board. If a violation is potentially eligible for a stipulation, that is indicated in this Penalty Schedule. Even where a violation is potentially eligible for a stipulation, a stipulation is only available if the Department of Buildings in fact makes an offer of such a stipulation in connection with the particular Notice of Violation. (Note: A violation that has been charged as an Aggravated II violation is never eligible for a stipulation. Also, a violation that is charged as Class 1 is never eligible for a stipulation. This is the case even if there is a "Yes" in the "Stipulation" column in this Penalty Schedule.) There are both pre-hearing stipulations, and hearing stipulations. Those terms are defined below.

If a respondent enters into a stipulation (whether a pre-hearing stipulation or a hearing stipulation), that stipulation constitutes an agreement whereby the Department of Buildings agrees not to issue another violation to the same respondent for the same violating condition for a period of seventy-five days running from the first scheduled hearing date; and whereby the respondent admits the violation, resulting in a finding of violation; and whereby the respondent agrees to correct the violation and to file an acceptable Certificate of Correction with the Department of Buildings within the seventy-five day period running from the first scheduled hearing date. Additionally, in connection with pre-hearing stipulations only (not hearing stipulations), a lesser penalty is imposed.

The Department of Buildings will in no event offer a stipulation if the violation has been charged as an Aggravated II violation, or has been deemed "Class 1" by the Issuing Officer on the NOV, or if the charge on the Notice of Violation is amended to indicate an "Class 1" or a "Class 2" violation that is not potentially eligible to receive a stipulation.

Pre-hearing stipulations: A "pre-hearing stipulation" is a stipulation that is offered and can be accepted only prior to the first scheduled hearing date, or else on the first scheduled hearing date but prior to any actual hearing on that date. A violation is eligible for a pre-hearing stipulation if this Penalty Schedule so indicates (indicated via a "Yes" in the "Stipulation" column of this Penalty Schedule) and if the Department of Buildings in fact offers a pre-hearing stipulation in connection with the particular Notice of Violation in question. Pre-hearing stipulation offers are made via a mailed notice. (If a respondent is uncertain whether a pre-hearing stipulation offer has been made in connection with a particular Notice of Violation, the respondent may call ECB to inquire.) No pre-hearing stipulation shall take effect unless it is offered by the Department of Buildings prior to the first scheduled hearing date, signed by respondent prior to or on the first scheduled hearing date, and approved by ECB in writing.

If a pre-hearing stipulation is offered in connection with a particular Notice of Violation and is timely accepted by the respondent, and if the respondent then files an acceptable Certificate of Correction within the seventy-five-day time period, then the penalty imposed for that violation will be half of the penalty amount (rounded to the nearest dollar) of the penalty amount that would otherwise have been imposed at a hearing for that particular violation.

However, if a pre-hearing stipulation is offered in connection with a particular Notice of Violation and is timely accepted by the respondent, but the respondent in connection with a particular pre-hearing stipulation then fails to file an acceptable certificate of correction with the Department of Buildings within the seventy-five-day time period, then the penalty imposed for that violation will rise to the full penalty amount that would have been imposed at a hearing if a hearing had been held.

Hearing stipulations: A hearing stipulation is a stipulation that is offered and can be accepted at a hearing. A violation is eligible for a hearing stipulation if this Penalty Schedule so indicates (via a "yes" in the "Stipulation" column of this Penalty Schedule) and if the Department of Buildings in fact offers a hearing stipulation at the hearing in connection with the particular Notice of Violation.

If a hearing stipulation is offered in connection with a particular Notice of Violation and is accepted by the respondent, it constitutes an agreement as described above, whereby respondent agrees to correct the violation and file an acceptable certificate of correction within the seventy-five day period, and whereby the Department of Buildings agrees not to issue another violation to the same respondent for the same violating condition within that seventy-five day time period. No hearing stipulation shall take effect unless it is offered by the Department of Buildings at the hearing, accepted by the respondent at that hearing, and is approved in writing by ECB.[Table 1]:

Section of Law	Classification	Violation Description	Cure	Stipulation	Standard Penalty	Mitigated Penalty	Default Penalty	Aggravated I Penalty	Aggravated I DefaultPenalty	AggravatedII Penalty	Aggravated II DefaultMaximumPenalty

NOTE

1. Statement of Basis and Purpose in City Record Oct. 13, 2006:

The Environmental Control Board (ECB) had a Public Hearing on June 22, 2006 on its proposed revisions of its Penalty Schedules and its Appeals rules. The Board carefully considered the testimony, written comments and material received at and after the June 22, 2006 Public Hearing and has adopted the following revisions to the ECB Penalty Schedules and ECB Appeals rules: (1) the addition of twelve new charges with enhanced penalties for violations within manufacturing districts to the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York; (2) the addition of three new charges and the revision of three existing charges to the Department of Sanitation's Penalty Schedule found in §3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules

of the City of New York as a result of the enactment of Local Law 108 of 2005 which amends §16-118(2) of the Administrative Code of the City of New York; (3) the addition of a new charge to the Public Safety Graffiti Penalty Schedule found in §3-119 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York pursuant to the enactment of Local Law 111 of 2005 which adds a new §10-117.3, to the Administrative Code of the City of New York; and (4) revisions to clarify ECB Appeals rules found in §§3-71(a), 3-72(a)(b), and 3-73(a)(b) of Subchapter D of Chapter 3 of Title 48 of the Rules of the City of New York.

The Board adopted the twelve new charges with enhanced penalties for certain Building Code violations within a manufacturing district based upon the following: (1) to deter the illegal conversion of industrial properties to residential use as the existing penalties do not adequately or equitably penalize property owners for the destruction of industrial space; (2) to ensure compliance and deter repeated violations because property owners have been absorbing the existing penalties as a cost of doing business to generate the higher profits offered by residential conversion; and (3) the enhanced penalties are necessary to offset the high rents that these illegally converted residential units command.

The new charges with enhanced penalties include: (a) occupancy of a new building in a manufacturing district without a valid certificate of occupancy; (b) occupancy of a building altered for residential use in a manufacturing district without a valid certificate of occupancy; (c) occupancy of a building in a manufacturing district inconsistent with the certificate of occupancy or Department of Buildings records; (d) performing construction or alteration work for residential use in a manufacturing district without a permit; (e) performing plumbing work for residential use in a manufacturing district without a permit; (f) performing plumbing work for residential use in a manufacturing district contrary to approved applications and plans; and (g) performing construction work for residential use in a manufacturing district contrary to approved applications and plans.

The Board revised and added three new charges to the Department of Sanitation's Penalty Schedule pursuant to the enactment of Local Law No. 108 of 2005 which amends §16-118(2) of the Administrative Code of the City of New York in relation to the responsibility of an owner, lessee, tenant or person in charge of a vacant lot to maintain such lot and adjacent areas. The law as amended provides that all vacant lot owners, lessees, tenants or persons in charge of vacant lots are now responsible for ensuring that the entire lot is kept free from garbage, refuse, rubbish, litter, debris and other offensive material. The law as amended re-designates the existing text of subdivision (2) as paragraph (a) of such subdivision and a new paragraph (b) is added to subdivision (2) to incorporate the vacant lots and the areas fronting vacant lots to the list of property areas that are required to be kept clean, including one and one-half feet from curb into the street.

The Board revised and added a new charge to the Public Safety Graffiti Penalty Schedule pursuant to the enactment of Local Law No. 111 of 2005, which adds a new §10-117.3, to the Administrative Code of the City of New York in relation to the removal of graffiti from commercial buildings and from residential buildings containing six dwelling units or more and in relation to establishing a process whereby the City may clean graffiti from these buildings. Owners, upon notice will have sixty days to remove the graffiti before any hearing is held and a civil penalty is imposed. The purpose of the new graffiti law and penalties coupled with granting the City the ability to clean graffiti in public view from commercial and residential buildings is to rid the City's communities of graffiti and improve the quality of life in the City.

The Board adopted the revisions to the ECB Appeals rules that are found in §§3-71(a), 3-72(a)(b), and 3-73(a)(b) of Subchapter D of Chapter 3 of Title 48 of the Rules of the City of New York for the following reasons: 1) the revision to 15 RCNY 31-71(a) clarifies that the filing of proof of service must be made within the same 30 day period that is required to file exceptions; 2) the revision to 15 RCNY 31-72(a) clarifies that a request for a copy of an audio tape extends the time to appeal just as does a request for a transcript and clarifies that applications for extension of time to appeal must be served on all parties and proof of such service must be filed with the tribunal. This would make the service requirements for extension requests identical to the service requirements for the exceptions themselves. The revision also conforms 15 RCNY 31-72(b), which governs applications for extension of time to file an appeal for any reason other than a request for a transcript or audiotape, to these same service and filing requirements; and 4) the

revision to 15 RCNY 31-73(a)(b) clarifies that as a pre-requisite to appeal, any civil penalties imposed by the hearing officer must be paid by a date certain, and sets a clearly identifiable date by which payment must be made.

2. Statement of Basis and Purpose in City Record Mar. 2, 2007: The Environmental Control Board (ECB) had a Public Hearing on January 31, 2007, on its proposed revisions of its Penalty Schedules. The Board carefully considered the testimony, written comments and material received before and at the January 31, 2007, Public Hearing and has adopted the following revisions to the ECB Penalty Schedules: (1) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add sixteen new charges for violations of the Building Code and the Rules of the City of New York regulating the registration of Outdoor Advertising Companies (OACs) and outdoor signs. These charges are being added to the Buildings Penalty Schedule to address outdoor advertising violations of the New York City Administrative Code and the Rules of the City of New York (RCNY), which are in addition to the charges for outdoor-sign related violations that are already included in the Buildings Penalty Schedule. The new charges for violations of Title 1 of the RCNY, §§49-02, 49-03, 49-12(e), and 49-15(h) are being added to the Buildings Penalty Schedule in light of the promulgation of Chapter 49 of Title 1 of the RCNY, which became effective on August 25, 2006. The new charges for violations of the Administrative Code charges are added in response to the enactment of Local Law 14/2001, as amended by Local Law 31/2005, which pertains to outdoor signage. The City Council enacted Local Law 14 and Local Law 31 to reduce the proliferation of illegal signage and better regulate existing and new legal signs. These local laws created the foundation for a new regulatory scheme that requires the registration of all OACs doing business within the City of New York, and their sign locations within nine-hundred feet and within view of an arterial highway, and within two-hundred feet and within view of a public park of one-half acre or more. The City Council determined that visual clutter had significantly increased in these areas, causing unsightly, and in some cases, unsafe conditions. Chapter 49 of Title 1 of the RCNY sets forth the procedures by which Local Law 14 and Local Law 31 will be implemented, such as the registration and permitting process, fees, deadlines, penalties and enforcement procedures for non-compliance. The City Council, in enacting these local laws, established a higher penalty scale for violations by OACs, to deter new illegal signage and to combat existing illegal signage, in light of the tremendous revenue generated by advertising signs. The previous enforcement penalties applicable to OACs were considered a mere cost of doing business to many OACs. These new charges and penalties will help deter violations of the outdoor sign-related laws. The new charges include the following: (a) Maintaining sign/structure controlled by unregistered OAC; (b) OAC engages in outdoor advertising business without valid registration; (c) OAC fails to submit information prescribed by Department; (d) OAC fails to post bond or provide other form of security; (e) OAC fails to submit accurate sign inventory information; (f) OAC fails to display required information on sign/sign location; (g) OAC sign violates Zoning Resolution (ZR), Administrative Code (AC) or Department of Buildings (DOB) rule; (h) OAC makes available sign which is in violation of the ZR, AC, or DOB rules; (i) OAC makes available sign or registration to unregistered OAC; (j) OAC fails to cooperate with DOB sign-related investigation; (k) OAC fails to comply with commissioner's sign-related order; (l) OAC fails to notify DOB of material change in registration information; (m) Affiliated OAC does business before notice of material change is received; and (n) OAC fails to amend sign inventory information as prescribed by DOB rule. (2) The Board has revised the Air Code Penalty Schedule found in §3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add six charges pertaining to the use of ultra low sulfur diesel fuel and best available technology in nonroad vehicles. The charges are added in response to the enactment of Local Law 77/2003, which can be found in the Air Pollution Control Code as §24-163.3. The purpose of this section is to limit emissions from nonroad vehicles, such as backhoes, bulldozers, excavators, and cranes. The statute requires that any diesel-powered nonroad vehicle with an engine fifty or more horsepower must be (a) powered by ultra-low sulfur diesel fuel and (b) utilize best available technology for emission reduction. The law applies to all vehicles owned by, operated by or on behalf of, or leased by a City agency. Some of the new charges have aggravated penalties for excess profit, consistent with the penalty provisions set forth in subdivisions (n) and (o) of §24-163.3. (3) The Board has revised the Air Asbestos Code Penalty Schedule found in §3-101 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to amend the description in that Penalty Schedule of the three charges for New York State Industrial Code Rule 56. The New York City Department of Environmental Protection (DEP) has authority to enforce Industrial Code Rule 56 (ICR 56) pursuant to a prior delegation by the New York State Department of Labor (NYSDOL). Effective on September 5, 2006, the NYSDOL has

promulgated extensive revisions to ICR 56, including the addition of new sections and the amendment and renumbering of previously existing sections. Accordingly, the Board has revised the current Penalty Schedule entries for ICR 56 to take into account the new revisions to ICR 56. As was the case with the current description of the charges for ICR 56 violations, the various charges as revised have been assigned to severity level 1, 2 or 3 based on the danger to health and safety of workers and to the public posed by each infraction. As with the other penalties in the Air Asbestos Code Penalty Schedule, the penalties for charges of violations of ICR 56 are designed to act as a deterrent so that contractors in the asbestos-abatement industry, which is a high-profit industry, will not regard violations merely as a cost of doing business. In the revised charges implemented by this rule, a list of the specific section numbers included within ICR 56 that correspond to the different severity levels has been added to each charge description. (4) The Board has revised the Public Pay Telephones Penalty Schedule found in §3-118 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to include a new charge and to remove a charge. The new charge, for a violation of 67 RCNY 6-05(d), is added to reflect the amendment of Title 67 of the Rules of the City of New York relating to the management of public pay telephones. This amendment became effective on March 14, 2006. The amendment establishes a new provision, §6-05(d), which mandates that public pay telephone operators fully correct any public pay telephone that is in a broken, cracked, fractured, displaced, or like condition, within a seventy-two hour period. The subsection was promulgated to compel public pay telephone operators to act promptly when a public pay telephone is damaged such that the condition of the public pay telephone may cause, or result in, physical injury to the public. Accordingly, a new charge that correlates with this new provision of Title 67 is added by this rule to the Public Pay Telephones Penalty Schedule. The penalty is commensurate with the serious nature of a violation of §6-05(d), which specifically seeks to protect the public from unsafe conditions on public pay telephones. The charge that is being removed from the Penalty Schedule is for 67 RCNY 6-05(d)(3). This charge is being removed from the Penalty Schedule because there is no paragraph (3) of subdivision (d) of §6-05 in Title 67 of the RCNY, and because the substance of the charge is subsumed by a different entry in the Penalty Schedule, namely the entry for 67 RCNY 6-05(c). (5) The Board has amended the list of subchapters that precedes the ECB Rules, which are found in Chapter 3 of Title 48 of the Rules of the City of New York. Specifically, the Board is adding to this list a reference to Subchapter G, "Penalties". Subchapter G is already included in the ECB Rules that are found in Chapter 3 of Title 48 of the Rules of the City of New York. (6) The Board has amended the Department of Parks and Recreation Rules Penalty Schedule found in §3-116 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to change the section of law set forth in the "Section/Rule" column of that Penalty Schedule that currently reads "56 RCNY 1-04(b)(1)(ii)," for "Major damage to/accidental destruction of a tree" to instead read "56 RCNY 1-04(b)(1)(i)." The reason for this change is that subparagraph (i) specifically pertains to damage to trees, whereas subparagraph (ii) is more general, pertaining to damage to "plants, flowers, shrubs or other vegetation." Because the charge in question, "Major damage to/accidental destruction of a tree," specifically relates to trees, it is appropriate that the citation be to subparagraph (i), since that subparagraph specifically pertains to trees.

3. Statement of Basis and Purpose in City Record May 4, 2007: The Environmental Control Board (ECB) had a Public Hearing on April 12, 2007, on its proposed revisions of its Penalty Schedules. The Board carefully considered the testimony at the April 12, 2007, Public Hearing (the only testimony presented at that hearing addressed §27-383) as well as the written comment received in connection with that hearing and has adopted the following revisions to the ECB Penalty Schedules: 1) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to change the penalty amounts for New York City Administrative Code §27-987, "Failure to maintain elevator," and for New York City Administrative Code §27-987 "Failure to maintain elevator-HAZARDOUS." These penalty amounts are being changed to impose higher penalties on those offenders who repeatedly violate this section of law. These higher penalties are designed to provide a deterrent to chronic elevator maintenance violations, thereby increasing compliance with elevator maintenance standards. These penalties are within the statutory minimum and maximum penalties prescribed by the New York City Administrative Code. 2) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add a new charge of a violation of §27-129 of the New York City Administrative Code. The charge is for "Failure to submit a sixth-round Technical Report: Periodic Inspection of Exterior wall and appurtenances as required by 1 RCNY 32-03." This new charge will be used to cite buildings owners

who fail to file a sixth-round architect's or engineer's technical report with the Department of Buildings. Such a report certifies the results of an examination of the premises' exterior walls and the appurtenances thereof. The report is required for buildings greater than six stories in height. The Buildings Penalty Schedule already includes charges of failure to submit second-round through fifth-round technical reports. This new charge is required because the sixth-round filing period began on February 21, 2005. This new charge is essentially identical to the existing charges except insofar as it pertains to the sixth-round technical report. 3) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add five new charges. The new charges are added in response to the enactment of Local Law Number 52 of 2005. This Local Law was enacted on May 19, 2005, and took effect on November 19, 2006. This law requires User Certificates and Certificate of Completion for supported scaffoldings at construction sites, as per §26-204.1 through §26-204.5 of the New York City Administrative Code. The law also requires a permit in connection with the erection, dismantling, repairing, maintaining or modifying a supported scaffold that is 40 feet high or more in height, pursuant to §27-1042 of the New York City Administrative Code. Enforcement of these new provisions will help to protect citizens from careless construction of supported scaffolds and the dangers associated with working on these scaffolds on construction sites. The five new charges include the following: (i) Erected, dismantled, repaired, maintained or modified supported scaffold without a Supported Scaffold Certificate of Completion issued pursuant to §26-204.3-HAZARDOUS; (ii) Knowingly permitted individual to erect, dismantle, repair, maintain or modify supported scaffold without a Supported Scaffold Certificate of Completion issued pursuant to §26-204.3-HAZARDOUS; (iii) Use of permitted supported scaffold without a Supported Scaffold User Certificate issued pursuant to §26-204.4; (iv) Knowingly allowed individual(s) to use permitted supported scaffold without a Supported Scaffold User Certificate issued pursuant to §26-204.4-HAZARDOUS; (v) Erected, dismantled, repaired, maintained or modified supported scaffold 40 feet or higher without a permit pursuant to §27-1042-HAZARDOUS. 4) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to change the penalty amounts for Administrative Code §27-147, "Demolition Work Without Required Demolition Permit." These penalty amounts are being changed to impose higher penalties because demolition work is inherently dangerous and requires close scrutiny, monitoring and supervision. This increase in penalties will help convey the seriousness of this charge, and thereby promote the safety of adjacent properties, property owners and workers at construction sites. This increase in penalties is also in keeping with recent legislation of the City Council, Intro. 132-A of 2006, which became effective on December 5, 2006, which mandated higher criminal penalties for demolition work without a permit on one-family or two-family dwellings. Regarding this charge, as to which the penalties are being increased, it should be noted that this was already a hazardous offense, but the word "HAZARDOUS" is now being adding to the charge description for further clarification of this fact. 5) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to change the penalty amounts for Administrative Code §27-195, "Failure to notify the DOB prior to the commencement of demolition work." These penalty amounts are being changed to impose higher penalties because demolition work is inherently dangerous and requires close monitoring and supervision. The notification requirement prior to the commencement of demolition is intended to enable the Department of Buildings to investigate whether demolition work is being performed according to accepted safety standards. Because demolition is inherently dangerous, the proposed increase in penalties will help promote safety during demolition, including the safety of adjacent properties, property owners, and workers at construction sites. Regarding this charge as to which the penalties are being increased, it should be noted that this was already a hazardous offense, but the word "HAZARDOUS" is now being added to the charge description for further clarification of this fact. 6) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add two new charges to enforce the provisions of §52-01(a) and (b) of Title 1 of the Rules of the City of New York. Section 52-01 was promulgated pursuant to §27-195 of the New York City Administrative Code and became effective on October 25, 2006. This Rule requires holders of earthwork permits to give notice to the Department of Buildings at least 24 hours, but not more than 48 hours, prior to the commencement of earthwork. It also requires that, in the event that earthwork is cancelled, a permit holder must notify the Department of Buildings of the cancellation not more than 24 hours prior to, but no later than the date for which the earthwork was scheduled. The rule is intended to enable the Department of Buildings to investigate whether the work is being performed according to accepted safety standards. Because earthwork is inherently dangerous, these new charges, and

the associated penalties, will help promote safety during earthwork, including the safety of adjacent properties, property owners, and workers at construction sites. 7) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add six new charges to enforce the provisions of Local Law 26 of 2004 which amends the Buildings and Fire Prevention Codes and requires owners of certain buildings to comply with new photoluminescent exit path markings (technical standards as set forth by RS 6-1), emergency power connection standards for exit and directional signs, and additional signs where the path of egress is not clear. It should be noted that the new charges for §§27-228.5, 27-383.1 and 27-384(c), set forth in §§8, 9 and 10 of this Final Rule, will not become effective until July 1, 2007. This is because July 1, 2007, is the compliance date specified for these charges, as is set forth in those sections of law, in Local Law 26 of 2004. This Local Law was adopted following the events of September 11, 2001, to aid in evacuation from buildings in the event of failure of both the power and back-up power connected to the lighting and illuminated exit/directional signs. These new requirements are critical to improvement of mass evacuations in affected buildings during emergencies or other extreme conditions. They are in addition to, or modification of existing signage and power requirements under the Building Code. 8) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add one new charge to enforce miscellaneous hazardous construction violations of the New York City Building Code. Currently a miscellaneous charge exists for non-hazardous construction violations. Inspectors presently are compelled to use this miscellaneous charge even when the miscellaneous violation is deemed hazardous, resulting in penalties that are not commensurate with a hazardous designation. This new charge, with its enhanced penalties, will allow for a more effective enforcement of the Building Code. 9) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to change the penalty amounts for Administrative Code §26-118, "Failure to comply with a Stop Work Order." Stop Work Orders are issued by the Department of Buildings when a Department of Buildings Inspector determines that building work is being executed in a dangerous or unsafe manner and in violation of a provision of any law, rule or regulation enforceable by the Department of Buildings. The continuance of such work may pose an imminent hazard and jeopardize public safety. The penalty amounts for this charge are being changed to impose higher penalties in order to discourage dangerous and unsafe work. These higher penalties are in keeping with recent legislation within the City Council (specifically, Intro. 216-A of 2006, which became effective on December 5, 2006), mandating higher penalties payable to the Department of Buildings before a Stop Work Order may be lifted. In addition, the new Local Law mandates new criminal fines for violating a Stop Work Order. The ECB penalties are in addition to these new mandated penalties, and are being increased in recognition of the serious nature of such violation. Regarding this charge, as to which the penalties are being increased, it should be noted that this was already a hazardous offense, but the word "HAZARDOUS" is now being added to the charge description for further clarification of this fact.

4. Statement of Basis and Purpose in City Record Aug. 16, 2007: The Environmental Control Board (ECB) had a Public Hearing on July 19, 2007, on proposed revisions of its Penalty Schedules. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB Buildings Penalty Schedules. 1) The Board has revised the Buildings Penalty Schedule set forth in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to change the penalty amounts and violation descriptions for two charges of violations of §26-172, namely, 26-172, "Supervision/use of rigging equipment without a master rigger's license," and §26-172, "Supervision/use of rigging equipment without a special rigger's license." The descriptions for those two charges have been revised to add the word "HAZARDOUS" to the descriptions. Regarding these charges, as to which the penalties are being increased, it should be noted that these were already hazardous offenses, but the word "HAZARDOUS" has now been added to the violation descriptions for further clarification of this fact. These new higher penalties are mandated by Administrative Code §26-181.1, which was enacted pursuant to Local Law 18 of 2007, effective on July 16, 2007. It should be noted that these higher penalties are set as flat penalties by §26-181.1. However, solely for the convenience of the public, ECB is including these flat penalties in the Penalty Schedules set forth in Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive. 2) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add two new charges relating to bond requirements and workers' compensation requirements relating to riggers licenses. Specifically, one of these two new charges is for

violations of Administrative Code §26-178, "Failed to obtain or maintain a bond and/or insurance as required-HAZARDOUS." The other of the two new charges is for violations of Administrative Code §26-179, "Failed to obtain and/or maintain workers' comp. ins. as required by law-HAZARDOUS." These two new charges have been added in light of the enactment of Administrative Code §26-181.1, which was enacted pursuant to Local Law 18 of 2007, effective July 16, 2007, which sets new flat penalties for violations of these two Sections of the Administrative Code. The penalties for this part of subdivision (b) of §27-1045, as set forth in this proposed rule, reflect the new flat penalties for these charges as established by that local law. Solely for the convenience of the public, ECB is including these flat penalties in the Penalty Schedules set forth in Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive. 3) The Board has revised the Buildings Penalty Schedule set forth in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add one new charge for §26-181.1 of the Administrative Code, "Lic. Rigger failed to ensure Susp. Scaff. workers have valid Cert. of Fitness on site-HAZARDOUS." This new charge for violations of §26-181.1 has been added in response to the enactment of Local Law Number 18 of 2007, effective July 16, 2007, which added §26-181.1 to Chapter 1 of Title 26 of the Administrative Code. That Local Law also sets flat penalties for violations of §26-181.1. The penalties for this part of subdivision (b) of §27-1045, as set forth in this proposed rule, reflect the new flat penalties for this charge. Solely for the convenience of the public, ECB is including these flat penalties in the Penalty Schedules set forth in Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive. 4) The Board has revised the Buildings Penalty Schedule set forth in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add two new charges relating to Administrative Code §27-1045. One of the two new charges is for violation of one part of subdivision (b) of Administrative Code §27-1045, namely, the new charge: "No record of daily insp. of Susp. Scaff. performed by authorized person at site-HAZARDOUS." This new charge has been added in response to the enactment of Local Law Number 16 of 2007, and Local Law Number 18 of 2007, both effective July 16, 2007. Local Law 16 of 2007 amended subdivision (b) of Administrative Code §27-1045 to require that a record of daily inspections of suspended scaffolds be kept at the job site and be readily available upon request. Local Law 18 of 2007 set new, flat penalties for violations of this part of subdivision (b) of §27-1045. The penalties set forth in this proposed rule for this part of subdivision (b) of §27-1045 reflect the new flat penalties for this charge. Solely for the convenience of the public, ECB is including these flat penalties in the Penalty Schedules set forth in Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive. The other of the two new charges is for violation of the remaining provisions of §27-1045, namely, the new charge "Failed to perform safe/proper ins./install./maint./operation of Susp. Scaff.-HAZARDOUS." This new charge for violations of those provisions of §27-1045 has been added in recognition of the need to increase safety in the use of suspended scaffolds and related rigging equipment. The penalties for this charge will ensure greater accountability on the part of licensed rigging personnel in managing construction sites and worker safety. These penalties are within the minimum and maximum penalties allowed for such charges by Administrative Code §26-126.1. 5) The Board has revised the Buildings Penalty Schedule set forth in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add one new charge for §27-1050.1 of the Administrative Code, "Failed to notify Dept. prior to use/inst. of C-hooks/outrigger beams in connection with Susp. Scaff.-HAZARDOUS." This new charge has been added in response to the enactment of Local Law Number 17 of 2007, effective July 16, 2007, which added §27-1050.1 to Chapter 1 of Title 27 of the Administrative Code. That Local Law also sets flat penalties for violation of §27-1050.1, which are reflected in the penalties for violation of §27-1050.1 set forth in this proposed rule. Solely for the convenience of the public, ECB is including these flat penalties in the Penalty Schedules set forth in Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive.

5. Statement of Basis and Purpose in City Record Jan. 28, 2008: The Environmental Control Board (ECB) had a Public Hearing on January 10, 2008, on proposed revisions of its Penalty Schedules. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB's Penalty Schedules as set forth above. 1) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add a charge for a new section of law, namely, Administrative Code §27-118.1(b), which relates to illegal conversions of industrial and manufacturing occupancies to residential use, and to

add an associated daily penalty provision under Administrative Code §26-126.1(f). This new material is being added to the Buildings Penalty Schedule in light of the enactment of Local Law 37 of 2007, which became effective on November 1, 2007, to enforce the provisions of that Local Law. That Local Law, inter alia, added §27-118.1(b) and a new daily civil penalty provision under 26-126.1(f). 2) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to amend the current entries in that Penalty Schedule for Administrative Code §27-118.1. Specifically, the Board has revised the descriptions of the two current entries for §27-118.1-one entry for first and second offenses, and the other entry for third offenses-in order to add a citation to subdivision (a). These revisions were made in response to the enactment of Local Law 37 of 2007. In addition, the Board has revised the charge descriptions for those two current entries, for clarity, by adding the word "HAZARDOUS" to the two charge descriptions. Those charges were already hazardous offenses, but the word "HAZARDOUS" has been added to the charge descriptions for further clarification. Similarly, the Board has revised the two current entries in the Buildings Penalty Schedule for Administrative Code §26-126.1(e)(i)-one entry for first and second offenses, and the other entry for third offenses-in order to clarify the charge descriptions. These clarifications include adding the word "HAZARDOUS" to the two charge descriptions. Those charges were already hazardous offenses, but the word "HAZARDOUS" has been added to the charge descriptions for further clarification. In addition, the Board has corrected one of the current entries for §26-126.1(e)(i)-the entry for third offenses-to read §26-126.1(e)(ii). 3) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add two new charges, for violations of §1 RCNY 50-01(a)(5) and 1 RCNY 50-01(a)(9). These two new charges are being added to implement the addition, effective on December 3, 2007, of a new Chapter 50 to Title 1 of the Rules of the City of New York, entitled "Distributed Energy Resource Standards". The new Chapter 50 was promulgated to provide installation standards for microturbines in New York City buildings. These microturbine systems increase low pressure natural gas (of between 2 and 3 pounds per square inch) to a high pressure (of over 60 pounds per square inch) to drive a turbine which results in the generation of electricity. The Rule was enacted in order to regulate these microturbine systems. The two new charges have been added to the Buildings Penalty Schedule to enforce the provisions of 1 RCNY §50-01, which is included within the new Chapter 50. Section 50-01 regulates the installation of High-Pressure Gas-Fired Microturbine systems. 4) The Board has revised the Recycling-Sanitation Collection Rules Penalty Schedule found in §3-120 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York in order to make certain numbering changes relating to the charges for violation of 16 RCNY 1-08(h)(3), "Non-recyclables left in recycling container for Collection," and 16 RCNY 1-08(h)(4), "Recyclables placed for collection with non-recyclables." These changes were made to reflect the fact that those subdivisions of §1-08 of Title 16 of the Rules of the City of New York were renumbered by the Department of Sanitation, effective June 14, 2007.

6. Statement of Basis and Purpose in City Record May 19, 2008: The Environmental Control Board (ECB) held a Public Hearing on April 14, 2008, on proposed revisions of its Penalty Schedules. This Public Hearing was held jointly with the Department of Buildings, which presented its proposed rules implementing the new Building Code. The Board carefully considered the oral and written comments from the public submitted at the April 14, 2008 Public Hearing with regard to the proposed revisions of its Penalty Schedules. After evaluating the various points presented, the Board determined that no substantive revision to the proposed rule was warranted. 1) The Board has revised the "Buildings Penalty Schedule" found in Section 31-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add an additional Buildings Penalty Schedule (designated as "Buildings Penalty Schedule II") to reflect the enactment of new Construction Codes, and the simultaneous repeal of substantial portions of the current Buildings Code. Buildings Penalty Schedule II will apply to all ECB Notices of Violation issued by the Department of Buildings with a date of occurrence on or after July 1, 2008. The existing Penalty Schedule (designated as "Buildings Penalty Schedule I") will be retained and will apply to all Notices of Violation issued by the Department of Buildings with a date of occurrence on or before June 30, 2008. The new Construction Codes were enacted pursuant to the provisions of Local Law 33 of 2007 and Local Law 99 of 2005. Local Law 33 of 2007 sets forth administrative, enforcement and technical provisions for the City's new Construction Codes. It has revised and thus complements Local Law 99 of 2005, which enacted administrative provisions of a new Title 28 of the NYC Administrative Code, as well as a new plumbing code. Local Law 33 repealed all of Chapter 1 of Title 26 of the NYC Administrative Code, and many of the provisions

of Title 27 of the NYC Administrative Code, effective July 1, 2008. In view of the enactment of the new Construction Codes, the Board has implemented Buildings Penalty Schedules I and II to reflect the changes in the law. On July 1, 2007, the new Construction Codes will become effective in New York City. The enactment of the new Construction Codes provides for improved building safety, enhanced enforcement tools, opportunities for construction cost savings, and incentives for innovative and sustainable building in New York City. The new Construction Codes consist of the New York City Plumbing Code (PC), the New York City Building Code (BC), the New York City Mechanical Code (MC) and the New York City Fuel Gas Code (FGC). In Title 28 of the NYC Administrative Code are found the administration and enforcement provisions that are applicable to both the new Construction Codes, and to the continuing provisions of the pre-existing Building Code. Those provisions of title 27 that continue to be in effect (primarily for existing buildings) have now been retitled the "1968 Building Code." The new Construction Codes will apply prospectively to all new construction, with some exceptions. For example, for a period of one year after the effective date, owners may elect to use the technical requirements of the 1968 building code, rather than the technical requirements of the new Construction Codes, for new buildings and for applications for alteration of existing buildings. In addition, after that one-year period, alterations of existing buildings will in some circumstances, at the option of the owner, be permitted to comply with the 1968 Building Code. Even if an existing building (or in some cases, a new or altered building) continues to be governed by the provisions of the 1968 Building Code, rather than by the provisions of the new Construction Codes, the **enforcement** provisions of Title 28 of the NYC Administrative Code will nonetheless apply in connection with those buildings. Title 28 includes, among other provisions, the various penalty structure requirements for violations of these codes. Accordingly, even in connection with the continuing provisions of the 1968 Buildings Code, Buildings Penalty Schedule II will apply in connection with ECB Notices of Violations issued on or after July 1, 2008. Buildings Penalty Schedule II includes charges from Title 28; the new Construction Codes; the Rules of the Department of Buildings; the Zoning Resolution; and charges that reflect the various continuing provisions of the 1968 Building Code. The penalties in Buildings Penalty Schedule II are based on the penalty provision requirements of Title 28. The Department of Buildings, pursuant to Chapter 2 of Title 28, will also promulgate Rules in order to implement the provisions of Title 28 and the new Construction Codes. The Department of Buildings rules will include the same charge descriptions and classification levels as are included in Buildings Penalty Schedule II, although without including the penalties themselves. The reason for this replication in DOB's Rule of these portions of Buildings Penalty Schedule II is that the Department of Buildings is mandated by Title 28 to set forth in a rule the classification level for every charge. Specifically, as mandated by Section 28-201.2 of the NYC Administrative Code, the Department of Buildings must indicate in its rules whether a charge has a classification level of "lesser" (Class 3), "major" (Class 2), or "immediately hazardous" (Class 1). These classifications are based on "the effect of the violation on life, health, safety or the public interest or the necessity for economic disincentive." The classification level assigned to a particular charge determines the applicable statutory penalty range, as well as compliance requirements. The Rule proposed by the Department of Buildings indicates that these classifications of "lesser," "major," and "immediately hazardous" shall be denominated as Class 1, Class 2, and Class 3, respectively. Therefore, Buildings Penalty Schedule II reflects this terminology. Buildings Penalty Schedule II allows respondents the opportunity to "cure" and so to obtain a zero penalty in connection with all violations classified as Class 3 violations, as well as in connection with some violations classified as Class 2 violations, if an acceptable Certificate of Correction is filed in a timely manner with the Department of Buildings in accordance with its Rules. This provision for cures is based upon the provisions of Section 28-204.2 of the NYC Administrative Code, which provides that no civil penalty shall be imposed for violations that are classified as Lesser (Class 3) violations if those violations are corrected and an acceptable Certificate of Correction is timely filed, within thirty days, with the Department of Buildings. Section 28-204.2 further provides that such a violation later may serve as a predicate for purposes of assessing aggravating factors attributable to multiple offenses. In addition to reflecting these statutorily-mandated requirements, the Buildings Penalty Schedule II provides additional time for correction in connection with cures, in that cures are permitted within forty days, rather than the statutorily-mandated thirty days, in order to allow for practical processing-time considerations. Additionally, the Buildings Penalty Schedule II allows for such cures, with a zero penalty, in connection with certain violations that are classified as Class 2, as well as in connection with violations that are classified as Class 3. The zero penalty is consistent with the statutory range set out for Major (Class 2) violations that is set forth in Section 28-202.1. Buildings Penalty Schedule II also reflects the fact that in some cases, the Department of Buildings may offer a stipulation to a respondent in connection with certain

types of charges. Stipulation offers are made by the Department of Buildings consistent with its Rules, found in Title 1 of the Rules of the City of New York. Buildings Penalty Schedule II indicates which violations are potentially eligible for such a stipulation offer. Regarding charges that pertain to Certificates of Occupancy issued by the Department of Buildings, Section 28-201.2.1 provides that violations for "occupancy without a required certificate of occupancy" shall be classified as an "immediately hazardous" (Class 1) violation. The Department of Buildings interprets that provision to mean that a violation for occupancy without a required Certificate of Occupancy is an "immediately hazardous" (Class 1) violation **only** in cases involving a new building that has never had a Certificate of Occupancy. In all other cases, a violation for occupancy contrary to the Certificate of Occupancy may be written as an "immediately hazardous" (Class 1), "major" (Class 2), or "lesser" (Class 3) violation.

7. Statement of Basis and Purpose in City Record Apr. 2, 2009: The Environmental Control Board (ECB) had a Public Hearing on August 25, 2008 on proposed revisions of its Buildings Penalty Schedule II. Neither written material nor testimony was presented at the Public Hearing on the Proposed revisions to the ECB's Penalty Schedules as set forth above. 1) The Environmental Control Board has added two new charges to Buildings Penalty Schedule II, found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, to enforce the notification provisions of the New York City Construction Codes, and specifically, to enforce the provisions of Chapter 33 of the new Building Code. The two new charges are to enforce Building Code (BC) §3301.8 and Building Code §3310.8.2. Section 3301.8 requires that "[t]he department shall be notified promptly, in accordance with the circumstances, of all accidents at construction or demolition sites." Section 3310.8.2 outlines certain conditions for which, during the routine performance of his/her job, the Site Safety Manager and/or Coordinator must immediately notify the department. These conditions include unsafe or unlicensed crane operations and accidents involving the public, or private or public property. The addition of these two new charges to the Buildings Penalty Schedule II will assist in ensuring that the construction industry promptly reports conditions, incidents or accidents that affect the safety of the public and/or construction personnel. The Buildings Department has amended §100-21 of Subchapter B of Title 1 of the Rules of the City of New York in order to include the same charge descriptions and classification levels for §§3301.8 and 3310.8.2, although without including the penalties themselves. The reason for this replication in DOB's Rule of these portions of Buildings Penalty Schedule II is that the Department of Buildings is mandated by Title 28 to set forth in a rule the classification level for every charge. Specifically, as mandated by §28-201.2 of the NYC Administrative Code, the Department of Buildings must indicate in its rules whether a charge has a classification level of "lesser" (Class 3), "major" (Class 2), or "immediately hazardous" (Class 1). 2) The Environmental Control Board also added another new charge to Buildings Penalty Schedule II, found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, to enforce a provision of Title 28 of the New York City Administrative Code. The charge is for a Class 1 ("Immediately Hazardous") violation of §28-105.12.2, "Work does not conform to approved construction documents and/or approved amendments." The reason for adding this Class 1 charge is to enforce against work being conducted which does not conform to approved construction documents (such as plans) or amendments to these documents. The existing Buildings Penalty Schedule II only includes Class 2 and Class 3 Severity Level Classifications for this charge. The addition of a Class 1 (Immediately Hazardous) option will allow the Department of Buildings to write NOVs for the most hazardous violations as Class 1 violations. The Buildings Department has amended §100-21 of Subchapter B of Title 1 of the Rules of the City of New York to include the same charge description and classification level for §28-105.12.2. As stated above, the reason for the replication in DOB's Rule of that portion of ECB's Buildings Penalty Schedule II is that the Department of Buildings is mandated by Title 28 to set forth in a Rule the classification level for every charge. Specifically, as mandated by §28-201.2 of the NYC Administrative Code, the Department of Buildings must indicate in its rules whether a charge has a classification level of "lesser" (Class 3), "major" (Class 2), or "immediately hazardous" (Class 1). 3) The Environmental Control Board as revised four charges in Buildings Penalty Schedule II found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. (a) The first revision is to the charge for Section BC 1016.2, in order to add a "yes" in the "Cure" column, which was inadvertently omitted when the Penalty Schedule II was first promulgated; (b) The second revision is to the charge for BC 3010.1 & 27-1006, Class 1 charge, to correct the Aggravated II maximum default penalty, from $10,000 to $25,000. This higher penalty is the statutory maximum penalty, and is consistent with the maximum Aggravated II default penalty that is imposed for all Class 1 charges in the Buildings Penalty Schedule II. The change corrects a ministerial error in the

original promulgation of that Penalty Schedule; (c) The third revision is to the charge for §28-210.1, Class 1, to amend the description for that charge to now read "Residence altered for occupancy as a dwelling from 1 or 2 families to 4 or more families." This amended text will better reflect the text of the statute regarding a Class 1 illegal conversion; (d) The fourth revision is to the charge for §28-202.1, Class 1, to amend the description for that charge to now read "Additional daily penalty for Class 1 violation of 28-210.1 - 1 or 2 families converted to 4 or more families." This amended text will better reflect the text of the statute regarding daily penalties for Class 1 illegal conversions. The Buildings Department has amended §100-21 of Subchapter B of Title 1 of the Rules of the City of New York to make the same revisions to the charge descriptions for §§28-210.1 and 28-202.1, as are described in (c) and (d) above.

8. Statement of Basis and Purpose in City Record Apr. 2, 2009: The Environmental Control Board had a Public Hearing on November 6, 2008 on proposed rule revisions to its Buildings Penalty Schedule. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECHB's Penalty Schedule as set forth above. As described below, the Environmental Control Board has added various amendments and additions to charges in Buildings Penalty II, found in Title 48 of the Rules of the City of New York (RCNY). Buildings Penalty Schedule II is found in Title 48 in view of the fact that as of November 23, 2008, ECB has been consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law 35 of 2008. Title 48 of the RCNY includes OATH's rules. Accordingly, this final rule, which amends Buildings Penalty Schedule II, amends Buildings Penalty Schedule II as found within Chapter 3 of Title 48. It should be noted that with regard to all new and amended violations in this rule, the classifications (but not the penalties) are established by the Department of Buildings by a separate rule of that Department. This is because, pursuant to §28-201.2 of the NYC Administrative Code, the Commissioner of the Department of Buildings is required to promulgate rules classifying all violations enforced by the Department as Immediately Hazardous (Class 1), or as Major (Class 2), or as Lesser (Class 3). Those violation classifications are then incorporated into ECB's Penalty Schedules. **Housekeeping Violations:** The Board has added three additional charges for violations of Building Code §3303.4, to Buildings Penalty Schedule II. Section 3303.4 pertains to "housekeeping" at construction sites. This is in view of the enactment of Local law 34 of 2008, which took effect on August 12, 2008. That law amended §28-201.2.1 of the NYC Administrative Code so as to classify violations of subsections 3303.4.5 and 3303.4.6 as "Immediately Hazardous" (Class 1). Therefore, the Board has added a charging provisions for those subsections. In addition, the Board has added a new Class 1 general housekeeping violation (not specific to a particular subsection), which will be in addition to the already existing general Class 2 violation. **Concrete Safety Managers:** The Board has added a Class 1 charge for a violation of Building Code §3310.9.1, "No Concrete Safety Manager present during all concrete operations as required," to Buildings Penalty Schedule II. This is in view of the enactment of Local Law 40 of 2008, which takes effect on January 1, 2009. That Local Law adds a new section, BC 3310.9, to the Building Code, requiring additional personnel to oversee concrete operations at major buildings under construction, and requiring a Concrete Safety Manager on construction sites where a minimum of 2,000 cubic yards of concrete is to be poured. Accordingly, the Board has added a new charge to implement this new provision of law. Local Law 40 takes effect on January 1, 2009. **Supported scaffolds:** The Board has deleted the Class 2 charges for Building Code §§3314.4.5 and 3314.4.6, both of which pertain to supported-scaffolds, from Buildings Penalty Schedule II. This is in view of the enactment of Local Law 24 of 2008, which took effect on July 1, 2008. That law amended §28-201.2.1 so as to require that all violations of §§3314.4.5 and 3314.4.6 be classified as Class 1 (Immediately Hazardous). Accordingly, the Board has deleted the Class 2 charges for those sections. Additionally, the Board has amended the two remaining (Class 1) charges for §§3314.4.5 and 3314.4.6 so as to delete the additional Section numbers, 26-204.1(a) and 26,204(c), that are also listed in those charges. The reason the Board has deleted the references to §§26-204.1(a) and 26-204(c) is that the references to those sections were included in error in the initial promulgation of Buildings Penalty Schedule II. **Site safety:** The Board as added two new charges to Buildings Penalty Schedule II for violations of Administrative Code §28-110.1, namely, "Failure to provide evidence of workers attending construction & safety course," and "Failure to conduct workers' site-specific safety orientation program per site safety plan." This is in view of the enactment of Local Law 41 of 2008, which takes effect on December 2, 2008. That law amends §28-110.1 to add two new provisions that require that workers complete site safety courses, and that require Site Safety Plans to include mandatory site-specific Safety Orientation Programs. Accordingly, the Board has added two new charges to implement

these new provisions of §28-110.1 Local Law 41 takes effect on December 2, 2008. **Unlicensed activity:** The Board has deleted the Class 2 level charge for Administrative Code §28-405.1, "Supervision or use of power-operated hoisting machine without a Hoisting Machine Operator's License," from Buildings Penalty Schedule II. There is already a Class 1 charge for that violation in the Penalty Schedule. The Board has amended the charge for Administrative Code §28-408.1, "Performing unlicensed plumbing work without a master plumbing license," from a Class 2 charge to a Class 1 charge. The Board has also added a new Class 1 miscellaneous charge, "Illegally engaging in any business or occupation without a required license or other authorization," for Chapter 4 of Title 28 of the Administrative Code. The Board has proposed these various amendments and additions to Buildings Penalty Schedule II in view of the enactment of Local Law 08 of 2008, which took effect on July 1, 2008. That law amended Administrative Code §28-201.2.1 to require that a violation be classified as Class 1 where the violation is of any provision of Chapter 4 of Title 28 of the Administrative Code, for engaging in any business or occupation without a required license or other authorization. **Sidewalk sheds:** The Board has added a new Class 2 charge for a violation of Building Code §3307.3.1 & Administrative Code §27-1021(a), "Failure to provide sidewalk shed where required." There is already a Class 1 charge for this section. The Board has added a Class 2 classification in view of the fact that a Class 2 severity level may be warranted under some circumstances. **Failure to post permit for work at premises:** The Board has added a charge for a violation of Administrative Code §28-105.11, for failure to post permit for work at premises, to enable effective enforcement of this section of law. **Required Means of egress; Location of exhaust discharge:** The Board has added two new charges for failure-to-maintain in violation of Administrative Code §28-301.1: (1) respondent failed to provide the required number of means of egress for every floor, and (2) respondent improperly located an exhaust discharge. These charges have been added to enable effective enforcement with regard to these conditions. **Zoning Resolution 22-00:** The Board has added a new Class 3 charge for illegal use in a residential district in violation of §22-00 of the Zoning Resolution. This charge has been added in view of the fact that there is already a Class 3 charge in Buildings Penalty Schedule II for violations of ZR 25-41, which pertains to parking restrictions, and in view of the fact that ZR 22-00 is also at times cited in connection with violations pertaining to parking restrictions. **Material false statements in Certificate of Correction:** The Board has added a new charge for filing a false certificate of correction pursuant to Administrative Code §28-211.1, which makes it a violation to make a material false statement in various documents, including certificates of corrections. Buildings Penalty Schedule II already contains a general charge under §28-211.1; however, the Board has added this more specific charge, due to the frequency of issuance of violations in connection with certificates of correction, in particular. **Failure to comply with an order of the Commissioner:** The Board has added a new charge for failing to comply with an order of the Commissioner of the Department of Buildings in violation of Administrative Code §28-201.1. Buildings Penalty Schedule II already includes a charge for failure to comply with a Stop Work Order, and a charge for not filing a certificate of correction. However, this newly added charge will enable enforcement in connection with all other instances of failure to comply with a Commissioner's order.

9. Statement of Basis and Purpose in City Record May 14, 2009: The Environmental Control Board (ECB) had a Public Hearing on April 15, 2009 on various amendments to ECB's Buildings Penalty Schedule II, found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. One private citizen was present to offer testimony into the public record. No written comments were submitted. The Board has considered the testimony offered at the hearing. The Board has added eight crane-related charges to that Penalty Schedule. The Board has amended the Penalty Schedule in light of the enactment of Local Law 46 of 2008, effective December 22, 2008. Local Law 46 of 2008 added new sections to the NYC Building Code and amended sections of the NYC Administrative Code. Specifically, it added §§3319.8 through 3319.8.8 to the Building Code, and it amended §§28-201.2.1 and 28-401.19.4.1 of the NYC Administrative Code. These sections require the submission of a plan for the erection, jumping, climbing and dismantling tower or climber cranes to the Department of Buildings, and detail the items that must be included in such a plan. The sections further require certain meetings at construction sites, including safety coordination and pre-jump safety meetings, specify the topics of such meetings, and require that the Department to be notified of those meetings. The sections also require an engineer to inspect and certify a tower or climber crane prior to jumping or climbing, impose new standards during erection, jumping, climbing and dismantling operations, and require preparation and maintenance of certain schedules and logs. The Board has added these eight crane-related charges to ECB's Buildings Penalty Schedule II to enforce the provisions of Local Law 46 of 2008. All of the charges have a Class 1

("Immediately Hazardous") classification level due to the seriousness of the nature of the violations (unsafe crane operations). The Department of Buildings (DOB) has already classified these eight crane charges as Class 1. As set forth in §28-201.1 of the NYC Administrative Code, it is within DOB's purview to determine the classification of all charges enforced by DOB.

10. Statement of Basis and Purpose in City Record July 2, 2009: The Environmental Control Board (ECB) held a Public Hearing on May 14, 2009 on various amendments to ECB's Penalty Schedule II, found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. Neither written comments nor any oral testimony were presented. (1) The Board has added two new charges for potentially compromised buildings and structures in light of the enactment of Local Law 33 of 2008, effective February 9, 2009. That law created a new class of potentially compromised buildings and structures and imposed notification and inspection requirements on owners of such buildings. The law added §28-216.12 to the NYC Administrative Code, which defines a potentially compromised building or structure as "a building or structure that has had an open roof for sixty days or longer, that has been shored and braced or repaired pursuant to an emergency declaration issued by the commissioner, that has been subject to a precept as a compromised structure under Article 216 of this code or that may have suffered structural damage by fire or other cause as determined by the commissioner." Section 28-216.12.1 requires that the owner of such buildings or structures shall cause a structural inspection to be performed within 60 days from the date that such building becomes potentially compromised and file a report within 30 days thereafter, with details and provisions of periodic monitoring, as outlined by the commissioner. The Board has added two charges regarding compromised buildings to ECB's Buildings Penalty Schedule II to enforce the provisions of Local Law 33 of 2008. The §28-212.16.1 charge ("Failure to submit required report of inspection of potentially compromised buildings") has a Class 2 (Major Violation) classification level and the §28-216.12.6 charge ("Failure to immediately notify Department that building or structure has become potentially compromised") has a Class 1 ("Immediately Hazardous") classification level. DOB has already classified these two charges in a DOB rule published in the City Record on April 2, 2009. As set forth in §28-201.1 of the NYC Administrative Code, it is within DOB's purview to determine the classification of all charges enforced by DOB. (2) The Board has added three new retaining wall charges to implement three new sections of law added to the Administrative Code by Local Law 37 of 2008, effective February 9, 2009, namely §§28-305.4, 28-305.4.6, and 28-305.4.7.3. Section 28-305.4 includes provisions that detail requirements regarding the inspection, maintenance and repair of retaining walls. Owners of retaining walls with a height of ten feet or more and fronting a public right-of-way must comply with the requirements of §28-305.4. This section requires that after a condition assessment, which must be completed at least once every five years, is complete, a report of condition assessment shall be submitted to the Department of Buildings. According to this provision, "the report shall clearly document the condition of the retaining wall and shall include a record of all significant deterioration, potentially unsafe conditions of the wall or affecting the wall, and movement observed. The report must be certified by the registered design professional." Section 28-305.4.6 requires that "[w]henever the registered design professional under whose supervision the inspection is performed learns of an unsafe condition through a condition assessment of a retaining wall, such person shall notify the owner and the department of such condition immediately by calling 311 and by written notification to the department." Section 28-305.4.7.3 requires that the owner or the owner's agent "reinspect the retaining wall and file an amended report within two weeks after the repairs have been completed certifying that the unsafe conditions of the retaining wall have been corrected." Unmaintained retaining walls can constitute a serious threat to public safety. The Board has added these three retaining wall charges to ECB's Buildings Penalty Schedule II to enforce the provisions of Local Law 37 of 2008. The §28-305.4.4 charge ("Failure to submit required report of condition assessment of retaining wall") and the §28-305.4.7.3 charge ("Failure to file an amended condition assessment acceptable to this Department indicating correction of unsafe conditions") has a Class 2 ("Major") level. The §28-305.4.6 charge ("Failure to immediately notify Department of unsafe condition observed during condition assessment of retaining wall") has a Class 1 ("Immediately Hazardous") level. DOB has classified these two charges in a DOB rule published in the City Record on April 2, 2009. As set forth in §28-201.1 of the NYC Administrative Code, it is within DOB's purview to determine the classification of all charges enforced by DOB.

11. Statement of Basis and Purpose in City Record Dec. 23, 2009: The Environmental Control Board (ECB) held a

Public Hearing on August 6, 2009 on various amendments to ECB's Buildings Penalty Schedule II, found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. Neither written comments nor oral testimony were presented. Specifically, the Board has amended the definition of "Aggravated Penalties of the second order ("Agg II")". The purpose of this amendment is to add to the Aggravated II definition, conditions that pose significant potential risks of accidents, serious injuries or fatalities but may not have resulted in such accidents, serious injuries or fatalities. The Department of Buildings has amended §102-02(f)(2) of Subchapter B of Title of the Rules of the City of New York, to reflect the underlined language in the definition of Aggravated penalties of the second order set forth in section 1 above. The Board has also amended the Class 1 (Work without a Permit) charge promulgated pursuant to §28-105.1 of the New York City Administrative Code by permitting imposition of a mitigated penalty after a hearing. Mitigation after hearing would provide an incentive to respondents who are not contesting the cited condition(s) to correct the condition(s) promptly. Mitigation allows an ECB hearing officer to impose one half the standard penalty following a hearing, if the respondent demonstrates correction of the condition(s) indicated on the notice of violation prior to the original hearing date. In §§3, 4 and 5 the Board has added eight new charges to ECB's Buildings Penalty Schedule II, found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to enforce various regulations regarding sign hangers, as set forth in Article 415 of Title 28 of the New York City Administrative Code and in other applicable sections of the Administrative Code and of the New York City Zoning Resolution, and outdoor advertising companies, as found in Article 502 of Title 28 of the Administrative Code. These charges are as follows:

· 28-105.12.1: Outdoor sign permit application contrary to Code and ZR requirements

· 28-415.1: Hoisting, lowering, hanging, or attaching of outdoor sign not performed or supervised by a properly licensed sign hanger

· Misc Title 28/Misc ZR: Misc outdoor sign violation of ZR and/or Building Code (Class 1) and

· Misc Title 28/Misc ZR: Misc outdoor sign violation of ZR and/or Building Code (Class 2)

· 28-502.2: Outdoor Advertising Company engaged in outdoor advertising business without a valid registration (Class 1)

· 28-502.2.1: Outdoor Ad. Co. failed to submit complete/accurate information as prescribed in 1 RCNY Chapter 49 (Class 1)

· 28-502.2.2: Outdoor Advertising Company failed to post, renew or replenish bond or other form of security (Class 1)

· 28-502.5: Outdoor Advertising Company failed to post required information at sign location (Class 1)

The addition of these eight new charges to ECB's Buildings Penalty Schedule II will enhance the Department of Buildings' enforcement efforts against illegal sign hanging and outdoor advertising activity. The proposed penalties reflect the range of penalties set forth within the statute. The Department of Buildings is amending §102-01 of Subchapter B of Title 1 of the Rules of the City of New York to be consistent with these changes.

In §6 the Board has added one new charge to ECB's Buildings Penalty Schedule II, found in §3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, to enforce Article 502 of Title 28 of the New York City Administrative Code and Chapter 49 of Title 1 of the Rules of the City of New York relating to Outdoor Advertising Companies. This charge is as follows:

· 1 RCNY 49-03: Outdoor Advertising Company failed to comply with Commissioner's sign-related Order (Class 1)

The addition of this new charge will enhance the Department of Buildings' efforts to enforce effectively its existing laws related to outdoor advertising companies. The proposed penalties reflect the range of penalties set forth within the statute. The Department of Buildings is amending §102-01 of Subchapter B of Title 1 of the Rules of the City of New York to be consistent with these changes.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within

ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

COMMUNITY RIGHT-TO-KNOW LAW

Table of Violations-Mitigating and Aggravating Factors

Note: All additions and subtractions are cumulative, except that factors J and K cannot be applied together, and factors A, B, and L may only be applied when at least one aggravating factor is also present (i.e., they cannot be used to reduce the penalty to less than the legal minimum).

Note: Where the application of multiple aggravating factors would cause the legal maximum penalty to be exceeded, the legal maximum penalty (same as the default penalty) shall be imposed.

EHS = Extremely Hazardous Substance (as defined in §24-702(h))

ASubtract $1750 for compliance by first hearing date.

BSubtract $3750 for compliance by first hearing date. CAdd $250 if there are any EHS stored at the facility. DAdd $1750 if there are any EHS stored at the facility. EAdd $3750 if there are any EHS stored at the facility. FAdd $100 for each unlabeled non-EHS hazardous substance more than one; add $2000 for each unlabeled EHS. GAdd $1000 if there are 25 or more hazardous substances stored at the facility; add $5000 if there are more than 50 hazardous substances stored at the facility or if any EHS are stored at the facility. NOTE: This factor may only be applied until the legal maximum penalty has been reached. HAdd $5000 for willful refusal to allow access to the facility, or physical interference with or obstruction of the inspection. IAdd $1000 if there was an emergency response to the facility. JAdd $2500 if there was a release of a hazardous substance at the facility. KAdd $4500 if release of a hazardous substance at the facility resulted in injury to any person, or injury to plant or animal life, or damage to property or business. LSubtract $250 where the existence of the violation was voluntarily disclosed to DEP by respondent.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31

§§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City

Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental

Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER G*7 PENALTIES

§3-106 Fire Penalty Schedule.

FIRE PENALTY SCHEDULE

Fire Penalty Schedule I: Effective For Notices of Violation With a Date of Occurrence On or Before June 30, 2008:

The Penalty Schedule set forth below, Fire Penalty Schedule I, sets forth the penalties that will be imposed in connection with Notices of Violation with a date of occurrence on or before June 30, 2008.

All Rules cited below are found in Section 16-03 of Title 3 of the Rules of the City of New York. All citations preceded by "A.C." are citations to the NYC Administrative Code.

The mitigated (MIT.) penalty is available if the condition is corrected as of the original hearing date. (A stipulation is available in some cases at the mitigated penalty if there is concurrence by the Fire Department, and good faith efforts to correct have commenced as of the original hearing date.)

A second or subsequent violation is a violation by the same respondent of the same provision of law, rule or regulation as the previous violation and, if the respondent is the owner, agent, lessee, or other person in control of the premises with respect to which the violation occurred, at the same premises, with a date of occurrence within 18 months

of the date of occurrence of the previous violation.

Fire Penalty Schedule II: Effective For Notices of Violation With a Date of Occurrence On or After July 1, 2008:

The Penalty Schedule set forth below, Fire Penalty Schedule II, sets forth the penalties that will be imposed in connection with Notices of Violation with a date of occurrence on or after July 1, 2008.

This schedule sets forth penalties for violations of the New York City Fire Code, Fire Department rules and other laws, rules and regulations enforced by the Fire Department. The violation categories set forth below are derived from §109-02 of Title 3 of the Rules of the City of New York. All citations preceded by "AC" are citations to the NYC Administrative Code.

The mitigated (MIT) penalty is available if the condition is corrected as of the original hearing date. (A stipulation is available in some cases at the mitigated penalty if there is concurrence by the Fire Department, and good faith efforts to correct have commenced as of the original hearing date.)

A violation is subject to second or subsequent violation penalties when: (1)(a) it is a violation by the same respondent of the same provision of law, rule, or Violation Category as a prior violation that has a date of occurrence within 18 months, or (b) it is a violation by the same respondent of the predecessor provision of law, rule or Violation Category (previously "Rule") that has a date of occurrence within 18 months; and (2) if the respondent is the owner (as defined in the Fire Code) of the premises with respect to which the violation occurred, if the prior violation occurred at the same premises.

Section/ViolationCategory Description First Violation Second or Subsequent Violation

Penalty MIT. MAX. Penalty MIT MAX.

Violation Category 1 Portable Fire Extinguishers and Fire Hoses $500 250 1000 1500 750 5000

NOTE

1. Statement of Basis and Purpose in City Record July 1, 2008:

The Environmental Control Board (ECB) had a Public Hearing on June 23, 2008, on proposed revisions of its Fire Penalty Schedule. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB's Penalty Schedules as set forth above.

The Board has revised the ECB Fire Penalty Schedule set out in §3-106 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. These revisions are intended to implement in part the new Fire Code for the City of New York. The new Fire Code was enacted on May 28, 2008. The new Fire Code comprises Title 29 of the New York City Administrative Code, becomes effective on July 1, 2008. The Local Law enacting the new Fire Code repeals the existing Fire Code, found in Chapter 4 of Title 27. Among other things, the Local Law also repeals subdivisions (7) through (19) of §15-232 of the New York City Administrative Code, which pertains to Chapter 4 of Title 27.

As a result of the enactment of the new Fire Code, the Board has adopted a new Fire Penalty Schedule (Fire Penalty Schedule II), as well as retaining the existing Fire Penalty Schedule (Fire Penalty Schedule I). Fire Penalty Schedule I applies to all ECB Notices of Violation issued by the Fire Department with a date of occurrence on or before June 30, 2008. Fire Code Penalty Schedule II applies to all ECB Notices of Violation issued by the Fire Department with a date of occurrence on or after July 1, 2008.

The Fire Department is in the process of promulgating Rules in order to implement the provisions of the new Fire Code. One of those Fire Department Rules, §109-02 of Title 3 of the Rules of the City of New York, will set forth Violation Categories for Fire Department enforcement purposes. §109-02 will re-name and re-organize the Violation Categories (previously denominated "Rules") that are now in effect pursuant to §16-03 of Title 3 of the Rules of the City of New York. Under each of these new Violation Categories, the new Fire Department Rule 109-02 will set forth the relevant section numbers of the new Fire Code. The Board's Fire Penalty Schedule II reflects these new Fire Department Violation Categories, and sets forth penalties for violations of any of the Sections of the Fire Code that are listed under those Violation Categories. The penalties set forth in Fire Penalty Schedule II remain the same as those set forth in Fire Penalty Schedule I.

Statement of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that revises the ECB Fire Penalty Schedule set out in §3-106 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. The new ECB rule implements in part the new Fire Code, which become effective on July 1, 2008. The new ECB rule includes the new ECB Fire Penalty Schedule which will apply to all Fire Notices of Violation returnable to ECB issued on or after July 1, 2008. The new Fire Department rule on which such Notices of Violation will be based, and the violation categories it establishes will apply to all Fire Notices of Violation returnable to ECB issued on or after July 1, 2008.

In view of the July 1, 2008, effective date of the new Fire Code, the implementation of the new ECB rule upon publication is necessary to ensure that the new Fire Code can be enforced beginning on the effective date.

2. Statement of Basis and Purpose in City Record Dec. 9, 2008: The Environmental Control Board had a Public Hearing on November 6, 2008 on proposed revisions of its Fire Penalty Schedule. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB's Fire Penalty Schedule as set forth above. The Environmental Control Board (ECB) has revised the definition of "second or subsequent" violation found in ECB's Fire Penalty Schedule II, found in §3-106 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. The revision will ensure that the higher "second or subsequent" penalty amount will be imposed not only when there is a prior violation of the predecessor section of law, rule or Violation Category (previously "Rule"). The term "Violation Category" is included in the proposed definition of "second or subsequent" violation because the NYC Fire Department, for enforcement purposes, classifies charging provisions into categories denominated "Violation Categories" (1 RCNY 109-01). The equivalent classifications were denominated "Rule" categories under the superseded Fire Code (3 RCNY 16-03). ECB's Fire Penalty Schedule II reflects the current Violation Categories. Therefore, for example, under the proposed definition, if a current violation is of a "Violation Category 1" charge, that violation will constitute a "second or subsequent" violation if the respondent was previously found in violation of either (i) any "Violation Category 1" charge issued pursuant to the current Fire Code with a date of occurrence within 18 months of the date of occurrence of the current charge, if all other criteria set forth in the definition of "second or subsequent" violation are met, or (ii) any "Rule 1" charge issued pursuant to the superseded Fire Prevention Code, with a date of occurrence within 18 months of the date of occurrence of the current charge, if all other criteria set forth in the definition of "second or subsequent" violation are met. ECB's Fire Penalty Schedule is found in Title 48 in view of the fact that as of November 23, 2008, ECB will have been consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law 35 of 2008. Title 48 of the RCNY includes OATH's rules. Accordingly, this final rule has amended the Fire Penalty Schedule as found within Chapter 3 of Title 48.

3. Statement of Basis and Purpose in City Record May 14, 2009: The Environmental Control Board (ECB) had a Public Hearing on April 15, 2009 on proposed revisions of its Fire Penalty Schedule to add a new charge, for a violation of §1404.1 of the Fire Code, to Fire Penalty Schedule II, found in §3-106 of Title 48 of the Rules of the City of New York. One private citizen was present to offer testimony into the public record. No written comments were submitted. The Board has considered the testimony offered at the hearing. Section 1404.1 of the Fire Code prohibits smoking on construction sites. Up until now, §1404.1 has been enforced by the Fire Department via notices of violations that cite to the "General Maintenance" provision of Violation Category 11, found in 3 RCNY 109-02. Those violations carry a $400 penalty for a first offense (which can be mitigated to $200 if correction is shown by the first scheduled hearing date), and a $1,250 second offense penalty (which can be mitigated to $625 if correction is shown by the first scheduled hearing date). The new charge carries a higher penalty, commensurate with the seriousness of the condition. Specifically, the new charge of §1401.1 carries a first offense penalty of $1,000 (which cannot be mitigated) and a second offense penalty of $2,400 (which cannot be mitigated). The purpose of adding this separate charge for §1404.1 to Fire Penalty Schedule II is to enable these higher penalties to be imposed for this serious violation.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers

("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

Mark D. Hoffer

Acting Chairperson

Environmental Control Board

NOTE

1. Statement of Basis and Purpose in City Record Jan. 26, 2006:

The Environmental Control Board has adopted penalty schedules for food and general vending violations pursuant to the authority set forth in subdivision c of §1404 of the New York City Charter. The purpose of these penalty schedules is to ensure that penalties imposed upon licensed and unlicensed street vendors who do not comply with City laws and rules governing vending are commensurate with the seriousness of the violations and are sufficient to deter illegal vending. They are also adopted to assure that such penalties are imposed in a uniform and consistent manner. In adopting the schedules, the Board carefully considered the presentations and comments submitted at the public hearings held on November 18, 2004 and April 18, 2005. The Board also considered the written comments submitted by members of the public to the Board both during and after each public hearing. In addition, it considered the letters submitted to the Board by the Department of Consumer Affairs and the Department of Health and Mental Hygiene. **As a result of the testimony, comments, and material received at and after the November 18, 2004 public hearing, the Board has modified the then proposed penalty schedules. The penalty schedules set forth in the initial proposed rule included Multiple Offense Penalty Schedules setting forth penalties for first, second, third, and fourth offenses, with the fourth offense resulting in the maximum penalty provided by law. By contrast, the Multiple Offense Penalty Schedules as set forth in this final rule set forth penalties for first, second, third, fourth, fifth, and sixth offenses, with the sixth offense resulting in the maximum penalty provided by law. The Board balanced the concerns articulated on behalf of the vending community with the need to ensure compliance and deter repeated violations. Accordingly, the Board modified the schedules to increase the number of offenses that must occur before the statutory maximum penalties** will **be imposed.**

The Board's decision to adopt these penalty schedules is based upon the following: 1) the penalties imposed by the Board prior to the increase set forth herein are no longer effective in encouraging compliance with the laws being enforced, including significant health and safety provisions; 2) the proposed penalties are more appropriate in view of inflation and provide a reasonable financial incentive for vendors to comply with the law; and 3) vendors who repeatedly violate the vending laws should be subject to higher penalties; so that the payment of penalties is not simply a part of their cost of doing business. The proposed penalty schedules comport with existing statutory minimum and maximum penalties set forth in §§17-325 and 20-472 of the Administrative Code of the City of New York.

The Board's decision to adopt schedules with penalties greater than those imposed prior to the increase set forth herein for various violations of the Health Code is further warranted in light of an amendment to §3.12 of the New York City Health Code **(set forth in Title 24 of the Rules of the City of New York)** increasing the minimum penalties for permit and license related violations to $1,000, the minimum default penalty for such charges to $2,000 and the minimum penalty for other Health Code penalties to $200. These are serious violations and these increases are also intended to impose penalties that are commensurate with the seriousness of the violations and encourage compliance with the law. The penalties are within the statutory minimum and maximum penalties set forth by §3.12 of the New York City Health Code.

Supplemental Notice:

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB) by §1404(c)(3) of the New York City Charter, and in accordance with §1043(b) of the Charter, that the Environmental Control Board hereby promulgates the following sections of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. This is a final version of penalties for general and food vending violations in §§3-107, 3-109 and 3-110 of Title 48 of the Rules of the City of New York. This final version is being republished pursuant to the direction of Justice Michael D. Stallman in a decision, dated December 21, 2005, in the case of **Street Vendor Project, on behalf of its members Ousmane Moussa and Mohammed Alali v. City of New York and Emily Lloyd, Commissioner of the Department of Environmental Protection and Chairperson of the Environmental Control Board,** New York State Sup. Ct., New York County, Index No. 402339/05. The substance of the above sections is identical to that originally published as a final rule in the City Record on June 20, 2005. The rule was published as a Proposed Rule in the City Record on March 17, 2005 and the Public Hearing was held on April 18, 2005. In addition, prior to the publication of the Proposed Rule in the City Record on March 17, 2005, an earlier version of the Proposed Rule was published in the City Record on October 15, 2004 and a Public Hearing was held on November 18, 2004.

2. Statement of Basis and Purpose in City Record Oct. 10, 2008: The Environmental Control Board (ECB) had a Public Hearing on August 25, 2008 on proposed revisions of its Food Vendor Administrative Code Penalty Schedule and Health Code and Miscellaneous Food Vendor Code Violation Penalty Schedule. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB's Penalty Schedules as set forth above. The Board has added four new charges to the Food Vendor Administrative Code Penalty Schedule, §31-107 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York. Two of these new charges are for violations of §6-01(m) of Title 24 of the Rules of the City of New York. The addition of these new charges will enable the enforcement of a new Department of Health and Mental Hygiene (DOHMH) Rule, §6-01(m) of Title 24 of the Rules of the City of New York, which implements the requirements of the recently enacted "Green Carts" law, Local Law No. 9 of 2008. That law authorizes DOHMH to issue fresh fruits and vegetables ("Green Carts") permits, and also requires that the Green Carts have a distinctive and easily recognizable appearance in accordance with rules to be established by the commissioner. Accordingly, the new DOHMH Rule requires that all Green Carts have a distinctive umbrella, and that the umbrella be safely secured and maintained in good condition. The third charge that the Board has added to the Food Vendor Administrative Code Penalty Schedule is for a violation of §17-307(b)(1), which was added to the NYC Administrative Code by Local Law 9 of 2008, and which provides that no food vendor issued a fresh fruits and vegetables permit shall vend any food other than fresh fruits and vegetables from the cart or vehicle for which the permit was issued. The fourth charge is for a violation of §17-311(d), also added to the NYC Administrative

Code by Local Law 9 of 2008, which provides that vendors who are issued fresh fruits and vegetables permits must carry a map designating those areas of the city in which they are authorized to vend. The Board has added six new charges to the Health Code and Miscellaneous Food Vendor Violations Penalty Schedule found in §31-110 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York. Two of these new charges are for violations of §81.08 of the NYC Health Code, which applies to all food service establishments (FSEs) including mobile food units. Beginning July 1, 2008, FSEs may not store, serve, sell, or use any food or food item in the preparation of a menu item if it contains partially hydrogenated vegetable oil, shortening, or margarine that has 0.5 grams or more of trans fat per serving. One of the two added new charges is for storing, distributing or holding for service or using in preparation of a menu item, or serving a food containing artificial trans fat in violation of this Section 81.08(a). The other added charge is for failing to maintain on site the original nutrition fact label and/or ingredient label or acceptable manufacturers' documentation in violation of §81.08(c). The other four charges that the Board has added to the Health Code and Miscellaneous Food Vendor Violations Penalty Schedule found in §31-110 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York are for violations of 81.50(c) of the NYC Health Code. Section 81.50(c) requires that a FSE, including a mobile food vending unit, that is one of a group of fifteen or more FSEs doing business nationally, offering for sale substantially the same menu items, in servings that are standardized for portion size and content, that are operating under common ownership or control, or as franchised outlets of parent business, or doing business under the same name, post calorie information for menu items on menus and menu boards. These four added charges implement the provisions of §81.50(c). The Board also has added text to the sentence in the headnote at the beginning of the Health Code and Miscellaneous Food Vendor Violations Penalty Schedule to indicate that there now is a citation within that Penalty Schedule to the Rules of the City of New York (RCNY).

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which

provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and

Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and

(ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including

31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

Mark D. Hoffer

Acting Chairperson

Environmental Control Board

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER G*7 PENALTIES

§3-109 General Vendor Penalty Schedule.

GENERAL VENDOR PENALTY SCHEDULE

Multiple Offense Schedule (MOS): 1st Violation $50 (default $50); 2nd Violation $100 (default $100); 3rd Violation $250 (default $250); 4th Violation $500 (default $1,000); 5th Violation $750 (default $1,000); 6th and subsequent Violation $1,000 (default $1,000).

A 2nd, 3rd, 4th, 5th, 6th or subsequent violation is a violation by the same respondent of a section of law listed in this Penalty Schedule that is subject to an "MOS" penalty as indicated in this Penalty Schedule, with a date of occurrence within 2 years of the date of occurrence of the previous violation(s), and where the previous violation(s) was a violation of any section of law that is subject to an "MOS" penalty as indicated in this Penalty Schedule.

* Pursuant to §3-81(b), a late admit fee of $30.00 will be added to the penalty for this charge for a failure to submit a payment by mail, as per §3-32, within 30 days of the mailing date of the default order issued against respondent.

Unless otherwise indicated, all citations are to the NYC Administrative Code.

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers

("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a

rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of

users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the

statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective

on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER G*7 PENALTIES

§3-112 Health Code Lead Abatement Penalty Schedule.

HEALTH CODE LEAD ABATEMENT PENALTY SCHEDULE

This Health Code Lead Abatement Penalty Schedule is for the purpose of enforcing Notices of Violation returnable to ECB that were issued prior to December 13, 1999, and that cite sections of law set out in the Health Code Lead Abatement Penalty Schedule. Current lead-abatement violations are no longer returnable to ECB.

A second violation is a violation by the same respondent that is within the same category of this penalty schedule as the prior violation, and must have a date of occurrence that is within 2 years of the date of occurrence of the prior violation.

All citations are to the New York City Health Code.

Pursuant to §3-81(b), a late admit fee of $30.00 will be added to all the below listed penalties for a failure to submit a payment by mail, as per §3-32, within 30 days of the mailing date of the default order issued against respondent.

Section/Rule Description 1st Violation Penalty 2nd Violation Penalty Default

Filing Procedures

173.14(c)(1)(aa) Failure to file timely notice of start of abatement 450 900 1,000

173.14(c)(1)(bb) Failure to give required info on start of abatement notice 100 200 1,000

173.14(c)(1)(dd) No timely notice of change in notice of abatement 100 200 1,000

Recordkeeping

173.14(c)(3)(aa) Failure to make/keep records of abatement performed 300 600 1,000

173.14(c)(3)(bb) Failure to maintain environmental test results/records 300 600 1,000

173.14(c)(3)(cc) Failure to retain or permit inspection of records 300 600 1,000

Wet Scraping and Repainting

173.14(d)(1)(aa) Failure to use scraper/water mist to remove paint 300 600 1,000

173.14(d)(1)(bb) Failure to properly re-seal scraped surfaces 300 600 1,000

Removal

173.14(d)(2)(aa) Failure to remove paint by planing/chemical stripping 300 600 1,000

173.14(d)(2)(bb) Use of prohibited method of paint removal 450 900 1,000

Enclosure

173.14(d)(3)(aa) Failure to properly enclose walls 300 600 1,000

173.14(d)(3)(bb) Failure to properly enclose chewable surfaces 300 600 1,000

173.14(d)(3)(cc) Failure to tightly seal seams 300 600 1,000

173.14(d)(3)(dd) Failure to properly seal abated surfaces 300 600 1,000

173.14(d)(3)(ee) Use of enclosure method where not proper 300 600 1,000

Encapsulation

173.14(d)(4)(aa) Failure to properly prepare surfaces 100 200 1,000

173.14(d)(4)(bb) Use of unapproved encapsulant 100 200 1,000

173.14(d)(4)(cc) Use of improper material as encapsulant 100 200 1,000

173.14(d)(4)(dd) Use of encapsulation method where not proper 300 600 1,000

Replacement

173.14(d)(5) Improper replacement or removal 300 600 1,000

Abatement Area Preparation (Less than or equal to 6sf per room)

173.14(e)(2)(aa)(i) Failure to post warning signs/notices (< 6sf) 100 200 1,000

173.14(e)(2)(aa)(ii) Failure to remove/cover movable objects (< 6sf) 100 200 1,000

173.14(e)(2)(aa)(iii) Failure to cover floor prior to/during abatement (< 6sf) 100 200 1,000

173.14(e)(2)(aa)(iv) Failure to correct conditions causing paint to peel (< 6sf) 300 600 1,000

173.14(e)(2)(aa)(v) Starting abatement prior to full area preparation (< 6sf) 100 200 1,000

173.14(e)(2)(aa)(vi) Failure to instruct occupants to avoid work area (< 6sf) 100 200 1,000

Abatement Area Preparation (More than 6sf per room)

173.14(e)(2)(bb)(i) Failure to post warning signs/notices 300 600 1,000

173.14(e)(2)(bb)(i) Failure to remove/cover movable objects 300 600 1,000

173.14(e)(2)(bb)(i) Failure to correct conditions causing paint to peel 300 600 1,000

173.14(e)(2)(bb)(i) Starting abatement prior to full area preparation 300 600 1,000

173.14(e)(2)(bb)(i) Failure to instruct occupants to avoid work area 300 600 1,000

173.14(e)(2)(bb)(ii) Failure to seal abatement area to prevent access 450 900 1,000

173.14(e)(2)(bb)(iii) Failure to isolate abatement area from other areas 450 900 1,000

173.14(e)(2)(bb)(iv) Failure to properly cover floor/movable objects 300 600 1,000

173.14(e)(2)(bb)(v) Failure to properly seal openings 300 600 1,000

Health and Safety

173.14(e)(3)(aa) Failure to minimize dispersal of lead 450 900 1,000

173.14(e)(3)(bb) Improper maintenance of flammable materials/data 100 200 1,000

173.14(e)(3)(cc) Failure to properly store/dispose of contaminated material 300 600 1,000

173.14(e)(3)(dd) Failure to properly isolate clean changing area 100 200 1,000

Daily Clean-up

173.14(e)(4)(aa) Failure to properly clean area daily 300 600 1,000

Final Clean-up

173.14(e)(4)(bb)(i) Failure to properly mist/sweep/remove poly sheeting 300 600 1,000

173.14(e)(4)(bb)(ii) Failure to properly HEPA vacuum surfaces 300 600 1,000

173.14(e)(4)(bb)(iii) Failure to properly wash surfaces 300 600 1,000

173.14(e)(4)(bb)(iv) Failure to properly perform second HEPA vacuuming 300 600 1,000

173.14(e)(4)(bb)(v) Failure to properly inspect/reclean abated surfaces 300 600 1,000

Final Inspection

173.14(e)(4)(cc) Failure to properly perform final inspection 450 900 1,000

Clearance for re-occupancy

173.14(e)(4)(dd) Allowed re-occupancy prematurely 450 900 1,000

173.14(e)(6) Failure to provide requested clearance dust test results 450 900 1,000

Miscellaneous

173.14 Miscellaneous violations 450 1,000

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local

Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included

within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31

§§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City

Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

NOTE

1. Statement of Basis and Purpose in City Record Nov. 14, 2005:

The Environmental Control Board is making the following revisions to the ECB Penalty Schedules: (1) The Board is revising the Landmarks Preservation Penalty Schedule found in §3-114 of Subchapter G of Chapter 3 of Title 48, of the Rules of the City of New York. These revisions are made following enactment of Local Law 18 of 2005, which modifies the Landmarks Preservation Law by authorizing the Landmarks Preservation Commission to issue Notices of Violation for failure to maintain landmark structures in good repair. The revisions include re-designating former type "B" violations as type "C" violations, and creating a new type "B" violation for failure to maintain an improvement in good repair. Additionally, a second-offense penalty category is added to the various landmarks charges in order to provide a more effective deterrent and to encourage violators to bring their landmark buildings into compliance with the law; (2) The Board is revising the Department of Transportation Penalty Schedule found in §3-124 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to include six new charges. These charges are for violations of already existing DOT rules and are being added to the ECB Penalty Schedule to enable DOT to cite these rules on their Notices of Violation. Three of the charges pertain to the storage of tool carts and three pertain to street operations. The toolcart charges apply when a toolcart is (a) stored on the roadway without a permit; (b) stored on the sidewalk without a five foot minimum walkway; and (c) stored on the sidewalk while obstructing a hydrant, bus stop, or driveway. The street operations charges apply in connection with (a) a failure to replace loose, slippery or broken utility maintenance hole covers or castings; (b) a failure to repair defective street conditions found within an area extending 12 inches outward from covers or gratings; and (c) illegally working on a street during an embargo period.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local

Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included

within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

All Citations are to the NYC Administrative Code except where the citation indicates that it is to the Rules of the City of New York (RCNY).

A stipulation (Stip) penalty is imposed if there is a "Y" (Yes) In the Stip column in the Penalty Schedule rather than a "N" (No), and if a stipulation is offered and accepted at a hearing.

Definition of 2nd and/or 3rd and/or 4th offense: By the same respondent of the same provision of law, order, rule or regulation as the previous violation and, if the respondent is the owner, agent, lessee or other person in control of the premises with respect to which the violation occurred, at the same premises as the previous violation (all violations committed within two years).

Pursuant to §3-81(b), a late admit fee of $30.00 will be added to all the below listed penalties for a failure to submit a payment by mail, as per §3-32, within 30 days of the mailing date of the default order issued against respondent.

* In connection with §24-231(a), a zero penalty may be imposed for admission for a first offense upon submission

to DEP (within 30 days of NOV issuance unless extended by DEP) of acceptable certification of compliance as set forth in §24-231(b)(1).

87517502625 3500700010500 YNN

24-223(d) Failure to respond to request for conference or to amend noise mitigation plan. 1st2nd3rd 87517502625 3500700010500 YNN

24-224 Construction work not in compliance with noise mitigation plan. 1st2nd3rd 140028004200 3500700010500 YNN

24-225(a) Sell/offer/operate/permit operation of refuse compacting vehicle producing excessive noise. 1st2nd3rd 56011201680 140028004200 YNN

24-225(b) Operate/cause operation of refuse compacting vehicle producing excessive noise (11PM to 7AM). 1st2nd3rd 70014002100 140028004200 YNN

24-226(a) Operating air compressor without appropriate muffler w/no exhaust leaks. 1st2nd3rd 56011201680 140028004200 YNN

24-226(b) Excessive noise from air compressor (measured @ 1 meter). 1st2nd3rd 56011201680 140028004200 YNN

24-226(c) Excessive noise from air compressor (measured @ receiving property). 1st2nd3rd 56011201680 140028004200 YNN

24-227(a) Noise from circulation device in excess of 42 dB(A). 1st2nd3rd 56011201680 87517502625 YNN

24-227(b) Cumulative impact from circulation device exceeded 45 dB(A). 1st2nd3rd 56011201680 87517502625 YNN

24-227(c) Failure to reduce cumulative impact from multiple circulation devices exceeding 50 dB(A). 1st2nd3rd 56011201680 87517502625 YNN

24-228 Unreasonable noise from construction devices. 1st2nd3rd 56011201680 140028004200 YNN

24-228.1 Unreasonable noise from engine exhaust. 1st2nd3rd 56011201680 87517502625 YNN

24-229 Unreasonable noise from handling/transporting of container or construction material. 1st2nd3rd 56011201680 140028004200 YNN

24-230(a) Operation/caused operation of paving breaker w/o pneumatic discharge muffler. 1st2nd3rd 56011201680 140028004200 YNN

24-230(b) Sold/offer for sale/operate/permit operation of paving breaker producing over 95 dB(A). 1st2nd3rd 56011201680 140028004200 YNN

24-231(a)* Made/caused/permitted music from commercial establishment in excess of permitted levels. 1st2nd3rd 320064009600 80001600024000 NNN

24-231(d) Violation of variance from limits set forth in 24-231(a) 1st2nd3rd 56011201680 87517502625 NNN

24-232(a) Excessive noise from sound source @ commerical or business establishment. 1st2nd3rd 56011201680 140028004200 NNN

24-233(a) Unreasonable noise: personal audio device. 1st2nd3rd 70140210 175350525 YYN

24-233(b)(1) Unreasonable noise-personal audio device (public right-of-way). 1st2nd3rd 140280420 175350525 YYN

24-233(b)(2) Unreasonable noise-personal audio device (motor vehicle). 1st2nd3rd 140280420 3507001050 YNN

24-234 Excess noise from sound reproduction device on rapid transit (subway, bus, ferry). 1st2nd3rd 70140210 175350525 YYN

24-235 Permitting animal to cause unreasonable noise. 1st2nd3rd 70140210 175350525 YYY

24-236(a) Excess noise from motor vehicles (10,000 lbs or less). 1st2nd3rd 210420840 52510501575 YNN

24-236(b) Excess noise from motorcycles. 1st2nd3rd 88017202600 144028004200 YNN

24-236(c) Excess noise from motor vehicles (10,000 lbs or greater). 1st2nd3rd 88017202600 144028004200 YNN

24-236(d) Non-emergency use of compression brake system. 1st2nd3rd 88017202600 144028004200 YNN

24-237(a) Unauthorized use of motor vehicle claxon. 1st2nd3rd 3507001050 100020003000 YYN

24-237(b) Unauthorized use of motor vehicle air horn/gong. 1st2nd3rd 3507001050 87517502625 YYN

24-237(c) Unauthorized use of steam whistle. 1st2nd3rd 3507001050 87517502625 YYN

24-237(d) Improper use of sound signal device (food vendor). 1st2nd3rd 3507001050 100020003000 YYY

24-238(a) Improper audible burglar alarm/no automatic termination. 1st2nd3rd 280560840 70014002100 YYN

24-238(b) Audible status indicator on motor vehicle in operation. 1st2nd3rd 280560840 70014002100 YYN

24-239(b) Vehicle owner failure to display owner's local precinct number. 1st2nd3rd 100200300 3507001050 YYN

24-241(a) Unauthorized use of emergency signal device. 1st2nd3rd 4408801320 140028004200 YNN

24-241(b) Failed to file certification regarding test of emergency signal device. 1st2nd3rd 4408801320 140028004200 YNN

24-242(a) Operating lawn care devices at unauthorized times or so as to create unreasonable noise. 1st2nd3rd 220440660 87517502625 YYY

24-242(b) Operation of leaf blower without muffler. 1st2nd3rd 220440660 87517502625 YYY

24-244(a) Unreasonable noise from sound reproduction device. 1st2nd3rd 4408801320 175035005250 YNN

24-244(b) Unreasonable noise from sound reproduction device for commercial/bus. advert. purposes. 1st2nd3rd 70014002100 175035005250 NNN

24-245 Failure to have operating certificate or tunneling permit. 1st2nd3rd 105021003150 262552507875 NNN

24-257(b)(7) Breaking of Board ordered seal. 1st2nd3rd 160016002480 400040004000 NNN

15 RCNY28-100 Failed to Conspicuously Post an Accurate and Complete Construction Noise Mitigation Plan (CNMP) 1st2nd3rd 220440660 87517502625 YNN

HISTORICAL NOTE

Section repealed and reissued (former T15 §31-115) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. [See Chapter 3 footnote]

Section amended City Record May 4, 2007 §1, eff. June 3, 2007. [See Note 1]

Section added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. [See Subchapter G footnote]

Open par amended City Record Dec. 12, 2007 §1, eff. Jan. 11, 2008. [See Note 2]

Fourth par amended City Record Nov. 25, 2008 §15, eff. Nov. 25, 2008 per City Record notice. [See T48 §3-12 Note 1]

Fifth undesig. par (*In connection . . . §24-231(b)(1)) amended City Record Nov. 1, 2007 §3, eff. Dec. 1, 2007. [See T48 §3-120 Note 1]

15 RCNY 28-100-15 RCNY 28-106(n) added City Record Dec. 12, 2007 §2, eff. Jan. 11, 2008. [See Note 2]

NOTE

1. Statement of Basis and Purpose in City Record May 4, 2007:

The Environmental Control Board (ECB) had a Public Hearing on April 12, 2007, on proposed revisions of its Penalty Schedules. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the Noise Control Penalty Schedule and to the Water Code Penalty Schedule. The Board has adopted the following revisions to those two Penalty Schedules:

1) The Board has revised the Noise Code Penalty Schedule found in §3-115 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to amend that Penalty Schedule to take into account the promulgation of the new Noise Control Code that was signed into law (Local Law 113 of 2005) on December 21, 2005. That law becomes effective on July 1, 2007. Accordingly, the revised Noise Code Penalty Schedule adopted by this Final Rule becomes effective on July 1, 2007. This new law repeals many previously existing sections of law pertaining to noise control and puts into place new provisions that make the Noise Control Code more effective and responsive to the needs of the City. The primary focus of the new Code is the reduction of the overall sound level in the City.

In addition to continuing the current Noise Control Code's prohibition on after-hours and weekend construction, Subchapter 4 of the new Noise Control Code ("Construction Noise Management") contains detailed requirements which

require all construction sites to have a noise mitigation plan setting forth the noise mitigation strategies, methods, procedures and technologies to be employed for each device or activity at the site. The current Code section relating to commercial music sources has been strengthened by lowering the threshold from 45 dB(A) to 42 dB(A) as measured in any dwelling unit, and by adding a provision dealing with measuring sound in the dB(C) weighting network. In connection with §24-231(a), the new code also contains a provision which allows the Department of Environmental Protection to recommend a zero penalty in cases where the respondent admits the violation and timely submits a report, pursuant to the requirements set forth in §24-231(b)(1), showing that modifications have been made which bring the establishment into full compliance with the Code, along with measurements confirming that compliance has been achieved. The current Code section regarding circulation device noise has been strengthened by lowering the threshold from 45 dB(A) to 42 dB(A) as measured three feet from the open window of any dwelling unit. The new Code also restricts noise from multiple circulation devices owned by the same entity and allows the Department of Environmental Protection to order owners to implement remedial actions when the cumulative sound level from existing multiple devices exceeds 50 dB(A). For new installations of multiple circulation devices or for a new addition to a cluster of circulation devices, the cumulative permitted sound level is 45 dB(A). The new Code includes a "plainly audible" standard for personal audio devices, sound reproduction devices, animals and motor vehicles. Also, the prohibition against unreasonable noise has been strengthened by the establishment of sound levels which are considered to be unreasonable per se, e.g., any sound source which increases the ambient sound level by ten dB(A) or more (7 dB(A) at night) when measured at a distance of fifteen feet or more.

Regarding §24-218.1, "Use of mobile telephones in a place of public performance," this provision of law was previously enacted, by Local Law 9 of 2003, and is now being added to this amended Noise Code Penalty Schedule.

2) The Board has revised the Water Code Penalty Schedule found in §3-126 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to amend that Penalty Schedule to take into account the repeal of the Drought Emergency Rules and the re-promulgation of those Rules (Title 48, Chapter 21 of the Rules of the City of New York (RCNY). The new Rules took effect on September 7, 2006. It should be noted that there are no changes to that portion of the Water Penalty Schedule that does not pertain to the Drought Emergency Rules. In other words, there are no changes to the part of the Water Penalty Schedule that is entitled "Other Water Regulations," since those sections are not drought-related. Among reasons for the repeal and re-promulgation of those Rules was that the Department of Environmental Protection, in light of recent experiences with the drought, recognized that amendments to the Drought Emergency Rules were needed. The amended Rules are streamlined and simplified. Redundancy has been omitted and inconsistencies eliminated. Definitions have been added for greater clarity and conformance with general style of RCNY rules. The Rules have been amended to provide greater flexibility and consistency for water usage during the various stages of drought.

The principal changes from the current Penalty Schedule are that section numbers have been changed under the new Rules; improper use of well water, which was previously a violation only in Stage III, is now a violation in Stage I and II as well; infractions for air conditioning or refrigeration units without approved water conservation devices, dumping cooling tower water, and failure to reduce non-residential use of water by specified percentages are no longer included in the Penalty Schedule, as these violations do no exist under the new Rules.

2. Statement of Basis and Purpose in City Record Dec. 12, 2007: The Environmental Control Board (ECB) had a Public Hearing on November 29, 2007, on proposed revisions of its Penalty Schedules. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB's Penalty Schedules as set forth above. 1) The Board has revised the Noise Code Penalty Schedule found in §3-115 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to amend that Penalty Schedule to take into account the promulgation of the City of New York Department of Environmental Protection's Rules concerning citywide construction noise mitigation. These Rules were enacted in light of Local Law 113 of 2005, which amended the Administrative Code of the City of New York in relation to the Noise Control Code. Specifically, the law established standards and procedures to reduce noise levels from construction, and established sound level standards for specific noise sources. The law also mandated, in §24-219 of the Administrative Code, the adoption of rules by the Department of Environmental

Protection. These new Rules establish the requirement that contractors develop and implement Noise Mitigation Plans prior to performing construction work within the City. These new Rules describe acceptable work hours, after-hour restrictions, and requirements for the use of noise barriers around construction sites, as well as establishing noise emission criteria limits for all generic types of construction equipment in accordance with new Federal Highway Administration guidelines. These Rules prescribe the methods, procedures and technology that shall be used at construction sites to achieve noise mitigation whenever any one or more of certain construction devices or activities set forth in the Rules are employed or performed. The penalties set out in the Board's revised Noise Code Penalty Schedule for violations of the DEP Rules fall into two categories, namely, (1) violations pertaining to failure to comply with general administrative requirements (e.g., posting of plan, worker training, notification filings), and (2) failure to comply with specific noise mitigation requirements. The proposed penalties for the second category are double those for the first category, since these will be violations of specific noise mitigation requirements and are therefore likely to result in actual increase in noise levels. 2) The Board has revised the Noise Code Penalty Schedule found in §3-115 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to amend that Penalty Schedule to clarify that citations to the Rules of the City of New York, as well as citations to the Administrative Code, are now included in the Penalty Schedule as a result of the inclusion in that Penalty Schedule of charges pertaining to the recently enacted New York Department of Environmental Protection's Rules concerning citywide construction noise mitigation. 3) The Board has revised the Sanitation Penalty Schedule found in §3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to amend one charge and to add eight new charges. All these charges pertain to the theft of recyclables and solid waste. These charges have been amended and added in light of the enactment of Local Law 50 of 2007, which pertains to the unauthorized collection or removal of solid waste and recyclable materials. Among other things, this law makes it a violation for a person operating a motor vehicle to unlawfully remove or transport recyclables from the residential curb without the building owner's authorization. In buildings containing more than three dwelling units, the owner's authorization must be evidenced in writing and filed with the Sanitation Commissioner. Local Law No. 50 also makes it a violation for a person operating a motor vehicle to unlawfully remove recyclable materials placed at the curb by commercial establishments, and premises occupied by city agencies and institutions that receive DSNY collection service. This law also makes it a violation for persons, other than a not-for-profit corporation, to receive recyclable materials for storage, collection or processing from anyone other than an authorized DSNY employee or agent; employee of a company licensed by or registered with the New York City Business Integrity Commission; a not-for-profit organization; or a person who has entered into a written agreement to remove recyclables pursuant to this Local Law. The law itself, in §16-118(7)(f)(1)(i) of the New York City Administrative Code, imposes flat penalties for each level of offense for violations of §16-118(7)(b)(1) (if the violation of §16-118(7)(b)(1) is in connection with the use of a motor vehicle in connection with the transporting of recyclables), §16-118(7)(b)(2), §16-118(7)(c), and §16-118(7)(d), rather than a range of dollar amounts. However, the Board is including these penalties in the Sanitation Penalty Schedule solely for the convenience of the public, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive. By contrast, the penalties for §16-118(7)(b)(1), if the violation of §16-118(7)(b)(1) was not in connection with the use of a motor vehicle, and also the penalties for §16-118(7)(b)(3), do have a statutory range, set by §16-118(9). 4) The Board has also revised the note that is prefaced with three asterisks in the Sanitation Penalty Schedule to reflect the fact that (1) For §§10-119 and 10-120 and 16-308(g) and 16-308(h) and 16-404 and 16-405(a) and 16-405(b), and 16-118(7)(b)(2) and 16-118(7)(d), a repeat violation is a violation by the same respondent of the same section of law as the previous violation, where the previous violation has a date of occurrence within twelve months of the date of occurrence of the present violation; (2) Any person who violates §16-118(7)(b)(1) and/or §16-118(7)(c) while using or operating a motor vehicle, or owning said motor vehicle, is considered a repeat violator where the same respondent has violated either §16-118(7)(b)(1) or §16-118(7)(c) while using or operating a motor vehicle, or owning said motor vehicle, where the present violation has a date of occurrence within twelve months of the date of occurrence of the previous violation.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative

Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

Mark D. Hoffer

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER G*7 PENALTIES

§3-116 Parks Rules Penalty Schedule.

PARKS RULES PENALTY SCHEDULE

A repeat violation is a violation is by the same respondent of the same Parks rule with a date of occurrence within 4 years of the date of occurrence of the previous violation.

Pursuant to §3-81(b), a late admit fee of $30.00 will be added to all the below listed penalties for a failure to submit a payment by mail, as per §3-32, within 30 days of the mailing date of the default order issued against respondent.

Section/Rule Description Penalty Default

56 RCNY 1-03(a)(3) Unauthorized presence in park when closed to public 50 200

56 RCNY 1-03(b)(6) Failure to have/display/comply/with required permit 50 200

56 RCNY 1-03(c)(1), 3-19 Failure to comply with directives of officer/park employee 250 1,000

56 RCNY 1-03(c)(2) Failure to comply with directions/prohibitions on signs 50 200

56 RCNY 1-04(a) Injury/defacement/abuse of Department's property or equipment 500 2,000

56 RCNY 1-04(b)(1)(i) Intentional destruction/removal/permanent damage to tree 1,000 4,000

56 RCNY 1-04(b)(1)(ii) Destruction/defacement/abuse of park vegetation 250 1,000

56 RCNY 1-04(b)(2) Walking/permitting animal/child to walk on newly seeded grass 50 200

56 RCNY 1-04(b)(3) Unauthorized entry/allowing entry into fenced/restricted area 50 200

56 RCNY 1-04(b)(4) Unauthorized possession of gardening tool/plant 50 200

56 RCNY 1-04(c)(1), 3-08(e) Littering or unlawful use of park waste receptacle 100 300

56 RCNY 1-04(c)(2) Polluting waters within park 250 1,000

56 RCNY 1-04(c)(3) Unlawful dumping 1,000 4,000

56 RCNY 1-04(c)(4) Storing/leaving unattended personal belongings 50 200

56 RCNY 1-04(d) Possession of glass container in restricted area 50 200

56 RCNY 1-04(g)(1) Molest/kill/remove/possess animal/nest/egg, etc. 1,000 4,000

56 RCNY 1-04(g)(2) Unlawful feeding of animals 50 200

56 RCNY 1-04(i), 3-18(d) Unleashed or uncontrolled animals in park 100 200

56 RCNY 1-04(j)(1), 3-18(b) Fail to remove canine waste 250 250

56 RCNY 1-04(j)(2) Horse-carriage without horse hamper/control for horse waste 100 400

56 RCNY 1-04(k) Unlawful urination/defecation in park 50 300

56 RCNY 1-04(l)(1-3) Unlawful entry to or climbing on park property 50 200

56 RCNY 1-04(o) Obstruction of benches, sitting areas 50 200

56 RCNY 1-04(p) Unauthorized camping 250 1,000

56 RCNY 1-04(q) Spitting on park building/monument/structure 100 200

56 RCNY 1-04(r) Unlawful use of fountain/pool/water/for personal/ animal hygiene 50 200

56 RCNY 1-05(a)(1, 3) Unauthorized assembly/exhibition/parade, etc. w/o permit 250 1,000

56 RCNY 1-05(b) Unauthorized vending 250 1,000

56 RCNY 1-05(c) Unauthorized posting/display of notices/ signs/banners, etc 50 200

56 RCNY 1-05(d)(1) Unreasonable noise 350 875

56 RCNY 1-05(d)(2) Operating speaker device/sound amplifier without require permit 140 350

56 RCNY 1-05(d)(3) Playing instrument/radio, etc.during unauthorized hours 140 350

56 RCNY 1-05(d)(4) Unauthorized noise for advertising/commercial purposes 700 1,750

56 RCNY 1-05(e) Commercial cinematic production without permit 250 1,000

56 RCNY 1-05(f) Unauthorized consumption/possession of alcoholic beverage 25 100

56 RCNY 1-05(g) Failure to comply with bathing restrictions 50 200

56 RCNY 1-05(h) Failure to comply with fishing restrictions 50 200

56 RCNY 1-05(i) Failure to comply with bicycle riding restrictions 50 200

56 RCNY 1-05(j) Failure to comply with boating restrictions 50 200

56 RCNY 1-05(k) Failure to comply with ice skating restrictions 50 200

56 RCNY 1-05(l) Planting tree/flower/shrubbery/other vegetation without permit 50 200

56 RCNY 1-05(m)(1) Failure to comply with restriction re: fires 50 200

56 RCNY 1-05(m)(2) Unlawful disposal of flammable materials 50 200

56 RCNY 1-05(o) Unauthorized construction/storage of materials 1,000 4,000

56 RCNY 1-05(p) Unauthorized excavation 1,000 4,000

56 RCNY 1-05(q) Failure to comply with horseback riding restrictions 50 200

56 RCNY 1-05(r) Failure to comply with area use restrictions 50 200

56 RCNY 1-05(t) Unauthorized distribution or demonstration of products 100 400

56 RCNY 1-05(u) Failure to comply with rollerblading/skating restrictions 50 100

56 RCNY 3-05,4-03 Interference with emergency vessel boarding 100 400

56 RCNY 3-06(a), 3-17, 4-04(a) Failure to have/display/comply with required permit 50 200

56 RCNY 3-08(a), 4-06(a) Use of unauthorized toilets on vessel 250 1,000

56 RCNY 3-08(b), 4-06(b) Illegal discharge onto docks/water/walkways etc. 250 1,000

56 RCNY 3-08(d), 4-06(d) Unreasonable noise 350 875

56 RCNY 4-07(a),(b) Mooring fails to meet requirements 50 200

56 RCNY 3-10(a) Improper maintenance of vessel or equipment 50 200

56 RCNY 3-10(b) Unauthorized structural modification on vessel 500 2,000

56 RCNY 4-09 Excessive speed in mooring area 50 200

56 RCNY 3-12(a), 4-10 Failure to possess proper safety equipment on vessel 50 200

56 RCNY 3-13(a) Unauthorized interference with electrical supply in marina 250 1,000

56 RCNY 3-15, 4-11 Failure to remove sunken vessel 500 2,000

56 RCNY 3-16(b) Unauthorized launch or storage of kayak or canoe 50 200

56 RCNY 3-20, 4-14 Unlawful use of vessel 500 2,000

56 RCNY 1-04(i); 3-18(d) Unleashed or uncontrolled animal in Park-2nd offense 200 400

56 RCNY 1-04(i); 3-18(d) Unleashed or uncontrolled animal in Park-3rd offense 400 800

56 RCNY 1-04(i); 3-18(d) Unleashed or uncontrolled animal in Park-4th offense 700 1,400

56 RCNY 1-04(i); 3-18(d) Unleashed or uncontrolled animal in Park-5th offense 1,000 2,000

56 RCNY 1-04(b)(1)(i) Destruction of tree branch/pruning without permit/minor tree abuse 100 400

56 RCNY 1-04(b)(1)(i) Major damage to/accidental destruction of a tree 500 2,000

56 RCNY 1-04(b)(5) Unauthorized possession of metal detector 50 200

56 RCNY chapter 3 Miscellaneous violation of rules regarding 79 St. Marina 50 200

56 RCNY chapter 4 Miscellaneous violation of rules regarding moorings 50 200

HISTORICAL NOTE

Section repealed and reissued (former T15 §31-116) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. [See Chapter 3 footnote]

Section added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. [See Subchapter G footnote]

Second par amended City Record Nov. 25, 2008 §16, eff. Nov. 25, 2008 per City Record notice. [See T48 §3-12 Note 1]

Table 56 RCNY 1-04(b)(1)(i) "Major damage . . . tree" amended City Record Mar. 2, 2007 §9, eff. Apr. 1, 2007. [See §3-103 Note 2]

Table 56 RCNY 1-04(j)(1), 3-18(b) amended City Record May 14, 2009 §1, eff. June 13, 2009. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record May 14, 2009:

The Environmental Control Board (ECB) had a Public Hearing on April 15, 2009 on proposed revisions of the Parks Rules Penalty Schedule found in §3-116 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY) to increase the penalty for the charge of §§1-04(j)(1) and 3-18(b) of Title 56 of the RCNY. Both sections charge failure to remove canine waste. One private citizen was present to offer testimony into the public record. No written comments were submitted. The Board has considered the testimony offered at the hearing.

Specifically, the Board has revised §1-04(j)(1) which provides that "No person shall allow any dog in his custody

or control to discharge any fecal matter in any park unless he promptly removes and disposes of same. This provision shall not apply to a guide dog accompanying a person with a disability." Section 3-18(b) provides that, in connection with the West 79th Street Boat Basin, the Sheepshead Bay Piers and the World's Fair Marina, "The owner or other person in charge or control of a pet shall expeditiously remove, clean or clear all feces or vomit deposited by the pet from the walkways and docks." The Board has increased the hearing penalty for these two Sections of law from $50 to $250, and has increased the default penalty for these two sections of law from $100 to $250.

The Board has increased these penalties in order to make the penalties for §§1-04(j)(1) and 3-18(b) equivalent to the penalty for a violation of the New York State Public Health Law §1310, commonly known as the "Pooper Scooper" law. Section 1310 has a hearing and default penalty of $250 and is also enforced at ECB. That charge is found in ECB's Public Health Law Penalty Schedule, 48 RCNY 3-117. The $250 penalty for §1310 is the result of an amendment to §1310 made by Chapter 153 of the Laws of 2008.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed

regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

T48 §3-120 Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Oct. 10, 2008:

The Environmental Control Board (ECB) had a Public Hearing on August 25, 2008 on proposed revisions of its Public Health Law Penalty Schedule. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB's Penalty Schedules as set forth above.

The Board has revised the Public Health Law Penalty Schedule found in §31-117 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to increase the penalty for the charge of NYC Public Health Law Section 1310 (the "Pooper Scooper" law), "Failure to remove canine waste," from a penalty of $100 to a penalty of $250.

This is to take into account the new penalty amount for canine waste violations that is authorized by recent legislation that amended §1310 of the New York State Public Health Law. Governor David Paterson signed that legislation on July 7, 2008 as Chapter 153 of the Laws of 2008. That law becomes effective ninety (90) days after it was signed by the Governor.

Under the old law, persons who failed to remove canine waste were subject to a fine of one hundred dollars. The new law raises the maximum penalty associated with canine waste from the previous maximum of one hundred dollars to a new maximum of two hundred fifty dollars. In order to implement the statutory intent of this new legislation, the Board has increased the penalty for the charge of failing remove canine waste from the current one hundred dollar penalty to two hundred fifty dollars.

The Board has amended the Public Health Law Penalty Schedule to ensure that this penalty increase becomes effective as of the effective date of the law.

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the

statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective

on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the

Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food

vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board."

To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER G*7 PENALTIES

§3-120 Recycling-Sanitation Collection Rules Penalty Schedule.

RECYCLING-SANITATION COLLECTION RULES PENALTY SCHEDULE

A repeat violation is a violation by the same respondent, at the same place of occurrence, of any of the recycling rules or provisions, having a date of occurrence within 12 months of the date of occurrence of the previous violation.

Persistent violator: As is set forth in §16-324 of the Administrative Code, a person committing a fourth and any subsequent violation within a period of six months shall be classified as a persistent violator and shall be liable for a civil penalty of five hundred dollars for each violation. For a persistent violation only, except where such violation occurws at a building of less than nine dwelling units, each container or bag containing solid waste that has not been source separated or placed out for collection in accordance with the regulations promulgated by the commissioner pursuant to this chapter shall constitute a separate violation, provided that no more than twenty separate violations are issued on a per bag or per container basis during any twenty-four hour period.

The default penalty for any each charge in this Penalty Schedule is the same as the penalty for that particular charge.

16 RCNY 1-08(i) added City Record Nov. 1, 2007 §1, eff. Dec. 1, 2007. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Nov. 1, 2007:

The Environmental Control Board (ECB) had a Public Hearing on September 27, 2007, on proposed revisions of its Penalty Schedules. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB's Penalty Schedules as set forth above.

(1) The Board has revised the Recycling-Sanitation Collection Rules Penalty Schedule found in §3-120 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add one new charge in that Penalty Schedule for a violation of 16 RCNY 1-08(i), "Failure to comply with Commissioner's Order mandating the use of clear plastic bags for the disposal of refuse and recycling." This new charge is being added to ensure that the goals of the City's new twenty (20) year Solid Waste Management Plan are met.

The Department of Sanitation has been focusing its attention on apartment buildings (nine dwelling units or more) that place recyclables out for collection on a non-recycling collection day by mixing separated recyclables with regular refuse in black bags placed out for Department of Sanitation collection. The Department of Sanitation has sent letters to those buildings that have been engaging in this practice that they must address this matter immediately and place designated recyclables out for collection in clear plastic bags (or labeled containers) on the scheduled recycling collection day and store designated recyclables until the next designated recycling collection.

If recycling violations persist, a Department of Sanitation supervisor in charge of the collection area for apartment

buildings with nine dwelling units or more will issue a clear bag notice as authorized in 16 RCNY §1-08(i) directly to the building manager or superintendent requiring that after a specific date all refuse and recyclables from the building must be set out in clear plastic bags as a precondition for continued Department of Sanitation collection. After that date, materials set out for Department of Sanitation collection in anything other than a clear plastic bag will be issued a Notice of Violation by the Department of Sanitation, per bag, for improper set out. The purpose for requiring the use of clear plastic bags for all waste material is to enable the Department of Sanitation to monitor recycling compliance before Department of Sanitation collection. The clear bag requirement for all discarded waste will be imposed upon any building that the Department of Sanitation deems to be a persistent recycling violator under the law and will remain in effect for as long as necessary to ensure proper compliance with recycling regulations.

This new charge will allow the Department of Sanitation to enforce against those buildings that fail to comply with the Commissioner's Order mandating the use of clear plastic bags for the disposal of both refuse and recycling.

The law itself, in §16-324(a) of the New York City Administrative Code imposes flat penalties for each level of offense, rather than a range of dollar amounts. However, the Board is including these penalties in the Recycling-Sanitation Collection Rules Penalty Schedule solely for the convenience of the public, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive.

(2) The Board has revised the Buildings Penalty Schedule found in §3-103 of Subchapter G of Title 48 of the Rules of the City of New York to add one new charge to the Buildings Penalty Schedule for a violation of §27-205 of the Administrative Code, "Failure to grant entry to premises to inspect work-HAZARDOUS." Addition of this charge to the penalty schedule will enable the enforcement of the provisions of §27-205, which provides that the Department of Buildings may enter at reasonable times any building, enclosure or premises, or signs or service equipment attached thereto, for the purpose of determining compliance with the provisions of the Building Code and other applicable laws. Unchecked, faulty construction could have serious ramifications to public safety and building infrastructure. Therefore, it is important to enable enforcement of this charge.

(3) The Board has revised the Noise Code Penalty Schedule found in §3-115 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add the following text at the top of the penalty schedule to read as follows: "*In connection with §24-231(a), a zero penalty may be imposed for admission for a first offense upon submission to DEP (within 30 days of NOV issuance unless extended by DEP) of acceptable certification of compliance as set forth in §24-231(b)(1)." This new text was already included in a prior published final rule that was published on May 4, 2007, in the City Record, which amended the Noise Code Penalty Schedule. However, in that prior published final rule, inadvertently this new text was not underscored so as to indicate that it was new material being added to the Noise Code Penalty Schedule. Accordingly, this text is being included in this final rule in order to clarify that this text is indeed additional material.

(4) The Board has revised the Public Health Law Penalty Schedule found in §3-117 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to increase the penalty for the charge of NYC Public Health Law §1310 (the "Pooper Scooper" law), "Failure to remove canine waste," from a penalty of $50 to a penalty of $100. This is to encourage New Yorkers to comply with §1310, which requires dog owners to pick up after their dogs. Canine waste is not only an unsightly nuisance, it can also pose a health hazard if it is not cleaned up. This penalty is being increased to serve as a more effective deterrent to those who do not pick up after their dogs as required by this law.

2. Statement of Basis and Purpose in City Record May 14, 2009: The Environmental Control Board (ECB) had a Public Hearing on April 15, 2009 on proposed revisions of the Recycling-Sanitation Collection Rules Penalty Schedule found in §3-120 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to (i) add a "Persistent Violator" penalty of $500 to each recycling charge in that Penalty Schedule that does not already have such a penalty, and (ii) to add the definition of "Persistent Violator" to a headnote at the beginning of that Penalty Schedule. One private citizen was present to offer testimony into the public record. No written comments were submitted. The Board has considered the testimony offered at the hearing. The Board has amended the Recycling-Sanitation Collection Rules

Penalty Schedule found in §3-120 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to (i) add a "Persistent Violator" penalty of $500 to each recycling charge in that Penalty Schedule that does not already have such a penalty, and (ii) to add the definition of "Persistent Violator" to a headnote at the beginning of that Penalty Schedule. The imposition of a $500 penalty for persistent violations is authorized by §16-324(a) of the NYC Administrative Code. Pursuant to §16-324(a), a persistent violator is a person who has committed four or more violations within six months of a section of law found in Chapter Three of the NYC Administrative Code or a rule or regulation promulgated pursuant to that Chapter. In some instances, each container or bag of solid waste may result in a separate "persistent violator" charge. Details are set forth in the excerpt from §16-324(a) below:

". . . . For a persistent violation only, except where such violation occurs at a building of less than nine dwelling units, each container or bag containing solid waste that has not been source separated or placed out for collection in accordance with the regulations promulgated by the commissioner pursuant to this chapter shall constitute a separate violation, provided that no more than twenty separate violations are issued on a per bag or per container basis during any twenty-four hour period. Before issuing any further notice of violations to a persistent violator after the fourth violation within a period of six months, the commissioner shall give such violator a reasonable opportunity to correct the condition constitution the violation."

The Penalty Schedule already includes a separate charge for §16-324(a) itself, "Persistent Violator, recycling." Adding the persistent violator penalty of $500 and the definition of persistent violator to each separate recycling charge will enhance the Department of Sanitation's efforts in issuing Notices of Violation to persistent violators. The Board has added the persistent-violator $500 penalty next to each entry in the Recycling-Sanitation Collection Rules Penalty Schedule and a description of the basis for that penalty, to read as follows: "Persistent Violator (fourth or subsequent violation within six months)." The Board also has added a more detailed definition of "persistent violator" to a headnote at the top of the Penalty Schedule, to read as follows: Persistent violator: As is set forth in §16-324 of the Administrative Code, a person committing a fourth and any subsequent violation within a period of six months shall be classified as a persistent violator and shall be liable for a civil penalty of five hundred dollars for each violation. For a persistent violation only, except where such violation occurs at a building of less than nine dwelling units, each container or bag containing solid waste that has not been source separated or placed out for collection in accordance with the regulations promulgated by the commissioner pursuant to this chapter shall constitute a separate violation, provided that no more than twenty separate violations are issued on a per bag or per container basis during any twenty-four hour period.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination

because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil

service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified

in said tables.

2008 per City Record notice. [See Chapter 3 footnote]

Section added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. [See Subchapter G footnote]

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and

(ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including

31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

Mark D. Hoffer

Acting Chairperson

Environmental Control Board

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER G*7 PENALTIES

§3-122 Sanitation Penalty Schedule.

SANITATION PENALTY SCHEDULE

Unless otherwise indicated, all citations are to the New York City Administrative Code.

* For sections 16-118(2) and 16-122(b), a repeat violation requires 12 prior violations by the same respondent of either of these two provisions of law that have a date of occurrence within the 12 months preceding the date of occurrence of the current violation, where the violations have the same place of occurrence.

** For sections 16-118(1),(3),(4),(6), and 16-120(a),(b),(c),(d),(e), and 16-123, a second or third violation is a violation by the same respondent of the same provision of law as the previous violation with a date of occurrence within 12 months of the date of occurrence of the previous violation.

*** For §§10-119 and 10-120 and 16-308(g) and 16-308(h) and 16-404 and 16-405(a) and 16-405(b), and 16-118(7)(b)(2), and 16-118(7)(d), and 16-453(b), 16-453(c), 16-454(b), and 16-454(c), a repeat violation is a violation by the same respondent of the same section of law as the previous violation with a date of occurrence within twelve months of the date of occurrence of the previous violation.

Any person who violates §16-118(7)(b)(1) and/or §16-118(7)(c) while using or operating a motor vehicle, or

owning said motor vehicle, is considered a repeat violator where the same respondent has violated either §16-118(7)(b)(1) or §16-118(7)(c) while using or operating a motor vehicle, or owning said motor vehicle, where the present violation has a date of occurrence within twelve months of the date of occurrence of the previous violation.

Any person who violates §16-118(7)(f)(1)(i) by virtue of owning a motor vehicle that was used in violation of subparagraph one of paragraph b or paragraph c of §16-118(7) is considered a repeat violator where the same respondent has violated §16-118(7)(f)(1)(i) by virtue of owning a motor vehicle that was used in violation of subparagraph one of paragraph b or paragraph c of §16-118(7) where the present violation has a date of occurrence within twelve months of the date of occurrence of the previous violation.

**** For section 16-119, a repeat violation is a violation by the same respondent of the same section of law as the previous violation with a date of occurrence within 18 months of the date of occurrence of the previous violation.

***** For these transfer-station related sections, a repeat violation is a violation by the same respondent of the same subdivision of the same section of law or rule as the previous violation with a date of occurrence within 3 years of the date of occurrence of the previous violation.

****** For these medical-waste related sections, a repeat violation is a violation by the same respondent occurring within 18 months of the date of occurrence of the previous violation.

******* Per day penalties will begin to accrue from the date of the occurrence as set forth on the Notice of Violation. Such per day penalty will continue to accrue until the Respondent either can prove a date specific that the violation has been corrected or until the first scheduled hearing date, which will be set for sixty days from the date of occurrence. For each notice of violation issued, the per day penalty imposed shall not exceed sixty days.

With the exception of §10-119 (posting on a tree), and§16-119, and §16-422, §16-423, §16-426(a), §16-426(b), and §16-428(a), and sections 16-453(b); 16-453(c); 16-454(b), and 16-454(c), pursuant to §3-81(b) a late admit fee of $30.00 will be added to all the below listed penalties for a failure to submit a payment by mail, as per §3-32, within 30 days of the mailing date of the default order issued against respondent.

******** For §16-130 (b) and 16 RCNY §4-44, a repeat violation is a second or subsequent violation by the owner of a premises or of equipment, vehicles or other personal property, committed in a period of three years by any person using or operating the same, in the business of such owner or otherwise, with permission, express or implied, of such owner. As used in this paragraph, "owner" means a person, other than a holder of a security interest, having the property in or title to premises or equipment, vehicles or other personal property, including but not limited to a person entitled to use and possession of premises or equipment, vehicles or other personal property subject to a security interest in another person and also including any lessee or bailee having exclusive use thereof.

HISTORICAL NOTE

Section repealed and reissued (former T15 §31-122) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. [See Chapter 3 footnote]

Section added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. [See Subchapter G footnote]

*** For sections 10-119 . . . previous violation (fourth paragraph amended (inadvertently omitting part of City Record May 9, 2008 amendment) City Record Oct. 10, 2008 §3, eff. Nov. 9, 2008. [See Note 4]

*** For sections 10-119 . . . previous violation (fourth paragraph) amended, fifth paragraph amended City Record May 9, 2008 §1, eff. June 8, 2008. [See Note 2]

*** For sections 10-119 . . . previous violation (fourth paragraph) amended, fifth paragraph added City Record

Dec. 12, 2007 §4, eff. Jan. 11, 2008. [See T48 §3-115 Note 2]

***For sections 10-119 . . . previous violation (fourth paragraph) amended City Record Aug. 16, 2007 §3, eff. Sept. 15, 2007. [See Note 1]

Any person . . . previous violation (fifth paragraph) amended City Record Oct. 10, 2008 §3, eff. Nov. 9, 2008. [See Note 4]

Any person . . . previous violation (fifth paragraph) amended City Record May 9, 2008 §1, eff. June 8, 2008. [See Note 2]

Any person . . . previous violation (fifth paragraph) added City Record Dec. 12, 2007 §4, eff. Jan. 11, 2008. [See T48 §3-115 Note 2]

Any person . . . previous violation (sixth paragraph) added City Record Oct. 10, 2008 §3, eff. Nov. 9, 2008. [See Note 4]

*******Per day . . . sixty days (tenth paragraph) added City Record Oct. 10, 2008 §2, eff. Nov. 9, 2008. [See Note 5]

With the exception . . . respondent (eleventh paragraph) amended City Record Nov. 25, 2008 §20, eff. Nov. 25, 2008 per City Record notice. [See T48 §3-12 Note 1]. Note: This amendment omitted part of City Record Oct. 10, 2008 amendment.

With the exception . . . respondent (eleventh paragraph) amended City Record Oct. 10, 2008 §3, eff. Nov. 9, 2008. [See Note 5]. Note: This amendment inadvertently omitted part of City Record May 9, 2008 amendment.

With the exception . . . respondent (eleventh paragraph) amended City Record May 9, 2008 §2, eff. June 8, 2008. [See Note 2]

NOTE

1. Statement of Basis and Purpose in City Record Aug. 16, 2007:

The Environmental Control Board (ECB) had a Public Hearing on July 19, 2007, on proposed revisions of its Penalty Schedules. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB Penalty Schedules as set forth above.

(1) The Board has revised §3-100, "General," found in Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, to add new text at the end of that section clarifying the fact that some of the penalties in the ECB Penalty Schedules set forth in Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York are penalties that were set as flat penalties by law. Thus, for some of the penalties in the ECB Penalty Schedules, there is no range of penalties set forth in the Administrative Code or other applicable law. However, solely for the convenience of the public, ECB is including these flat penalties in the Penalty Schedules set forth in Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive.

(2) The Board has revised the Public Safety Graffiti Penalty Schedule found in §3-119 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add to that Penalty Schedule one new charge for Administrative Code §27-4047(a), "Use or discharge of fireworks without a permit." This charge is being added to enforce §27-4047(a), which provides that "It shall be unlawful to use or discharge any fireworks within the city without a permit." Pursuant to §27-4047.1, which was enacted by Local Law 69/2005, §27-4047(a) has a set statutory penalty of $750, rather than a range of penalties. However, the Board is including this penalty in the Public Safety Graffiti Penalty Schedule solely for the convenience of the public, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive.

(3) The Board has revised two entries and has added two entries to the Department of Sanitation's Penalty Schedule found in §3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. This was done (i) in order to distinguish the enforcement of §16-118(2)(a) when that Section is used in connection with Notices of Violation that are issued for Dirty Sidewalk, as opposed to the enforcement of §16-118(2)(a) when that Section is used in connection with Notices of Violation that are issued for Dirty Area; (ii) in order to distinguish the enforcement of §16-118(2)(b) when that Section is used in connection with Notices of Violation that are issued for Dirty Sidewalk (Vacant Lot), as opposed to the enforcement of §16-118(2)(b) when that Section is used in connection with Notices of Violation that are issued for Dirty Area (Vacant Lot). This will allow more accurate tracking of enforcement of §§16-118(2)(a) and 16-118(2)(b).

(4) The Board has revised the Sanitation Penalty Schedule found in §3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add three new entries in that Penalty Schedule for violation of Administrative Code §§16-308(g) and 16-308(h). These entries were added in light of the enactment of Local Law 40/2006, which pertains to the composting of yard waste. This law amended the New York City recycling law, found in Title 16, Chapter 3 of the New York City Administrative Code, by requiring residents to place yard waste out for Department of Sanitation (DSNY) collection in paper bags or loose in rigid containers. The law also prohibits both licensed and unlicensed landscapers and gardeners from placing yard waste at the curb for DSNY collection and from

dispersing such yard waste in or about the curb or street. As of October 2008, landscapers and gardeners must dispose of such yard waste at a permitted composting facility, provided that there is sufficient composting capacity in the City or at a facility within ten miles from the borough in which the yard waste was generated. If composting facilities with sufficient capacity do not exist, the yard waste may be disposed of at any appropriately permitted solid waste management facility. The provisions pertaining to residents found in §16-308(g) become effective on April 1, 2007, while the provisions pertaining to landscapers found in §16-308(h) became effective as of October 1, 2008. The law itself, in §16-324(a) of the New York City Administrative Code, imposes flat penalties for each level of offense, rather than a range of dollar amounts. However, the Board is including these penalties in the Sanitation Penalty Schedule solely for the convenience of the public, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive. The Board has also revised the note that is prefaced with three asterisks in the Sanitation Penalty Schedule to reflect the fact that for Sections 16-308(g) and 16-308(h), the prior violations must have been within a twelve month period, to count as a prior violation.

(5) The Board has revised the Sanitation Penalty Schedule found in §3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add three new entries in that Penalty Schedule for violation of Administrative Code §§16-404, 16-405(a) and 16-405(b). These entries have been added in light of the enactment of Local Law 97/2005, which pertains to a recycling program for all rechargeable batteries. The law added a new chapter four to Title 16 of the New York City Administrative Code. The law requires New York City businesses that sell rechargeable batteries (except food stores under 14,000 square feet) to accept from consumers used rechargeable batteries for proper disposal. The law also requires manufacturers to submit a plan to the Department of Sanitation (DSNY) identifying the methods by which the manufacturers will collect, transport and recycle rechargeable batteries collected by retailers. The law also prohibits any person from knowingly disposing of rechargeable batteries as solid waste in New York City. The law itself, in §16-406 of the New York City Administrative Code, imposes flat penalties for each level of offense, rather than a range of dollar amounts. However, the Board has included these penalties in the Sanitation Penalty Schedule solely for the convenience of the public, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive. The Board has also revised the note that is prefaced with three asterisks in the Sanitation Penalty Schedule to reflect the fact that for §§16-404 and 16-405(a) and 16-405(b) the prior violations must have been within a twelve month period, to count as a prior violation.

(6) The Board has revised the Department of Transportation Penalty Schedule found in §3-124 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to change the entry in the "Section/Rule" column of that Penalty Schedule that currently reads "34 RCNY 2-11(g)(2)(iii)," for "Failure to apply for permit within two business days of emergency work," to instead read "34 RCNY 2-11(g)(2)(viii)." The reason for this change is to reflect the proper citation for the charge of "Failure to apply for permit within two business days of emergency work."

2. Statement of Basis and Purpose in City Record May 9, 2008: The Environmental Control Board (ECB) had a Public Hearing on April 14, 2008, on proposed revisions of its Penalty Schedules. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB's Penalty Schedules as set forth above. 1) The Board has revised the Sanitation Penalty Schedule found in §3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add ten new charges pertaining to new legal requirements regarding recycling programs for plastic bags and film plastic. Those new requirements regarding recycling programs for plastic bags and film plastic were established by Local Law No. 1 of 2008, which was signed into law on January 23, 2008. That Local Law creates a new Chapter 4-B within Title 16 of the NYC Administrative Code that requires that certain retailers in the City establish an in-store recycling collection program for plastic bags and film plastic such as dry cleaning bags and shrink wrap. The law also requires retailers to maintain records evidencing the weight of the plastic bags that they collect for recycling and to report this information annually to the Department of Sanitation. In addition, the law requires plastic bag manufacturers to provide for collection and recycling of used plastic bags from retailers; to annually report the weight of such bags to the retailer; and to provide retailers, upon request, with educational materials that encourage the reduction, reuse and recycling of plastic carryout bags. These ten new charges that the Board has added to the Sanitation Penalty Schedule implement these provisions of the law. In connection with these ten new

charges, the Board has also revised one of the headnotes that is in the Sanitation Penalty Schedule to order to indicate what constitutes a repeat violation for the purpose of imposing repeat-violation penalties under the new law. Additionally, the Board has revised another one of the headnotes that is set out in the Sanitation Penalty Schedule in order to indicate the inapplicability of a thirty dollar late fee in connection with certain of these charges. 2) The Board has revised the Department of Transportation Penalty Schedule found in §3-124 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to change the entry in the "Section/Rule" column of that Penalty Schedule for 34 RCNY 2-05(d)(16), which currently reads "failure to house cables/hoses 8 feet above ground," to instead read "fail to house overhead cables/hoses/wires with 14 feet minimum clearance." This revision was made to more accurately reflect the substantive provisions of 34 RCNY 2-05(d)(16), by specifying the requirement that all equipment hoses, cables or wires carried overhead across the sidewalk shall have fourteen feet minimum clearance. 3) The Board has revised the Department of Transportation Penalty Schedule found in §3-124 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add fifteen new charges pertaining to newsrack requirements set forth in §2-08 of Title 34 of the Rules of the City of New York. These new charges are in addition to the current charges in the Penalty Schedule that pertain to newsracks, which cite to provisions of Title 19 of the NYC Administrative Code rather than to provisions of the Rules of the City of New York. These new charges have been added to that Penalty Schedule to enable the Department of Transportation to have the enforcement option of citing to the provisions of the Rules of the City of New York, which in some cases are more specific and detailed in their provisions than are the corresponding sections of the NYC Administrative Code.

3. Statement of Basis and Purpose in City Record July 2, 2008: The Environmental Control Board (ECB) and the Department of Sanitation (DSNY) had a joint Public Hearing on June 4, 2008. There were four individuals present to offer verbal comments into the public record. Two were private citizens, one was a representative from Councilman Vincent Gentile's Office, and one was Councilman Simcha Felder. The Board has revised the Sanitation Penalty Schedule found in §31-122 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add one charge, for a violation of NYS General Business Law §397-a, for placement of unsolicited advertisements on private property without the authorization of the property owner. This charge is being added in light of the fact that on January 28, 2008, Governor Spitzer signed into law Chapter 3 of the Laws of 2008, in relation to the distribution of unsolicited advertising on private property. This law amends §397-a of the General Business Law to prohibit persons or entities, in cities having a population of one million or more, from placing advertisements, circulars, etc. at private premises where the owner displays a conspicuous sign, at least 5 inches by 7 inches in size, stating "Do Not Place Unauthorized Materials On This Property." Mayor Bloomberg has designated the NYC Department of Sanitation to enforce this law. Accordingly, a new charge, corresponding to the provisions of the new law, has been added to the Sanitation Penalty Schedule to enforce against violations thereof.

4. Statement of Basis and Purpose in City Record Oct. 10, 2008: The Environmental Control Board (ECB) had a Public Hearing on August 25, 2008, on proposed revisions of its Sanitation Penalty Schedule. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB's Penalty Schedules as set forth above. The Board has revised the charge codes associated with two charges in the Sanitation Penalty Schedule found in §31-122 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York. Those two charge codes pertain to the theft of recyclables and solid waste. Specifically, for the charge description that currently reads "Unauthorized Removal of Recyclable Materials from residential premises or vacant lots using a motor vehicle (Owner)," the charging section has been changed from §16-118(7)(b)(1) to §16-118(7)(f)(1)(i). Also, for the charge description that currently reads, "Unauthorized Removal of recyclable materials from commercial premises by using a motor vehicle. (Owner)," the charging section has been changed from §16-118(7)(c) to §16-118(7)(f)(1)(i). This is because §16-118(7)(f)(1)(i) better corresponds to these substantive charges. The penalties associated with these violations remain unchanged. The Board has also revised the note in the Sanitation Penalty Schedule found in §31-122 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York that is prefaced with three asterisks (***) to reflect the fact that for §16-118(7)(f)(1)(i), any person who violates §16-118(7)(f)(1)(i) by virtue of owning a motor vehicle that was used in violation of subparagraph one of paragraph b or paragraph c of §16-118(7) is considered a repeat violator where the same respondent has violated §16-118(7)(f)(1)(i) by virtue of owning a motor vehicle that

was used in violation of subparagraph one of paragraph b or paragraph c of §16-118(7) where the present violation has a date of occurrence within twelve months of the date of occurrence of the previous violation. This revision to the note in the Sanitation Penalty Schedule gives effect to the statutory language of §16-118(7)(f)(1)(i), which sets forth these repeat-violator provisions.

5. Statement of Basis and Purpose in City Record The Environmental Control Board (ECB) had a Public Hearing on August 25, 2008 on proposed revisions of its Sanitation Penalty Schedule found in §31-122 of Subchapter G of Title 31 of the Rules of the City of New York. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB's Penalty Schedule as set forth above. The Board has added seven new charges to the Department of Sanitation's Penalty Schedule pursuant to the enactment of Local Law 13 of 2008. Local Law 13 amends the Administrative Code of the City of New York in relation to the collection for recycling, reuse and safe handling of electronic equipment in the City of New York. The intention is to establish a system to provide for the collection, handling, recycling or reuse of electronic equipment in the City. Specifically, the Local Law creates a new Chapter 4-A within Title 16 of the Administrative Code of the City of New York that requires manufacturers of certain electronic equipment-such as computers, monitors and televisions-to collect their products offered for return by any person in the City, and to ensure that the equipment is properly disposed of in accordance with existing laws and EPA guidelines. Also, manufacturers are required to submit an electronic waste management plan to the New York City Department of Sanitation ("DSNY"), describing in detail how they would implement the requirements of the law. This law also makes it unlawful for manufacturers and others to dispose of electronic waste in the City's solid waste stream. As a result, the Board is adding these new charges to the Penalty Schedule. The effective dates of the various Sections of Law set forth in these new charges vary, and are set forth in Local Law 13. Specifically, for §16-423 ("failure of a manufacturer to submit initial electronic waste management plan to DSNY" & "failure of manufacturer to submit a valid electronic waste management plan to DSNY after it has been disapproved by DSNY more than two times") the effective date is September 1, 2008; for §16-422 (failure of manufacturer to accept covered electronic equipment or orphan waste pursuant to manufacturer's electronic waste management plan), and for 16-426(b) (improper disposal by manufacturer of electronic equipment as solid waste), and for 16-428(a) ("failure of manufacturer to submit annual report by July 1st of each calendar year" & "submission of annual report by manufacturer that contains false or misleading information") the effective date is July 1, 2009; and for §16-426(a) ("improper disposal by person of electronic equipment as solid waste") the effective date is July 1, 2010. Three of the charges (both §16-423 charges, and also one of the §428(a) charges, regarding the failure of a manufacturer to submit an annual report by July 1, of each calendar year) have per-day penalties of $1000 per day. These per day penalties are mandated by §16-427(d), established by Local Law 13 of 2008. This per-day penalty will run from the date of occurrence for a maximum of 60 days, the anticipated first scheduled ECB hearing date. Specifically, such per day penalty will continue to accrue until the Respondent either can prove a date specific that the violation has been corrected or for sixty days, whichever comes first.

6. Statement of Basis and Purpose in City Record Oct. 2, 2009: The Environmental Control Board (ECB) held a Public Hearing on August 6, 2009 on revisions to the Sanitation Penalty Schedule found in §3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York in light of the enactment of Local Law No. 13 of 2009 that amended Chapter 3 of Title 16 of the Administrative Code of the City of New York by adding a new subchapter 8 entitled SOLID WASTE AND RECYCLABLE MATERIALS AT STREET EVENTS. Neither written comments nor oral testimony were presented. Local Law No. 13 amends the Administrative Code of the City of New York in relation to street cleaning and the collection and removal of solid waste and recyclable materials at street events. The Board has added five new charges set forth above to the Sanitation Penalty Schedule in accordance with this local law. Local Law No. 13, effective February 13, 2009, implements a change to the New York City Administrative Code by ensuring that all designated recyclable materials generated at multi-day, multi-block street events are properly source separated for recycling, and that whatever cannot be recycled is discarded properly. Local Law 13 holds event organizers responsible for providing separate receptacles for solid waste and recyclables at each intersection of the street event, and monitoring those receptacles to ensure that they do not overflow and cause littered street conditions. Event organizers must also arrange for proper collection of these materials at the end of the night. The purpose of this law is to increase recycling

awareness and participation among all New Yorkers and tourists alike who attend the City's many street events. The definition of &#34§reet event" excludes the typical residential block party if it occupies no more than one block, for no more than one day and where no licensed vendor participates. It should be noted that a violation of ;st16-327(a), "Failure to Dispose of Solid Waste and Recyclable Materials Properly," occurs when a sponsor or production manager fails to arrange for removal of solid waste and recyclable materials at street events by private carter or by the New York City Department of Sanitation. The Penalty provisions in Local Law No. 13 for street cleaning and the collection and removal of solid waste and recyclable materials at street events are set forth in §16-328 of the Administrative Code of the City of New York. Local Law No. 13 contains only a flat penalty and not a range. For each of these five new charges, 16-327(a), 16-327(b)(1), 16-327(b)(2), 16-327(b)(3) and 16-327(b)(4), the penalties are $100 per violation, up to $500 per day or $2,000 per street event. Solely for the convenience of the public, ECB is including the five new charges in its penalty schedule as set forth in subchapter G of Title 3 of Chapter 48 of the Rules of the City of New York to ensure that ECB's Penalty Schedules are as comprehensive as possible.

7. Statement of Basis and Purpose in City Record Dec. 23, 2009: The Environmental Control Board (ECB) held a Public Hearing on November 19, 2009 on various amendments to the Sanitation Penalty Schedule found in §3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. Neither written comments nor oral testimony were presented. The Board has revised the Sanitation Penalty Schedule found in §3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to include violations pertaining to the regulation of intermodal solid waste container facilities ("intermodal facilities"). An intermodal solid waste container facility is a facility or premises that is served by rail or vessel at which intermodal containers of solid waste are transferred from one transport vehicle to another for shipment by rail or vessel to an authorized disposal or treatment facility, where the contents of each container remain in the same closed container during the transfer between transport vehicles, and storage remains incidental to transport at the location where the containers are consolidated. Section 16-130 of the Administrative Code of the City of New York prohibits the operation of any solid waste facility without proper authorization from the New York City Department of Sanitation (DSNY). DSNY published final rules relating to the registration and operational requirements for intermodal facilities in 2004. These rules can be found in Subchapter D of Chapter 4 of Title 16 of the Rules of the City of New York. The registration requirements for an intermodal facility, as set forth in the rules, are authorized pursuant to §16-130(b) of the New York City Administrative Code. That section allows DSNY to establish by rulemaking one or more classes of permits. A registration for an intermodal facility is considered a class of permit under §16-130(b). The other rules found in Subchapter D set forth operation and maintenance requirements for an intermodal facility, including, but not limited to, the following: (1) the intermodal facility must be maintained in a safe and sanitary manner; (2) all solid waste received at the facility must be in intermodal containers at all times, including during receipt, storage and removal and (3) the intermodal facility must keep detailed records regarding the type and volume of solid waste received at the facility, the name of the solid waste management facility where the solid waste was loaded into the intermodal containers, and the destination of the solid waste. Penalties for violating these rules are set forth in §16-133(a) (2) of the Administrative Code, which allows for the imposition of a civil penalty of "not less than $2500 nor more than $10,000 for the first violation, not less than $5000 nor more than $10,000 for the second violation committed within a period of three years, and $10,000 for the third and any subsequent violation committed within such period." The default penalty for each offense is $10,000. The Board has added a head note to the Sanitation Penalty Schedule found in §3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. The head note is prefaced with eight asterisks (********) and reflects the definition of repeat violator contained in §16-133 (a) (2) of the New York City Administrative Code.

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further

provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of

the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

Mark D. Hoffer

Acting Chairperson

Environmental Control Board

48 RCNY 3-123

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER G*7 PENALTIES

§3-123 Sewer Control Rules Penalty Schedule.

SEWER CONTROL RULES PENALTY SCHEDULE

The name "Division of Pollution Control and Monitoring" is abbreviated as "DPCM."

The term "Not Applicable" is abbreviated as "N/A."

The term "Notice of Violation" is abbreviated as "NOV."

Citations preceded by "A.C." are to the NYC Administrative Code.

Pursuant to §3-81(b), a late admit fee of $30.00 will be added to all the below listed penalties for a failure to submit a payment by mail, as per §3-32, within 30 days of the mailing date of the default order issued against respondent.

For purposes of this Penalty Schedule, the term "serious" in the charge for A.C. Title 24, Ch. 5/15 RCNY Ch. 19, for "any serious Admin. Code Rule violation" is defined as "any violation resulting in injury to human, animal, or aquatic life, harm to public health or the environment, or damage to the publicly owned treatment works or its collection system."

A second, third and/or subsequent violation shall be based on the following criteria: (1) an offense by the same respondent; (2) the prior NOV(s) is for the same subsection and paragraph of the same regulation as the current NOV; (3) the offense does not have to involve the same premises, equipment and/or vehicle; (4) the prior NOV(s) was concluded by a finding of violation or an admission or a default and has a date of offense within 1 year of the date of offense of the current NOV; and (5) if NOV(s) with different dates of offense are adjudicated at the same hearing, each NOV shall serve as a prior violation for all subsequently issued NOV's.

The default penalty for all charges in this Penalty Schedule is $10,000.

Mitigation, if applicable, shall be determined as per notes 1 through 9 below, and as indicated in the mitigation penalty column ("MIT. PENALTY") of this Penalty Schedule, and also as per "Compliance Incentives Policy Mitigation" set out below.

1 19-03(a)(9)19-04(a)-(c) Mitigation DPCM has received the results of sampling conducted by the respondent subsequent to the date of offense which are in compliance with applicable limits and deemed acceptable by DPCM. Such results must be received by DPCM within 30 calendar days from the date of service of the NOV. The burden of proving compliance shall be upon the respondent.

2 24-524(f) Mitigationfailureto comply DPCM has received proof deemed acceptable by DPCM that the Commissioner of Environmental Protection's order or permit has been fully complied with, within 30 calendar days from the due date for compliance with said order, or report due date.

3 19-03(a)(4)-(8)19-03(a)(10)-(11)19-03(a)(15) Mitigation DPCM has received proof deemed acceptable by DPCM that the spill/discharge was accidental, that the respondent has properly reported the spill/discharge to DPCM, has taken adequate measures to minimize the extent of the spill/discharge, and has properly cleaned the spill/discharge.

4 24-524(f) Mitigationfailure tocomply DPCM has received proof deemed acceptable by DPCM that the Commissioner of Environmental Protection's order or permit has been fully complied with, within 30 calendar days from the due date for compliance with said order, or report due date. Alternatively, a prior NOV exists for the same commissioner of environmental protection's order or permit reporting requirement (i.e. same report was due) and has a date of offense within 1 year of the date of offense of the current NOV and DPCM has received proof deemed acceptable by DPCM that the commissioner of environmental protection's order or permit has been fully complied with within 30 calendar days from the date of service of the current NOV.

5 19-02(a), (d)19-05(e)19-06(b) Mitigation DPCM has received proof deemed acceptable by DPCM that the violation has been corrected within 30 calendar days from the date of service of the NOV.

6 19-03(a)(12) Mitigationdischargeburdensometo plant DPCM has received proof deemed acceptable by DPCM that the respondent has immediately ceased the unauthorized discharge, performed a proper cleanup, if applicable, and taken adequate measures to prevent future unauthorized discharges.

7 24-509(c) Mitigationfailure toconnectto publicsewer Respondent has DEP house connection permit by first scheduled hearing date and connects within three weeks of the first scheduled hearing date.

8 24-509(c) Mitigationfailure toconnectto publicsewer Respondent files plumbing repair application with department of buildings by first scheduled hearing date and completes connection within five weeks of the first scheduled hearing date.

9 24-509(c) Mitigationfailure toconnectto publicsewer Respondent fails to initiate the connection process by first scheduled hearing date but completes connection within seven weeks of the first scheduled hearing date.

COMPLIANCE INCENTIVES POLICY MITIGATION

IF RECOMMENDED BY DPCM, PENALTIES MAY BE ASSESSED UNDER THE TERMS OF THE NEW YORK CITY DEPARTMENT OF ENVIRONMENTAL PROTECTION'S POLICY ON INCENTIVES FOR BUSINESSES TO COMPLY WITH REGULATIONS GOVERNING DISCHARGES TO PUBLIC SEWERS, ALSO KNOWN AS THE COMPLIANCE INCENTIVES POLICY (CIP). A COPY OF THE CIP CAN BE OBTAINED FROM THE NEW YORK CITY DEPARTMENT OF ENVIRONMENTAL PROTECTION BUREAU OF WASTEWATER TREATMENT, DIVISION OF POLLUTION CONTROL AND MONITORING. THE ACTUAL TEXT OF THE CIP SHALL BE DETERMINATIVE OF THE REQUIREMENTS FOR MITIGATION UNDER THE CIP.

SEE BELOW FOR A BRIEF SUMMARY OF THE CIP. SEE ALSO THE CIP PENALTY REDUCTION TABLE, BELOW.

Summary of CIP

(See actual CIP for further details)

Qualifying violations will be: 1) violations discovered through a voluntary on-site compliance assistance program, as per the terms of the CIP; 2) violations discovered through an environmental self-audit, as per the terms of the CIP; 3) violations discovered through special testing, sampling, or monitoring performed by a business for the purpose of evaluating or upgrading its equipment or processes, as per the terms of the CIP.

The disclosure of the violation must occur within the time frames required by the CIP, and before the violation was otherwise discovered by, or reported to DPCM, and cannot be a result of legally mandated monitoring or sampling requirement prescribed by statute, regulation, permit, judicial or administrative order, or consent agreement.

As described in the CIP, businesses must correct the violations within the shortest practicable period of time, not to exceed 90 days following detection of the violation, unless an additional 90 day period is approved by DPCM, only if necessary to allow the business to correct the violation by implementing pollution prevention measures.

Additional requirements include, but are not limited to (see actual CIP for all requirements, and for further details);

a) the business immediately corrects threats to the public's health, safety or the environment; and

b) the business has not intentionally, knowingly, recklessly, or with criminal or gross negligence caused harm to public health, safety or the environment; and

c) the violation does not involve criminal conduct; and

d) the violation does not cause the publicly-owned treatment works facility, which treats the related NYC sewer discharge where the violation occurred, to exceed its effluent limitations; and

e) the business has not received any NOVs, for the same subsection and paragraph of the same regulation as the current NOV, with a date of offense within two years prior to the date of offense of the current NOV, or alternatively, at DPCM's discretion, the business either funds an environmentally beneficial project that contributes to the betterment of the NYC wastewater collection and treatment system (or other related or non-related Department of Environmental Protection concerns), or attends a mandatory user-paid environmental education program.

CIP Penalty Reduction Table

If Respondent also qualifies for a non-CIP mitigated penalty, the CIP percentage penalty reduction shall be applied to the mitigated penalty amount.

Determining Factors For Reduction in Penalty Percent Reduction In Penalty

All CIP requirements satisfied, and violation corrected within 90 days following detection of the violation, and no prior NOV for the same subsection and paragraph as current NOV within 2 years, and no harm to public health, safety or the environment. 100%

All CIP requirements satisfied, and violation corrected within 180 days (with DPCM approval). Instead of 90 days following detection of the violation, and no prior NOV for the same subsection and pragraph as current NOV within 2 years, and no harm to public health, safety or the environment. 90%

All CIP requirements satisfied, and violation corrected within 90 days following detection of the violation, and NOV exists for same subsection and paragraph within 2 years, but environmentally beneficial project funded or environmental education program attended, and no harm to public health, safety or the environment. 80%

All CIP requirements satisfied, and violation corrected within 180 days (with DPCM approval), instead of 90 days following detection of the violation, and NOV for the same subsection and paragraph within 2 years but environmentally beneficial project funded or environmental education program attended, and no harm to public health, safety or the environment. 70%

All CIP requirements satisfied, and violation corrected within 90 days following detection of the violation, and no prior NOV for the same subsection and paragraph as current NOV within 2 years, and harm to public health, safety or the environment, but not intentionally, knowingly, recklessly, or with criminal or gross negligence. 60%

All CIP requirements satisfied, and violation corrected within 180 days (with DPCM approval) instead of 90 days following detection of the violation, and no prior NOV for the same subsection and paragraph as current NOV within 2 years, and harm to public health, safety or the environment, but not intentionally, knowingly, recklessly, or with criminal or gross negligence. 50%

All CIP requirements satisfied, and violation corrected within 90 days following detection of the violation, and NOV exists for same subsection and paragraph within 2 years, but environmentally beneficial project funded or environmental education program attended, and harm to public health, safety, or the environment, but not intentionally, knowingly, recklessly, or with criminal or gross negligence. 40%

All CIP requirements satisfied, and violation corrected within 180 days (with DPCM approval) of the violation, and NOV exists for same subsection and paragraph within 2 years, but environmentally beneficial project funded or environmental education program attended, and harm to public health, safety or the environment, but not intentionally, knowingly, recklessly, or with criminal or gross negligence. 30%

HISTORICAL NOTE

Section repealed and reissued (former T15 §31-123) City Record Nov. 24, 2008 §1, eff. Nov. 24,

2008 per City Record notice. [See Chapter 3 footnote]

Section repealed and added City Record June 20, 2005 §14, eff. July 20, 2005. [See T48 §3-101

Note 1]

Section added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. [See Subchapter G footnote]

Fifth unnumbered par amended City Record May 14, 2009 §1, eff. June 13, 2009. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record May 14, 2009:

As a result of a previous amendment to ECB rules, all ECB rules have now been transferred into Chapter 3 of Title 48 of the Rules of the City of New York (RCNY) from Chapter 31 of Title 15 of the RCNY. This transfer of ECB rules into Chapter 3 of Title 48 was due to the fact that, pursuant to the mandate of Local Law 35 of 2008, ECB was consolidated with the Office of Administrative Trials and Hearings as of November 23, 2008. As a result of the transfer of ECB rules into Chapter 3 of Title 48, ECB also previously re-numbered the section numbers of all ECB rules so that every section number previously prefaced with a "31-" (for "Chapter 31" of 15 RCNY) is now prefaced with a "3-" (for Chapter 3 of 48 RCNY). No written comments were received on this proposed rule.

Various sections of ECB's rules include cross-references to other sections of ECB's rules. Accordingly, the Board also previously amended the various cross-references within ECB's rules so that the cross-references now correctly refer

to the other sections of ECB's rules as being prefaced with a "3-" rather than with a "31-".

However, due to a ministerial oversight, ECB did not amend a few of these section number references. Accordingly, ECB has corrected that ministerial oversight. Specifically, in preliminary paragraphs at the beginning of §§3-123 through 3-126 of Title 48, ECB has amended the cross-references in those paragraphs. The citation in those paragraphs that previously read "section 31-81(b)" now reads "3-81(b)", and the citation in those paragraphs that previously read "section 31-32" now reads "3-32."

No public hearing regarding the proposed rule was held, pursuant to New York City Charter §1043(d)(ii), because such a public hearing would serve no public purpose. This is in view of the fact that this rule merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed

regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

Mark D. Hoffer

Acting Chairperson

Environmental Control Board

Approved: Michael R. Bloomberg, Mayor

34 RCNY 2-11(e)(12)(x) Failure to permanently restore cut within required time 800 2,400

34 RCNY 2-11(e)(10)(vi) Failure to use skid resistant plating and/or decking on roadway 1,000 5,000

34 RCNY 2-11(e)(12)(viii) Failure to seal street opening joints 100 300

34 RCNY 2-11(e)(12)(ix) Failure to restore lane markings 750 2,250

34 RCNY 2-11(e)(14)(i) Failure to apply color code identifying permittee 50 150

34 RCNY 2-02(c)(2) Failure to display required signs at work site 250 350

34 RCNY 2-11(e)(4)(v) Failure to post flagperson at worksite to give directions 800 2,400

34 RCNY 2-11(e)(16)(iii) Failure to comply with DOT Standard Specifications 400 1,200

34 RCNY 2-04(f)(1) Canopy erected/maintained on a restricted street 150 450

A.C. 19-136(b) Vehicle(s) on sidewalk 50 300

34 RCNY 2-11(g)(1)(i) Working without a valid emergency number 1,000 3,000

34 RCNY 2-11(g)(1)(ii) Doing non-emergency work with an emergency authorization number 1,000 3,000

34 RCNY 2-11(g)(2)(i) Failure to begin emergency work within 2 hrs after authorization 500 1,500

34 RCNY 2-11(g)(2)(ii) Failure to perform emergency work around the clock 1,000 3,000

34 RCNY 2-11(g)(2)(viii) Failure to apply for permit within two business days of emergency work 250 750

34 RCNY 2-07(a)(3) Restricting more than 11ft of roadway by opening covers/gratings 500 1,600

34 RCNY 2-07(a)(4) Opening more than two consecutive covers/gratings 500 1,600

34 RCNY 2-07(c)(4)(iv) Fail to perform emergency work around the clock(covers/gratings) 1,000 3,000

34 RCNY 2-07(c)(4)(v) Fail to notify DOT of completion of emergency work(covers/gratings) 250 750

34 RCNY 2-11(e)(4)(ii) Failure to plate excavation in driving lane or intersection 1,200 3,600

34 RCNY 2-11(e)(2) Use of Ram Hoe/truck mounted pavement breaker to precut pavement 250 400

34 RCNY 2-11 (e)(11)(iv) Failure to use correct ratio of asphalt binder 400 1200

34 RCNY 2-11 (e)(11)(v) Failure to restore concrete base at same grade as existing base 400 1200

34 RCNY 2-11 (e)(11)(vi) Installing asphalt other than binder as a base course 400 1200

34 RCNY 2-11 (e)(11)(vii) Installation of shallow conduit without department approval 250 500

34 RCNY 2-11 (e)(12)(iii) Failure to provide minimum thickness of wearing course on full depth asphalt restoration 400 1200

34 RCNY 2-11 (e)(12)(v) Failure to restore entire pavement between street opening and curb 400 1200

34 RCNY 2-11 (e)(12)(vi) Failure to restore street in kind (non-historic district) 750 2250

34 RCNY 2-11 (e)(12)(ix) Installing Construction Signs w/o a Permit 150 450

34 RCNY 2-11 (e)(13)(ii) Failure to restore concrete pavement at the same depth, strength and finish as original pavement 400 1200

34 RCNY 2-11 (e)(13)(v) Installing asphalt on a concrete street or concrete bus stop area 700 2100

34 RCNY 2-11 (e)(14)(iii) Failure to install a color coding marker at the end of the restoration 50 150

34 RCNY 2-13(l)(2) Failure to repair sidewalk covering a vault 250 400

34 RCNY 2-14(e)(2)(v) Failure to maintain and/or replace weatherproof receptacles as necessary for holiday/temp. lighting. 150 300

34 RCNY 2-14(e)(2)(viii) Failure to obtain and maintain the required insurance for holiday/temp. lighting. 250 500

34 RCNY 2-14(e)(2)(ix) Failure to obtain a DOT permit prior to commencing work for holiday/temp. lighting. 250 500

34 RCNY 2-14(e)(2)(x) Failure to remove temporary lighting and related equipment when required for holiday/temp. lighting. 250 500

34 RCNY 2-14(e)(2)(xiii) Use of electrical service exceeding 120 volts and/or fused larger than 15 amperes for holiday/temp. lighting. 250 500

34 RCNY 2-14(e)(2)(xiv) Failure to comply with minimum height clearances for holiday/temp. lighting. 250 500

34 RCNY 2-14(e)(2)(xv) Supporting or securing holiday/temp. lighting to a fire escape or drainpipe; failure to insulate temporary lighting. 250 500

34 RCNY 2-14(e)(2)(xviii) Failure to obtain DOT approval for adjustments to work on holiday/temp. lighting. 200 400

34 RCNY 2-14(e)(2)(xix) Failure to perform changes mandated by the Department on holiday/temp. lighting. 150 300

34 RCNY 2-14(e)(2)(xxi) Failure to certify work for holiday/temp. lighting. 150 300

34 RCNY 2-14 (f)(4)(i) Commercial refuse cont. stored/placed in "No Stopping," "No Standing," or "No Parking Anytime" area 250 750

34 RCNY 2-14 (f)(4)(ii) Commercial refuse container stored/placed within fifteen feet of a hydrant 250 750

34 RCNY 2-14 (f)(6) Improperly labeled commercial refuse container 250 750

34 RCNY 2-14 (f)(9) Commercial refuse container w/o proper reflective markings on all four sides 250 750

34 RCNY 2-14 (f)(11) Commercial refuse container/debris obstructing sidewalks, gutters, crosswalks or driveway 250 750

Admin. Code 19-176(c) Riding bicycle on sidewalk in manner which endangers any person or property-FIRST OFFENSE 150 300

Admin. Code 19-176(c) Riding bicycle on sidewalk in manner which endangers any person or property-SECOND OFFENSE 300 600

Admin. Code 19-176(c) Riding bicycle on sidewalk in manner which endangers any person or property and causes physical contact with a person-FIRST OFFENSE 250 500

Admin. Code 19-176(c) Riding bicycle on sidewalk in manner which endangers any person or property and causes physical contact with a person-SECOND OFFENSE 500 1,000

19-128.1(b)(1) Newsrack exceeds size limits 100 500

19-128.1(b)(2) Newsrack used for impermissible advertising/promotional purposes 100 500

19-128.1(b)(3) Failure to keep coin return mechanism in good working order 100 500

19-128.1(b)(4) Failed to affix correct name/address/tel. no. to newsrack as per subsection 100 500

19-128.1(b)(5),(6) Newsrack placed/installed/maintained in improper location 250 500

19-128.1(b)(7) Failed to place/install newsrack in a manner so that it cannot be tipped over 250 500

19-128.1(c)(1) Failed to notify DOT of newsrack info and compliance as per subsection 3,000 4,000

19-128.1(c)(2) Failed to notify DOT of required newsrack information for 1-99 racks 375 500

19-128.1(c)(2) Failed to notify DOT of required newsrack information for 100-249 racks 550 750

19-128.1(c)(2) Failed to notify DOT of required newsrack information for 250-499 racks 1,100 1,500

19-128.1(c)(2) Failed to notify DOT of required newsrack information for 500-749 racks 1,700 2,250

19-128.1(c)(2) Failed to notify DOT of required newsrack information for 750-999 racks 2,300 3,000

HISTORICAL NOTE

Section repealed and reissued (former T15 §31-124) City Record Nov. 24, 2008 §1, eff. Nov. 24,

2008 per City Record notice. [See Chapter 3 footnote]

Section added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. [See Subchapter G footnote]

Third unnumbered par amended City Record May 14, 2009 §2, eff. June 13, 2009. [See T48 §3-123 Note 1]

Table 34 RCNY 2-05(d)(16) amended City Record May 9, 2008 §4, eff. June 8, 2008. [See T48 §3-122 Note 2]

Table 19-147(d) "Failure . . . castings" added City Record Nov. 14, 2005 §2, eff. Dec. 14, 2005. [See T48 §3-114 Note 1]

Table 34 RCNY 2-02(m) "Illegal . . . period" added City Record Nov. 14, 2005 §2, eff. Dec. 14, 2005. [See T48 §3-114 Note 1]

Table 34 RCNY 2-07(a)(5) "Toolcart . . . walkway" added City Record Nov. 14, 2005 §2, eff. Dec. 14, 2005. [See T48 §3-114 Note 1]

Table 34 RCNY 2-07(a)(5) "Toolcart . . . permit" added City Record Nov. 14, 2005 §2, eff. Dec. 14, 2005. [See T48 §3-114 Note 1]

Table 34 RCNY 2-07(a)(5) "Toolcart . . . driveway" added City Record Nov. 14, 2005 §2, eff. Dec. 14, 2005. [See T48 §3-114 Note 1]

Table 34 RCNY 2-07(b)(2) "Failure . . . cover/grating" added City Record Nov. 14, 2005 §2, eff. Dec. 14, 2005. [See T48 §3-114 Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Oct. 31, 2007:

The Environmental Control Board (ECB) had a Public Hearing on October 22, 2007, on proposed revisions of its Penalty Schedules. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB's Penalty Schedules as set forth above.

(1) The Board has amended the Sanitation Penalty Schedule found in §3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to increase the penalties for second and third offenses of subdivision (e) of §16-120 of the New York City Administrative Code. These entries are being added in light of the enactment of Local Law 42 of 2007. The Local Law amends subdivisions (e) and (f) of §16-120 of the New York City Administrative Code. This section currently authorizes DSNY to issue violations to persons who deposit household or commercial

refuse or liquid waste in public litter baskets. The Local Law amends subdivision (e) of §16-120 of the Administrative Code by creating a rebuttable presumption that the person whose name, or other identifying information, appears on any household or commercial refuse or liquid wastes deposited in such public litter basket violated that subdivision.

This Local Law also amends §16-120(f) in relation to increasing penalties for dumping household and commercial refuse into public litter baskets. Specifically, it creates a separate repeat violator scheme for those who violate subdivision (e) of §16-120 by improperly using public litter baskets. Accordingly, the Board is amending the Sanitation Penalty Schedule found in §3-122 of Subchapter G of Chapter 3 of Title 48 of The Rules of the City of New York to reflect the higher penalty ranges set out in the Local Law for repeat violations of subdivision (e).

(2) The Board has amended the Department of Transportation Penalty Schedule found in §3-124 of Subchapter G of Chapter 3 of Title 48 of The Rules of the City of New York to add ten new charges for violations of §2-14 of Chapter 2 of Title 34 of The Rules of the City of New York (the "Highway Rules") pertaining to Temporary Festoon/Holiday Lighting and/or other Temporary Lighting.

The establishment of these new charges and associated penalties will effectuate the enforcement of §2-14. Enforcement of these provisions will aid in minimizing electrical hazards on the City streets and sidewalks and will also make contractors more consistent in their work and provide increased public safety. These new charges and penalties will also serve as a deterrent to those who may disregard and violate §2-14, thereby potentially endangering public safety by creating a potential for stray voltage conditions and/or obstructing the function and visibility of traffic control devices.

These ten new charges are as follows: (a) Failure to maintain and/or replace weatherproof receptacle as necessary for holiday/temp. lighting; (b) Failure to obtain and maintain the required insurance for holiday/temp. lighting; (c) Failure to obtain a DOT permit prior to commencing work for holiday/temp. lighting; (d) Failure to remove temporary lighting and related equipment when required for holiday/temp. lighting; (e) Use of electrical services exceeding 120 volts and/or fused larger than 15 amperes for holiday/temp. lighting; (f) Failure to comply with minimum height clearances for holiday/temp. lighting; (g) Supporting or secured holiday/temp. lighting to a fire escape or drainpipe; failure to insulate temporary lighting; (h) Failure to obtain DOT approval for adjustments to work on holiday/temp. lighting; (i) Failure to perform changes mandated by the Department on holiday/temp. lighting and (j) Failure to certify work for holiday/temp. lighting.

2. Statement of Basis and Purpose in City Record Dec. 9, 2008: The Environmental Control Board (ECB) had a Public Hearing on November 6, 2008 on proposed revisions of its Department of Transportation Penalty Schedule. Neither written material nor testimony was presented at the Public Hearing on the proposed rule revisions to the ECB's Penalty Schedules as set forth above. The Board has amended the Department of Transportation Penalty Schedule found in §31-124 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to change the numbering of three sections to reflect the re-numbering of those sections that was effected by a Final Rule promulgated by the New York City Department of Transportation on June 7 of 2007. Specifically, §34 RCNY 2-11(e)(12)(xi) is renumbered 34 RCNY 2-11(e)(12)(x); §34 RCNY 2-11(e)(12)(ix) is renumbered 34 RCNY 2-11(e)(12)(viii); and §34 RCNY 2-11(e)(12)(x) is renumbered 34 RCNY 2-11(e)(12)(ix). The descriptions and penalties for these charges remain the same.

3. Statement of Basis and Purpose in City Record Oct. 2, 2009: The Environmental Control Board (ECB) held a Public Hearing on August 6, 2009 on the addition of nineteen new charges for violations of Chapter 2 of Title 34 of the Rules of the City of New York (RCNY) (the "Highway Rules) to the Department of Transportation (DOT) Penalty Schedule found in §3-124 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. Neither written comments nor oral testimony were presented. In Section 1, ECB has added three charges alleging violations of §34 RCNY 2-09 (f)(4). With regard to 34 RCNY 2-09 (f)(4)(viii), "Failure to fully replace defective sidewalk flag," DOT rules require that sidewalk flags shall be 5'x 5' where feasible and that all flags containing substantial defects (as defined in §19-152 of the New York City Administrative Code) be fully replaced. In general, sidewalk flags that are

patched or not installed/repaired fully fail to withstand yearly freeze and thaw cycles and cause a weakening of the surrounding area. With regard to 34 RCNY 2-09 (f)(4)(xiv), "Failure to install pedestrian ramp as per DOT drawings," DOT rules state that any person constructing, reconstructing or repairing a corner shall install pedestrian ramps in accordance with the specifications and in accordance with the latest revision of Standard Drawing H-1011. With regard to 34 RCNY 2-09 (f)(4)(xvi)(A), "Failure to repair distinctive sidewalk in kind," DOT rules require that sidewalks of a distinctive design or material may be permitted and shall harmonize with the architecture of the abutting building and/or area. In areas where various community boards or Business Improvement Districts have restored areas to landmark status or installed distinctive designs, the restorations must conform to the specifications established and match the surrounding area. In section 2, ECB has added eleven charges alleging violations of §34 RCNY 2-11(e). With regard to 34 RCNY 2-11(e)(11)(iv), "Failure to use correct ratio of asphalt binder," DOT rules allow that on a non-protected or resurfaced street, asphalt binder base may replace concrete, at a thickness ratio of one and one half inch of asphalt for every inch of concrete. This new charge will encourage contractors to be consistent in their work and foster public safety. With regard to 34 RCNY 2-11(e)(11)(v), "Failure to restore concrete base at same grade as existing base," DOT rules require that the concrete base shall be restored at the same grade as the existing base; at no time may it be brought up to the asphalt course unless authorization has been granted by the commissioner. Installing concrete into the asphalt course causes major damage to milling machines, causing delays and costly repairs. With regard to 34 RCNY 2-11(e)(11)(vi), "Installing asphalt other than binder as a base course," DOT rules require that binder base shall be restored to the existing base. At no time will asphalt other than binder be permitted as a base course, unless otherwise authorized by the Commissioner. Binder and wearing course are identified by the permittee's designs. Binder is used as a base material typically containing larger stones to form a mixture suitable to create a stable base. Wearing course is designed to contain smaller stones to produce a smooth surface; its use is strictly reserved as a riding surface. Establishment of a penalty for violation of this provision will foster improvement in the quality of paving and restoration work performed on the streets of New York City. With regard to 34 RCNY 2-11(e)(11)(vii), "Installation of shallow conduit without department approval," DOT rules state that if conduits in the roadway are installed less than 18 inches below the roadway surface or not below the base, the permittee must file a written request and receive written approval from the department. This rule will assist DOT in maintaining a database indicating where contractors have installed shallow conduits thus enabling the DOT to notify the utilities that have placed shallow conduits that DOT will be working in those areas. Establishment of a penalty for violation of this provision will foster protection of the existing infrastructure. With regard to 34 RCNY 2-11(e)(12)(iii), "Failure to provide minimum thickness of wearing course on full depth asphalt restoration," DOT rules require that the minimum thickness of the wearing course on full depth asphalt restoration shall be two inches (2"). Failure to apply the minimum requirement of asphalt greatly reduces the longevity of the riding surface, and can promote rapid decay of the riding surface. 2" is the absolute minimum required thickness. With regard to 34 RCNY 2-11(e)(12)(v), "Failure to restore entire pavement between street opening and curb," DOT Rules require that when a street opening is twelve inches or less from the curb, the entire pavement between the opening and the curb shall be excavated and replaced in kind. Failure to restore this area will promote cracking of the street surface and increase the possibility of water penetration. Restoring the roadway as a cohesive unit greatly reduces this risk. With regard to 34 RCNY 2-11 (e)(12)(vi), "Failure to restore street in kind (non-historic district)," DOT rules require that whenever any street is excavated, the permittee shall restore such street in kind as to material type, color, finish or distinctive design. It is necessary to restore the roadway to its prior condition so as to not disrupt the overall design and integrity of the existing pavements. With regard to 34 RCNY 2-11(e)(12)(ix), "Installing Construction Signs w/o a Permit, " DOT rules require contractors to obtain permits whenever they change or remove the existing parking regulations signs. Establishing a penalty for violation of this provision will facilitate the return of parking spaces to public use when construction is completed. With regard to 34 RCNY 2-11(e)(13)(ii), "Failure to restore concrete pavement at the same depth, strength and finish as original pavement," DOT rules require that the concrete restoration shall have the same depth, strength, and finish as the original pavement. Failure to meet any of these criteria will cause the concrete to break creating a defective restoration. Establishment of a penalty for violation of this provision will foster improvement in the quality of paving and restoration work performed on the streets of New York City. With regard to 34 RCNY 2-11(e)(13)(v), "Installing asphalt on a concrete street or concrete bus stop area," DOT rules state that asphalt restorations will not be permitted in concrete streets or concrete bus stop areas. Concrete roadways are designed to maintain a riding surface for many years, as well as to carry the additional weight of surface

traffic. Cutting into the roadway laterally or horizontally through individual concrete panels or expansion joints weakens the riding surface and surrounding joints. Asphalt fails to bond adequately with the existing concrete, thus allowing water penetration and movement of the riding surface. With regard to 34 RCNY 2-11(e)(14)(iii), "Failure to install a color coding marker at the end of the restoration," DOT rules require permittees to place color codes or tags at job sites when they complete final restorations. This facilitates identification of the responsible party in the event a street restoration fails. In §3, the Board has added five charges alleging violations of §34 RCNY 2-14(f). With regard to 34 RCNY 2-14(f)(4)(i), "Commercial refuse cont. stored/placed in `No Stopping,' `No Standing,' or `No Parking Anytime' area," since the introduction of 311, there has been an increase in the number of complaints involving non-construction containers placed on City streets. The addition of this charge to the penalty table will help with enforcement designed to maintain traffic flow in accordance with existing parking regulations. With regard to 34 RCNY 2-14(f)(4)(ii), "Commercial refuse container stored/placed within fifteen feet of a hydrant," the addition of this charge to the penalty table will help with enforcement designed to maintain traffic flow in accordance with existing parking regulations and allow easy access to the hydrant in case of an emergency. With regard to 34 RCNY 2-14(f)(6), "Improperly labeled commercial refuse container, " DOT rules require container owners to properly label their containers. This facilitates identification of the container owner in the event of a problem with the container. With regard to 34 RCNY 2-14(f)(9), "Commercial refuse container w/o proper reflective markings on all four sides," DOT rules require that containers have proper reflective markings so that they are visible to drivers, bicyclists and pedestrians at night. With regard to 34 RCNY 2-14(f)(11), "Commercial refuse container/debris obstructing sidewalks, gutters, crosswalks or driveway," DOT rules require sidewalks, gutters, crosswalks and driveways to be kept clear and unobstructed at all times and that all dirt, debris and rubbish be promptly removed therefrom. Establishment of a penalty for violation of this provision will help to maintain traffic flow and proper drainage.

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of

Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been

delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

NOTE

1. Statement of Basis and Purpose in City Record Dec. 24, 2009:

The Environmental Control Board (ECB) held a Public Hearing on November 19, 2009 on various amendments to the Water Penalty Schedule found in §3-126 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. Neither written comments nor oral testimony were presented.

The Department of Environmental Protection (DEP) recently promulgated amendments to 15 RCNY Chapter 20, Rules Governing and Restricting the Use and Supply of Water. These amendments were promulgated in order to reflect changes in technology related to metering, water service and connections and permit tracking. As a result, ECB's Water Penalty Schedule, found in §3-126 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York has been revised. Other changes, reflecting current DEP rules and operations are included in this final rule.

In §1 of the final rule, the Board has added a new charge for Failure to Comply with Commissioner's Orders. The Bureau of Water & Sewer Operations routinely issues Commissioner's Orders related to compliance with backflow prevention and other requirements. The addition of a penalty for this section to ECB's Water Penalty Schedule will enable DEP to better protect the City's water supply.

In §2 of the final rule, the Board has increased the penalty for §15 RCNY 20-04(e), "Failed to submit an annual test report for a backflow preventer" from $350 to $500. This change is needed because the lower penalty of $350 was an insufficient incentive to achieve compliance by building owners because the cost of the test was more than the penalty.

In §§3, 4 and 6 of the final rule, the Board has renumbered certain sections to conform to changes in DEP's amended rules.

In §5 of the final rule, the Board has added a new charge for a violation of §15 RCNY20-07(c), "Failure to submit self-certification of domestic water service pipe installation." This section provides that if DEP waives its right to conduct a non-mandatory inspection of domestic water service pipe installation, the Licensed Master Plumber must submit the tap location with certification that all work was performed in accordance with the water rules and all other applicable rules.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules

contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for

implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

Mark D. Hoffer

Acting Chairperson

Environmental Control Board

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 4 FITNESS AND DISCIPLINE HEARINGS FOR OATH EMPLOYEES*1

§4-01 Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings.

The chief administrative law judge or, upon his or her designation, an administrative law judge, shall conduct administrative hearings regarding OATH employees' fitness and discipline pursuant to N.Y. Civil Service Law, §§71-75, and pursuant to Charter, §1049(1). If such a hearing is conducted by an administrative law judge other than the chief administrative law judge, the administrative law judge shall make written proposed findings of fact and a recommended decision. The chief administrative law judge shall review the proposed findings and recommendations of the administrative law judge and shall make the final findings of fact and decision in the matter being adjudicated.

***** Current through December 2009 ****

48 RCNY 4 - APPENDIX A

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

APPENDIX A RULES OF CONDUCT FOR ADMINISTRATIVE LAW JUDGES AND HEARING OFFICERS OF THE CITY OF NEW YORK*1

APPENDIX A RULES OF CONDUCT FOR ADMINISTRATIVE LAW JUDGES AND HEARING OFFICERS OF THE CITY OF NEW YORK*1

Preamble

Pursuant to §13-a of the City Charter, these Rules are promulgated by the Mayor and the Chief Administrative Law Judge of the Office of Administrative Trials and Hearings to establish a code of conduct governing the activities of all administrative law judges and hearing officers in City tribunals.

Administrative law judges and hearing officers (collectively referred to as "City administrative law judges" in

these Rules) and the tribunals on which they serve play a vital role in our City. City tribunals are responsible for the fair enforcement of laws that, among other things, maintain the quality of life in the City, combat discrimination, allow taxpayers to challenge their assessments and ensure that certain government programs and benefits are not wrongly denied to those entitled to them. An appearance before a City tribunal may be one of the most significant occasions on which a City resident directly encounters government authority.

The Rules that follow are based on the Code of Judicial Conduct, particularly as set forth in the Rules of the Chief Administrator of the Courts for the State of New York at 22 N.Y.C.R.R. §100 et seq. (2006). The position of City administrative law judge has much in common with that of any other judge in the State Courts. In certain important respects, however, the position of City administrative law judge is different, which is why the Code of Judicial Conduct has been adapted in these Rules rather than applied generally. Some City tribunals are independent entities, but most often a City tribunal is legally and organizationally part of a City agency. The City tribunals covered by the Rules employ administrative law judges in various ways. For example, in some City tribunals administrative law judges are regular, salaried City employees; in other tribunals, administrative law judges are per diem employees whose work for the City may be part-time. In some tribunals, the administrative law judge has great autonomy to manage and decide each matter that comes before him or her. In other tribunals, the scope of the administrative law judge's assignment may be narrower. But it is always critical, of course, that the process of adjudication be fair, impartial and free of improper influences.

HISTORICAL NOTE

Preamble added City Record Jan. 12, 2007 §1, eff. Feb. 13, 2007. [See Appendix A footnote]

FOOTNOTES

1

[Footnote 1]: * Appendix A added City Record Jan. 12, 2007 §1, eff. Feb. 13, 2007. Note: Statement of Basis and Purpose in City Record Jan. 12, 2007:

As amended in 2005, the New York City Charter in §13-a requires that the Mayor and the Chief Administrative Law Judge of the Office of Administrative Trials and Hearings jointly promulgate rules of conduct for administrative law judges and hearing officers in City tribunals (collectively, "City administrative law judges"). Section 1049, subd. 2(b), specifically authorizes the Chief Administrative Law Judge to promulgate such rules in conjunction with the Mayor.

The purpose of the final rule is to fulfill the Charter mandate by establishing a uniform set of ethical standards applicable to all City administrative law judges. The standards will enhance the professionalism of adjudication in the City, protecting the rights of those who appear before tribunals and yielding a fairer and more effective system of administrative justice.

The final rule of conduct specifically directs City administrative law judges to: (1) uphold the integrity of the tribunal on which they serve; (2) avoid impropriety and the appearance of impropriety in all of their activities; (3) perform their judicial duties impartially and diligently; (4) conduct their extra-judicial activities so as to minimize the risk of conflict with judicial obligations; and (5) refrain from inappropriate political activity. Within each category, the rule identifies conduct that is allowed or prohibited or factors to be considered in determining the permissibility of conduct. The rule provides that violations may constitute misconduct and may subject a City administrative law judge to discipline. The rule also provides for the issuance of advisory opinions. The particularity with which the rule explains ethical constraints on the conduct of City administrative law judges will better enable those who perform or supervise adjudicative functions to determine what conduct

is permissible, will facilitate activities such as training and continuing education of administrative justice providers and will better inform the public about what processes can be expected and should be provided in administrative hearings.

The final rule that is being promulgated responds to public comment in various respects. The most significant respects in which the final rule responds to public comment are the following:

(1) The final rule restricts a City administrative law judge from testifying voluntarily as a character witness in a proceeding before a City tribunal on which he or she serves.

(2) The final rule provides that a City administrative law judge is required to take appropriate action if, in the course of performing judicial duties, he or she receives information indicating a substantial likelihood that a lawyer appearing before him or her has committed a substantial violation of the Code of Professional Responsibility.

(3) The final rule does not include a proposed restriction on fiduciary activities by City administrative law judges primarily employed by the City.

(4) The final rule provides that a City administrative law judge shall resign from office and withdraw his or her name from any roster for assignment or employment as a City administrative law judge upon becoming a candidate for elective non-judicial office; it also provides that a City administrative law judge who is a candidate for elective judicial office shall comply with State rules governing candidates for elective judicial office and that a violation of those rules by a City administrative law judge is misconduct that may subject a City administrative law judge to discipline under the final rule.

(5) The final rule provides that a City administrative law judge who engages in partisan political activity should be mindful that such activity not detract from, or reduce public confidence in, the fairness, impartiality or dignity of his or her office or the tribunal he or she serves or be in violation of Chapter 68 of the City Charter or any other applicable law.

(6) The final rule provides that a complaint concerning the head of a tribunal located within an agency may be referred by the Chief Administrative Law Judge of OATH and the Administrative Justice Coordinator to the head of the agency within which the tribunal is located and that a complaint concerning the head of a tribunal not located within an agency may be referred by the Administrative Justice Coordinator to the Mayor or the Mayor's designee.

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 100

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

APPENDIX A RULES OF CONDUCT FOR ADMINISTRATIVE LAW JUDGES AND HEARING OFFICERS OF THE CITY OF NEW YORK*1

§100 Terminology

Terms used in these Rules are defined as follows:

(A) A "candidate" is a person seeking selection for or retention in public office by any public election, including primary and general elections and including partisan and nonpartisan elections. A person becomes a candidate for public office as soon as he or she makes a public announcement of candidacy or authorizes solicitation or acceptance of contributions.

(B) A "City administrative law judge" is an administrative law judge, hearing examiner, hearing officer or any other person who conducts or participates in the decision of adjudicative proceedings within a City tribunal. The term "City administrative law judge" does not include members of boards or commissions. The term "City administrative law judge" also does not include the head of an agency, unless the agency is a City tribunal.

(C) A "City tribunal" is any City agency or any unit within a City agency that is authorized or charged by law with responsibility for conducting adjudicative proceedings. "City tribunals" to which these Rules are applicable include the tribunals constituting or within the Department of Consumer Affairs, the Department of Finance, the Department of Health and Mental Hygiene, the Environmental Control Board, the Office of Administrative Trials and Hearings, the Police Department, the Tax Appeals Tribunal, the Taxi and Limousine Commission and any similar agencies or units.

(D) "Closely related" means that the relationship between one person and another is that of parent and child; siblings; grandparent and grandchild; great-grandparent and great-grandchild; first cousins; or aunt/uncle and

niece/nephew.

(E) A "domestic partner" is a member of a domestic partnership registered pursuant to Administrative Code §3-240 or in accordance with Executive Order 123 of 1989 or Executive Order 48 of 1993 or a member of a marriage that is not recognized by the State of New York or of any domestic partnership or civil union entered into in another jurisdiction.

(F) "Economic interest" means ownership of a more than de minimis legal or equitable interest, or a relationship as officer, director, advisor or other active participant in the affairs of a party, provided that:

(1) ownership of an interest in a mutual or common investment fund that holds securities is not an economic interest in such securities or in the manager of such fund unless the City administrative law judge participates in the management of the fund or a proceeding pending or impending before the City administrative law judge could substantially affect the value of the interest;

(2) service as an officer, director, advisor or other active participant in an educational, religious, charitable, cultural, fraternal or civic organization, or service by a spouse, domestic partner or child as an officer, director, advisor or other active participant in any such organization does not create an economic interest in securities held by that organization;

(3) a deposit in a financial institution, the proprietary interest of a policyholder in a mutual insurance company, of a depositor in a mutual savings association or of a member in a credit union, or a similar proprietary interest, is not an economic interest in the organization, unless a proceeding pending or impending before the City administrative law judge could substantially affect the value of the interest;

(4) ownership of government securities is not an economic interest in the issuer unless a proceeding pending or impending before the City administrative law judge could substantially affect the value of the securities;

(5) a "de minimis" interest is one so insignificant that it could not raise reasonable questions as to a City administrative law judge's impartiality.

(G) An "ex parte communication" is a communication that concerns a pending or impending proceeding before a City administrative law judge and occurs between the City administrative law judge and a party, or a representative of a party, to the proceeding without notice to and outside the presence of one or more other parties to the proceeding.

(H) "Fiduciary" includes such relationships as executor, administrator, trustee and guardian.

(I) "Impartial" means without bias or prejudice in favor of, or against, particular parties or classes of parties, and with an open mind in considering issues that may come before the City administrative law judge.

(J) An "impending proceeding" is one that has not yet been commenced but is reasonably foreseeable and not merely hypothetical.

(K) "Integrity" denotes probity, fairness, honesty, uprightness and soundness of character; it also denotes a firm adherence to these Rules and their standard of values.

(L) To "know" is to have actual knowledge of the fact in question. A person's knowledge may be inferred from circumstances.

(M) A "member of the City administrative law judge's family" is a spouse, domestic partner, child, grandchild, parent, grandparent, sibling or any other person with whom the City administrative law judge maintains a comparable relationship.

(N) "Nonpublic information" is confidential information of which a City administrative law judge becomes aware

as a result of his or her judicial duties and which is not otherwise available to the public.

(O) A "pending proceeding" is one that has begun but not yet reached its final disposition.

(P) A "political organization" is a political party, political club or other group, the principal purpose of which is to further the election or appointment of candidates to political office.

(Q) "Primarily employed by the City" means employed on a full-time basis or the equivalent or regularly scheduled to work the equivalent of 20 hours per week at one or more City tribunals.

(R) "Require." Where these Rules prescribe that a City administrative law judge "require" certain conduct of others, the term "require" means that a City administrative law judge is to exercise reasonable direction and control over the conduct of those persons subject to his or her direction and control.

HISTORICAL NOTE

Section added City Record Jan. 12, 2007 §1, eff. Feb. 13, 2007. [See Appendix A footnote]

FOOTNOTES

1

[Footnote 1]: * Appendix A added City Record Jan. 12, 2007 §1, eff. Feb. 13, 2007. Note: Statement of Basis and Purpose in City Record Jan. 12, 2007:

As amended in 2005, the New York City Charter in §13-a requires that the Mayor and the Chief Administrative Law Judge of the Office of Administrative Trials and Hearings jointly promulgate rules of conduct for administrative law judges and hearing officers in City tribunals (collectively, "City administrative law judges"). Section 1049, subd. 2(b), specifically authorizes the Chief Administrative Law Judge to promulgate such rules in conjunction with the Mayor.

The purpose of the final rule is to fulfill the Charter mandate by establishing a uniform set of ethical standards applicable to all City administrative law judges. The standards will enhance the professionalism of adjudication in the City, protecting the rights of those who appear before tribunals and yielding a fairer and more effective system of administrative justice.

The final rule of conduct specifically directs City administrative law judges to: (1) uphold the integrity of the tribunal on which they serve; (2) avoid impropriety and the appearance of impropriety in all of their activities; (3) perform their judicial duties impartially and diligently; (4) conduct their extra-judicial activities so as to minimize the risk of conflict with judicial obligations; and (5) refrain from inappropriate political activity. Within each category, the rule identifies conduct that is allowed or prohibited or factors to be considered in determining the permissibility of conduct. The rule provides that violations may constitute misconduct and may subject a City administrative law judge to discipline. The rule also provides for the issuance of advisory opinions. The particularity with which the rule explains ethical constraints on the conduct of City administrative law judges will better enable those who perform or supervise adjudicative functions to determine what conduct is permissible, will facilitate activities such as training and continuing education of administrative justice providers and will better inform the public about what processes can be expected and should be provided in administrative hearings.

The final rule that is being promulgated responds to public comment in various respects. The most

significant respects in which the final rule responds to public comment are the following:

(1) The final rule restricts a City administrative law judge from testifying voluntarily as a character witness in a proceeding before a City tribunal on which he or she serves.

(2) The final rule provides that a City administrative law judge is required to take appropriate action if, in the course of performing judicial duties, he or she receives information indicating a substantial likelihood that a lawyer appearing before him or her has committed a substantial violation of the Code of Professional Responsibility.

(3) The final rule does not include a proposed restriction on fiduciary activities by City administrative law judges primarily employed by the City.

(4) The final rule provides that a City administrative law judge shall resign from office and withdraw his or her name from any roster for assignment or employment as a City administrative law judge upon becoming a candidate for elective non-judicial office; it also provides that a City administrative law judge who is a candidate for elective judicial office shall comply with State rules governing candidates for elective judicial office and that a violation of those rules by a City administrative law judge is misconduct that may subject a City administrative law judge to discipline under the final rule.

(5) The final rule provides that a City administrative law judge who engages in partisan political activity should be mindful that such activity not detract from, or reduce public confidence in, the fairness, impartiality or dignity of his or her office or the tribunal he or she serves or be in violation of Chapter 68 of the City Charter or any other applicable law.

(6) The final rule provides that a complaint concerning the head of a tribunal located within an agency may be referred by the Chief Administrative Law Judge of OATH and the Administrative Justice Coordinator to the head of the agency within which the tribunal is located and that a complaint concerning the head of a tribunal not located within an agency may be referred by the Administrative Justice Coordinator to the Mayor or the Mayor's designee.

Rules of the City of New York

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

APPENDIX A RULES OF CONDUCT FOR ADMINISTRATIVE LAW JUDGES AND HEARING OFFICERS OF THE CITY OF NEW YORK*1

§101 A City Administrative Law Judge Shall Uphold the Integrity of the Tribunal on Which He or She Serves.

The administration of justice in our City depends on tribunals that adjudicate fairly, without partiality, prejudgment or impropriety. A City administrative law judge should participate in establishing, maintaining and enforcing high standards of conduct, and shall personally observe those standards so that the integrity of the tribunal on which he or she serves will be preserved. The provisions of these Rules are to be construed and applied to further that objective. Persons covered by these Rules remain subject to Chapter 68 of the City Charter and the rules and opinions issued by the Conflicts of Interest Board interpreting those provisions. To the extent that these Rules conflict with the provisions of Chapter 68 or the rules or opinions of the Conflicts of Interest Board, the provisions of Chapter 68 and the rules and opinions of the Conflicts of Interest Board shall take precedence unless these Rules are more restrictive. Persons covered by these Rules remain subject to Executive Order 16 of 1978 and amendments thereto, and to all other applicable City rules and executive orders. Nothing in these Rules shall limit the duty of City administrative law judges to comply with Chapter 68, the rules and opinions of the Conflicts of Interest Board, Executive Order 16 of 1978 and amendments thereto, and any additional obligations imposed by rules, guidelines or directives issued by agencies or tribunals, or the duty of administrative law judges in the Office of Administrative Trials and Hearings ("OATH") to comply with the Code of Judicial Conduct as set forth in the Rules of the Chief Administrative Judge of the Courts for the State of New York, 22 N.Y.C.R.R. §100 et seq.

FOOTNOTES

1

[Footnote 1]: * Appendix A added City Record Jan. 12, 2007 §1, eff. Feb. 13, 2007. Note: Statement of Basis and Purpose in City Record Jan. 12, 2007:

As amended in 2005, the New York City Charter in §13-a requires that the Mayor and the Chief Administrative Law Judge of the Office of Administrative Trials and Hearings jointly promulgate rules of conduct for administrative law judges and hearing officers in City tribunals (collectively, "City administrative law judges"). Section 1049, subd. 2(b), specifically authorizes the Chief Administrative Law Judge to promulgate such rules in conjunction with the Mayor.

The purpose of the final rule is to fulfill the Charter mandate by establishing a uniform set of ethical standards applicable to all City administrative law judges. The standards will enhance the professionalism of adjudication in the City, protecting the rights of those who appear before tribunals and yielding a fairer and more effective system of administrative justice.

The final rule of conduct specifically directs City administrative law judges to: (1) uphold the integrity of the tribunal on which they serve; (2) avoid impropriety and the appearance of impropriety in all of their activities; (3) perform their judicial duties impartially and diligently; (4) conduct their extra-judicial activities so as to minimize the risk of conflict with judicial obligations; and (5) refrain from inappropriate political activity. Within each category, the rule identifies conduct that is allowed or prohibited or factors to be considered in determining the permissibility of conduct. The rule provides that violations may constitute misconduct and may subject a City administrative law judge to discipline. The rule also provides for the issuance of advisory opinions. The particularity with which the rule explains ethical constraints on the conduct of City administrative law judges will better enable those who perform or supervise adjudicative functions to determine what conduct is permissible, will facilitate activities such as training and continuing education of administrative justice providers and will better inform the public about what processes can be expected and should be provided in administrative hearings.

The final rule that is being promulgated responds to public comment in various respects. The most significant respects in which the final rule responds to public comment are the following:

(1) The final rule restricts a City administrative law judge from testifying voluntarily as a character witness in a proceeding before a City tribunal on which he or she serves.

(2) The final rule provides that a City administrative law judge is required to take appropriate action if, in the course of performing judicial duties, he or she receives information indicating a substantial likelihood that a lawyer appearing before him or her has committed a substantial violation of the Code of Professional Responsibility.

(3) The final rule does not include a proposed restriction on fiduciary activities by City administrative law judges primarily employed by the City.

(4) The final rule provides that a City administrative law judge shall resign from office and withdraw his or her name from any roster for assignment or employment as a City administrative law judge upon becoming a candidate for elective non-judicial office; it also provides that a City administrative law judge who is a candidate for elective judicial office shall comply with State rules governing candidates for elective judicial office and that a violation of those rules by a City administrative law judge is misconduct that may subject a City administrative

law judge to discipline under the final rule.

(5) The final rule provides that a City administrative law judge who engages in partisan political activity should be mindful that such activity not detract from, or reduce public confidence in, the fairness, impartiality or dignity of his or her office or the tribunal he or she serves or be in violation of Chapter 68 of the City Charter or any other applicable law.

(6) The final rule provides that a complaint concerning the head of a tribunal located within an agency may be referred by the Chief Administrative Law Judge of OATH and the Administrative Justice Coordinator to the head of the agency within which the tribunal is located and that a complaint concerning the head of a tribunal not located within an agency may be referred by the Administrative Justice Coordinator to the Mayor or the Mayor's designee.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

APPENDIX A RULES OF CONDUCT FOR ADMINISTRATIVE LAW JUDGES AND HEARING OFFICERS OF THE CITY OF NEW YORK*1

§102 A City Administrative Law Judge Shall Avoid Impropriety and the Appearance of Impropriety in All of His or Her Activities.

(A) A City administrative law judge shall respect and comply with the law and shall act at all times in a manner that promotes public confidence in the integrity and impartiality of City tribunals.

(B) A City administrative law judge shall not allow family, social, political or other relationships to influence his or her judicial conduct or judgment.

(C) A City administrative law judge shall not lend the prestige of judicial office to advance the private interests of the City administrative law judge or others; nor shall a City administrative law judge convey to others, or permit others to convey, the impression that they are in a special position to influence him or her.

(D) A City administrative law judge shall not testify voluntarily as a character witness before a City tribunal on which he or she serves.

(E) A City administrative law judge shall not hold membership in any organization that practices invidious discrimination on the basis of actual or perceived age, race, creed, color, gender (including gender identity), sexual orientation, religion, national origin, disability, marital status, domestic partnership status, alienage or citizenship status, military status, or any other protected status enumerated in the City Human Rights Law, Administrative Code §8-101, or the State Human Rights Law, Executive Law §291. This provision does not prohibit a City administrative law judge from holding membership in an organization that is dedicated to the preservation of religious, ethnic, cultural or other

values of legitimate common interest to its members.

(6) The final rule provides that a complaint concerning the head of a tribunal located within an agency may be referred by the Chief Administrative Law Judge of OATH and the Administrative Justice Coordinator to the head of the agency within which the tribunal is located and that a complaint concerning the head of a tribunal not located within an agency may be referred by the Administrative Justice Coordinator to the Mayor or the Mayor's designee.

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 103

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

APPENDIX A RULES OF CONDUCT FOR ADMINISTRATIVE LAW JUDGES AND HEARING OFFICERS OF THE CITY OF NEW YORK*1

§103 A City Administrative Law Judge Shall Perform His or Her Judicial Duties Impartially and Diligently.

(A) Adjudicative responsibilities.

(1) A City administrative law judge shall be faithful to the law and maintain professional competence in it. A City administrative law judge shall not be swayed by partisan interests, public clamor or fear of public criticism.

(2) A City administrative law judge shall require order and decorum in proceedings before him or her.

(3) A City administrative law judge shall be patient, dignified and courteous to the parties, representatives, witnesses and others with whom the City administrative law judge deals in an official capacity and shall require similar conduct of others subject to his or her direction and control.

(4) A City administrative law judge shall accord to every party to a proceeding, or to that party's representative, the right to be heard according to law.

(5) A City administrative law judge shall perform judicial duties with impartiality. A City administrative law judge in the performance of judicial duties shall not, by words or conduct, manifest bias or prejudice, including but not limited to bias or prejudice based upon actual or perceived age, race, creed, color, gender (including gender identity), sexual orientation, religion, national origin, disability, marital status, domestic partnership status, alienage or citizenship status, military status or any other protected status enumerated in the City Human Rights Law, Administrative Code §8-101, or the State Human Rights Law, Executive Law §291, or socioeconomic status, and shall require City tribunal staff and

others subject to the City administrative law judge's direction and control to refrain from such words or conduct.

(6) A City administrative law judge shall require the parties and their representatives in proceedings before him or her to refrain from manifesting, by words or conduct, bias or prejudice against parties, witnesses, counsel or others based upon actual or perceived age, race, creed, color, gender (including gender identity), sexual orientation, religion, national origin, disability, marital status, domestic partnership status, alienage or citizenship status, military status or any other protected status enumerated in the City Human Rights Law, Administrative Code §8-101, or the State Human Rights Law, Executive Law §291, or socioeconomic status. This provision does not preclude legitimate advocacy when age, race, creed, color, gender, sexual orientation, religion, national origin, disability, marital status, domestic partnership status, alienage or citizenship status, military status, socioeconomic status or any other similar factor is an issue in the proceeding.

(7) A City administrative law judge shall not initiate, permit or consider ex parte communications, except:

(a) Ex parte communications that are made for scheduling or administrative purposes and that do not affect a substantial right of any party are authorized, if the City administrative law judge (i) reasonably believes that no party will gain a procedural or tactical advantage as a result of the ex parte communication, and (ii) insofar as practical and appropriate, provides for prompt notification of other parties or their representatives of the substance of the ex parte communication and allows an opportunity to respond.

(b) A City administrative law judge, with the consent of the parties, may confer separately with the parties and their representatives on agreed-upon matters.

(c) A City administrative law judge may initiate or consider any ex parte communications when authorized by law to do so.

(8) A City administrative law judge shall take appropriate steps to ensure that any party not represented by an attorney or other relevant professional has the opportunity to have his or her case fully heard on all relevant points.

(a) Among the practices that a City administrative law judge may appropriately follow and may find helpful in advancing the ability of a litigant not represented by an attorney or other relevant professional to be fully heard are the following: (i) liberally construing and allowing amendment of papers that a party not represented by an attorney has prepared; (ii) providing brief information about the nature of the hearing, who else is participating in the hearing and how the hearing will be conducted; (iii) providing brief information about what types of evidence may be presented; (iv) being attentive to language barriers that may affect parties or witnesses; (v) questioning witnesses to elicit general information and to obtain clarification; (vi) modifying the traditional order of taking evidence; (vii) minimizing the use of complex legal terms; (viii) explaining the basis for a ruling when made during the hearing or when made after the hearing in writing; (ix) making referrals to resources that may be available to assist the party in the preparation of the case.

(b) A City administrative law judge shall ensure that any steps taken in fulfillment of the obligations of this paragraph are reflected in the record of the proceeding. A communication between a City administrative law judge and a litigant made in fulfillment of the obligations of this paragraph remains subject to the restrictions on ex parte communications contained in the preceding paragraph.

(9) A City administrative law judge shall dispose of all judicial matters promptly, efficiently and fairly.

(10) A City administrative law judge shall not make any public comment about a pending or impending proceeding in any City tribunal. This paragraph does not prohibit a City administrative law judge from making authorized public statements in the course of his or her official duties or from explaining for public information the procedures of the tribunal. This paragraph does not apply to proceedings in which the City administrative law judge is a litigant or a representative of a litigant.

(11) A City administrative law judge shall not:

(a) make pledges or promises of conduct in office that are inconsistent with the impartial performance of the adjudicative duties of the office;

(b) with respect to cases, controversies or issues that are likely to come before the tribunal, make commitments that are inconsistent with the impartial performance of the adjudicative duties of the office.

(12) A City administrative law judge shall not disclose, or use for any purpose unrelated to judicial duties, nonpublic information acquired in a judicial capacity.

(B) Administrative responsibilities.

(1) A City administrative law judge shall diligently discharge his or her administrative responsibilities without bias or prejudice, maintain professional competence in judicial administration and cooperate with other City administrative law judges and tribunal staff in the administration of judicial business.

(2) A City administrative law judge shall require tribunal staff subject to his or her direction and control to observe the standards of fidelity and diligence that apply to the City administrative law judge and to refrain from manifesting bias or prejudice in the performance of their official duties.

(C) Disciplinary responsibilities.

(1) A City administrative law judge who receives information indicating a substantial likelihood that another City administrative law judge has committed a substantial violation of these Rules shall promptly report such information to the head of the tribunal, the Administrative Justice Coordinator in the Office of the Mayor or the Chief Judge of OATH, or, as applicable, to the official occupying any successor position. In addition, a City administrative law judge must comply with any agency rules requiring the reporting of such information within the agency or tribunal.

(2) If, in the course of performing judicial duties, a City administrative law judge receives information indicating a substantial likelihood that a lawyer appearing before him or her has committed a substantial violation of the Code of Professional Responsibility the City administrative law judge shall take appropriate action.

(3) Acts of a City administrative law judge in the discharge of disciplinary responsibilities are part of his or her judicial duties.

(D) Disqualification.

(1) A City administrative law judge shall disqualify himself or herself in a proceeding in which the City administrative law judge's impartiality might reasonably be questioned, including but not limited to instances where:

(a) (i) the City administrative law judge has a personal bias or prejudice concerning a party; or (ii) the City administrative law judge has personal knowledge of disputed evidentiary facts concerning the proceeding;

(b) (i) the City administrative law judge, while in private practice, is serving or has served as a lawyer in the matter in controversy; (ii) the City administrative law judge knows that a lawyer with whom he or she was associated in private practice served during that association as a lawyer in the matter in controversy; (iii) the City administrative law judge knows that a lawyer with whom he or she is associated in private practice is serving as a lawyer in the matter in controversy; or (iv) the City administrative law judge knows that he or she or a lawyer with whom he or she was or is associated in private practice has been or will be a material witness in the matter in controversy;

(c) the City administrative law judge has served in governmental employment and in such capacity participated as counsel, advisor or material witness in the matter in controversy;

(d) the City administrative law judge knows that he or she, individually or as a fiduciary, or the City administrative law judge's spouse or domestic partner, or a person known by the City administrative law judge to be closely related to either of them, or the spouse of such person: (i) is a party to the proceeding; (ii) is an officer, director or trustee of a party; (iii) has an economic interest in the subject matter in controversy; or (iv) has any other interest that could be substantially affected by the proceeding;

(e) the City administrative law judge knows that the City administrative law judge or his or her spouse, domestic partner or a person known by the City administrative law judge to be closely related to either of them, or the spouse or domestic partner of such a person, is acting as a lawyer in the proceeding or is likely to be a material witness in the proceeding;

(f) the City administrative law judge has made a pledge or promise of conduct in office that is inconsistent with the impartial performance of the adjudicative duties of the office or has made a public statement not in the City administrative law judge's adjudicative capacity that commits the City administrative law judge with respect to (i) an issue in the proceeding, or (ii) the parties or controversy in the proceeding;

(g) notwithstanding the provisions of subparagraph (d) above, if a City administrative law judge would be disqualified because of the appearance or discovery, after the matter was assigned to the City administrative law judge, that the City administrative law judge, individually or as fiduciary, or the City administrative law judge's spouse or domestic partner or a person known by the City administrative law judge to be closely related to either of them, or the spouse of such person, has an economic interest in the subject matter in controversy, disqualification is not required if the City administrative law judge, spouse, domestic partner or other relevant person, as the case may be, divests himself or herself of the interest that provides the grounds for the disqualification.

(2) A City administrative law judge shall keep informed about his or her personal and fiduciary economic interests and make a reasonable effort to keep informed about the personal economic interests of his or her spouse or domestic partner and minor children residing in the City administrative law judge's household.

(E) Remittal of disqualification.

(1) A City administrative law judge disqualified by the terms of subdivision (D) above may disclose on the record the basis for his or her disqualification. Thereafter, subject to paragraph (2) below, if the parties who have appeared and not defaulted and their representatives, without participation by the City administrative law judge, all agree that the City administrative law judge should not be disqualified, and the City administrative law judge believes that he or she will be impartial and is willing to participate, the City administrative law judge may participate in the proceeding. The agreement shall be incorporated in the record of the proceeding.

(2) Notwithstanding paragraph (1) above, disqualification of a City administrative law judge shall not be remitted if participation in the proceeding by the City administrative law judge would violate Chapter 68 of the Charter or if the basis for disqualification is that:

(a) the City administrative law judge has a personal bias or prejudice concerning a party;

(b) the City administrative law judge, while in private practice, served as a lawyer in the matter in controversy;

(c) the City administrative law judge has been or will be a material witness concerning the matter in controversy; or

(d) the City administrative law judge or his or her spouse or domestic partner is a party to the proceeding or is an officer, director or trustee of a party to the proceeding.

HISTORICAL NOTE

Section added City Record Jan. 12, 2007 §1, eff. Feb. 13, 2007. [See Appendix A footnote]

CASE AND ADMINISTRATIVE NOTES

¶ 1. License revocation hearing was adjourned to give respondent, a for hire driver, an opportunity to secure counsel. Section 103(A)(8) of the Rules of Conduct for Administrative Law Judges directs judges take steps to ensure that unrepresented parties have the opportunity to have his or her case fully heard. Among the steps the judge took was giving respondent time to secure counsel, obtaining a translator for the hearing, and permitting continued cross-examination of the complaining witness after respondent hired an attorney. **Taxi & Limousine Comm'n v. Martinez**, OATH Index No. 1183/07 (Apr. 11, 2007).

FOOTNOTES

[Footnote 1]: * Appendix A added City Record Jan. 12, 2007 §1, eff. Feb. 13, 2007. Note: Statement of Basis and Purpose in City Record Jan. 12, 2007:

As amended in 2005, the New York City Charter in §13-a requires that the Mayor and the Chief Administrative Law Judge of the Office of Administrative Trials and Hearings jointly promulgate rules of conduct for administrative law judges and hearing officers in City tribunals (collectively, "City administrative law judges"). Section 1049, subd. 2(b), specifically authorizes the Chief Administrative Law Judge to promulgate such rules in conjunction with the Mayor.

The purpose of the final rule is to fulfill the Charter mandate by establishing a uniform set of ethical standards applicable to all City administrative law judges. The standards will enhance the professionalism of adjudication in the City, protecting the rights of those who appear before tribunals and yielding a fairer and more effective system of administrative justice.

The final rule of conduct specifically directs City administrative law judges to: (1) uphold the integrity of the tribunal on which they serve; (2) avoid impropriety and the appearance of impropriety in all of their activities; (3) perform their judicial duties impartially and diligently; (4) conduct their extra-judicial activities so as to minimize the risk of conflict with judicial obligations; and (5) refrain from inappropriate political activity. Within each category, the rule identifies conduct that is allowed or prohibited or factors to be considered in determining the permissibility of conduct. The rule provides that violations may constitute misconduct and may subject a City administrative law judge to discipline. The rule also provides for the issuance of advisory opinions. The particularity with which the rule explains ethical constraints on the conduct of City administrative law judges will better enable those who perform or supervise adjudicative functions to determine what conduct is permissible, will facilitate activities such as training and continuing education of administrative justice providers and will better inform the public about what processes can be expected and should be provided in administrative hearings.

The final rule that is being promulgated responds to public comment in various respects. The most significant respects in which the final rule responds to public comment are the following:

(1) The final rule restricts a City administrative law judge from testifying voluntarily as a character witness in a proceeding before a City tribunal on which he or she serves.

(2) The final rule provides that a City administrative law judge is required to take appropriate action if, in the course of performing judicial duties, he or she receives information indicating a substantial likelihood that a

lawyer appearing before him or her has committed a substantial violation of the Code of Professional Responsibility.

(3) The final rule does not include a proposed restriction on fiduciary activities by City administrative law judges primarily employed by the City.

(4) The final rule provides that a City administrative law judge shall resign from office and withdraw his or her name from any roster for assignment or employment as a City administrative law judge upon becoming a candidate for elective non-judicial office; it also provides that a City administrative law judge who is a candidate for elective judicial office shall comply with State rules governing candidates for elective judicial office and that a violation of those rules by a City administrative law judge is misconduct that may subject a City administrative law judge to discipline under the final rule.

(5) The final rule provides that a City administrative law judge who engages in partisan political activity should be mindful that such activity not detract from, or reduce public confidence in, the fairness, impartiality or dignity of his or her office or the tribunal he or she serves or be in violation of Chapter 68 of the City Charter or any other applicable law.

(6) The final rule provides that a complaint concerning the head of a tribunal located within an agency may be referred by the Chief Administrative Law Judge of OATH and the Administrative Justice Coordinator to the head of the agency within which the tribunal is located and that a complaint concerning the head of a tribunal not located within an agency may be referred by the Administrative Justice Coordinator to the Mayor or the Mayor's designee.

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 104

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

APPENDIX A RULES OF CONDUCT FOR ADMINISTRATIVE LAW JUDGES AND HEARING OFFICERS OF THE CITY OF NEW YORK*1

§104 A City Administrative Law Judge Shall Conduct His or Her Extra-Judicial Activities so as to Minimize the Risk of Conflict with Judicial Obligations.

(A) Extra-judicial activities in general. A City administrative law judge shall conduct all of his or her extra-judicial activities so that they:

(1) do not cast reasonable doubt on the City administrative law judge's capacity to act impartially as a City administrative law judge;

(2) do not detract from the dignity of judicial office;

(3) do not interfere with the proper performance of judicial duties; and

(4) are not incompatible with judicial office.

(B) Governmental, civic or charitable activities.

(1) A City administrative law judge shall not appear at a public hearing before an executive or legislative body or official if doing so would cast doubt on his or her ability to decide impartially regarding any issue or party that with reasonable foreseeability might come before him or her unless the issue or party is one with respect to which the City administrative law judge would in any event be disqualified under these Rules or any other provision of law.

(2) In connection with civic or charitable activities, a City administrative law judge may participate in fund-raising

or solicitation for membership if:

(a) the City administrative law judge does not use or permit use of the prestige of judicial office for fund-raising or solicitation for membership;

(b) the fund-raising or solicitation for membership is not directed at persons who have appeared, are appearing or are foreseeably likely to appear before the City administrative law judge;

(c) the City administrative law judge's participation in the fund-raising or solicitation for membership would not detract from the dignity of judicial office or interfere with the proper performance of judicial duties or be incompatible with judicial office;

(d) the fund-raising or solicitation for membership is not prohibited by Chapter 68 of the City Charter or any other provision of law.

(3) A City administrative law judge shall not accept:

(a) appointment to a governmental committee or commission or other governmental position if his or her activity in such capacity would cast doubt on his or her ability to decide impartially regarding any issue or party that with reasonable foreseeability might come before him or her; or

(b) appointment or employment as a peace officer or police officer, as those terms are defined in Criminal Procedure Law §1.20, unless he or she is a member of the uniformed force of the police department exercising adjudicative duties.

(4) If not otherwise prohibited by Chapter 68 of the Charter or any other provision of law, a City administrative law judge may be a member or serve as an officer, director, trustee or advisor of an organization or governmental agency devoted to the improvement of the law, the legal system or the administration of justice or of an educational, religious, charitable, cultural, fraternal or civic organization not conducted for profit, subject to the following limitations and the other requirements of these rules.

(a) A City administrative law judge shall not serve as an officer, director, trustee or advisor if it is likely that (i) the organization will be engaged in proceedings that ordinarily would come before the City administrative law judge or (ii) such service will involve the City administrative law judge in frequent transactions or continuing business relationships with lawyers or other persons likely to come before the City tribunal on which the City administrative law judge serves.

(b) A City administrative law judge may be listed as an officer, director, trustee or advisor of such an organization, provided that such listing on letterhead or elsewhere does not include the City administrative law judge's judicial designation unless comparable designations are listed for other persons.

(C) Financial activities.

(1) A City administrative law judge shall not engage in financial and business dealings that:

(a) may reasonably be perceived to reflect adversely on the City administrative law judge's impartiality or exploit his or her judicial position;

(b) involve the City administrative law judge with any business, organization or activity that ordinarily would come before him or her; or

(c) involve the City administrative law judge in frequent transactions or continuing business relationships with those lawyers or other persons who regularly come before the tribunal on which the City administrative law judge serves.

(2) A City administrative law judge shall manage his or her investments and other financial interests to minimize the number of cases in which he or she is disqualified. As soon as he or she can do so without serious financial detriment, the City administrative law judge shall divest himself or herself of investments and other financial interests that might require frequent disqualification.

(3) A City administrative law judge shall not accept, and shall urge members of his or her family residing in the City administrative law judge's household not to accept, a gift, bequest, favor or loan from anyone, unless such gift, bequest, favor or loan is permitted by Chapter 68 of the Charter and any other applicable provision of law and is:

(a) a gift incident to a public testimonial, books, tapes and other resource materials supplied by publishers on a complimentary basis for official use, or an invitation to the City administrative law judge and his or her guest to attend a bar-related function or an activity devoted to the improvement of the law, the legal system or the administration of justice;

(b) a gift, award or benefit incident to the business, profession or other separate activity of a spouse, domestic partner or other family member of a City administrative law judge residing in the City administrative law judge's household, including gifts, awards and benefits for the use of both the spouse or other family member and the City administrative law judge (as spouse or family member), provided the gift, award or benefit could not reasonably be perceived as intended to influence the City administrative law judge in the performance of judicial duties;

(c) a gift which is customary on family and social occasions;

(d) a gift from a relative or friend, for a special occasion such as a wedding, anniversary or birthday, if the gift is fairly commensurate with the occasion and the relationship;

(e) a gift, bequest, favor or loan from a relative or friend whose appearance or interest in a case would in any event require disqualification under §103(D) of these Rules;

(f) a loan from a lending institution in its regular course of business on the same terms generally available to persons who are not City administrative law judges;

(g) a scholarship or fellowship awarded on the same terms and based on the same criteria applied to any other applicants; or

(h) any other gift, bequest, favor or loan, unless the donor is a party or other person who has come or is likely to come before the City administrative law judge or the City administrative law judge knows the donor is or intends to become engaged in business dealings with the City. Any gift received under this subparagraph that exceeds $1,000.00 must be reported to the Administrative Justice Coordinator in the Office of the Mayor or, as applicable, to the official occupying any successor position.

(D) Fiduciary activities. The same restrictions on financial activities that apply to a City administrative law judge personally also apply to the City administrative law judge while acting in a fiduciary capacity.

(E) Service as arbitrator or mediator. A City administrative law judge may act as an arbitrator or mediator, consistent with Chapter 68 of the Charter and the rules and opinions issued by the Conflicts of Interest Board interpreting those provisions and any applicable agency or tribunal rules, as long as such activity affects neither the independent professional judgment of the City administrative law judge nor the conduct of his or her official duties.

(F) Practice of law.

(1) Consistent with all other provisions of these Rules, with Chapter 68 of the Charter and the rules and opinions of the Conflicts of Interest Board, any applicable agency or tribunal rules and with all other provisions of law, a City

administrative law judge may practice law, as long as such activity affects neither the independent professional judgment of the City administrative law judge nor the conduct of his or her official duties.

(2) A City administrative law judge shall not represent or appear on behalf of private interests before the City tribunal on which he or she serves.

(3) A City administrative law judge primarily employed by the City shall not represent or appear on behalf of private interests before any City tribunal or agency.

(4) A City administrative law judge shall not be associated or affiliated with any firm, company or organization that regularly represents or appears on behalf of private interests before the City tribunal on which he or she serves.

(G) Compensation and reimbursement. A City administrative law judge may receive compensation and reimbursement of expenses for the extra-judicial activities permitted by these Rules, if the source of such payments does not give the appearance of influencing the City administrative law judge's performance of judicial duties or otherwise give the appearance of impropriety, subject to the following restrictions:

(1) Compensation shall not exceed a reasonable amount nor shall it exceed what a person who is not a City administrative law judge would receive for the same activity.

(2) Expense reimbursement shall be limited to the actual cost of travel, food and lodging reasonably incurred by the City administrative law judge and, where appropriate to the occasion, by the City administrative law judge's spouse, domestic partner or guest. Any payment in excess of such an amount is compensation.

[Footnote 1]: * Appendix A added City Record Jan. 12, 2007 §1, eff. Feb. 13, 2007. Note: Statement of Basis and Purpose in City Record Jan. 12, 2007:

As amended in 2005, the New York City Charter in §13-a requires that the Mayor and the Chief Administrative Law Judge of the Office of Administrative Trials and Hearings jointly promulgate rules of conduct for administrative law judges and hearing officers in City tribunals (collectively, "City administrative law judges"). Section 1049, subd. 2(b), specifically authorizes the Chief Administrative Law Judge to promulgate such rules in conjunction with the Mayor.

The purpose of the final rule is to fulfill the Charter mandate by establishing a uniform set of ethical standards applicable to all City administrative law judges. The standards will enhance the professionalism of adjudication in the City, protecting the rights of those who appear before tribunals and yielding a fairer and more effective system of administrative justice.

The final rule of conduct specifically directs City administrative law judges to: (1) uphold the integrity of the tribunal on which they serve; (2) avoid impropriety and the appearance of impropriety in all of their activities; (3) perform their judicial duties impartially and diligently; (4) conduct their extra-judicial activities so as to minimize the risk of conflict with judicial obligations; and (5) refrain from inappropriate political activity. Within each category, the rule identifies conduct that is allowed or prohibited or factors to be considered in

determining the permissibility of conduct. The rule provides that violations may constitute misconduct and may subject a City administrative law judge to discipline. The rule also provides for the issuance of advisory opinions. The particularity with which the rule explains ethical constraints on the conduct of City administrative law judges will better enable those who perform or supervise adjudicative functions to determine what conduct is permissible, will facilitate activities such as training and continuing education of administrative justice providers and will better inform the public about what processes can be expected and should be provided in administrative hearings.

The final rule that is being promulgated responds to public comment in various respects. The most significant respects in which the final rule responds to public comment are the following:

(1) The final rule restricts a City administrative law judge from testifying voluntarily as a character witness in a proceeding before a City tribunal on which he or she serves.

(2) The final rule provides that a City administrative law judge is required to take appropriate action if, in the course of performing judicial duties, he or she receives information indicating a substantial likelihood that a lawyer appearing before him or her has committed a substantial violation of the Code of Professional Responsibility.

(3) The final rule does not include a proposed restriction on fiduciary activities by City administrative law judges primarily employed by the City.

(4) The final rule provides that a City administrative law judge shall resign from office and withdraw his or her name from any roster for assignment or employment as a City administrative law judge upon becoming a candidate for elective non-judicial office; it also provides that a City administrative law judge who is a candidate for elective judicial office shall comply with State rules governing candidates for elective judicial office and that a violation of those rules by a City administrative law judge is misconduct that may subject a City administrative law judge to discipline under the final rule.

(5) The final rule provides that a City administrative law judge who engages in partisan political activity should be mindful that such activity not detract from, or reduce public confidence in, the fairness, impartiality or dignity of his or her office or the tribunal he or she serves or be in violation of Chapter 68 of the City Charter or any other applicable law.

(6) The final rule provides that a complaint concerning the head of a tribunal located within an agency may be referred by the Chief Administrative Law Judge of OATH and the Administrative Justice Coordinator to the head of the agency within which the tribunal is located and that a complaint concerning the head of a tribunal not located within an agency may be referred by the Administrative Justice Coordinator to the Mayor or the Mayor's designee.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

APPENDIX A RULES OF CONDUCT FOR ADMINISTRATIVE LAW JUDGES AND HEARING OFFICERS OF THE CITY OF NEW YORK*1

§105 A City Administrative Law Judge Shall Refrain From Inappropriate Political Activity.

(A) A City administrative law judge shall not act as a leader or hold an office in a political organization.

(B) A City administrative law judge shall not solicit funds for a political organization or candidate.

(C) A City administrative law judge shall resign from office and withdraw his or her name from any roster for assignment or employment as a City administrative law judge upon becoming a candidate for elective non-judicial office, except that he or she may continue to hold office while being a candidate for election to or serving as a delegate in a State constitutional convention, if otherwise permitted by law to do so.

(D) A City administrative law judge who is a candidate for elective judicial office shall comply with the Rules of the Chief Administrator of the Courts for the State of New York governing the conduct of such candidates, 22 N.Y.C.R.R. §100.5. A determination by the State Commission on Judicial Conduct, a court of the State of New York or any other authorized entity that a City administrative law judge has violated those Rules shall constitute misconduct and may subject a City administrative law judge to discipline hereunder.

(E) A City administrative law judge who engages in any other partisan political activity should be mindful that such activity not detract from, or reduce public confidence in, the fairness, impartiality or dignity of his or her office or the tribunal he or she serves nor be in violation of Chapter 68 of the City Charter or any other applicable law.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

APPENDIX A RULES OF CONDUCT FOR ADMINISTRATIVE LAW JUDGES AND HEARING OFFICERS OF THE CITY OF NEW YORK*1

§106 Misconduct.

(A) A violation of these Rules may constitute misconduct and may subject a City administrative law judge to discipline.

(B) A complaint alleging that a City administrative law judge has violated these Rules may be made to the head of the City tribunal on which the City administrative law judge serves or served or to the Administrative Justice Coordinator in the Office of the Mayor or the Chief Judge of OATH or, as applicable, to the official occupying any successor position. For purposes of this and the succeeding paragraphs of this section, a "complaint" shall include a report made pursuant to §103(C)(1) of these Rules.

(C) If the head of a City tribunal receives a complaint, he or she shall so advise the Administrative Justice Coordinator in the Office of the Mayor and the Chief Judge of OATH or, as applicable, the official occupying any successor position.

(D) A complaint received by the Administrative Justice Coordinator in the Office of the Mayor or the Chief Judge of OATH or, as applicable, the official occupying any successor position, shall be referred, after consultation and as appropriate, to the head of the City tribunal on which the City administrative law judge serves or served, to the Conflicts of Interest Board and/or to the Department of Investigation. A complaint concerning the head of a tribunal located within a City agency may also be referred, after consultation and as appropriate, to the head of such agency. A complaint concerning the head of a tribunal not located within a City agency may be referred by the Administrative Justice Coordinator in the Office of the Mayor or the official occupying any successor position, to the Mayor or the

Mayor's designee.

(E) The head of each City tribunal shall report to the Administrative Justice Coordinator in the Office of the Mayor and the Chief Judge of OATH or, as applicable, to the official occupying any successor position, the disposition of each complaint alleging a violation of these Rules that has been received by or referred to the head of the tribunal.

(F) The Chief Judge of OATH or, as applicable, the official occupying any successor position, shall maintain a record of every complaint of a violation of these Rules made under this section and of the disposition of each complaint, which record shall be confidential consistent with applicable law. The Chief Judge of OATH or, as applicable, the official occupying any successor position, shall maintain an index of all City administrative law judges found to have violated these Rules and of the discipline imposed in each such case, which index shall be made available for public inspection and copying.

(G) Notwithstanding the foregoing, with respect to a tribunal in any City agency having an internal investigation division, a complaint alleging that an administrative law judge serving on such a tribunal has violated these Rules shall be made to the head of that agency.

(H) Nothing contained herein shall prohibit the head of a tribunal or other officer responsible for employing or appointing a City administrative law judge from refusing further employment to, terminating the employment of or otherwise disciplining the City administrative law judge, if the head of the tribunal or other officer is otherwise authorized to do so.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

APPENDIX A RULES OF CONDUCT FOR ADMINISTRATIVE LAW JUDGES AND HEARING OFFICERS OF THE CITY OF NEW YORK*1

§107 Advisory Opinions; Advisory Committee.

(A) Advisory opinions. Advisory opinions with respect to these Rules may be issued jointly by the Administrative Justice Coordinator in the Office of the Mayor and the Chief Judge of OATH or, as applicable, by the official occupying any successor position, after consultation with each other. A request for an advisory opinion may be made by a City administrative law judge, including the supervisor of a City administrative law judge or the head of a City tribunal, or by the head of a City agency. A request may be addressed to the Chief Judge of OATH, or, as applicable, to the official occupying any successor position, who shall provide a copy of it to the Administrative Justice Coordinator in the Office of the Mayor, or, as applicable, to the official occupying any successor position, and who shall maintain a record of all such requests for advisory opinions and of all opinions issued in response thereto. An advisory opinion issued under these Rules shall be based on such facts as are presented in the request or subsequently submitted in a written, signed document. Advisory opinions shall be issued only with respect to proposed future conduct or action by a City administrative law judge. A City administrative law judge whose conduct or action is the subject of an advisory opinion shall not be subject to sanction by virtue of acting or failing to act due to a reasonable reliance on the opinion unless material facts were omitted or misstated in the request. A previously issued opinion may be amended, upon notice to the subject City administrative law judge, but the amendment shall apply only to future conduct or action by the City administrative law judge. Advisory opinions shall be made public with such deletions as may be necessary to prevent disclosure of the identity of the subject City administrative law judge or any other involved party.

(B) Advisory committee. The Administrative Justice Coordinator in the Office of the Mayor and the Chief Judge of OATH or, as applicable, the official occupying any successor position may jointly appoint an advisory committee

and may consult that committee in the preparation of advisory opinions. Advisory committee members shall be members of the bar especially knowledgeable about matters of ethics, administrative law or the operations of City tribunals. Upon request, the committee shall advise the Administrative Justice Coordinator in the Office of the Mayor and the Chief Judge of OATH or, as applicable, the official occupying any successor position, with respect to any question concerning application of these Rules as to which the committee's advice is sought.

RULES OF THE CITY OF NEW YORK

Title 49 Department of Records and Information Services

CHAPTER 1 DISPOSAL OF RECORDS BY CITY AGENCIES

§1-02 Definitions.

As used in these Rules and Regulations the following terms shall have the following meanings:

Department. "Department" means the department of records and information ser- vices.

Records. "Records" means any document, book, paper, photograph, sound recording, machine readable material or any other material, regardless of physical form or characteristics, made or received pursuant to law or ordinance or in connection with the transaction of official city business. Library and museum materials made or acquired and preserved solely for reference or exhibition purposes, extra copies of documents preserved only for convenience of reference and stocks of publications are not included within the definition of records as used in these Rules and Regulations.

Records disposal. "Records disposal" means:

(1) the removal by a city agency, as provided herein, of records no longer necessary for the conduct of business or for purposes of audit or litigation. Methods of disposal include, but shall not be limited to:

(i) the disposal of records by destruction or donation;

(ii) the transfer of records to the Department;

(iii) the transfer of records to the Department determined to have historical or other sufficient value to warrant continued preservation;

(2) the transfer of records from one city agency to another city agency.

Records disposal schedule. "Records disposal schedule" means any list of records promulgated by the Department for an agency which lists the records maintained by that agency by title and defines the exact length of time for which the records shall be kept.

CHAPTER 1 DISPOSAL OF RECORDS BY CITY AGENCIES

§1-04 Procedure for Making Requests to Establish a Records Disposal Schedule.

(a) Agency requests for the establishment of a records disposal schedule shall be made to the Department on such forms as may be prescribed by the Department.

(b) Upon receipt of a request for the establishment of a records disposal schedule, the Department shall make a formal survey of records maintained by the agency. Based on the findings for such survey, a records disposal schedule shall be established by the Department and approved by the corporation counsel and the Office of the Comptroller. Each agency shall provide the Department, the corporation counsel and the comptroller with its full cooperation and shall provide any information necessary to evaluate the request. If the Department or the corporation counsel deems it necessary, the agency shall provide access to the records in question and, if requested, shall forward such records to the Department or corporation counsel for examination.

(c) The records disposal schedule for these records shall remain in force until the status of the records contained in the schedule changes.

(d) Upon change in status of records or at any time an agency determines that records not within its records disposal schedule are no longer necessary for the conduct of business or for purposes of audit or litigation, the agency may request the Department to make appropriate amendments to its records disposal schedule.

NOTE

1. Statement of Basis and Purpose in City Record Jan. 14, 2009:

In order for the Municipal Archives to continue to provide its search and reproduction services, it is necessary to increase fees charged for some of these services. The administrative cost of providing vital record copies, photocopies, certain digital products, and exhibition loan services, now exceeds the revenue collected. The fee increases will recoup only part of the cost of providing the service.

FOOTNOTES

[Footnote 1]: * Chapter amended City Record Feb. 25, 2008 §1, eff. Mar. 26, 2008. [See T49 Chapter 3 footnote]; Chapter amended City Record Aug. 9, 2005 eff. Sept. 8, 2005. Note: Statement of Basis and Purpose:

In order for the Municipal Archives to continue to provide its search and reproduction services, it is necessary to increase fees charged for those services. The cost of providing vital record search and copy services and photographic reproductions now exceeds the revenue collected. The fee increases will recoup only part of the cost of providing the service.

Digital reproduction is a new service provided by the Municipal Archives. The Division also recognizes its responsibility to provide reproduction from its moving image collection and to license its use. Reproduction and license fees will be increased in an amount depending on the quantity used and the use to which the footage is put, in conformity with the standard practice of museums and other repositories.

Chapter 2 amended City Record June 3, 2003 eff. July 7, 2003 per City Record notice. Note: Statement of Basis and Purpose of Adopted Rule. In order for the Municipal Archives to continue to provide its search and reproduction services, it is necessary to increase the fees charged for those services and to begin to collect fees for certain services previously provided without fee.

The fees for vital record services have not been changed since 1990. The cost of providing vital record search and copy services and photographic reproductions now exceeds the revenue collected. The fee increase will recoup only part of the cost of providing the service.

Digital reproductions and conservation services are new services provided by the Municipal Archives. A new fee will be charged for items loaned for exhibition, in conformity with the standard practice of museums and other repositories. Publication and license fees will be increased in an amount depending on the use to which the item is put, again in conformity with the standard practice of museums and other repositories.

49 RCNY 3-01

RULES OF THE CITY OF NEW YORK

Title 49 Department of Records and Information Services

CHAPTER 3 MUNICIPAL ARCHIVES GUIDELINES REGARDING ACCESS TO ARCHIVAL MATERIAL*1

§3-01 Municipal Archives Regulations Governing Use of Archival Material.

The New York City Municipal Archives, a division of the Department of Records and Information Services, is open to all qualified persons subject to the following regulations:

A. ACCESS TO MATERIALS.

(1) Researchers must provide acceptable identification upon request.

(2) All researchers must sign the register daily.

(3) Researchers using collections other than vital records must fill out and sign a registration form (MA-18) indicating name, affiliation, if any, and specifying the subject and purpose of the research.

(4) Archival material may not be removed from the Municipal Archives without written permission from the Director.

(5) Special access restrictions and procedures apply to New York County District Attorney closed case files, and Board of Education "anti-Communist" case files.

B. REFERENCE ROOM RULES.

(1) Researchers may bring only those materials needed for research to the document research area.

(2) Coats, bags, briefcases, and other personal articles are not permitted in the document research area.

(3) Archives staff reserve the right to inspect all research materials, briefcases, bags and other personal articles before a researcher leaves the Reference Room.

(4) Food and beverages are not permitted in the Reference Room.

(5) All notes must be taken with pencil, typewriter, word processor, or tape recorder. Ink pens may not be used.

(6) Researchers may not photograph or scan archival material.

(7) Archival material is fragile. Researchers may not write upon, lean upon, mark or otherwise mishandle material. Researchers should report any damaged material to staff immediately.

(8) Researchers must preserve the existing order of material and notify staff if any material is discovered to be not in order.

C. REPRODUCTION AND PUBLICATION OF MATERIALS.

The Municipal Archives recognizes its responsibility to facilitate access to its collections by permitting the reproduction, reprinting, publishing, or other use of archival material, subject to the following conditions:

(1) The physical condition of an item may prohibit reproduction.

(2) Reproductions are provided for the researcher's personal use. They may not be reduplicated or transferred to another individual or institution.

(3) Researchers may use the self-service photocopy machines available in the Reference Room.

(4) Researchers must ask for staff assistance when copying fragile or oversize material.

(5) Permission to publish, reprint, broadcast, re-duplicate, or make other use of archival material may be granted subject to the conditions indicated in the Publish/Use Contract form (MA-45), and may be subject to licensing or use fees. The Director shall decide when and to what degree these restrictions shall apply.

D. CITATION.

(1) Proper acknowledgment or credit must be given to the Municipal Archives for all material used.

(2) The citation should be written as follows (after identification of the item and title of the collection): NYC Department of Records/Municipal Archives.

(3) The Municipal Archives would appreciate receiving copies of any research results.

Any violation of these rules governing the use of Municipal Archives material may be considered sufficient cause for denial of future access.

HISTORICAL NOTE

Section added City Record Feb. 25, 2008 §2, eff. Mar. 26, 2008. [See T49 Chapter 3 footnote]

FOOTNOTES

1

[Footnote 1]: * Chapter added City Record Feb. 25, 2008 §3, eff. Mar. 26, 2008. Note: Statement of Basis and Purpose:

In order for the Municipal Archives to continue to provide its search and reproduction services, it is necessary to increase fees charged for some of these services. The cost of providing photographic reproductions (still and moving images) now exceeds the revenue collected. The fee increases will recoup only part of the cost of providing the service.

The Municipal Archives recognizes its responsibility to facilitate access to its collections, including series that may contain confidential information. The rule will enable public access to this material while at the same time protecting the privacy rights of individuals who may be named in such files.

The Department received a communication relating to Chapter 3, paragraph C, (2) Reproductions are provided for the researcher's personal use. They may not be re-duplicated or transferred to another individual or institution. The communication inquired whether this wording could be understood to prohibit a patron from working on behalf of an employer, friend, or other family member, or from providing copies to the employer, etc. This is not the intent of the rule. However, patrons of the Municipal Archives who are working on behalf of others should inform the recipients of their work that reproductions are for personal use only and cannot be further reproduced without permission.

***** Current through December 2009 ****

49 RCNY 3-02

RULES OF THE CITY OF NEW YORK

Title 49 Department of Records and Information Services

CHAPTER 3 MUNICIPAL ARCHIVES GUIDELINES REGARDING ACCESS TO ARCHIVAL MATERIAL*1

§3-02 Municipal Archives Guidelines for Archival Use of Board of Education "Anti-Communist" Case Files.

A. The Municipal Archives preserves and makes available for research historical records of the New York City Board of Education ("the Board"). This collection includes several records series (nos. 590, 591, 593, 594, 595, 596 and 597) that pertain to the "anti-Communist" activities of the Board from the 1930s through the 1960s. They contain personal and confidential information relating to teachers and other school personnel investigated and/or questioned by the Board for alleged support of or association with the Communist Party. The individuals who are the subject of these files have a privacy right regarding information of a personal nature contained in them; this includes a privacy right regarding the fact that the subject case file exists.

B. The regulations governing public access to all archival material are set forth in §3-01 of this chapter. In addition to those regulations, public access to the "anti-Communist" case file series is governed by the following additional regulations and/or procedures:

(1) Researchers who request access to a specific file for the purpose of researching the views or activities of the individual who is the subject of that file or of another individual named in that file must obtain permission for such access from the subject individual and from the named individual, as applicable. If the subject or named individual is deceased or unable to give or deny permission, such permission must be obtained from the individual's legal heirs or custodians, as specified in forms MA-101A, MA-101B, and MA-101C.

(2) Researchers engaged in more general research not limited to a particular individual or individuals may access files in the restricted series upon certifying that they will neither record nor use any names or personally identifiable material obtained from such files, form (MA-101D).

(3) When a researcher accesses a file with permission from the individual who is the subject of that file, the Archives will redact the names of other individuals in the file whose permission has not been obtained.

(4) Self-service photocopying is not available for anti-Communist case file documents. All photocopies will be redacted to remove information identifying any individual whose permission has not been obtained.

(5) Published materials and materials created for general distribution, such as newspaper clippings and press releases, are not subject to the restrictions set forth in this section.

RULES OF THE CITY OF NEW YORK

Title 49 Department of Records and Information Services

CHAPTER 3 MUNICIPAL ARCHIVES GUIDELINES REGARDING ACCESS TO ARCHIVAL MATERIAL*1

§3-03 Municipal Archives Guidelines for Archival Use of District Attorney Records.

A. The Municipal Archives preserves and makes available for research the closed case files of the New York County District Attorney ("DANY"). The case files date back to 1896, and constitute one of the most important series in the Archives' extensive collection of records pertaining to the administration of criminal justice.

In accordance with the duly promulgated record retention schedule for this series, the closed case files are transferred to the Municipal Archives for permanent preservation twenty-five years after the date (year) of indictment.

B. The regulation governing public access to all archival material are set forth in §3-01 of this chapter. In addition to those regulations, public access to District Attorney case files that are less than fifty years old (from the year of indictment) are governed by the following additional regulations and/or procedures:

(1) For requests to examine records in case files that are less than fifty years old (from the year of indictment), the Municipal Archives Director, or an authorized staff member, will submit to DANY the following information: name of researcher and affiliation, if any, subject and purpose of research, case file number(s) and name(s) of defendant(s). The Municipal Archives will submit this information to DANY prior to granting the researcher access to the requested records. DANY will be permitted to examine the material in the requested file(s) and separate any items as to which (a) public disclosure is prohibited by statute or court order (e.g. minutes of Grand Jury proceedings); or (b) disclosure would threaten the life or safety of any person, such as information about confidential informants or undercover law enforcement personnel. The Municipal Archives will not permit access to any items separated by DANY from other items in the file. The DANY will have five business days (from the date of notification that the case file is available) in which to conduct a case file review.

(2) For all case files regardless of age, the Municipal Archives will not permit access to minutes of Grand Jury proceedings or any other records as to which disclosure is prohibited by statute or court order. The Municipal Archives will also consider requests by DANY to maintain the confidentiality of records whose age is greater than 50 years when exceptional circumstances warrant granting such request.

Section added City Record Feb. 25, 2008 §2, eff. Mar. 26, 2008. [See T49 Chapter 3 footnote]

FOOTNOTES

1

[Footnote 1]: * Chapter added City Record Feb. 25, 2008 §3, eff. Mar. 26, 2008. Note: Statement of Basis and Purpose:

In order for the Municipal Archives to continue to provide its search and reproduction services, it is necessary to increase fees charged for some of these services. The cost of providing photographic reproductions (still and moving images) now exceeds the revenue collected. The fee increases will recoup only part of the cost of providing the service.

The Municipal Archives recognizes its responsibility to facilitate access to its collections, including series that may contain confidential information. The rule will enable public access to this material while at the same time protecting the privacy rights of individuals who may be named in such files.

The Department received a communication relating to Chapter 3, paragraph C, (2) Reproductions are provided for the researcher's personal use. They may not be re-duplicated or transferred to another individual or institution. The communication inquired whether this wording could be understood to prohibit a patron from working on behalf of an employer, friend, or other family member, or from providing copies to the employer, etc. This is not the intent of the rule. However, patrons of the Municipal Archives who are working on behalf of others should inform the recipients of their work that reproductions are for personal use only and cannot be further reproduced without permission.

50 RCNY 1-01

RULES OF THE CITY OF NEW YORK

Title 50 Community Assistance Unit

CHAPTER 1 APPLICATION, FEES AND CHARGES FOR STREET ACTIVITY PERMITS*1

§1-01 Applicability and Definitions.

(a) These rules shall apply to all applications for street activity permits.

(b) For purposes of this chapter, the following terms shall have the following meanings:

Business improvement district. "Business improvement district" shall mean an entity established pursuant to article nine of the general municipal law.

Block party. "Block party" shall mean a community sponsored street activity requiring the closure of a single block of a street, or a portion thereof, for a single day.

Commercial or promotional events. "Commercial or promotional events" shall mean street activities that promote, advertise or introduce a product, corporation, company or other commercial entity or the goods or services of a corporation, company or other commercial entity to either the general public or to a portion of the general public. Commercial or promotional events do not include charitable or cultural events.

Community sponsor. "Community sponsor" shall mean a community-based, not-for-profit organization, association, corporation or the like that has an indigenous relationship to the specific street or community where the event is proposed.

Large events. "Large events" shall mean street activities that have an extensive impact on the surrounding community and vehicular and/or pedestrian traffic in that they include obstructions or structures such as any temporary

platforms, bleachers, reviewing stands, outdoor bandstands and similar structures that cover an area of 120 square feet or more and over 2 feet in height, or any tent or canopy that is more than 400 gross square feet or will be in place for more than 30 days that requires a Department of Building permit; require substantial coordination between SAPO and City agency staff, including the Police Department, Department of Transportation and the Executive Director of Office of Citywide Event Coordination and Management; or use of Military Island or full closure of a street and/or sidewalk with an emergency vehicle lane or meets all other large event criteria and is held at a pedestrian plaza.

Medium-sized events. "Medium-sized events" shall mean street activities that impact pedestrian and/or vehicular traffic in that they require significant set up on a sidewalk and curb lane, or pedestrian plaza, including parking for event-related vehicles or similar set up; or include an obstruction such as a tent, canopy, stage platform, bleacher, reviewing stand, outdoor bandstand or similar structure that covers an area of 120 square feet or more and over 2 feet in height, or any structure that is more than 400 gross square feet or will be in place for more than 30 days that requires a Department of Building permit; and requires coordination between SAPO and City agency staff, including the Police Department, Department of Transportation and the Executive Director of the Office of Citywide Event Coordination and Management.

Pedestrian island. "Pedestrian island" shall mean any public space abutting or separating a roadway or roadways that can accommodate pedestrians.

Pedestrian plaza. "Pedestrian plaza" shall mean an area designed by the New York City Department of Transportation for use by pedestrians located fully within the bed of a roadway, which may vary in size and shape; may abut a sidewalk; may be at the same level as the roadway or raised above the level the roadway; may be physically separated from the roadway by curbing, bollards or other barrier; may be treated with special markings and materials; and may contain benches, tables or other facilities for pedestrian use.

Pedestrian island or plaza event. "Pedestrian island or plaza event" shall mean street activities that occur on a pedestrian island or plaza and may also include the abutting sidewalk, provided that the event does not have a significant impact on surrounding pedestrian or vehicular traffic.

Small events. "Small events" shall mean street activities that occur for a short period of time with low or minimum impact on pedestrian or vehicular traffic normally encountered at the location; require little coordination between SAPO, the Executive Director of the Office of Citywide Event Coordination and Management and the event sponsor; and where the curb lane of a street is used for parking of a promotional vehicle or a vehicle associated with the event or the sidewalk or pedestrian plaza is used for promotional set up or props no larger than a 10 by 10 foot open-sided canopy and allows five feet of unobstructed passage on the sidewalk or pedestrian plaza and remains open for pedestrian use during the event.

Extra small events. "Extra small events" shall mean street activities that occur for a short period of time without significant impact on pedestrian and vehicular traffic and are not designed to draw the attention of passers by; require little coordination between SAPO, the Director of the Office of Citywide Event Coordination and Management and the event sponsor; and where the curb lane of a street is used only for a generator, short-term parking or passenger drop off and the loading or unloading of a vehicle associated with the event or the sidewalk is used for a red carpet and rope or stanchions, banner and a structure no larger than a 10 by 10 feet and where the activity allows at least five feet of unobstructed passage on the sidewalk is available for pedestrian use during the event.

Street activity. "Street activity" shall mean any activity on a public street, street curb lane, sidewalk or pedestrian island or plaza where the activity will interfere with or obstruct the regular use of the location by pedestrian or vehicular traffic, including but not limited to street fairs, block parties and commercial or promotional activities, but shall not include activities conducted pursuant to a valid film permit, demonstrations or parades.

Street fair or festival. "Street fair or festival" shall mean a community sponsored street activity requiring a

multi-day and/or multi-block street closure.

HISTORICAL NOTE

Section amended City Record May 11, 2009 §1, eff. June 10, 2009. [See Note 1]

Section amended City Record Oct. 22, 1996 eff. Nov. 21, 1996. [See T50 Chapter 1 footnote]

Section in original publication July 1, 1991.

NOTE

1. Statement of Basis and Purpose in City Record May 11, 2009:

The Office of Citywide Event Coordination and Management (CECM), Street Activity Permit Office (SAPO) is charged with administration of the permit system for street activities, block parties and fairs. Under §1-02 of the current rules, the director of SAPO is authorized to impose conditions upon the issuance of any street activity permit that are necessary to protect the interests of the City, the community and the general public.

A fee scale is needed in order to grant street permits for commercial activities based on the costs the City incurs to process the permit application and ensure the safety of the event. Applications will be assessed fees, that correlate to the size of the event. The fee scale was created by analyzing the administrative and manpower costs incurred by City agencies to review, evaluate and approve or deny an application, as well as provide oversight and security for the event. The agencies involved in these various processes include CECM, SAPO, NYPD, FDNY, DOT and DOB.

In response to comments received, the rules have been clarified to indicate the nature of the types of events subject to the fee scale and to expressly exempt charitable and cultural events. In addition, the fee scale has been adjusted for events held at pedestrian plazas and islands on Broadway in the midtown area in order to address the increased administrative, security and operational costs associated with special events in these locations.

FOOTNOTES

1

[Footnote 1]: * Chapter 1 amended City Record Oct. 22, 1996 eff. Nov. 21, 1996. Note further provisions:

Pursuant to Executive Order No. 59 (dated December 9, 1993) and Executive Order No. 14 (dated July 31, 1990), the Community Assistance Unit, acting through its Street Activity Permit Office, is delegated the authority to exercise all functions, powers and duties regarding the issuance of street activity permits and assessment of fees for street festivals, parties, celebrations fairs, and other events taking place on city streets and sidewalks.

The number of events taking place on the streets of the City has been increasing at a rapid rate. These events impact on neighborhood businesses and the quality of life of its residents by attracting large numbers of people and disrupting the flow of traffic. The City expends substantial resources to provide police, health, sanitation, traffic control and other regulatory services for such events.

Increasing the notice requirement for multi-day and multi-block events will enable the City to gauge the overall traffic impact and resource requirements of multiple events planned for the same day and/or same area, and provide sufficient time for rescheduling events if conflicts occur.

Amendments are also proposed to require the payment of the street activity processing fee by certified check or money order, to extend the prohibition of raindates to all multi-day and multi-block events and to establish additional requirements to be met by sponsors before the permits may be issued.

***** Current through December 2009 ****

50 RCNY 1-03

RULES OF THE CITY OF NEW YORK

Title 50 Community Assistance Unit

CHAPTER 1 APPLICATION, FEES AND CHARGES FOR STREET ACTIVITY PERMITS*1

§1-03 Processing of Applications by Community Boards.

(a) A street activity permit shall be required to conduct any street activity, including, but not limited to, a street fair, block party, festival, green market or farmers market, religious ceremony, block cleanup, recreation program or other such activity on a public street or sidewalk when such activity may interfere with or obstruct the normal use by pedestrian or vehicular traffic of such street or sidewalk.

(b) Street activity permits for such events shall be issued to a sponsor, which shall take responsibility for the conduct of the event. A sponsor shall be a community-based, not-for-profit organization, association, or the like, which has an indigenous relationship to the specific street or community or both, for which the event is proposed and which demonstrates that it has the support of the community and is willing to take full responsibility for the conduct of the event. Street activity permits for business celebrations or the like may, at the discretion of the Director of SAPO, be issued to individuals or commercial entities. All applications for street activity permits must be completed, endorsed and submitted by the applicant, who shall be a natural person authorized to act on behalf of the sponsor in connection with the application.

(c) All applications for street activity permits shall be submitted on forms prescribed by the director of SAPO. Applications for street activity permits for single block and/or single day events shall be obtained at, and filed with, the office of the Community Board for the community district which encompasses the area or areas in which the proposed street activity is to take place in accordance with the procedures of such board. Notwithstanding the foregoing, if applications for such permits cannot be so obtained, then applications shall be obtained at, and filed with, SAPO. SAPO will forward copies of applications for single block and/or single day events that are filed directly with SAPO to the community board(s) for the community district(s) which encompass(es) the area(s) in which the proposed single block

or single day event is to take place.

All applications for multi-block and/or multi-day street events shall be obtained at the office of the Community Board or SAPO and must be filed directly with SAPO no later than December 31st of the calendar year preceding the calendar year of such event; provided, however, that where an earlier date for filing is required by the procedures of the affected community board, filing at SAPO by such earlier date is required. All applications for street activity permits shall be processed as hereinafter provided.

(d) Upon the filing of an application with the office of the community board (or boards) for the community district (or districts) which encompasses the area or areas in which the proposed street activity is to take place, the community board, in accordance with its procedures, shall recommend the approval or denial of the application, or it may so qualify such recommendation with conditions the community board deems to be in the best interest of the area of the proposed street activity or of the community district. Applications for multi-block and/or multi-day events must be returned by the specific community board to SAPO with comments and recommendations no later than March 1st of the calendar year of such multi-block and/or multi-day event. Community boards shall forward to SAPO single block and/or single day applications no later than sixty days prior to the first day of the proposed street activity, except that applications for street clean-ups shall be received no later than thirty days prior to the first day of the proposed activity. In all cases, as provided in §1-04 of these rules, such applications shall be forwarded with such community board's recommendation for either approval, approval with conditions or denial.

(e) There shall be a processing fee of fifteen dollars in the form of a certified check or money order made payable to the "New York City Department of Finance" which shall accompany each application for a street activity permit, except that no processing fee shall be required for applications for street clean-ups. Such fee shall be non-refundable.

(f) No application for a raindate or other form of make-up date will be accepted on any application for a multi-block and/or multi-day street event.

50 RCNY 1-07

RULES OF THE CITY OF NEW YORK

Title 50 Community Assistance Unit

CHAPTER 1 APPLICATION, FEES AND CHARGES FOR STREET ACTIVITY PERMITS*1

§1-07 Approval or Denial of Applications by the Street Activity Permit Office.

(a) The Director of SAPO shall take into consideration any recommendations or comments received from community boards or City or other government agencies in determining whether to approve, approve with conditions, or deny a street activity permit application. At any time during the review of an application for a street activity permit, the Director of SAPO or Commissioner of the CAU may require the submission by the applicant or sponsor of such additional information which he or she deems necessary to evaluate the application or the qualifications of the sponsor or to implement the requirements of these rules.

(b) The director shall have the authority to deny an application, to condition the approval of an application, or to revoke a street activity permit, based on the past or present failure of the applicant or sponsor:

(1) to make payment of the processing fee; or

(2) to make payment to, or reach satisfactory agreement with, the Department of Sanitation regarding a clean-up deposit; or

(3) to present proof that all necessary and proper licenses, permits, insurance or authorizations have been received; or

(4) to make payment to, or reach satisfactory agreement with, SAPO regarding a street activity fee; or

(5) to comply with applicable laws or rules; or

(6) to comply with a condition imposed on a permit issued previously to the applicant or sponsor; or

(7) to provide the Director or Commissioner with any additional information which he or she has determined to be necessary to evaluate the application or the qualifications of the sponsor.

(c) In addition to the provisions of subdivision (b) of this section, the director shall have the authority to deny an application, condition the approval of an application or revoke a street activity permit on any or all of the following grounds:

(1) The Police Department, the Fire Department, the Department of Sanitation, the Department of Transportation, the Department of Health, the Department of Consumer Affairs, the New York City Transit Authority, the Department of Social Services, the Department of Finance, the Department of Investigation, the New York State Department of Taxation and Finance, or any other appropriate agency which was forwarded a copy of a street activity permit application for comment, has notified the director of SAPO of its disapproval and the reasons therefor; or

(2) the proposed activity, when considered in conjunction with other proposed activities, would produce an excessive burden on the community, City services or City personnel; or

(3) the information provided on the application or forms or documentation required to be submitted is false, misleading, incomplete or inaccurate; or

(4) approval of the application is not in the best interest of the community, City or general public for reasons that may include, but are not limited to, lack of good character, honesty, integrity or financial responsibility of the sponsor. If the Director determines that the application shall be denied on the grounds that the sponsor lacks good character, honesty, integrity or financial responsibility, the Director shall notify the applicant that the application has been denied and shall specify the reason for such denial. The applicant and/or sponsor may thereafter respond to the Director's determination and appeal such denial pursuant to the provisions of §1-08 of these rules.

(d) The Director shall have the authority to issue a "Notice of Permit in Process" at the request of the applicant to assist the applicant in obtaining related permits, licenses or authorizations required pursuant to provisions of law.

(e) Any application filed with a community board or SAPO which is similar in all material aspects except for the date, location or time of a street activity proposed in a prior application for the same calendar year which has been denied shall be accompanied by a processing fee of fifteen dollars. The director of SAPO shall have the authority to reduce or waive the required filing period for such applications.

(f) For a period of one (1) year following the effective date of this amendment to these rules, the director shall deny applications for street activity permits for multi-block or multi-day street fairs/festivals not held in the calendar year preceding the effective date of this amendment to these rules, except for multi-block street fairs/festivals that do not include vendors or rides.

(g) As used in this section, the term "sponsor" shall include the sponsoring organization or entity named in the application, all the principals and agents of such sponsoring entity, including the applicant, and any other organization or entity affiliated with such sponsoring entity or controlled by a principal or agent thereof; any person or entity which produces, organizes, or manages the street activity; and any person or entity which provides services relating to the conduct of the street activity to either the sponsor or to any producer, organizer or manager of the street activity.

DERIVATION

Section in original publication July 1, 1991.

NOTE

1. Statement of Basis and Purpose in City Record Feb. 6, 2004

The Community Assistance Unit (CAU) Street Activity Permit Office (SAPO) is charged with administration of the permit system for street activities, block parties and fairs. Under §1-02 of the current rules, the director of SAPO is authorized to impose upon the issuance of any street activity permit conditions necessary to protect the interests of the City, the community and the general public.

Nearly four hundred SAPO-permitted street events occur annually within the City. Many of these events involve permits for the use of multiple blocks over several days, the erection of structures, the vending of food, apparel and other goods and the use of amplified sound and the performance of music. Such events require additional police presence and increase overtime expenditure by the City. In order to effectively deploy police resources, the New York City Police Department has requested that CAU exercise its discretion temporarily to deny permits for additional events that place an excessive burden on police resources and divert uniformed personnel from core crime fighting, public safety and counter terrorism duties. Based on written comments and oral comments received at public hearing, CAU has determined that denial of new permits for additional events should be limited to new events that occupy more than one street block or more than one day, or those that occupy more than one block and include vendors or rides, since multi-day events and multi-block events including vendors and rides disproportionately burden police resources.

In the interests of protecting the City and its inhabitants, these rules require SAPO to deny permits to multi-block, multi-day events not held prior to their effective date.

2. Provisions in City Record Oct. 30, 2007: It is hereby extended, for an additional one-year period, the authority of the director, set forth in §1-07 of Chapter 1 of Title 50 of the Rules of the City of New York, to deny applications for street activity permits for events not held in the preceding calendar year. Statement of Basis and Purpose The Office of Citywide Events Coordination and Management (OCECM), Street Activity Permit Office (SAPO) is charged with administration of the permit system for street activities, block parties and fairs. Under §1-02 of the current rules, the director of SAPO is authorized to impose upon the issuance of any street activity permit conditions necessary to protect the interests of the City, the community and the general public. Nearly three hundred SAPO-permitted street events occur annually within the City. Almost all of these events involve permits for the use of multiple blocks over several days, the erection of structures, the vending of food, apparel and other goods and the use of amplified sound and the performance of music. Such events require additional police presence and increase overtime expenditure by the City. In order to effectively deploy police resources, the New York City Police Department requested for the calendar year 2008 that SAPO exercise its discretion temporarily to deny permits for additional events that place an excessive burden on police resources and divert uniformed personnel from core crime fighting, public safety and counter terrorism duties. In the interests of protecting the City and its inhabitants, these rules authorize SAPO to deny permits to events for an additional year if the event was not held prior to the new effective date. A Statement of Substantial Need for Earlier Implementation was signed by the Mayor and included with the publication of the notice of preliminary rulemaking for these rules. Accordingly, the moratorium extension will be effective as of the date of publication in the City Record. Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043(e)(1)(c) of the New York City Charter, that there is a substantial need for the implementation, immediately upon its final publication in the City

Record, of a rule to extend for an additional one-year period, the authority of the Executive Director of the Office of Citywide Events Coordination and Management (CECM) by way of the Director of Street Activities Permit Office (SAPO), set forth in §1-07 of Chapter 1 of Title 50 of the Rules of the City of New York, to deny applications for street activity permits for events not held in the preceding calendar year. Nearly three hundred SAPO-permitted street events occur annually within the City. Many of these events involve permits for the use of multiple blocks over several days, the erection of structures, the vending of food, apparel and other goods and the use of amplified sound and the performance of music. Such events require additional police presence and increase overtime expenditure by the City. In order to effectively deploy police resources, the New York City Police Department has requested for the calendar year 2008 that CECM exercise its discretion temporarily to deny permits for additional events that place an excessive burden on police resources and divert uniformed personnel from core crime fighting, public safety and counter terrorism duties. In the interests of protecting the City and its inhabitants, these rules will authorize SAPO to deny permits to events for an additional year if the event was not held prior to the new effective date.

Executive Director Office of Citywide Events Coordination and Management

Michael Bloomberg, Mayor

3. Statement of Basis and Purpose in City Record Dec. 29, 2008: It is hereby extended, for an additional one-year period, the authority of the director, set forth in §1-07 of Chapter 1 of Title 50 of the Rules of the City of New York, to deny applications for street activity permits for events not held in the preceding calendar year. The Office of Citywide Events Coordination and Management (OCECM), Street Activity Permit Office (SAPO) is charged with administration of the permit system for street activities, block parties and fairs. Nearly three hundred SAPO-permitted street fairs and over 5,000 events occur annually within the City. Almost all of these events involve permits for the use of multiple blocks over several days, the erection of structures, the vending of food, apparel and other goods and the use of amplified sound and the performance of music. Such events require additional police presence and increase overtime expenditure by the City. In order to effectively deploy police resources, the New York City Police Department has requested for the calendar year 2009 that SAPO exercise its discretion temporarily to deny permits for additional events that place an excessive burden on police resources and divert uniformed personnel from core crime fighting, public safety and counter terrorism duties. In the interests of protecting the City and its inhabitants, these rules will authorize SAPO to deny permits to events for an additional year if the event was not held prior to the new effective date. Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043(e)(1)(c) of the City Charter, that there is a substantial need for the implementation, immediately upon its final publication in the **City Record,** of a rule to extend for an additional one-year period, the authority of the Executive Director of the Office of Citywide Events Coordination and Management (CECM) by way of the Director of Street Activities Permit Office (SAPO), set forth in §1-07 of Chapter 1 of Title 50 of the Rules of the City of New York, to deny applications for street activity permits for events not held in the proceding calendar year. Nearly three hundred SAPO-permitted street events occur annually within the City. Many of these events involve permits for the use of multiple blocks over several days, the erection of structures, the vending of food, apparel and other goods and the use of amplified sound and the performance of music. Such events require additional police presence and increase overtime expenditure by the City. In order to effectively deploy police resources, the New York City Police Department has requested for the calendar year 2009 that CECM exercise its discretion temporarily to deny permits for additional events that place an excessive burden on police resources and divert uniformed personnel from core crime fighting, public safety and counter terrorism duties. In the interests of protecting the City and its inhabitants, these rules will authorize SAPO to deny permits to events for an additional year if the event was not held prior to the new effective date.

FOOTNOTES

1

[Footnote 1]: * Chapter 1 amended City Record Oct. 22, 1996 eff. Nov. 21, 1996. Note further provisions:

Pursuant to Executive Order No. 59 (dated December 9, 1993) and Executive Order No. 14 (dated July 31, 1990), the Community Assistance Unit, acting through its Street Activity Permit Office, is delegated the authority to exercise all functions, powers and duties regarding the issuance of street activity permits and assessment of fees for street festivals, parties, celebrations fairs, and other events taking place on city streets and sidewalks.

The number of events taking place on the streets of the City has been increasing at a rapid rate. These events impact on neighborhood businesses and the quality of life of its residents by attracting large numbers of people and disrupting the flow of traffic. The City expends substantial resources to provide police, health, sanitation, traffic control and other regulatory services for such events.

Increasing the notice requirement for multi-day and multi-block events will enable the City to gauge the overall traffic impact and resource requirements of multiple events planned for the same day and/or same area, and provide sufficient time for rescheduling events if conflicts occur.

Amendments are also proposed to require the payment of the street activity processing fee by certified check or money order, to extend the prohibition of raindates to all multi-day and multi-block events and to establish additional requirements to be met by sponsors before the permits may be issued.

CHAPTER 1 APPLICATION, FEES AND CHARGES FOR STREET ACTIVITY PERMITS*1

§1-08 Appeals from Determinations of the Director of the Street Activity Permit Office.

(a) An applicant shall have five business days from receipt of the notification of a denial, of an approval with conditions, or a denial of a waiver of the insurance requirement imposed by section 1-10(e) by the Director of SAPO to file a written appeal with the Commissioner of CAU. If an applicant fails to appeal a denial of a permit or a waiver of the insurance requirement within the time provided, then the application process shall be terminated. If the Director approves the application with conditions and the applicant fails to appeal, the applicant and sponsor shall be deemed to have accepted such conditions.

(b) Following the receipt of a written request by an applicant to appeal the determination of the Director of SAPO, the Commissioner of CAU, or a designee, shall review that determination and may hold an appeal conference with, or receive solicited written statements from, the interested parties. Such interested parties shall include the director of SAPO and the applicant and may also include any other parties the Commissioner of CAU deems appropriate. The applicant shall be notified in writing of the determination of the Commissioner of CAU within a reasonable time following the receipt by the Commissioner of CAU of such request.

50 RCNY 1-10

RULES OF THE CITY OF NEW YORK

Title 50 Community Assistance Unit

CHAPTER 1 APPLICATION, FEES AND CHARGES FOR STREET ACTIVITY PERMITS*1

§1-10 Street Activity Fees.

(a) In addition to the application processing fee, the following street activity fees are hereby imposed upon holders of permits for street activities:

(1) for street activities which occupy one block for one day, no fee shall be charged;

(2) for street activities which occupy one block for more than one day, a fee of thirty-five dollars shall be charged for each day after the first day;

(3) for street activities which occupy more than one block, a fee equal to twenty percent of the total fees paid by the vendors to participate in such events shall be charged, except that such total fees shall not include the fees paid by those organizations which the director of SAPO has determined constitute community-based, not-for-profit organizations.

(b) The Director of SAPO shall have the authority to assess a reasonable street activity fee for a street activity for which a permit has been granted in an instance where either no reasonable fee has been paid by vendors to participate in the street activity or where the street activity has been financed in whole or in substantial part by other than participating vendors. In such instance, the street activity fee shall be imposed pursuant to section 1-12 of this chapter.

(c) An applicant who has received a permit to conduct a street activity shall provide the Director of SAPO with all requested information pertaining to the vendors participating in the activity and the fees paid by such vendors.

(d) The Director of SAPO shall have the authority to require that full or partial payment of the street use fee be made prior to the date of the street activity and to require that any amounts remaining owed to the City be paid within a specified period of time following the date of such activity.

(e)(1) Applicants or sponsors of street activities other than not-for-profit entities that occupy no more than one block for no more than one day without a commercial producer for the activity shall be required to obtain general liability insurance for the street activity in the amount of one million dollars ($1,000,000) per occurrence and an endorsement naming the City of New York as an additional insured on such policy. The applicant or sponsor shall provide proof of such coverage prior to the issuance of the permit.

(2) The director of SAPO shall have the authority to waive the insurance required by subdivision (e) of this section where the applicant or sponsor is able to demonstrate that such insurance cannot be obtained without imposing an unreasonable hardship on the applicant or sponsor. Any request for a waiver of the insurance required by subdivision (e) of this section shall be included by the applicant or sponsor in the application submitted to SAPO uner section 1-03. The burden of demonstrating unreasonable hardship shall be on the applicant or sponsor, and may be demonstrated by a showing that the cost of obtaining insurance for the street activity exceeds twenty-five percent (25%) of the applicant's or sponsor's anticipated revenue from the proposed street activity. If the applicant or sponsor has held the street activity in the preceding three (3) years, the anticipated revenue from the proposed street activity shall be presumed to equal or exceed the average of the revenue obtained by the applicant or sponsor in the preceding three (3) years. If the applicant or sponsor has held the street activity for fewer than three (3) years, the anticipated revenue from the proposed street activity shall be presumed to equal or exceed the average of the revenue obtained by the applicant or sponsor in any preceding years in which the street activity was held. If the applicant or sponsor has not previously held the proposed street activity, the director of SAPO shall take into consideration the applicant's or sponsor's projections of anticipated revenue and the prior revenue of comparable street activities of similar size and duration in determining whether the cost of obtaining insurance exceeds twenty-five percent (25%) of anticipated revenue. In the event that the director denies a waiver of the insurance requirement, the applicant and/or sponsor may thereafter respond to the director's denial and appeal such denial pursuant to the provisions of section 1-08 of these rules.

NOTE

1. Statement of Basis and Purpose in City Record Feb. 23, 2004

The Community Assistance Unit (CAU) Street Activity Permit Office (SAPO) is charged with administration of the permit system for street activities, block parties and fairs. Under §1-02 of the current rules, the director of SAPO is authorized to impose upon the issuance of any street activity permit conditions necessary to protect the interests of the City, the community and the general public.

Nearly forty-four hundred SAPO-permitted street events occur annually within the City. Nearly four hundred of these events involve permits for the use of multiple blocks over several days, known as street festivals and/or street fairs, which may include the erection of structures, the vending of food, apparel and other goods and the use of

amplified sound and the performance of music. Nearly one thousand of the annual SAPO permitted events are issued for commercial events. In the few past years, a number of persons have been injured during SAPO-permitted street activities, which which resulted in claims against applicants, sponsors and the City of New York.

In the interest of protecting the City and its inhabitants, these rules will authorize SAPO to require that event applicants provide evidence of liability coverage for the event and for the City in order to ensure that those who attend these events are adequately protected in the event of injury. In response to comments received, the rules will not impose an insurance requirement on events that occupy only one block for a single day where the applicant or sponsor is a not-for-profit entity. These events are smaller in scale and therefore pose less of a risk to the public.

CHAPTER 1 APPLICATION, FEES AND CHARGES FOR STREET ACTIVITY PERMITS*1

§1-12 Street Activity Fees for Commercial or Promotional Events.

(a) In addition to the application processing fee set forth in subdivision a of section 1-10 of this chapter, the Director of SAPO shall assess the street activity fees set forth in subdivision c of this section for commercial or promotional events. The fee provided for in this section shall not apply to charitable or other events not encompassed within the definition of commercial or promotional events.

(b) Fees under this section, with the exception of extra small events, shall be assessed on a daily basis. Extra small events shall be assessed on a daily basis for a maximum of $861.

(c) The Director of SAPO shall charge an applicant a fee in accordance with the following schedule, which shall be in addition to any bonding requirement imposed by the Director or the Department of Sanitation under any other section of this chapter or any other amount or fee imposed by any City agency:

Type of Event 2009 2009 for Pedestrian Islands or Plazas on Broadway between 42nd and 47th Streets, Pedestrian Islands or Plazas on Broadway between 33rd and 36th Streets and Military Island

Extra Small Event (use of sidewalk or curb lane only) $220 NA

Extra Small Event (use of sidewalk and curb lane) $550 NA

Small Event $2,600 $8,950

Medium Sized Event $6,500 $20,250

Large Event $38,500 $38,500

(d) Reserved.

(e) This schedule does not apply to the following:

(1) sites or events covered by a license, lease or agreement with a third party, unless otherwise provided by a rule issued by the licensor, leasing or contracting agency;

(2) City agency facilities or departmental or administrative offices;

(3) block parties or street fairs covered by section 10-110(a) of this chapter;

(4) demonstrations or other political activity;

(5) parades; or

(6) events of a business improvement district or a non-profit entity operating a pedestrian island or plaza pursuant to a contract or concession from the City if (i) such entity is the sponsor and permittee for the event; and (ii) the event furthers civic, cultural or charitable purposes or the marketing and promotion of local businesses or a neighborhood within the business improvement district but does not promote a single entity or business within the business improvement district.

§1-01 Advisory Opinions on Questions Relating to Lobbying.

(a) The City Clerk will issue advisory opinions on questions relating to lobbying on a case-by-case basis in response to written requests from persons subject to the jurisdiction of the City Clerk, or who reasonably believe they may be subject to such juris- diction.

(b) Such written requests shall set forth in a clear and concise manner the question raised and shall set forth a statement of the actual facts prompting such inquiry.

(c) The City Clerk will not issue an advisory opinion based upon a hypothetical set of facts. Inquiries may be directed to:

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 1 LOBBYING

§1-02 Fees for Lobbyist Registration.

Each statement of registration required to be filed pursuant to Administrative Code §3-213, shall be accompanied by a fee of $150 for the first client registered and a fee of $50 for each additional client registered.

HISTORICAL NOTE

Section amended City Record Dec. 8, 2006 §1, eff. Dec. 10, 2006 per City Record notice. [See

Note 1]

Section in original publication July 1, 1991.

NOTE

1. Statement of Basis and Purpose in City Record Dec. 8, 2006:

The rules and rule amendments promulgated herein implement the provisions of Local Law 15 of 2006, which amends the City's Lobbying Law with regard to public access to information filed by lobbyists with the City Clerk and penalties for failure to comply with the law's requirements. These changes to the Rules increase existing penalties and impose new penalties on lobbyists and clients, amend the filing dates for lobbyists' filings and provide procedures to govern complaints against lobbyists and clients.

Specifically, the fines for the following violations of the Lobbying Law are being increased: failure to file,

violation of a cease-and-desist order of the City Clerk or violation against the prohibition against contingency agreements and any violation of the Lobbying Law the penalty for which is not specifically addressed in the Lobbying Law. In addition, new fines for late filings are being imposed. Certain procedures for filing complaints and commencing formal proceedings are also outlined. The Rules are also being updated to reflect certain previously enacted fee increases. In light of the change in law to permit electronic filing and the general trend to a paperless filing, new rules governing public viewing of lobbyist data are being implemented. The Rules regarding complaints are intended to implement the new auditing and investigative powers mandated by Local Law 15 of 2006. The final rule changes the proposed rule in three ways. First, the final rule clarifies that all reports and registrations filed for calendar year 2006 and prior years will be kept for five years in the City Clerk's Office. In contrast, reports and registrations filed for calendar year 2007 and later will be kept in electronic form in the City Clerk's Office and will be posted on the internet as soon as practicable. Second, the final rule indicates that the bi-monthly reporting periods will commence on January 1, 2008, rather than on January 1, 2007. Third, the final rule adds a definition of the term 'unemancipated child'.

Statement of Substantial Need For Earlier Implementation of Rule

I hereby find, pursuant to §1043(e)(1)(c) of the New York City Charter, that there is a substantial need for the implementation immediately upon its final publication in the City Record, of the rule amending chapter 1 of Title 51 of the Rules of the City of New York in relation to administration and enforcement of the Lobbying Law. This rule implements amendments to the Lobbying Law made by Local Law 15 of 2006.

The earlier implementation of such rule is necessary because certain provisions of Local Law 15 of 2006 take effect on December 10, 2006. Local Law 15 provided that relevant city agencies take all steps, including the promulgation of rules, to ensure its implementation on its effective date. The proposed rule was published in the City Record on October 11, 2006 and a public hearing was held on November 15, 2006. Implementing the rule upon publication is necessary to ensure that the law's amendments can take effect in a timely manner.

Michael Bloomberg

Mayor, City of New York

Victor L. Robles City Clerk, City of New York Clerk of the Council

51 RCNY 1-03

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 1 LOBBYING

§1-03 Enforcement of the Lobbying Law.

(a) **Violation of the Lobbying Law.** (1) **General.** Any lobbyist or client who violates any provision of the Lobbying Law or these Rules, shall be subject to the penalties available under §3-223 of the Lobbying Law and subdivision b of this section.

(2) **Examples of violations.** Lobbyists and, where applicable, clients are subject to penalty for violations of the Lobbying Law that include, but are not limited to, the following:

(i) Failure of a lobbyist to register, or failure of a lobbyist to register a client;

(ii) failure to submit any required disclosure report (Registration, Periodic Report, Lobbyist Annual Report, Client Annual Report, Fundraising Report, Political Consulting Report);

(iii) late filing of any registration or report;

(iv) failure to complete any section or portion of a report;

(v) failure to supply correct information in any report;

(vi) failure to pay any required fee;

(vii) failure to pay a penalty in a stated period of time may result in payment of an additional penalty if the initial penalty so provides.

(3) **Extensions.** A lobbyist or client requesting an extension in the filing of lobbyist or client reports should request such an extension prior to the filing deadline.

(i) Extensions are a courtesy and will be granted only for good cause and within the discretion of the City Clerk;

(ii) a request for an extension shall be in writing;

(iii) an extension should be requested no later than two business days before the date of deadline;

(4) **Incomplete and incorrect reports.** Where a lobbyist or client submits any report or registration that is incorrect or incomplete, the City Clerk may take the following action: The lobbyist or client shall be notified by certified mail of any incorrect or incomplete report, which may be returned to the lobbyist or client at the discretion of the City Clerk.

The lobbyist or client shall have 14 business days from the date of mailing of the notification to cure said defective report. Failure to cure within 14 business days shall result in the lobbyist or client being deemed in default as to the submission of said report.

(5) **Notification and opportunity to cure.** Pursuant to the Administrative Code, §§3-223 (c), (d) and (e), where a lobbyist or client fails to comply with any section of the Lobbying Law, the City Clerk shall, by certified mail, notify them of the nature of their noncompliance and notify them that compliance must be made within 14 business days of mailing of such notice.

(6) **Recipient of notification.** The Principal Officer or other person duly designated by a lobbyist on the registration form shall be deemed an appropriate recipient of any mailed notice of communication from the City Clerk pursuant to the Lobbying Law. A lobbyist's registration form shall also identify the Principal Officer of the client or other person duly designated by a client to receive any mailed notice of communication from the City Clerk pursuant to the Lobbying Law and such Principal Officer or person shall be deemed an appropriate recipient of any such notice.

(b) **Penalties.** (1) **Penalties available under the Lobbying Law.** A person or organization who violates the Lobbying Law is subject to the penalties available under subdivisions (a), (b), (c), and (d) of §3-223 of the Administrative Code.

(i) Pursuant to Administrative Code §3-223(a), except as provided in §3-223(b), any person or organization who knowingly or willfully violates any provision of the Lobbying Law shall be guilty of a class A misdemeanor. In addition to such criminal penalties, said person or organization shall be subject to a civil penalty, in an amount not to exceed thirty thousand dollars, to be assessed by the City Clerk, or an order to cease all lobbying activities subject to the jurisdiction of the City Clerk for a period of time as determined by said Clerk not to exceed sixty days, or both such civil penalty and order;

(ii) Pursuant to Administrative Code §3-223(b), any person or organization who violates a cease and desist order of the City Clerk issued under subdivision (a) of this section or enters into a contingency agreement or accepts or pays any contingency fees as proscribed in Administrative Code §3-218, shall be guilty of a class A misdemeanor. In addition to such criminal penalties, said person or organization shall be subject to a civil penalty, in an amount not to exceed thirty thousand dollars, to be assessed by the City Clerk;

(iii) Pursuant to Administrative Code §3-223(c), following a failure to make and file any statement or report required by the Lobbying Law, the City Clerk shall notify the person or organization of such fact by certified mail that such filing must be made within fourteen business days of the date of mailing of such notice. The failure to file any statement or report within such time shall constitute a class A misdemeanor. In addition to such criminal penalties, said person or organization shall be subject to a civil penalty, in an amount not to exceed twenty thousand dollars, to be assessed by the City Clerk;

(iv) In addition to any other penalties prescribed in the Lobbying Law and these Rules, any lobbyist or client who fails to file in a timely manner any statement or report required by the Lobbying Law or these Rules, shall be subject to late filing penalties as follows:

(A) Any person or organization who has never previously filed a statement or registration or any other filing required pursuant to the Lobbying Law and these Rules and is filing for the first time shall be charged a late filing fee of $10 per day for each day the required filing is late. If more than one filing is due the total late filing fee shall be equal to the sum of $10 per day multiplied by the number of such late filings.

(B) Any other person or organization shall be charged a late filing fee of $25 per day for each day the required filing is late. If more than one filing is due the total late filing fee shall be equal to the sum of $25 per day multiplied by the number of such late filings.

(C) Such late filing shall be treated as an incorrect or incomplete report pursuant to §1-03(a)(4) of these Rules.

(D) For the purposes of the imposition of a late filing fee, all filings must be received by the due date for such filing. If such due date falls on a Saturday, Sunday or city holiday, the filing must be received by the next city business day.

(v) Pursuant to Administrative Code §3-223(d), any person or organization who violates any provision of the Lobbying Law not punishable by subdivisions (a), (b), or (c) of §3-223 shall be subject to a civil penalty, in an amount not to exceed twenty thousand dollars, to be assessed by the City Clerk.

(2) **Guidelines for penalties.** Penalties may reflect the frequency and extent of a lobbyist's or client's record of violations. Mitigating or aggravating factors may be considered. Penalties shall be assessed by the City Clerk after a hearing on a case-by-case basis.

(c) **The Hearing.** (1) Pursuant to the Administrative Code §3-223(f), only after a hearing shall the City Clerk assess the amount of a civil penalty or duration of an order to cease and desist.

(2) **Designation of OATH.** Pursuant to Charter §1048(a), City Clerk designates the Office of Administrative Trials and Hearings (OATH) to conduct on its behalf all hearings involving violations of the Lobbying Law.

(3) **The hearing officer.** The hearing shall be conducted by an Administrative Law Judge (ALJ) employed by OATH for that purpose. The ALJ shall have all the powers conferred by law to administer oaths, issue subpoenas, require the attendance of witnesses and production of records, rule upon requests for adjournment, rule upon evidentiary matters and to otherwise regulate the hearing, observe the requirements of due process and effectuate the purposes and provisions of applicable law.

(4) The ALJ shall preside over the hearing, make all procedural rulings, and make a statement on the record describing the nature of the proceedings, the issues, and the manner in which the hearing will be conducted.

(5) All testimony shall be given under oath or affirmation administered by the ALJ.

(6) The person or organization charged shall be entitled to be represented, to have witnesses give testimony and to otherwise present relevant and material evidence on behalf of such person or organization, to cross examine witnesses and to examine any document or other item offered into evidence.

(7) A typed or recorded copy of the record of the hearing shall be prepared by OATH; a copy shall be provided upon request for a reasonable cost.

(8) At the discretion of the ALJ, the hearing may be adjourned for good cause upon the request of either party or upon the ALJ's own motion and with notice to the parties.

(9) The hearing shall be conducted in conformity with procedural requirements of applicable law and the rules of procedure adopted by OATH which are not inconsistent with these Rules.

(10) After the conclusion of the hearing, the presiding ALJ shall prepare a report and recommendation.

(11) The report of an ALJ shall summarize the evidence presented and contain an analysis of the legal and factual issues, with recommended findings of fact and recommended disposition.

(12) The report shall be sent to the City Clerk for a final determination of the facts and a final disposition.

(13) A copy of the report shall also be delivered or mailed to the person or organization charged.

(d) **Decision after the hearing.** (1) The hearing decision shall be made and issued by the City Clerk and shall be based exclusively on the record and transcript of the hearing. In reaching a decision, the City Clerk may review the memoranda of law of the parties, if any. The City Clerk shall not be bound by the ALJ's recommendation, in whole or in part, as may be appropriate. The decision shall be in writing and shall state reasons for the determinations and, when appropriate, direct specific action.

(2) A copy of such decision shall be mailed by the City Clerk to the person or organization charged and the attorney or representative of such person or organization, if any.

(3) In the event that a decision is adverse to the person or organization charged, in whole or in part, the person or organization has the right to judicial review in accordance with the provisions of Article 78 of the Civil Practice Law and Rules.

CASE NOTES

¶ 1. Unlike civil penalty, late fees are automatic and begin to accrue once lobbyist or client misses filing deadline. Late fees of $420 assessed against client of lobbyist who filed annual report 42 days after the filing deadline. **Office of the City Clerk v. Bayrock Group, LLC,** OATH Index No. 432/08 (Oct. 22, 2007).

¶ 2. Absent proof (not presented here) that client had previously registered or made a filing required by the Lobbying Law, client could not be assessed late fees at the enhanced rate of $25 per day but instead would be assessed late fees at the rate applicable to first time filers of $10 per day under this section. **Office of the City Clerk v. Bayrock Group, LLC,** OATH Index No. 432/08 (Oct. 22, 2007).

¶ 3. Late fees are automatic and start accumulating once a client misses a filing deadline. Since petitioner proved lobbyist's client had previously filed an annual report, client was assessed late fees at the enhanced rate of $25 per day under this section. Late fees of $6350 assessed where client filed its report 254 days late. **Office of the City Clerk v. Allied Waste Industries**, OATH Index No. 503/08 (Oct. 29, 2007).

CHAPTER 1 LOBBYING

§1-04 Lobbyist Registration Unit-Requests to View Documents.

All reports and registrations filed pursuant to the Lobbying Law for calendar year 2006 and before shall be kept for five years in the Office of the City Clerk and shall be open to public inspection. All reports and registrations filed pursuant to the Lobbying Law for calendar year 2007 and thereafter shall be kept in electronic form in the Office of the City Clerk, shall be available for public inspection and shall be posted on the internet as soon as practicable. Such inspection is subject to the following regulations:

(a) Requests to view reports or registrations will be accepted by the Office of the City Clerk, 1 Centre Street-Room 265, New York, New York, or any subsequent address, during regular business hours. Requests that cannot be fulfilled on the day of request may be held over until the following business day;

(b) All properly submitted, valid requests will be honored in as timely a manner as the scope of the request and the availability of staff and equipment will allow;

(c) Members of the public may purchase copies of reports and registrations upon the payment of a sum equal to 25 cents per page.

51 RCNY 1-06

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 1 LOBBYING

§1-06 Complaints, Commencement of Formal Proceedings and Pleadings.

(a) **Notice.** If the City Clerk makes an initial determination, based on a complaint, investigation, or other information available to the City Clerk, that there is probable cause to believe that a lobbyist or client has violated a provision of the Lobbying Law or these Rules, the City Clerk shall notify the lobbyist or client of its determination in a written notice. The notice shall contain a statement of the facts upon which the City Clerk relied for its determination of probable cause and a statement of the provisions of the Lobbying Law or these Rules allegedly violated. The notice shall afford the lobbyist or client an opportunity, either orally or in writing, to respond to, explain, rebut, or provide information concerning the allegations in such notice within fifteen days of service of the notice. The notice shall also inform the lobbyist or client of his or her right to be represented by counsel or any other person.

(b) **Lobbyist's and client's duty to cooperate; City Clerk's duty to report to Department of Investigation.** (1) Where the City Clerk conducts an investigation, the lobbyist or client shall cooperate with the representatives of the City Clerk. In any case where the City Clerk refers a complaint and/or other information available to the City Clerk to the Department of Investigation, the lobbyist or client shall cooperate with representatives of the Department of Investigation.

(2) If the City Clerk determines, on the basis of a complaint, investigation, or other information available to the City Clerk, that a willful violation of the Lobbying Law has been or may have been committed, then the City Clerk shall expeditiously report such determination, and any information relating thereto, to the Department of Investigation.

(3) Where the City Clerk receives a report that a criminal violation of law, including but not limited to a violation of Chapter 68 of the New York City Charter, and excluding a violation of the Lobbying Law, has been or may have

been committed, the City Clerk shall report any information relating thereto to the Department of Investigation within five days of receipt thereof.

(4) Where the City Clerk suspects, on the basis of a complaint, investigation, or other information available to the City Clerk, that a criminal violation of law, including but not limited to a violation of Chapter 68 of the New York City Charter, and excluding a violation of the Lobbying Law, has been or may have been committed, the City Clerk shall expeditiously report such suspected violation, and any information relating thereto, to the Department of Investigation.

(c) **Request for a Stay.** In response to the City Clerk's notice, the lobbyist or client may apply to the City Clerk for a stay of the proceedings, for good cause shown. The City Clerk may grant or deny such request in its sole discretion.

(d) **Admission of Facts.** If, in response to the City Clerk's notice, the lobbyist or client admits to the facts contained therein or to a violation of the provisions of the Lobbying Law or these Rules and elects to forgo a hearing, the City Clerk may, notwithstanding §1-03(c)(1) of these Rules, issue an order finding a violation and imposing the penalties it deems appropriate under the Lobbying Law or these Rules.

(e) **No Probable Cause Finding.** If, after receipt of the lobbyist's or client's response, the City Clerk determines that there is no probable cause to believe that a violation has occurred, the City Clerk shall dismiss the matter and inform the lobbyist or client and the complainant, if any, in writing of its decision.

(f) **Determination of Probable Cause.** If, after consideration of the lobbyist's or client's response, the City Clerk determines that there remains probable cause to believe that a violation of the provisions of the Lobbying Law or these Rules has occurred, and the lobbyist or client has not elected to forgo the hearing, the City Clerk shall direct a hearing to be held in accordance with the procedures set forth in §1-03(c) of these Rules.

(g) **Petition.** The City Clerk shall institute formal proceedings by serving a petition on the lobbyist or client. A copy of the petition shall also be sent to OATH at the time the lobbyist or client is served with the petition. The petition shall set forth the facts which, if proved, would constitute a violation of Lobbying Law or these Rules, as well as the applicable provisions thereof which are alleged to have been violated. The petition shall also advise the lobbyist or client of the lobbyist's or client's rights to file an answer, to a hearing, to be represented at such hearing by counsel or any other person, and to cross-examine witnesses and present evidence.

(h) **Answer.** (1) **General Rule.** The lobbyist or client shall answer the petition by serving an answer on the City Clerk within eight days after service of the petition, unless a different time is fixed by the City Clerk. A copy of the answer shall also be sent to OATH at the time the City Clerk is served with the answer. The lobbyist or client shall serve the answer personally or by certified or registered mail, return receipt requested. Upon written request of the lobbyist or client stating the specific reason for such request, submitted no later than five days prior to the due date for such answer, the City Clerk may for good cause grant an extension of time for the lobbyist or client to submit the same.

(2) **Form and Contents of Answer.** The answer shall be in writing and shall contain specific responses, by admission, denial, or otherwise, to each allegation of the petition and shall assert all affirmative defenses, if any. The lobbyist or client may include in the answer matters in mitigation. The answer shall be signed and shall contain the full name, address, and telephone number of the lobbyist or client. If the lobbyist or client is represented, the representative's name, address, and telephone number shall also appear on the answer, which shall be signed by either the lobbyist or client or by his or her representative.

(3) **Effect of Failure to Answer.** If the lobbyist or client fails to serve an answer, all allegations of the petition shall be deemed admitted and OATH shall proceed to hold a hearing in which prosecuting counsel shall submit for the record an offer of proof establishing the factual basis on which the Administrative Law Judge conducting the hearing may issue an order. If the lobbyist or client fails to respond specifically to any allegation or charge in the petition, such allegation or charge shall be deemed admitted.

(i) **Amendment of Pleadings.** Pleadings shall be amended as promptly as possible upon conditions just to all parties. If a pleading is to be amended less than twenty-five days before the commencement of the hearing, the amendment may be made only on consent of the parties or by leave of the Administrative Law Judge conducting the hearing.

HISTORICAL NOTE

Section added City Record Dec. 8, 2006 §9, eff. Dec. 10, 2006 per City Record notice. [See T51

§1-02 Note 1]

CASE NOTES

¶ 1. Although subsection (h) of this section provides that the failure to answer the petition is deemed an admission of all of the allegations in the petition, petitioner must still submit proof establishing the factual basis for the determination it seeks. Client's failure to file an answer to the petition did not establish, by itself, that the client was not a first time filer and therefore petitioner was not entitled to the enhanced late fee rate of $25 per day. **Office of the City Clerk v. Bayrock Group, LLC,** OATH Index No. 432/08 (Oct. 22, 2007).

CHAPTER 2 COMMISSIONER OF DEEDS

§2-01 Qualifications.

To become a Commissioner of Deeds, an individual:

(a) must be a citizen of the United States of America;

(b) must be a resident of the City of New York, or be an attorney who maintains a law office within the City of New York (such attorneys are deemed residents of the City by NYS Executive Law §§140(5) and (5-a) for the purpose of becoming a Commissioner of Deeds);

(c) must be at least 18 years of age;

(d) must not have been removed from the Office of Notary Public or Commissioner of Deeds;

(e) must be an attorney, an attorney's employee, someone serving a clerkship in a law office, or someone who has qualified for a Certificate of Fitness from the Office of the City Clerk. After the oath or affirmation is administered, the Commissioner of Deeds should place the appropriate one of the following statements (called a "jurat") after the person's signature: "Sworn to before me this _____ day of _____, 19 ____." The jurat must be followed by the signature and other information of the Commissioner of Deeds as described above.

(1) **Acknowledgements.** For the purpose of a Commissioner of Deeds, an acknowledgement is a declaration by a person that he is in fact the person who is described in a particular document and that he has executed (signed) that particular document. There is no particular form that must be used in taking an acknowledgement. For an

acknowledgement to be valid, the Commissioner of Deeds must ask the person making the acknowledgement:

(i) to identify himself to the satisfaction of the commissioner of deeds;

(ii) whether he is the person described in the document; and

(iii) whether it is in fact his signature on the document.

(It is not essential for the person to sign the document in the presence of the Commissioner of Deeds.)

After taking an acknowledgement, the Commissioner of Deeds must place a statement on the document or attach a statement to the document as evidence of her taking the acknowledgment. Whatever form used, the statement must recite all the matters that were required to be done, known or proved on the taking of the acknowledgement, together with the name and substance of the declaration of the person making the acknowledgement. An acceptable form of such a statement is: "On this _____ day of _____, 19 ____, before me came (person's name), to me known to be the individual described in and who executed the foregoing instrument, and acknowledged that he executed the same." This must be followed by the Commissioner's signature and other information as described above.

CHAPTER 2 COMMISSIONER OF DEEDS

§2-02 Certificates of Fitness-Qualifications.

To qualify for a Certificate of Fitness from the Office of the City Clerk, an applicant for the office of Commissioner of Deeds:

(a) must not have any outstanding tax bills or any unpaid traffic tickets; and

(b) must not have been convicted of:

(1) any felony; or

(2) illegally using, carrying or possessing a pistol or other dangerous weapon; or

(3) making or possessing burglar's tools; or

(4) buying or receiving or criminally possessing stolen property; or

(5) unlawful entry of a building; or

(6) aiding escape from prison; or

(7) unlawfully possessing or distributing habit-forming narcotic drugs; or

(8) practicing or appearing as attorney-at-law without being admitted and registered (Judiciary Law §478; former

Penal Law §270); or

(9) soliciting legal business on behalf of an attorney (Jud. Law §479; former Penal Law §270-a); or

(10) entering a hospital to negotiate a settlement or obtain a release statement from a patient (Jud. §480; former Penal Law §270-b); or

(11) being an employee or another attached to a hospital, police department, prison, court, or bail bond institution, who assisted or abetted the solicitation of persons or the procurement of a retainer for or on behalf of an attorney (Jud. Law §481; former Penal Law §270-c); or

(12) unlawfully practicing law (Jud. Law §484; former Penal Law §271); or

(13) purchasing claims for the purpose of commencing a lawsuit (Jud. Law §489; former Penal Law §275); or

(14) as an attorney, sharing legal fees with a non-attorney (Jud. Law §491; former Penal Law §271); or

(15) "jostling," i.e., taking certain actions designed to aid or commit pickpocketing (Penal Law §165.30; former Penal Law §722); or

(16) fraudulent accosting (Penal Law §165.30; former Penal Law §722); or

(17) aggravated harassment in the second degree via electronic, print, or other medium (Penal Law §240.30(1); former Penal Law §722); or

(18) loitering for the purpose of engaging another in deviate sexual intercourse or other deviate sexual behavior (Penal Law §240.35(3); former Penal Law §722); or

(19) violation of §§550; 551, or 551-a of the former Penal Law; or

(20) vagrancy or prostitution.

(c) must, if applying on or after January 1, 1990, have earned a grade of at least 65 percent on a written examination to be administered by the Office of the City Clerk in accordance with §2-03 of these Rules.

CHAPTER 2 COMMISSIONER OF DEEDS

§2-03 Certificates of Fitness-Application and Examination.

(a) Commencing January 1, 1990, the City Clerk will not issue a Certificate of Fitness to any applicant for the Office of Commissioner of Deeds until and unless the applicant has earned a grade of at least 65 percent on a written examination administered by the Office of the City Clerk.

(b) Applicants shall take the examination prior to submitting their application and fees. An application shall not be considered complete unless the applicant has earned a grade of at least 65 percent on the written examination prior to the submission of the application form.

(c) The written examination shall be administered by the Office of the City Clerk in accordance with a schedule and in such places as shall be set and announced from time to time by the City Clerk.

(d) The written examination shall be of a format type as shall be set and announced by the City Clerk from time to time. Examples of formats include, but are not limited to, short answer, essay question, multiple choice, true/false, or any combination thereof; open book; or closed book.

(e) The examination shall be based solely on information contained in the City Clerk's rules for the Office of Commissioner of Deeds.

(f) All earned grades shall be final. Applicants who do not earn a passing grade shall be free to try again to earn a passing grade at any and all future, regular test administrations by the Office of the City Clerk.

CHAPTER 2 COMMISSIONER OF DEEDS

§2-04 Applications.

(a) Obtain and complete the appropriate application form as per the instructions.

(b) Have the application notarized.

(c) Applicants serving clerkships in the offices of attorneys, and whose clerkship certificates are on file with the proper officials, shall submit an affidavit to that effect. (First-time applicants only.)

(d) Other employees of attorneys shall submit an affidavit, sworn to by a member of the law firm, stating that the applicant is a proper and competent person to perform the duties of a Commissioner of Deeds. (First-time applicants only.)

(e) Submit a certified check or money order for the appropriate amount. Upon being notified of appointment, the applicant must appear in person at the Office of the City Clerk and take an oath of office. In so doing, the applicant must swear or affirm that: he is a citizen of the United States, and a resident of the State of New York, the City of New York and the county of (name of the county); that he will support the constitutions of the State of New York and of the United States, and that he will faithfully discharge the duties of the Office of Commissioner of Deeds.

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 2 COMMISSIONER OF DEEDS

§2-05 Term of Office.

The term of office for a Commissioner of Deeds is two years, commencing from the date of appointment.

(a) For individuals who are residents of the City of New York: Any Commissioner of Deeds who ceases to be a resident of New York City automatically gives up his or her office of Commissioner of Deeds. When any Commissioner of Deeds ceases to be a resident of New York City he or she must immediately notify the Office of the City Clerk.

(b) For attorneys who are deemed "residents" of the City of New York by virtue of having law offices within City: Any Commissioner of Deeds who ceases to maintain a law office within New York City automatically gives up his or her office of Commissioner of Deeds. When any Commissioner of Deeds ceases to maintain a law office within New York City he or she must immediately notify the Office of the City Clerk.

51 RCNY 2-06

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 2 COMMISSIONER OF DEEDS

§2-06 Procedures for Exercising the Powers of a Commissioner of Deeds.

(a) **Required information.** On each document sworn to, acknowledged, or proved before him, a Commissioner of Deeds must affix, in black ink,

(1) his signature;

(2) his printed, typewritten, or stamped name;

(3) his office title;

(4) his official number; and

(5) the date when his term expires.

An example of the form to be followed is:

(signature)

Jane Sample

Commissioner of Deeds, New York City

123456789

Term Expires: (date)

A Commissioner of Deeds must sign the name under which she was appointed; she may use no other. When a Commissioner of Deeds marries during the term of office, the Commissioner must continue to use any pre-marriage surname when signing as a Commissioner of Deeds. However, if the Commissioner wishes to include a new, marriage surname, the Commissioner must use the pre-marriage surname in the Commissioner's signature and printed name, and then add the marriage surname in parentheses after the signature. When the term of office expires, the Commissioner's renewal application may be made either under the pre-marriage or the marriage surname. When the renewal is granted the Commissioner must perform all functions solely under the name used on the renewal application.

A Commissioner of Deeds must immediately notify the Office of the City Clerk concerning any changes of address.

It is optional to have an official stamp or seal.

A Commissioner of Deeds appointed in the City of New York may administer oaths and take acknowledgements or proofs of deeds and other documents in any part of the City of New York.

(b) **Administering oaths and taking acknowledgement or proofs.**

(1) Oaths. For the purpose of a Commissioner of Deeds, an oath is a person's verbal pledge that her statements contained in a document are true. An affirmation is the equivalent of an oath and may be administered to anyone who objects to taking an oath as a matter of principle. Oaths and affirmations must be administered in legally acceptable forms. An acceptable form for administering an oath is: "Do you solemnly swear that the contents of the statement made and subscribed by you are true and correct?" An acceptable form for administering an affirmation is: "Do you solemnly, sincerely, and truly, declare and affirm that the statements made and subscribed by you are true and correct?" When an oath or affirmation is administered, the person swearing or affirming must express assent to the oath or affirmation by the words "I do" or words of like meaning. For an oath or affirmation to be valid, whatever form is used, it is necessary that:

(i) the person swearing or affirming be personally present before the Commissioner of Deeds;

(ii) the person unequivocally swears or affirms that what she states is true;

(iii) the person swears or affirms as of that moment; and

(iv) the person consciously and conscientiously takes upon herself the obligation of an oath or affirmation.

(2) **Proofs.**

(i) A proof is used in place of an acknowledgement on certain instruments. A proof is a formal declaration by a person who witnessed the signing of an instrument and who himself signed as a subscribing witness, which declaration sets forth:

(A) the witness' place of residence;

(B) that the witness knew the individual who is described in and who executed (signed) the instrument; and

(C) that the witness actually saw the individual sign the instrument.

(ii) As with acknowledgements, there is no prescribed form for taking a proof. For a proof to be valid, the commissioner of deeds must be satisfied that:

(A) the witness is who she claims to be;

(B) the witness is stating her correct place of residence;

(C) the witness does in fact personally know the individual who executed the instrument; and

(D) the witness actually saw the individual execute the instrument. When a proof is taken, the Commissioner of Deeds must place a statement on the document or attached thereto as evidence of her having taken the proof. Whatever form is used, the statement must recite all the matters that were required to be done, known, or proved on the taking of the proof, together with the name, place of residence, and substance of the declaration of the person giving proof. An acceptable form of the statement is:

"On this _____ day of _____, 19 ____, before me came (person's name), to me known to be the individual who subscribed as witness the foregoing instrument and declared that she resides at (house and street), (town or city), (state), that she knows personally (person's name), that she knows the person to be the individual described in and who executed the foregoing instrument, and that (the person) executed the foregoing instrument in her presence."

This statement must be followed by the Commissioner's signature and other information described above.

(3) **Fee.** The fee for administering an oath or taking an acknowledgement or proof is twenty-five cents.

(c) **Authentication.** "Authentication" in this case involves a County Clerk affirming the genuineness of a certificate of acknowledgement, proof, or oath taken before a Commissioner of Deeds.

The significance of authentication is as follows:

When an instrument or paper is sworn to, proved, or acknowledged before a Commissioner of Deeds within the City of New York, it can be recorded and read in evidence in any office of any County Clerk within the City of New York or in the Office of the Register of the City of New York without the need for further proof. However, for such an instrument to be read into evidence, without the need for further proof, anywhere in New York outside the five boroughs of the City, it is necessary that the instrument first be authenticated by one of the County Clerks in the City of New York.

To permit people to have instruments authenticated, a Commissioner of Deeds may file his autograph signature and certificate of appointment in the office of any County Clerk in New York City. Certificates of appointment may be obtained from the Office of the City Clerk.

CHAPTER 2 COMMISSIONER OF DEEDS

§2-07 Restrictions.

(a) A Commissioner of Deeds must be and remain a resident of New York City. If a Commissioner of Deeds ceases to be a New York City resident he vacates his office and must immediately notify the City Clerk.

(b) A Commissioner of Deeds appointed within the City of New York cannot perform official functions anywhere except within the five boroughs of the City of New York.

(c) A Commissioner cannot certify any document to a transaction in which the Commissioner has an interest (financial) or to which the Commissioner of Deeds is a party.

(d) A Commissioner of Deeds cannot charge a fee for administering oaths of office to: a member of the legislature; any military officer; an inspector of election; a clerk of the poll; or any other public officer or public employee.

(e) The powers of a Commissioner of Deeds are personal and cannot be delegated to anyone.

(f) A Commissioner of Deeds who is an employee or stockholder of a corporation may take the acknowledgement or proof of any party to a written instrument executed by the corporation, or may administer an oath to any other officer, employee, or stockholder of the corporation, except when the Commissioner of Deeds himself is one of the parties executing the instrument either as individual or as a representative of the corporation.

(g) A Commissioner of Deeds has no power to protest a negotiable instrument (e.g., a promissory note or bill of exchange).

(h) A Commissioner of Deeds cannot take an acknowledgement or proof of the execution of a will.

***** Current through December 2009 ****

51 RCNY 2-08

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 2 COMMISSIONER OF DEEDS

§2-08 Professional Conduct.

(a) **General.** A Commissioner of Deeds is a public officer, and is so regarded under the laws of the State of New York. As such, a high standard of professional conduct is required and expected of each individual having an appointment as a Commissioner of Deeds. Moreover, the care with which a Commissioner of Deeds performs her duties can often be the only thing that ensures the integrity of a particular document. In performing the functions of his or her office, a Commissioner of Deeds must:

(1) take an acknowledgement or proof, or administer an oath, only when the individual is personally present (taking proofs or acknowledgements, or administering oaths, over the telephone or otherwise is absolutely illegal);

(2) always satisfy himself as to the true identity of the individual giving the acknowledgement or taking an oath; and

(3) always follow the appropriate forms when administering oaths, issuing certificates, etc. In addition to the prohibition against the careless performance of the duties of the office of Commissioner of Deeds, there are strict legal proscriptions against the deliberate abuse of the office:

(b) **Official misconduct.** A public servant is guilty of official misconduct when, with intent to obtain a benefit or to injure or deprive another person of a benefit:

(1) he commits an act relating to his office but constituting an unauthorized exercise of his official functions, knowing that such act is unauthorized; or

(2) he knowingly refrains from performing a duty which is imposed upon him by law or is clearly inherent in the nature of his office.

Official misconduct is a Class A misdemeanor.

(NYS Penal Law §195.00.)

(c) **Issuing a false certificate. (Falsely stating that someone took an oath or gave an acknowledgement of proof.)** A person is guilty of issuing a false certificate when, being a public servant authorized by law to make or issue official certificates or other official written instruments, and with intent to defraud, deceive or injure another person, he issues such an instrument, or makes the same with intent that it be issued, knowing that it contains a false statement or false information.

Issuing a false certificate is a Class E felony.

(NYS Penal Law §175.40.)

(d) **Forgery in the second degree.** A person is guilty of forgery in the second degree when, with intent to defraud, deceive, or injure another, he falsely makes, completes or alters a written instrument which is or purports to be, or which is calculated to become or to represent if completed:

(1) a deed, will codicil, contract, assignment, commercial instrument, or other instrument which does or may evidence, create, transfer, terminate or otherwise effect a legal right, interest, obligation or status; or

(2) a public record, or an instrument filed or required or authorized by law to be filed in or with a public office or public servant; or

(3) a written instrument officially issued or created by a public office, public servant or governmental instrumentality.

Forgery in the second degree is a Class D felony.

(NYS Penal Law §170.10.)

(e) **Fees.** A public officer or other person who charges a fee for his service which is greater than the amount allowed by statute, or which charges a fee for services that were not actually rendered, is liable, in addition to the punishment prescribed by law for the criminal offense, to an action on behalf of the person aggrieved, in which the plaintiff is entitled to treble damages. (Outline of NYS Pub. Off. Law §§67(2), (3), (4).)

(f) **Fraud in office.** A Commissioner of Deeds who, in the exercise of the powers, or in the performance of the duties of such office, shall practice any fraud or deceit, the punishment for which is not otherwise provided for by this act, shall be guilty of a misdemeanor. (NYS Exec. Law §135-a(2).)

(g) **Acting without authority.** Anyone who holds himself out to the public as being entitled to act as a Commissioner of Deeds or conveys the impression that he is a Commissioner of Deeds, without having been appointed a Commissioner of Deeds, is guilty of a misdemeanor. (NYS Exec. Law §135-a(1).)

(h) **Penalties.** In addition to the criminal and civil penalties outlined above, any kind of misconduct in office by a Commissioner of Deeds is punishable by removal from office. Section 140 of the New York State Executive Law vests the Office of the Mayor with the power to remove a Commissioner of Deeds from office for cause shown. Commissioners have the right to answer charges brought against them. (NYS Exec. Law §140(12).) Removal from office as a Commissioner of Deeds of the City of New York disqualifies an individual from ever again being appointed to that office. In addition, that individual is disqualified from becoming a Notary Public. Anyone removed from office

as a Commissioner of Deeds who, after learning of such removal, continues to perform the functions of that office, shall be guilty of a misdemeanor.

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 3 MARRIAGES

§3-01 Marriage License Application Forms.

(a) Both parties must be present in order to obtain a blank marriage license application. The prospective bride and prospective groom must fill out the application in the City Clerk's office and present it for processing.

(b) Under no circumstances shall a clerk give out a blank application for a marriage license unless both the prospective bride and prospective groom are personally present before that clerk, except that where, for religious or health reasons or, in the sole discretion of the City Clerk, by reason of other exigent circumstances, both parties to the marriage cannot be present at the same time, the City Clerk may waive the requirement imposed by subdivision (a) of this section.

(c) The foregoing do not apply to cases where City Clerk personnel must issue a marriage license in a prison or a hospital or where the parties have submitted the application for a marriage license by electronic means.

HISTORICAL NOTE

Section amended City Records July 3/7, 2008 §1, eff. Aug. 2, 2008. [See Note 1]

Section in original publication July 1, 1991.

NOTE

1. Statement of Basis and Purpose in City Record July 3, 2008:

These amendments to the Rules of the City Clerk provide for several changes that modernize and otherwise facilitate the procedure for applying for marriage licenses in New York City. First, the two parties applying for a marriage license will be allowed to do so individually and at different times in certain circumstances. The Office of the City Clerk has encountered instances where for religious reasons both bride-to-be and groom-to-be cannot be present in the same place at the same time. This rule change permits an application to be made under such circumstances, as well as under other exigent circumstances as the City Clerk deems appropriate. A further change enables applicants for a marriage license to submit their application via the Internet, shortening the time needed to process applications and improving the performance of the Office of the City Clerk and its ability to satisfy applicants. Finally, the Office of the City Clerk is reducing the registration fee for domestic partnership by one dollar, making it equal to the total cost of a marriage license and the initial marriage certificate.

Rules of the City of New York

***** Current through December 2009 ****

51 RCNY 3-02

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 3 MARRIAGES

§3-02 Issuing Licenses Outside of the Office.

Marriage licenses may be issued only at the Marriage Bureau in the ordinary course of the business day. There are only two exceptions to this section: cases where an individual is confined to a hospital, and cases where an individual is confined in prison. Such issuance is strictly a courtesy, and is therefore entirely subject to the availability of personnel and the schedule of the office.

(a) In a hospital case, there are three requirements that must be met before a license may be issued:

(1) the parties must present a statement from the doctor indicating that the sick party is seriously ill, that he or she will be confined to the hospital for a very long period of time, that there is a possibility that the sick person will not survive the illness, and that the sick person is mentally competent to apply for the marriage license; and

(2) the parties must call ahead of time or make arrangements for the license to be issued; and

(3) the parties must be willing to furnish our clerk with transportation to and from the hospital, and must arrange on their own for someone to return to the office to pick up the marriage license after it has been prepared.

(b) In a prison case, the requirements are as follows:

(1) the parties must present a written statement from the social worker, warden, or other authorized person granting consent for the issuing of the marriage license in the prison; and

(2) the parties must contact the office ahead of time to request the license to be issued and to make all necessary

preparations.

Rules of the City of New York

***** Current through December 2009 ****

51 RCNY 3-03

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 3 MARRIAGES

§3-03 Hearings Pursuant to Domestic Relations Law §15.

(a) **Production of witnesses or notarized affidavits to establish identity.** If in the opinion of the issuing clerk there appears to be some question as to the identity of one or both of the parties, the City Clerk, pursuant to the provisions of §15 of the New York State Domestic Relations Law, may compel the production of witnesses, certified official records or notarized affidavits to establish the identity of the parties.

(b) **Request for review of City Clerk's preliminary denial of marriage license.**

(1) Applicants who have been preliminarily denied a marriage license by the City Clerk may request a review of such determination by paying a $25 fee and filing a request for a review on such form as may be provided by the City Clerk no later than 30 days after such preliminary denial. The City Clerk may waive this fee upon a showing of financial hardship.

(2) **Duty of the City Clerk.** Within fifteen days of receipt of a request for review the City Clerk shall forward to the Office of Administrative Trials and Hearings (OATH) such request for review, a written statement outlining the reason for the preliminary denial of the marriage license and the documentary evidence supporting the preliminary denial, all of which documentation with the exception of the request for review shall constitute the petition. A copy of the petition shall be mailed contemporaneously to the applicant via certified mail return receipt requested.

(3) **Notice to spouse of record.** Where the marriage license was denied because of the existence in the records of the City Clerk of a prior non-terminated marriage, the City Clerk shall exert its best efforts to notify the spouse of record of the impending action. The spouse of record shall be given twenty-one days from the date of mailing to

respond to such notification. In such response, the spouse of record may request an opportunity to be heard on the issue, either in writing or at the hearing, if OATH decides a hearing is warranted. Upon request contained in such response, the City Clerk shall forward to the spouse of record all documentation exchanged among OATH, the City Clerk and the applicant.

(4) **Applicant's duty to respond.** Applicant shall, no later than thirty days after he or she receives the petition, submit in duplicate an answer to the City Clerk including therein any documentary evidence or other proof which may include notarized affidavits in support of his or her claim. Upon written request of the applicant stating the specific reason for such request, submitted no later than five days prior to the due date for such answer, the City Clerk may for good cause grant an extension of time for applicant to submit the same. Upon receipt of the answer the City Clerk shall forward a copy thereof to OATH. Applicant's failure to respond by the deadline set forth herein, including any extension granted by the City Clerk pursuant to this sub-paragraph, shall be deemed a withdrawal of the applicant's challenge to the City Clerk's preliminary decision and such preliminary decision shall thereafter be deemed final.

(5) **Designation of OATH.** Pursuant to Charter §1048, the City Clerk designates OATH to conduct on its behalf all the reviews and hearings referred to herein.

(6) **The reviewing officer.** An administrative law judge ("ALJ") employed by OATH shall review the petition and the answer no later than fifteen days after the date of receipt of both the petition and the answer as well as any documentation presented by the spouse of record, if any. If upon such review the ALJ shall conclude that such evidence is sufficient to form a conclusion then the ALJ shall prepare no later than thirty days after receipt of all of the documents referred to in the first sentence of this paragraph a report summarizing the evidence presented, an analysis of the legal and factual issues, recommended findings of fact and recommended disposition. Such report shall be sent to the City Clerk for a final determination of the facts and a final disposition. Alternatively, if the ALJ shall conclude that the evidence presented is insufficient to form a conclusion, the ALJ shall convene a hearing at a date to be determined in such ALJ's sole discretion but no later than sixty days from the date of such initial review. Upon notification thereof by such ALJ, which notification may be electronic, the City Clerk, not later than five days after the date of such notification, shall notify the applicant as well as his or her attorney or other representative, if any, and the spouse of record, if any, of the date of the hearing by certified mail, return receipt requested. Such notification shall be post-marked no later than thirty days prior to the date of such hearing.

(7) **Use of expert witness.** It shall be the obligation of any party intending to present the testimony of expert witness or witnesses at the hearing to notify the ALJ and the opposing parties of such intention no later than fifteen days prior to the date of the hearing and to submit to both the ALJ and the opposing parties no later than seven days prior to the date of the hearing copies of any reports, filings or any other documentation produced by such expert witness or witnesses which such party intends to use at the hearing. The ALJ may grant an extension of time to the parties.

(8) **The hearing.** The ALJ shall preside over the hearing, make all procedural rulings, and make a statement on the record describing the nature of the proceedings, the issues, and the manner in which the hearing will be conducted. The ALJ shall have all the requisite powers conferred by law to administer oaths, issue subpoenas, require the attendance of witnesses and production of records, rule upon requests for adjournment, rule upon evidentiary matters and to otherwise regulate the hearing, observe the requirements of due process and effectuate the purposes and provisions of applicable law. All testimony shall be given under oath or affirmation administered by the ALJ. The City Clerk shall have the burden of demonstrating by a preponderance of the evidence that the applicant should not be granted a marriage license.

(9) The applicant and the spouse of record, if any, may be represented by an attorney or other representative of his or her choice.

(10) The applicant as well as the City Clerk and the spouse of record, if any, may have witnesses, may give testimony and may otherwise present relevant and material evidence on his or her behalf, may cross-examine witnesses and may examine any document or other item offered into evidence.

(11) A recorded copy of the record of the hearing shall be prepared by OATH; upon request a compact disc audio recording of the hearing, at no cost, or a transcript of the hearing, at a cost to be determined by OATH, may be provided.

(12) At the discretion of the ALJ, the hearing may be adjourned for good cause upon the request of any of the parties or upon the ALJ's own motion and with notice to the parties.

(13) The hearing shall be conducted in conformity with procedural requirements of applicable law and the rules of procedure adopted by OATH which are not inconsistent with these rules. In the event of any conflict of laws, the rules of this section shall be determinative and controlling.

(14) After the conclusion of the hearing, the ALJ shall prepare a report summarizing the evidence presented, an analysis of the legal and factual issues, recommended findings of fact and a recommended disposition. Such report shall be sent to the City Clerk for a final determination of the facts and a final disposition.

(15) **Final decision.** (i) The City Clerk's final decision shall be in writing and shall state reasons for the determinations and, when appropriate, direct specific action. Notwithstanding the foregoing, such final decision need not be a separate formal document and a report submitted to the City Clerk pursuant to paragraph b(6) or b(14) hereof together with a letter from the City Clerk concurring with the recommended findings of fact and recommended disposition shall constitute a final decision. In reaching such final decision, the City Clerk may review the petition and answer and memoranda of law of the parties, if any, and any record of the hearing. The City Clerk shall not be bound by the ALJ's recommendation.

(ii) A copy of such final decision shall be mailed by the City Clerk to the applicant and his or her attorney or representative, if any, and the spouse of record, if any.

(iii) Any of the aggrieved parties have the right to judicial review in accordance with the provisions of Article 78 of the Civil Practice Law and Rules.

HISTORICAL NOTE

Section amended City Record Sept. 20, 2006 §1, eff. Oct. 20, 2006. [See Note 1]

Section in original publication July 1, 1991.

NOTE

1. Statement of Basis and Purpose in City Record Sept. 20, 2006:

The Amendment to the Rules would provide applicants who are denied a marriage license or registration as a domestic partnership an administrative redress. Specifically, it allows the aggrieved party to challenge within thirty days and upon payment of a nominal fee any denial of a marriage license or domestic partner registration by the City Clerk. Currently persons who at the time of application have a marriage or domestic partnership listed on the records of the City Clerk and cannot prove the dissolution of such marriage or domestic partnership are denied a marriage license or domestic partnership registration, respectively, by the Office of the City Clerk pursuant to law. (This has no effect on a domestic partner seeking a marriage license since by law marriage automatically terminates the domestic partnership.) The aggrieved party's sole recourse is to bring an Article 78 proceeding. For low-income and indigent persons who cannot afford the costs of retaining an attorney, the unintended consequence of this policy is to effectively deny such applicant the right to marry or register a domestic partnership. The effect can be especially onerous given the alarming increase in identify theft. The Amendment to the Rules would offer an affordable alternative to challenge a City Clerk refusal without interfering with the current legal recourse. It would also require the spouse or domestic partner of record to be notified of the proceeding. The other changes are necessary to update the Rules of the City of New York. The

provision in the current Rules of the City of New York with respect to spouses or prospective spouses obtaining information with respect to their spouse or prospective spouse is inadequate. In many instances spouses want to know if their present spouse has fraudulently obtained a marriage certificate with a party other than the inquiring spouse subsequent to their marriage and the current rule does not permit the Office of the City Clerk to disclose such information. The Amendment to the Rules is meant to remove that restriction. Due to case law persons ordained by the Universal Life Church are not permitted to officiate marriage ceremonies under the current Rules of the City of New York. Currently persons who are ordained by many other internet-based religious organizations are allowed to register while persons who are ordained by Universal Life Church are not. The Amendment to the Rules would remove this disparity. In addition, there is no provision in the Rules of the City of New York to permit chaplains to register and the Amendment to the Rules would provide such a mechanism. The Amendment to the Rules also corrects a citation error in §3-04(b) of Title 51 of the Rules of the City of New York. Finally notarization of third-party consents would safeguard the process and consequently enhance the integrity of the marriage database which, by law, is confidential. The Office of the City Clerk wishes to ensure that the party writing the consent is indeed an authorized party and consequently avoid fraud. The City Clerk of the City of New York has re-evaluated the proposed fee based on a current cost analysis and has determined that the fee is warranted.

CHAPTER 3 MARRIAGES

§3-04 Marriage Chapel.

(a) The Office of the City Clerk performs civil marriage ceremonies only. No references to religion or deity are made.

(b) Where the personal presence of "both parents" at the wedding ceremony is required by §11-a(c) of the Domestic Relations Law, the Office of the City Clerk shall deem the requirement met when the party or parties whose consent was required for the issuance of the license is/are personally present at the wedding ceremony. All such parties must have proper identification with them showing their signature. In addition, custodial parents must present a divorce decree or death certificate; guardians must present guardianship papers.

(c) Every couple must have at least one witness who must be at least 18 years of age.

(d) Food and drink are not allowed in any City Clerk's Office chapel or chapel waiting room. The throwing of rice or other objects is also prohibited.

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 3 MARRIAGES

§3-05 Release of Marriage Records.

(a) In the ordinary course of business, marriage records shall be released only:

(1) to the parties to the marriage;

(2) to individuals presenting written authorization from one of the parties to the marriage (the authorization must be notarized); or

(3) to attorneys in cases where such records are required as evidence in a legal proceeding.

The following restrictions do not apply to records that are at least 50 years old, or to records where both parties to the marriage are deceased.

(b) Where a party to the marriage sends a third party to obtain their marriage record without a letter of authorization, that third party may make the request and pay the fee if that third party consents to having the record mailed directly to the party to the marriage. The record will not be released directly to the unauthorized third party.

(c) If a person requires information regarding a current or prospective spouse's marital history, the Office of the City Clerk will, upon the payment of the appropriate search fee, the furnishing of an approximate marriage date, and sufficient information to search under at least one party's name, confirm only the fact of a prior marriage or a subsequent fraudulent acquisition of a marriage certificate with a party other than the inquiring spouse subsequent to their marriage by a "yes" or "no" answer. Under no circumstances will a copy of the record be provided. Nothing in this

rule shall be construed to permit a divorced person to obtain the information described in this sub-paragraph with respect to his or her former spouse.

(d) Any requestors whose requests are refused by the Records Division pursuant to the above subdivisions, but who feel nevertheless that their requests are for a statutorily proper purpose, may send their requests in writing for review by the City Clerk, at 1 Centre Street-Room 265, New York, New York, 10007. Requests may be approved or denied in whole or in part. All approvals shall be in writing.

(e) All over-the-counter requestors must present identification when applying to obtain a marriage record.

(f) Over-the-counter requests may be honored only when accompanied by payment in the form of a money order or certified check.

(g) A person making an over-the-counter record request involving a multi-year search pre-dating 1973 will be asked to return for the results another day, or can have the record mailed to them if they prefer.

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 3 MARRIAGES

§3-06 Marriage Officiant Registration.

Pursuant to §11-B of the Domestic Relations Law, the Office of the City Clerk will accept the registration of officiants to perform wedding ceremonies within the City of New York upon presentation of documentary proof of authority as outlined below.

(a) In the case of clergy, the person wishing to register (hereafter "the registrant") must comply with one of the following:

(1) In cases where the denomination publishes a directory of its clergy, the registrant may show that he or she is listed in that directory. If the registrant's name does not yet appear in the denominational directory, the registrant claiming membership in that denomination may instead present written confirmation for that membership from the body that puts out the directory. Such confirmation can also consist of a certificate or letter showing that the registrant graduated from the seminary or theological school pertaining to the denomination.

(2) In cases where the denomination does not have such a directory, the registrant must show several pieces of documentary proof of authority. First, the registrant must present an ordination certificate accompanied, if necessary, by an English translation thereof. In lieu of an ordination certificate, the registrant must present a "license to minister" or a letter of appointment from his or her religious body, i.e., from its hierarch or its board of trustees. Second, the registrant must present a letter from his or her local congregation verifying that he or she is the pastor or associate pastor of that congregation, and that the congregation therefore consents to the registering of that individual. Lastly, if the church is incorporated, the registrant must present a copy of the articles or incorporation. If the church is not incorporated, the registrant must submit a statement as to the location of the house of worship, the reason for its founding, the number of

trustees, the approximate size of its congregation, and how often it meets.

(3) In cases where the registrant belongs to a denomination that does not have a directory and does not grant certificates of ordination or license to minister, the registrant must present a letter stating that he or she is the recognized spiritual leader of a congregation, and that the congregation therefore consents to the registering of that individual. The registrant must also submit a statement as to the location of the house of worship, the reason for its founding, the number of trustees, the approximate size of its congregation, and how often it meets.

(b) In the case of judges, registrants must present identification that shows them to be members of the judiciary of the Unified Court System of the State of New York. In the case of retired judges, registrants must also present proof that they have been certified pursuant to Paragraph (j) of Subdivision two of §212 of the Judiciary Law.

(c) In the case of all other civil officials authorized to solemnize weddings, registrants must present documentary evidence identifying themselves as holders of their respective offices.

(d) In the case of chaplains of the armed forces of the United States, registrants must present active military identification that indicates their occupation.

CHAPTER 4 DOMESTIC PARTNER REGISTRATION

§4-01 Domestic Partner Affidavit Form.

(a) Both parties must be present at the time of submitting their affidavit to register as domestic partners at the City Clerk's office. Parties must provide acceptable identification as specified in §4-03 of these Rules, and register during regular business hours.

(b) Both partners must sign the affidavit in the presence of a Notary Public or Commissioner of Deeds who will then sign and notarize the document before the affidavit is submitted for registration in the City Clerk's office.

(c) The foregoing do not apply to cases where City Clerk personnel are processing a domestic partnership registration in a prison or a hospital, pursuant to §4-02 of these Rules.

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 4 DOMESTIC PARTNER REGISTRATION

§4-02 Accepting Registration Outside of the Office.

Domestic partners may register at the office of the City Clerk during regular business hours. Exceptions to this provision will be made only in those cases where an individual is confined to a hospital and in cases where an individual is confined in prison. The acceptance of prison or hospital registration is a courtesy, and is therefore entirely subject to the availability of personnel and the schedule in the office,

(a) In a hospital case, the following requirements must be satisfied before registration will occur:

(1) The parties must present a statement from the doctor or hospital indicating that the sick party is seriously ill, that the party will be confined to the hospital for a very long period of time, that there is a possibility that the sick person will not survive the illness, and that the sick person is mentally competent to apply for registration of a domestic partnership;

(2) The parties must call ahead of time or make arrangements for the registration application to be completed; and

(3) The parties must be willing to furnish City Clerk personnel with transportation to and from the hospital and must arrange on their own for someone to return to the City Clerk office to pick up the domestic partner registration certificate and pay any registration filing fee.

(b) In a prison case, the requirements are as follows:

(1) The parties must present a written statement from the social worker, warden or other authorized person

granting consent for the processsing of the domestic partner registration in the prison; and

(2) The parties must contract the City Clerk's office ahead of time to request that a domestic partner affidavit be registered and to make all necessary preparations.

51 RCNY 4-03

RULES OF THE CITY OF NEW YORK

Title 51 City Clerk

CHAPTER 4 DOMESTIC PARTNER REGISTRATION

§4-03 Identification to Register.

1. **Acceptable forms of identification.** At the time of submitting an application to register a domestic partnership, each party must present identification. Identification documents acceptable for registration purposes are:

(a) valid drivers license, learner's permit or identification card issued by the department of motor vehicles of a state or territory of the United States;

(b) original birth certificate;

(c) valid passport;

(d) school records;

(e) immigration card;

(f) employee identification card; and

(g) such form of identification deemed acceptable by the City Clerk.

All documents that are not written in English must be translated into English with an affidavit attesting to the accuracy of the translation.

2. **Production of witnesses or notarized affidavits to establish identity for persons who do not possess forms**

of identification pursuant to subdivision 1 above. If in the opinion of the issuing clerk there appears to be some question as to the identity of one or both of the parties to the prospective domestic partnership, the City Clerk may compel the production of witnesses, certified official records or notarized affidavits to establish the identity of the parties.

3. **Request for review of City Clerk's preliminary denial of domestic partnership.**

(a) Applicants who have been preliminarily denied a domestic partnership by the City Clerk may request a review of such determination by paying a $25 fee and filing a request for a review on such form as may be provided by the City Clerk no later than 30 days after such preliminary denial. The City Clerk may waive this fee upon a showing of financial hardship.

(b) **Duty of the City Clerk.** Within fifteen days of receipt of a request for review the City Clerk shall forward to the Office of Administrative Trials and Hearings (OATH) such request for review, a written statement outlining the reason for the preliminary denial of the domestic partnership and the documentary evidence supporting the preliminary denial all of which documentation with the exception of the request for review shall constitute the petition. A copy of the petition shall be mailed contemporaneously to the applicant via certified mail return receipt requested.

(c) **Notice to domestic partner or spouse of record.** Where the domestic partnership registration was denied because of the existence in the records of the City Clerk of a prior non-terminated domestic partnership registration or marriage, the City Clerk shall exert its best efforts to notify the domestic partner or spouse of record of the impending action. The domestic partner or spouse of record shall be given twenty-one days from the date of mailing to respond to such notification. In such response, the domestic partner or spouse of record may request an opportunity to be heard on the issue, either in writing or at the hearing, if OATH decides a hearing is warranted. Upon request contained in such response, the City Clerk shall forward to the domestic partner or spouse of record all documentation exchanged among OATH, the City Clerk and the applicant.

(d) **Applicant's duty to respond.** Applicant shall, no later than thirty days after he or she receives the petition, submit in duplicate an answer to the City Clerk including therein any documentary evidence or other proof which may include notarized affidavits in support of his or her claim. Upon written request of the applicant stating the specific reason for such request submitted no later than five days prior to the due date for such answer, the City Clerk may for good cause grant an extension of time for applicant to submit the same. Upon receipt of the answer the City Clerk shall forward a copy thereof to OATH. Applicant's failure to respond by the deadline set forth herein, including any extension granted by the City Clerk pursuant to this paragraph, shall be deemed a withdrawal of the applicant's challenge to the City Clerk's preliminary decision and such preliminary decision shall thereafter be deemed final.

(e) **Designation of OATH.** Pursuant to Charter §1048, the City Clerk designates OATH to conduct on its behalf all the reviews and hearings referred to herein.

(f) **The reviewing officer.** An ALJ employed by OATH shall review the petition and the answer no later than fifteen days after the date of receipt of both the petition and the answer as well as any documentation presented by the domestic partner or spouse of record, if any. If upon such review the ALJ shall conclude that such evidence is sufficient to form a conclusion then the ALJ shall prepare no later than thirty days after receipt of all of the documents referred to in the first sentence of this paragraph a report summarizing the evidence presented, an analysis of the legal and factual issues, recommended findings of fact and recommended disposition. Such report shall be sent to the City Clerk for a final determination of the facts and a final disposition. Alternatively, if the ALJ shall conclude that the evidence presented is insufficient to form a conclusion, the ALJ shall convene a hearing at a date to be determined in such ALJ's sole discretion but no later than sixty days from the date of such initial review. Upon notification thereof by such ALJ, which notification may be electronic, the City Clerk, not later than five days after the date of such notification, shall notify the applicant as well as his or her attorney or other representative, if any, and the domestic partner or spouse of record, if any, of the date of the hearing by certified mail return receipt requested. Such notification shall be

post-marked no later than thirty days prior to the date of such hearing.

(g) **Use of expert witness.** It shall be the obligation of any party intending to present the testimony of expert witness or witnesses at the hearing to notify the ALJ and the opposing parties of such intention no later than fifteen days prior to the date of the hearing and to submit to both the ALJ and the opposing parties no later than seven days prior to the date of the hearing copies of any reports, filings or any other documentation produced by such expert witness or witnesses which such party intends to use at the hearing. The ALJ may grant an extension of time to the parties.

(h) **The hearing.** The ALJ shall preside over the hearing, make all procedural rulings, and make a statement on the record describing the nature of the proceedings, the issues, and the manner in which the hearing will be conducted. The ALJ shall have all the requisite powers conferred by law to administer oaths, issue subpoenas, require the attendance of witnesses and production of records, rule upon requests for adjournment, rule upon evidentiary matters and to otherwise regulate the hearing, observe the requirements of due process and effectuate the purposes and provisions of applicable law. All testimony shall be given under oath or affirmation administered by the ALJ. The City Clerk shall have the burden of demonstrating by a preponderance of the evidence that the applicant should not be granted a domestic partnership.

(i) The applicant and the domestic partner or spouse of record, if any, may be represented by an attorney or other representative of his or her choice.

(j) The applicant as well as the City Clerk and the domestic partner or spouse of record, if any, may have witnesses, may give testimony and may otherwise present relevant and material evidence on his or her behalf, may cross-examine witnesses and may examine any document or other item offered into evidence.

(k) A recorded copy of the record of the hearing shall be prepared by OATH; upon request a compact disc audio recording of the hearing, at no cost, or a transcript of the hearing, at a cost to be determined by OATH, may be provided.

(l) At the discretion of the ALJ, the hearing may be adjourned for good cause upon the request of any of the parties or upon the ALJ's own motion and with notice to the parties.

(m) The hearing shall be conducted in conformity with procedural requirements of applicable law and the rules of procedure adopted by OATH which are not inconsistent with these rules. In the event of any conflict of laws, the rules of this section shall be determinative and controlling.

(n) After the conclusion of the hearing, the ALJ shall prepare a report summarizing the evidence presented, an analysis of the legal and factual issues, recommended findings of fact and a recommended disposition. Such report shall be sent to the City Clerk for a final determination of the facts and a final disposition.

(o) **Final decision.** (i) The City Clerk's final decision shall be in writing and shall state reasons for the determinations and, when appropriate, direct specific action. Notwithstanding the foregoing, such final decision need not be a separate formal document and a report submitted to the City Clerk pursuant to paragraph 3(f) or 3(n) hereof together with a letter from the City Clerk concurring with the recommended findings of fact and recommended disposition shall constitute a final decision. In reaching such final decision, the City Clerk may review the petition and answer and memoranda of law of the parties, if any, and any record of the hearing. The City Clerk shall not be bound by the ALJ's recommendation.

(ii) A copy of such final decision shall be mailed by the City Clerk to the applicant and his or her attorney or representative, if any, and the domestic partner or spouse of record, if any.

(iii) Any of the aggrieved parties have the right to judicial review in accordance with the provisions of Article 78 of the Civil Practice Law and Rules.

NOTE

1. Statement of Basis and Purpose in City Record Aug. 15, 2003:

This rule is promulgated pursuant to the authority of City Clerk of the City of New York's Rules set forth in §§48 and 1043 of the New York City Charter. This rule will increase certain fees relating to domestic partnership. Specifically, the rule increases the fees for domestic partnership registration, termination or amendment of domestic partnership, and second or subsequent certificates. The City Clerk of the City of New York has re-evaluated these fees based on a current cost analysis and has determined that a fee increase is warranted.

By increasing these fees imposed by the City Clerk's Office, New York City will be able to recoup the costs of providing these services to the public.

Section amended City Record Feb. 11, 2005 eff. Mar. 13, 2005. [See Note 1]

Section amended City Record July 20, 1999 §1, eff. Aug. 19, 1999.

Section in original publication July 1, 1991.

NOTE

1. Statement of Basis and Purpose in City Record Feb. 11, 2005

The Campaign Finance Board Rules are codified in Chapter 52 of the Rules Compilation of the City of New York.

The amendments effect the following specific changes, and will take effect thirty days after publication in **The City Record,** except that (i) the removal of Rule 1-08(j) and (ii) the amendments to Rules 1-08(a), (b), and (d)(1), (2), insofar as the amendments refer to Rule 1-08(j), will take effect January 1, 2006.

Changes to the following rules conform the Board's Rules to recent amendments to the New York City Campaign Finance Act (Administrative Code §§3-701, et seq.) (the "Act") contained in Local Laws Nos. 58, 59, and 60: [of 2004] 1-01 (Scope of Rules); 1-02 (definitions of "Authorized committee," "Candidate," "Certification," "Disclosure statement," "Domestic partner," "Fundraising agent," "Participant," "Receipts," "Rule" and "Treasurer"); 1-03(a) (restrictions on use of receipts); 1-03(b) (exceptions to restrictions on use of receipts); 1-04(a) (receipt of contributions); 1-04(b) (deposit of contributions); 1-04(c) (return of contributions); 1-04(e) (contributions from corporations); 1-04(f) (attributing a contribution to an election); 1-04(g) (in-kind contributions); 1-04(j) (earmarked contributions); 1-04(l) (tickets for fund-raising events); 1-04(n) (solicitation of contributions for elections not subject to the Act); 1-04(o) (court-ordered rerun elections); 1-04(p) (joint fundraising; endorsements); 1-04(q) (anticipated runoff primary or runoff special elections); 1-04(r) (contributions by minors); 1-05(d) (third party repays loans); 1-05(h) (attributing a loan to an election); 1-06 (special elections); 1-07(a) (use of funds); 1-07(b) (surplus funds); 1-07(c) (contribution limit; prohibited contributions); 1-07(d) (related expenditures); 1-08(a) (expenditures); 1-08(b) (making an expenditure); 1-08(c) (attributing an expenditure to an election); 1-08(d) (expenditure limits); 1-08(f) (independent expenditures); 1-08(g) (spending public funds); 1-08(h) (joint expenditures; endorsements); 1-08(i) (expenditures by check); 1-08(j) (initial expenditures); 1-08(l) (expenditure limit compliance); 1-08(m) (fundraising for more than one election); 1-08(n) (fundraising solicitations); 1-08(o) (expenditure limit compliance for transfers); 1-09(a) (date received); 1-11 (filer registration); 2-01(a) (contents); 2-01(b) (legal effect); 2-01(d) (amendments); 2-01(e) (petition for extraordinary circumstances); 2-02 (breach of certification); 2-06(a) (deposit of receipts); 2-06(b) (separate accounts for different elections); 2-06(c) (runoff primary and runoff special elections); 2-06(e) (personal and business funds); 2-08(a) (notice); 2-08(b) (disclosure obligations); 2-08(c) (ineligibility for public funds); 2-08(d) (inclusion in voter guide); 2-09(a) (No "Opting-Out"); 2-09(b) ("off the ballot" termination); 2-09(c) ("ceased campaigning" termination); 2-09(d) (termination by Board); 2-10 (limited participation); 2-11 (non-participation); 3-01 (disclosure statements); 3-02(a) (first disclosure statement); 3-02(b) (semi-annual disclosure statements); 3-02(c) (pre-election disclosure statements); 3-02(d) (post-election disclosure statements); 3-02(e) (post-election disclosure statements); 3-02(f) (exceptions); 3-02(i) (prospective participants); 3-03(a) (reporting period); 3-03(c) (contributions and other receipts); 3-03(e) (expenditures); 3-04(a) (threshold; back-up documentation); 3-04(e) (disclosure statement review); 3-04(f) (omitted); 3-06 (forms and disclosure statements); 3-07 (insufficient disclosure statements); 3-08 (verification); 3-09 (supplemental documents); 3-11(a) (proof of filing with the conflicts of interest board; payment of penalties); 4-01(a) (generally); 4-01(b) (receipts); 4-01(c) (in-kind contributions); 4-01(d) (bills); 4-01(e) (disbursements); 4-01(f) (bank records); 4-01(g) (loans); 4-01(h) (subcontracted goods and services); 4-01(i) (fundraisers); 4-01(j) (campaign offices); 4-01(k) (political advertisements and literature); 4-01(l) (vendors); 4-01(m) (advances); 4-03(a) (six-year retention priod); 4-03(b) (custodian and location); 4-04 (assistance to candidates; records); 4-05(a) (audits); 4-06 (prospective participants); 5-01(a)(3) (Board determines eligibility); 5-01(d) (validity of matchable contribution claims and projected rate of invalid claims); 5-01(e) (withholding of public funds); 5-01(f) (basis for ineligibility determination); 7-01(a) (initiation of proceeding); 7-01(c) (contents of complaint); 7-01(f) (investigation); 7-02(a) (determination that complaint lacks merit); 7-02(c) (notice and opportunity to contest); 7-02(d) (conciliation); 7-02(f) (hearings); 7-03(a) (determination of eligibility); 7-03(b) (generally); 7-03(c) (facial determinations); 7-03(d) (petitions); 7-03(f) (notice of petition); 7-03(g) (response to the petition); 7-03(h) (hearing); 7-03(i) (notice of determination); 7-03(k) (reconsideration); 7-04 (advisory opinions); 7-05 (contribution and expenditure limit adjustments); 9-02(a) (exceptions); 9-02(b) (enhancements); 9-03(a) (verification); 9-03(b) (deficient submission; legibility); 10-02 (general information); 10-02(b) (Voter Guide); 11-03(c)(3), 11-04, 11-05(e), (f), and (g) (Transition and Inauguration Entities).

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 1-02

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 1 GENERAL PROVISIONS

§1-02 Definitions.

Act. "Act" means the New York City Campaign Finance Act, codified in Chapter 7 of Title 3 of the Code (§3-701, **et seq.**).

"Advance" means a payment for goods or services on behalf of a campaign made with the expectation that the payment will be reimbursed by the campaign. An advance is considered to be an in-kind contribution from the person making the advance until it has been reimbursed by the campaign, and a campaign may not accept an advance from a prohibited source.

Authorized committee. "Authorized committee" means an authorized committee as defined in the Act. Except as otherwise specified, the requirements of these Rules do not apply to committees that are not involved in an election in which the candidate is a participant, limited participant or non-participant as defined in these Rules. An authorized committee is "not involved in an election in which the candidate is a participant, limited participant or non-participant as defined in these Rules" only if the committee does not, at any time, accept contributions, loans, or other receipts, or make expenditures, including expenditures of surplus funds, in that election, or aid or otherwise take part in that election.

Board. "Board" means the Campaign Finance Board established pursuant to §3-708 of the Code.

Business dealings with the city. "Business dealings with the city" means business dealings with the city as defined in the Act.

Candidate. "Candidate" means a candidate as defined in New York Election Law Article 14. Except as otherwise provided in these Rules, a "candidate" includes every authorized committee of the candidate, the treasurer of each such committee, and any other agent of the candidate.

Certification. "Certification" means the certification filed by participants or limited participants to indicate that they have chosen to join the Program.

"Charter" means the New York City Charter.

Code. "Code" means the Administrative Code of the City of New York.

Contribution. "Contribution" means a contribution as defined in the Act.

Disclosure statement. "Disclosure statement" means the campaign finance disclosure statement filed with the Board under Chapter 3 of these rules.

Doing business database. "Doing business database" means the doing business database as defined in the Act.

Domestic partner. "Domestic partner"means a domestic partner as defined in §1-112(21) of the Code.

Election. "Election" means any primary, runoff primary, special, runoff special, or general election for nomination or election.

Entity. "Entity" means any organization of one or more individuals, and includes any parent, subsidiary, branch, division, department, or local unit thereof.

Federal Form. "Federal Form" means a report of receipts and disbursements required to be filed by a candidate or political committee with the Federal Election Commission.

Fund. "Fund" means the New York City Election Campaign Finance Fund established by the Act.

"Fundraising agent" means any of the following persons or entities that have accepted or may accept contributions on behalf of the candidate:

(1) paid or volunteer full-time campaign workers; or

(2) commercial fundraising firms retained by the candidate and the agents thereof.

In-kind contribution.

(a) "In-kind contribution" means:

(1) a gift, subscription, loan, advance of, or payment for, any thing of value (other than money) made to or for any candidate or authorized committee; and

(2) the payment by any person other than an authorized committee of compensation for the personal services of another person which are rendered to the candidate or authorized committee without charge.

(b) "In-kind contribution" does not include personal services provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate or authorized committee.

Intermediary. "Intermediary" means an intermediary as defined in the Act.

Labor organization. "Labor organization" means a labor organization as defined in the Act.

Matchable contribution. "Matchable contribution" means a matchable contribution as defined in the Act.

Multicandidate committee. "Multicandidate committee" means a political committee authorized to support more than one candidate, and includes any committee subject to §14-114(4) of the New York Election Law and any party or constituted committee.

Parent corporation. [Repealed]

Participant. "Participant" means a candidate for nomination or election to the office of mayor, public advocate, comptroller, borough president, or member of the City Council who has chosen to join the Program for an election by filing a written certification pursuant to §3-703(1)(c) of the Code. "Limited participant" means a candidate who has chosen to join the Program for an election by filing a written certification pursuant to §3-718(1)(iii) of the Code. "Non-participant" means a candidate for such office who has not filed either certification. Except as otherwise provided in these Rules, a "participant" includes the candidate, the principal committee authorized by the candidate pursuant to §3-703(1)(e) of the Code, the treasurer of such committee, and any other agent of the candidate. Except as otherwise provided in these Rules, a "limited participant" includes the candidate, the principal committee authorized by the candidate pursuant to §3-718(1)(iv) of the Code, the treasurer of such committee, and any other agent of the candidate. Except as otherwise provided in these Rules, a "non-participant" includes the candidate, every political committee authorized by the candidate for the covered election, the treasurer of each such committee, and any other agent of the candidate.

Political committee. "Political committee" means a political committee as defined in the Act.

Principal committee. "Principal committee" means the principal committee as defined in the Act.

Program. "Program" means the New York City Campaign Finance Program established by the Act.

Public funds. "Public funds" means monies disbursed from the Fund.

Receipts. "Receipts" include monetary and in-kind contributions, loans, and any other payment received by a candidate. "Other receipts" are payments that are not contributions or loans, such as interest, dividends, expenditure refunds, proceeds from sales or leases of assets, and any other sources of income.

Reporting period. "Reporting period" means a time period covered by a disclosure statement, as described in §3-03.

Rule. "Rule" means a rule issued by the Board. The phrase "these Rules" means any and all rules adopted by the Board.

State form. "State form" means a statement of campaign receipts and expenditures required to be filed by a candidate or political committee with the New York State or City Board of Elections.

Transfer. "Transfer" means any exchange of funds or any other thing of value between political committees, other than multicandidate committees, authorized by the same candidate pursuant to §14-112 of the New York Election Law. In §2-06 the term "transfer" refers to funds exchanged between different bank or other depository accounts.

Treasurer. "Treasurer" means the treasurer of any authorized committee involved in a covered election, except as otherwise provided in these Rules.

Unspent campaign funds. "Unspent campaign funds" means, for a participant who received public funds, the amount to be repaid to the Board under §3-710(2)(c) of the Code. This amount equals:

(1) monetary contributions; plus

(2) other receipts; plus

(3) public funds; plus

(4) loans; accepted in all elections in which the candidate was a participant held in a single calendar year or a special election; minus

(5) all disbursements, including loan repayments and contribution refunds, and all outstanding debt incurred by the participant in all reporting periods for those elections, but excluding any disbursements determined by the Board not to have been made in furtherance of a political campaign for a covered election such as disbursements listed in §3-702(21)(b) of the Code and any disbursements for which the presumption set forth in subparagraphs one through eleven of §3-702(21)(a) of the Code has been rebutted. The amount of unspent campaign funds may not exceed the total public funds accepted by the participant. Funds received and disbursements made after the date of the issuance of the participant's final audit report shall not be included in the participant's unspent funds calculation.

HISTORICAL NOTE

Section amended City Record Sept. 5, 1991 eff. Oct. 5, 1991.

Section in original publication July 1, 1991.

Advance added City Record May 15, 2008 §1, eff. June 14, 2008. [See Note 7]

DERIVATION

Authorized committee amended City Record May 5, 2003 eff. June 4, 2003. [See Note 5]

Authorized committee amended City Record May 19, 1994 eff. June 18, 1994.

Authorized committee amended City Record Sept. 2, 1992 eff. Oct. 2, 1992.

Disclosure statement amended City Record May 5, 2003 eff. June 4, 2003. [See Note 5]

Domestic partner amended City Record May 5, 2003 eff. June 4, 2003. [This was a technical amendment.]

Domestic partner definition added City Record Oct. 9, 1998 eff. Nov. 8, 1998. [See Note 3]

Fundraising agent definition amended City Record Aug. 7, 2002 Part A, eff. Sept. 6, 2002. [See Note 1]

Fundraising agent definition added City Record July 20, 1999 §2, eff. Aug. 19, 1999. [See Note 2]

Participant amended City Record May 5, 2003 eff. June 4, 2003. [See Note 5]

Participant definition amended City Record Aug. 7, 2002 Part D Subpart 1 eff. Sept. 6, 2002.

Participant amended City Record Oct. 10, 1995 §1, eff. Nov. 9, 1995. [See Note 4]

Participant amended City Record May 19, 1994 eff. June 18, 1994.

Participant amended City Record Sept. 2, 1992 eff. Oct. 2, 1992.

Principal committee amended City Record Sept. 2, 1992 eff. Oct. 2, 1992.

Principal committee designation repealed City Record Sept. 2, 1992 eff. Oct. 2, 1992.

Rule amended City Record Sept. 2, 1992 eff. Oct. 2, 1992.

Treasurer amended City Record May 5, 2003 eff. June 4, 2003. [See Note 5]

NOTE

1. Statement of Basis and Purpose in City Record Aug. 7, 2002:

Definitions

1. **Definition of Fundraising Agent** (§1-02)

The rule amends §1-02 to eliminate from the definition of "fundraising agent" certain individuals engaged in fundraising on behalf of candidates. During the 2001 elections, some candidates received significant fundraising assistance from individuals who were classified as fundraising agents under §1-02. As a result, such candidates were not required to report contributions connected with specific fundraising agents as they would for intermediaries. Both during the elections and at the Board's post-election public hearings, a number of individuals and organizations suggested that the Board amend §1-02 to require such disclosure in future elections. The amended rule requires such disclosure.

2. **Definition of "On the Ballot"** (§1-02)

Pursuant to §3-703(1)(a) of the Administrative Code of the City of New York (the "Code"), a participant in the Campaign Finance Program is eligible to receive public funds only if he or she is "on the ballot." The amendment to §1-02 inserts the definition of "on the ballot" into the definitions section of the Board rules to clarify that a candidate may be considered "on the ballot" only if he or she is on the ballot as defined in state law (**i.e.,** only if he or she is listed among the candidates on the voting machine used for the election).

2. Statement of Basis and Purpose in City Record July 20, 1999: **Technical Changes** In addition to various other technical changes, amendments to shorten and/or simplify the rules, without substantive change, are made in Rules 1-02, 1-04(h) (other than the deletion of references to contributions by corporations, described above), (i), and (j), 1-08(d), (j), and (l), 1-09(a)(1), 1-11, 3-03(b) and (c), 3-07, 3-09, 4-01(a), and 5-01(b).

3. Statement of Basis and Purpose in City Record Oct. 9, 1998: **Explanation, Basis, and Purpose** Campaign Finance Board rules are codified in Title 52 of the Official Compilation of the Rules of the City of New York. The new rules implement changes in the New York City Campaign Finance Act adopted in Local Law No. 27 of 1998, which was signed into law by the Mayor on July 7, 1998. The new law treats domestic partners, registered in accordance with its provisions, in the same manner as spouses as follows:

· An exception is added to the definition of "intermediary" for the delivery of a contribution by the contributor's domestic partner. Administrative Code §3-702(12).

· Candidates joining the Campaign Finance Program may not use for a covered election the personal funds or property of a domestic partner in an amount that exceeds the Program's contribution limits. Administrative Code §3-703(1)(h).

· Public funds paid to a candidate joining the Program may not be used for payments to the candidate's domestic

partner. Administrative Code §3-704(2)(b).

The new rules codify and implement these changes in the law.

4. Statement of Basis and Purpose in City Record Oct. 10, 1995: Disclosure **Other** (R. 1-02; 3-03(c)(3), (e)(3); 3-07; 4-01(m); 9-02(b)) The rules exempt prospective participants from stating when the threshold is met, because they may not yet have determined the office they will be seeking, and prohibit the amendment or resubmission of disclosure statements unless expressly authorized or requested by the Board. The rules reduce disclosure requirements for advances by providing for disclosure of aggregate information and record keeping to document the details of these transactiaons. Following State Board of Elections rules, participating candidates are permitted to defer disclosure of subcontracts over $5,000 until the first post-election disclosure statement. In addition, for a special election, the deadline for requesting approval of an alternate disclosure statement format is changed from four weeks to three business days before the filing is due.

5. Statement of Basis and Purpose in City Record May 5, 2003: Changes to the following rules conform the Board's Rules to recent amendments to the New York City Campaign Finance Act (Administrative Code §§3-701, **et seq.)** (the "Act") contained in Local Law No. 12 of 2003: 1-02 (definitions of "authorized committee," "disclosure statement," "election," "participant," "principal committee," and "treasurer"); 1-03(a) (restrictions on use of receipts); 1-04(b) (deposit of contributions); 1-04(c) (restrictions on return); 1-04(r) (contributions by minors); 1-08(d) (expenditure limits); 1-08(g)(1) (spending public funds); 1-08(g)(2)(x) (qualified campaign expenditures); 1-08(h) (joint expenditures; endorsements); 1-08(j)(1)(ii) (initial expenditures); 1-08(l) (expenditure limit compliance); 1-09(a)(3)(iv) (disclosure statements); 1-11 (prospective participants); 2-01(a) (certification); 2-06(e) (personal and business funds); 3-02(f)(5) (authorized committees other than the principal committee); 3-02(i) (prospective participants); 3-03(a)(2) (first disclosure statement); 3-03(c)(1) (disclosure statement basic contents); 3-03(d) (loans); 3-08 (electronic format); 4-01(b)(2), 4-01(b)(3) (receipts); 4-01(i) (fundraisers); 4-01(m) (advances); 5-01(d)(1), 5-01(d)(2), 5-01(d)(21), 5-01(d)(27) (validity of matchable contribution claims); 5-01(i)(1) (first payments for an election); 5-03(f) (other reasons for repayment); 7-04 (advisory opinions); and 9-02(a)(1) (non-electronic document submission). Additional amendments are described below.

6. Statement of Basis and Purpose in City Record Oct. 26, 2007: Explanation, Basis, and Purpose The Campaign Finance Board Rules are codified in Chapter 52 of the Rules Compilation of the City of New York. The subject matter of this rulemaking was described in the Board's regulatory agenda for fiscal year 2008, published in The City Record on April 23, 2007. The amendments effect the following specific changes, and will take effect thirty days after final publication in The City Record; provided, however, that pursuant to section thirty-eight of Local Law 34 of 2007, amendments to Rule 5-01(a)(5) and (d)(3) will take effect thirty days after the Board has certified to the Mayor and City Council one component of the "doing business database" pursuant to section thirty-seven of Local Law 34 of 2007, and, pursuant to section forty-one of Local Law 34 of 2007, amendments to Rules 1-04(d), (e), (g), and (i), 1-05(c), 1-08(d), (g), and (l), 2-01(b) and (f), 2-11(a) and (b)(3), 2-12, 3-03(c)(8), 4-05(a) and (b), 5-01(a)(4), 5-01(i), 5-02(a), 5-03(c), (d), (e), (f), and (g), 7-02(b), (c), and (f), 7-03(a), 7-05(a) and (b), 9-01(a) and (b), and 11-04(b) and (c) will take effect on January 1, 2008, and will apply only to elections held on or after that date. Amendments to the following rules conform the Board's Rules to recent amendments to the New York City Campaign Finance Act (Administrative Code §3-701, et seq.) (the "Act") contained in Local Law Nos. 105 of 2005 and 34 of 2007: 1-02 (definitions of "Doing business database," "Business dealings with the city," and "Labor organization"); 1-04(d) (contributions from political committees); 1-04(e) (contributions from corporations, limited liability companies, and partnerships); 1-04(g)(4) (in-kind contributions); 1-04(h) (contributions from a single source); 1-04(i) (contributions from partnerships and limited liability corporations); 1-05 (loans); 1-08(d) (expenditure limits); 1-08(g) (spending public funds); 1-08(l) (expenditure limit compliance); 2-01(b) (certification); 2-01(f) (rescission); 2-11(a) and (b) (non-participation); 2-12 (mandatory training); 3-03(c)(1) (contributions and other receipts); 3-03(c)(8) (partnerships); 4-01 (records to be kept); 4-05 (audits); 5-01(a) (payment procedure); 5-01(d) (validity of matching contribution claims and projected rate of invalid claims); 5-01(i) (pre-election payments); 5-02(a) (post-election written petitions for review); 5-03(c) (excess public fund payments); 5-03(d) (improper use of public funds); 5-03(e) (unspent campaign funds); 5-03(f) (other

reasons for repayment); 5-03(g) (repayment determinations); 7-02(b) (participant not eligible for public funds); 7-02(c) (notice and opportunity to contest); 7-02(f) (adjudications in accordance with section 1046 of the Charter); 7-03(a) (determination of eligibility); 7-05(a) (adjustment of contribution limits); 7-05(b) (adjustment of expenditure limits); 9-01(a) (electronic submission generally); 9-01(b) (C-SMART); and 11-04 (restrictions).

7. Statement of Basis and Purpose in City Record May 15, 2008: The Campaign Finance Board Rules are codified in Chapter 52 of the Rules Compilation of the City of New York. The subject matter of this rulemaking was described in the Board's regulatory agenda for fiscal year 2008, published in **The City Record** on April 23, 2007. The amendments effect the following specific changes and will take effect thirty days after final publication in **The City Record**: Changes to the following rules conform the Board's Rules to recent amendments to the New York City Campaign Finance Act (Administrative Code §§3-701, **et seq**.) (the "Act") contained in Local Law Nos. 34 and 67 of 2007: 1-04(c) (returning receipts); 2-12 (mandatory training); 3-03(c) (disclosure statement contents; 4-01(b)(5) (intermediary contribution statements); 4-05(b) (audit training); 5-01(a) (payment procedure); 5-01(d) (validity of matchable contribution claims and projected rate of invalid claims); 7-02(c) (notice and opportunity to contest). Ten additional amendments are described below: Definitions (Rule 1-02) The new rule defines the term "advance." Contributions from Political Committees (Rule 1-04(d)) The amendments clarify that participants may only accept contributions from political committees that have registered with the Board for the current election. Contribution Limit; Prohibited Contributions (Rule 1-07(c)) The amendments clarify that the requirement that candidates demonstrate that any transferred funds derive solely from contributions for which the candidate has obtained records demonstrating the contributors' intent to designate the contributions for the covered election applies only to participants. Filer Registration (Rule 1-11) The amendments clarify the requirements for the filer registration. Certification (Rule 2-01) The amendments clarify the requirements for the certification. Breach of Certification (Rule 2-02) The amendment clarifies that the submission of substantial false information or documentation to the Board in order to avoid a finding of violation or a repayment determination will be considered a breach of certification. First Disclosure Statement (Rule 3-02(a)(2)) The amendments clarify the filing requirements for the first disclosure statement for a special election. Deposit Slips (Rule 4-01(b)(1)) The amendments clarify that the candidate must create a record of each deposit if the candidate's bank or depository does not provide itemized deposit slips. Custodian and Location of Records (Rule 4-03(b)) The amendments clarify certain requirements related to candidate records. Payment by Electronic Funds Transfer (Rule 5-01(u)) The new rule requires all candidates to be paid by electronic funds transfer unless the Board determines to make payment using an alternative method.

8. Statement of Basis and Purpose in City Record Oct. 23, 2008: The Campaign Finance Board Rules are codified in Chapter 52 of the Rules Compilation of the City of New York. The subject matter of this rulemaking was described in the Board's regulatory agenda for fiscal year 2008, published in **The City Record** on April 23, 2007. The amendments effect the following specific changes and will take effect thirty days after final publication in **The City Record.** Changes to the following rules conform the Board's Rules to recent amendments to the New York City Campaign Finance Act (Administrative Code §§3-701, **et seq.)** (the "Act") contained in Local Laws Nos. 34 and 67 of 2007: 1-04(e) (contributions from LLCs and partnerships), 1-04(h) (multiple contributions from a single source), 5-01(f) (basis for determination of ineligibility to receive public funds), and 5-01(r) (reduction in maximum public funds payable). Amendments to eight additional rules are described below: Definitions (Rule 1-02) The amendment clarifies that expenditures that are not made in furtherance of a political campaign are not included as disbursements in the unspent funds calculation. In addition, the amendment excludes contributions and disbursements received or incurred after the date of the issuance of the final audit report from the participant's unspent funds calculation. Attributing an Expenditure to an Election (Rule 1-08(c)) The new rule clarifies the timing and evidentiary requirements for demonstrating to the Board that a candidate "reasonably anticipated" a primary election. Independent Expenditures (Rule 1-08(f)) The new rule clarifies that one factor in determining whether an expenditure is independent is whether the candidate or the candidate's political committee shared or rented space with or from the person or entity making the expenditure. Records to be Kept (Rule 4-01) The amendments permit the submission of duplicate or modified expenditure records in instances where the original record is missing or incomplete, clarify the recordkeeping requirements for credit card contributions, and describe the information that must be kept for in-kind contributions,

disbursements to vendors, and travel expenses. Assistance to Candidates; Records (Rule 4-04) The amendment clarifies that a campaign's failure to keep or produce records as required by the Board may result in a determination that the campaign made unqualified expenditures or that the campaign must return excess funds to the Board. Pre-election Payments (Rule 5-01(i)) The amendments clarify that a candidate petitioning the Board for reconsideration of a pre-election non-payment determination may submit documentation to the Board that was not submitted prior to a non-payment determination only upon a showing of good cause, and that if the Board is unable to convene within five business days the Board may delegate authority to make a determination regarding such petition to the Chair of the Board or his or her designee. Repaying Public Funds (Rule 5-03(e)) The amendments provide that a participant who received public funds and who has outstanding liabilities after the election may engage in fundraising and that fundraising expenditures incurred and contributions received will be included in the participant's unspent funds calculation unless such expenditures and contributions were incurred or received after the date the participant's final audit report was issued. Determination of Eligibility (Rule 7-03(a)) The amendments provide that the Board may presume that a nonparticipating or limited participating candidate has the ability to self finance when supporting documentation indicates that the candidate has in excess of one-fifth of the applicable expenditure limit in readily available funds and the candidate reasonably can be expected to spend the funds for his or her nomination or election.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 1 GENERAL PROVISIONS

§1-03 Restrictions on Use of Receipts.

(a) **Restriction on use.** In addition to the restriction set forth in Rule 5-03(e)(2) and, except as otherwise provided in subdivision (b):

(1) the candidate may expend, transfer, or use receipts, including receipts resulting from a sale, lease, or other transfer of assets, only to pay expenses incurred in that election; no receipts, including receipts accepted for another election, if any, deposited in a separate account as provided in Rule 2-06(b), may be expended, transferred, or used for any other purpose until any required repayments to the Fund have been made and any fines or civil penalties assessed pursuant to the Act have been paid;

(2) receipts deposited in an account shall not be used for any purpose other than the election for which that account was established, pursuant to Rule 2-06(b), except as otherwise provided in Rule 2-06(c) for runoff primary election or runoff special election accounts;

(3) after the participant first receives public funds for an election, the principal committee for that election may not make a transfer to a political committee not involved in that election until all unspent campaign funds from that election have been repaid;

(4) after the participant first receives public funds for an election, the principal committee for that election may not make expenditures to pay expenses or debt from a previous election (other than a primary election held in the same calendar year).

(b) **Exception.** After the first January 11 after an election, a candidate involved in that election may expend, transfer, or use receipts accepted for another election, provided that the receipts have been deposited in and are disbursed from a separate account, as provided in §2-06(b). Funds accepted and separately deposited for the previous election may be transferred to this account only after any required repayments to the Fund have been made and any fines or civil penalties assessed pursuant to the Act have been paid. Contributions and loans accepted for the previous election after such election are subject to §§1-04(m) and 1-05(g).

Subd. (a) par (4) added City Record Oct. 18, 1996 §2, eff. Jan. 1, 1997. [See Note 2]

NOTE

1. Statement of Basis and Purpose in City Record Oct. 10, 1995:

Restrictions on Use (R. 1-03)

The use of campaign funds has been restricted to expenditures in the election subject to Program requirements, until the participating candidate makes all required repayments and pays any penalties to the Board. The new rules: (1) recodify requirements restricting the use of funds deposited in separate bank accounts established for different elections; (2) recodify the restriction on making transfers to a committee not involved in the current election, once the participating candidate has received public funds for that election; and (3) clarify that, after January 11, the committee involved in the previous election may use funds received for a new election, if these funds are disbursed from a separate account set up for the new election. This committee could not make transfers from its previous election account to its new election account, however, until the participating candidate makes all required repayments and pays any penalties to the Board.

2. Statement of Basis and Purpose in City Record Oct. 18, 1996: **Restrictions on Use of Receipts** (R. 1-03(a)(4)) The rules codify Advisory Opinion No. 1993-2 (February 17, 1993), which stated that after receiving public funds for an election, committees may not make payments for expenses or debt from a previous election (other than the primary election held in the same calendar year).

Rules of the City of New York

52 RCNY 1-04

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 1 GENERAL PROVISIONS

§1-04 Contributions.

(a) **Receipt.** A monetary contribution is received on the date it is delivered. An in-kind contribution is received on the date the goods or services are received or rendered. Candidates must report the date of receipt of each contribution that is accepted and deposited on disclosure statements filed with the Board.

(b) **Deposit.** All monetary contributions must be accepted and deposited, or rejected and returned to a contributor, within 10 business days after receipt; provided, however, that contributions made in the form of checks received by an authorized committee of a candidate for the office of City Council more than one year before the first covered election for which such candidate is seeking nomination or election may be accepted and deposited, or rejected and returned to a contributor, within 20 business days after receipt. All contributions that are accepted and deposited are subject to the Act's contribution limits and prohibitions and must be reported to the Board. If a candidate returns a contribution after its deposit, the return must be reported to the Board.

(c) **Returning receipts.** (1) **Excess and prohibited contributions.** When a candidate knows or has reason to know that he or she has accepted a contribution, contributions, or aggregate contributions from a single source in excess of the applicable contribution limit, including a contribution or contributions from a contributor having business dealings with the city, or from a source prohibited by the Act or the Charter, the candidate shall promptly return the excess portion or prohibited contribution, as the case may be, by bank check or certified check made out to the contributor; provided, however, that in the case of a contribution from a contributor having business dealings with the city in excess of the applicable limitation set forth in §3-703(1-a) of the Code, the candidate shall return the excess portion of such contribution within 20 days of receipt of notice from the Board that the contribution exceeds such limitation. Alternatively, if return of the contribution to the contributor is impracticable, the candidate may pay to the

Fund an amount equal to the amount of the prohibited contribution or the excess portion, as the case may be. Remedial actions taken pursuant to this rule will not, however, preclude imposition of a penalty under the Act; provided, however, that no violation shall issue and no penalty shall be imposed where the excess portion of a contribution from a contributor having business dealings with the city is postmarked or delivered within 20 days of receipt of notification from the Board. The Board shall provide such notification to the candidate within 20 days of the reporting of the contribution, or, in the case of a contribution reported during the six weeks preceding the candidate's next covered election, the Board shall provide such notification within 3 business days; provided, however, that if such twentieth day is a Saturday, Sunday, or legal holiday, notification by the Board by 5 p.m. on the next business day shall be considered timely. If the candidate demonstrates to the Board, within 20 days of receipt of such notice, that the contributor identified by the Board as having business dealings with the city has applied to the Mayor's Office of Contract Services or the City Clerk for removal from the doing business database and that such application is pending, the candidate may retain contribution(s) received from such contributor until the Board notifies the candidate that the Mayor's Office of Contract Services or the City Clerk has denied the application for removal, in which case the candidate shall have 20 days from receipt of such second notice to return the excess portion of the contribution(s). Contributions from contributors who have applied for removal from the doing business database shall not be considered matchable contributions unless and until the contributor is removed from the doing business database by the Mayor's Office of Contract Services or the City Clerk. A candidate may not accept any contributions in excess of the applicable contribution limits or from sources prohibited by the Act or the Charter.

(2) **Restrictions on return.** Because participants must repay to the Board unspent campaign funds after an election, participants receiving public funds must accept and deposit all monetary receipts received for an election. A participant may not reject or return any contributions received before the first January 12 after the election once he or she has received public funds, except if the contribution: (i) exceeds the contribution limit, including the limit applicable to contributors having business dealings with the city, (ii) is otherwise illegal, (iii) is returned because of the particular source involved, or (iv) was deposited in a separate account pursuant to Rule 2-06(c) for a runoff election that is not held.

(d) **Contributions from political committees.**

(1) Pursuant to §3-703(1)(k) of the Code, a participant may not accept a contribution from a political committee, unless the political committee has registered with the Board pursuant to §3-707 of the Code for the period that includes the participant's next covered election or so registers within ten days of receipt of the contribution. The registration shall be submitted in such form and manner as shall be determined by the Board and shall include such information as may be required by the Board, including:

(i) the name and address of the committee, and the name, address, and employer of the chairperson, treasurer, and liaison of the committee;

(ii) an indication whether the committee is a political action committee, a candidate committee (and if so, identification of the candidate(s) supported by the committee), or another kind of political committee;

(iii) identification of the governmental agency or agencies with which the committee files its financial disclosure statements;

(iv) an indication whether the committee makes monetary contributions, in-kind contributions, and/or independent expenditures, and the name, address and employer of each person with the authority to determine the candidates for whom the committee makes contributions and/or independent expenditures; and

(v) an indication whether the committee accepts contributions from corporations, limited liability companies, or partnerships and undertakes not to use funds from such entities for contributions to participants.

(2) The registration shall remain in effect through the January 11 following the next regularly scheduled citywide

election, unless there has been a material change in the information included in the registration. In the event of a material change, an amendment to the registration shall be filed in order to keep the registration in effect. The Board shall establish a procedure for renewing a previous registration for the next election cycle.

(3) It is the responsibility of the participant to determine whether a contribution from a political committee may be accepted. Participants have the burden to check the cumulative list of registered political committees, published by the Board on a daily basis on its Web site, to ensure that each political committee contribution accepted is from a political committee that registered with the Board previously or within ten days after the acceptance of the contribution. The participant has the burden of demonstrating why a contribution from a political committee that had not registered in a timely manner has been retained.

(e) **Corporations, limited liability companies, and partnerships.** Candidates may not accept, directly, indirectly, or by transfer, contributions, loans, guarantees or other security for a loan from a corporation, limited liability company, or partnership, including a limited liability partnership or professional corporation. This prohibition does not apply to loans made in the regular course of business, regardless of the lender's form of business entity; but does prohibit the acceptance of a guarantee or other security for such a loan from a corporation, limited liability company, or partnership. This prohibition does not apply to contributions by political committees that are corporations, limited liability companies, or partnerships.

(f) **Attributing a contribution to an election.** A contribution is presumed to be accepted for the first election in which the participant, limited participant, or non-participant is a candidate following the day that it is received, except:

(1) as otherwise provided in §§1-04(c)(2), 1-04(m), and 1-07;

(2) in the case of a State or local election, contributions received before the first January 12 after an election will also be presumed to be accepted for that election; and

(3) in the case of a federal election contributions received before the first January 1 after the election will also be presumed to be accepted for that election, except as may otherwise be provided under federal law and regulations.

(g) **In-kind contributions.** (1) **As expenditures.** An in-kind contribution to a candidate is also an expenditure made by the candidate. The date an in-kind contribution is received is also the date of its expenditure. If a debt, other than a loan, incurred by a candidate is forgiven, the act of forgiving is an in-kind contribution to but not an expenditure by the candidate.

(2) **Valuation.** The candidate shall use a reasonable estimate of fair market value in determining the monetary value of an in-kind contribution and shall maintain a receipt or other written record supporting the valuation. "Fair market value" for goods means the price of those goods in the market from which they ordinarily would have been purchased at the time the goods are received. "Fair market value" for services, other than those provided by an unpaid volunteer, means the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered.

(3) **Goods and services provided at a price below fair market value.** If goods or services are provided at less than fair market value, the amount of the resulting in-kind contribution is the difference between the fair market value of the goods or services at the time the goods or services are received and the amount charged to the candidate.

(4) **Extensions of credit.**

(i) **Generally.** A creditor who extends credit to a candidate for a period beyond 90 days, has made a contribution equal in value to the credit extended, unless the creditor has made a commercially reasonable attempt to collect the debt.

(ii) **Corporate, limited liability company, and partnership vendors.** Notwithstanding subparagraph (i), if a

candidate demonstrates that a creditor that is a corporation, limited liability company, or partnership did not intend to make a contribution, the extension of credit will not result by itself in the candidate being deemed to have accepted a contribution from a corporation, limited liability company, or partnership, as prohibited by law.

(iii) **Loans.** This paragraph does not apply to loans.

(5) **Debts forgiven.** A debt owed by a candidate which is forgiven or settled for less than the amount owed is a contribution, unless the debt was forgiven or settled by a creditor who has treated the outstanding debt in a commercially reasonable manner.

(6) **Commercially reasonable treatment of debts.** The Board will consider as evidence of commercially reasonable treatment that:

(i) all commercially reasonable efforts have been taken to satisfy the outstanding debt; and

(ii) the creditor has pursued its remedies in the same manner as that employed by creditors of other debtors, including the institution of lawsuits.

(7) **Failure to report liability.** Notwithstanding any implication of paragraph (4) to the contrary, a candidate's failure to report an outstanding liability in a contemporaneous manner is a violation of §3-703(6) of the Code. Such a liability will be deemed an in-kind contribution.

(h) **Multiple contributions from a single source.** If a candidate accepts more than one contribution from a single source, the contributions shall be totaled to determine the candidate's compliance with the applicable contribution limit. A "single source" includes any person, persons in combination, or entity who or which establishes, maintains, or controls another entity and every entity so established, maintained, or controlled, including every political committee established, maintained, or controlled by the same person, persons in combination, or entity. If a candidate accepts multiple contributions from a single source consisting of at least one contribution from a person having business dealings with the city and one or more contributions from an entity established, maintained, or controlled by that person, the applicable contribution limit shall be the limit applicable to persons having business dealings with the city pursuant to §3-703(1-a) of the Code.

(1) **General factors.** Factors for determining whether a person, persons in combination, or an entity establishes, maintains, or controls another entity include, but are not limited to:

(i) whether the person or entity makes decisions or establishes policy for the other entity, including determinations of the recipients of its contributions and the purposes of its expenditures;

(ii) whether the person or entity has the authority to hire, appoint, discipline, discharge, demote, remove, or otherwise influence other persons who make decisions or establish policies for the other entity;

(iii) whether contributions made by the person or entity and the other entity reflect a similar pattern; and

(iv) whether the person or entity knows of and has acquiesced in public representations by the other entity that it is acting on its behalf or under its direction.

(2) **Labor organizations.** Notwithstanding paragraph (1), different labor organizations shall not be considered to be a single source for the purpose of compliance with the applicable contribution limit if the candidate demonstrates that the contributors satisfy the four criteria below:

(i) the labor organizations do not share a majority of members of their governing boards;

(ii) the labor organizations do not share a majority of the officers of their governing boards;

(iii) the labor organizations maintain separate accounts with different signatories; and

(iv) the labor organizations make contributions from separate accounts.

(3) It is the responsibility of the candidate to determine whether a contribution exceeds the applicable contribution limit. To ensure that the candidate does not accept a contribution exceeding the applicable limit, the candidate must review the relationship between affiliated contributors before the candidate accepts and deposits their contributions or rejects and returns the contributions under Rule 1-04(b) and (c). The candidate has the burden of demonstrating why the candidate has retained an over-the-limit contribution from contributors who or which constitute a single source.

(i) Reserved.

(j) **Earmarked contributions.** If a candidate accepts from a political committee a contribution that had been given to the committee by a contributor who limits the political committee's choice or directs the selection of the recipient, the contribution shall be considered to be from both the original contributor and from the political committee. This rule does not apply to political committees acting solely as intermediaries and not exercising any discretion over the selection of the ultimate recipient, or to political committees making contributions from funds that have not been earmarked by the contributors. Nothing in this subdivision shall be construed to modify the requirements of New York Election Law §14-120.

(k) **Joint contributions.**

(1) Except as otherwise provided for in subdivisions (i) or (j), no contribution shall be considered to be made by more than one person or entity, unless the check or other monetary instrument representing the contribution includes the signature of each person making the contribution (or authorized person in the case of an entity making a contribution).

(2) If a check or other monetary instrument representing a joint contribution does not indicate the amount to be attributed to each contributor, the contribution shall be attributed equally to each contributor.

(l) **Tickets for fund-raising events.** The entire amount paid to attend a fund-raising event and the entire amount paid as the purchase price for a fund-raising item sold by a candidate are contributions.

(m) **Post-election contributions.** Contributions accepted after an election may be used to pay liabilities incurred in that election subject to the applicable contribution limit and prohibitions, only if deposited in and disbursed from an account established and maintained for that election, as provided in §2-06(b).

(n) **Solicitation of contributions for elections not subject to the Act.** If a candidate makes a solicitation for a contribution for an election not subject to the requirements of the Act, the solicitation must specify that the contribution is being solicited for an election that is not subject to the requirements of the Act.

(o) **Court-ordered rerun elections.** Candidates may not accept additional contributions permitted for a court-ordered rerun election pursuant to §3-703(1)(f) of the Code before the canvass of returns in, or conduct of, the preceding election is contested in a court of competent jurisdiction. If a rerun election is ordered by a court but subsequently cancelled, a candidate who would have been on the ballot has the burden of demonstrating that any portion of contributions in excess of the limit applicable under §3-703(1)(f) of the Code may be reasonably attributed to expenses incurred for the rerun election before its cancellation.

(p) **Joint fundraising; endorsements.**

(1) If a candidate makes expenditures in connection with, or otherwise cooperates in, raising contributions for any other candidate or political committee:

(i) the expenditures incurred and in-kind contributions received in connection with such fundraising, including in

the form of endorsements, shall be allocated in accordance with Rule 1-08(h); and

(ii) if any of the contributions so raised is:

(A) in an amount that exceeds the amount of the contribution limit applicable to the candidate under §3-703(1)(f) of the Code (including when aggregated with contributions the candidate receives from the same source); or

(B) from a source that would be prohibited to the candidate by the Act or the Charter; the candidate shall have the burden of demonstrating that the contribution was not used in a manner that directly or indirectly assisted or benefitted the candidate in violation of the applicable limit or prohibition.

This paragraph shall not be construed to prohibit a candidate from making a monetary contribution to any other candidate or political committee, provided, however, that such contributions may result in reduced public funds payments pursuant to §5-01(n).

(2) To ensure compliance with the contribution limits of §3-703(1)(f) of the Code, candidates who run together as a "ticket," and make joint expenditures to raise contributions, shall additionally abide by the requirements of this subdivision.

(i) When paying his or her share of joint expenditures (by direct payment or reimbursement), the payor shall have the burden of demonstrating that the amount disbursed does not derive from contributions that would exceed the other candidate's contribution limit, if those contributions were aggregated with contributions previously received by the other candidate.

(ii) Therefore, no disbursement for joint expenditures shall be made before the candidate is able to account fully for the disbursement with contributions that would not exceed the other candidate's contribution limit, if so aggregated. Failure to make reimbursement within 30 days of the expenditure, however, will result in a deduction in public funds payments otherwise due to the candidate to be reimbursed, pursuant to §5-01(n)(1), and failure to make reimbursement within 90 days will result in treatment of the expenditure as an in-kind contribution to the candidate failing to make reimbursement, pursuant to §1-04(g)(4).

(q) **Anticipated runoff primary or runoff special elections.** A candidate seeking the nomination of a political party or seeking election in a special election may not accept contributions for a runoff primary election or runoff special election, unless the candidate has previously demonstrated to the Board that a runoff election is reasonably anticipated. Runoff election contributions may not be accepted once it is no longer reasonable to anticipate such a runoff election. To the extent permitted by this subdivision, the candidate (and each opposing candidate seeking the same party nomination or seeking election in the same special election, as the case may be) may solicit and accept additional contributions for the anticipated runoff election, up to the amount permitted for the runoff election by §3-703(1)(f) of the Code, under the following conditions:

(1) every runoff election contribution shall be deposited in a separate account and subject to restrictions on use, as provided in Rule 2-06(c);

(2) until a primary or special election is held that results in a runoff election, each solicitation of runoff election contributions shall expressly state that such contributions are being solicited only for a runoff election that may not occur;

(3) no single contribution check shall be accepted in an amount that exceeds the limit applicable for the primary and general election, or special election, under §3-703(1)(f) or (h) of the Code; and

(4) each disclosure statement submitted by the candidate shall include a copy of the most recent bank statement for its runoff election account.

(r) **Contributions by minors.** (1) A participant or non-participant may accept a contribution from a minor child (individual under 18 years of age) only if: (i) the decision to contribute was made knowingly and voluntarily by the minor child; (ii) the funds, goods, or services contributed were owned and controlled exclusively by the minor child, such as income earned by the child, or a bank account opened and maintained exclusively in the child's name; and (iii) the contribution was not made from the proceeds of a gift, the purpose of which was to provide funds to be contributed.

(2) Contributions by individuals under 18 years of age shall not be matchable.

NOTE

1. Statement of Basis and Purpose in City Record July 20, 1999:

Prohibited Contributions

Under recent amendments to the New York City Campaign Finance Act and the New York City Charter, candidates participating in the voluntary Campaign Finance Program may not accept contributions from corporations. Participating candidates ("participants") also may not accept contributions from political committees unless those committees have registered with the Campaign Finance Board. Charter §1052(a)(12); Administrative Code §§3-703(1)(a); 3-703(1)(k); 3-707.

The following amendments implement these new prohibitions:

· Rules aggregating contributions from corporations and their affiliates are repealed. Sections 1-02; 1-04(h). The repealed rules continue to apply, however, to contributions accepted from corporations before the new prohibitions took effect on October 22, 1998 and January 1, 1999.

· The requirement that over-the-limit contributions be returned promptly also applies to prohibited contributions. Section 1-04(c).

· A new rule provides for political committee registration. Section 1-04(d).

· A new rule clarifies that the new law permits the acceptance of a loan made by a bank in the regular course of business even if the bank is incorporated. Sections 1-04(e); 1-05(c).

· To implement the new prohibitions on corporate contributions, the Board has reconciled the Charter and Administrative Code provisions to permit participants to accept contributions from political committees that are incorporated, provided that the committees have registered with the Board. Section 1-04(e).

· For an extension of credit by a corporation, if a participant shows that a corporate creditor did not intend to make a contribution, the extension of credit will not by itself be deemed a contribution by the corporation. Section 1-04(g)(4).

· Like the contribution limits, the new contribution prohibitions apply to post-election contributions. Section 1-04(m).

· Similarly, the new contribution prohibitions apply to surplus funds from previous elections and to transfers from committees not otherwise involved in elections covered by the Program. Section 1-07(c), codifying Advisory Opinion No. 1999-3 (January 7, 1999).

Fundraising for Multiple Candidates, Anticipated Runoff Primaries, and Different Offices

Beginning on January 1, 2000, if a participating candidate cooperates in raising contributions for another recipient (other than by making monetary contributions):

· the participant will have accepted an in-kind contribution equal to the full cost of the fundraising if the recipient of the contributions makes expenditures benefitting the participant; and

· the participant must demonstrate that contributions raised for the recipient that are over the limit or from a prohibited source were not used in a manner that benefitted the participant.

Section 1-04(p)(1), implementing new Charter §1052(a)(11)(b).

Participants who run together as a "ticket" may make joint expenditures to raise contributions. When a participant pays his or her share, the amount disbursed must not derive from contributors who have given the maximum permitted to the other candidate. The payor must have enough contributions that would not exceed the other candidate's limit to account for his or her disbursement. Section 1-04(p)(2), codifying Advisory Opinion No. 1997-9 (September 10, 1997).

Participants for citywide office may solicit and accept additional contributions for an anticipated runoff primary

election, if they first demonstrate to the Board that a runoff primary is reasonably anticipated. The new rule reiterates these requirements:

· Runoff contributions must be deposited in a separate account and are subject to restrictions on use.

· Until a runoff actually occurs, each solicitation of runoff contributions must expressly state that the contributions are for a runoff that may not occur.

· No single contribution check may be accepted in an amount that exceeds the primary/general election contribution limit.

· Each disclosure statement must include a copy of the most recent runoff bank account statement.

Sections 1-04(q) and 2-06(c), codifying Advisory Opinion No. 1999-1 (January 7, 1999).

New rules also codify how fundraising expenditures will be treated when a candidate is raising funds for two different elections. The full amount of these expenditures would be subject to the City limits and prohibitions, if the first election is covered by the Program. If it is the second election that is covered by the program, these expenditures would be subject to the City limits and prohibitions in the same proportion that the total funds raised for the second election bears to the total funds raised for both elections by the same activity or, alternatively, up to the expense of raising funds for one election that are then used in a different election. Section 1-08(m).

2. Statement of Basis and Purpose in City Record Feb. 29, 2000: **Failure to Report Outstanding Liabilities** The rules would make clear that failure to report an outstanding liability in a contemporaneous manner is a violation of the Campaign Finance Act and an in-kind contribution, and also will not be considered a qualified campaign expenditure. If vendors submit (and participants report) bills in a regular and timely manner, reporting by the date of the bill would satisfy the contemporaneous reporting requirement. If, however, vendors do not submit bills in a regular and timely manner, these rules make clear that participants are obligated to report the liability at the time it is incurred regardless whether a bill has been received. Rules 1-04(g)(7); 1-08(g)(4).

3. Statement of Basis and Purpose in City Record Aug. 7, 2002: Contributions 1. **Deposit of Contributions** (§1-04(b)) The amendment clarifies that contributions accepted and deposited are subject to the Act's corporate contribution ban, unregistered political committee ban, and other prohibitions, as well as the Act's contribution limits. 2. **Return of Prohibited Contributions to the Public Fund** (§1-04(c)(1)) The amendment allows candidates to pay prohibited contributions to the Public Fund when return of the contribution to the contributor is impracticable. Under the current rules, participants may not keep such contributions and must return them to the contributor. However, participants sometimes find themselves unable to return contributions-for example, when they are unable to locate the contributor or when a corporate contributor has gone out of business. Currently, only contributions from unregistered political committees can be paid to the Public Fund, and the amendment would permit candidates to pay other prohibited contributions to the Public Fund. 3. **Treat Limited Liability Company Contributions like Partnership Contributions** (§§1-04(e), (i), (k), 3-03(c)(8)) The amendments treat limited liability company contributions the way partnership contributions currently are treated, **i.e.,** by attributing contributions greater than $2,500 to both the limited liability company and its members. Partnerships and limited liability companies have similar structures and are often treated identically for tax purposes. They also implicate similar concerns of undue organizational influence over elected officials. Additionally, the absence of attribution for limited liability companies permits corporate members of limited liability companies to make contributions, and permits limited liability company members to contribute in excess of the contribution limit, by contributing both through the limited liability company and individually. The amendment also clarifies that professional corporations are included in the corporate contribution ban. During the 2001 elections, many candidates asserted that they were unaware that a contribution from a professional corporation, or "p.c.," was included in the ban on corporate contributions. This amendment does not make any substantive changes to the Rule or the corporate contribution ban, but merely confirms that professional corporations are included in the corporate contribution

ban. 4. **Contributions from Minors** (§1-04(r)) The Board has concluded that contributions from minors (children under the age of 18) require special regulation because it has found that contributions from adults may be misreported in the names of children in order to circumvent the $1,000 limit on matching funds per contribution ($500 for special elections) and the Program's contribution limits. In response, the Board is promulgating a new §1-04(r) to make explicit a participant's responsibility to ensure that contributions from minors do not violate the Act, Rules, or state law. The new rule requires participants to verify that: (1) a contribution reported in the name of a minor was made knowingly and voluntarily by the minor; (2) the funds provided were owned and controlled exclusively by the minor; and (3) the funds do not derive from a gift to the minor that was made for the purpose of funding the minor's contribution.

4. Statement of Basis and Purpose in City Record Jan. 15, 2003: Political Activity (Rules 1-04(p)(1), 1-08(h)) The Board has received comments from the public that the current rules on attributing contributions and expenditures for coordinated political activity are burdensome on candidates. Specifically, participants have indicated that contributions and expenditures attributed to a participant from the communication of their endorsements and other statements of support for other candidates should be limited where the benefit to the participant is limited. The Board has adopted certain amendments to its coordinated political activity rules in an attempt to respond to these concerns. These amendments are intended to make Program requirements in this area less onerous, permit candidates to undertake certain types of routine, limited political activity without significant impact to their campaigns, and ensure that the Program provides guideposts to the treatment of this activity. Current Rule 1-04(p)(1), promulgated pursuant to a New York City Charter §1052(a)(11)(b) requirement to regulate soft money contributions, provides that if a participant is cooperating in raising contributions for another candidate, the participant is presumed to have accepted an in-kind contribution equal to the full cost of the fundraising that was not paid for by the participant. Because of a concern that this rule may not reflect the benefits each participant receives from the fundraising activity, the amendments to Rule 1-04(p)(1) provide that each coordinating participant be deemed to have received in-kind contributions, and to have made expenditures, only commensurate with the benefit to him or her from the fundraising activity. In the past, the Board has not considered the act alone of endorsing a candidate to trigger an in-kind contribution or expenditure. To codify this practice in its rules, the amendments to Rule 1-08(h) confirm that an endorsement alone will not be considered an in-kind contribution from the endorser to the endorsee or an expenditure by the endorsee on behalf of the endorser. The costs of the communication of an endorsement, however, may be considered to be an in-kind contribution and expenditure, which, to the extent that the communication is directed to an audience of the endorser's constituents, should be controlled because of the potential for abuse. The amendments add factors to be considered by the Board in determining whether the endorser received any benefit that is disproportionate to any expenditures made by the endorser for the material or activity. Because such endorsements may be incidental to the overall communication, however, the amendments provide that the Board may determine that the benefit is de minimis to the participant, based upon information it has in its possession, including information presented to the Board by the participant or other individuals or entities. Finally, the amendments to Rule 1-08(h) presume that regular or routine communications-but not special mailings-from a political club to its own membership, signed by a participating candidate who is already a member of the club, will not trigger an in-kind contribution or expenditure to a participant. This exception is limited to political clubs with fewer than 500 members and does not include communications soliciting funds for or otherwise supporting the participant's campaign. The amendments are an attempt to respond to concerns that participants' routine political club communications should not be attributed to the club member's campaign. For other treatment of coordinated political activity, see Campaign Finance Act §3-716 and the Board's Rules, including Rules 1-08(f) and 1-08(h). The amendments are not intended to alter the Program's longstanding treatment of coordinated political activities as in-kind contributions and expenditures. Indeed, disclosure and regulation of coordinated political activity has always been, and will continue to be, subject to review and administrative determinations by the Board. Rather, the amendments are intended to reduce the burdens on candidates by clarifying the manner in which particular activities will be treated and to create a potential exemption for certain incidental activities. This is consistent with the rules of other jurisdictions, which routinely treat coordinated political activity, including the communication of endorsements, as in-kind contributions and expenditures, but which may provide limited exemptions for minor activities.

5. Statement of Basis and Purpose in City Record Oct. 18, 1996: Contributions **Returning Excessive**

Contributions (R. 1-04(c)) The rules require that if any contributions exceeding the limit which have been returned to the contributors are not deposited or cashed within 60 days, the participant may make a voluntary contribution to the New York City Election Campaign Finance Fund.

6. Statement of Basis and Purpose in City Record Nov. 19, 1996: Fundraising Activities **Fundraising for Elections not Subject to the Act** (R. 1-04(n)(2), 3-03(c)(10)) The new rules repeal the rule prohibiting candidates participating in the Campaign Finance Program from soliciting or accepting contributions at a single event both for elections subject and not subject to the Campaign Finance Act. The new rules instead require that participants report in a cover letter submitted with the disclosure statement a list of all contributions reported in that disclosure statement that were accepted at an event at which contributions were solicited or accepted both for elections subject to and not subject to the Act.

7. Statement of Basis and Purpose in City Record Feb. 29, 2000: Technical Changes These amendments also include technical changes, amendments to correct errors and omissions, without substantive change. Rules 1-04(f), 1-08(f)(iii) and (iv), 2-01(e)(3), 3-02(f)(1) and (2), 1-08(g)(2)(xiii), 11-03, and 11-04(b)(2).

8. Statement of Basis and Purpose in City Record May 5, 2003: Contributions 3. **Anticipated Runoff Special Elections** (§1-04(q)) A New York City Charter revision approved by voters in 2002 provides, among other things, that if no candidate in a special election for mayor receives at least 40% of the vote, a runoff special election will held between the top two candidates. Local Law No. 12 of 2003 amended the Act to account for the possibility of a runoff special election for mayor in which a candidate is a participant in the New York City Campaign Finance Program (the "Program"). The amendments to §1-04(q) establish rules for anticipated runoff special election fundraising that conform to the Board's Rules applicable to anticipated runoff primary elections for mayor and other citywide offices. Thus, candidates may not commence fundraising for a runoff special election for mayor until the Board has determined that such an election is reasonably anticipated; contributions accepted for a runoff special election for mayor must be deposited into a separate bank account; until the special election is held, solicitations for runoff election contributions must expressly state that the contributions are solicited only for a runoff election that may not occur; each disclosure statement submitted by a participant shall include a copy of the most recent bank statement for its runoff election account; no single contribution check may be accepted in an amount in excess of applicable contribution limits; and if a runoff special election for mayor is no longer reasonably anticipated, fundraising for that election must cease.

9. Statement of Basis and Purpose in City Record Feb. 18, 2005: The Campaign Finance Board Rules are codified in Chapter 52 of the Rules Compilation of the City of New York. The amendments effect the following specific changes, take effect thirty days after final publication in **The City Record,** and apply to contributions accepted at any time during the 2005 election cycle, as well as prospectively. Contributions from a Single Source (Rule 1-04(h) and (i)) Pursuant to Rule 1-04(h), contributions from a single source are totaled for the purposes of compliance with the contribution limits. The policy rationale of the rule is to prevent circumvention of the contribution limits by ensuring that all entities are treated as a single source when a common decisionmaker determines whether to contribute on behalf of the entities making the contributions. A **rebuttable** presumption is articulated for limited liability companies, partnerships (together "limited liability entities"), and certain labor organizations. Concerns of undue influence attendant on contributions from limited liability entities and labor organizations made the single-source rule a salient issue in the 2003 election cycle (as contributions from corporations were in past years, before corporate contributions were banned). These contributions represented the majority of all organizational contributions to Campaign Finance Program participants.[1]1 In the course of its audits, the Board has acquired experience raising questions about affiliated entities with campaigns and has corresponded with campaigns and entities about potential single-source rule violations. The Board's experience has revealed that a number of contribution limit violations have been comprised of contributions from affiliated labor organizations and limited liability entities constituting single sources. For example in the 2003 election cycle, several campaigns accepted over-the-limit contributions from the political committees of two affiliated unions (a parent and subordinate union) that designated the same person as the decisionmaking authority for contributing to city candidates, and from a district level union and local unions whose decisionmaking was controlled by the district level union. The Board believes the single-source rule will be improved with clarification to describe in

greater detail the types of entities that will be presumed to be single sources (in the absence of evidence demonstrating the contrary) and to provide clearer guidance to candidates about the factors relevant to overcoming the rebuttable presumption. The new rule supplements the factors currently contained in the rule and provides a **rebuttable** presumption that certain limited liability entities and labor organizations will, in the absence of evidence demonstrating the contrary, be treated as single sources for the purposes of compliance with the contribution limits. For entities not covered by these more detailed considerations, the general factors in Rule 1-04(h)(1) will continue to apply. The rule amendments arise out of a long-standing Board practice that has been in effect for all organizational contributions to ensure that single sources do not make over-the-limit contributions. In the audit process, the Board routinely questions campaigns about apparent contribution limit violations stemming from the contributions of affiliated and apparently affiliated entities, whether by limited liability entities, labor organizations, or, in the past, corporations. As always, the burden rests on the campaign to show compliance by demonstrating that affiliated entities do not constitute a single source for purposes of the contribution limits. Campaigns have responded to the questions in the audit process either by not contesting the affiliation or, in some cases, with evidence that the entities do not constitute a single source for purposes of the contribution limits. Before the law was amended to prohibit candidates from accepting corporate contributions,[2]2 the Board rules contained similar provisions that subjected contributions from corporate parents, affiliates, subsidiaries, and controlling persons to a single contribution limit. **See** Board Rules, Appendix B, **Former Rules on Affiliated Contributions.** Under the former rules, if an entity or individual owned, held, or could vote a class of stock representing over fifty percent of a corporation's voting power, the Board considered this relationship to be conclusive evidence of control, and thus considered the corporation to be a single source with the controlling entity or individual. Where corporate ownership was less clear, however, the Board merely presumed that affiliated corporations were subject to common control. Acknowledging a range in levels of control among these affiliated entities, the Board permitted candidates the opportunity to rebut the presumption. The former rules on affiliated corporations included a list of general factors, substantially similar to the current Rule 1-04(h)(1), to assist candidates with the rebuttal in cases where ownership was less clear. The Board's practice, now largely irrelevant to corporate contributions, underlies the rule amendments which share the same objective as the former rules on affiliated corporations-to ensure that all single sources, in this case limited liability entities and labor organizations, are similarly treated. Although the rule amendments arise out of Board practice, they provide more detailed guidance than did the former corporate rules to candidates concerning the specific kinds of documentation that may be offered to rebut the presumption. They also provide more detailed guidance than was provided in the proposed rules as adopted by the Board for public comment. In response to public comments on the proposed rules, the rules now provide a detailed list of documentation germane to limited liability entities and labor organizations in particular. In demonstrating that affiliated limited liability entities and labor organizations are distinct sources, the campaign may provide documentation of as many items on the list, and others not on the list, as it believes may be relevant to the contributions at issue, and the Board will look at the evidence as a whole to determine whether the campaign has shown that one entity does not control the decisions of another entity with respect to campaign contributions, and thus has overcome the presumption. There is no requirement that a candidate provide documentation relating to all items or any particular item on the list. The rule improves the candidate's ability to comply with and the Board's ability to enforce the single source rule, because the rule explicitly confirms the kinds of considerations that will enable candidates to meet the burden of demonstrating that entities are distinct sources. This burden lies, as it always has, with the candidate, the party best situated to acquire the information from the entities supporting the candidate with contributions. The candidate always has the burden to demonstrate compliance with the applicable contribution limits, but the former Rule 1-04(h) gave no detailed description of the precise factors which the candidate should rely upon to demonstrate to the Board that one affiliated contributor did not "establish, maintain, or control" another affiliated union or limited liability entity contributor. **See** former Rule 1-04(h). The information needed to evaluate this is more readily in the hands of the candidate and contributor than in the hands of the Board. Paragraph (2) of the rule clarifies that a labor organization is presumed (in the absence of evidence demonstrating the contrary) to have established, maintained, or controlled all of its subordinate organizations and that contributions from a labor organization and its subordinate organizations therefore would be considered to issue from a single source for purposes of compliance with the contribution limits. The Board looked to federal campaign finance law for guidance in constructing the rule. In 1976, Congress made a finding that large corporations and unions were circumventing the contribution limits of the Federal Election Campaign Finance Act, 2 U.S.C.A. §431 **et seq.,**

("FECA"), by creating hundreds of new political action committees through their subsidiaries and locals.[3]3 To stem the vertical proliferation of contributors, Congress amended FECA to include a single-source provision, §441a(a)(5).[4]4 The Board's rule adapts the language of the single-source regulations of the Federal Election Commission ("FEC"), enacted pursuant to the FECA's single source provision. **See** 11 C.F.R. §§100.5(g) and 110.3(a). Where the FEC enacted a **per se** rule, however, the amended Board rule merely enacts a **rebuttable presumption** that the following are single sources: a union and its political committees; a parent union, such as an international/national union and all of its regional, state, intrastate, and local unions; and an organization of international/national unions, such as the AFL-CIO, and all of its regional, state, intrastate, and local bodies.[5]5 Thus, under the rule, the Board will presume (in the absence of evidence demonstrating the contrary) that contributions from different New York City local unions that share a parent union constitute a single source. (As is the case for other entities controlled by a common decisionmaker, there need not be a contribution from a parent union in order for the Board to aggregate contributions from its subordinate unions. **See also** 11 C.F.R. §§100.5(g) and 110.3(a). The Board may aggregate contributions from subordinate entities controlled by a common decisionmaker regardless whether the common decisionmaker contributes.) Parent unions often exercise significant control, both formally and informally, over the decisions, activities, and structure of their subordinate unions. The legislative history of FECA, the opinions of the federal courts, union constitutions, the Board's experience acquired through its audit process, and the experience of union members, support this conclusion. In its discussion of FECA's aggregation provision, a controlling Circuit Court decision concurred with the assessment of Congress and the FEC that a typical parent union exercises considerable control over its locals. **See Sailors' Union,** 828 F.2d at 506-9 (citing constitution of the United Steelworkers' union as support for position that traditional international unions exercise "highly intrusive authority" over their locals). The siphoning of autonomy from local unions to parent unions has been criticized by union members and labor advocates.[6]6 Because there is a range in the levels of control parent unions exercise over their subordinate unions, however, the Board is adopting a rebuttable presumption and not a **per se** rule. While the Board's experience supports a rebuttable presumption that a parent union and its subordinate unions are a single source, it does not support codifying a rebuttable presumption that an **organization** of unions, like a federation, and its affiliated member unions are a single source. The Board recognizes that whereas parent unions may exercise substantial control over their subordinate unions, organizations of international and national unions tend to function as umbrella groups with little authority over the decisions of their loosely affiliated member unions. (The Board does presume that subordinate umbrella groups constitute a single source with their parent umbrella groups. For instance, the national AFL-CIO and the New York State AFL-CIO would be covered by the rule, but a member union of the AFL-CIO would fall outside of the rule with respect to its relationship with the national AFL-CIO or New York State AFL-CIO.) The amendments thus parallel the treatment federal campaign finance law affords umbrella groups. **See** FECA, 2 U.S.C.A. §441a(a)(5); 11 C.F.R. §§100.5(g) and 110.3(a); **Sailors' Union,** 828 F.2d 502; **see also** 54 FR 34,098-01, 34,099 (Aug. 17, 1989). The rule amendments do not change the Board's authority to continue to aggregate contributions from an umbrella group and its affiliated unions when appropriate, on a case-by-case basis, by applying the factors in Rule 1-04(h)(1). The Board received comments following the adoption of the proposed rebuttable presumption for public comment. Several labor unions commented that they were not controlled by their parent unions and made decisions about political contributions independently of their parent unions. As noted **supra,** the Board recognizes this range in the relationships among affiliated labor organizations and therefore is not adopting a **per se** rule, but rather a rebuttable presumption. The rebuttable presumption is a desirable means of effectuating the Act's contribution limits, because (a) the Board has encountered numerous cases in which affiliated labor organizations did not contribute to candidates independently, and (b) candidates, who always have the burden to demonstrate compliance with the Act, are in a far better position that the Board to ascertain the independence of their contributors. Codifying Advisory Opinion No. 2001-6 (June 14, 2001), paragraph (3) of the rule provides that separate partnerships and limited liability companies that have a common general partner or a common managing member are presumed to be a single source for purposes of compliance with the contribution limits. (Where appropriate, such as when a limited liability company's managing member is also the general partner of a partnership, the rebuttable presumption aggregates contributions from the limited liability company and the partnership.) Consistent with the Advisory Opinion, registered limited liability partnerships established pursuant to Article l8-B of the New York State Partnership Law, which are not governed in the same manner as other partnerships, are not covered by the rebuttable presumption. Paragraph (4) of Rule 1-04(h) makes it clear that candidates will be able to obtain documentation from contributors to overcome the

rebuttable presumption of affiliation. The Board will provide notice to a candidate if he or she accepts an over-the-limit contribution from entities presumed to be a single-source, and the candidate will then have the opportunity to show that the entities are distinct sources.[7]7 As a practical matter, candidates will be well advised to take additional steps when they accept contributions to verify that contributions from limited liability entities and labor organizations do not violate the applicable contribution limits. It is anticipated that the 2005 Campaign Finance Handbook would be supplemented to provide examples of documentation candidates can request from contributors and questions candidates can ask contributors to help rebut the presumption. Applying Rules 1-04(h) and (i) to the entire 2005 election cycle will not create a departure from Board practice, because, as emphasized above, the rule amendments are based upon existing Board practice. Candidates who have accepted contributions from limited liability entities and labor organizations during the 2005 election cycle preceding the effective date of this rule have time to review their contributions to verify whether the rebuttable presumptions apply, and if so, to return the over-the-limit portion of the contributions or to collect documentation to overcome the rebuttable presumption. The Board has adopted minor changes to Rules 1-04(h) and (i) to conform them to legislation passed by the City Council on December 15, 2004.

10. Statement of Basis and Purpose in City Record Feb. 20, 2009: I. Explanation, Basis, and Purpose The Campaign Finance Board Rules are codified in Chapter 52 of the Rules Compilation of the City of New York. The subject matter of this rulemaking was described in the Board's regulatory agenda for fiscal year 2009, published in **The City Record** on April 14, 2008. The amendments effect the following specific changes and will take effect thirty days after final publication in **The City Record**. Returning receipts (§1-04(c)(1)) Candidates must return contributions in excess of the "doing business" contribution limits within 20 days of notification from the Board that the contributor is considered to be doing business with the City. **See** Admin. Code §3-703(1-b). The new rule clarifies that a candidate may retain apparent "doing business" contributions if the candidate demonstrates, within 20 days of notification from the Board, that an application for removal from the doing business database is pending before the Mayor's Office of Contract Services (MOCS) or the City Clerk. The candidate may retain the contribution until notified by the Board that MOCS or the City Clerk had denied the application for removal, in which case the campaign has 20 days following such second notification to return the contribution. Contributions retained pursuant to the new rule are not eligible to be matched with public funds unless and until the Board notifies the campaign that the contributor was removed from the doing business database. Spending public funds (§1-08(g)) The amendment clarifies that public funds may not be used for services that are never received, including legal services paid in advance pursuant to a retainer agreement to the extent such advance payments exceed the value of the services ultimately rendered by the attorney or law firm. Filer Registration; Certification (§§1-11 and 2-01) The amendments clarify that candidates must amend their Filer Registration or Certification forms if any of the information required to be listed on those forms changes. Candidates must submit the amended form by the deadline for their next disclosure statement, or, in the case of changes that occur after the deadline for the last disclosure statement for an election, within 30 days of the change. Candidates need not amend the forms after the issuance of the Final Audit Report unless they have outstanding liabilities from the covered election, including penalties or public funds repayments owed to the Board. Filing dates (§3-02(b)) The amendment provides that if the first semi-annual disclosure statement following the date of a special election is due less than 30 days after the 27 day post-election statement, the last disclosure statement required to be filed by candidates in a special election is the second semi-annual statement after the date of the special election. Credit Card Contributions (§4-01(b)(6)) The amendment clarifies that candidates must maintain copies of their unique merchant account agreements. Record Retention (§4-03) The amendment requires candidates to notify the Board of any changes to the contact information for the custodian of their records by the deadline for their next disclosure statement, or, in the case of changes that occur after the deadline for the last disclosure statement for an election, within 30 days of the change. This requirement remains in effect for six years following the date of the election to which the campaign records pertain. Petitions for review of payment determinations (§§(5-01(i), 5-02(a)) The amendments provide that a participant may only petition the Board for review of public funds determinations prior to the election, unless the participant submits information and/or documentation that was not available to the Board previously and is material to the payment or non-payment determination, and shows good cause for the previous failure to provide such information and/or documentation. As a result of a change to the Campaign Finance Act added by Local Law 34 of 2007, participants now have the opportunity to challenge public funds determinations prior to the issuance of the final audit report in a hearing

before the Board or before an independent hearing officer. Deductions from payments (§5-01(n)) The amendment clarifies that funds deposited into, and disbursements made from a segregated bank account established and maintained in compliance with §5-01(n) for the purpose of repaying debt from a previous election will not be considered raised or spent for the current covered election for purposes of the participant's expenditure limit and unspent campaign funds calculations.

FOOTNOTES

1

[Footnote 1]: [1] Although the single-source restriction is not in itself concerned with aggregates, it is of interest that approximately 13% of all contributions to Program participants and 50-55% of all organizational contributions in the 2003 election cycle were from labor organizations and political committees established by labor organizations. Political committees established by labor organizations represented approximately 60% of all political committee contributions in the 2003 election cycle. (Approximately 30% of political committee contributions in the 2003 election cycle were from candidate committees, subject to other regulations under the Act and Rules.) Contributions from limited liability entities and political committees established by limited liability entities represented approximately 5-6% of contributions in the 2003 election cycle and approximately 20% of all organizational contributions.

7

[Footnote 7]: [7] It remains the candidate's responsibility to make this inquiry in the first instance, whether or not the candidate is questioned by the Board in the audit process.

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 1-05

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 1 GENERAL PROVISIONS

§1-05 Loans.

(a) **Repayment by next election.** A loan, must be repaid by the date of the next election, or else the loan, guarantee, or other security for a loan will be considered a contribution subject to the Act's contribution limits.

(b) **Loans not made in regular course of business.** A loan not made in the regular course of the lender's business shall be deemed, to the extent not repaid to the lender by the date of the next election, a contribution by the lender.

(c) **Loans made in regular course of business.** A loan made in the regular course of the lender's business shall be deemed, to the extent not repaid by the date of the next election, a contribution by the obligor on the loan and by any other person endorsing, cosigning, guaranteeing, collaterizing, or otherwise providing security for the loan. Neither the Act nor the Charter prohibits receipt of a loan made in the regular course of the lender's business, regardless whether the lender is a corporation, limited liability company, or partnership.

(d) **Third party repays loan.** If any portion of a loan is repaid by a person or entity other than the participant or non-participant receiving the loan, the portion thus repaid shall be a contribution by that person or entity.

(e) [Reserved]

(f) [Reserved]

(g) **Post-election loans.** Loans received after an election that are used for that election are considered contributions for that election, and must be deposited in and disbursed from an account established and maintained for that election,

as provided in §2-06(b), except that a loan made by the candidate after the election for the purpose of (i) paying penalties pursuant to the Act or (ii) making required repayments to the Fund is not subject to the contribution limit.

(h) **Attributing a loan to an election.** A loan is presumed to be accepted for the first election in which the participant or non-participant is a candidate following the day that the loan is received, except:

(1) as otherwise provided in §1-05(g);

(2) in the case of a State or local election, loans received before the first January 12 after an election will also be presumed to be accepted for that election; and

(3) in the case of a Federal election, loans received before the first January 1 after the election will also be presumed to be accepted for that election, except as may otherwise be provided under Federal law and regulations.

(i) **Deposit.** All loans must be accepted and deposited, or rejected and returned, within 10 business days after receipt.

(j) **Loans forgiven.** Any portion of a loan that is forgiven is a monetary contribution.

NOTE

1. Statement of Basis and Purpose in City Record Nov. 19, 2002:

Loans (§1-05(f))

Under New York State Election Law §14-114(6), New York City Administrative Code §3-702(8), and §1-05(a), a loan to a campaign that is not repaid by the date of the next election is considered to be a contribution. If a loan that remained unpaid on the date of the election were not considered a contribution, the loan would provide the lender with a vehicle to supply campaign funds far in excess of the amount he or she could give by way of contribution, which would circumvent the contribution limits of the Campaign Finance Program.

In Advisory Opinion No. 1989-42, the Board created a narrow exception to the law that allowed participants receiving matchable contributions shortly before the election to take out a "bridge loan" in anticipation of a post-election public funds payment, provided that the participant used the post-election public funds to repay the loan. In 1991, the bridge loan exception was codified in §1-05(f).

This amendment will eliminate the bridge loan exception by deleting §1-05(f). The bridge loan exception is inconsistent with State Election Law §14-114(6), under which a loan not repaid by the date of the election is deemed to be a contribution. See **In Re Cook v. Unger,** No. 5576-02 (Sup. Ct., Albany Cty. Oct. 29, 2002). Changes in the Program's matching formula and schedule for disclosure statements have effectively eliminated the justification for bridge loans insofar as there is no longer any pre-election filing submitted to the Board that cannot be paid upon by the date of the election for administrative reasons. The Board will, however, evaluate on a case-by-case basis, as part of its post-election audit of every campaign, the circumstances surrounding any loan, including the timing of the loan, whether it has been repaid, and whether in fact public funds are due to a campaign, in order to determine the appropriate penalties, if any, for over-the-limit contribution violations resulting from loans outstanding on the date of the election.

2. Statement of Basis and Purpose in City Record Oct. 10, 1995: **Loans** (R. 1-05(e), (j); 3-03(d); 3-04(d)) The rules eliminate the reporting of outstanding principal from the loan disclosure requirements. The rules also make clear that loans forgiven are not matchable contributions under the Campaign Finance Act. The presumption that excessive loans are knowing violations of the contribution limit if not paid back by the day of the election is repealed. Loans forgiven are treated as monetary contributions, not in-kind contributions in conformance with State Board of Elections disclosure requirements.

3. Statement of Basis and Purpose in City Record Oct. 18, 1996: Loans **Post-election Loans** (R. 1-05(g)) Loans received after an election that are used for that election are considered contributions. Under the rules, two limited exceptions are permitted: when a candidate makes a loan from his or her own personal funds after the election, for the purpose of paying penalties imposed by the Board or returning public funds due to the Board, the post-election loan would not be considered a contribution.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 1 GENERAL PROVISIONS

§1-06 Special Elections.

If a special election to fill a vacancy is declared, the Board may provide for the following special requirements and procedures for candidates in the special election, after considering the date of the election and any other relevant factors:

(a) a standard by which contributions, loans, and/or expenditures are presumed to be accepted or made for the special election, notwithstanding §§1-04(f), l-05(h), and 1-08(c)(1);

(b) a standard for determining the total amount of surplus funds from previous elections and

(c) such other requirements and procedures as the Board may deem necessary to implement the provisions of the Act in the special election fully and effectively.

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 1-07

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 1 GENERAL PROVISIONS

§1-07 Funds Originally Received for Other Elections.

(a) **Use.** Funds originally received by a committee not otherwise involved in a covered election may be used in a covered election subject to the requirements of this rule, but may not be claimed as matchable contributions for that election.

(b) **Surplus funds.** The Board deems the cash balance reported in the candidate's first semi-annual form or Board disclosure statement at the beginning of the first reporting period for an election to be the total amount of surplus funds the committee had from a previous election; except that the amount deemed to be surplus funds may be reduced by the following:

(1) the total amount of debts and obligations outstanding at the beginning of the reporting period;

(2) the total amount subsequently transferred to a political committee that is not involved in a covered election; and

(3) if the candidate was a participant in the previous election, the total amount of public funds subsequently repaid.

When requested by the Board, candidates shall provide additional information regarding totals and transactions reported in State forms or Board disclosure statements.

(c) **Contribution limit; prohibited contributions.** Candidates have the burden of demonstrating that surplus funds and transfers of funds from committees not otherwise involved in the covered election do not derive from: (1) contributions in excess of the Act's contribution limits, including contributions that would exceed the Act's contribution

limits when aggregated with other contributions accepted from the same source; or (2) contributions from sources prohibited by the Act or the Charter. In addition, participants have the burden of demonstrating that funds transferred from a committee, other than another principal committee of the same candidate, derive solely from contributions for which records demonstrating the contributors' intent to designate the contributions for the covered election have been submitted and maintained as required pursuant to Rules 3-03(c)(2) and 4-01(b)(8), respectively.

For purposes of enforcing the contribution limit and contribution prohibitions, the Board shall attribute surplus funds and such transfers to the last monetary contributions, loans, and other receipts received by: (1) the candidate on or before the date of the cash balance described in subdivision (b) in the case of surplus funds; or (2) the transferor committee before making the transfer. The candidate shall either promptly return the portion of any contribution that exceeds the Act's contribution limit or violates a prohibition of the Act or the Charter, as provided in §1-04(c)(1), or deposit the excess portion or amount of the prohibited contribution, as the case may be, into a separate account not to be used in a covered election.

(d) **Related expenditures.** Expenditures made in connection with raising or administering funds transferred from a committee not otherwise involved in a covered election are subject to the expenditure limits of the Act and shall be reported as provided in §3-03(c)(2). As provided for in §1-08(o), the participant shall have the burden of demonstrating that any expenditures incurred by the transferor committee are not subject to the expenditure limits of the Act.

NOTE

1. Statement of Basis and Purpose in City Record Oct. 10, 1995:

Contributions and Other Receipts

Funds Originally Received for Other Elections (R. 1-07; 3-03(c)(2), (3))

The rules repeal the requirement that disclosure statements contain an attribution of surplus funds from previous elections and of transfers received from committees not involved in the current election. Instead, the rules consolidate the treatment of these funds as "funds originally received for other elections" and set forth the attribution principles as those that the Board will continue to apply when determining whether the use of the funds would violate the contribution limit in the current election. Participating candidates have the burden of showing that expenditures related to raising and administering these funds are not subject to the Act's expenditure limits.

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 1-08

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 1 GENERAL PROVISIONS

§1-08 Expenditures.

(a) **Expenditures.** Expenditures include all disbursements made, liabilities incurred, and contributions received by a candidate, except disbursements to return contributions, repay loans, return public funds, and transfers. Some expenditures are subject to the expenditure limits of the Act and other expenditures are exempt.

(b) **Making an expenditure.** As provided and described in §3-706 (1) and (2) of the Code, an expenditure for goods or services is made when the goods or services are received, used, or rendered, regardless when payment is made. Expenditures for goods or services received, used, or rendered in more than one year shall be attributed in a reasonable manner to the expenditure limits of §3-706(1) or (2) of the Code, as appropriate.

(c) **Attributing an expenditure to an election.** (1) An expenditure is presumed to be made for the first election (in which the participant, limited participant or non-participant is a candidate) following the day it is made, except: (i) in the case of a State or local election, expenditures made before the first January 12 after an election will also be presumed to be made for that election; (ii) in the case of a federal election, expenditures made before the first January 1 after the election will also be presumed to be made for that election, except as may otherwise be provided under federal law and regulations.

(2) (i) If there is no contested primary election for an office, expenditures made by a participant or limited participant seeking that office are subject to the general election expenditure limit of §3-706(1) of the Code.

(ii) If there is a contested or write-in primary election in any party for an office, every participant or limited participant seeking that office, regardless whether the participant or limited participant is in the primary election, may

make expenditures subject to the primary election expenditure limit of §3-706(1) of the Code, provided the participant or limited participant files the three pre-primary and 10 day post-primary election disclosure statements and daily disclosures pursuant to Rule 3-02(c), (d), and (e) in a timely manner. In this case, the general election expenditure limit will first apply after the date of the primary election.

(iii) Notwithstanding subparagraph (i), if a participant or limited participant demonstrates to the Board that for a period preceding the primary election the participant or limited participant had reasonably anticipated a primary election in any party for the office the participant or limited participant seeks, the participant or limited participant may attribute expenditures made before and during that period to the primary election expenditure limit of §3-706(1) of the Code, provided the participant or limited participant files the three pre-primary and 10 day post-primary election disclosure statements and daily disclosures pursuant to Rule 3-02(c), (d), and (e) in a timely manner. In this case, the general election expenditure limit will first apply after that period. In order to demonstrate to the Board that for a period preceding the primary election the participant or limited participant had reasonably anticipated a primary election, the participant or limited participant must file a petition, consisting of an affidavit with supporting documentation, with the Board no later than ten business days following the date the last remaining candidate other than the participant or limited participant was finally disqualified from the ballot as set forth in Rule 5-02(b). The affidavit must specify the period of time during which it was reasonable to anticipate that a primary election would be held, identify the prospective candidate(s), and provide a factual basis for the participant's or limited participant's belief that a primary election was reasonably anticipated during the specified period of time. The supporting documentation must demonstrate that the prospective candidate(s) engaged in activities that would lead a reasonable person to believe that such candidate(s) would participate in the primary election. Such activities may include: (i) raising or spending funds for the primary election; (ii) authorizing a political committee with the Board of Elections for the primary election; (iii) filing a filer registration and/or certification form with the Board; (iv) engaging in petitioning activity, including the filing of petitions with the Board of Elections; (v) producing and/or distributing campaign literature; and (vi) campaigning for office or otherwise publicly declaring an intent to participate in the primary election.

(iv) Once it is determined by petition litigation or otherwise that no primary election will be held for nomination to an office, expenditures made by participants or limited participant seeking that office are subject to the general election expenditure limit of §3-706(1) of the Code.

(v) Expenditures made before the primary election by a participant or limited participant who is a candidate in a contested primary election are subject to the primary election expenditure limits of §3-706(1) of the Code, regardless whether the participant or limited participant has also received the nomination of another party without a primary election.

(3) Candidates have the burden of demonstrating that expenditures made by committees reported not to be involved in the election in which the candidate is currently a participant or limited participant were not made in connection with such election. Failure to meet this burden will result in the application of all Program requirements to these committees for such election.

(4) **Special elections.** An expenditure is presumed to be subject to the special election expenditure limit on and after the date a special election was first reasonably anticipated, as determined by the Board. Participants or limited participants may present evidence to the Board demonstrating the date a special election was first reasonably anticipated.

(d) **Expenditure limits.** (1) All expenditures made by a participant or limited participant for the purpose of promoting or facilitating his or her nomination or election, including expenditures made for the purpose of promoting or facilitating the defeat of an opponent or prospective opponent, are subject to the expenditure limit applicable under the Act. All expenditures made by the participant or limited participant and his or her principal committee shall be totaled to determine the participant's or limited participant's compliance with the applicable expenditure limit. Expenditures made after the last election in an election year in which the participant or limited participant is a candidate, or a special

election, are not subject to the expenditure limits for that election.

(2) A participant or limited participant is permitted to make expenditures in excess of the limits of §3-706(2) of the Code, but not in excess of the limits of §3-706(1) of the Code. The limits of §3-706(2) are the minimum amounts that a participant or limited participant must spend during the three calendar years before the election year in order to spend the total aggregate amount the Act and these Rules permit during those years and the time period encompassed by the expenditure limit that first applies to the candidate in the election year, pursuant to §3-706(1) of the Code.

(3) All expenditures made by a participant or limited participant for the purpose of advocating a vote for or against a proposal on the ballot in an election that is also a covered election, regardless whether the expenditures were also made to promote or facilitate the participant's nomination or election, shall be subject to the expenditure limits applicable in such covered election.

(4) The following shall not be subject to the expenditure limits: (i) expenses made for the purpose of bringing or responding to any action, proceeding, claim or suit before any court or arbitrator or administrative agency to determine a candidate's or political committee's compliance with the requirements of this chapter, including eligibility for public funds payments, or pursuant to or with respect to election law or other law or regulation governing candidate or political committee activity or ballot status; (ii) expenses to challenge or defend the validity of petitions of designation or nomination or certificates of nomination, acceptance, authorization, declination or substitution, and expenses related to the canvassing or re-canvassing of election results; and (iii) expenses related to the post-election audit.

(e) Reserved.

(f) **Independent expenditures.** (1) Factors for determining whether an expenditure is independent include, but are not limited to:

(i) whether the person, political committee, or other entity making the expenditure is also an agent of a candidate;

(ii) whether the treasurer of, or other person authorized to accept receipts or make expenditures for, the person, political committee, or other entity making the expenditure is also an agent of a candidate;

(iii) whether a candidate has authorized, requested, suggested, fostered, or otherwise cooperated in any way in the formation or operation of the person, political committee, or other entity making the expenditure;

(iv) whether the person, political committee, or other entity making the expenditure has been established, financed, maintained, or controlled by any of the same persons, political committees, or other entities as those which have established, financed, maintained, or controlled a political committee authorized by the candidate;

(v) whether the person, political committee, or other entity making the expenditure and the candidates have each retained, consulted, or otherwise been in communication with the same third party or parties, if the candidate knew or should have known that the candidate's communication or relationship to the third party or parties would inform or result in expenditures to benefit the candidate; and

(vi) whether the candidate, any agent of the candidate, or any political committee authorized by the candidate shares or rents space for a campaign-related purpose with or from the person, political committee, or other entity making the expenditure.

(2) Financing the dissemination, distribution, or republication of any broadcast or any written, graphic, or other form of campaign materials prepared by a candidate is a contribution to, and an expenditure by, the candidate, unless this activity was not in any way undertaken, authorized, requested, suggested, fostered, or otherwise cooperated in by the candidate.

(3) An expenditure for the purpose of promoting or facilitating the nomination or election of a candidate, which is determined not to be an independent expenditure, is a contribution to, and an expenditure by, the candidate.

(4) (i) Communication between, or common agents shared by, parties and their nominees will not require a conclusion that all spending by the party's constituted committees and party committees in an election is an in-kind contribution to the nominee. The following expenditures made by party committees or constituted committees are not considered in-kind contributions to a candidate unless it is demonstrated that the candidate in some way cooperated in the expenditure and that the expenditure was intended to benefit that candidate:

(A) materials or activities that promote the party, or oppose another party, by name, platform, principles, history, theme, slogans, issues, or philosophy, without reference to particular candidates in an upcoming election subject to the requirements of the Act.

(B) materials or activities in connection with candidates and elections not subject to the requirements of the Act.

(C) training, compensating, or providing materials for poll watchers appointed by the party pursuant to New York Election Law §8-500.

(D) promoting party enrollment or voter turnout without reference to particular candidates in an upcoming election subject to Program requirements, including research, polling, recruitment of party employees and volunteers, and development and maintenance of voter and contributor lists.

(E) raising funds for the party without reference to particular candidates in an upcoming election subject to the requirements of the Act.

(F) mailing of absentee ballot applications in a special or general election in which an office not subject to the requirements of the Act is on the ballot.

(ii) The Board may require a candidate to demonstrate in any proceeding before the Board that any of the following expenditures that are made by a party committee or constituted committee are not in-kind contributions to the candidate:

(A) expenditures for materials or activity that include an electioneering message about a clearly identified candidate for a covered election.

(B) expenditures for advertisements, broadcasting, mailings, or electronic media for a candidate or against his or her opponent, including a home page on the Internet.

(C) expenditures for which the candidate has, without making public disclosure of an outstanding liability in a timely manner, promised or made reimbursement or other payment to the party committee or constituted committee. These expenditures will be considered in-kind contributions during the time preceding the reimbursement or other payment by the candidate.

(5) If candidates announce they are running together as a "ticket" for which they have chosen to join together in a broad spectrum of activities to promote each other's election, the Board will presume that expenditures made by one candidate's campaign for materials or activities that clearly identify the other candidate are in-kind contributions to the second candidate. The following factors would increase the burden a candidate would have in overcoming this presumption: (i) the campaigns have staff, consultants, office space, or telephone lines in common; (ii) other in-kind contributions, expenditure refunds, advances, or joint expenditures have been made between these campaigns. If the expenditures are in-kind contributions, the expenditures are subject to the apportionment requirements of Rule 1-08(h).

(g) **Spending public funds.**

(1) Public funds may be used only for expenditures by a participant's principal committee to further the participant's nomination or election either in a special election to fill a vacancy or during the calendar year in which the election in which the candidate is a participant is held.

(2) Public funds may not be used for:

(i) an expenditure for any purpose other than the furtherance of the participant's nomination or election;

(ii) an expenditure not incurred during the calendar year of the election;

(iii) an expenditure in violation of any law;

(iv) payments made to the participant or a spouse, domestic partner, child, grandchild, parent, grandparent, brother, or sister of the participant or spouse or domestic partner of such child, grandchild, parent, grandparent, brother, or sister, or to a business entity in which the participant or any such person has a 10 percent or greater ownership interest;

(v) payments in excess of the fair market value of services, materials, facilities, or other things of value received;

(vi)(A) any expenditure made after the participant has been finally disqualified or had his or her petitions finally declared invalid by the New York City Board of Elections or a court of competent jurisdiction, except that such expenditures may be made (1) as otherwise permitted pursuant to §3-709(7) of the Code, or (2) for a different election (other than a special election to fill a vacancy) held later in the same calendar year in which the candidate seeks election for the same office;

(B) any expenditure made after the only remaining opponent of the participant has been finally disqualified or had his or her petitions declared invalid by the New York City Board of Elections or a court of competent jurisdiction, except that such expenditures may be made for a different election (other than a special election to fill a vacancy) held later in the same calendar year in which the participant seeks election for the same office;

(C) any other election, if the public funds were originally received for a special election to fill a vacancy.

(vii) payments in cash;

(viii) any contribution, transfer, or loan made to another candidate or political committee;

(ix) gifts, except brochures, buttons, signs and other printed campaign material;

(x) any expenditures to challenge or defend the validity of petitions of designation, or nomination, or certificates of nomination, acceptance, authorization, declination, or substitution, and expenses related to the canvassing of election results;

(xi) any expenditure for which records required by §4-01 are not maintained or obtained by the participant;

(xii) any expenditure that is not itemized in a disclosure statement submitted pursuant to §3-03;

(xiii) any payment that is not made or reimbursed from an account disclosed by the participant pursuant to §1-11(d) or 2-01(a);

(xiv) reimbursement for advances, except in the case of individual purchases in excess of $250;

(xv) expenditures made in connection with any action, claim or suit before any court or arbitrator;

(xvi) expenditures made primarily for the purpose of expressly advocating a vote for or against a ballot proposal, other than expenditures made also to further the participating candidate's nomination for election or election;

(xvii) payment of any penalty or fine imposed pursuant to federal, state or local law; or

(xviii) payments for services that were never received, including payments for legal services pursuant to a retainer agreement to the extent payments for such services exceed the value of the services rendered.

(3) It is presumed that the following bills for goods and services are not qualified campaign expenditures:

(i) bills for an election that are first reported in a disclosure statement submitted later than the 10 day or 27 day post-election disclosure statement applicable to that election; and

(ii) bills first reported in an amendment to or resubmission of a disclosure statement that is made after the last election in an election year in which the participant is a candidate, or after a special election.

(4) A liability that is not reported in a contemporaneous manner is a violation of §3-703(6) of the Code and will not be considered a qualified campaign expenditure.

(h) **Joint expenditures; endorsements.**

(1) In accordance with the Act, nothing in these Rules shall be construed to restrict a candidate from authorizing expenditures for joint campaign materials and other joint campaign activities, including fundraising and campaign communications such as mailings and telephone and other communications, if the benefit the candidate derives from the material or activity is proportionally equivalent to the candidate's expenditures for the material or activity. To the extent a candidate derives a disproportionate benefit, the candidate is considered to have received a contribution and made an expenditure. Among the factors the Board will consider in determining whether the benefit is "proportionally equivalent," are:

(i) the focus of the material or activity,

(ii) the geographic distribution or location of the material or activity;

(iii) the subject matter of the communication;

(iv) the references to the candidate or the candidate's appearances therein;

(v) the relative prominence of a candidate's references or appearances in the communication, including the size and location of references to the candidate and any photographs of the candidate;

(vi) the timing of the communication; and

(vii) other circumstances surrounding the communication. The amount spent by the candidate for these purposes is subject to the expenditure limit applicable under the Act, unless it is otherwise exempt.

(2) Notwithstanding the provisions of paragraph (1) above, the following activities in support of another candidates by a participant, limited participant or non-participant shall not be considered contributions to or expenditures by such participant, limited participant or non-participant, except to the extent that such activities are paid for by the participant, limited participant or non-participant for a covered election:

(i) the act alone of endorsing or appearing with another candidate for public office, party nomination or party position;

(ii) the insubstantial communication of such endorsement or appearance described in subparagraph (i), such as where the candidate's name is one of several names appearing on the communication and is of equivalent prominence as the other names;

(iii) fundraising assistance to another candidate in the form of written communications that do not promote the participant, limited participant or non-participant such as the appearance of the participant's, limited participant's or non-participant's, name or signature on a letter soliciting funds for another candidate or the appearance of the participant's, limited participant's or non-participant's name on fundraising material where the participant's, limited participant's or non-participant's name appears alone or with other names and is of equivalent prominence as the other names; and

(iv) a typical communication by a political club to its members, which includes the name of a candidate, provided that the candidate is already a member of the political club, the political club has fewer than 500 members, and the communication does not solicit funds on behalf of or otherwise promote the participant's, limited participant's or non-participant's campaign for a covered election.

(3)(i) The Board may, in its discretion, determine that the benefit to a candidate from references to or appearances of that candidate contained in another candidate's communication, such as campaign literature or an automated telephone call, is of de minimis value to the candidate based on the factors listed in paragraph (1) or other factors.

(ii) Candidates and other individuals or entities may present information to the Board establishing such a de minimis benefit pursuant to §7-01, or in such other manner as the Board may determine, or the candidate may present such information during the post-election audit process.

(i) **Expenditures by check.** No candidate may expend an amount in excess of $100 except by check drawn on a reported depository and signed by the candidate or person authorized to sign checks by the candidate.

(j) Reserved.

(k) **Volunteer services.** After receiving public funds for an election, participants shall not pay volunteers for services already performed on a voluntary basis for that election, but may hire them as employees or retain them as consultants for future services.

(l) **Expenditure limit compliance.** (1) Participants and limited participants shall monitor whether their total expenditures exceed the limit of §3-706(1) of the Code or, if applicable, the limit of §3-706(3)(a)(i) of the Code. The amount of the expenditure limit that applies to the participant or limited participant in the calendar year of the election, pursuant to §3-706(1) of the Code, shall be reduced by the amount by which the initial expenditure limit pursuant to §3-706(2) of the Code is exceeded. Participants and limited participants have the burden of demonstrating that expenditures are exempt pursuant to §3-706(4) of the Code. A participant or limited participant shall meet this burden by maintaining contemporaneous, detailed records that demonstrate that each individual expenditure claimed as exempt is exempt in accordance with §3-706(4) of the Code and submitting such documentation as required under paragraph (3) below.

(2) Reserved.

(3) If a participant or limited participant fails to submit documentation sufficient to substantiate an exempt expenditure claim, the expenditure subject to such claim shall not be considered exempt from the expenditure limit applicable to the participant or limited participant under §3-706(1) or §3-706(3)(a)(i) of the Code.

(4) For purposes of this subdivision, in determining whether a participant's or limited participant's total expenditures exceed the amount of the limit applicable under §3-706(1) or §3-706(3)(a)(i) of the Code, the following expenditures shall be excluded: (i) expenditures made in the first three years of the election cycle, to the extent such expenditures do not exceed the limit applicable under §3-706(2) of the Code; and (ii) in the case of the general election expenditure limit, expenditures made not later than the closing date of the 10 day post-primary election disclosure statement, provided that the participant or limited participant was subject to a primary election expenditure limit.

(5) Notwithstanding anything otherwise provided for in this subdivision, the reimbursement of an advance shall not be considered an exempt expenditure.

(m) **Fundraising for more than one election.** When a candidate makes expenditures for a single event or other activity to raise funds for more than one office sought, and the first election that will be held is:

(1) a covered election, the full amount of such expenditures is subject to the expenditure limits, the contribution limits, and the contribution prohibitions of the Act and the Charter.

(2) not a covered election, a portion of such expenditures will be subject to the expenditure limits, the contribution limits, and the contribution prohibitions of the Act and the Charter in such proportion as the total funds raised in connection with such event or other fundraising activity for the second election bears to the total such funds raised for both elections by such event or activity. Alternatively, the candidate may demonstrate to the Board that a different apportionment is applicable in accordance with §1-07(d).

(n) **Fundraising solicitations.** Each written solicitation of contributions by or on behalf of a candidate, whether in paper or electronic format, shall include the following statement, written in a conspicuous and clearly recognizable manner: "State law prohibits making a contribution in someone else's name, reimbursing someone for a contribution made in your name, being reimbursed for a contribution made in your name, or claiming to have made a contribution when a loan is made."

(o) **Expenditure limit compliance for transfers.** In the case of a transfer of funds from a committee not otherwise involved in the covered election, other than another principal committee of the same candidate, the participant must allocate to the transferred contributions any expenditures incurred by the transferor committee during the covered election cycle in connection with raising or administering transferred contributions, and any expenditures incurred by the transferor committee prior to the covered election cycle in connection with raising the transferred contributions. In such a case, the participant has the burden of demonstrating, for the purpose of compliance with the expenditure limits of the Act, what expenditures incurred by the transferor committee were not made in connection with raising or administering the transferred contributions. At the Board's request, the participant shall provide documentation related to any such expenditures, including copies of Federal forms or disclosure statements filed with the New York State or City Board of Elections on behalf of the transferor committee. Expenditures will be applied towards the expenditure limit in effect at the time of the transfer; provided, however, that in the case of transfers made prior to the covered election cycle, expenditures will be applied towards the expenditure limits of §3-706(2).

Subd. (j) added City Record May 19, 1994 eff. June 18, 1994.

Subd. (j) par (1) amended City Record Sept. 29, 1997 eff. 46 days after approval of City Council. [See Note 9]

Subd. (j) par (2) subpar (ii) amended City Record May 5, 2003 eff. June 4, 2003. [See T52 §1-02 Note 5]

Subd. (j) par (3) amended City Record Sept. 29, 1997 eff. 46 days after approval of City Council. [See Note 9]

Subd. (j) par (4) repealed City Record July 20, 1999 §16, eff. Aug. 19, 1999. [See T52 §1-02 Note 2]

Subd. (l) amended City Record May 5, 2003 eff. June 4, 2003. [See T52 §1-02 Note 5]

Subd. (l) amended City Record Nov. 19, 2002 eff. Dec. 19, 2002. [See Note 3]

Subd. (l) amended City Record July 20, 1999 §17, eff. Aug. 19, 1999. [See T52 §1-02 Note 2]

Subd. (l) added City Record Oct. 10, 1995 §17, eff. Nov. 9, 1995. [See Note 6]

Subd. (l) par (1) amended City Record Mar. 27, 2001 eff. Apr. 26, 2001. [See Note 2]

Subd. (l) par (2) subpar (i) amended City Record Mar. 27, 2001 eff. Apr. 26, 2001. [See Note 2] Note subpar (i) bracketed out of law in 2007 amendment.

Subd. (l) par (6) added City Record Aug. 20, 2004 eff. Sept. 19, 2004. [See Note 10] Note par (6) became par (5) in 2007 amendment.

Subd. (m) added City Record July 20, 1999 §18, eff. Aug. 19, 1999. [See T52 §1-04 Note 1]

Subd. (n) added City Record Nov. 19, 2002 eff. Dec. 19, 2002. [See Note 4]

NOTE

1. Statement of Basis and Purpose in City Record Feb. 29, 2000:

In-Kind Contributions

An amendment to the Charter adopted by the electorate on November 3, 1998 requires the Board to adopt rules to attribute expenditures that indirectly assist or benefit a candidate participating in the voluntary system of campaign finance reform, **i.e.,** soft money, as in-kind contributions to such candidate. Charter §1052(a)(11)(b). The following amendments address this issue:

· An additional factor for determining whether an expenditure is independent would be whether the participant (defined in the Rule 1-02 to include "the candidate and every political committee authorized by the candidate, the treasurer of each such committee, and any agent of the candidate") and the person making the expenditure have each retained, consulted or otherwise have been in communication with the same third party or parties, if the participant knew or should have known that the participant's communication or relationship to the third party or parties would inform or result in expenditures to benefit the participant. Rule 1-08(f)(1)(v).

· If a party committee or constituted committee of the party nominating the participant ("party") makes expenditures which the participant has promised to repay or has reimbursed without the timely disclosure of an outstanding liability to the party, the participant may be required to demonstrate that these expenditures are not in-kind contributions. If the candidate fails to make the required demonstration, these expenditures would be considered in-kind contributions for the period before the reimbursement. Rule 1-08(f)(4)(ii)(C).

2. Statement of Basis and Purpose in City Record Mar. 27, 2001: Expenditures **Required Documentation for Exempt Expenditures** (Rule 1-08(l)(1) and (2)(i)) The amendment clarifies the current requirements for demonstrating that an expenditure is exempt in accordance with §3-306(4) of the New York City Administrative Code. The rule eliminates the provision under the current exempt expenditure section directing that a participant may request an advisory opinion regarding whether an expenditure is exempt under the Act, because, pursuant to Board Rule 7-04, a participant may request an advisory opinion regarding any matter, including whether an expenditure is exempt.

3. Statement of Basis and Purpose in City Record Nov. 19, 2002: **Documentation and Reporting of Exempt Expenditures** (§1-08(l)) This amendment is intended to simplify candidate reporting and Board auditing of exempt expenditures. Prior to the amendment, in addition to maintaining the books and records required generally for all expenditures, candidates seeking to establish exempt expenditures had to do so either by maintaining substantiating records that demonstrated each individual exempt expenditure claim or by establishing a methodology to account for exempt expenditures. The amendment replaces the methodology provisions with an option to limit aggregate exempt expenditures to an amount not greater than 5% of the applicable expenditure limit. Candidates choosing the latter option will be required to maintain only the records generally required for all expenditures, as long as the expenditures claimed as exempt fall into acceptable categories. This 5% limit is based on Board staff's review of the aggregate average exempt expenditure claims made by those 2001 participants who made exempt expenditure claims, adjusting for participants who claimed more than 50% in exempt expenditures. It is not designed to enable all candidates with claims for exempt expenditures to choose the 5% option, but rather to enable the average candidate to do so. The rule is intended to maintain the requirement that those candidates who anticipate having a high percentage of exempt expenditures must substantiate that amount through detailed documentation. Participants choosing to limit their exempt claims to 5% of the applicable expenditure limit nonetheless will be required to restrict their exempt claims to those expenditures which are permitted as exempt under the Act. The Board will not accept exempt claims which appear from the nature of the underlying expenditures not to be permitted under the Act. For example, exempt claims for television advertisements, fundraising, food, or entertainment will not be permitted, but an exempt claim for overhead or computers may be permitted. Other questionable exempt claims, such as for print ads or campaign mailings, would not be permitted, unless the participant were able to establish a valid exempt purpose for the expense through documentation. Participants choosing to substantiate all exempt claims through detailed documentation will have to submit these records to the Board upon request. The records required will be the same records required of participants who did not choose the methodology option under the prior version of the rule. The Board staff will be providing more detailed guidance and examples of what kinds of expenditures may be counted under the 5% option. The Board will

also provide examples of documentation needed by those not choosing the 5% option to establish exempt expenditure claims. The Board intends to provide this guidance and these examples in the Campaign Finance Handbook. The Board anticipates that the rule will simplify candidate recordkeeping and reporting and Board auditing of exempt expenditures. This amendment also provides specific treatment for ballot petition litigation expenses. These expenditures can often equal more than 5% of a participant's expenditure limit and are difficult to predict. Thus, to treat ballot litigation expenses in the same manner as other exempt claims would effectively force participants to choose the documentation option described above. Participants who chose to limit exempt claims to 5% of their expenditure limit would run the risk of violating that limit solely through any ballot petition legal fees. Therefore, the amendment provides that exempt claims for ballot petition litigation expenditures must be established through documentation, but that participants may still choose either the 5% limit or the detailed documentation of exempt expenditures. Ballot petition litigation expenses would not count against the 5% documentation limit.

4. Statement of Basis and Purpose in City Record Nov. 19, 2002: **Accounting and Auditing** 1. **Contribution Cards** (§§1-08(n), 4-01(b)(3),(7), 1-09(c), 3-04, 5-01(d)(18)) Section 4-01(b)(3) requires participants to maintain contribution cards for cash and money order contributions. The Board has found this contribution card requirement very useful in its audit review for invalid or fraudulent matchable contribution claims. Indeed, during the 2001 elections, Board staff uncovered multiple instances of improper or even apparently fraudulent matchable contribution claims through review of the contribution cards submitted by participants with their matching claims. These amendments require the affirmation included in cash and money order contribution cards to include a statement that State law requires that contributions be in the name of the contributor and be from the contributor's own funds. They further require participants to include a similar statement in all written contribution solicitation materials, including electronic solicitations made over the Internet. The amendments arose out of conversations and experience working with local prosecutors. The Board believes that many contributors may not know that it is illegal to reimburse any individual for a contribution or to receive reimbursement for a contribution. The proposed amendments had provided that the signed affirmation include language referring to the New York State Penal Law, and had extended the contribution card requirement to include check and credit card contributions. However, the Board received comments that including such language could deter people from making contributions, and that extending the contribution card requirement to check and credit card contributions would be burdensome. The final text of these amendments is intended to strike a balance between the concerns of participants and the concerns of the Board regarding improper or fraudulent contributions. The new rules require contribution cards for cash and money order contributions to include a statement that "I understand that State law requires that a contribution be in my name and be from my own funds," and require candidates, in their materials soliciting contributions, to remind potential contributors of these requirements. This notification has now become routine, for example, in federal campaigns, even where no public funds are available to match private contributions. Similarly, federal law requires that candidates' materials soliciting contributions note that contributions are not tax-deductible under federal law. These rules will become effective for contributions received after January 11, 2003.

5. Statement of Basis and Purpose in City Record Jan. 15, 2003: **Use of Public Funds** (Rule1-08(g)) It has been longstanding Board policy to treat reimbursements of advances as non-qualified expenditures. Advances are purchases not made by the campaign committee, and not with campaign funds. The amendment to Rule 1-08(g) confirms the Board's current practice that reimbursements of advances are not qualified and thus that public funds may not be used for their reimbursement. The amendment is not intended to prevent participants from making advance reimbursements, but such reimbursements cannot be paid for with public funds. The amendment is also not intended to reach arms-length sub-contracted services. **Expenditure Limits** (Rule 1-08(j)) Current Rule 1-08(j) provides an expenditure limit applicable to candidates for the office of City Council member of $24,000 for the 24-month period constituted by the third and fourth years prior to the year of an election. When this limit was adopted by the Board in 1997, the Board stated that it was "providing for expenditure limits for expenditures made in the first two calendar years of the four year election cycle for election to the office of City Council." The Board did not intend to apply such a large expenditure limit in two-year election cycles, when participants also have expenditure limits for the prior election, and it is not in keeping with the intent of the expenditure limits provisions of the Campaign Finance Act. Accordingly, the amendments

subject all expenditures made by candidates for the office of City Council member during the 24-month period prior to the year before the election year in a two-year election cycle to an expenditure limit of $3,000, except to the extent that, pursuant to Rule 1-08(c), any such expenditures are presumed to be made in furtherance of another election. Thus, for example, expenditures made prior to January 12, 2004 by participants who were also candidates in the 2003 elections will be presumed to be made in furtherance of the 2003 election.

6. Statement of Basis and Purpose in City Record Oct. 10, 1995: **Expenditure Limits** (R. 1-08(c), (l); 3-02(f)(1)) The rules make clear that participating candidates have the burden of showing that committees making expenditures in the current election cycle are not involved in the covered election. Failure to carry this burden will result in the committee being subject to all Program requirements. In addition, the three pre- and one post-primary disclosure statements, and daily disclosures in the week before the primary election, are no longer required on behalf of any candidate not in a primary election, unless the candidate seeks to attribute expenditures to a primary election spending limit. The rules also codify that a participant may claim a primary election expenditure limit for expenditures incurred in reasonable anticipation of a parimary in another party, following Advisory Opinion No. 1993-3 (June 9, 1993), and that a special election spending limit begins when the special election is first reasonably anticipated, following Advisory Opinions Nos. 1992-3 (December 16, 1992) and 1994-1 (February 23, 1994). The rules also establish a new procedure for monitoring expenditure limit compliance. Participating candidates may demonstrate that their expenditure exemption claims, including those claimed to be for compliance costs, and supporting documentation, conform with a methodology that may be prescribed by the Board (under development). Alternatively, they may request advisory opinions on whether particular spending is exempt and what documentation is sufficient to substantiate the particular exemption claim. Under the new rules, when a participating candidate's total spending exceeds the amount of the spending limit, or when otherwise requested by the Board, the candidate's disclosure statements must also include documentation substantiating sufficient exempt expenditure claims to demonstrate compliance with the expenditure limit. Failure to make a sufficient exempt expenditures submission would give rise to a presumption that the candidate has violated the spending limit.

7. Statement of Basis and Purpose in City Record Oct. 10, 1995: **Voluntary Services** (R. 1-08(k)) The rules make clear that, after receiving public funds, participating candidates may not compensate volunteers for previous campaign services. The candidate is not, however, restricted from hiring or retaining former volunteers and paying them for future services.

8. Statement of Basis and Purpose in City Record Oct. 18, 1996: Expenditures **Expenditures Exempt from Limits** (R. 1-08(d)(1), (e)) The rules repeal the exempt expenditure section in its entirety, because the exemptions are already enumerated in the Act. **See** Admin. Code §3-706(4) (compliance costs and petition litigation); Admin. Code §3-702(8) (independent expenditures); Admin. Code §3-712 (expenditures for non-covered elections). The repeal of R. 1-08(e) does not override certain previous advisory opinions interpreting the Act's exemptions, specifically Advisory Opinion No. 1991-3 (June 11, 1991) (circulating petitions). Advisory Opinion No. 1991-7 (October 9, 1991) (challenging election results), and Advisory Opinion No. 1996-1 (April 4, 1996) (compliance costs). Because the exemptions for expenditures under Administrative Code §§3-706(4) and 3-712 are limited, the new rules reflect the Board's conclusion that its prior statutory interpretation finding exemptions for constituent services (R. 1-08(e)(5)) and ballot proposal advocacy (Advisory Opinion No. 1989-53) (October 26, 1989) is not warranted under current law. The effect of the rules is to eliminate such exemptions prospectively. The exemptions for transition, inaugural, and wind-up costs are subsumed within an amendment to R. 1-08(d)(1) that states that spending for post-election goods and services are post-election expenditures and not subject to the expenditure limits. **Expenditures by Political Parties and Candidates Running as a Ticket** (R. 1-08(f)(4), (5)) The rules create a framework for evaluating political party spending on behalf of candidates who are participating in the Campaign Finance Program. The rules modify the conclusions reached by the Board in Advisory Opinion No. 1991-5 (August 8, 1991) and are based on recommendations made by the Board in a January 1995 report to the Mayor and City Council, **Party Favors** and public comments the Board received on that report. The Board also reviewed a recent U.S. Supreme Court decision, **Colorado Republican Federal Campaign Committee v. Federal Election Commission,** No. 95-489, 1996 WL 345766 (U.S. June 26, 1996)

that addressed political party spending in the context of federal campaign finance law. These rules are grounded in the following considerations: (1) the First Amendment safeguards the speech and association rights of political parties; (2) the Campaign Finance Board is not authorized to regulate the content or objectives of political party spending; and (3) the stake that parties and their nominees share in a general election campaign makes it extremely unlikely that either the party or its nominees would readily accept or adhere to a standard that forbids communication between them or the sharing of common agents. Under New York State Election Law, a political party committee may give an unlimited amount to a candidate. Election Law §14-114(9)(2), (10). Party spending on behalf of a candidate is not subject to the per candidate limits applicable to other contributors. Election Law §14-114(3). Moreover, contributors may now give $69,900 per year to each political party committee. **See** Election Law §14-114(10). In light of these considerations, the rules implement the Campaign Finance Act's limits on the amount of financial support participating candidates have agreed to accept from politcal party committees. Administrative Code §§3-702(8); 3-703(1)(f). "Generic" and other party expenditures that are enumerated in the rules are not considered in-kind contributions to a participant nominated by the party, and thus are not subject to the contribution and spending limits to which the participant has agreed, unless it is shown that the participant cooperated in the expenditure and that the expenditure was intended to benefit the participant. A participant continues to have the burden of showing that candidate-specific spending by the party after the participant or his or her opponent has been nominated is not an in-kind contribution. The rules also codify Campaign Finance Board Advisory Opinion No. 1993-10 (September 23, 1993), which concluded that certain joint activities by two candidates running as a "ticket" give rise to a presumption that the first candidate's expenditure is not independent of, and thus is an in-kind contribution to, the second candidate. **Spending Public Funds** (R. 1-08(g)(3)) The rules add a presumption that bills first reported after the first post-election disclosure statement are not qualified campaign expenditures. This rules is intended to provide more complete contemporaneous information for the Board's audit and for public disclosure in a timely manner.

9. Statement of Basis and Purpose in City Record Sept. 29, 1997: Expenditure Limits **Expenditure Limits for Election to the Office of City Council** (R. 1-08(j)(1)) Currently candidates who join the New York City Campaign Finance Program and run for the offices of Mayor, Public Advocate, Comptroller and Borough President have the following expenditure limits for the first two calendar years of the four year election cycle: Mayor, Public Advocate, Comptroller: $90,000; Borough President: $60,000. The rule provides an expenditure limit as well for the first two calendar years for participating candidates seeking election to the office of City Council. Specifically, the rule would limit the expenditures for City Council candidates to $24,000 for the years 1998 and 1999 (the first two calendar years of the cycle for the elections to be held in 2001). Subject to mandatory cost of living adjustments calculated beginning in March (N.Y.C. Administrative Code §3-706(1)(e)), the total pre-primary spending limit for city council candidates would be $188,000, and the general election limit would be $124,000. These rules were published for public comment in **The City Record,** August 1, 1997. A public hearing regarding these rules was held on September 10, 1997. A record of this hearing is available upon request. The Board adopted these final rules at a public meeting on September 18, 1997. Pursuant to Administrative Code §3-706(5), the City Council may, within 45 days after its first stated meeting following the receipt of a copy of the adopted rules, approve or disapprove the rules by the adoption of an appropriate resolution. If the Council does not approve or disapprove the adopted rules within this 45 day peeriod, the rules will be deemed to be approved and effective on the forty-sixth day after such stated meeting.

10. Statement of Basis and Purpose in City Record Aug. 20, 2004: Advances 1. **Reimbursement of an Advance is Not an Exempt Expenditure** (Rule 1-08(l)) When a person, including the participating candidate, makes purchases on behalf of the Committee with the expectation of being reimbursed by the Committee, he or she makes an advance to the Committee. Notably, one making an advance is seeking only reimbursement of the purchase price, not any profit or additional payment in excess of the amount advanced. **Cf.** Rule 3-03(c)(3). Currently, reimbursement of advances may be considered exempt from the expenditure limits if the goods or services purchases through the underlying advance have an exempt purpose. Administrative Code §3-706(4), Rule 1-08(l). The Board has encountered obstacles in assessing whether such underlying advances have exempt purposes. The funds used to make an advance do not pass through the bank account of the participant's principal committee, thus interrupting the audit trail between a participant and the vendor from whom the goods or services are actually purchases. This interruption makes it difficult for the

Board to confirm that an expenditure claimed as the reimbursement of an exempt advance actually was used to reimburse such advance, or that the advance itself properly had an exempt purpose, or even that the advance had a proper campaign purpose. The concerns associated with these difficulties are magnified because with advances-as opposed to other forms of expenditures which do not pass directly through a principal committee bank account, such as subcontracted goods or services-the relationship between the candidate and the advancer generally is not arm's length or contractual. These concerns do not apply to a loan and loan repayment, for example, because the funds used for the loan and loan repayment pass through the bank account of the participant's principal committee, and there is no interruption in the audit trail. Advances and their reimbursement provide too great an opportunity for the failure of good recordkeeping, the inability to track the flow of campaign funds, and fraud and misuse of public funds. Public confidence in the Program rests heavily on a full and verifiable accounting of campaign activities from each candidate. Accordingly, the rule provides that the reimbursement of an advance is not an exempt expediture, regardless of the purpose of the underlying advance. Notably, it is the form of the expenditure that underlies the proposed rule, and not the substance of the expense. The rule does not alter the list of currently permitted exempt purposes.

11. Statement of Basis and Purpose in City Record Feb. 11, 2005: Expenditures of Public Funds in Connection With Ballot Proposals (Rule 1-08(g)(2)) These amendments confirm that public funds may not be used to pay expenditures made in connection with ballot proposals unless such expenditures are in the context of and incidental to promoting the candidate's candidacy. **See** Advisory Opinion No. 2003-2 (July 14, 2003). Participating candidates should not be able to subsidize ballot proposal expenditures with public funds, and ballot proposal expenses are not qualified campaign expenditures. The new rule will ensure that public funds, which are distributed for a specific public purpose and public benefit, are not spent for purposes other than those defined in the law.

12. Statement of Basis and Purpose in City Record Feb. 11, 2005: Exempt Expenditures (Rule 1-08(l)) Participants are permitted to establish exempt expenditures either by limiting their aggregate exempt expenditure claims to an amount not greater than 7.5% of the applicable expenditure limit, or by maintaining records that demonstrate that each individual exempt expenditure claim is valid under the Act and the Rules. The amendment requires participants to elect one of these two methods for substantiating exempt expenditure claims by January 15 of the year following the election. Participants are required to file a semi-annual disclosure statement on Janury 15 in the year following the election, pursuant to Rule 3-02(b) (the "January 15 deadline"). The Board will determine which method a participant has chosen for substantiating exempt expenditure claims, based on the amount of the participant's aggregate exempt expenditure claims as of the January 15 deadline, up to and including any exempt expenditure claims made in the semi-annual disclosure statement filed on that date. (In the event of a special election, the Board would make this determination as of the deadline for filing the last required disclosure statement, pursuant to Rule 3-02(b)(2)). Participants whose aggregate exempt expenditures exceed 7.5% of the applicable expenditure limit as of the January 15 deadline will no longer be permitted to amend their disclosure statements and subsequently withdraw exempt expenditure claims in order to qualify for the 7.5% safe harbor. The amendment will prevent participants from withdrawing exempt expenditure claims in order to qualify for the safe harbor, after learning that they have failed to substantiate their exempt expenditure claims through detailed documentation. The Board anticipates that the amendment will simplify Board auditing of exempt expenditures and reduce the potential for the submission of false or erroneous exempt expenditure claims. Further, participants whose aggregate exempt expenditures are less than 7.5% of the spending limit as of the January 15 deadline, and who subsequently amend their disclosure statements to report additional exempt expenditure claims, are required to provide contemporaneous, detailed documentation for all their exempt expenditures, if their aggregate exempt expenditures exceed 7.5% of the applicable spending limit. The amendment clarifies that participants who qualify for the 7.5% safe harbor provision as of January 15, and then amend their disclosure statements to report new exempt expenditure claims, will have to demonstrate that all exempt expenditures are exempt by providing contemporaneous, detailed documentation, pursuant to Rule 1-08(l)(1)(ii). The amendment will also reinforce the requirement that the underlying documentation for demonstrating exempt expenditures must be made and maintained contemporaneously with the exempt expenditures made or incurred. Participants are currently required to create and maintain contemporaneous records for all transactions under Rule 4-01. The amendment will re-emphasize that this requirement applies to documenting exempt expenditure claims as well as other kinds of record-keeping. The Board

anticipates that this contemporaneousness requirement will reduce the potential for fraud, and participants would still be required to comply with the other recordkeeping requirements of the Act and the Rules.

13. Statement of Basis and Purpose in City Record June 18, 2009: Explanation, Basis, and Purpose The Campaign Finance Board Rules are codified in Chapter 52 of the Rules Compilation of the City of New York. The subject matter of this rulemaking was described in the Board's regulatory agenda for fiscal year 2009, published in **The City Record** on April 14, 2008. The amendments effect the following specific changes and will take effect thirty days after final publication in **The City Record:** Application of expenditure limits for expenditures related to transfers (Rules 1-08(o)) The amendments clarify that in the case of transfers from a committee that was not another principal committee, participants must allocate to transferred contributions not only expenditures incurred by the transferor committee during the covered election cycle in connection with raising or administering transferred contributions, but also any expenditures incurred by the transferor committee prior to the covered election in connection with raising the transferred contributions. The amendments also clarify that such expenditures will be applied towards the expenditure limit in effect at the time of the transfer. Reporting of expenditures related to transfers (Rule 3-03(c)) The amendments clarify that, in the case of a transfer from a committee that was not another principal committee, the participant must report not only all expenditures made by the transferor committee during the election cycle of the covered election, but also all expenditures made by the transferor committee prior to the election cycle of the covered election in connection with raising such contributions. The amendments also clarify that expenditures incurred during the election cycle of the covered election not made in connection with raising or administering the transferred contributions need not be disclosed in disclosure statements but rather may be disclosed to the Board by providing copies of disclosure statements filed by the transferor committee with the City or State Boards of Elections or the Federal Elections Commission. Training (Rule 2-12) The amendments clarify that campaigns are required to attend pre-election training covering Program requirements and the use of Program software in accordance with a schedule of trainings to be issued by the Board. The amendments also provide the deadlines by which campaigns must complete post-election audit training in order to receive their final audit reports within the shorter time frames provided pursuant to §3-710(1) of the Code. Written petitions for review of public funds determinations (Rule 5-02(a)) The amendments clarify that a petition for review of a post-election public funds determination must be submitted within 30 days of the issuance of the final audit report.

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 1-09

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 1 GENERAL PROVISIONS

§1-09 Documents Submitted to the Board.

(a) **Date received.**

(1) **Generally.** Documents submitted to the Board, whether in an electronic manner or otherwise, will be deemed to have been submitted upon receipt by the Board. The Board receives hand-delivered documents at its offices, weekdays between 9 a.m. and 5 p.m., unless otherwise provided by the Board.

(2) **Postmark date.** Except as otherwise provided in paragraph (3) for disclosure statements, a document submitted by non-electronic mail will be deemed to have been received by the Board on the date the document is postmarked. Documents delivered by non-electronic common carriers other than the United States Post Office will be deemed to have been received by the Board on the date the common carrier received the document. Candidates have the burden of demonstrating the date the common carrier received such document, including by means of the common carrier's time stamp or payment receipt.

(3) **Disclosure statements.** (i) Candidates who submit disclosure statements through non-electronic mail with the United States Post Office or by other non-electronic common carrier shall obtain a receipt or date stamp confirming the date on which the carrier received the disclosure statement. Such disclosure statements that are delivered by the Post Office or common carrier to the Board without a postmark or similar mark will be presumed to have been mailed three days earlier unless evidence presented to the Board, such as a post office receipt, establishes otherwise.

(ii) A complete disclosure statement, submitted in an electronic manner or otherwise, actually received by the Board no later than close of business on the due date for that disclosure statement applicable under §3-02 will be

considered to be submitted in a timely manner and to permit the Board to make a payment determination based on matchable contributions claimed therein when the Board next makes payment determinations. In order to make possible payment within four business days after receipt of disclosure statements, or as soon thereafter as is practicable, pursuant to §3-705(4) of the Code, the Board may not review disclosure statements for possible payment if they are not actually received by the Board by the specified due date, although the Board may review such disclosure statements when making payment determinations at a later date.

(iii) A complete disclosure statement, not actually received by the Board by the due date applicable under §3-02, that is delivered by non-electronic mail with a postmark date that is on or before the due date, or received by another non-electronic common carrier on or before the due date, nonetheless will be considered to be submitted in a timely manner. This submission, however, may not be sufficiently timely to permit the Board to make a payment determination when the Board next makes payment determinations so the Board shall make a determination on such a disclosure statement at such time as it is practicable and the Board is considering making payments based on matchable contributions claimed in disclosure statements actually received on or before a subsequent applicable due date.

(iv) A candidate who fails to deliver a complete disclosure statement in a timely manner is in violation of the Act and subject to penalty under §§3-710.5 and 3-711(1) of the Code.

(4) **Documents submitted electronically.** Candidates and others submitting documents to the Board electronically shall submit such documents in such electronic manner as shall be provided by the Board.

(b) **Legibility; Readability.** The Board will not accept any electronic disclosure statement or other document, or any part thereof, that is infected with a virus, damaged, blank, improperly formatted, or otherwise unreadable by the Board, or if the disclosure statement or other document, or any part thereof, is in a non-electronic format, is illegible.

(c) **Documentation.** Disclosure statements will not be deemed complete unless submitted with the records required by §§3-04(a) and 4-01(b)(2), (3), and (6) for each matchable contribution claimed in the disclosure statement.

(d) Date issued or provided. Documents sent by mail, including any report or notice, shall be considered issued or provided by the Board on the date the document is postmarked. Documents sent by a common carrier shall be considered issued or provided by the Board on the date that the documents were received by the common carrier. Documents sent by electronic mail to an e-mail address provided to the Board shall be considered issued or provided upon transmission, unless the Board is informed that the transmission did not reach the intended recipient.

Subd. (c) added City Record Aug. 7, 2002 Part D Subpart 2, eff. Sept. 6, 2002. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Aug. 7, 2002:

1. **Timely Submission of Disclosure Statements; Electronic Document Submission** (§1-09(a), (b), 1-02)

The amendments: (1) confirm that the Board will not make payments within four business days, pursuant to §3-705(4) of the Code, based on submissions that are not filed in a timely manner; and (2) create a presumption that disclosure statements not submitted to the Board in an electronic manner and received by the Board from the U.S. Postal Service without postmarks were mailed three days prior to receipt by the Board. In addition, the amendment to §1-09(a) requires participants to obtain documentary proof of the date on which the statement was mailed. The amendments also provide for submission of documents to the Board in an electronic manner.

2. **Required Back-up Documentation for Disclosure Statements** (§1-09(c))

The amendment confirms that disclosure statements are not considered complete unless submitted along with all required back-up documentation. This amendment serves a number of important goals: it is needed as part of a verification process to ensure that documentation submitted is proper; it promotes fairness to all participants by ensuring that all of them must submit complete back-up documentation and on the same schedule; the submission of timely back-up documentation facilitates the Board's review process; and timely review by Board staff benefits participants by enabling them to receive prompt payment.

2. Statement of Basis and Purpose in City Record Oct. 18, 1996: **Documents Submitted to the Board** (R. 1-09(a)(2) and (3)(ii)) The rules provide that the equivalent of postmark date for documents delivered by common carriers other than the United States Post Office is the date the document is deemed to be received by the Board.

3. Statement of Basis and Purpose in City Record July 31, 2009: Explanation, Basis, and Purpose The Campaign Finance Board Rules are codified in Chapter 52 of the Rules Compilation of the City of New York. The subject matter of this rulemaking was described in the Board's regulatory agenda for fiscal year 2010, published in **The City Record** on April 8, 2009. The amendments effect the following specific changes and will take effect thirty days after final publication in **The City Record**: Documents Submitted to and Issued by the Board (§1-09) The Campaign Finance

Board Rules do not currently provide a standard for determining the date on which a communication from the Board to a candidate is considered to have been sent. The amendments to §1-09 provide that a communication from the Board is considered to be "issued or provided by the Board" on the date that it was postmarked, received by a common carrier, or transmitted by email. Public Access to Information (§6-01) The amendments to §6-01 conform the Rules to recent amendments to the New York State Freedom of Information Law ("FOIL") (Public Officers Law §§ 84 **et seq.**). Board Determinations (§7-02) Local Laws Nos. 34 and 67 of 2007 provided that for elections after January 1, 2008, candidates have the option to have penalty matters and repayment obligations considered by adjudication under the City Administrative Procedure Act ("CAPA"). As a result, candidates may either appear before the Board for a hearing that is similar to the Board's prior practice or may appear before an administrative law judge for a formal hearing at the Office of Administrative Trials and Hearings ("OATH") or elsewhere. The Board has separately asked OATH to adopt proposed rules of procedure specific to hearings at OATH that involve the Board ("OATH Rules"). The Board amends §7-02(c) and (f) to conform them to the OATH Rules. Amendments to §7-02(c) allow the Board to issue documents to a campaign in writing by any medium, and make minor clarifying changes in the rule. Amendments to §7-02(f): permit the Board to send notices to campaigns by first-class mail or e-mail; set forth what materials may be included in a candidate's response to the Board's notice of proposed penalties and public funds repayments; permit Board staff and the campaign to submit written comments to the Board regarding the administrative law judge's report and recommendation before the Board makes its final determination; and provide that the Board issue its written determination within 30 days of the conclusion of the written comments period. These amendments closely reflect the proposed rules of procedure specific to hearings at OATH that involve the Board and will allow the Board to effectuate the OATH Rules so as to comply with CAPA.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 1 GENERAL PROVISIONS

§1-10 Severability.

If any rule or portion thereof is adjudged invalid by a court of competent jurisdiction, such determination shall not affect or impair the validity of the other provisions of these Rules. If the application of any rule or portion thereof to any person or circumstances is adjudged invalid by a court of competent jurisdiction, such determination shall not affect or impair the application thereof to other persons and circumstances.

52 RCNY 1-11

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 1 GENERAL PROVISIONS

§1-11 Filer Registration.

Not later than the day that a candidate files the first disclosure statement for an election, the candidate shall submit a filer registration form. The filer registration form shall include:

(a) the candidate's name, address information and telephone numbers, e-mail address, and employment information;

(b) the name and mailing address, and treasurer name, treasurer address information and telephone numbers, treasurer e-mail address, and treasurer employment information, of every political committee authorized by the candidate that has not been terminated, and, in the case of a participant or limited participant, an indication of which such committee is the principal committee;

(c) the name, mailing address, e-mail address, and telephone number of any person designated by the candidate to act as liaison with the Board for each committee filing disclosure statements;

(d) identification of all bank accounts and other depository accounts, including merchant accounts, into which receipts have been, or will be, deposited, and all bank accounts used for the purpose of repaying debt from a previous election; and

(e) other information as required by the Board.

The candidate shall notify the Board of any material change, including any new, or any change to any required

information concerning any political committee, bank account, unique merchant account, candidate or treasurer employment, address, telephone number, or e-mail address, in the filer registration form in such manner as may be provided by the Board. The candidate shall notify the Board of any such changes no later than the next deadline for filing a disclosure statement, or, in the case of changes that occur after the deadline for the last disclosure statement required to be filed, no later than 30 days after the date of the change; provided, however, that if the candidate has extinguished all outstanding liabilities resulting from the election to which the filer registration relates, including payment of any penalties and/or repayment of public funds owed to the Board, the candidate need not notify the Board of any material change to the filer registration information after the date the candidate's final audit report is issued, except as provided in §4-03(b).

(f) **Applicable requirements.** Because the requirements of the Act and these Rules apply to financial transactions that take place before a participant or limited participant joins the Program, the Board advises candidates to comply with all applicable requirements set forth in the Act and these Rules, in anticipation of joining the program.

(g) **Construction.** The submission of a filer registration form, or an amendment thereto, shall not be construed as a statement of intent to become a candidate, to run for any particular office, or to join the Program.

52 RCNY 2-01

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 2 CANDIDATE REQUIREMENTS*1

§2-01 Certification.

(a) **Contents.** The candidate shall specify in the certification whether he or she is joining the Program as a participant pursuant to §3-703 of the Code or as a limited participant pursuant to §3-718 of the Code. The certification shall include all filer registration information required by Rule 1-11 and such other information as required by the Board, including all information necessary to receive payment by electronic funds transfer. In the certification, the participant or limited participant shall designate a principal committee. A candidate filing the certification as a limited participant shall affirm that he or she has a sufficient amount of personal funds to fund his or her own campaign. A candidate's personal funds or property shall include his or her funds or property jointly held with his or her spouse, domestic partner, or unemancipated children.

(b) **Legal effect.** The participant shall comply fully with Program requirements in all elections for which the certification is submitted, regardless of the office sought and regardless whether the participant: (1) meets all the requirements of law to have his or her name on the ballot in the election; or (2) meets the Act's threshold for eligibility for public funds; or (3) accepts public funds; or (4) is otherwise not eligible to receive public funds in the election. The limited participant shall comply fully with the Program requirements in all elections for which the certification is submitted, regardless of the office sought and regardless whether the limited participant meets all the requirements of law to have his or her name on the ballot in the election. A candidate who does not file a timely certification or who rescinds his or her certification in a timely manner shall be deemed to be a non-participant pursuant to §3-719 of the Code. The certification applies to all elections for an office covered by the Act that are held in the same calendar year or to a special election to fill a vacancy in an office covered by the Act.

(c) **Signatures.** The certification shall contain any signatures and notarizations as may be required by the Board;

provided, however, that to the extent the Board permits a candidate to submit a certification in a non-electronic format, such certification will only be accepted by the Board if it contains an original notarized signature from both the candidate and the principal committee treasurer.

(d) **Amendments.** The participant or limited participant shall notify the Board of any material change in the information submitted pursuant to this rule, including, but not limited to any new, or any change to any required information concerning any political committee, bank account, unique merchant account, candidate or treasurer employment, address, telephone number, or e-mail address, included in the filer registration information required by §1-11, in such manner as may be provided by the Board and no later than the next deadline for filing a disclosure statement or, in the case of changes that occur after the deadline for the last disclosure statement required to be filed, no later than 30 days after the date of the change, provided, however, that if the participant or limited participant has extinguished all outstanding liabilities resulting from the election to which the certification relates, including payment of any penalties and/or repayment of public funds owed to the Board, the candidate need not notify the Board of any material change to the information required by §1-11 after issuance of the candidate's final audit report, except as provided in §4-03(b). If, based upon a reasonable belief that there has been a material change in the information submitted, the Board requests an amendment, the participant or limited participant shall submit promptly any amendment necessary in such manner as may be provided by the Board. Notification of any change to the candidate's or treasurer's information included in the certification must be made to the Board for six (6) years after the date of the last election to which the certification relates.

(e) **Petition for extraordinary circumstances.**

(1) Pursuant to §3-703(1)(c) of the Code, a certification may be accepted no later than the seventh day after the occurrence of an extraordinary circumstance in an election, if: (i) prior to, or together with, the certification, a written petition is submitted to the Board, sworn to or affirmed by a candidate in such election seeking to join the Program as a participant or limited participant, which sets forth the facts alleged to present an extraordinary circumstance; and (ii) following review of the petition, the Board declares that an extraordinary circumstance has occurred in the election which permits or permitted the acceptance of additional certifications, as provided in §3-703(1)(c). The Board shall provide written notice to each participant and limited participant in an election of its declaration of an extraordinary circumstance in the election, which shall include the names of any additional candidates who have filed certifications in a timely manner in light of the extraordinary circumstance.

(2) Nothing in this rule shall be construed to: (i) require the Board to make a declaration of an extraordinary circumstance within seven days of its occurrence; or (ii) extend the deadline for joining the Program, in the event the Board does not declare that an extraordinary circumstance has occurred until more than seven days after its occurrence; or (iii) prohibit the acceptance of a certification filed by a candidate in an election within seven days after the occurrence of an extraordinary circumstance in that election, if the candidate did not file a petition under subparagraph (1)(i), provided that another candidate in such election has filed such a petition and the Board makes the declaration under subparagraph (1)(ii).

(3) An "extraordinary circumstance" includes: (i) the death of a candidate in an election, (ii) the resignation or removal of the person holding the office sought, and (iii) the submission to the Board of a written declaration, sworn to or affirmed by the holder of the office sought, terminating his or her campaign for reelection (which may be submitted together with a petition under subparagraph (1)(i)).

(f) **Rescission.** A participant or limited participant may rescind his or her certification prior to the certification deadline by filing a certification rescission form.

NOTE

1. Statement of Basis and Purpose in City Record July 20, 1999:

Joining the Program

The deadlines for joining the program have been changed. Local Law No. 48 of 1998, amending Administrative Code §3-703(1)(c). To implement the later deadline of June 1 in the election year, amendments will:

· delete the former deadlines. Rule 2-01.

· consolidate the separate certification and campaign information form into a single submission. Rule 2-01, as renumbered.

· create a procedure for candidates to join the Program after June 1, if permitted by the Board after the filing of both a certification and a written petition within seven days after an alleged extraordinary circumstance. Rule 2-01(e).

2. Statement of Basis and Purpose in City Record Oct. 10, 1995: **Joining the Program** (R. 2-01 to 2-05; 3-03(c)(7); 4-01(j), (l); 5-01(b)(1) The rules eliminate the campaign information form, fundraising agent schedule, and campaign office schedule. Committee and bank account information must be submitted (except in special elections) not later than 30 days after the candidate joins the Program as a supplement to the certification. Fundraising agent and campaign office information must be kept as records. Fundraising agents must be reported in disclosure statements. A list of campaign offices must be submitted to the Board when requested. Rule 2-05 ("Authorized Committees") is repealed because it is redundant with the Act.

52 RCNY 2-02

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 2 CANDIDATE REQUIREMENTS*1

§2-02 Breach of Certification.

The Board considers each of the following activities to be a fundamental breach of the obligations affirmed and accepted by the participant or limited participant in the certification:

(a) submission of a disclosure statement which the participant knew or should have known includes substantial fraudulent matchable contribution claims;

(b) use of public funds to make or reimburse substantial campaign expenditures which the participant knew or should have known were fraudulent;

(c) cooperation in alleged independent expenditures, whereby material or activity that directly or indirectly assists or benefits a participant's or limited participant's nomination or election, which is purported to be paid by independent expenditures, was in fact authorized, requested, suggested, fostered, or cooperated in by the participant or limited participant; and

(d) use of a political committee or other entity over which a participant or limited participant exercises authority to conceal from the Board expenditures that directly or indirectly assist or benefit the participant's or limited participant's nomination or election.

In the event of a fundamental breach, the participant will be deemed by the Board to be ineligible for public funds and to have forfeited all public funds previously received for the elections covered by the certification, and the participant or limited participant will be subject to such civil and criminal sanctions as are applicable under §3-711 of

the Code and other applicable law. This rule is not intended to be an enumeration of all circumstances that may constitute a fundamental breach of obligations, as may be determined by the Board.

HISTORICAL NOTE

Section amended City Record Feb. 11, 2005 eff. Mar. 13, 2005. [See T52 §1-01 Note 1]

DERIVATION

Section amended City Record Aug. 7, 2002 Part C, eff. Sept. 6, 2002. [See Note 2]

Section added City Record Feb. 29, 2000 §8, eff. Mar. 30, 2000. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Feb. 29, 2000:

Fundamental Breach of Certification

A new Rule 2-02 sets forth those breaches of a participant's certification the Board considers fundamental, such that participant will be deemed to be ineligible for public funds and to have forfeited all public funds previously received. A fundamental breach would include, but not be limited to:

· the submission of fraudulent matchable contribution claims,

· the use of public funds for fraudulent campaign expenditures,

· alleged independent expenditures that were in fact cooperated in by the participant, and

· the use of a political committee or other entity over which the participant exercises control to conceal from the Board expenditures that benefit the participant's nomination or election.

Pursuant to NYC Admin. Code §3-703(1), to be eligible for public funds, a participant must comply with all the requirements of the Campaign Finance Act. The certification is, in effect, a contractual memorialization of this obligation. While breaching that contract could result in a finding that a participant is ineligible for public funds (including the forfeiture of all public funds previously paid for the election), the new rule reflects the Board's sense that such a severe consequence should be applied only for the most egregious violations. The Rule is intended to deter severe abuses of Program obligations.

2. Statement of Basis and Purpose in City Record Aug. 7, 2002: **Candidate Participation** 1. **Breach of Certification** (§2-02) The amendments to the first two subsections of §2-02 clarify that a participant has committed a breach of certification if he or she has made substantial fraudulent matchable contribution claims or used public funds for substantial fraudulent campaign expenditures. 2. **Write-In Candidates' Participation in Campaign Finance Program** (§2-08) Write-in candidates are not required to file designating or nominating petitions with the New York City Board of Elections, so they are more difficult to monitor than candidates seeking nomination or election through a position on an election ballot. Section 2-08 requires candidates participating in the Program to notify the Board if they are running a write-in candidacy. The rule also confirms that write-in candidates must file all disclosure statements for the election, and that they are ineligible to receive public funds or to be included in the voter guide for that election. 3. **Terminating a Candidacy** (§§2-09, 3-02(f)(8)) The amendment to §2-09 clarifies the circumstances under which a participant whose campaign has ended may discontinue filing disclosure statements with the Board. In a significant change from the current practice, a participant who has not received public funds may discontinue filing disclosure statements with the Board after filing a verified statement that he or she has ceased all campaign activity, even if the participant continues to be on the ballot for that election.

52 RCNY 2-06

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 2 CANDIDATE REQUIREMENTS*1

§2-06 Bank Accounts.

(a) **Deposit of receipts.** All contributions, loans, and other receipts shall be deposited into the account(s) listed on the candidate's filer registration and/or certification and in disclosure statements filed with the Board. Candidates opening accounts shall maintain at least one account with check writing privileges.

(b) **Separate accounts for different elections.** Receipts accepted for one election shall not be commingled in any account with receipts accepted for any other election, except that receipts for a primary and general election for the same office in the same calendar year may be deposited in the same account. Notwithstanding the foregoing, a candidate seeking election both to an office subject to the Act and to a federal office may maintain a separate allocation account for shared expenses in accordance with Advisory Opinion No. 1996-2 (July 18, 1996).

(c) **Runoff primary and runoff special elections.** A candidate may accept contributions for an anticipated runoff primary or anticipated runoff special election pursuant to §1-04(q).

(1)(i) If a candidate accepts receipts for a runoff election, they shall be deposited into an account from which no disbursements, withdrawals, or transfers are made prior to the day of the preceding primary or special election, as the case may be, except that such contributions may be returned to contributors until the candidate first receives public funds for the runoff election.

(ii) Receipts accepted for a runoff primary shall not be (i) commingled in any account with any receipts accepted for any other election; or (ii) used for a primary or general election held in the year that the runoff primary is held or anticipated.

(iii) Receipts accepted for a runoff special election shall not be commingled in any account with any receipts accepted for any other election or used for any other election until the runoff special election is actually held; provided, however, that funds may be transferred from a special election account to a runoff special election account after the special election so that the funds transferred may be spent in the runoff special election. Receipts accepted for an anticipated runoff special election that is not held may not be spent or otherwise transferred until the earlier of (A) the first January 12 after the date of the special election for which the runoff special election was anticipated or (B) the date upon which all the candidate's liabilities from the special election have been ex- tinguished.

(2) Notwithstanding any provision of subdivision (b) or paragraph (c)(1) to the contrary, funds may be exchanged between an account maintained for a primary and/or the general election and an account maintained for a runoff primary for the following reasons only:

(i) transfers from a primary and/or general election account to a runoff primary account made after the primary election so that the funds transferred may be spent in the runoff primary; and

(ii) transfers from a runoff primary account to a primary and/or general election account made after the runoff primary is held so that the funds transferred may be spent in the general election.

(d) **Special elections.** Receipts accepted for a special election shall not be commingled in any account with any receipts accepted for any other election, except that receipts accepted for a special election may be deposited into an account established for a runoff special election pursuant to §1-04(q) in accordance with paragraph (c) above.

(e) **Personal and business funds.** The personal or business funds of a candidate, his or her agent, or any other person or entity may not be commingled with campaign funds. This rule does not restrict the deposit of contributions or loans into an account maintained by an authorized committee.

(f) **Court-ordered rerun elections.** Public funds received for a court-ordered rerun election shall not be commingled in any account with any other funds.

(g) **Segregated Bank Accounts for §5-01(n) Disbursements.** Contributions received pursuant to §5-01(n)(2) shall be deposited into a segregated bank account established pursuant to such Rule.

NOTE

1. Statement of Basis and Purpose in City Record July 20, 1999:

Technical Changes

Participants shall maintain at least one bank account for the campaign with check writing privileges. Rule 2-06(a).

2. Statement of Basis and Purpose in City Record Oct. 10, 1995: **Contribution Limits** (2-06(c)(1)) Following Advisory Opinion No. 1993-8 (July 20, 1993), the rules codify that contributions received for a runoff election that is not held may be returned to contributors.

3. Statement of Basis and Purpose in City Record Oct. 18, 1996: Bank Accounts **Separate Accounts for Different Elections** (R. 2-06(b)) The rule amends the restriction prohibiting the commingling of receipts in more than one account for two different elections. Under the rule, where one candidate sets up an allocation account to pay shared expenses for two elections, the receipts received for one election may be commingled with receipts received for another election in accordance with Advisory Opinion No. 1996-2 (July 18, 1996).

4. Statement of Basis and Purpose in City Record May 5, 2003: Candidate Participation 2. **Bank Accounts for Runoff Special Elections** (§2-06(c), (d)) The amendments to §2-06(c) and (d) establish rules for bank accounts established for anticipated runoff special elections similar to the Board's Rules applicable to bank accounts for anticipated runoff primary elections for citywide offices. Thus, no disbursements, withdrawals, or transfers may be made prior to the date of the preceding special election, except that contributions may be returned to contributors until the participant first receives public funds for the runoff election; and receipts accepted for a runoff special election shall not be commingled in any account with receipts accepted for any other election or used for any other election until after the runoff election is held, except that receipts from a special election account may be transferred to an account established for a runoff special election for use in that runoff election after the special election is held. As with runoff primary elections, funds deposited into an account established for an anticipated runoff special election that is not held will be frozen until the earlier of the first January 12 following the special election for which the runoff was anticipated or the date upon which the participant's last liability from the special election is extinguished.

52 RCNY 2-07

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 2 CANDIDATE REQUIREMENTS*1

§2-07 Participant's Disqualification from Ballot.

(a) **Public fund eligibility.** A participant must qualify to be on the ballot, and be opposed on the ballot, to be eligible for public funds.

(b) **Notice of disqualification.** If a participant or the participant's only remaining opponent in an election is disqualified from the ballot by the New York City Board of Elections or a court of competent jurisdiction, the participant shall immediately inform the Board, by a hand-delivered memorandum, facsimile transmission, telegram, or other method of equivalent speed. If the disqualification by a court of competent jurisdiction was on the grounds that fraudulent acts were committed in order to obtain a place on the ballot, the notice shall so state.

(c) **Remedies for disqualification.** The participant shall notify the Board immediately, in writing, if the disqualified candidate is seeking to appeal or otherwise remedy a disqualification. This notice shall indicate whether a judicial appeal is being taken as of right or by permission and the specific nature of any other judicial remedy sought.

(d) **Disqualification reversed.** The participant shall immediately inform the Board, in writing, if the disqualification of the participant or the opponent is reversed by a court of competent jurisdiction.

HISTORICAL NOTE

Section amended City Record July 20, 1999 §24, eff. Aug. 19, 1999. [See Note 1]

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 2 CANDIDATE REQUIREMENTS*1

§2-08 Write-in Candidates.

(a) **Notice.** Any candidate who is seeking nomination or election to a covered office as a write-in candidate must promptly so notify the Board in writing.

(b) **Disclosure obligations.** Any candidate who is seeking nomination or election as a write-in candidate must file all disclosure statements for the election as required by §3-02.

(c) **Ineligibility for public funds.** A participant who is seeking nomination or election exclusively as a write-in candidate and who is not on the ballot for the election is ineligible to receive public funds. A participant who is on the ballot for a covered election and who is opposed in such election solely by one or more candidates seeking nomination or election exclusively as write-in candidates and who are not on the ballot is ineligible to receive public funds.

(d) **Inclusion in Voter Guide.** A candidate who is seeking nomination or election exclusively as a write-in candidate and who is not on the ballot for the election shall not be included in the voter guide for that election.

52 RCNY 2-09

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 2 CANDIDATE REQUIREMENTS*1

§2-09 Terminating a Candidacy.

(a) **No "Opting-Out".** A candidate may discontinue filing disclosure statements after filing a verified statement that his or her candidacy is terminated in accordance with subsections (b) or (c) of this rule, or if the Board has deemed the candidacy terminated pursuant to subsection (d) of this rule. Terminating a candidacy does not relieve the candidate of other Program obligations, such as maintaining records required by these Rules, submitting documentation or information in response to requests by the Board, and paying penalties for violations of the requirements of the Act and these Rules.

(b) **"Off the ballot" termination.** (1) A participant may submit to the Board a verification that he or she is not a candidate for that election if the participant: (i) is not on the ballot for that election; (ii) is not seeking nomination or election as a write-in candidate; (iii) has not received public funds; and (iv) has not submitted and does not intend to submit a petition for payment after final disqualification from the ballot, pursuant to §5-02(b). The verification shall be in such form and manner as shall be provided by the Board, and shall contain such signatures as may be required by the Board.

(2) A limited participant or non-participant may submit to the Board a verification that he or she is not a candidate for that election if the candidate: (i) is not on the ballot for that election; and (ii) is not seeking nomination or election as a write-in candidate. The verification shall be in such form and manner as shall be provided by the Board, and shall contain such signatures as may be required by the Board.

(c) **"Ceased campaigning" termination.** A particiant may submit to the Board a verification that he or she is not a candidate for that election if the participant: (1) has ceased all campaign activity for that election;

(2) has not received public funds; and (3) has not submitted and does not intend to submit a petition for payment after final disqualification from the ballot, pursuant to §5-02(b). A limited participant or non-participant may submit to the Board a verification that he or she is not a candidate for that election if the candidate has ceased all campaign activity for that election. The verification shall be in such form and manner as shall be provided by the Board, and shall contain such signatures as may be required by the Board.

(d) **Termination by Board.** The Board may send a notice to a participant that his or her candidacy has been deemed terminated if the participant: (1) is not on the ballot for that election; (2) has not received public funds; and (3) has not submitted a petition for payment after final disqualification from the ballot, pursuant to §5-02(b). The Board may send a notice to a limited participant or non-participant that his or her candidacy has been deemed terminated if the candidate is not on the ballot for that election. If the candidate is continuing to seek nomination or election as a write-in candidate, or, in the case of a participant, intends to submit a petition for public funds pursuant to §5-02(b), the candidate must so notify the Board within 10 days after receiving the notice of termination, in which case the Board will reverse the termination and the candidate must continue to submit disclosure statements. In any event, the termination will be reversed and disclosure obligations resumed if the candidate remains a candidate in the election.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 2 CANDIDATE REQUIREMENTS*1

§2-10 Limited Participation.

(a) **Generally.** A limited participant shall not be eligible to receive public funds pursuant to §3-705 of the Code. A limited participant is not subject to the contribution limits pursuant to §3-703(f) of the Code; provided, however, that a limited participant shall not accept, at any time before or after the filing of a certification with the Board, either directly, indirectly, or by transfer, any monetary or in-kind contribution, or any loan, guarantee, or other security for such loan made in connection with such candidate's nomination for election or election, except for monetary contributions from the candidate to his or her principal committee made out of the candidate's personal funds or property, in-kind contributions made by the candidate to his or her principal committee, and advances received. A candidate's personal funds or property shall include his or her funds or property jointly held with his or her spouse, domestic partner, or unemancipated children.

(b) **Program compliance.** Except as otherwise specified in these Rules, the limited participant shall comply fully with Program requirements, including the following:

(1) **Campaign finance disclosure statements.** The limited participant shall file all disclosure statements as required pursuant to Chapter 3 of these Rules.

(2) **Accounting and auditing.** The limited participant shall be subject to all Program accounting and auditing requirements as set forth in Chapter 4 of these Rules.

(3) **Expenditure limitations.** The limited participant shall not make expenditures which in the aggregate exceed the expenditure limitations set forth in the Act.

(c) **Penalties.** The limited participant shall be subject to penalties pursuant to §§3-710.5 and 3-711 of the Code for violations of the Act or these Rules.

HISTORICAL NOTE

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 2-11

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 2 CANDIDATE REQUIREMENTS*1

§2-11 Non-Participation.

(a) **Generally.** A candidate who does not file a certification pursuant to either §3-703 or §3-718 of the Code, or who rescinds his or her certification prior to the certification deadline by filing a certification rescission form, shall be deemed to be a non-participant pursuant to §3-719 of the Code. A non-participant shall not be eligible to receive public funds pursuant to §3-705 of the Code and shall not be subject to the expenditure limitations provided in §3-706 of the Code. A non-participant may accept contributions from political committees notwithstanding the restrictions on such contributions contained in §3-703(k) of the Code.

(b) **Compliance.** Except as otherwise specified in these Rules, the non-participant shall comply fully with the requirements of the Act:

(1) **Campaign finance disclosure statements.** The non-participant shall file all disclosure statements as required pursuant to Chapter 3 of these Rules.

(2) **Accounting and auditing.** The non-participant shall be subject to all accounting and auditing requirements as set forth in Chapter 4 of these Rules.

(3) **Corporate, limited liability company, and partnership contributions.** The non-participant shall not accept, either directly or indirectly, any contribution, loan, guarantee, or other security for such loan from any corporation, limited liability company, or partnership, including a limited liability partnership, other than a corporation, limited liability company, or partnership that is a political committee as defined in the Act. This prohibition does not apply to loans made in the regular course of business, regardless what form of business entity the lender assumes; but does

prohibit the acceptance of a guarantee or other security for such a loan from a corporation, limited liability company, or partnership.

(4) **Contribution limitations.** The non-participant shall not accept, either directly, indirectly, or by transfer, any contribution or contributions from any one individual, political committee, labor organization or other entity for all covered elections held in the same calendar year in which he or she is a candidate which in the aggregate exceed the contribution limitations set forth in §3-703(1)(f) and (1-a) of the Code; provided, however, that a non-participant may make contributions to his or her own authorized committees with his or her personal funds or property and may make advances or loans with his or her personal funds or property, without regard to any contribution limitations provided in §3-703(1)(f) or (h) or (1-a) of the Code. A candidate's personal funds or property shall include his or her funds or property jointly held with his or her spouse, domestic partner, or unemancipated children.

(5) **Contributors having business dealings with the city.** The non-participant shall inquire of every individual or entity making a contribution, loan, guarantee or other security for such loan in excess of the amounts set forth in §3-703(1-a) of the Code whether such contributor has business dealings with the city, as that term is defined in the Act.

(c) **Penalties.** A non-participant shall be subject to penalties pursuant to §§3-710.5 and 3-711 of the Code for violations of the Act or these Rules.

52 RCNY 2-12

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 2 CANDIDATE REQUIREMENTS*1

§2-12 Mandatory Training.

(a) **Mandatory pre-election training.** Participating candidates, their campaign managers, treasurers or persons with significant managerial control over a campaign shall be required to attend a training provided by the Board concerning compliance with the requirements of the Program and use of the Program software. For purposes of determining compliance with this rule, "persons with significant managerial control" shall not include campaign consultants, and the individual attending the training must be listed on the candidate's filer registration. Such training shall be completed in accordance with a schedule to be published by the Board.

(b) **Optional Post-Election Training.** In order to prepare campaigns to respond effectively to issues raised in the draft audit report, the Act encourages candidates and their staffs to attend post-election audit trainings. Pursuant to §3-710(1) of the Code, where the candidate, the campaign manager, or the treasurer has attended a post-election audit training provided by the Board, the Board will issue final audit reports within fourteen months after the deadline for submission of the final disclosure report for the covered election, in the case of city council and borough-wide races, and within sixteen months after the deadline for submission of the final disclosure report for the covered election in the case of citywide races. The deadlines for attendance at such trainings shall be:

(1) For city council and borough-wide races, the earlier of twenty days following issuance of the draft audit report or eight months after the deadline for submission of the final disclosure report for the covered election;

(2) For citywide races, the earlier of twenty days following issuance of the draft audit report or ten months after the deadline for submission of the final disclosure report for the covered election.

CHAPTER 3 CAMPAIGN FINANCE DISCLOSURE STATEMENTS

§3-01 Explanation.

Disclosure statements serve several different purposes:

(a) they provide comprehensive disclosure of candidates' campaign finances for prompt examination by the voting public and permit integration into the Board's computerized Campaign Finance Information System for purposes of additional disclosure, monitoring of campaign finances, and analysis mandated by the Act;

(b) they enable the Board to monitor candidate compliance with Program requirements; and

(c) they enable participants to make claims for public funds.

DERIVATION

Section in original publication July 1, 1991.

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 3-02

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 3 CAMPAIGN FINANCE DISCLOSURE STATEMENTS

§3-02 Filing Dates.

(a) **First disclosure statement.**

(1) A candidate's first disclosure statement shall be the first disclosure statement during the applicable election cycle covering the date on which the candidate first raises or spends funds in furtherance of his or her campaign for election for an office covered by the Act unless otherwise provided by New York Election Law.

(2) In a special election held to fill a vacancy, a candidate's first disclosure statement is due 32 days before the election unless otherwise provided by New York Election Law. As provided pursuant to New York Election Law, if the first disclosure statement for a special election is otherwise due within a period of five days of a required semi-annual disclosure statement, the candidate may file a single combined statement on the date on which the latter of the two separate statements is required to be filed.

(b) **Semi-annual disclosure statements.** (1) Semi-annual disclosure statements are due on January 15 and July 15 in each year of the election cycle and on January 15 in the year after the election.

(2) Notwithstanding paragraph (1) above, (i) for candidates in a special election who continue to raise or spend funds for the following primary or general election, the 27 day post-election disclosure statement described in subdivision (d) shall be the last statement required for the special election; provided, however, that in the event that there is a runoff special election, the semi-annual disclosure statement described in subdivision (d) shall be the last disclosure statement required for all candidates in the special election who continue to raise or spend funds for the following primary or general election, regardless whether they were candidates in the runoff special election; and (ii) for

candidates in a special election who do not continue to raise or spend funds for the following primary or general election, the first semi-annual disclosure statement due following the date of the special election shall be the last statement required for the special election, provided, however, that if the first semi-annual disclosure statement following the date of the special election is due less than 30 days after the deadline for filing the 27 day post-election disclosure statement, then the second semi-annual disclosure statement after the date of the special election shall be the last statement required for the special election.

(3) Following submission of the last disclosure statement for an election, the candidate remains, in any case, with respect to the previous election, subject to all other Program requirements and shall submit such information and proof of compliance as may be requested by the Board, including copies of State forms, bank records, and records demonstrating payment of outstanding liabilities.

(c) **Pre-election disclosure statements:** 32 and 11 days before the election and March 15 and May 15 in the year of the election. In a runoff election, the only pre-election statement is due 4 days before the election.

(d) **Post-election disclosure statements:** 27 days after the election, except in the case of a primary or runoff primary election, the disclosure statement is due 10 days after the election, and in the case of a runoff special election, disclosure statements are due both 27 days after the election and on the first January 15 or July 15 following the date of the runoff special election. Candidates in the special election must file both post-runoff special election disclosure statements regardless whether they were on the ballot in the runoff special election.

(e) **Daily disclosures during two weeks preceding the election.** If a candidate: (1) accepts a contribution or contributions from a single source or loan in excess of $1,000; or (2) makes an expenditure in excess of $20,000; during the 14 days preceding an election, the candidate shall report such contributions, loans and expenditures to the Board in a disclosure, received by the Board within 24 hours after it is accepted or made. These disclosures shall be submitted in such form and manner as shall be provided by the Board and shall include any signatures or notarizations required by the Board. Information reported in these daily disclosures must also be reported in the candidate's next disclosure statement.

(f) **Exceptions.** (1) **Not in primary election.** A candidate need not submit the two pre-primary and the 10 day post-primary election disclosure statements if the candidate is not a candidate in a primary election unless the candidate is a participant or limited participant claiming that expenditures are subject to a primary election spending limit, pursuant to §1-08(c)(2)(ii) or (iii). If the candidate is not a candidate in the primary, daily disclosures during the two weeks preceding the primary need not be submitted.

(2) **Not in general election.** A candidate need not submit the two pre-general election and 27 day post-general election disclosure statements or daily disclosures during the two weeks preceding the general election, if the candidate is not a candidate in the general election.

(3) **Deferred filing.** A candidate need not submit a full disclosure statement, if the candidate has accepted less than $2,000 in contributions and loans since the candidate last submitted a disclosure statement and has not made expenditures exceeding forty-five percent of the applicable expenditure limit. This paragraph does not apply to semi-annual disclosure statements. On each disclosure statement filing date for which an exception is not provided pursuant to paragraph (1) or (2), the treasurer shall verify, in a manner provided by the Board, that a full disclosure statement is not required to be submitted pursuant to this paragraph.

(4) **Small campaigns.** A candidate need not submit full disclosure statements if neither the total cumulative receipts nor the total cumulative expenditures of the candidate exceeds an amount equal to three times the contribution limit applicable under the Act. On each disclosure statement filing date for which an exception is not provided pursuant to paragraph (1) or (2), the treasurer shall verify, in a manner provided by the Board, that full disclosure statements are not required to be submitted pursuant to this paragraph.

(5) **Other political committees.** Political committees that are not involved in a covered election shall not file disclosure statements, or State or Federal forms, except as requested by the Board. Notwithstanding the foregoing, the financial records of any committees of a candidate are subject to Board review for purposes of monitoring the candidate's compliance with the requirements of the Act and these Rules and shall be made available to the Board upon its request.

(6) **Next disclosure statement.** Information which would otherwise be included in a disclosure statement for which an exception is provided pursuant to paragraph (1), (2), (3), or (4) shall be included in the next disclosure statement required to be submitted to the Board.

(7) **Board requests.** Notwithstanding any deferral or exception provided by this subdivision, candidates must submit such disclosure statements or other documents as may be requested by the Board.

(8) **Terminated candidacy.** A candidate need not submit any disclosure statements if his or her candidacy has been terminated, as described in §2-09(b), (c), and (d), and the termination is not reversed pursuant to §2-09(d).

(9) **Terminated committee.** If a committee terminates activities (by complete payment of all liabilities and expenditure of all funds in its possession) before the last disclosure statement for an election is due, the committee shall file its last disclosure statement for the election upon its termination, together with a cover letter stating that it has terminated its activities.

(g) Reserved.

(h) **Weekends and holidays.** If a disclosure statement is due to be submitted on a Saturday, Sunday, or legal holiday, the submission of the disclosure statement by 5 p.m. on the next business day shall be considered timely.

(i) Reserved.

Subd. (i) par (2) amended City Record Oct. 24, 1994 eff. Nov. 23, 1994.

NOTE

1. Statement of Basis and Purpose in City Record July 20, 1999:

Disclosure

Participants who did not file semi-annual disclosure statements with the Board before joining the Program (covering the period through January 11 of the election year) will have to file by June 21, instead of on June 1. Public funds claims included in disclosure statements submitted by the previous January 15 will be reviewed first, however, after which the Board will review subsequent claims as soon as is practicable. Rules 3-02(b); 3-03(a)(2); 5-01(d)(24).

The requirement of a disclosure statement four days before an election will be repealed. Rules 3-02(c); 1-09(a)(3)(4). As a result, daily disclosures will be required in the two weeks before the election for contributions over $1,000 and for loans; for expenditures the daily disclosure trigger will be raised from greater than $5,000 to greater than $20,000. Rule 3-02(e). These changes conform with State law requirements.

New exceptions to the regular filing of disclosure statements are:

· The filing exception for small campaigns will cover committees for which neither total receipts nor total expenditures exceed three times the contribution limit ($13,500 for Citywide office; $10,500 for Borough President; $7,500 for City Council). Rule 3-02(f)(4).

· As under State law, a disclosure statement will be due when a committee terminates its activities (by complete payment of liabilities and expenditure of all funds). Rules 3-02(f)(9); 3-03(a)(1).

The amendments to Rules 3-02 and 3-03(a) will not take effect until January 1, 2000.

With each disclosure statement, copies of contributor checks and cash contribution cards will have to be submitted for each matchable contribution claim, until the Board confirms that the candidate has met the threshold for public financing. Rules 3-04(a) and 4-06.

Disclosure statements may be completed in black or blue ink. Rule 3-06(d). As an alternative to the treasurer, a candidate may sign disclosure statements. Rule 3-08.

Committees formed to support or oppose ballot proposals may voluntarily file disclosure statements with the Campaign Finance Board. Rule 3-10.

2. Statement of Basis and Purpose in City Record Aug. 7, 2002: 3. **Additional Disclosure Statements** (§3-02(i)(2)) The amendment, which will become effective in 2005, provides for additional voluntary pre-certification disclosure statements to be due on March 15 and May 15 in the year of an election. These new disclosure statements will provide valuable public disclosure. Further, by dividing up the current six-month reporting period into three disclosure periods, the proposed amendment reduces the burden on participants and Board staff of creating and reviewing the July 15 disclosure statement. Finally, because most candidates do not have any significant activity until after the January 15 disclosure statement, the Board currently has no ability to provide these candidates with feedback on their compliance and reporting prior to certification. The additional disclosure statements will enable Board staff to provide feedback to participants on pre-certification disclosure statements on two additional occasions. Because these disclosure statements are filed prior to the deadline for the certification, candidates who have not yet joined the Campaign Finance Program will not be obligated to file them, although candidates who do not file them or the January 15 disclosure statement will not receive any pre-certification feedback from Board staff. The amendment also makes a technical change to conform a cite reference to a change to §5-01(d) contained elsewhere herein. That change shall be effective 30 days from the date of publication in **The City Record.**

3. Statement of Basis and Purpose in City Record Oct. 10, 1995: **Last Disclosure Statement** (R. 3-02(b), (g); 1-04(g)(7)) The rules eliminate the July 15 disclosure statement due after the election, making January 15 the last deadline for a Campaign Finance Program disclosure statement for an election. For special elections, the rules codify that the 27 day post-election filing is the last special election filing for a committee that goes on to raise funds for the primary or general election, following Advisory Opinions Nos. 1992-3 (December 16, 1992) and 1994-1 (February 23, l1994). The rules also repeal language tying the last filing deadline to the day the participant pays off the last liability for the election and the rule deeming debt outstanding as of the last disclosure statement to be a contribution from a single source. Because participating candidates remain subject to Program requirements for the previous election, even after submitting their last disclosure statement, candidates must continue to submit, upon Board request, proof of ongoing compliance, such as copies of Board of Elections filings, bank records, and records demonstrating payment of outstanding liabilities.

4. Statement of Basis and Purpose in City Record Oct. 18, 1996: Disclosure **Daily Disclosures During Week Preceding the Election** (R. 3-02(e)) Under the rules, a participant is required to file a daily report for any expenditure made in excess of $5,000 in the week before an election, not $1,000 as is the case under the current rules. In addition, the rules repeal the requirement that participants file disclosure statements in the week preceding the election regarding

loans received or guarantees or other security for loans received. **Exceptions** (R. 3-02(f)(1), (4)) The rules simplify the filing requirements for those participants not in a primary election. These campaigns need not file daily disclosure statements in the week preceding the primary election. The rules also increase the total receipts or expenditures under which candidates can qualify for the small campaign exception to filing disclosure statements.

5. Statement of Basis and Purpose in City Record May 5, 2003: Disclosure Statements 1. **Filing Dates** (§3-02(a)) The amendments confirm that the first disclosure statement filed by a participant in a special election is due 32 days before the election, unless otherwise provided by New York State Election Law. New York State Election Law §14-108 and New York State Board of Elections Regulation §6200.2 provide that political committees must file disclosure statements on July 15 and January 15 in a calendar year. Consequently, a participant's special election principal committee may be required to file a disclosure statement with the Board of Elections on January 15 or July 15, regardless when the special election is held. New York City Charter §1052(a)(8) provides that the Campaign Finance Board's disclosure statement filing schedule "shall be in accordance with the schedule specified by the state board of elections." The amendment confirms that to the extent a participant's special election principal committee is required to file a disclosure statement with the Board of Elections on a January 15 or July 15 prior to the election, the participant must also file a disclosure statement with the Campaign Finance Board. 2. **Special Election Disclosure Statements** (§3-02(b), (c), (d)) The amendments establish disclosure statement due dates for runoff special elections. As with runoff primary elections, the only pre-runoff special election disclosure statement will be due 4 days before the election. However, since the post-runoff primary election disclosure statement is designed to coincide with a pre-general election disclosure statement due date, and there is no corresponding election held following a runoff special election, the post-runoff special election disclosure statement due dates will not follow the runoff primary election schedule. Rather, post-runoff special election disclosure statements will be due both 27 days after the runoff special election and on the first semi-annual disclosure statement filing date following the date of the runoff special election. These post-runoff special election disclosure statements will be filed by all participants in the special election, regardless whether they were candidates in the runoff special election.

6. Statement of Basis and Purpose in City Record May 21, 2004: Special Election Disclosure Statements (Rule 3-02(b)(2)) Participants in a regularly scheduled election must file semi-annual disclosure statements on July 15 in the year of the election and on January 15 in the year after the election. Rule 3-02(b)(1). Special elections occur at various times during the year, and often are held more than six months before one of these semi-annual disclosure statement due dates. For example, a special election held in February is almost one year from the January 15 disclosure statement deadline. Because special elections generally are short elections with limited campaign activity, there is little need for a disclosure statement filing so many months after the election. The rule confirms that participants in a special election who do not continue to raise or spend funds for the following primary or general election only need to file the first semi-annual disclosure statement due after the date of the election, and not both the July 15 and January 15 disclosure statements. Prospective Participant's First Disclosure Statement (Rule 3-02(i)(1)) Local Law No. 12 of 2003 authorized the Board to provide prospective participants with additional due dates for filing optional pre-certification disclosure statements, beyond those disclosure statement due dates already provided for by the Board of Elections. **See** Administrative Code §3-703(6), as amended by Local Law No. 12 of 2003. The rule incorporates the additional dates authorized by the local law, by confirming that prospective participants may also file pre-certification disclosure statements on March 15 or May 15 of the election year for the office sought by the prospective participant. Prospective participants may begin to file optional pre-certification disclosure statements on any start date provided in the rule. However, under the current law, if a prospective participant does not file any one of these disclosure statements in a complete and timely manner, any matchable contribution claims he or she makes that could or should have been reported in that statement will be deemed invalid. **See** Board Rule 5-01(d)(21); **see also** Board Rule 3-02(i)(2).

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 3-03

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 3 CAMPAIGN FINANCE DISCLOSURE STATEMENTS

§3-03 Contents.

(a) **Reporting period.**

(1) **Generally.** The reporting period for each disclosure statement shall:

(i) except for the first disclosure statement for an election, begin on the third day before the deadline for the submission of the candidate's preceding disclosure statement; and

(ii) conclude on and include the fourth day before the deadline for the submission of that disclosure statement (except as otherwise provided in §3-02(f)(9)).

(2) **First disclosure statement.** The reporting period for a candidate's first disclosure statement for an election shall begin on the day the candidate first raises or spends funds in furtherance of his or her election for an office covered by the Act. Submissions required by §3-02(a)(2) shall cover the reporting periods of the missing disclosure.

(3) **Special elections.** In the case of a special election the reporting period for the first disclosure shall conclude on the thirty-sixth day before the election, unless otherwise provided pursuant to New York Election Law.

(b) **Summary information.** Each disclosure statement shall include the following information about the committee involved in the election:

(1) the cash balance at the beginning and end of the reporting period;

(2) total itemized and unitemized contributions, loans, and other receipts accepted during the reporting period; and

(3) total itemized and unitemized expenditures made during the reporting period.

A separate disclosure statement shall be submitted for each committee involved in the election. All data reported in disclosure statements, amendments, and resubmissions shall be accurate as of the last day of the reporting period.

(c) **Contributions and other receipts.** (1) **Basic contents.** Each disclosure statement shall include the following information about receipts accepted by the committee during the reporting period:

(i) for each contribution accepted, the contributor's and intermediary's (if any) full name, residential address, occupation, employer, and business address;

(ii) the date of receipt and amount of each contribution accepted or other receipt;

(iii) whether a contribution was made in cash;

(iv) the number of any check or money order used to make the contribution;

(v) the date and amount of each contribution returned to a contributor;

(vi) each previously reported contribution for which the check was returned unpaid; (vii) in the case of contributions in excess of the amounts set forth in §3-703(1-a) of the Code, whether the contributor indicated that the contributor has business dealings with the City as defined in the Act, and if so, the name of the agency or entity with which such business dealings are or were carried on and the appropriate type or category of such business dealings; and

(viii) such other information as the Board may require.

(2) **Transfers.** The candidate shall report contemporaneously the aggregate amount of each transfer and each contribution to which it is attributed. In addition, the participant shall report, in the case of a transfer from a committee not otherwise involved in the covered election, other than another principal committee of the same candidate: (i) all expenditures made by the transferor committee during the election cycle of the covered election; and (ii) all expenditures made by the transferor committee prior to the covered election cycle in connection with raising such contributions. Such reporting of expenditures shall be made in the same disclosure statement in which the transfer is reported, except that expenditures incurred during the covered election cycle for purposes other than raising or administering the transferred contributions need not be reported in disclosure statements to be filed with the Board but rather may be disclosed to the Board by providing copies of the transferor committee's New York City or New York State Boards of Elections or Federal disclosure statements. Further, the candidate shall submit contemporaneously the records required to be maintained pursuant to §4-01(b)(8).

(3) **Advances and reimbursements.** The candidate shall report in each disclosure statement:

(i) the name and address of each person, including the candidate, who has made purchases on behalf of the committee during the reporting period with the expectation of being reimbursed by the committee;

(ii) the date and amount of each such purchase;

(iii) the name and address of the person or entity from whom the purchase has been made;

(iv) the form of the purchase;

(v) the purpose of the purchase;

(vi) the name of each person, including the candidate, whom the committee reimbursed for purchases made on behalf of the Committee during the reporting period, each purchase being reimbursed, and the amount and form of each reimbursement; and

(vii) such other information as the Board may require.

(4) **Contributions totalling $99 or less from a single source.**

(i) Contributions totaling $99 or less from a single source need not be separately itemized in a disclosure statement. Contributions that are not itemized are not matchable.

(ii) Candidates shall include the total amount of unitemized contributions delivered or solicited by an intermediary when reporting the total amount of all contributions the intermediary has delivered or solicited.

(5) **Unitemized contributions totalling more than $99 from a single source.** If a candidate has accepted unitemized contributions totalling more than $99 from a single source, the contribution causing the total to exceed $99 shall be itemized and the total of previously unitemized contributions shall be reported in the same disclosure statement. All subsequent contributions from that single source must be itemized.

(6) **Employment information.**

(i) The candidate need not report the occupation, employer, or business address of any contributor making contributions totaling $99 or less.

(ii) Notwithstanding subdivision (i), the participant shall report the occupation, employer, and business address of any contributor making contributions totaling $99 or less if such contributor is an employee of the candidate or an employee of the spouse or domestic partner of such candidate or an employee of a business entity in which such candidate, spouse or domestic partner has an ownership interest of ten percent or more or in which such candidate, spouse or domestic partner holds a management position, such as the position of officer, director or trustee.

(iii) Matchable contribution claims on contributions totaling more than $99 shall be invalid unless the participant has reported the contributor's occupation, employer, and business address. Matchable contribution claims on contributions totaling less than $99 shall be invalid unless the participant has reported the contributor's occupation, employer, and business address when such information is required pursuant to subdivision (ii).

(7) **Intermediary requirements.**

(i) **Exceptions.** (A) The candidate need not report an intermediary for aggregate contributions of $500 or less collected from a contributor in connection with a party or other candidate-related event held at the residence of the person delivering the contribution, unless the expenses of such events at such residence for such candidate exceed $500 for an election. (B) The candidate need not report an intermediary for contributions collected at a campaign sponsored fundraising event paid for in whole or in part by the campaign. In the case of contributions collected at a non-campaign sponsored fundraising event where there are multiple hosts, the hosts shall designate one host who shall be reported by the candidate as the intermediary for all such contributions. For the purposes of this rule, "campaign sponsored fundraising event" shall mean an event organized by a candidate's authorized committee to raise funds for such candidate.

(ii) **Contributions delivered to fundraising agents.** The candidate shall report any intermediary delivering a contribution to a fundraising agent and shall not report the fundraising agent as an intermediary in a disclosure statement. The candidate shall also report each fundraising agent not reported in a previous disclosure statement for the election.

(iii) **Contributions delivered by an intermediary's agent.** The candidate shall report as the intermediary a person who solicits contribution(s) and directs his or her agent to deliver them to the candidate or fundraising agent. The candidate shall not report the agent as an intermediary.

(8) Reserved.

(9) **Affiliated contributors.** Affiliated contributors considered to be a "single source" under §1-04(h) must be identified on a schedule provided by the Board.

(10) **Joint fundraising events.** The candidate shall report in a cover letter submitted with the disclosure statement a list of all contributions reported in that disclosure statement that were accepted at an event at which contributions were solicited or accepted both for elections subject to and not subject to the Act.

(d) **Loans.**

Each disclosure statement shall include the following information about loans accepted or repaid by the committee during the reporting period:

(1) for each loan accepted, the lender's, guarantor's or other obligor's full name, residential address, occupation, employer, and business address;

(2) the date and amount of each loan, guarantee, or other security for a loan accepted; (3) the date and amount of each loan payment made;

(4) the amount of any portion of a loan which has been forgiven; and

(5) such other information as the Board may require.

(e) **Expenditures.** (1) Each disclosure statement shall include the following information about expenditures (disbursements and unpaid liabilities) made by the candidate during the reporting period:

(i) the date, amount, name and address of the payee, purpose, and check and account number of each disbursement;

(ii) the date, amount, name and address of the obligee, and purpose of each unpaid obligation incurred;

(iii) the reason why any expenditure is exempt; and

(iv) such other information as the Board may require.

(2) Expenditures of less than $50 need not be separately itemized in a disclosure statement. Public funds may not be used to pay for unitemized expenditures.

(3) **Subcontracted goods and services.** If the candidate makes an expenditure to a consultant or other person or entity who or which subcontracts for finished goods or services on behalf of the candidate, the disclosure statement shall include: (i) expenditures made by the candidate to the consultant or other person or entity during the reporting period; and (ii) if the cost of the subcontracted goods or services provided by a single person or entity exceeds $5,000 in a campaign, the name and address of that person or entity, the amount(s) expended to that person or entity for subcontracted goods or services, and the purpose(s) of those goods or services; provided that this disclosure shall be made in the manner provided by the Board, either beginning in the reporting period in which the candidate knows or has reason to believe that such cost first exceeds $5,000 or in the first post-election disclosure statement for the election to which the expenditure relates.

(4) **Credit card and charge card purchases.** The candidate shall report the actual vendor and purchase price

incurred for any goods purchased with a credit card or charge card, in the manner provided by the Board. Disbursements to credit card and charge card accounts shall not be itemized as such.

Subd. (f) amended City Record Sept. 2, 1992 eff. oct. 2, 1992.

NOTE

1. Statement of Basis and Purpose in City Record Aug. 7, 2002:

4. **Disclosure of Check Numbers and Serial Numbers of Money Orders** (§3-03(c)(1))

The Board's C-SMART software requests that campaigns report the check numbers for contributions made by check, but this disclosure is not explicitly required by the Board's Rules. The amendment of §3-03(c)(1) formalizes this requirement, and additionally requires the disclosure of serial numbers for money order contributions.

5. **Clarify Treatment of Reporting Requirements** (§§3-03(c)(6), 4-02, 11-05)

The amendments conform provisions in the Rules regarding the efforts required to comply with the Program's reporting requirements to the provisions of Campaign Finance Act §3-703(6).

2. Statement of Basis and Purpose in City Record Oct. 10, 1995: **Matchable Contributions** (R. 3-03(c)(6); 5-01(d)(12), (26), (27)) The rules codify the following additional reasons for invalidating matchable contribution claims: funds received for other elections (surplus funds and transfers-in from committees not involved in the current election); contributions made by money order exceeding $100, unless the disclosure statement included a copy of the money order and money order contribution card; contributions of $1,000 or more when the disclosure statement omitted contributor employment information and a record was not submitted with the disclosure statement otherwise showing that a good faith effort was made to obtain employment information.

3. Statement of Basis and Purpose in City Record May 5, 2003: 7. **Reporting Employment Information** (§3-03(c)(6)) Local Law No. 12 of 2003 amended the standard for reporting contribution and expenditure information to the Board from an obligation to report such information to the best of one's knowledge to an absolute requirement. **See** Administrative Code §3-703(6), as amended by Local Law No. 12 of 2003. Currently, §3-03(c)(6) provides that matchable contribution claims on contributions of $500 or more for which employer information has not been reported are invalid unless the participant submits a record detailing his or her best efforts to obtain the information. The amendment amends §3-03(c)(6) to eliminate the best efforts concept for reporting employment information.

4. Statement of Basis and Purpose in City Record Aug. 20, 2004: 2. **Advances Must be Itemized in Disclosure**

Statements (Rule 3-03(c)(3)) Under the Board's current rules, advances and their reimbursement are disclosed in a lump-sum manner, and the Board and the public have no way of determining the ultimate payee or purpose for any advance, or the amount of any individual purchase. The rule provides that each individual advance must be itemized in a disclosure statement. The disclosure must include the name and address of the advancer and the party from whom the goods or services are purchased; the date, amount, form, and purpose of the purchase; whether the advancer has been reimbursed by the campaign; and the form of any reimbursements. The Board anticipates that the rule will improve disclosure for the benefit of the public and oversight for the Board. The auditing concerns discussed above, in **"Reimbursement of an Advance is Not an Exempt Expenditure,"** strongly counsel against treating advances and their reimbursement as qualified expenditures for which public funds may be used. Therefore, the rule does not alter the status of reimbursements of advances as expenditures that are not qualified.

5. Statement of Basis and Purpose in City Record Dec. 23, 2004: Reporting Employment Information of Contributors (Rules 3-03(c)(6) and 5-01(d)(11)) Administrative Code §3-703(6) provides that disclosure statements must include employment information for any contributor who contributes more than $99 to a candidate. However, former Rules 3-03(c)(6) and 5-01(d)(11) allowed the Board to match contributions of between $99 and $500 without such employment information. The rule amendment conforms provisions of the Rules (**see** Rules 3-03(c)(6) and 5-01(d)(11)) to the plain language requirements of the law by providing that contributions in excess of $99 will not be matchable if employment information is not reported.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 3 CAMPAIGN FINANCE DISCLOSURE STATEMENTS

§3-04 Claiming Matchable Contributions.

(a) **Threshold; back-up documentation.** A participant's disclosure statement shall indicate whether he or she has met the Act's threshold for eligibility for public funds. Participants shall submit with each disclosure statement a copy of the records required to be maintained pursuant to §4-01(b)(2), (3), and (6) for each matchable contribution claimed in the disclosure statement. A matchable contribution claim will be invalidated unless the records that are required to be maintained pursuant to §4-01(b)(2), (3), and (6) are submitted with the disclosure statement in which the contribution is reported. Matchable contribution claims determined by the Board to be invalid pursuant to the Act and these Rules shall not be counted toward a participant's threshold for eligibility for public financing. This rule applies to candidates seeking to preserve matchable contribution claims received prior to filing a certification with the Board pursuant to §3-703(12)(a) of the Code.

(b) **Matchable contributions.** The disclosure statement shall state the total amount of matchable contributions claimed in a reporting period and whether the participant seeks public funds for these matchable contributions. Contributions received in violation of any law, including but not limited to cash contributions from any one contributor greater than $100, are not matchable.

(c) **Returned contributions are not matchable.** A matchable contribution may not be claimed for any portion of a contribution that is returned to or not paid by the contributor. A particiant must rescind claims for matchable contributions that are returned or not paid, in the manner provided by the Board, and the participant's public fund payments will be reduced by the matchable contribution amounts returned.

(d) **Loans and loans forgiven are not matchable.** Pursuant to §3-702(3) of the Code, a matchable contribution

may not be claimed for a loan or a loan that is forgiven.

(e) Reserved.

(f) Reserved.

Subd. (e) amended City Record Aug. 7, 2002 Part D Subpart 7, eff. Sept. 6, 2002. [See Note 1]

Subd. (e) added City Record Oct. 10, 1995 §40, eff. Nov. 9, 1995. [See T52 §7-05 Note 1]

Subd. (f) added City Record Aug. 7, 2002 Part E, eff. Sept. 6, 2002. [See T52 §4-01 Note 4]

NOTE

1. Statement of Basis and Purpose in City Record Aug. 7, 2002:

6. **Claiming Matchable Contributions** (§3-04(a))

The current rule permits participants to discontinue the submission of back-up documentation for check contributions after the participant has met the threshold requirement. The amendments require the submission of back-up documentation even after the participant has met the threshold, in order to assist the Board in verifying that public funds are disbursed in the correct amount. Back-up documentation is needed from participants even after they have reached threshold to monitor compliance with the Act and Rules. In addition, the current rule is a source of confusion because participants often do not understand when they can stop submitting back-up documentation.

The amendments also clarify that the Board will consider only valid matchable contribution claims toward the threshold for eligibility for public financing, except that claims invalidated under §5-01(d)(3) solely because they would yield more than the maximum in public funds may be counted toward the threshold amount up to $1,000 per matchable contribution. This change codifies Advisory Opinion No. 2001-9.

7. **Copies of Money Orders and Contribution Cards Must be Submitted for All Money Order Contributions** (§3-04(e))

Current §3-04(e) states that the Board will not match a money order contribution greater than $100 with public funds unless the participant submits photocopies of the money order and a signed contribution card as is required to be maintained by §4-01(b)(3). In order to guard against the disbursement of public funds on the basis of misreported contributions, the amendment extends the requirement to submit such back-up documentation to all money order contributions, including those in the amount of $100 and less.

2. Statement of Basis and Purpose in City Record Mar. 27, 2001: Campaign Finance Disclosure Statements **Required Documentation for Matchable Contributions** (Rule 3-04(a)) The amendment codifies the Board's current practice of requiring that, except in the case of contributions made by check signed by the contributor, participants or potential participants must continue to provide with each disclosure statement the documentation required pursuant to Rule 3-04 for each matchable contribution claimed, even after the Board confirms that the participant or potential participant has met the threshold. This does not obviate the requirement to maintain said records or produce them at the Board's request.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 3 CAMPAIGN FINANCE DISCLOSURE STATEMENTS

§3-11 Proof of Filing with the Conflicts of Interest Board; Payment of Penalties.

(a) **Requirements.** Participants shall file a copy of a receipt indicating proof of compliance with §12-110 of the Code, including payment of any penalties assessed by the conflicts of interest board. A receipt that is not filed timely may result in a delay of any payment by the Board until the Board next makes payment determinations following the submission of the next disclosure statement such participant is required to file with the Board pursuant to §3-02(b), (c) or (d).

(1) **Due dates.** The receipt shall be considered timely filed if it is filed with the Board on or prior to the last business day of July in the year of the covered election, except as provided by paragraph (2).

(2) **Special election due dates.** In the case of a special election, if the deadline for filing financial disclosure reports with the conflicts of interest board is before the due date for the first disclosure statement required to be filed with the Board pursuant to §3-02(a)(2), the receipt shall be considered timely filed if it is filed with the Board on or prior to the due date for filing this disclosure statement with the Board. If the deadline for filing financial disclosure reports with the conflicts of interest board is on or after the due date for the first disclosure statement required to be filed with the Board pursuant to §3-02(a)(2), the receipt shall be considered timely filed if it is filed with the Board no later than one business day after the last day for filing disclosure reports with the conflicts on interest board.

(b) **Date submitted.** §1-09 shall be applicable for the purpose of determining the date of receipt by the Board of documents submitted pursuant to this section.

HISTORICAL NOTE

Section added City Record May 21, 2004 eff. June 20, 2004. [See Note 1]

Subd. (a) amended City Record Feb. 11, 2005 eff. Mar. 13, 2005. [See T52 §1-01 Note 1]

NOTE

1. Statement of Basis and Purpose in City Record May 21, 2004:

The Act recently was amended to provide that candidates participating in the Campaign Finance Program shall not be eligible to receive public funds unless financial disclosure reports required pursuant to Administrative Code §12-110 have been filed with the Conflicts of Interest Board (the "COIB") and any penalties assessed by the COIB have been paid. **See** Administrative Code §3-703(1)(m), as added by Local Law No. 43 of 2003. The rules conform to the changes to the Act contained in Local Law No. 43, and provide that a candidate otherwise eligible to receive public funds must file with the Board the COIB receipt evidencing compliance with Administrative Code §12-110 to be eligible for public funds. To ensure timely receipt of public funds, a participant must file the COIB receipt no later than July 15 of the election year, unless the deadline for filing financial disclosure reports with the COIB is also on or after July 15, in which case a participant must file the COIB receipt no later than one day after the last day for filing disclosure reports with the COIB.

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 4-01

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 4 ACCOUNTING AND AUDITING

§4-01 Records to be Kept.

(a) **Generally.** Candidates must keep records that enable the Board to verify the accuracy of disclosure statements, substantiate that expenditures were made in furtherance of the campaign, were qualified expenditures, or were permissible post-election expenditures, and confirm any matchable contributions claimed. Candidates must maintain and may be required to produce originals and copies of checks, bills, or other documentation to verify contributions, expenditures, or other transactions reported in their disclosure statements. Candidates shall maintain clear and accurate records sufficient to show an audit trail that demonstrates compliance with the Act and these Rules. The records shall be made and maintained contemporaneously with the transactions recorded, and maintained and organized in a manner that facilitates expeditious review by the Board. Nothing in this chapter shall be construed to modify the requirements of New York Election Law §14-118. The records maintained for each campaign finance transaction, whether maintained on paper and/or electronically, shall be accurate and, if necessary, modified promptly to ensure continuing accuracy. Records that are contemporaneous and complete, as described in this Rule, including records using forms supplied by the Board, shall be presumed to be sufficient to demonstrate financial activity. If at any time a candidate becomes aware that a record of an expenditure, whether maintained on paper or electronically or both, is missing or incomplete, the candidate may create a new record or modify an existing record, provided that the record so created or modified is clearly identified by the candidate as such, and provided, further, that if the missing or incomplete record is an invoice from a vendor, the candidate must in the first instance attempt to get a duplicate or more complete record directly from such vendor prior to creating a new record or modifying an existing record. In addition, the candidate must create a further record, in the form of a signed, dated, and notarized statement by the candidate and/or treasurer and/or other campaign representative having first-hand knowledge of the matter, explaining the reasons for and the circumstances surrounding the creation or modification of a record. The Board reserves the right not to accept a noncontemporaneous

record created or modified pursuant to this paragraph if, after review of the timing and other circumstances, it determines that the record is not sufficient to document the actual transaction.

(b) **Receipts.** (1) **Deposit slips.** Candidates shall maintain copies of all deposit slips. The deposit slips shall be grouped together with the monetary instruments representing the receipts deposited into the bank or other depository accounts held by the candidate for an election, unless the candidate maintains other records that show, in a manner that similarly facilitates expeditious review, when these receipts were deposited. Where the bank or depository does not provide itemized deposit slips, candidates shall make a contemporaneous written record of each deposit. Such written record shall indicate the date of the deposit, the source and amount of each item deposited, whether each item deposited was a check, a money order, or cash, the name and title of the individual who made the deposit, and the total amount deposited.

(2) **Photocopies of checks and other monetary instruments.** Candidates shall maintain a photocopy of each check or other monetary instrument representing a contribution or other monetary receipt. In order for a contribution in the form of a check signed by an authorized agent of the contributor to be matchable, participants must maintain:

(a) a copy of the check upon which is printed the name of the actual contributor; and

(b) a document, signed by the contributor, which indicates:

(i) that the person signing the check is authorized to do so;

(ii) the date and amount of the contribution; and

(iii) the principal committee's name.

(3) **Cash and money order contribution cards.** (i) For each cash and money order contribution received, participants and non-participants shall maintain a separate written record containing:

(A) the contributor's name;

(B) the contributor's residential address;

(C) the amount of the contribution; and

(D) the authorized committee's name.

(ii) This record shall be signed by the contributor or, if the contributor is unable to sign his or her name, marked with an "X" and signed by a witness to the contribution. Adjacent to the signature, the contributor shall write the date on which he or she signed or marked the contribution card. The following statement shall be placed above the line for the contributor's signature: "I understand that State law requires that a contribution be in my name and be from my own funds. I hereby affirm that this contribution is being made from my personal funds, is not being reimbursed in any manner, and is not being made as a loan."

(iii) A contribution card which contains any additional information and signatures required by §5-01(n)(2) shall also satisfy the requirements of that Rule.

(4) **Omitted.**

(5) **Intermediary contribution statements.** For each instance in which a candidate accepts contributions from an intermediary, including any contributions delivered to a fundraising agent, or receives contributions solicited by an intermediary where such solicitation is known to the candidate, the candidate shall maintain a separate written record of the intermediary's name, residential address, employer and business address as well as the names of the contributors and

the amounts contributed. This record shall contain the statement: "I hereby affirm that I did not, nor to my knowledge did anyone else, reimburse any contributor in any manner for his or her contribution and none of the submitted contributions was made by the contributor as a loan." This record shall be signed by the intermediary, or if the intermediary is unable to sign his or her name, marked with an "X" and signed by a witness. In addition, the record shall contain the following statement: "The making of false statements in this document is punishable as a class E felony pursuant to section 175.35 of the Penal Law and/or a Class A misdemeanor pursuant to section 210.45 of the Penal Law."

(6) **Credit card contributions.** For each instance in which a candidate accepts contributions by credit card, including contributions received over the Internet, the candidate shall maintain a copy of the unique merchant account agreement as well as copies of all merchant account statements, credit card processing company statements and correspondence, transaction reports or other records demonstrating that the credit card used to process the transaction is that of the individual contributor (including proof of approval by the credit card processor for each contribution and proof of real time address verification), and a separate written record of the contributor's name, residential address, credit card account type, credit card account number, and credit card expiration date. This record shall contain the statement: "I understand that State law requires that a contribution be in my name and be from my own funds. I hereby affirm that this contribution is being made from my personal credit card account, billed to and paid by me for my personal use, and having no corporate or business affiliation, and is not being made as a loan." This record shall be signed by the contributor, or if the contributor is unable to sign his or her name, marked with an "X" and signed by a witness. Adjacent to the signature or mark, the contributor or witness shall write the date on which he or she signed the record. The Board shall provide a specimen of this card. Notwithstanding the requirements of this paragraph, in the case of credit card contributions made over the Internet, authorization cards need not be signed by the contributor. In addition, if the candidate accepts credit card contributions over the Internet, the candidate shall maintain a copy of all website content concerning the solicitation and processing of credit card contributions.

(7) **Segregated Account Contribution Cards.** Participants shall maintain a written record of the contributor's name, residential address, contribution amount, and date for each contribution which the participant deposits into a segregated bank account pursuant to Rule 5-01(n)(2). The record shall be signed by the contributor or, if the contributor is unable to sign his or her name, marked with an "X" and signed by a witness to the contribution, and the following statement shall be placed above the signature line: "I understand that this entire contribution will be used only (i) to pay expenses or debt from a previous election; (ii) by the candidate for an election other than the election for which this contribution is made; or (iii) to support candidates other than the candidate to whose campaign this contribution is made, political party committees, or political clubs. I further understand that this contribution will not be matched with public funds. I understand that State law requires that a contribution be in my name and be from my own funds. I hereby affirm that this contribution is being made from my personal funds, is not being reimbursed in any manner, and is not being made as a loan." Adjacent to the signature or mark, the contributor or witness shall write the date on which he or she signed the record. The Board shall provide a specimen of this card.

(8) **Transfers.** Candidates shall obtain and maintain all records specified by the Board regarding transfers, including, but not limited to, in the case of transfers from a committee not otherwise involved in the covered election, other than another principal committee of the same candidate, a record, obtained prior to receipt of the transfer, demonstrating, for each contribution to be transferred to a participant's authorized committee, the contributor's intent to designate the contribution for the covered election. This record shall contain the statements: "I understand that this contribution will be used by the candidate for an election other than that for which the contribution was originally made. I further understand that the law requires that a contribution be in my name and be from my own funds. I hereby affirm that this contribution was made from my personal funds, is not being reimbursed in any manner, and is not being made as a loan." This record shall be signed by the contributor, or if the contributor is unable to sign his or her own name, marked with an "X" and signed by a witness. Adjacent to the signature or mark, the contributor or witness shall write the date on which he or she signed the record.

(c) **In-kind contributions.** For each in-kind contribution, candidates shall maintain a receipt or other written

record that provides the date(s) the in-kind contribution was made, the name and address of the contributor, a detailed description of the goods or services provided, and such further information and/or documentation necessary to show how the value of the contribution was determined.

(d) **Bills.** Candidates shall retain a copy of each bill for goods or services provided. Candidates shall maintain written documentation showing that a bill has been forgiven. Documentation for goods or services must be contemporaneous and must provide the date the vendor was retained or the date the goods or services were provided, the vendor's name and address, the amount of the expenditures, and a detailed description of the goods and services provided. If the invoice supplied by the vendor does not meet these requirements, the candidate must create an additional contemporaneous record containing the necessary information, and such record must be signed by the vendor and the campaign treasurer or other representative of the campaign. In the case of services that were subcontracted by the vendor, candidates must obtain documentation meeting the above requirements for the subcontracted services from the vendor. For wages, salaries, and consulting fees, candidates must maintain a contemporaneous record, signed by the employee or consultant and the campaign, and dated, providing the name and address of the employee or consultant, a detailed description of the services, the amount of the wages, salary or consulting fees, the date(s) on which the work was performed, the period for which the individual was retained, and a detailed breakdown of the number of hours worked. The Board shall provide specimens of records for employees and consultants, including daily timesheets for election day workers and consultant agreements.

(e) **Disbursements.** (1) **By check.** A candidate shall make all disbursements by check, except for petty cash. The date, payee name, purpose, and number of each check, as well as all inter-account transfers, any other debits, and any additional information as determined by the Board, shall be recorded in a checkbook register.

(2) **Petty cash.** Candidates may maintain a petty cash fund of no more than $500 out of which they may make disbursements not in excess of $100 to any person or entity per purchase or transaction. If a petty cash fund is maintained, the candidate shall maintain a petty cash journal including the name of every person or entity to whom any disbursement is made, as well as the date, amount, and purpose of the disbursement.

(3) **Credit card and charge card purchases.** Candidates shall maintain a monthly billing statement or customer receipt for each disbursement from a credit card or charge card account showing vendors underlying the disbursement.

(4) **Reimbursement of advances.** Candidates shall obtain vouchers for any reimbursements they make to persons, including the candidate, for purchases made on behalf of the committee. The voucher shall be presented by the person making the purchase and shall include his or her name, the date and amount of the purchase, the vendor's name, and the manner of payment, including check number, credit card name, and cash. A receipt, bill, or invoice from the vendor shall be attached to the voucher.

(f) **Bank records.** Candidates shall maintain the following records received from banks and other depositories relating to accounts:

(1) all periodic bank or other depository statements in chronological order, maintained with any other related correspondence received with those statements, such as credit and debit memos and contribution checks returned because of insufficient funds and

(2) all returned and cancelled disbursement checks, including substitute checks which may be returned by the bank in lieu of cancelled checks.

(g) **Loans.** The candidate shall obtain, maintain, and make available to the Board upon its request written documentation:

(1) for each loan received, including loans made by the candidate;

(2) for each loan repayment; and

(3) that shows that a loan has been forgiven. The loan agreement shall be contemporaneous and in writing, shall be signed and dated by both parties, and shall provide all terms and conditions of the loan, including the amount and term of the loan. The candidate shall retain copies of loan checks and records of electronic transfers.

(h) **Subcontracted goods and services.** Candidates required to itemize the cost of subcontracted goods and services pursuant to Rule 3-03(e)(3)(ii) shall obtain and maintain documentation from the consultant or other person who or which subcontracts, containing all information required to be disclosed pursuant to that rule.

(i) **Fundraisers.** Candidates shall maintain records for all fund-raising events, including all house parties, which shall contain: the date and location of the event; the person(s) and/or organization(s), other than the candidate's authorized committee, hosting the event; an itemized listing of all expenses incurred in connection with the event, including all expenses whether or not paid or incurred by the authorized committee; and the contributor name and amount of each contribution received at or in connection with the event. This subdivision does not apply to activities on an individual's residential premises, including house parties, to the extent that the cost of those activities do not exceed $500 and are not contributions pursuant to §3-702(8)(ii) of the Code.

(j) **Campaign offices.** Candidates shall maintain a list identifying the address of each campaign office.

(k) **Political advertisements and literature.** Pursuant to New York Election Law §14-106, candidates shall maintain copies of all advertisements, pamphlets, circulars, flyers, brochures, letterheads, and other printed matter or electronic media purchased or produced and a schedule of all radio or television time purchased and scripts used therein.

(l) **Vendors.** In addition to obtaining and keeping contemporaneous documentation (such as bills) for all goods and services provided by vendors, including campaign consultants and attorneys, and employees, when a candidate retains or otherwise authorizes a person or entity (including an employee) to provide goods and/or services to the candidate, and the candidate knows or has reason to believe that the goods and/or services to be provided directly or indirectly by this vendor will exceed $1,000 in value during the campaign, the candidate shall:

(1) keep a copy of the contemporaneously written contract with the vendor, which shall, at a minimum, provide the name and address of the vendor, be signed and dated by both parties, state the terms of the contract including the terms of payment and a detailed description of the goods and/or services to be provided, and shall include, if the contract was at any time amended, a contemporaneously written contract amendment, signed and dated by both parties and describing in detail the changes to the terms and conditions of the contract, or

(2) if no contemporaneously written contract has been entered into, keep a contemporaneously written record that includes the date the vendor is retained or otherwise authorized by the candidate, the name and address of the vendor, and the terms of the agreement or understanding between the candidate and the vendor including the terms of payment and a detailed description of the goods and/or services the vendor is expected to provide. If the agreement or understanding was at any time amended, the candidate shall create and maintain a contemporaneously written record describing in detail the changes to the terms and conditions of the agreement or understanding.

In addition to the records to be kept pursuant to subparagraphs (1) or (2) above, the candidate shall keep evidence sufficient to demonstrate that the work described in the contract was in fact performed and completed. Such evidence may include samples or copies of work product, emails, time records, phone records, and photographs or other documentary evidence. Where such evidence is nonexistent or unavailable, the candidate shall maintain affidavits signed by the vendor and either the candidate, treasurer, or other campaign representative having first-hand knowledge, describing the goods or services provided and the reason(s) why documentary evidence is nonexistent or unavailable.

(m) **Advances.** In such form as may be prescribed by the Board, candidates shall maintain records of advances which shall include the name and address of each person who made an advance on behalf of the authorized committee,

the amount so advanced, the name and address of each payee to whom advanced funds were paid, the amount paid, and the purpose of each payment.

(n) **Business dealings with the City.** For each individual or entity making a contribution, loan, guarantee or other security for such loan in excess of the amounts set forth in §3-703(1-a) of the Code, candidates shall obtain and maintain all records specified by the Board regarding any response, or any failure to respond, concerning whether such individual or entity has business dealings with the City. Such record, at a minimum, shall request that the contributor provide the name of the agency or entity with which such business dealings are or were carried on and the appropriate type or category of such business dealings.

(o) **Travel.** Candidates shall obtain and maintain originals and copies of all checks, bills, or other documentation to verify campaign-related travel transactions reported in disclosure statements. In addition to the above, for all travel, with the exception of travel by public transportation within New York City, candidates shall create and maintain a contemporaneous record describing the campaign-related purpose of the travel, the complete travel itinerary, the dates of the travel, and the names of all individuals who participated in the travel. For travel by private car, candidates must create and maintain a contemporaneous travel log providing, for each trip and each vehicle, the names of the driver and passengers, the date(s) and purpose of each trip, the itinerary, including all the locations of any campaign events and other stops, the beginning and ending mileage, and the total mileage. Travel between two stops is considered an individual trip for logging purposes even if the stops are part of a multi-stop itinerary. For the purposes of reporting and reimbursing campaign expenditures, candidates shall calculate expenditures for travel by private car based on mileage according to the provisions of directive six of the New York City Comptroller.

HISTORICAL NOTE

Section amended City Record Oct. 23, 2008 §6, eff. Nov. 22, 2008. This amendment inadvertently omitted section heading, and (b)(3)(ii) & (iii). [See T52 §1-02 Note 8]

NOTE

1. Statement of Basis and Purpose in City Record Feb. 29, 2000:

Recordkeeping

When a participant knows or has reason to believe that goods and/or services to be provided will exceed $1000 in value, a new rule requires the participant to keep a copy of the written contract or a written record that includes the name and address of the vendor and a description of the goods or services the vendor is expected to provide. Rule 4-01(1).

2. Statement of Basis and Purpose in City Record Mar. 27, 2001: Accounting and Auditing 1. **Records to be Kept for Checks Signed by an Authorized Agent of the Contributor** (Rule 4-01(b); 5-01(d)(19)) The rule codifies Advisory Opinion No. 2000-3 (September 14, 2000) which established the additional documentation a participating candidate must provide the Board for each contribution in the form of a check signed by the contributor's authorized agent, rather than by the contributor, for which public matching funds are claimed. Under the rule, matching funds may only be claimed for contributions in the form of a check signed by an authorized agent of the contributor if the candidate provides a copy of the check upon which is printed the name of the actual contributor; and a document, signed by the contributor which indicates: (1) that the person signing the check is authorized to do so; (2) the date and amount of the contribution; and (3) the committee's name.

3. Statement of Basis and Purpose in City Record Mar. 27, 2001: 2. **Cash and Money Order Contribution Cards (Rule 4-01(b)(3))** The rule amends the requirements for cash and money order contribution cards. Under the rule, contribution cards would be required to include the statement "I hereby affirm that this contribution is being made from my personal funds, is not being reimbursed in any manner, and is not being made as a loan." The statement is required to appear above the entry for the contributor's signature. 3. **Intermediated Contributions** (Rule 4-01(b)(5)) The rule is intended to assist the Campaign Finance Board in auditing contributions made to candidates through intermediaries. Under the rule, in each instance in which a candidate accepts a set of contributions from an intermediary, for those contributions to be valid, the candidate must maintain a written record, or "intermediary statement," setting forth the intermediary's name, address, employer and business address as well as the names of the contributors and the amounts contributed. The record must include the statement: "I hereby affirm that I did not, nor to my knowledge, did anyone else, reimburse any contributor in any manner for his or her contribution, and none of the submitted contributions was made by the contributor as a loan" and must be signed by the intermediary. In addition, the rule mandates that the intermediary card contain the following statement: "The making of false statements in this document is punishable as a class E felony pursuant to §175.35 of the Penal Law and/or a Class A misdemeanor pursuant to §210.45 of the Penal Law."

4. Statement of Basis and Purpose in City Record Aug. 7, 2002: 1. **Requirements for Contribution Card for Cash and Money Order Contributions** (§4-01(b)(3)) The amendment to §4-01(b)(3) clarifies the required elements of the contribution card that must be filed for each cash and money order contribution received. It also requires the contributor to indicate the date on which he or she signed the card, and provides that participants may use a single card to satisfy the requirements of both §4-01(b)(3) and the amendments to §5-01(n) described below. This change to require the date on which the card is signed is made in response to instances in past elections where the Board has received contribution cards where signatures and dates have appeared inconsistent, giving rise to inferences of fraud. The Board believes that this increased contemporaneous recordkeeping requirement will assist the Board's efforts to police against fraud. 2. **Documenting Credit Card Contributions** (§§4-01(b)(6), 3-04(f)) Advisory Opinion No. 1994-2 and a 2000 Board publication entitled "Claiming Matching Funds for Credit Card Contributions" require participants who wish to accept contributions made through credit cards to maintain and submit to the Board certain documents, including an "authorization card" for each contribution that is signed by the contributor. New §4-01(b)(6) codifies this record-keeping requirement, and new §3-04(f) requires the submission to the Board of the authorization cards and other specified records for any credit card contribution claimed to be matchable with public funds. These rules do not create any new obligations.

5. Statement of Basis and Purpose in City Record July 20, 1999: Recordkeeping Recordkeeping requirements for bills, deposit slips, checks, fundraising events, and advances are simplified. Rule 4-01. The requirement for fundraising agent records is repealed as redundant. Rule 4-01(l). A matchable contribution claim will be invalidated if the participant fails to provide a record for the contribution when requested by the Board. Rule 5-01(d)(15).

6. Statement of Basis and Purpose in City Record Oct. 10, 1995: Record keeping (R. 4-01(b), (k)) Participating candidates are no longer required to group monetary instruments with associated deposit slips if they have an alternative method that shows, in a manner that similarly facilitates expenditious review, when the receipts were deposited. The rules require participating candidates to keep signed contributor cards for contributions made by money order and copies of campaign advertisements and literature (following a State law requirement). Record keeping requirements for fund raising agents, campaign offices, and advances are described elsewhere in this summary.

7. Statement of Basis and Purpose in City Record Oct. 18, 1996: **Receipts** (R. 4-01(b)(3)) The rules mandate that cash and money order contribution records have separate lines for the contributor's name, the contributor's signature, and the committee's name.

8. Statement of Basis and Purpose in City Record Oct. 18, 1996: Recordkeeping **Bank Records** (R. 4-01(b)(1) and R. 4-01(f)) The rules move the requirement that deposit slips be kept in chronological order from R. 4-01(f)(3) to R. 4-01(b)(1).

9. Statement of Basis and Purpose in City Record May 5, 2003: Auditing and Accounting 2. **"Best Efforts" for Unreported Contributor Information** (§4-01(b)(4)) The amendment repeals §4-01(b)(4) to eliminate the requirement that participants maintain a record of efforts made to obtain missing contributor information.

CHAPTER 4 ACCOUNTING AND AUDITING

§4-03 Record Retention.

(a) **Six-year retention period.** The candidate shall retain all records and documents required to be kept under §4-01 for 6 years after the date of the last election to which the records or documents relate.

(b) **Custodian and location of Records.** At the time of the filing of the filer registration form and/or certification, the candidate shall notify the Board, in writing, of the name, address, e-mail address, and telephone number of the person who is the custodian for the candidate's records and documents for an election and the location of those records and documents. Thereafter, for 6 years after the date of the last election to which the records or documents relate, the candidate shall notify the Board, in writing, of any change of custodian, of the custodian's address, e-mail address, or telephone number, and of the location of the candidate's records and documents, no later than the deadline for filing the next disclosure statement, or, in the case of changes that occur after the deadline for the last disclosure statement required to be filed, no later than 30 days after the date of the change.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 4 ACCOUNTING AND AUDITING

§4-04 Assistance to Candidates; Records.

In order to promote compliance with the requirements of the Act and these Rules, the Board's staff shall offer assistance to candidates in developing campaign procedures for gathering campaign finance information and keeping records and shall, to the extent feasible, provide model recordkeeping journals and forms. A participant's failure to keep records required by this Chapter, or provide to the Board, upon its request or as required by these Rules, records or other information, may result in a determination that matchable contribution claims are invalid pursuant to §5-01(d)(17); a determination pursuant to §3-710(2)(b) of the Code that the participant made expenditures for purposes other than qualified campaign expenditures, including a determination whether the participating candidate shall be required to personally repay such expenditures to the Board; a determination pursuant to §3-710(2)(c) of the Code that the participant must return excess funds to the Board due to the failure to demonstrate that the participant made expenditures in furtherance of his or her nomination or election equal to or greater than the total of contributions, other receipts, and payments from the fund received; the withholding of public funds pursuant to §5-01(e); and the assessment of penalties pursuant to §§3-710.5 and 3-711 of the Code.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 4 ACCOUNTING AND AUDITING

§4-05 Audits.

(a) The Board shall conduct desk and field audits of participants, limited participants, and non-participants, regardless whether the candidates receive public funds. Field audits may be conducted before or after an election, as the Board deems appropriate. In conducting audits, the Board may use random sampling of data and other analytic techniques, as appropriate. The Board shall conduct campaign audits in accordance with generally accepted government auditing standards.

(b) The Board shall issue all draft and final audit reports in accordance with the deadlines provided in §3-710(1)(a) and (b) of the Code subject to any applicable exceptions to those deadlines provided in §3-710(1)(d), (e), and (f) of the Code; provided, however, that the Board shall not be required to provide the candidate a final audit report within fourteen months after the deadline for submission of the final disclosure report for the covered election for city council races and borough-wide races, or within sixteen months after the deadline for submission of the final disclosure report for the covered election for citywide races, unless the candidate or the candidate's treasurer or campaign manager completed an audit training provided by the Board prior to the applicable deadline provided in Rule 2-12(b).

DERIVATION

Section in original publication July 1, 1991.

NOTE

1. Statement of Basis and Purpose in City Record Nov. 19, 2002:

2. **Auditing** (§4-05)

This amendment provides that the Board shall issue all draft audit reports before the end of the year following an election, to the extent practicable. After the 2001 elections, some participants questioned Board staff about the length of the post-election audit process. Although the Board staff already has issued more than half of all draft audits for the 2001 elections, despite losing several months of time due to the staff's displacement as a result of the September 11 attacks on the World Trade Center, the Board believes this amendment will better inform participants about the timing of the audit process.

52 RCNY 5-01

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 5 PUBLIC FUNDS

§5-01 Payment Procedure.

(a)(1) **Board determines eligibility.** No payments from the Fund shall be made to a participant unless the Board has determined that a candidate has met all eligibility requirements of the Act and these rules. The Board shall notify the participant of a determination of ineligibility.

(2) **Public funds cap.** (i) The Board shall determine, pursuant to §3-705(7)(a) of the Code, whether a participant is opposed by another candidate who has spent or contracted or obligated to spend, or received in loans or contributions, or both, an amount which in the aggregate exceeds one-fifth of the expenditure limit applicable to the participant. Such determination shall be made pursuant to Rule 7-03.

(ii) Participants seeking additional public funds pursuant to §3-705(7)(b) of the Code must file a signed statement with the Board pursuant to §3-705(7)(b) no later than the due date for the disclosure statement immediately preceding the public funds payment for which the participant is seeking to receive the additional public funds; provided, however, that participants seeking to receive the additional public funds on the first date payments are made by the Board for a primary election, must file the signed statement with the Board no later than the day before the first date the Board of Elections conducts hearings on any ballot petition filed by any candidate seeking nomination for election in any primary occurring in the same election cycle for which the candidate is seeking nomination for election, without regard to whether such hearings are related to a petition filed by an opponent of the participant.

(3) **Small primaries.** (i) A participant on the ballot in one or more primary election(s) in which the number of persons eligible to vote for party nominees in each such election totals fewer than one thousand shall not receive public funds in excess of five thousand dollars for qualified campaign expenditures in such election or elections; provided,

however, that the foregoing limitation shall not apply to such participant if he or she is opposed in a primary election by (A) a participant who is not subject to such limitation or (B) a limited participant or non-participant who has spent or contracted or obligated to spend in excess of ten thousand dollars for such primary election. The Board shall determine whether a non-participant has exceeded such ten thousand dollar level pursuant to §7-03.

(ii) For the purposes of subparagraph (i), the number of persons eligible to vote for party nominees in a primary election shall be as determined by the Board of Elections for the calendar year of the primary election pursuant to §5-604 of the New York Election Law. If such determination for any primary election is not available from the Board of Elections as of the day before the due date for filing a certification pursuant to §3-703(1)(c) of the Code, the most recent determination by the Board of Elections of the persons eligible to vote for party nominees for the office for which such primary election is held shall be relied upon.

(4) **Non-competitive campaigns.** (i) Pursuant to §3-705(9) of the Code, a participating candidate who endorses or otherwise publicly supports his or her opponent for election shall not be eligible for public funds.

(ii) Pursuant to §3-705(10) of the Code, a participating candidate who loses the primary election but remains on the ballot for the general election shall be ineligible to receive public funds unless the candidate certifies to the Board that he or she will actively campaign for office, by measures including but not limited to raising and spending funds, seeking endorsements, and broadly soliciting votes.

(5) **Bonus determinations.** (i) Pursuant to §3-706(3)(a) of the Code, where the Board has determined that a non-participating candidate has spent or contracted or has obligated to spend, or received in loans or contributions, or both, an amount which, in the aggregate, exceeds half the applicable expenditure limit pursuant to §3-706(1)(a) of the Code, then:

(ii) such expenditure limit applicable to participating candidates and limited participating candidates in such election for such office shall be increased to one hundred fifty percent of such limit; and

(iii) the principal committees of such participating candidates shall receive payment for qualified campaign expenditures of approximately seven dollars and fourteen cents for each dollar of matchable contributions, up to one thousand two hundred fifty dollars in public funds per contributor (or approximately $7.18 for each dollar of matchable contributions, up to six hundred twenty-five dollars in public funds per contributor in the case of a special election); provided, however, that (A) participating candidates in a run off election shall receive public funds for such election pursuant to subdivision five of §3-705 and shall not receive any additional public funds pursuant to this section, and (B) in no case shall a principal committee receive in public funds an amount exceeding two-thirds of the expenditure limitation provided for such office in §3-706(1)(a) of the Code.

(iv) Pursuant to §3-706(3)(b) of the Code, where the Board has determined that a non-participating candidate has spent or contracted or has obligated to spend, or received in loans or contributions, or both, an amount which, in the aggregate, exceeds three times the applicable expenditure limit pursuant to §3-706(1)(b) of the Code, then:

(v) such expenditure limit shall no longer apply to participating candidates and limited participating candidates in such election for such office; and

(vi) the principal committees of such participating candidates shall receive payment for qualified campaign expenditures of approximately eight dollars and fifty-seven cents for each dollar of matchable contributions, up to one thousand five hundred dollars in public funds per contributor (or approximately $8.62 for each dollar of matchable contributions, up to seven hundred fifty dollars in public funds per contributor in the case of a special election); provided, however, that (A) participating candidates in a run off election shall receive public funds for such election pursuant to subdivision five of §3-705 and shall not receive any additional public funds pursuant to this section, and (B) in no case shall a principal committee receive in public funds an amount exceeding one hundred twenty-five percent of the expenditure limitation provided for such office in §3-706(1)(a) of the Code.

(b) **Preliminary review of disclosure statements.** (i) In order to make possible payment within four business days after receipt of disclosure statements, or as soon thereafter as is practicable, pursuant to §3-705(4) of the Code, the Board shall conduct a preliminary review of all disclosure statements filed and all receipts filed indicating proof of compliance with §12-110 of the Code. This preliminary review may be delayed if the participant fails to submit a disclosure statement, a receipt indicating compliance with §12-110 of the Code or information requested by the Board, or fails to submit a disclosure statement, a receipt indicating compliance with §12-110 of the Code or information requested by the Board by the date required by the Board, or submits a disclosure statement that fails to comply substantially with the requirements of the Act or these rules. A preliminary review may also be delayed for other reasons, including, but not limited to, consideration of whether a basis exists for an ineligibility determination, as described in subdivision (f). A delayed preliminary review may result in a delay in a payment determination, until such time as it is practicable and the Board is considering making payments based on matchable contributions claimed in disclosure statements actually received on or before a subsequent applicable due date.

(ii) After a participant has been informed that a matchable contribution claim has been deemed invalid or that the participant is ineligible for public funds, the participant shall not include in any petition or request to the Board any documentation or factual information not submitted to the Board prior to the determination under review unless the participating candidate can demonstrate good cause for the previous failure to submit such documentation or information and for any failures to communicate on a timely basis with the Board.

(c) **Basis for payments.** The amount paid to a participant shall be based upon the Board's review and audit of matchable contributions claimed and qualified campaign expenditures.

(d) **Validity of matchable contribution claims and projected rate of invalid claims.** The Board shall not make payment for any matchable contribution claim it determines or projects to be invalid. The Board shall consider the following factors in determining that matchable contribution claims are invalid and in projecting a rate of invalid matchable contribution claims:

(1) cash contributions from any one contributor that are greater than $100 in the aggregate, in violation of New York Election Law §14-118(2), or money order contributions from any one contributor that are greater than $100 in the aggregate;

(2) contributors who are individuals under the age of eighteen years or that are entities other than individuals;

(3) matchable contribution claims that would yield more than $1,050 in public funds per contributor (or $522 in the case of a special election);

(4) contributions that exceed the contribution limit applicable under the Act;

(5) contributor addresses that are not residential addresses within New York City;

(6) contributions for which information is omitted from or illegible in a disclosure statement;

(7) contributions made later than December 31 of the election year;

(8) contributions originally received for elections other than the election in which the candidate is currently a participant, as described in Rule 1-07;

(9) matchable contribution claims that exceed the gross amount of the contribution;

(10) contributions that were not received within the reporting period or that were made by post-dated check;

(11) (i) contributions totaling more than $99 for which a participant has not reported the contributor's occupation, employer, and business address;

(ii) contributions totaling less than $99 for which a participant is required to report the contributor's occupation, employer, and business address, pursuant to §3-03(c)(6)(ii), but has failed to do so;

(12) contributions that were returned to or not paid by the contributor;

(13) checks drawn by a person other than the contributor except checks signed by a contributor's authorized agent where the documentation required under §4-01(b)(2) has been maintained and provided;

(14) contributions that are otherwise not matchable contributions within the meaning of the Act;

(15) any information that suggests that a contribution has not been processed or reported in accordance with Program requirements;

(16) any other information that suggests that matchable contribution claims may be invalid;

(17) contributions for which a record required under Chapter 4 was not kept or provided upon request;

(18) contributions for which complete supporting documentation required by §3-04(a) has not been submitted;

(19) check or money order contributions made payable to entities other than the committee that has reported receiving the contribution;

(20) contributions that were made or accepted in violation of any federal, state, or local law;

(21) contributions received before May 12 in the year of the election that were not contemporaneously reported as matchable in disclosure statements or were reported in such statements that were not filed in a complete and timely manner;

(22) contribution checks drawn on business accounts, or accounts that bear indicia of being business accounts, such as the contributor's professional title;

(23) contributions purportedly from different contributors that were made by money orders bearing consecutive serial numbers or other markings indicating that they were purchased simultaneously;

(24) arithmetical errors in totals reported;

(25) contributions that were not itemized in a disclosure statement;

(26) transfers made to a political committee that is not authorized for an election in which the candidate is currently a participant, as described in §5-01(n)(1); and

(27) contributions required to be deposited into an account established for a run-off election, as provided in Rule 2-06(c);

(28) contributions from individuals, other than employees of the candidate's principal committee, who are vendors to the participant or individuals who have an interest in a vendor to the participant, unless the expenditure to the vendor is reimbursement for an advance. For the purposes of this rule, "individuals who have an interest in a vendor" shall mean individuals having an ownership interest of ten percent or more in a vendor or control over the vendor. An individual shall be deemed to have control over the vendor firm if the individual holds a management position, such as the position of officer, director or trustee; and

(29) contributions from individuals having business dealings with the city, as defined in §3-702(18) of the Code, and contributions from lobbyists as defined in §3-211 of the Code.

(e) **Withholding of public funds.** The Board shall withhold five percent of the amount of public funds payable to a participant until the final pre-election payment for any election in which the participant is eligible to receive public funds. In addition, the Board, in its discretion, may withhold a reasonable portion of the amount of public funds payable to a participant based upon:

(1) a projection of the rate(s) of invalid matchable contribution claims; and

(2) the participant's failure to provide to the Board, upon its request, documents or records required by Chapter 4 of these rules, or other information.

(f) **Basis for ineligibility determination.** The Board shall determine whether public funds shall not be paid to a participant for reasons that include, but are not limited to:

(1) if there is reason to believe that the participant has committed a violation of the Act or these Rules;

(2) if the participant has failed to meet one of the eligibility criteria of the Act or these Rules;

(3) if the participant is required to repay public funds previously received, as described in Rule 5-03, or if the participant has failed to pay any outstanding claim of the Board for the payment of civil penalties or the repayment of public funds against such participant or his or her principal committee or a principal committee of such participant from a prior covered election, provided that the participant has received written notice of the potential payment obligation and potential ineligibility determination in advance of the certification deadline for the current covered election or an opportunity to present reasons for his or her eligibility for public funds to the Board;

(4) if the participant fails to submit a disclosure statement required by these rules;

(5) if the participant fails to provide to the Board, upon its request, documents or records required by Chapter 4 of these rules, or other information that verifies campaign activity;

(6) if previous public fund payments to the participant for the election equal the maximum permitted by the Act;

(7) if the participant or an agent of the participant has been found by the Board to have committed fraud in the course of Program participation or to be in breach of certification pursuant to Rule 2-02;

(8) if the participant fails to file the receipt indicating compliance with §12-110 of the Code, as required pursuant to §3-703(1)(m) of the Code and Rule 3-11;

(9) if the participant endorses or publicly supports his or her opponent for election pursuant to §3-705(9) of the Code; or

(10) if the participant loses in the primary election but remains on the ballot for the general election and fails to certify to the Board, as required by §3-705(10) of the Code, that he or she will actively campaign for office in the general election, or if the participant certifies to the Board that he or she will actively campaign for office in the general election but thereafter fails to engage in campaign activity that shall include but not be limited to, raising and spending funds, seeking endorsements, and broadly soliciting votes.

(g) **Payment is not final determination.** Payments of public funds pursuant to this Rule shall not constitute the Board's final determination of the amount, if any, for which the participant qualifies. The Board shall provide specific notice of any such final determination.

(h) **Notice to participants.** The Board shall notify participants of any difference between the amount claimed and amount paid. Subsequent payments may be, adjusted upward or downward to reflect further review and auditing of previous matchable contribution claims.

(i) **Pre-election payments.** (1) Pursuant to §3-709(5) and (6) of the Code: (i) no public funds shall be paid to participants in a primary election any earlier than two weeks after the last day to file designating petitions for such primary election; (ii) no public funds shall be paid to participants in a runoff primary election or general election any earlier than the day after the day of the primary election held to nominate candidates for such election; and (iii) no public funds shall be paid to participants in a runoff special election held to fill a vacancy any earlier than the day after the day of the special election for which such runoff special election is held.

(2) Pursuant to §3-703(1)(a) and (5) of the Code, public funds are not payable to a participant who has not met the legal requirements to have his or her name on the ballot or who is unopposed. To enable the Board to ascertain whether a candidate has met the legal requirements to be on the ballot and is opposed, the Board shall first make payments in an election after the Board of Elections conducts hearings on the ballot petitions filed in that election except if the Board determines that delays in Board of Elections proceedings or determinations warrant first making payments earlier.

(3) The Board shall schedule at least three payment dates in the thirty days prior to a covered election, and the Board shall provide each participant a written determination specifying the basis for any payment or non-payment. As provided in §5-02(a), the participant may petition the Board in writing for a reconsideration of any such payment or non-payment determination, prior to the election, and such reconsideration shall occur within five business days of the filing of such petition.

(j) **Flat grants in special circumstances.** Pursuant to §3-705(5)(a) of the Code, the Board shall pay to a participant in a runoff primary election or runoff special election an amount equal to twenty-five cents for each one dollar of public funds paid to the participant for the preceding election. The amount paid pursuant to this subdivision may be adjusted to reflect further review and auditing of matchable contribution claims for the preceding election. The Board shall make payments pursuant to this subdivision within four business days after the date of the preceding election or as soon thereafter as practicable.

(k) **Post-payment audits.** All determinations by the Board of eligibility and payment are subject to post-payment audit and final readjustment.

(l) **Characterization of payments as for the primary or general election.**

(1) If a participant is on the ballot and has an opponent on the ballot in both a primary and the general elections, payments made after the primary election will be characterized initially as follows:

(i) As a primary election payment, if the payment is made on the basis of contribution and expenditure information reported in or before the disclosure statement due 10 days after the primary election, except as otherwise provided in subparagraph (ii).

(ii) As a general election payment, to the extent that any further primary election payments would exceed a maximum applicable in the primary election pursuant to the Act.

(iii) As a general election payment, if the payment is made on the basis of contribution and expenditure information reported in disclosure statements due later than 10 days after the primary election.

(2) If the Board determines that payments characterized initially as either primary or general election payments were, in fact, used for qualified campaign expenditures incurred in the other election, the payments will be recharacterized accordingly, and additional payments may be made or repayments required, if appropriate. The total public funds used for qualified campaign expenditures in a single election may not exceed the maximum applicable pursuant to §3-705(2) of the Code.

(m) **Post-election payments.** After an election the Board may defer payment determinations for a participant until the completion of its audit of the participant. The Board shall not make payments based upon disclosure statement

amendments or resubmissions filed (i) after December 31 in an election year, including but not limited to amendments or resubmissions of the disclosure statement due the first January 15 after the election, or (ii) after the final disclosure statement in the case of a special election; provided however, that the Board may make payments based upon such amendments or resubmissions solely if they are made in response to invalid matching claims reports to which the Board has requested a response after December 31 in an election year or after the final special election disclosure statement, as the case may be.

(n) **Deductions from payments.**

(1) The following will be deemed to consist entirely of contributions claimed to be matchable:

(i) transfers and other disbursements from a political committee that is involved in an election in which the candidate is currently a participant to a political committee that is not involved in that election;

(ii) expenditures made to pay expenses for or debt from a previous election, including repayments of public funds owed to the Board for a previous election;

(iii) contributions to other political committees that do not meet the requirements provided in §3-705(8) of the Code for contributions that shall not be a basis for reducing public funds payments; and

(iv) loans to or spending for other candidates (including joint expenditures to the extent such expenditures benefit another candidate, and independent expenditures) and loans to or spending for political party committees and political clubs, that are not reimbursed within 30 days, provided that if the participant demonstrates that the expenditure was for a tangible item that directly promotes the participant's election, such as an advertisement in a fundraising journal, this subdivision shall not apply to the fair market value of that item. An amount equal to the amount of public funds the participant is otherwise eligible to receive for such matchable contribution claims shall be deducted from the public funds paid to the participant.

(2) Notwithstanding paragraph (1) above, disbursements otherwise subject to a deduction pursuant to paragraph (1) shall not be subject to such deduction if:

(i) such disbursements are made out of a segregated bank account;

(ii) at no time does such segregated bank account contain any funds other than contributions received by the participant and deposited directly into such account pursuant to this Rule, and bank interest paid thereon;

(iii) funds deposited into the segregated bank account are not used for any purpose other than (I) disbursements governed by paragraph (1) above or (II) payment of bank fees associated with the segregated bank account;

(iv) contributors whose contributions are deposited into such segregated bank account have confirmed in writing, pursuant to §4-01(b)(7), that they understand that these contributions will only be used for such disbursements and will not be matched with public funds;

(v) copies of such written confirmations are submitted to the Board by the due date for the disclosure statement in which such contributions are required to be reported pursuant to these Rules;

(vi) copies of checks for each disbursement out of such segregated bank account are submitted to the Board by the due date for the disclosure statement in which such disbursements are required to be reported pursuant to these Rules;

(vii) a copy of each bank statement for such segregated bank account is submitted to the Board as soon as reasonably practicable after it is available to the campaign from the bank; and

(viii) for each individual contribution deposited into a segregated bank account, and each disbursement out of such

account, the participant has complied with all other applicable provisions of the Act and these Rules, including but not limited to the record keeping and reporting provisions.

(3) Section 1-09 shall be applicable for the purposes of determining the date of receipt by the Board of documents submitted pursuant to this Rule.

(4) Participants may not deposit a portion of a particular contribution into the segregated bank account provided for in paragraph (2), but must rather deposit the entire contribution into the account.

(5) Contributions deposited into a segregated bank account pursuant to this Rule will not be matched with public funds.

(6) A participant who establishes a segregated bank account pursuant to this Rule but fails to comply with any provision of paragraph (2) or (4) above shall no longer be entitled to the exception from paragraph (1) contained in paragraph (2) above.

(7) Funds deposited into, and disbursements made from a segregated bank account established and maintained in compliance with this Rule for the purpose of making expenditures to pay expenses for or debt from a previous election, including repayments of public funds owed to the Board, will not be considered to be raised or spent for the current covered election for purposes of the participant's expenditure limit and unspent campaign funds calculation.

(o) **Use of final payment.** Before the Board makes final payment, the participant shall submit to the Board bills or other documentation of outstanding debt for which the final public funds payment will be used. Within 60 days after the final public funds payment, the participant must demonstrate that the public funds were used to pay such outstanding debt or shall repay the public funds to the Board.

(p) **Responding to invalid matching claims reports.** In the event that the Board concludes that one or more of a participant's matchable contribution claims are invalid, a participant responding to the Board's report shall do so by the March 15 following the election or 60 days after receiving the report, whichever is later. In the case of a special election, a participant shall respond to an invalid matching claims report no later than 60 days after receiving the report.

(q) **Ballot disqualification by Board of Elections; candidate not opposed on the ballot.** The Board will not make payment to any participant disqualified from the ballot by the Board of Elections or by a court, or to any participant for an election in which all other candidates have been disqualified from the ballot by the Board of Elections or by a court, until after such participant or other candidate, as the case may be, is restored to the ballot by a subsequent determination by a court of competent jurisdiction. A participant who appears as the only candidate on the ballot in an election shall not be eligible to receive public funds, notwithstanding any write-in candidates in that election, except as otherwise provided in Rule 5-02(b).

(r) **Reduction in maximum public funds payable.** Pursuant to §3-705 of the Act, the maximum amount of public funds a participant may otherwise be eligible to receive will be reduced by the sum of the following:

(1) any public funds retained by the Board in lieu of civil penalties;

(2) any public funds retained by the Board in lieu of funds the participant is required to pay back to the Fund pursuant to the Act;

(3) any public funds withheld pursuant to Rule 5-01(e)(2); and

(4) pursuant to §3-703(1-b) of the Code, an amount equal to the total unreturned contributions in excess of the limitations applicable to persons having business dealings with the city.

(s) **Approval by Board subject to correction of limited, isolated, and easily corrected compliance issues.** The

Board, in its discretion, may approve a public funds payment to a participant, notwithstanding that the participant has been determined by the Board to be ineligible to receive public funds because of limited, isolated, and easily corrected compliance issues. Such approval of public funds disbursement shall be conditioned upon a satisfactory demonstration by the participant that it has taken action, as specified by the Board and within a period of time specified by the Board, to comply with the Act and these rules. The participant shall have the burden of demonstrating to the Board that it has fully complied with the Board's requirements.

(t) **Payment of expenditures made in connection with litigation with public funds.** A participating candidate and his or her principal committee may not use public funds to pay expenditures made in connection with any action, claim, or suit before any court or arbitrator.

(u) **Payment by Electronic Funds Transfer.** All payments of public funds shall be by electronic funds transfer unless the Board determines, in its sole discretion, to use an alternative payment method. In order to receive prompt payment, the participating candidate shall provide the Board with a voided check and such additional information as shall be required by the Board.

HISTORICAL NOTE

Subd. (q) added City Record July 20, 1999 §56, eff. Aug. 19, 1999. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record July 20, 1999:

Public Funds

New use restrictions are codified. Rule 1-08(g), following Local Law No. 48 of 1998 amendments to Administrative Code §3-704.

To receive public funds, participants must meet the legal requirements to be on the ballot and be opposed. Thus:

· The Board will first make public funds payments after the Board of Elections conducts hearings on ballot petitions, except if the Board determines that delays in Board of Elections proceedings warrant making first payments earlier. Section 5-01(i).

· Public funds payments will not be made to a participant disqualified from the ballot by the Board of Elections, or all of whose opponents are disqualified by the Board of Elections, until the participant or opponent is restored to the ballot by a court. Section 5-01(q).

· Payments will not be made for a primary election held because of an opportunity to ballot petition in which the participant is the only candidate on the ballot (Advisory Opinion No. 1999-9). Section 5-01(q).

· A participant temporarily on the ballot or opposed due to a Board of Elections or court determination, but ultimately disqualified from the ballot or unopposed, may submit a petition to the Board for payment (codifying Advisory Opinion No. 1997-4 (June 12, 1997)). The petition is due within 30 days after the final disqualification. Section 5-02(b).

Deductions from public funds payments will not be made for expenditures to other candidates or committees for the fair market value of a tangible item directly promoting the participant's election, such as an advertisement in a journal. Advisory Opinion No. 1997-12 (October 9, 1997). When a disbursement is presumed to consist of matchable contributions, however, the amount to be deducted is equal to the amount of public funds otherwise due to the participant for such matchable contribution claims (at the 4:1 or 5:1 payment rate, whichever is applicable). Section 5-01(n).

Before the Board makes a final public funds payment for an election, the participant will have to submit bills or other documentation of the outstanding debt for which the payment will be used. Documentation of the final use would be due within 60 days after final payment. Section 5-01(o).

Unspent campaign funds will be due to be paid to the Board on the closing date of the final disclosure statement. Section 5-03(e), reflecting amendments to Administrative Code §3-710(2)(c).

Before repaying unspent campaign funds, participants will be permitted to make certain post-election expenditures for routine, nominal wind-up costs. Section 5-03(e)(2)(ii), codifying Advisory Opinions Nos. 1989-56 (December 19, 1989); 1992-1 (January 21, 1992); 1997-13 (November 25, 1997); and 1997-14 (December 9, 1997).

The Board will take certain steps to safeguard the administration of the special Public Fund and assure candidates that sufficient public funds will be available to make all payments required by the Campaign Finance Act and guaranteed by the City Charter. Section 5-04.

2. Statement of Basis and Purpose in City Record Aug. 7, 2002: Public Funds 1. **Submission of Documentation to Board Regarding Payment of Public Funds** (§5-01(b)) In the 2001 election cycle, some participants attempted to submit documents to the Board regarding their eligibility to receive public funds or the validity of their matchable contribution claims, even though they had not previously submitted such documents to the staff of the Board for review. The amendment to §5-01(b) prohibits a participant from submitting a document to the Board relating to a payment issue unless the document was previously submitted to the staff or was previously unavailable. The amendment also confirms that the Board will not make payments within four business days, pursuant to §3-705(4) of the Code, based on submissions that are not filed in a timely manner. 2. **Invalid Matching Claims** (§§5-01(d), 1-11, 4-06) The amendment to §5-01(d) updates the rule to reflect the factors considered by the Board in determining whether to invalidate claims for matching funds. The amendment also reorders the reasons for invalidating matching claims to correspond to the list of invalid claim codes in the invalid matching claims report mailed to candidates. Paragraphs (18), (19), and (23) are new and confirm that: (1) matchable contribution claims submitted without documentation are invalid; (2) contributions made payable to entities other than the committee that has reported receiving the contribution are not matchable; and (3) money orders having consecutive serial numbers will be invalidated for matching purposes. Paragraph (22) is amended to clarify that the Board may consider a contribution check drawn on an account that bears indicia of being a business account, as a factor in determining that a matching contribution claim is invalid. This change does not create any new obligations for participants, but merely clarifies that the burden is on the participant to establish that checks appearing to come from businesses in fact come from individuals. Nonetheless, the Board staff anticipates issuing guidance to participants in the 2003 elections as to how to properly claim matching funds for checks bearing indicia of business accounts that are actually from individuals. Paragraph (3) is amended to clarify that matchable claims may be invalidated pursuant to the subsection if they would yield more than $1,000 in public funds; a corresponding amendment is also made to §3-04(a) (see Reporting Requirements paragraph 6 above). The remaining paragraphs are renumbered and redrafted to eliminate redundancies and clarify language. 3. **Withholding a Portion of Public Funds** (§5-01(e)) The amendment to §5-01(e) clarifies the reasons for which the Board may withhold portions of public funds payments, and distinguishes this subdivision from §5-01(f), which addresses a participant's ineligibility to receive public funds. 4. **Ineligibility for Public Funds** (§5-01(f)) The amendment to §5-01(f) confirms that the Board may determine a candidate to be ineligible to receive public funds because, among other reasons, the participant has failed to file a disclosure statement or supporting document that is required under the rules, or has failed to provide any other information requested by the Board to verify campaign activity that has been reported in disclosure statements. The amendment also deletes from §5-01(f) the final sentence of the rule that addresses a possible reduction in the maximum amount of public funds, and moves this provision to a new §5-01(r). 5. **Post-Election Payments** (§5-01(m)) The amendment clarifies that invalid matching claims reports received after December 31 of an election year are not covered by the prohibition on making payments on certain disclosure statement filings received after that date. 6. **Deductions from Payments** (§§5-01(n), 2-06, 3-05, 4-01(b)) Disbursements governed by §5-01(n) are hybrid cash flows, actions that the Board recognizes are routinely made by participants but that do not necessarily directly benefit their election. The Board does not want to prevent participants from making these disbursements, but at the same time the Board does not want these disbursements made with or subsidized by public funds. Consequently, the amendment to §5-01(n) has the following purposes: to provide a safe harbor from the deductions contained in §5-01(n); to protect the Public Fund from subsidizing these disbursements; to prevent commingling of funds used for these disbursements with other funds; and to lay to rest any misconception regarding the applicability of the deduction contained in the Rule. Thus, the amendment permits participants to avoid the deduction by segregating certain contributions in a separate account. Funds from this account will not be matched with public funds and will only be used for disbursements that would otherwise be subject to a §5-01(n) deduction. The contributor must confirm in writing that he or she knows that the participant will use the contribution in this manner. The amendment also includes contributions from participants to political clubs within the ambit of §5-01(n). The Rule currently only includes contributions to candidates and to political party committees (defined in Advisory Opinion No. 1997-12 (October 7, 1997) as party committees and constituted committees, each as defined in the New York State Election Law). However, contributions to political clubs implicate the same concerns. 7. **Ineligibility for Payment Due to Opponent's Disqualification by Courts** (§5-01(q)) Pursuant to §3-703(1)(a) and (5) of the Code, a participant in the Campaign Finance Program is eligible to receive public funds only if he or she is on the election ballot and is opposed in that election by another candidate. The current version of

§5-01(q) provides that a participant who is disqualified from the ballot by the New York City Board of Elections ("BOE"), or whose opponents on the ballot are disqualified by the BOE, is ineligible for payment. The amendment confirms that, in addition, a participant who has been disqualified from the ballot by a court, or whose opponents have been disqualified from the ballot by a court, is not eligible for public funds. The amendment clarifies that the opposition requirement extends to both primary and general election candidates. 8. **Reduction in Maximum Public Funds Payable** (§5-01(r)) The final sentence of §5-01(f), providing for a possible reduction in the maximum amount of public funds payable, is deleted and moved to a new §5-01(r).

3. Statement of Basis and Purpose in City Record Jan. 15, 2003: **Approval of Public Funds Payments Subject to Correction of Limited, Isolated, and Easily Corrected Compliance Issues** (Rule 5-01(s)) During the 2001 election cycle, the Board on several occasions approved public funds payments to campaigns subject to resolution of limited, isolated, and easily corrected compliance issues. Once the campaigns had demonstrated to the Board that they were in compliance, the public funds were released. New Rule 5-01(s) codifies the Board's current practice.

4. Statement of Basis and Purpose in City Record Oct. 10, 1995: Public Funds **Reasons for Reduced Payments** (R. 5-01(d)(17), (n)) The rules codify or recodify the following reasons for reducing public funds payments to participating candidates: transfers to a committee not involved in the current election (from R. 3-03(c)(2)(iii)); expenditures to pay expenses from a previous election (from Advisory Opinion No. 1993-2 (February 17, 1993)); and contributions or loans to or expenditures for other candidates or political party committees that are not refunded within 30 days. **Final Payment** (R. 5-01(o)) Under the new rules, within 30 days after the final public funds payment to a participating candidate for an election, the participating candidate must demonstrate that the payment was used to pay previously reported outstanding debt. Otherwise, the final payment must be returned to the Board.

5. Statement of Basis and Purpose in City Record Oct. 18, 1996: Public Funds Payments **Responding to Invalid Matching Claims Reports** (R. 5-01(p)) Under the rules, a participant responding to an invalid matching claim report is required to respond by the March 15 following the election or 60 days after receiving the report, whichever is later. **Post-election Payments** (R. 5-01(m) and R. 1-08(g)) Under the rules, a deadline is established which prohibits payment of public matching funds based upon amendments to and resubmissions of a disclosure statement after a certain date. Specifically, payments cannot be based upon any disclosure statement amendments or resubmissions that are filed after December 31 after the election. Furthermore, participants are prohibited from receiving any public matching funds based upon amendments to and resubmissions of the January 15 filing following an election. The new rules make clear that the maximum amount of public funds a participant may receive will be reduced by any civil penalties imposed pursuant to the Act, any money the participant is required to pay back to the Board pursuant to the Act, and any public funds withheld based upon the participant's failure to file with the Board required or requested information.

6. Statement of Basis and Purpose in City Record May 5, 2003: Public Funds 1. **Eligibility to Receive Public Funds** (§5-01(a)) Local Law No. 12 of 2003 provides that the amount of public funds payable to a participant shall be limited to 25% of the maximum public funds payment otherwise payable under Administrative Code §3-705(2) unless the participant: (i) is opposed by another participant who has qualified to receive public funds; (ii) is opposed by a candidate who has spent or contracted or obligated to spend, or received in loans or contributions, or both, an amount which, in the aggregate, exceeds one-fifth of the applicable expenditure limit; or (iii) submits a signed statement attesting to the need and stating the reason for additional public funds, which statement the Board shall publish at the time the additional public funds are paid, including on its Web site. **See** Administrative Code §3-705(7). With the exception of the first public funds payment in an election, pre-election public funds payments generally are made four business days after a disclosure statement filing deadline. The amendments provide that participants who seek to obtain additional public funds on these public funds payment dates by submitting a signed statement, must submit such statement to the Board by the disclosure statement filing deadline immediately preceding the public funds payment for which the participant is seeking to receive the additional public funds. Pursuant to Administrative Code §3-709(5) the first public funds payment in a primary election is made no earlier than two weeks after the last day to file designating petitions with the Board of Elections. The Campaign Finance Board, however, does not make public funds payments until after the Board of Elections conducts hearings on these petitions, unless this would cause undue delay. Section

5-01(i). These hearings are typically held beginning in late July. Because there is no disclosure statement due immediately preceding this first payment, the amendments provide that participants who seek to obtain additional public funds on the first payment date by submitting a signed statement must submit such statement to the Campaign Finance Board by the day before the first date the Board of Elections conducts hearings on any ballot petition filed by any candidate seeking nomination for election in any primary occurring in the same election cycle in which the participant is seeking nomination for election (as opposed to hearings on a ballot petition filed in the particular election for which the candidate is seeking nomination for election). Local Law No. 12 of 2003 also provides that the Board may adopt rules limiting the amount of public funds available to participants on the ballot in one or more primaries where the number of persons eligible to vote for party nominees is small. **See** Administrative Code §3-705(6). It further provides that this public funds limitation is not applicable if a participant is opposed by a participant who is not subject to the limitation or by a non-participant who has spent more than a specified amount. The local law permits the Board to define a small primary, to determine the limit on public funds payments, and to establish the level of spending required by a non-participant to lift the limitation. The amendments define a small primary as one in which the number of persons eligible to vote for party nominees totals fewer than one thousand; limit public funds payments to persons in small primaries to $5,000; and provide that spending by a non-participant in that primary in excess of $10,000 will lift the public funds limitation. The Board will rely upon the determination of the Board of Elections for the calendar year of the primary election pursuant to §5-604 of the New York Election Law as to the number of persons eligible to vote in such primary election. If a determination for a primary election for any covered office is not available by the day before the certification deadline, however, the most recent available Board of Elections determination for such office shall be relied upon. These amendments are intended to protect the Public Fund when the number of voters to whom a candidate must appeal is very limited. For example, during the 2001 elections, a candidate running on the Green Party line in Council District 20 (Queens-Flushing), Paul Graziano, received more than $26,000 in public funds for running in a primary in which the total number of eligible voters was 111, and the total number of votes cast for the two candidates who ran was 36. For the general election, as the Green Party nominee, Mr. Graziano received an additional $936. The amendments also provide that the phrase "makes expenditures" contained in Administrative Code §3-705(6) means "spent or contracted or obligated to spend," the phrase used in determining aggregate spending in Administrative Code §3-705(7) and the bonus provision contained in Administrative Code §3-706(3). Administrative Code §3-705(6) is intended, in part, to limit public funds available to participants who are in small primaries, but it is not intended to impede their ability to wage a competitive campaign against a high-spending opponent. Therefore, a candidate's financial activity-including activity funded on credit-is more relevant to such a determination than an evaluation of the opponent's actual level of expenditures. Thus, the amendments use the standard provided for in Administrative Code §§3-706(3) and 3-705(7), rather than a standard that only measures expenditures. Finally, the amendments provide that Board determinations pursuant to Administrative Code §3-705(6) and (7) regarding the level of a candidate's spending shall be made in accordance with §7-03, which establishes the procedures for determining whether a non-participant's financial activity triggers the bonus provision contained in Administrative Code §3-706(3). 2. **Validity of Matchable Contribution Claims** (§5-01(d)(11)) The amendment conforms §5-01(d)(11) to Local Law No. 12 of 2003 so that matchable contribution claims on contributions of $500 or more will be invalid unless full employer and occupation information is provided. 4. **Flat Grants in Special Circumstances** (§5-01(j)) The amendment provides for flat grants to participants in a runoff special election in the same manner as the Board provides to participants in a runoff primary election. 5. **Deductions from Payments** (§5-01(n)) Local Law No. 12 of 2003 provides that contributions by participants to other political committees shall not be a basis for reducing public funds payments, provided, among other things, that the aggregate contributions made do not exceed certain limits. **See** Administrative Code §3-705(8). The amendment to §5-01(n), which provides that disbursements not provided for in §3-705(8) will continue to reduce public funds payments unless made out of a segregated bank account in accordance with §5-01(n)(2), reflects the "safe harbor" amounts in contributions now provided for by law.

7. Statement of Basis and Purpose in City Record Aug. 20, 2004: Public Funds 1. **Expenditures in Connection With Litigation** (Rules 5-01, 1-08(g)(2)) The amendments confirm that public funds may not be used to pay expenditures made in connection with any action, claim or suit before any court or arbitrator. Participating candidates should not be able to subsidize litigation with public funds, and litigation expenses are not qualified campaign

expenditures. The rule ensures that public funds, which are distributed for a specific public purpose and public benefit, are not spent for purposes other than those defined in the law, or for private use or private gain. 2. **Petition for Review of Eligibility, Payment and Repayment Determinations** (Rules 5-01(b), 5-02(a)) By adopting Rule 5-02(a), the Board in its discretion offers candidates an opportunity to seek Board review of a payment determination prior to seeking court relief. In the 2001 and 2003 elections, however, rather than treating the Rule 5-02(a) process as an opportunity to obtain reconsideration of a prior determination, a number of candidates sought to use the rule to submit documentation or information not submitted to the Board prior to the determination sought to be reviewed. In this manner, candidates have sought to employ the rule to obtain an additional opportunity to present new facts despite repeated requests and opportunities to submit the information, up to and including issuance of the final audit report. They have thus sought to avoid the consequences of failing to submit documentation of campaign records and related information in a timely manner and to obtain Board review of a late submission despite missed deadlines. The rule is intended to discourage poor record-keeping and creation or dating of records after the fact, and to re-enforce the importance of timely submission of documentation in response to deadlines set by the Board. Also, the rule should help maintain an even playing field among candidates. Unfairness results to candidates who abide by Program requirements when other candidates fail to meet record-keeping requirements and deadlines. The rule will also improve the efficiency of the payment and audit processes and streamline Board meetings, to the benefit of both candidates and the operation of the Board. The rule provides that candidates may not include in a Rule 5-02(a) petition documentation or facts not submitted prior to the determination which the candidates seek to have reviewed. There is a narrow exception for good cause so that the Board, in its discretion, may allow a candidate to provide new documentation or information where unusual circumstances merit the action.

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 5-02

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 5 PUBLIC FUNDS

§5-02 Review of Eligibility, Payment, and Repayment Determinations.

(a) **Written petitions for review.**

(1) After the Board provides a participant a written determination specifying the basis for payment or non-payment of public funds prior to the election, the participant may petition the Board in writing for reconsideration of such determination. Such petition must state the grounds for reconsideration and may include a request to appear before the Board concerning the subject of such petition. Before the election, the Board shall review the determination that is the subject of the petition for review within five business days of the filing of such petition. In the event the Board is unable to convene within five business days, the Board may delegate to the Chair of the Board or his or her designee authority to make a determination regarding the petition. The Board shall timely issue a written determination on the subject of the petition. If the petition is denied, the Board's notice shall inform the participant of the right to appeal the Board's determination pursuant to Article 78 of the Civil Practice Law and Rules.

(2) The participating candidate and his or her principal committee shall not include in any such petition any documentation or factual information not submitted to the Board prior to the determination under review unless the participating candidate can demonstrate good cause for the previous failure to submit such documentation or information and for any failures to communicate on a timely basis with the Board.

(3) The participating candidate may submit a petition for review of a payment or non-payment determination after the issuance of the participant's final audit report within thirty days of issuance of the final audit report and only upon submission of information and/or documentation that was unavailable to the Board previously and is material to such determination, and a showing that the participant had good cause for the previous failure to provide such information

and/or documentation.

(b) **Final disqualification from the ballot.** The Board will consider a candidate to be finally disqualified from the ballot on the earlier of the date of an administrative or judicial determination disqualifying the candidate for which there is no appeal as of right (unless the disqualification is reversed on appeal or otherwise) or of the election. Payment may be made to a participant who was temporarily on the ballot or opposed in an election, pursuant to a determination of the Board of Elections or a court of competent jurisdiction, but then ultimately disqualified from the ballot or unopposed in that election, only when the Board's audit of the participant's campaign has been completed and only if the participant has, within 30 days after the date of the final disqualification, as provided herein, filed a written petition, sworn to or affirmed, and supporting documentation that demonstrates that:

(1) liabilities in qualified campaign expenditures incurred before the date of final disqualification remain unpaid;

(2) the total amount of cash on hand is insufficient to pay these liabilities;

(3) hardship will exist if public funds are not paid;

(4) any and all expenditures made and liabilities incurred after the final disqualification were reasonable and necessary; and

(5) the campaign was otherwise eligible and in compliance with all other Program requirements as of the date of final disqualification and has remained in compliance at all times since that date.

The petition shall also include an undertaking to use any public funds paid for extinguishing the liabilities enumerated pursuant to paragraph (1).

NOTE

1. Statement of Basis and Purpose in City Record Jan. 15, 2003:

Review of Eligibility, Payment, and Repayment Determination (Rule 5-02(a))

The amendments to Rule 5-02(a) provide that, to the extent practicable, the Board shall make determinations upon written petitions for review of payment determinations within 30 days of receipt of the written petition, or within 10 business days of receipt if the petition is received less than 30 days before a covered election. The amendments further provide that the Board's written notice of its determination shall include the reason(s) for the determination. The Board has received comments from some candidates that current Rule 5-02(a) does not require the Board to review a petition for payment determinations within a specified time period, and does not require the Board to explain the rationale for a determination on a petition. The Board's practice has been to review such petitions as soon as practicable, and to issue a written notice of the Board's determination, including an explanation of the determination. The amendments codify these practices. The amendments do not require the Board to make a determination within a prescribed time period, because some petitions may raise difficult issues for the Board, require voluminous document review, or require additional information from the petitioner.

2. Statement of Basis and Purpose in City Record Oct. 10, 1995: **Procedures for Appeal** (R. 5-02) The rules shorten and simplify the procedure for appealing the Board's payment and repayment determinations.

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 5-03

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 5 PUBLIC FUNDS

§5-03 Repaying Public Funds.

(a) **Participants returning public funds.** Participants returning public funds shall make a check payable or endorse the public fund check to the "New York City Election Campaign Finance Fund." Participants may not reclaim public funds they have returned.

(b) **Participant is disqualified from the ballot.** (1) Pursuant to §3-709(7) of the Code, a participant who has been finally disqualified or whose designating or nominating petitions have been finally declared invalid by the New York City Board of Elections or a court of competent jurisdiction, may not thereafter spend public funds for any purpose other than the payment of previous liabilities incurred in qualified campaign expenditures. All public funds in excess of such liabilities previously incurred shall be promptly repaid to the Board; the amount to be repaid shall be determined in accordance with §3-710(2)(b) of the Code and subdivision (d). A repayment made pursuant to §3-709(7) shall not preclude a determination that an additional repayment is required pursuant to that or any other provision of the Act.

(2) Pursuant to §3-710(3) of the Code, a participant who has been disqualified by a court of competent jurisdiction on the grounds that he or she committed fraudulent acts in order to obtain a place on the ballot, and such decision is not reversed, shall pay to the Board an amount equal to the total public funds paid to the participant. Payments required pursuant to this paragraph shall be made promptly upon such final deter- mination.

(c) **Excess public fund payments.** Pursuant to §3-710(2)(a) of the Code, the Board shall notify a participant in writing if public funds paid to the participant were in excess of the aggregate amount for which the participant qualified, and such participant shall pay to the Board an amount equal to the amount of the excess payments.

(d) **Improper use of public funds.** Pursuant to §3-710(2)(b) of the Code, the Board shall notify a participant in writing if it finds that public funds paid to the participant were used for purposes other than qualified campaign expenditures and the participant shall repay to the Board any improperly used public funds; provided, however, that in considering whether or not a participating candidate shall be required to pay to the Board such amount or an amount less than the entire amount to be repaid, the Board shall act in accordance with the following: (i) where credible documentation supporting each qualified campaign expenditure exists but is incomplete, the Board shall not impose such liability for such expenditure; (ii) where there is an absence of credible documentation for each qualified campaign expenditure, the Board may impose liability upon a showing that such absence of credible documentation for such expenditure arose from a lack of adequate controls including, but not limited to trained staff, internal procedures to follow published Board guidelines and procedures to follow standard financial controls.

(e) **Unspent campaign funds.** (1) Pursuant to §3-710(2)(c) of the Code, the Board shall notify a participant in writing if it finds that the participant owes unspent campaign funds to the Board. The participant shall promptly pay to the Board unspent campaign funds from an election; provided, however, that all unspent campaign funds for a participant shall be immediately due and payable to the Board upon a determination by the Board that the participant has delayed the post-election audit process. The participant shall promptly pay to the Board any additional unspent campaign funds based upon a determination made by the Board at a subsequent date. Unspent campaign funds determinations made by the Board shall be based on the participant's receipts and expenditures (including any outstanding bills). The Board may also consider information revealed in the course of an audit or investigation in making an unspent campaign funds determination, including, but not limited to, the fact that campaign expenditures were made in violation of law, that expenditures were made for any purpose other than the furtherance of the participant's nomination or election, or that the participant has not maintained or provided requested documentation.

(2) (i) A participant may not use receipts for any purpose other than disbursements in the preceding election until all unspent campaign funds have been repaid, except as otherwise provided in Rule 1-03(b). Notwithstanding the presumption of Rule 1-08(c)(1), a participant has the burden of demonstrating that a post-election expenditure is for the preceding election.

(ii) Before repaying unspent campaign funds, a participant may make post-election expenditures only for routine activities involving nominal cost associated with winding up a campaign and responding to the post-election audit. Such expenditures may include: payment of utility bills and rent; reasonable staff salaries and consultancy fees for responding to a post-election audit; reasonable staff salaries and legal fees incurred prior to the date of the issuance of the participant's final audit report and associated with defending against a claim that public funds must be repaid; a post-election event for staff, volunteers, and/or supporters held within thirty days of the election; reasonable moving expenses related to closing the campaign office; a holiday card mailing to contributors, campaign volunteers, and staff; thank you notes for contributors, campaign volunteers, and staff; payment of taxes and other reasonable expenses for compliance with applicable tax laws; and interest expense. Routine post-election expenditures that may be paid for with unspent campaign funds do not include such items as post-election mailings other than as specifically provided for in this subparagraph; making contributions; or making bonus payments or gifts to staff or volunteers. Unspent campaign funds may not be used for transition and inauguration activities.

(iii) Notwithstanding the restriction on the use of receipts provided in subdivision (2)(i), a participant who has outstanding liabilities from the election, including a participant who owes public funds or penalties to the Board, may make post-election expenditures for the purpose of raising funds to repay such debt, provided, however, that such expenditures and any contributions received shall be included in the participant's unspent funds calculation unless such expenditures and contributions are incurred or received after the date of the issuance of the participant's final audit report.

(f) **Other reasons for repayment.** The Board shall notify a participant of any amount of public funds to be repaid because:

(i) the participant has not maintained copies of checks or contribution cards that document matchable contributions; or

(ii) the public funds paid were based on contributions that have been returned or contribution checks that have not been paid; or

(iii) the participant has failed to demonstrate eligibility for the public funds paid or compliance with Program requirements, or both; or

(iv) a determination pursuant to §3-705(6), (7), or §3-706(3) of the Code is reversed following reconsideration pursuant to Rule 7-03(k).

(g) Repayment determinations. The participant shall promptly repay public funds upon any determination made by the Board that a repayment is required pursuant to the Act and this rule. Any claim for the repayment of public funds shall be based on a final determination issued by the Board following an adjudication pursuant to Rule 7-02(f), unless such adjudication is waived by the candidate or principal committee.

NOTE

1. Statement of Basis and Purpose in City Record Nov. 19, 2002:

3. **Winding Up Expenditures** (§5-03(e)(2)(ii))

Section 5-03(e)(2)(ii) provides examples of permitted and prohibited winding up expenditures. During the 2001 elections, some participants had legitimate winding up expenses not identified in the section, and some participants expressed confusion over what constituted a legitimate winding up expense. Based on the Board's experiences with the 2001 elections, the amendment adds additional examples of legitimate winding up expenditures, including utility bills, rent, and payment of taxes and other reasonable expenses for compliance with applicable tax laws, and responding to the post-election audit. This amendment is intended to aid participants by providing them with additional guidance as to permitted and prohibited winding up expenditures.

2. Statement of Basis and Purpose in City Record Aug. 7, 2002: 9. **Deadline for Repayment of Unspent Campaign Funds** (§5-03(e)(1)) Section 3-710(2)(c) of the Code requires participating campaigns that have received public funds to pay to the Board any unspent campaign funds that they have following their election. The reimbursement must be made "not later than ten days after all liabilities have been paid and in any event, not later than either the closing date of the final disclosure report, or the day on which the campaign finance board issues its final audit report for such participating committee." Currently, §5-03(e)(1) requires participants to return these unspent campaign funds to the Board within 10 days after they have paid their liabilities for the previous election, but no later than the closing date of the final disclosure statement for the election, which currently falls in early January after the election. The amendment to the rule makes this deadline the date on which the Board issues the final audit report for the committee, to give candidates a more reasonable period of time to pay all liabilities and close out their campaigns' affairs, but provides that the unspent campaign funds would be due immediately if the candidate is found to have delayed the audit process.

3. Statement of Basis and Purpose in City Record Mar. 27, 2001: Improper Use of Public Funds Board Rule 5-03(d)(1) provides that a participant must promptly repay to the Board any public funds that the Board finds the participant used for purposes other than qualified campaign expenditures. Under Rule 5-03(d)(2), a participant may recover such repaid public funds if the participant can demonstrate that the participant's total qualified campaign expenditures made in an election equal or exceed the total public funds paid to the participant. However, Board Rule 5-03(a) prohibits participants from reclaiming any public funds that they have returned to the Board. The amendment to Rule 5-03(d) clarifies the interaction between Rule 5-03(d)(2) and 5-03(a). It provides participants the opportunity to demonstrate before they must repay public funds that the total qualified campaign expenditures made in the election

equal or exceed the public funds that have been paid to the participant. Participants unable to make such a showing are required to repay improperly used public funds and will not be able later to reclaim funds that have been repaid. Repayment of Public Funds 1. **Calculating Unspent Campaign Funds** (Rule 5-03(e)(1)) Following an election, the Board calculates unspent campaign funds by subtracting a particpant's campaign expenditures, including any outstanding bills, from a participant's receipts. The amendment makes clear that for purposes of making such a calculation, the Board may consider other information revealed in the course of an audit or investigation in making an unspent campaign funds determination. 2. **Post-election Expenditures for Winding-up Activities** (Rule 5-03(e)(2)(ii)) The past rule allowed campaigns to make post-election expenditures for meals that were of reasonable cost to thank campaign workers. It was difficult and time consuming for the Board to review such party expenditures to determine if they were, in fact, of reasonable cost. Therefore, the rule prohibits post-election expenditures of unspent campaign funds for any post-election event, including meals or parties. The rule also prohibits post-election expenditures for gifts or salary bonuses to thank campaign staff or volunteers for their efforts, which are not considered by the Campaign Finance Board to be routine activities associated with winding-up a campaign. As amended, this rule overrules Advisory Opinion Nos. 1997-14 (December 9, 1997) and 1997-13 (November 25, 1997).

4. Statement of Basis and Purpose in City Record Aug. 7, 2002: Technical Corrections The amendments correct certain typographical errors in Campaign Finance Board Rules 5-03(d) and 7-05.

CASE NOTES

¶ 1. Legal expenditures do not qualify as a "routine activity" for the purpose of post-election expenditures that can be deducted before repaying unspent campaign funds. Eisland v. New York City Campaign Finance Board, 31 A.D.3d 259, 818 N.Y.S.2d 501 (1st Dept. 2006).

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 5 PUBLIC FUNDS

§5-04 Fund Administration.

To safeguard the administration of the Fund and assure candidates that sufficient public funds will be available to make all payments required by the Act in upcoming elections, as guaranteed to participants by Charter §1052(a)(10), the Board shall:

(a) make budget requests for the Fund sufficient to cover all anticipated Fund obligations in the upcoming fiscal year and to maintain a reserve for contingencies;

(b) when it has determined that monies in the Fund are insufficient or likely to be insufficient for payments to participants, report this determination to the Commissioner of Finance and provide its estimate of the additional amount which will be necessary to make such payments pursuant to the Act (together with a detailed statement of the assumptions and methodologies on which the estimate is based), as required by Charter §1052(a)(10), not more than four days after which the Commissioner of Finance is required by Charter §1052(a)(10) to transfer an amount equal to the Board's estimate from the City's general fund to the Fund;

(c) take steps to ensure that the Fund is maintained in a separate account, credited with all sums appropriated therefor and all earnings accruing thereon, in the custody of the comptroller on behalf of the Board, as required by Charter §1052(a)(10);

(d) take steps to ensure that the Fund and its administration are insulated from the risk of improper action by any City official or agency or any agent or contractor thereof; (e) subject the Fund to periodic audits by independent outside auditors; and

(f) take such other actions as are necessary and proper to insure the integrity of the Fund.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 6 PUBLIC ACCESS TO INFORMATION

§6-01 Generally.

(a) **Records access officer.** The Board's Director of Administrative Services or the Executive Director's designee is its records access officer. The records access officer is responsible for ensuring appropriate agency response to public requests for access to records. The records access officer shall ensure that Board staff:

(1) upon receipt of a written request to inspect records:

(i) make the records available for inspection; or

(ii) deny access to the records in whole or in part and explain in writing the reason for the denial;

(2) upon written request for copies of records:

(i) make a copy available upon payment or offer to pay fees, if any, in accordance with this Rule; or

(ii) deny the request for copies of records in whole or in part and explain in writing the reasons for the denial;

(3) upon written request, certify that a record is a true copy; and

(4) upon failure to locate records pursuant to a written request, certify that:

(i) the Board is not the custodian for such records; or

(ii) the records of which the Board is a custodian cannot be found after diligent search.

(b) **Record location, availability, and use.** Records shall be available for public inspection and copying at the offices of the Board. Requests for public access to records shall be accepted and records produced during the hours of 10 a.m.-4 p.m., Monday through Friday. The records access officer, or his or her designee, shall have the discretion to limit the number of records a requester may receive at any one time. No marks of any kind shall be made by a requester on any record provided for inspection. Inspection or copying of records shall be permitted only in the area designated by the records access officer for such purpose.

(c) **Requests for access.** Board staff may require a written request for access to records, but oral requests may be accepted when records are readily available. A response shall be given regarding any written request reasonably describing records sought within 5 business days of receipt of the request. A request shall reasonably describe the records sought. Whenever possible, a requester shall supply information regarding dates, file designations, or other information that may describe the records sought and enable the efficient location of the records. If the records access officer does not grant or deny access to records sought within 5 business days of receipt of a written request, he or she shall furnish a written acknowledgment of receipt of the request and a statement of the approximate date on which the request will be granted or denied. If circumstances prevent disclosure to the requester within 20 business days from the date of the acknowledgment of the receipt of the request, the Board shall state in writing the reason for the inability to grant the request within 20 business days and a date certain within a reasonable period, depending on the circumstances, when the request will be granted.

(d) **Denial of access.** Denial of access to records shall be made in writing stating the reason for the denial and advising the requester of the right to appeal. The Board's Executive Director or the Executive Director's designee shall hear appeals from denial of access to records. The time for deciding an appeal shall commence upon receipt of a dated written appeal, including:

(1) the date of the denial of access; and

(2) the name and return address of the requester.

The Executive Director or the Executive Director's designee shall transmit to the Committee on Open Government copies of all appeals upon receipt. The Executive Director or the Executive Director's designee shall inform the requester and the Committee on Open Government of a decision on the appeal, in writing, within 10 business days of receipt of an appeal.

(e) **Fees.** The Board may charge 25 cents per page for photocopies not exceeding 9 inches by 14 inches or the actual cost of reproducing any other record. In determining the actual cost, the Board may include: (i) an amount equal to the hourly salary attributed to the lowest paid Board employee who has the necessary skill required to prepare a copy of the requested record, except that no fee shall be charged for staff time if less than two hours is needed to prepare a copy of the requested record; (ii) the actual cost of storage devices or media provided to the requester in complying with the request; and (iii) the actual cost to the Board of engaging an outside professional service to prepare a copy of a record, where the Board's information technology equipment is inadequate to prepare a copy.

52 RCNY 7-01

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 7 CAMPAIGN FINANCE BOARD

§7-01 Complaints and Investigations.

(a) **Initiation of proceeding.** (i) A proceeding under subdivision four of §1136.1 of the Charter or under the Act may be commenced when:

(1) the Board receives a written complaint sworn to or affirmed, alleging the commission or omission of acts in violation of the Charter, Act or these Rules, or

(2) the Board, on its own initiative, undertakes an investigation of a possible violation of the Charter, Act or these Rules.

(ii) The following violations shall constitute infractions:

(1) a limited and non-repetitive failure, not to exceed a total of three such failures, to comply with the contribution limitations or prohibitions contained in §§3-703(1)(f), (h), (k), and (l) of the Code, provided such contribution is promptly returned to the contributor upon notice from the Board of the acceptance of the contribution; and

(2) a failure to file a complete and timely disclosure statement in a form and manner acceptable to the Board, provided such disclosure statement is promptly refiled in a form and manner acceptable to the Board, and provided, further, that this shall apply to only one disclosure statement per election cycle.

(b) **Service of complaints.** A complaint shall be filed by mailing it to, or by personally serving it on, the New York City Campaign Finance Board, 40 Rector Street, 7th Floor, New York, New York 10006.

(c) **Contents of complaint.** A complaint shall specify times, places, and names of witnesses to the acts charged as violations of the Charter, Act or these Rules to the extent known. A complaint shall be based on personal knowledge, if possible. If a complaint is based on information and belief, the complainant shall state the source of that information and belief. Copies of all documentary evidence available to the complainant shall be attached to the complaint.

(d) **Initial complaint processing.** (1) Upon receipt of a complaint, the Board will review the complaint for substantial compliance with the requirements of subdivision (c), and if the complaint complies with those requirements, the Board shall within 10 days after receipt mail to each respondent notification that the complaint has been filed, and enclose a copy of the complaint.

(2) If a complaint does not comply with the requirements of subdivision (c), or the Board deems it to be facially lacking in merit, the Board shall dismiss the complaint and shall so notify the complainant.

(e) **Opportunity to respond to complaint.** Within 20 days from mailing by the Board of a copy of the complaint to a respondent, or within such lesser time as may be specified by the Board for complaints received less than 40 days before the election, the respondent may submit a verified answer, which may set forth reasons why the Board should dismiss the complaint. If, based upon its review of the complaint and any answer filed, the Board determines the complaint to be lacking in merit, the Board shall dismiss the complaint.

(f) **Investigation.** Following receipt of a complaint, or at any time, if acting on its own initiative, the Board may conduct an investigation into possible violations of the Charter, Act or these Rules. In its investigation, the Board may use its investigative powers pursuant to §§3-708(5) and 3-710(1) of the Code. An investigation may include, but is not limited to, field investigations, desk and field audits, the issuance of subpoenas, the taking of sworn testimony, the issuance of document requests and interrogatories, and other methods of information gathering.

NOTE

1. Statement of Basis and Purpose in City Record Oct. 18, 1996:

Complaints and Investigations (R. 7-01(e))

Under the rules, the Board may set a shorter time for a respondent to file an answer to a complaint.

2. Statement of Basis and Purpose in City Record May 5, 2003: Campaign Finance Board 1. **Infractions** (§7-01(a)) Local Law No. 12 of 2003 directs the Board to promulgate rules defining "infractions," and further provides that such definition "shall include, but not be limited to, failures to comply with the provisions [of the Act or the rules] that are limited and non-repetitive." Prior to enactment of the local law, the Board had adopted penalty assessment guidelines for the 2003 elections, which it published on its Web site. These guidelines provide that certain limited infringements of the contribution limits or prohibitions, or a limited failure to timely file a disclosure statement, will be considered infractions. As provided in the guidelines, infractions include a participant's acceptance of up to a **total** of three impermissible contributions. The amendments to §7-01(a) define an infraction based on these guidelines, and provide that the following violations of the Act constitute infractions: (1) a limited and non-repetitive failure to comply with the program's contribution limitations or prohibitions, provided that the contribution promptly is returned to the contributor upon notice from the Board of the acceptance of the contribution; and (2) the limited and non-repetitive failure to file one complete and timely disclosure statement in a form and manner acceptable to the Board, provided such disclosure statement is promptly refiled in a form and manner acceptable to the Board.

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 7-02

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 7 CAMPAIGN FINANCE BOARD

§7-02 Board Determinations.

(a) **Determination that complaint lacks merit.** Following an investigation, the Board may determine that a complaint is lacking in merit or that violations of the Charter, Act and these Rules have not been substantiated and dismiss the complaint or terminate the investigation.

(b) **Participant not eligible for public funds.** Following an investigation, the Board may make a determination that a participant is ineligible to receive public funds. In the event of a determination of ineligibility, the Board will send written notification to the participant and the participant may request reconsideration of such determination pursuant to Rule 5-02(a).

(c) **Notice and opportunity to contest.**

(1) If the Board has reason to believe that a violation of a law or rule over which the Board has jurisdiction has occurred, and/or that a participant must repay public funds to the Board, the Board shall notify the candidate and treasurer in writing of the alleged violation and proposed civil penalty and/or of the amount of the alleged public funds repayment obligation. Such notice shall:

(i) set forth in detail the legal basis for the Board's reason to believe there is a violation of a law or rule over which the Board has jurisdiction and/or a repayment obligation;

(ii) notify the candidate and treasurer of the opportunity to submit information and documentation for the Board's consideration within a reasonable time period to be specified in such notice; and

(iii) notify the candidate and treasurer of the opportunity to appear before the Board or its designee at a hearing to contest the alleged violation and proposed civil penalty and/or the alleged public funds repayment obligation.

(2) Unless specifically notified to the contrary by the Board, the opportunity to submit information and documentation described in the notice shall be the only such opportunity, and any information and documentation that is not timely received by the Board may, at the Board's sole discretion, be disregarded.

(3) The notice shall inform the candidate and treasurer that hearings are conducted in accordance with the requirements for adjudications contained in section 1046 of the Charter unless such procedures are waived by the candidate or principal committee.

(4) Following this opportunity to submit information and documentation, consideration of any information and documentation submitted, and consideration of any appearance before the Board or its designee, the Board may determine the amount of civil penalties for any violations it determines to have occurred and/or the amount of public funds repayment obligation, and shall provide notice setting forth in detail the legal basis of the Board's determination. If these amounts, as determined by the Board, are not paid by the payment deadline set forth in the notice, they may be sought through appropriate enforcement action or, in the case of civil penalties, by deduction from any public funds otherwise due for any election.

(d) **Conciliation.** (1) Upon review of a respondent's submission, or if the Board otherwise has reason to believe that a violation of a law or rule over which the Board has jurisdiction has occurred, the Board may initiate conciliation procedures. For this purpose the Board may conduct a conciliation conference. Notice of the conference shall be served on those parties whose attendance the Board considers necessary.

(2) If terms of conciliation which are satisfactory to the parties are reached, a conciliation agreement shall be signed by the parties subject to its terms and by the Board's Executive Director, on the Board's behalf. This agreement may require payment of appropriate civil penalties for violations as determined by the Board. If the amounts to be paid as provided for in the agreement are not paid, they may be sought through appropriate enforcement action or by deduction from any public funds otherwise due for any election. Upon execution of such an agreement, the Board shall administratively close the case. Conciliation agreements shall be binding on all parties. In the event the Board has reason to believe that terms and conditions of the agreement have not been complied with, or if new facts are brought to the Board's attention, the Board may, in its discretion, re-open the case and/or bring an appropriate enforcement proceeding.

(3) Conciliation procedures are not part of the Board's standard practices, but may be appropriate to address novel issues and are conducted solely at the discretion of the Board.

(f) **Adjudications in accordance with §1046 of the Charter.**

(1) Adjudications pursuant to this rule shall be conducted by one or more hearing officers. The Board, at its sole discretion, may designate one or more members of the Board and/or an administrative law judge to act as hearing officers. One or more members of the Board's staff may provide legal and procedural advice to the hearing officer and to the Board, subject to the direction of the hearing officer(s).

(2) The Board shall commence an adjudication pursuant to this rule by serving a notice containing a statement of the nature of the proceeding, the legal authority and jurisdiction under which the hearing is to be held, and a short and plain statement of the matters to be adjudicated, including reference to the particular sections of the Charter, Act, and these Rules involved.

(3) The Board shall provide written notice of the time and place of the hearing to the candidate and treasurer.

(4) The candidate and treasurer must provide to the hearing officer(s) and Board staff a substantive written

response to the notice stating the defense to the notice at least two weeks prior to the date of the hearing. The written response to the notice may include affidavits or affirmations, documentary exhibits, or other evidentiary material in rebuttal of the notice, and may also be accompanied by a memorandum of law.

(5) The names and contact information of all persons wishing to present testimony on the law or the facts at the hearing, including any witnesses to be examined, must be provided to the hearing officer(s) and Board staff at least five business days prior to the date of the hearing.

(6) The hearing officer(s) shall administer oaths, subpoena and examine witnesses, receive written and oral testimony, rule on the admissibility of evidence, and decide all other aspects of the conduct of the hearing. Findings of fact shall be based exclusively on the record of the proceeding as a whole. The hearing officer(s) shall make findings of fact and conclusions of law and shall forward a recommended final determination to the Board along with the record of the adjudication upon which the recommended determination is based. The Board may adopt, reject or modify any recommended determination.

(7) The candidate and treasurer shall be afforded due process of law, including the opportunity to be represented by counsel, to request that a subpoena be issued, to call witnesses, to cross-examine opposing witnesses and to present oral and written arguments on the law and facts. All witnesses shall testify under oath. Adherence to formal rules of evidence is not required.

(8) Testimony and argument on the law and facts shall be presented in the following order: Board staff, witnesses called by Board staff, if any, cross-examination, the candidate and/or treasurer and/or their counsel, witnesses called by the candidate and/or treasurer and/or their counsel, and cross-examination. Each party shall be afforded an opportunity to present rebuttal testimony, if deemed appropriate by the hearing officer.

(9) No ex parte communications relating to other than ministerial matters regarding a hearing shall be received by a hearing officer, including internal agency directives not published as rules.

(10) Testimony shall be transcribed and/or recorded, and a copy of the transcript and/or recording, or any part thereof, shall be made available to any party to the hearing upon request for a reasonable price.

(11) Affidavits or affirmations submitted as evidence must be signed and under penalties of perjury. Failure of the respondent to produce at a hearing any document either requested by the Board or required to be maintained by the Board pursuant to the Act and these Rules shall lead to a rebuttable presumption that the document, if produced, would have been adverse to the respondent.

(12) Once the hearing officer has issued the recommended final determination, each party shall have twenty days to submit written comments to the Board. The comments should raise any objections to the recommended determination, and objections not raised in the comments will be deemed waived in any further proceedings. Comments shall be limited to the record of the adjudicatory proceeding. Comments shall be served upon all other parties, and shall be served upon the Board by the Office of the General Counsel. Upon application filed with the Office of the General Counsel, the Chair may shorten or extend the time for comments for good cause shown. No personal appearances shall be made before the Board unless the Board specifically requests that the parties appear.

(13) The Board shall provide a written determination within 30 days of the conclusion of the hearing if conducted by the full Board, or within 30 days of the conclusion of the written comments period if the hearing is conducted before (a) hearing officer(s), stating the basis for any assessed penalty or repayment obligation, including any findings of fact and conclusions of law, and shall notify the candidate of the commencement of the four-month period during which a special proceeding may be brought to challenge the Board's determination pursuant to Article 78 of the Civil Practice Law and Rules. Determinations made by the Board pursuant to this rule may not be appealed to the Board unless the Board specifically provides otherwise in its determination.

(g) **Penalties for Disclosure Statement and Contribution Violations.** The Board shall publicize staff guidelines for presumptive penalties to be recommended for the late submission of a disclosure statement, the failure to file a disclosure statement, and the acceptance of an over-the-limit or a prohibited contribution, subject to consideration of aggravating and mitigating factors that will be considered in determining the appropriate penalty assessment for the violation.

NOTE

1. Statement of Basis and Purpose in City Record Aug. 7, 2002:

Civil Penalties (Part G)

1. **Publication of Staff Guidelines for Proposed Penalties for Late or No Filing of Disclosure Statements, and for Contribution Violations** (§7-02(g))

To alert campaigns to the range of likely penalties for late submission of financial disclosure statements, failure to submit disclosure statements, and acceptance of over-the-limit or prohibited contributions, new subsection (g) of §7-02 requires the Board to publicize staff guidelines for presumptive penalties to be recommended to the Board for these violations, subject to aggravating and mitigating factors that will be considered in determining the penalty assessments.

2. Statement of Basis and Purpose in City Record Aug. 20, 2004: Opportunity to be Heard by the Board (Rule 7-02(c)) Administrative Code §3-710.5, added by Local Law No. 12 of 2003, provides that "[t]he board shall give written notice and the opportunity to appear before the board to any participating candidate, his or her principal committee, principal committee treasurer or any other agent of a participating candidate, if the board has reason to believe that such has committed a violation or infraction, before assessing any penalty for such action." This provision confirmed the Board practice of offering candidates the opportunity to contest proposed findings of violation and penalties. Candidates are informed of these proposals in a Notie of Recommended Penalties issued to candidates in advance of the meeting, informing them of the violations and penalties, as well as detailing the conditions for appearance. The amendment clarifies the rule's current requirement that the Board offer notice to candidates "by mail," confirming that although candidates must receive written notice, the Board may transmit such written notice by facsimile, electronic mail, or via the postal system.

3. Statement of Basis and Purpose in City Record May 22, 2007: Penalty Procedures (Rule 7-02) The amendments clarify and codify the Board's existing procedures for providing notice and opportunity to appear before the Board concerning complaints and other allegations of violations. In addition, the amendments clarify when the Board would find conciliation procedures to be appropriate.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 7 CAMPAIGN FINANCE BOARD

§7-03 Review of Non-Participant's Contributions and Expenditures.

(a) **Determination of eligibility.** (1) Pursuant to §3-705(6) of the Code, the Board shall determine whether a limited participant or a non-participant has spent or contracted or become obligated to spend an amount which, in the aggregate, exceeds ten thousand dollars; (2) pursuant to §3-705(7)(a) of the Code, the Board shall determine whether a candidate has spent or contracted or become obligated to spend, or received in loans or contributions, or both, an amount which, in the aggregate, exceeds one-fifth of the applicable expenditure limit for such office as provided by §3-706(1) of the Code; (3) pursuant to §3-706(3)(a) of the Code, the Board shall determine whether a non-participant has spent or contracted or become obligated to spend, or received in loans or contributions, or both, an amount which, in the aggregate, exceeds one-half the expenditure limit applicable to the participant(s) and/or limited participant(s) opposing that candidate; (4) pursuant to §3-706(3)(b) of the Code, the Board shall determine whether a non-participant has spent or contracted or become obligated to spend, or received in loans or contributions, or both, an amount which, in the aggregate, exceeds three times the expenditure limit applicable to the participant(s) and/or limited participant(s) opposing that candidate; and (5) the Board shall verify the truthfulness of any certified signed statement submitted pursuant to §3-705(7)(b) of the Code and the Board shall determine whether supporting documentation submitted pursuant to §3-705(7)(b) of the Code demonstrates the existence of the condition or conditions described in such statement. For the purposes of making a determination pursuant to §3-705(7)(b)(1) of the Code, a non-participating or a limited participating candidate shall be presumed to have the ability to self finance when it is demonstrated through supporting documentation that such candidate has readily available funds in excess of one-fifth of the applicable expenditure limit and that such candidate can reasonably be expected to spend such funds for his or her nomination or election.

(b) **Generally.** To permit the Board to make these determinations in a timely, fair, and efficient manner, pursuant to the Act, it is expected that participants, limited participants, and non-participants will cooperate fully with Board requests for information and adhere to the procedures set forth in this rule and the requirements of New York Election Law Article 14 and State Board of Elections regulations.

(c) **Facial determinations.** The Board may find that a candidate's forms submitted to the Campaign Finance Board or to the Board of Elections provide on their face a sufficient basis for a determination pursuant to paragraph (a) above. The Board will presume that contributions and loans are accepted, disbursements are made, and liabilities are incurred by a candidate for his or her next following election. In the absence of evidence indicating otherwise, the Board will rely upon the date of contributions, loans, disbursements, and liabilities as they appear on forms submitted to the Campaign Finance Board or the Board of Elections. In addition, the Board will presume that cash on hand after an election consists of contributions that are available for expenditure in the next election.

(d) **Petitions.** The Board may make a determination pursuant to paragraph (a) above following the submission of a written pebtition, as provided in this rule. The written petition shall:

(1) be sworn to or affirmed;

(2) indicate the participant or limited participant on whose behalf it is submitted, if any;

(3) specify the particular information contained in forms submitted to the Campaign Finance Board or the Board of Elections on behalf of the respondent that is alleged to be inaccurate, if any, and the particular information alleged to be omitted from those forms, if any (in the absence of these allegations, the Board will presume that any forms on file at the Campaign Finance Board or the Board of Elections at the time the petition is submitted are true and complete for the applicable reporting periods);

(4) identify specific fund-raising and/or spending activities on behalf of the respondent that are alleged to have taken place after the close of the reporting period covered by the last such forms submitted on behalf of the respondent, if any;

(5) include all relevant names, dates, and amounts pertaining to monetary and in-kind contributions, and vendors providing goods and services to the respondent or to a third party on behalf of the respondent, including information concerning the fair market value of services, materials, facilities, advertising, or other things of value reported to have been received or expended on his or her behalf; and

(6) contain information about statements reported to have been made by the respondent, his or her agents, or authorized representatives, and any other relevant infor- mation.

The Board will not consider petitions submitted after the due date for the last disclosure statement required to be filed with the Campaign Finance Board by any candidate in the election for which the petition is filed.

(e) **Petitioner's burden.** The petitioner shall submit with the petition evidence that supports the allegations made in the petition, including but not limited to the information described in paragraph (d)(5). The petitioner has the burden of demonstrating a sufficient basis for a determination pursuant to paragraph (a). Failure by the respondent to file required disclosure forms may be a sufficient basis, and must be addressed in the respondent's response to the petition.

(f) **Notice of petition.** The Board shall send a copy of the petition to the respondent, any opposing participants, and, in the case of a determination pursuant to §3-706(a) or (b) of the Code, any opposing limited participants. The notice shall specify:

(1) the deadline for the respondent to submit a response, pursuant to subdivision (g); (2) the deadline for opposing participants or limited participants other than a respondent to submit petitions for consideration at any hearing referred

to in the notice; and

(3) the date and time at which the Board will conduct a hearing on the petition, if any, pursuant to subdivision (h).

(g) **Response to the petition**. The respondent shall submit a response in such manner as may be provided by the Board. The response shall:

(1) be sworn to or affirmed;

(2) either:

(i) acknowledge that fund-raising or spending on behalf of the respondent is sufficient to permit the Board to make a determination pursuant to paragraph (a), regardless of the merit of the petitioning participant's or limited participant's particular allegations; or

(ii) contend that a determination pursuant to paragraph (a) would be inappropriate and specify the allegations in the petition that are denied and those that are admitted;

(3) explain any failure to file any forms required in the election year; and

(4) be signed by the respondent or his or her treasurer. The respondent shall submit with the response evidence that supports the response, including, but not limited to, all relevant names, dates, and amounts pertaining to monetary and in-kind contributions, and vendors providing goods and services to the respondent or to a third party on his or her behalf, including information concerning the fair market value of services, materials, facilities, advertising, or other things of value reported to have been received or expended on behalf of the respondent. A failure to submit a response may be deemed an admission that there is a sufficient basis for a determination pursuant to paragraph (a).

(h) **Hearing.**

(1) The petitioner, the respondent, or an opposing participant or limited participant other than a respondent may request the Board to conduct a hearing on the petition.

(2) If the Board determines to conduct a hearing, as requested or on its own initiative, the hearing date will be no earlier than 10 days after the petition is received, except:

(i) for good cause shown; or

(ii) for petitions received less than 30 days before the election, in which case the hearing date will be no earlier than 3 days after the petition is received.

(3) The respondent and each opposing participant or limited participant shall notify the Board no less than one day in advance whether they will be represented at the hearing and, if the petitioner or the respondent will not be represented, the reason for the absence. Representation of a party at a hearing must be by a person with knowledge of the facts at issue.

(4) At the hearing, testimony given may be under oath, recorded, and in the following order:

(i) the petitioner;

(ii) opposing participants and/or limited participants other than a respondent;

(iii) the respondent;

(iv) Board staff, if appropriate; and

(v) an opportunity for each party to rebut, if deemed appropriate by the Board.

(i) **Notice of determination.** Following the review of disclosure forms, the submission of a petition and an opportunity for a response, and/or a hearing, the Board will decide whether there is a sufficient basis for a determination pursuant to paragraph (a). The Board shall provide written notice to the respondent, all opposing participants and limited participants other than a respondent, and the petitioner, if any, of a determination pursuant to paragraph (a) or a decision not to make such a determination, as requested by a petition, and the basis therefor.

(j) **New petitions.** A decision not to make a determination pursuant to paragraph (a) shall not be construed to preclude the subsequent submission of any petition for a determination respecting that candidate.

(k) **Reconsideration.** The petitioner, the respondent, or an opposing participant or limited participant other than a respondent may request that the Board reconsider the determination pursuant to paragraph (a) or the decision not to make such a determination. This request shall be made in writing no later than 10 days after the determination or decision. A request for reconsideration from a respondent must also include: (1) an affidavit of the respondent or his or her treasurer affirming that neither fundraising nor spending on behalf of the respondent that has taken place after the close of the most recent reporting period is sufficient to permit the Board to make a determination pursuant to paragraph (a); and (2) an undertaking by the respondent or treasurer to notify the Board immediately in writing if and when either fund-raising or spending on behalf of the respondent becomes sufficient to permit the Board to make a determination pursuant to paragraph (a). The Board may consider a respondent's failure to respond to the petition, or the failure of the party requesting reconsideration to be represented at a hearing on the petition, to be a sufficient basis for denying a request for reconsideration. The Board shall notify the respondent, all opposing participants, and, in the case of a determination pursuant to §3-706(a) or (b) of the Code, all opposing limited participants, and the petitioner on whether it will reconsider the determination pursuant to paragraph (a) or decide not to make such a determination, as the case may be. If the Board grants reconsideration and determines to conduct a hearing, the hearing shall be conducted in the manner described in paragraph (h)(4).

(l) **Submission of false information.** If the Board has reason to believe that a candidate or any other person has knowingly submitted false information or fabricated evidence or has knowingly withheld or concealed information, relevant to a determination under paragraph (a), the Board shall refer the matter to the appropriate agency for criminal prosecution and may commence a civil action to recover public funds and/or civil penalties, if appropriate.

NOTE

1. Statement of Basis and Purpose in City Record July 20, 1999:

Technical Changes

Additional benefits for participants opposed by well-financed non-participants are reflected. Rule 7-03(a), following Administrative Code §3-706(3). Various technical changes and clarifications are made in Board procedures for complaints and findings of violation. Rules 7-01 and 7-02.

2. Statement of Basis and Purpose in City Record May 5, 2003: **Review of Contributions and Expenditures.** (§7-03) Prior to Local Law No. 12 of 2003, the Act provided that the Board would determine whether a non-participant had spent or contracted to spend more than 50% of the expenditure limit applicable to the participant opposing that candidate, in which case the participant would be eligible to receive additional "bonus" public funds pursuant to Administrative Code §3-706(3). Local Law No. 12 of 2003 provides for two additional instances in which the Board must determine the level of a candidate's financial activity. New Administrative Code §3-705(6), which establishes a limit on public funds payments to participants in small primaries, provides that such limit shall not apply if, among other things, a non-participant "makes expenditures in excess of a specified amount . . . as determined by the Board." An amendment to §5-01(a) (**see** above) provides that spending by a non-participant in excess of $10,000 will lift this public funds cap. New Administrative Code §3-705(7), which establishes limits on public funds payments to participants generally, provides that such limits shall not apply if, among other things, the participant is opposed by a "candidate [who has] spent or contracted or [has] obligated to spend, or received in loans or contributions, or both, an amount which, in the aggregate, exceeds one-fifth of the applicable expenditure limit for such office." The amendments to §7-03 apply the procedures applicable to a Board determination pursuant to Administrative Code §3-706(3) to the new determinations provided for in Administrative Code §3-705(6) and (7). In addition, to account for determinations in elections which do not occur in the fall of the calendar year, the amendment changes the deadline for submitting a petition. Currently the rule provides that a petition must be filed by January 15 following the election for which the petition is filed. The amendment provides that a petition must be filed by the due date for the last disclosure statement required to be filed during an election cycle by a participant who is a candidate in the election for which the petition is filed.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 7 CAMPAIGN FINANCE BOARD

§7-04 Advisory Opinions.

Upon the written request of a candidate or any other person, the Board shall issue advisory opinions interpreting the Act and these rules, or otherwise respond in writing to the request, within thirty days of receipt of such request, or within ten business days of receipt if such request is received less than thirty days before a covered election, to the extent practicable. The Board shall make public its advisory opinions and the questions of interpretation for which advisory opinions will be considered by the Board, including by publication on its Web site.

Section amended City Record Nov. 19, 2002 eff. Dec. 19, 2002. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Nov. 19, 2002:

Advisory Opinions (§7-04)

This amendment provides that the Board shall issue advisory opinions or otherwise respond in writing within thirty days of a written request, or within ten business days of receipt of a written request received less than thirty days before a covered election, to the extent practicable. Although the Board virtually always responds to advisory opinion requests within the time period proposed, there are instances when new and complex issues may require a considerable amount of time to resolve. This amendment is designed to give candidates a sense of what their expectations might be for the timing of a response to an advisory opinion request, while recognizing that new and complex issues may take the Board more time to resolve.

CHAPTER 7 CAMPAIGN FINANCE BOARD

§7-05 Contribution and Expenditure Limit Adjustments.

(a) Adjustment of Contribution Limits. Pursuant to §3-703(7) of the Code, not later than the first day of March in the year 2018, and every fourth year thereafter, the Board shall adjust the contribution limits in accordance with changes in the consumer price index for the metropolitan New York-New Jersey region published by the United States Bureau of Labor Statistics. The adjustments shall be based on the difference between the average consumer price index over the twelve months preceding the calendar year of such adjustment, and either (a) the calendar year preceding the year of the last such adjustment or (b) such other calendar year as may be appropriate pursuant to any amendment to the Act.

(b) Adjustment of Expenditure Limits. Pursuant to §3-706(1)(e) of the Code, not later than the first day of March in the year 2010, and every fourth year thereafter, the Board shall adjust the expenditure limits applicable pursuant to §3-706(1) and (2) in accordance with changes in the consumer price index for the metropolitan New York-New Jersey region published by the United States Bureau of Labor Statistics. The adjustments shall be based on the difference between the average consumer price index over the twelve months preceding the calendar year of such adjustment, and either (a) the calendar year preceding the year of the last such adjustment or (b) such other calendar year as may be appropriate pursuant to any amendment to the Act.

CHAPTER 7 CAMPAIGN FINANCE BOARD

§7-06 Ethical Guidelines.

The Board has determined that the conduct of its members and staff should be guided by Ethical Guidelines. The Board recognizes that some of its members and staff may be subject to additional professional codes, such as the Lawyer's Code of Professional Responsibility. In addition, the standards set forth in the Act and Charter Chapters 46 and 68 are applicable to all Board members and staff. The purpose of these Guidelines is to state standards of behavior that go beyond legal and professional obligations in order to ensure the highest degree of public confidence in the work of the Board.

CHAPTER 9 DISCLOSURE STATEMENTS INCLUDING SUBMISSIONS IN ELECTRONIC MEDIA

§9-01 Submission in Electronic Medium.

(a) **Electronic Submission Generally.** Except as specifically permitted pursuant to Rule 9-02, disclosure statements shall be generated by using Candidate Software for Managing and Reporting Transactions (C-SMART) and submitted in such form and manner as shall be provided by the Board. Documentation, whether electronically scanned or in hard copy form, shall be submitted in a form and manner as prescribed by the Board.

(b) **C-SMART.** (1) C-SMART shall be developed and issued by the Board, and may be issued in one or more stages; successive enhancements may modify and/or expand its uses. C-SMART may not be used, copied, or transferred except as authorized by the Board. Any version of C-SMART issued by the Board after January 1, 2008 shall enable candidates to meet their disclosure obligations under Article 14 of the Election Law, as amended by chapter 405 of the laws of 2005.

(2) The term "C-SMART" does not include campaign finance data stored on C-SMART by its users.

(3) C-SMART is a copyright of the New York City Campaign Finance Board.

City Record July 20, 1999 §68, eff. Aug. 19, 1999. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record July 20, 1999:

Electronic Filings

An amendment clarifies that all disclosure statements containing computer-generated data shall be made by electronic submission. Section 3-06(c). Electronic submissions must be accompanied by paper only if also required by the Board. Section 9-01(a), (c)(4).

Special election campaigns will have to submit written requests for approval to make an electronic submission, in a format other than C-SMART;cw, as soon as possible but not later than seven days before the disclosure statement is due. Section 9-02(b).

The deposit required for obtaining C-SMART;cw, the one copy per campaign limit, and use restrictions, are repealed. Section 9-02(c); 9-04.

2. Statement of Basis and Purpose in City Record Aug. 7, 2002: Electronic Document Submission **Submission of Documents to the Board in an Electronic Manner** (Rules 1-04(d), 2-01, 3-02, 3-06, 3-08, 9-01, 9-02, 9-03, 10-01, 10-02(b)(4), 10-02(d), 11-02, 11-03(b), 11-03(c)(5)) The amendments provide for and govern the submission of documents to the Board in an electronic manner.

3. Statement of Basis and Purpose in City Record Oct. 18, 1996: Computer Filings **Disclosure Statement Submission Requirements** (R. 9-01; 9-02(b), (c)(2); 9-03) The rules modify the requirements for electronic submissions. The requirement that disks and paper forms correspond is eliminated. Rather, disk submissions should include a paper form backup that will be available in the public disclosure file until it is superseded when the disks are successfully uploaded. The rules also specify requirements for electronic submissions covering only a portion of a disclosure statement and require immediate resubmission of disks that are rejected for reasons such as a virus or damage. The rules further state that the Board may provide in the future, by advisory opinion, for electronic submissions by means other than disk, if fea- sible. This amendment accounts for future technological developments, although no specific change in filing medium is being developed at this time.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 9 DISCLOSURE STATEMENTS INCLUDING SUBMISSIONS IN ELECTRONIC MEDIA

§9-02 [Submitting Disclosure Statements; Format; Authorization]*2

(a) **Exceptions.** (1) Any candidate who seeks to submit disclosure statements, or a portion thereof, in any format or manner other than permitted by Rule 9-01 above, including but not limited to non-electronic formats and electronic formats not generated by C-SMART, shall submit a written request for authorization to the Board no later than four weeks before the filing date for the first disclosure statement for which the candidate desires an exception from Rule 9-01, or in the case of a special election, as soon as possible but no later than seven days before such disclosure statement filing date. Such written request shall be in a form and manner as prescribed by the Board. Small campaigns, as defined in Rule 3-02(f)(4), and other candidates who demonstrate that submission of disclosure statements in an electronic format would pose a substantial hardship, shall be permitted, upon request, to submit disclosure statements to the Board in non-electronic formats. Board authorization shall be in writing and shall apply only to the candidate, paper forms, and/or electronic submission form and manner specified therein. The authorization shall indicate whether it applies to one or more disclosure statements.

(2) State and Federal forms may not be submitted to the Board unless they are specifically permitted pursuant to subsection (1) above or §3-703(8) of the Code.

(b) **Enhancements.** The Board may, from time to time, provide enhancements, builds, patches, and/or upgrades to C-SMART and/or its user instructions. The Board shall provide candidates with as much advance notice of such enhancements as is reasonably possible. Following any such additions, candidates using C-SMART shall also use the most recent addition for any subsequent disclosure statement.

Subd. (c) par (2) amended City Record Oct. 18, 1996 §36, eff. Oct. 18, 1996. [See T52 §9-01 Note 3]

NOTE

1. Statement of Basis and Purpose in City Record Nov. 19, 2002:

C-SMART (§9-02(b))

From time to time during an election cycle it may be necessary to issue enhancements to C-SMART, or "patches." The Board makes every attempt to avoid issuing these patches, but has done so when it was necessary to facilitate payments to candidates or the proper disclosure of campaign finance information to the Board. The amendment confirms that the Board will provide participants with as much advance notice of such patches as is reasonably possible.

CHAPTER 9 DISCLOSURE STATEMENTS INCLUDING SUBMISSIONS IN ELECTRONIC MEDIA

§9-03 Disclosure Statement Submission Requirements.

(a) **Verification.** The treasurer or candidate shall verify that the electronic submission is true and complete, to the best of his or her knowledge, information, and belief.

(b) **Deficient submissions; legibility.** A submission is deficient and not in compliance with the disclosure requirements of the Act and these Rules if:

(1) the submission is not submitted in a form or manner authorized by the Board.

(2) the submission, or any part thereof, is in an electronic format that is infected with a virus, damaged, blank, improperly formatted, or otherwise unreadable by the Board; or

(3) the submission, or any part thereof, is in a non-electronic format that is illegible, or not in blue or black ink.

(c) **Supplemental paper submissions.** Unless otherwise required by the Board, a submission made in an electronic format, whether generated using C-SMART or otherwise, shall be accompanied by a printed version of the electronic submission. The electronic submission shall be the official submission. Any printed version of the electronic submission shall be provided solely for informational purposes and shall be placed in the public file until the electronic submission accepted by the Board is available to the public.

CHAPTER 10 VOTER GUIDE

§10-01 Definitions.

Except as otherwise provided, the definitions set forth in §1-02 apply in this chapter. In addition, the following terms shall have the following meanings:

Ballot proposal. "Ballot proposal" shall mean any proposition, referendum, or other question submitted to the voters pursuant to the Charter or to voters in New York City only pursuant to the New York Municipal Home Rule Law or any other law.

Candidate Voter Guide statement. "Candidate Voter Guide statement" shall mean the form filed by a candidate pursuant to §10-02(b), containing biographical and other information, a candidate statement, and a photograph of the candidate for inclusion in the primary or general election Voter Guide if the candidate is on the ballot in the election.

Election. "Election" shall mean any primary or general election, other than a special election or runoff special election held to fill a vacancy, runoff primary, or election held pursuant to court order, for the office of mayor, public advocate, comptroller, borough president, or member of the City Council, or a general election in which a ballot proposal is on the ballot.

HISTORICAL NOTE

Section in original publication July 1, 1991.

Ballot proposal definition amended City Record July 20, 1999 §72, eff. Aug. 19, 1999. [See Note 1]

Election amended City Record Oct. 10, 1995 §54, eff. Nov. 9, 1995. [See T52 §7-05 Note 1]

Election amended City Record Feb. 4, 1993 eff. Mar. 2, 1993.

NOTE

1. Statement of Basis and Purpose in City Record July 20, 1999:

Voter Guide

The definition of "ballot proposal" is clarified to cover all proposals submitted to voters in New York City only, pursuant to any law. Section 10-01. There will be no requirement that candidate photographs submitted for inclusion in the Voter Guide must be in black and white. Section 10-02(b)(3)(ii).

If feasible, the Board will solicit and accept for possible publication "pro" and "con" statements for ballot proposals. The time period for submitting these statements is left to the Board's discretion. Section 10-02(d)(3).

2. Statement of Basis and Purpose in City Record Oct. 18, 1996: **Voter Guide Definitions** (R. 10-01) The rules clarify that the Voter Guide will not include statements from write-in candidates.

3. Statement of Basis and Purpose in City Record May 5, 2003: The amendment specifies that the Board shall not be required to publish a Voter Guide for a runoff special election. The Board's Rules already provide that the Board shall not be required to publish a Voter Guide for a runoff primary election or any special election, since these elections usually are held on extremely short notice. The same concern applies to runoff special elections.

Rules of the City of New York

***** Current through December 2009 ****

52 RCNY 10-02

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 10 VOTER GUIDE

§10-02 Contents.

(a) **General Information.** In addition to any information that the Board determines to be useful for promoting public awareness of the voting process, City government, and the candidates and ballot proposals in an election, the Voter Guide for an election shall contain:

(1) the date of the election;

(2) the hours during which the polls are open;

(3) an explanation of the voter registration process;

(4) an explanation of how to obtain and use an absentee ballot;

(5) an explanation of how to cast a vote, including write-in votes;

(6) maps outlining the boundaries of City Council districts; and

(7) such tables of contents, graphics, and other materials which the Board determines will make the Voter Guide easier to understand or more useful for the average voter.

(b) **Candidates.** (1) The Voter Guide for an election shall contain biographical and other information for each candidate in the election who has submitted, in a timely manner, a candidate Voter Guide statement as provided in this subdivision. The following biographical information shall be included:

(i) the name of the candidate;

(ii) the political party in which the candidate is enrolled;

(iii) the previous and current public offices held by the candidate;

(iv) the current occupation and employer of the candidate;

(v) prior employment and positions held by the candidate;

(vi) the experience the candidate has had in public service;

(vii) the educational background of the candidate;

(viii) a list of the candidate's major organizational affiliations;

(ix) such other biographical and other information as may be determined by the Board and requested on the candidate Voter Guide statement.

(2) The Voter Guide shall contain concise statements on the candidate's principles, platform, or views, for each candidate in the election who has submitted, in a timely manner, a candidate Voter Guide statement which meets the requirements of this chapter. The information submitted in the candidate Voter Guide statement shall be in English and shall be translated by a translation service under contract to the Board.

(3) Any photograph of a candidate submitted in a candidate Voter Guide statement shall meet the following requirements:

(i) it is a recent photograph;

(ii) it is a photograph with a plain background;

(iii) it shows the face or the head, neck, and shoulders of the candidate;

(iv) it does not include the hands or anything held in the hands of the candidate;

(v) it does not show the candidate wearing any distinctive uniform, including but not limited to a judicial robe, or a military, police, or fraternal uniform; and

(vi) it is within such size requirements as may be determined and required by the Board.

(4)(i) A candidate Voter Guide statement shall be included in the primary election Voter Guide for each candidate named in designating petitions filed with the Board of Elections who submits a statement to the Campaign Finance Board which meets the other requirements of this chapter not later than 12 weeks prior to the primary election or such other time as prescribed by the Campaign Finance Board. Notwithstanding the foregoing, a candidate Voter Guide statement shall not be included in the primary election Voter Guide if no contested primary election for the nomination sought by that candidate will be held based on designating petitions filed with the Board of Elections. The Campaign Finance Board shall determine whether a contested primary election will be held based on information available at the time the primary election Voter Guide is sent to press.

(ii) In the case of general election candidates not named in designating petitions filed with the Board of Elections, a candidate Voter Guide statement shall be included in the general election Voter Guide for each such general election candidate who submits a statement to the Campaign Finance Board which meets the requirements of this chapter not later than 12 weeks prior to the general election or such other time as prescribed by the Campaign Finance Board. In the

case of candidates for whom a candidate Voter Guide statement was submitted for the primary election Voter Guide, that statement shall be included in the general election Voter Guide, regardless whether it was included in the primary election Voter Guide, and no additional statement or modifications to a statement or other information shall be accepted from such candidates for the general election Voter Guide.

(iii) The Board shall not accept a candidate Voter Guide statement unless it is submitted in a manner provided by the Board, includes any signatures or notarizations required by the Board, and the candidate has verified that the contents of the form are true to the best of his or her knowledge. The Board may, in its discretion, reject any Voter Guide statement, or portions thereof, it deems to contain matter that is obscene, libelous, defamatory or otherwise objectionable.

(5) Information contained in the candidate Voter Guide statement shall not exceed the length and space limitations provided by the Board. The Board may, in its discretion, require that candidate Voter Guide statements follow a consistent format, and edit statements to achieve uniformity of presentation, conformance with length and space limitations, and consistency with existing law.

(6) The candidate Voter Guide statement is a written instrument which, when filed, becomes part of the Board's records. Knowingly filing a written instrument that contains a false statement or false information is a Class A misdemeanor under New York State Penal Law §175.30. A candidate may not include any false information in his or her candidate Voter Guide statement. The candidate shall verify that his or her candidate Voter Guide statement is true, to the best of his or her knowledge.

(7) Together with a candidate Voter Guide statement, the Board shall publish one of the following notices:

(i) In the case of a participant: "Participant in the Campaign Finance Program" or language to like effect.

(ii) In the case of a limited participant: "Limited participant in the Campaign Finance Program" or language to like effect.

(iii) In the case of a non-participant: "Not a participant in the Campaign Finance Program" or language to like effect.

(c) Reserved.

(d) **Ballot proposals.** The Voter Guide for the general election shall contain:

(1) the form of each ballot proposal, as it will appear on the ballot, in the general election;

(2) an abstract of each ballot proposal; and

(3) to the extent feasible, a statement of the major arguments for and against the passage of each ballot proposal, clearly labeled as such. If feasible, the Board shall solicit and accept for possible inclusion in the Voter Guide for a general election statements of arguments for and against passage. A statement shall not be accepted by the Board unless the statement:

(i) is submitted in a form and manner provided by the Board and includes any signatures required by the Board;

(ii) conforms to the length and space limitations provided by the Board;

(iii) identifies the organization, if any, on whose behalf the statement is made. No person may submit more than one statement per ballot proposal pursuant to this paragraph.

(e) **Board determines whether to publish statements for and against ballot proposals.** With respect to

statements of arguments for and against ballot proposals, the Board, in its discretion, may determine:

(1) not to publish any such statements;

(2) not to publish any statements submitted pursuant to paragraph (d)(3);

(3) to publish all or any portion of a statement submitted pursuant to paragraph (d)(3);

(4) to edit any statement submitted pursuant to paragraph (d)(3) and publish the edited statement; and

(5) to compose and publish such statements of arguments for and against passage of ballot proposals as it deems appropriate, or to designate one or more persons to compose such statements.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 11 TRANSITION AND INAUGURATION ACTIVITIES*1

§11-01 Scope.

This chapter applies to every candidate elected to the office of mayor, public advocate, comptroller, borough president, and member of the City Council, regardless whether the elected candidate is a participant in the voluntary Campaign Finance Program. "Elected candidate" shall mean each such candidate. Except as otherwise provided, the definitions set forth in §1-02 apply in this chapter.

HISTORICAL NOTE

FOOTNOTES

1

[Footnote 1]: * Provisions of City Record July 20, 1999 Explanation, Basis and Purpose:

Transition and Inauguration Activities

These rules apply to all candidates elected to the office of mayor, public advocate, comptroller, borough president, and City Council member, regardless whether the candidate is a participant in the voluntary Campaign Finance Program. Before any private funds are raised or spent for transition or inauguration into office, the

elected candidate is required to register each entity authorized to engage in financial activity for a transition and/or inauguration into office. Section 11-02. These entities would file bimonthly disclosure reports on the fifth business day in January, March, May, July, September, and November, until the entity terminates. Section 11-03.

An elected candidate may not use a political committee or pre-existing entity for transition or inauguration activities, and a transition/inauguration entity may not:

· continue in existence after it has paid all liabilities for transition and inauguration into office;

· accept funds from any political committee authorized by the elected candidate;

· accept donations from a political committee that has not registered with the Board;

· accept donations in excess of legal limits (including the single source standards);

· incur liabilities or make expenditures for purposes other than transition or inauguration into office; or

· accept any donation in cash that exceeds $10.

Section 11-04.

Recordkeeping requirements are similar to those for campaigns participating in the voluntary Campaign Finance Program. Section 11-05.

***** Current through December 2009 ****

52 RCNY 11-02

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 11 TRANSITION AND INAUGURATION ACTIVITIES*1

§11-02 Registration.

(a) Before any private funds are raised or spent for transition or inauguration into office, the elected candidate shall register each entity created and authorized to accept donations and loans, and make expenditures, for transition and/or inauguration into office on behalf of the elected candidate. The failure to make this registration in a timely manner is a violation of §3-802 of the Code, and subject to penalty thereunder.

(b) The registration shall be submitted in such form and manner as shall be provided by the Board and shall contain all information required by the Board, including:

(i) the name and address of the elected candidate and of the entity, and the date the entity was created;

(ii) the name, address, and employer of the treasurer (or other officer authorized to sign the registration) and of the liaison of the entity;

(iii) information about the entity's bank accounts; and

(iv) any signatures and notarizations as may be required by the Board; provided, however, that, to the extent that the Board permits an elected candidate to submit the registration in a non-electronic format, such registration will only be accepted by the Board if it contains an original notarized signature from both the elected candidate and the treasurer or other officer of the entity designated to sign the periodic disclosure reports required by §11-03.

(c) The elected candidate shall file a separate registration for each separate entity authorized by the elected

candidate to raise and spend private funds for transition or inauguration into office.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 11 TRANSITION AND INAUGURATION ACTIVITIES*1

§11-03 Periodic Disclosure Reports.

(a) **Forms.** The Board shall provide forms and instructions for the submission of periodic disclosure reports by entities registered under §11-02. Except as otherwise provided in subdivision (b), disclosure reports shall be submitted on the forms provided by the Board and shall contain all information for the reporting period required by the Board, including:

(1) the cash balance at the beginning and end of the reporting period;

(2) total itemized and unitemized donations, loans, and other receipts accepted during the reporting period;

(3) total itemized and unitemized expenditures made during the reporting period;

(4) for each donation accepted, the contributor's and intermediary's (if any) full name, residential address, occupation, employer, and business address, to the best of the elected candidate's, treasurer's, and entity's knowledge;

(5) the date of receipt and amount of each donation accepted or other receipt;

(6) whether a donation was made in cash;

(7) the date and amount of each donation returned to a donor;

(8) each previously reported donation for which the check was returned unpaid;

(9) for each loan accepted, the lender's, guarantor's or other obligor's full name, residential address, occupation, employer, and business address, to the best of the elected candidate's, treasurer's, and entity's knowledge;

(10) the date and amount of each loan, guarantee, or other security for a loan accepted;

(11) the date and amount of each loan payment made;

(12) the amount of any portion of a loan which has been forgiven;

(13) the date, amount, name and address of the payee, purpose, and check and account number of each disbursement;

(14) the date, amount, name and address of the obligee, and purpose of each unpaid obligation incurred; and

(15) such other information as the Board may require.

All data reported in disclosure reports, amendments, and resubmissions shall be accurate as of the last day of the reporting period.

(b) **Electronic submissions.** Disclosure report submissions shall follow the submission standards applicable to participants under Chapter 9 of these rules.

(c) **Bimonthly reports.**

(1) The first report is due on the fifth business day of January, March, May, July, September, or November, whichever occurs first after the election, provided that the closing date of the first report shall not be less than six weeks after the entity was registered.

(2) The first report shall cover a period of not less than six weeks from the day the entity was registered through the last day of the calendar month immediately preceding the month in which the report is due. Each subsequent report shall cover the next two calendar months, and shall be due on the fifth business day after the close of the later month.

(3) The final report shall cover the period from the day after the conclusion of the preceding report through the day the entity terminates its activities (by complete payment of all liabilities and complete disposition of funds), and shall include such information about the disposition of any funds remaining after all liabilities are paid as shall be required by the Board. The final report is due on the fifth business day after the entity terminates its activities.

(4) Disclosure reports that fail to comply substantially with the disclosure requirements described in the Code or these rules will not be accepted by the Board. Amendments to or resubmissions of disclosure reports are prohibited unless expressly authorized or requested by the Board.

(5) The disclosure report shall contain a verification from the elected candidate, treasurer, or other officer designated in the registration that the disclosure report is true and complete to the best of his or her knowledge, information, and belief, and shall contain such signatures as may be required by the Board; provided, however, that, to the extent the Board permits a candidate to submit a disclosure report in a non-electronic format pursuant to §11-03(b) and Chapter 9 of these rules, such disclosure report will only be accepted by the Board if it contains an original signature from either the elected candidate, the treasurer, or another officer designated in the registration to sign the periodic disclosure reports required by this §11-03.

Transition and Inauguration Activities

These rules apply to all candidates elected to the office of mayor, public advocate, comptroller, borough president, and City Council member, regardless whether the candidate is a participant in the voluntary Campaign Finance Program. Before any private funds are raised or spent for transition or inauguration into office, the elected candidate is required to register each entity authorized to engage in financial activity for a transition and/or inauguration into office. Section 11-02. These entities would file bimonthly disclosure reports on the fifth business day in January, March, May, July, September, and November, until the entity terminates. Section 11-03.

An elected candidate may not use a political committee or pre-existing entity for transition or inauguration activities, and a transition/inauguration entity may not:

· continue in existence after it has paid all liabilities for transition and inauguration into office;

· accept funds from any political committee authorized by the elected candidate;

· accept donations from a political committee that has not registered with the Board;

· accept donations in excess of legal limits (including the single source standards);

· incur liabilities or make expenditures for purposes other than transition or inauguration into office; or

· accept any donation in cash that exceeds $10.

Section 11-04.

Recordkeeping requirements are similar to those for campaigns participating in the voluntary Campaign Finance Program. Section 11-05.

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 11 TRANSITION AND INAUGURATION ACTIVITIES*1

§11-04 Restrictions.

The following restrictions apply pursuant to §3-801 of the Code.

(a) An elected candidate shall not:

(1) authorize or register a political committee to raise or spend funds for transition or inauguration into office;

(2) use funds accepted by a political committee authorized by the candidate for transition or inauguration into office;

(3) authorize or register a previously existing entity to raise or spend funds for transition or inauguration into office;

(4) continue in existence an entity registered under §11-02 after it has paid all liabilities it incurred for transition and inauguration into office and otherwise has disposed of all funds pursuant to paragraph (f) below.

(b) An entity authorized by an elected candidate to raise or spend funds for transition or inauguration into office shall not:

(1) accept donations or other receipts from any political committee authorized by the elected candidate;

(2) accept donations from a political committee that has not registered with the Board under §3-801(3) of the Code on a form that includes the information set forth in Rule 1-04(d)(1) (political committees registered for an election cycle

pursuant to §3-707 of the Code shall be deemed registered for purposes of §3-801(3) of the Code with respect to transition and inauguration expenditures immediately following an election held in that cycle);

(3) accept donations in excess of the donation limits set forth in §3-801(2)(b) of the Code;

(4) incur liabilities or make expenditures for purposes other than transition or inauguration into office;

(5) accept any donation in cash that exceeds $100 from a single donor;

(6) incur liabilities or make expenditures after January thirty-first in the year following the election, except for (i) expenditures made to satisfy liabilities incurred prior to January thirty-first and (ii) routine and nominal expenditures associated with and necessary to satisfying such liabilities and terminating the entity, such as routine and nominal overhead costs, bank fees, taxes, and other reasonable expenses for compliance with applicable tax laws;

(7) accept any donations after all liabilities are paid; or

(8) accept any donations from any corporation, limited liability company, limited liability partnership or partnership not permitted to contribute pursuant to §3-703(1)(l) of the Code or from any person whose name appears in the doing business database as of the date of such donation; provided, however, that this limitation on donations shall not apply to any donation made by a natural person who has business dealings with the city to a transition or inaugural committee where such donation is from the candidate-elect, or from the candidate-elect's parent, spouse, domestic partner, sibling, child, grandchild, aunt, uncle, cousin, niece or nephew by blood or by marriage.

(c) In determining compliance with the donation limits of §§3-801(2)(b) and (d) of the Code, the Board shall total all donations from a single source to all transition and inauguration entities authorized by an elected candidate, using the standards for determining whether donations are from a single source that apply to contributions from a single source under Rule 1-04(h).

(d) Loans are deemed to be donations, subject to the limits and restrictions of the Code, to the extent the loan is not repaid by the date of the elected candidate's inauguration into office.

(e)(i) Unless permitted by paragraphs (b)(6) and (7) above, any expenditure, liability, or other disbursement, and any donation, loan, or other receipt, made, incurred, or received after January thirty-first in the year following the date of a regularly scheduled general election (or after 30 days following the date of the elected candidate's inauguration, in the case of a special election), by an entity authorized pursuant to §3-801 of the Code, shall be presumed to be made, incurred, or received for the first election in which the elected candidate is a candidate following the day that it is made, incurred, or received and not made, incurred, or received for the purposes of transition or in- auguration.

(ii) Incumbent elected candidates shall be presumed to have no transition expenses.

(f) If the entity has funds remaining after all liabilities have been paid, it shall return such funds to one or more of its donors, or if that is impracticable, to the Fund.

(g) An elected candidate and his or her authorized entities may choose not to accept any monetary or in-kind donation, or any loan, guarantee, or other security for such loan, and may accept only monetary donations and advances from the elected candidate to his or her entities made out of the elected candidate's personal funds and in-kind donations made by the elected candidate to the entities; such elected candidate may donate to his or her entities with his or her personal funds or property, make in-kind donations to his or her entities with his or her personal funds or property, and make advances to his or her entities with his or her personal funds or property, without regard to the donation limits of §3-801(2)(b) of the Code. An elected candidate's personal funds or property shall include his or her funds or property jointly held with his or her spouse, domestic partner, or unemancipated children.

HISTORICAL NOTE

Subd. (e) added City Record Aug. 21, 2003 eff. Sept. 20, 2003. [See Note 2]

DERIVATION

Section added City Record July 20, 1999 §76, eff. Aug. 19, 1999. [See Chapter 11 footnote]

Subd. (b) amended City Record Mar. 27, 2001 eff. Apr. 26, 2001. [See Note 1]

Subd. (b) amended City Record Feb. 29, 2000 §12, eff. Mar. 30, 2000. [See T52 §1-04 Note 7]

NOTE

1. Statement of Basis and Purpose in City Record Mar. 27, 2001:

Technical Correction

This amendment corrects a typographical error so that the Rule will prohibit a Transition and Inaugural entity from accepting any donation in cash that exceeds $100 from a single donor, as opposed to prohibiting donations exceeding $10.

2. Statement of Basis and Purpose in City Record Aug. 21, 2003: Transition and Inauguration Activities (§11-04(e)) The 2001 elections were the first elections in which the Board's transition and inauguration requirements were fully implemented. Following those elections, a number of elected candidates continued to report transition and inauguration activity well after the date of their inauguration into office. The Board is concerned that some or all of this activity was actually campaign activity. Not only does the use of a transition and inauguration entity for campaign purposes violate Administrative Code §3-801, but it also improperly insulates such activity from the reach of the New York City Campaign Finance Act and unfairly benefits incumbents, who are the only individuals permitted to establish transition and inauguration entities. The rule provides that activity undertaken through a transition and inauguration entity after January thirty-first in the year following the elected candidate's election to office (or after 30 days following the date of the elected candidate's inauguration, in the case of a special election) is presumed to be undertaken for the first election in which the elected candidate is a candidate following the date of the activity, and is not for the purposes of transition or inauguration. Additionally, the rule makes clear that in the future incumbent elected candidates, who already have government offices and staff, may not seek to use a transition and inauguration entity to fund expenses, such as office furniture, which properly should be made out of their government office budgets (although some such expenditures could be a legitimate transition expense for newly elected candidates). As a result, the rule also provides that incumbent elected candidates shall be presumed to have no transition expenses.

FOOTNOTES

RULES OF THE CITY OF NEW YORK

Title 52 Campaign Finance Board

CHAPTER 11 TRANSITION AND INAUGURATION ACTIVITIES*1

§11-05 Records and Audit.

(a) Each entity required to be registered under §11-02 must exercise reasonable care to keep records that enable the Board to verify the accuracy of disclosure reports and compliance with all requirements of §3-801 of the Code and this chapter. The records kept shall be clear, accurate, and sufficient to show an audit trail that demonstrates compliance. The records shall be made and maintained contemporaneously with the transactions recorded, and maintained and organized in a manner that facilitates expeditious review by the Board.

(b) The records to be kept shall include:

(1) Copies of all deposit slips.

(2) A photocopy of each check or other monetary instrument representing a donation or other monetary receipt.

(3) A record of all efforts made to ascertain each donor's residential address, employer, business address, and occupation and to identify fully the intermediary, if any, for each donation.

(4) For each in-kind donation, a receipt or other written record showing how the value of the donation was determined.

(5) Each bill for goods or services provided.

(6) Written documentation for each loan received, loan repayment, and loan forgiven.

(7) A monthly billing statement or customer receipt for each disbursement to a credit card or charge card account showing vendors underlying the disbursement.

(8) The following from banks and other depositories relating to accounts:

(i) all periodic bank or other depository statements in chronological order, maintained with any other related correspondence received with those statements, such as credit and debit memos and contribution checks returned because of insufficient funds; and

(ii) all returned and cancelled disbursement checks.

(c) All of the entity's records are subject to Board review and shall be made available to the Board upon its request, within such time as shall be specified by the Board.

(d) The entity may maintain a petty cash fund of no more than $500 out of which they may make disbursements not in excess of $100 to any person or entity per purchase or transaction. If a petty cash fund is maintained, the entity shall maintain a petty cash journal including the name of every person or entity to whom any disbursement is made, as well as the date, amount, and purpose of the disbursement.

(e) The entity shall retain all records and documents required to be kept for six years after the date of its registration.

(f) Reserved.

53 RCNY 1-01

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-01 Valuable Gifts.

(a) For the purposes of Charter §2604(b)(5), a "valuable gift" means any gift to a public servant which has a value of $50.00 or more, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise, or in any other form. Two or more gifts to a public servant shall be deemed to be a single gift for purposes of this subdivision and Charter §2604(b)(5) if they are given to the public servant within a twelve-month period under one or more of the following circumstances: (1) they are given by the same person; and/or (2) they are given by persons who the public servant knows or should know are (i) relatives or domestic partners of one another; or (ii) are directors, trustees, or employees of the same firm or affiliated firms.

(b) As used in subdivision (a) of this section, (1) "relative" shall mean a spouse, child, grandchild, parent, sibling, and grandparent; a parent, domestic partner, child, or sibling of a spouse or domestic partner; and a spouse or domestic partner of a parent, child, or sibling; (2) firms are "affiliated" if one is a subsidiary of the other or if they have a parent firm in common or if they have a stockholder in common that owns at least 25 percent of the shares of each firm; (3) "firm," "spouse," and "ownership interest" shall have the meaning ascribed to those terms in §2601 of the Charter; (4) "domestic partner" means a domestic partner as defined in New York City Administrative Code §1-112(21).

(c) For the purposes of Charter §2604(b)(5), a public servant may accept gifts that are customary on family or social occasions from a family member or close personal friend who the public servant knows is or intends to become engaged in business dealings with the City, when:

(1) it can be shown under all relevant circumstances that it is the family or personal relationship rather than the business dealings that is the controlling factor; and

(2) the public servant's receipt of the gift would not result in or create the appearance of:

(i) using his or her office for private gain;

(ii) giving preferential treatment to any person or entity;

(iii) losing independence or impartiality; or

(iv) accepting gifts or favors for performing official duties.

(d) For the purposes of Charter §2604(b)(5), a public servant may accept awards, plaques and other similar items which are publicly presented in recognition of public service, provided that the item or items have no substantial resale value.

(e) For the purposes of Charter §2604(b)(5), a public servant may accept free meals or refreshments in the course of and for the purpose of conducting City business under the following circumstances:

(1) when offered during a meeting which the public servant is attending for official reasons;

(2) when offered at a company cafeteria, club or other setting where there is no public price structure and individual payment is impractical;

(3) when a meeting the public servant is attending for official reasons begins in a business setting but continues through normal meal hours in a restaurant, and a refusal to participate and/or individual payment would be impractical;

(4) when the free meals or refreshments are provided by the host entity at a meeting held at an out-of-the-way location, alternative facilities are not available and individual payment would be impractical; and

(5) when the public servant would not have otherwise purchased food and refreshments had he or she not been placed in such a situation while representing the interests of the City.

(f) For the purposes of Charter §2604(b)(5), a public servant may:

(1) accept meals or refreshments when participating as a panelist or speaker in a professional or educational program and the meals or refreshments are provided to all panelists;

(2) be present at a professional or educational program as a guest of the sponsoring organization;

(3) be a guest at ceremonies or functions sponsored or encouraged by the City as a matter of City policy, such as, for example, those involving housing, education, legislation or government administration;

(4) attend a public affair of an organization composed of representatives of business, labor, professions, news media or organizations of a civic, charitable or community nature, when invited by the sponsoring organization, provided that this exception does not apply when the invitation is from an organization which has business dealings, as defined in Charter §2601(8), with, or a matter before, the public servant's agency;

(5) be a guest at any function or occasion where the attendance of the public servant has been approved in writing as in the interests of the City, in advance where practicable or within a reasonable time thereafter, by the employee's agency head or by a deputy mayor if the public servant is an agency head.

(g) For the purposes of Charter §2604(b)(5), a public servant who is an elected official or a member of the elected official's staff authorized by the elected official may attend a function given by an organization composed of representatives of business, labor, professions, news media or organizations of a civic, charitable or community nature,

when invited by the sponsoring organization. For the purpose of this subdivision, the authorizing elected official for the central staff of the council is the speaker of the council.

(h) (1) For the purposes of Charter §2604(b)(5), a public servant's acceptance of travel-related expenses from a private entity can be considered a gift to the City rather than to the public servant, when:

(i) the trip is for a City purpose and therefore could properly be paid for with City funds;

(ii) the travel arrangements are appropriate to that purpose; and

(iii) the trip is no longer than reasonably necessary to accomplish the business which is its purpose.

(2) To avoid an appearance of impropriety, it is recommended that for public servants who are not elected officials, each such trip and the acceptance of payment therefor be approved in advance and in writing by the head of the appropriate agency, or if the public servant is an agency head, by a deputy mayor.

(i) A public servant should not accept a "valuable gift," as defined herein, from any person or entity engaged in business dealings with the City. If the public servant receives such valuable gift, he or she should return the gift to the donor. If that is not practical, the public servant should report the receipt of a valuable gift to the inspector general of the public servant's agency, who shall determine the appropriate disposition of the gift. Nothing in this section shall be deemed to authorize a public servant to act in violation of any applicable laws, including the criminal law, City agency rules, or Mayoral Executive Orders (including, but not limited to, Executive Order No. 16 of 1978 (as amended)), which may impose additional requirements to report gifts and offers of gifts to the agency's inspector general, whether or not a gift is accepted or returned.

(j) City agencies are encouraged to establish rules concerning gifts for their own employees which may not be less restrictive than as set forth in Charter §2604(b)(5) as interpreted by this section.

(k) (1) Nothing in this section shall be deemed to authorize a public servant to accept a gift of any value in violation of any other applicable federal, state or local law, rule or regulation, including but not limited to the New York State Penal Law.

(2) The provisions of this section shall be read in conjunction with the provisions of Charter §2604(b)(2) and §1-13 of the Rules of the Board (prohibiting certain conduct that conflicts with the proper discharge of a public servant's official duties); §2604(b)(3) of the Charter (prohibiting the use or attempted use of one's City position for private gain); and §2604(b)(13) of the Charter (prohibiting receipt by public servants of compensation except from the City for performing any official duty and prohibiting receipt of gratuities).

NOTE

1. Statement of Basis and Purpose in City Record June 9, 2000:

Statutory Authority: Sections 2603(a) and 2604(b)(5) of the New York City Charter.

Statement of Basis and Purpose of the Amendment: Charter §2604(b)(5) provides:

No public servant shall accept any valuable gift, as defined by rule of the board, from any person or firm which such public servant knows is or intends to become engaged in business dealings with the city, except that nothing contained herein shall prohibit a public servant from accepting a gift which is customary on family and social occasions.

The purpose of the amendment to §1-01(i) is to alert public servants to their reporting and other obligations with respect to gifts. The current rule, §1-01(i), provides that public servants should return valuable gifts to the donor, and report such gifts to the inspector general ("IG") of the public servant's agency if it is not practical to return the gifts. This provision has allowed situations where an employee of a mayoral agency could receive and return a gift and report nothing to the IG, thereby complying with the Board's Valuable Gift Rule, but violating his or her reporting obligations

under Executive Order No. 16 (1978), which imposes on public servants in mayoral agencies an affirmative obligation to report to the IG's of their respective agencies, the offer and/or receipt of all gifts that may involve corrupt or other criminal activity or conflict of interest, directly and without undue delay, whether or not the gift is returned to the donor. The amendment corrects this anomaly, helps City employees to comply with their various reporting obligations by highlighting those other obligations, and eliminates possible confusion among public servants. The purpose of the amendment adding a new subdivision (k) of the Board's Valuable Gift Rule is to inform public servants that the receipt and acceptance of gifts or gratuities may give rise to liability under other provisions of Chapter 68 of the City Charter as well as other sources of law, such as the criminal law. This proposed change would serve to reinforce for public servants their obligation to exercise caution before accepting any gift of any value because, whether or not the gift meets the $50 "valuable gift" definition in subdivision (a), acceptance may constitute a violation of other provisions of law. For example, a public servant should never accept any gift in exchange for taking any official action, even though the gift may be worth less than $50 and would not be deemed a "valuable gift" under subdivision (a) (assuming no other gifts to be aggregated for a twelve-month period), because this conduct would constitute a violation of Charter §2604(b)(13), which prohibits public servants from receiving compensation except from the City in exchange for performing any official duty, and could also violate the criminal law. **See, e.g.,** New York State Penal Law §200.10. In addition, accepting a gift of any value can violate Charter §2604(b)(3), which prohibits public servants from using or even attempting to use their official positions to obtain a financial gain or other privilege or private or personal advantage for themselves or those associated with them. In response to the public hearing notice on the proposed rule, the Board received comments from the Comptroller's Office and the City Council. While the comments from the Comptroller's office were insightful, the Board and the Comptroller's Office agreed that their suggestions did not pertain to the thrust of the instant rule change. The Board was persuaded by the City Council's comment that the inclusion of the phrase "the Department of Investigation assigned to" after "the inspector general of" in subparagraph (i) of the rule, as initially proposed by the Board, raised questions regarding the separation of powers among the various branches of government and was unnecessary. Therefore, the Board left the pertinent language of that subparagraph intact. See Appendix A for illustrative examples of provisions of law that may apply to gifts. Appendix A Illustrative Examples of Provisions of Law That May Apply to Gifts I. Chapter 68 of the New York City Charter §2604(b)(2) No public servant shall engage in any business, transaction or private employment, or have any financial or other private interest, direct or indirect, which is in conflict with the proper discharge of his or her official duties. §2604(b)(3) No public servant shall use or attempt to use his or her position as a public servant to obtain any financial gain, contract, license, privilege or other private or personal advantage, direct or indirect, for the public servant or any person or firm associated with the public servant. §2604(b)(5) No public servant shall accept any valuable gift, as defined by rule of the board, from any person or firm which such public servant knows is or intends to become engaged in business dealings with the city, except that nothing contained herein shall prohibit a public servant from accepting a gift which is customary on family and social occasions. §2604(b)(13) No public servant shall receive compensation except from the city for performing any official duty or accept or receive any gratuity from any person whose interests may be affected by the public servant's official action. Violation of any of the foregoing provisions is a misdemeanor. **See** Charter §2606. II. Conflicts of Interest Rules of the Board §1-13 Conduct Prohibited by City Charter §2604(b)(2) (a) Except as provided in subdivision (c) of this section, it shall be a violation of City Charter §2604(b)(2) for any public servant to pursue personal and private activities during times when the public servant is required to perform services for the City. (b) Except as provided in subdivision (c) of this section, it shall be a violation of City Charter §2604(b)(2) for any public servant to use City letterhead, personnel, equipment, resources, or supplies for any non-City purpose. (c)(1) A public servant may pursue a personal and private activity during normal business hours and may use City equipment, resources, personnel, and supplies, but not City letterhead, if (i) the type of activity has been previously approved for employees of the public servant's agency by the Conflicts of Interest Board upon application by the agency head and upon a determination by the Board that the activity furthers the purposes and interests of the City; and (ii) the public servant shall have received approval to pursue such activity from the head of his or her agency. (2) In any instance where a particular activity may potentially directly affect another City agency, the employee must obtain approval from his or her agency head to participate in such particular activity. The agency head shall provide written notice to the head of the potentially affected agency at least 10 days prior to approving such activity. (d) It shall be a violation of City Charter §2604(b)(2) for any public servant to intentionally or knowingly induce or cause another public servant to

engage in conduct that violates any provision of City Charter §2604. (e) Nothing contained in this section shall preclude the Conflicts of Interest Board from finding that conduct other than that proscribed by subdivisions (a) through (d) of this section violates City Charter §2604(b)(2), although the Board may impose a fine for a violation of City Charter §2604(b)(2) only if the conduct violates subdivisions (a), (b), (c), or (d) of this section. The Board may not impose a fine for violation of subdivision (d) where the public servant induced or caused another public servant to engage in conduct that violates City Charter §2604(b)(2), unless such other public servant violated subdivisions (a), (b), or (c) of this section. III. Penal Law Provisions 200.10 Bribe receiving in the third degree A public servant is guilty of bribe receiving in the third degree when he solicits, accepts or agrees to accept any benefit from another person upon an agreement or understanding that his vote, opinion, judgment, action, decision or exercise of discretion as a public servant will thereby be influenced. Bribe receiving in the third degree is a class D felony. 200.25 Receiving reward for official misconduct in the second degree A public servant is guilty of receiving reward for official misconduct in the second degree when he solicits, accepts or agrees to accept any benefit from another person for having violated his duty as a public servant. Receiving reward for official misconduct in the second degree is a class E felony. 200.35 Receiving unlawful gratuities A public servant is guilty of receiving unlawful gratuities when he solicits, accepts or agrees to accept any benefit for having engaged in official conduct which he was required or authorized to perform, and for which he was not entitled to any special or additional compensation. Receiving unlawful gratuities is a class A misdemeanor. 200.50 Bribe receiving for public office A public servant or a party officer is guilty of bribe receiving for public office when he solicits, accepts or agrees to accept any money or other property from another person upon an agreement or understanding that some person will or may be appointed to a public office or designated or nominated as a candidate for public office. Bribe receiving for public office is a class D felony. 195.00 Official misconduct A public servant is guilty of official misconduct when, with intent to obtain a benefit or deprive another person of a benefit:

1. He commits an act relating to his office but constituting an unauthorized exercise of his official functions, knowing that such act is unauthorized; or

2. He knowingly refrains from performing a duty which is imposed upon him by law or is clearly inherent in the nature of his office.

Official misconduct is a class A misdemeanor.

IV. Executive Order No. 16 (1978)

§4(d)

Every officer and employee of the City shall have the affirmative obligation to report, directly and without undue delay, to the Commissioner or an Inspector General any and all information concerning conduct which they know or should reasonably know to involve corrupt or other criminal activity or conflict of interest, (i) by another City officer or employee, which concerns his or her office or employment, or (ii) by persons dealing with the City, which concerns their dealings with the City. The knowing failure of any officer or employee to report as required above shall constitute cause for removal from office or employment or other appropriate penalty.

2. Statement of Basis and Purpose in City Record Dec. 15, 2000: Charter §2604(b)(5) provides: No public servant shall accept any valuable gift, as defined by rule of the board, from any person or firm which such public servant knows is or intends to become engaged in business dealings with the city, except that nothing contained herein shall prohibit a public servant from accepting a gift which is customary on family and social occasions. As provided for by Charter §2604(b)(5), the Board has promulgated Rules §1-01, which, **inter alia,** delineates circumstances under which the receipt of gifts by public servants will and will not violate Chapter 68. Section 1-01(f) is, in the main, particularly concerned with ceremonies, functions, programs, and other occasions for which an admission fee is charged, and addresses when a public servant may accept a "ticket" at no charge. Section 1-01(f)(4) addresses the annual public affair of a business association or a charitable organization, and permits the attendance at such event when the free ticket comes from the sponsoring organization, unless the sponsoring organization is a charitable organization which has a

contract with the public servant's agency. By this amendment to §1-01(f)(4), the Board intends to narrow the range of permitted gifts, because a public servant's agency may have many dealings with a private organization beyond a contractual relationship. For example, a community board may well have highly controversial matters before it involving for-profit and not-for-profit applicants; or the Finance Department may be considering the application from a charitable organization for an exemption from a real property tax. For a public servant at the involved community board, or at the Finance Department, to accept a free ticket to the annual affair of such an organization raises the appearance of impropriety. To limit the rule's proviso simply to the case of a contractual relationship is, the Board believes, insufficient. The amended rule therefore would prohibit the acceptance of such free tickets from an organization which has dealings with the public servant's agency, not merely from those organizations with a contract with his or her agency. The language chosen to define those dealings, namely, "business dealings . . . with, or a matter before," are terms contained in Chapter 68. "Business dealing" is indeed defined in Charter §2601(8). "Matter before" is a term used in Charter §2604(a)(1)(a), 2604(b)(1)(a), and 2604(b)(1)(b). Finally, it should be noted that the amendment would not change the substance of Rules §1-01(f)(5) and §1-01(g), whose texts are also set forth above. Those sections permit, respectively, attendance at functions when the public servant's agency head so approves in writing and attendance by elected officials at the annual public events of certain organizations, when invited by the sponsoring organization. Thus, if the application of the amendment to a particular case would not permit acceptance of the gift ticket, these provisions would, in all likelihood, permit attendance in those instances when the attendance is indeed in the interests of the City. In response to the notice of opportunity to comment on the proposed rule, the City Council asked two related questions: the Board's interpretation, as applied to the activities of the Council, of the terms "business dealings" and "matters before"; and, for attendance no longer permitted under the proposed amendment to §1-01(f)(4), the identity, for the central staff of the Council, of the "authorizing" elected official within the meaning of §1-01(g). With respect to the first, the Board means no change in its historic interpretation of the Charter phrases "business dealings" and "matters before." In that regard, it should be noted that individuals who, and organizations which, merely lobby or advocate positions before the Council do not have "business dealings with" or "matters before" the Council. In contrast, individuals and organizations with Council business dealings or with matters before the Council include vendors to the Council; owners of property which is before the Council pursuant to the Charter's land use review process (**see** Charter §197-d); and organizations which receive direct appropriations from the Council (e.g., line item appropriations or discretionary funding as described in Title 9, Rules of the City of New York, §1-01(e)). With regard to the identity of the authorizing official, for the central staff of the Council the proper authorizing elected official for the purpose of §1-01(g) is the Speaker, and the Board adds a sentence to the rule to that effect. For the aides to the individual Council members, the authorizing official is that Council member. Reason the proposed rule was not anticipated and included in the regulatory agenda: The Board did not consider this matter until well into the current fiscal year.

3. Statement of Basis and Purpose in City Record Oct. 8, 1997: Charter §2604(b)(5) provides:

No public servant shall accept any valuable gift, as defined by rule of the board, from any person or firm which such public servant knows is or intends to become engaged in business dealings with the city, except that nothing contained herein shall prohibit a public servant from accepting a gift which is customary on family and social occasions.

The Board's current gift rule defined "valuable gift" to mean any gift to a public servant, in whatever form, that has a value of $50 or more. Board Rules §1-01(a). The rule also requires that the public servant must report to his or her agency head gifts from a single source within a calendar year which individually are less than $50 but which together exceed $50. Id. The Board has consistently interpreted this rule to mean that individual gifts from a single donor within a twelve-month period must be aggregated for purposes of determining whether the threshold amount was exceeded. However, the Board believes that this interpretation should be made explicit in the text of the rule itself to prevent any misunderstandings by public servants or by persons or firms doing business with the City. In addition, the Board has determined that the disclosure requirement in the rule should be eliminated because it has proven ineffective. Agencies may, if they wish, impose more stringent requirements. For example, some agencies prohibit their employees from accepting gifts of any size from persons doing business with the City. Accordingly, the amendment (1) makes explicit

that, for purposes of the Charter's prohibition on receipt of valuable gifts from persons doing business with the City, individual gifts from a single donor or related donors within a twelve month period shall be aggregated, and (2) deletes the requirement that recipients of gifts disclose them to their agency head, and (3) recharacterizes the year-long period for determining a "single gift" as "twelve-month period," rather than "calendar year." Related donors include the immediate family of the donor (spouse, children, grandchildren, parents, grandparents, brothers, sisters, and in-laws) and officials or employees of the same firm or of firms that stand in a parent-subsidiary relationship or that are subsidiaries of the same parent or that have a controlling shareholder in common. However, gifts of related donors are only aggregated if the public servant-recipient knows or should know of the relationship. This requirement will avoid inadvertent violations of the rule. The amendment employs the phrase "twelve month period" rather than "calendar year" to prevent, for example, the acceptance of a $49 gift on December 31 and another on January 1.

4. Statement of Basis and Purpose in City Record Dec. 30, 1998: The amendments are required in order to bring the Board's rules into conformity with Local Law No. 27 of 1998, which extended to domestic partners the various provisions applicable to spouses in the New York City Charter and the Administrative Code of the City of New York.

5. Statement of Basis and Purpose in City Record July 13, 1990: Pursuant to the authority vested in the Conflicts of Interest Board by §2604(b)(5) of the New York City Charter and in accordance with the requirements of §1043 of the New York City Charter, the Conflicts of Interest Board is authorized to promulgate a rule concerning the definition of a valuable gift. For the purpose of ensuring compliance by the City and all public servants with the applicable provisions of the conflicts of interest law, New York City Charter §2604(b)(5) provides that no public servant shall accept any valuable gift from any person or firm which such public servant knows is or intends to become engaged in business dealings with the City.

6. Statement of Basis and Purpose in City Record Dec. 27, 2006: On June 13, 2006, Mayor Michael Bloomberg signed into law Local Law No. 16 of 2006. This law amends the New York City Administrative Code in relation to gifts by lobbyists. See Ad. Code §3-225, as added by Local Law No. 16 of 2006, effective December 10, 2006. The newly added §3-225 of the Administrative Code provides that "No person required to be listed on a statement of registration pursuant to §3-213(c)(1) of subchapter 2 of this chapter shall offer or give a gift to any public servant." **Id.** Section 3-228 of the Code further provides that: The conflicts of interest board, in consultation with the clerk, shall adopt such rules as necessary to ensure the implementation of this subchapter, including rules defining prohibited gifts and exceptions including **de minimis** gifts, such as pens and mugs, gifts that public servant may accept as gifts to the city and gifts from family members and close personal friends on family or social occasions, and to the extent practicable, such rules shall be promulgated in a manner consistent with the rules and advisory opinions of such board governing the receipt of valuable gifts by public servants. Ad. Code §3-228, as added by Local Law No. 16 of 2006, effective December 10, 2006. The Board was, therefore, required to adopt rules defining prohibited gifts from lobbyists and exceptions including **de minimis** gifts, gifts that public servants may accept as gifts to the City, and gifts from family members and close personal friends on family or social occasions within the meaning of §3-225 of the Administrative Code. In addition, §3-228, quoted above, directed that, to the extent practicable, these rules be consistent with the Board's rules and opinions concerning the receipt of gifts by public servants. In its consideration of the new rules for gifts from lobbyists, the Board accordingly examined its existing rule on gifts to public servants, its Valuable Gift Rule, §1-01 of Chapter 1 of Title 53 of the Rules of the City of New York. In examining §1-01, the Board identified a few provisions which the Board concluded should be amended. The instant rulemaking therefore includes both these few amendments to §1-01, the existing Valuable Gift Rule governing **receipt** of gifts by public servants, and the new §1-16 governing the **giving** of gifts by lobbyists, and, as mandated by Local Law 16, aims to conform these provisions to the extent practicable. Amendments to Existing Board Rule §1-01 The Board adopts four amendments to §1-01: · Section 1-01(d) currently permits the acceptance of publicly presented awards and plaques for public service when the award or plaque is valued at less than $150.00. This subdivision is amended by dropping any reference to dollar amount and instead providing that the award, plaque, or other similar item has no substantial resale value. This amendment is intended to make clear that, for example, an engraved item costing a few hundred dollars would typically be permissible, while a cash gift of $100.00 would not fall within the exception. · The prior §1-01(e)(5) is repealed. That

paragraph provided, in summary, that when it is customary business practice to hold a meeting over a meal, and customary business practice for one party to pay for the other, and payment by the public servant would be "inappropriate," the acceptance of the meal by the public servant is permissible. In reviewing this provision, the Board concluded that it is difficult to identify circumstances where payment by the public servant would be inappropriate, and indeed can much more readily contemplate circumstances where payment by a City vendor, for example, would not be appropriate. The Board has no record of having approved the acceptance of a meal pursuant to this provision and concluded that retaining the paragraph does not serve a City purpose. · Section 1-01(f)(4) is amended by deleting the word "annual" from the description of the public events or functions for which, under the described conditions, a public servant might accept free admission. Over the years the Board has observed that some organizations have significant public events more frequently than annually and that not infrequently these are events where attendance by certain public servants would advance the interests of the City. · Section 1-01(f)(4) is further amended by correcting what appears to have been a small, unintended drafting error. That provision, as previously written, permitted the attendance at annual public events of an organization composed of representatives of "business, labor, professions, news media or organizations of a civic, charitable or community nature," when the public servant is invited by the sponsoring organization, **except when** the invitation was from a "civic, charitable or community" organization that has business with or matters before the public servant's agency. There does not appear to be any reason for this limiting proviso to have included only "civic, charitable or community" organizations, and not, for example, to have included the other types of inviting organizations, which also might have business with a public servant's agency. The amendment accordingly makes clear that the exception which this subdivision offers is not be available when the inviting organization is **any** organization with dealings with the public servant's agency. Section 1-16 The remainder of this rulemaking consists of the Board's response to Local Law 16 of 2006, that is, to give clear guidance regarding the prohibition of gifts by lobbyists to public servants and the exceptions to that prohibition. This is embodied in a new Rule 1-16 of Chapter 1 of Title 53 of the Rules of the City of New York, whose text is set forth above, and which in summary provides the following: Section 1-16(a): This subdivision incorporates provisions of the newly enacted prohibition against persons required by Ad. Code §3-213(c) to be listed on a lobbying registration statement offering or giving a gift to a public servant. Section 1-16(b)(1): This paragraph reiterates the categories of individuals required by Ad. Code §3-213(c) to be listed on a lobbyist registration statement. Section 1-16(b)(2): This paragraph defines "lobbyist" to have the same meaning as used in Ad. Code §3-211, the definitions section of the City's lobbying law. Section 1-16(b)(3): This paragraph defines the term "offer" to mean the attempt or offer to give a gift, or the attempt or offer to arrange for the making of a gift. Section 1-16(b)(4): This paragraph defines "give" to mean the tender of a gift, acting as an agent in the making of a gift, or arranging the making of a gift. This language tracks the lobbyist gift ban set forth in California Government Code §86203. This explicit prohibition against acting as an agent in the making of a gift would, for example, make clear that it would not be a successful defense to a charge of making an impermissible gift that a lobbyist was being reimbursed by his or her firm or client and therefore was not the true gift giver. Section 1-16(b)(5): This paragraph defines "gift." It repeats the language of Board Rules §1-01(a), but replaces that provision's reference to a value of $50.00 or more with a prohibition against gifts of "any value whatsoever." Section 1-16(c): This subdivision identifies those gifts that will not violate the prohibition of §3-225. In particular, as required by §3-228, it lists the exceptions for **de minimis** gifts, for gifts from family and close friends, and for gifts to the City, in each case attempting whenever practicable to be consistent with Board Rules §1-01 governing what gifts public servants may receive. Section 1-16(c)(1): This paragraph defines permissible **de minimis** gifts to be promotional items, including mugs, t-shirts, and similar items, with no substantial resale value and bearing an organization's name, logo, or message. Section 1102(22)(a) of Title 42 of the Louisiana Revised Statutes provides a similar exception for "promotional items having no substantial resale value." Section 1-16(c)(2): This paragraph on permissible gifts from a family member or a close personal friend takes its language from Board Rules §1-01(c) and is intended to be consistent with that rule. Section 1-16(c)(3): This paragraph, regarding acceptable awards, plaques, and other similar items, mirrors the above proposed amended Board Rules §1-01(d). Section 1-16(c)(4): This paragraph on gifts to a public servant of free meals and refreshment when the public servant is conducting City business mirrors the above amended Board Rules §1-01(e). Section 1-16(c)(5): This paragraph mirrors the language of Board Rules §1-01(f)(1). Section 1-16(c)(6): This paragraph tracks the language of Board Rules §1-01(f)(2). Section 1-16(c)(7): This paragraph tracks Board Rules §1-01(f)(3). Section 1-16(c)(8): This paragraph, concerning attendance at annual event of various types of organizations at the

invitation of the sponsoring organization, tracks-with one significant exception-the above amendment to Board Rules §1-01(f)(4). This provision differs from §1-01(f)(4) in that it does not include the limiting condition that the sponsoring organization may not have business with the public servant's agency. The Board deletes this limiting condition from §1-16(c)(8) because many not-for-profit organizations, for example, wish to invite leadership of the City agency supporting their work to their annual fundraising event, and agency leadership may in general permissibly attend such public events pursuant to the provisions of Board Rules §1-01(f)(5), which permits such attendance on the written certification of an agency head or deputy mayor that the attendance is in the interests of the City. To forbid lobbyists to extend such invitations may, however, in some cases severely restrict, if not effectively prevent, any such invitation, because in some smaller organizations in particular many if not most of the organization's executive staff are named in the organization's lobbyist registration statement. Thus, to say that the invitation must, as §1-01(f)(4) provides, come from the sponsoring organization but to forbid the leadership of the organization to extend such invitations appears contrary to the legislation's directive that, whenever practicable, the "receiving" provisions of Chapter 68 and the "giving" provisions of this newly enacted legislation be synchronized. Section 1-16(c)(9): This paragraph, regarding the attendance by elected officials and their designated staff at certain public events when invited by the sponsoring organization, tracks the language Board Rules §1-01(g). The Board notes that, with the above described deletion from §1-16(c)(8) of the limiting condition against gifts from those with matters before a public servant's agency, §1-16(c)(9) might appear redundant. The Board indeed does not suggest any substantial difference exists between the affairs or functions described in these two provisions, but nevertheless has determined to retain both provisions in deference to the legislative directive that to the extent practicable these restrictions on gift giving synchronize with the Board's existing rules on receipt of gifts by public servants. Section 1-16(c)(10): This paragraph, regarding permissible gifts of travel related expenses for City business purposes, tracks Board Rules §1-01(h)(1). Section 1-16(d): This subdivision is simply a caution that conduct not prohibited by Local Law 16 of 2006 may nevertheless be prohibited by other legislation, most notably by the New York State Lobbying Act. It should be noted that the Board has not included in §1-16 an analog to Board Rules §1-01(f)(5), which permits attendance at events or functions where the agency head or deputy mayor provides written certification that attendance is in the interests of the City. The Board does not view the extension to lobbyists of that exception to the gift ban to be consistent with the legislative intent to restrict gifts from lobbyists. Moreover, as a practical matter, the agency head certification of §1-01(f)(5) would provide little aid to the lobbyist/donor, since the prospective donor typically could not know whether the agency head would indeed certify that the public servant's attendance would be in the City's interests. The Board conducted a public hearing on December 8, 2006, at which time it heard testimony from the Executive Director of Citizens Union and from the Ethics and Employment Counsel to the City Council. Their testimony, which tracked written submissions they also presented, were generally supportive of the Board's proposal. Citizens Union noted a concern that these rules be interpreted to permit the continued presence of elected and appointed officials at annual events, receptions, educational breakfasts, and the like hosted by civic groups and non-profits that are registered as lobbyists, stating that such events, where food and beverages are often served, provide an important venue for the exchange of ideas and information among those committed to making New York a better city. It is the Board's view that Rules §§1-16(c)(4) through (c)(9) will permit the offer of invitations to such events in all appropriate cases and that the analogs to these provisions in Rules §1-01 will permit public servants to receive these invitations in all appropriate cases. The Board also received a joint written comment from the Human Services Council of New York, the Lawyers Alliance for New York, and the Nonprofit Coordinating Committee of New York. That comment makes two specific requests: first, that the Board clarify precisely who is covered by the gift ban, and, second, that the gift ban permit the offer of "goody bags" or "gift bags" at charitable events in cases where the bags contain more than the promotional items permitted under Rules §1-16(c)(1). In each case the Board appreciates the concerns raised, but believes that in each case the question is better dealt with through advisory opinion than through rulemaking. In the case of further identifying those persons required to be listed in a registration statement, an advisory opinion might be sought from the Office of the Clerk, or from the Board, and in either case these agencies will likely consult with each other in any response. In the case of the offer of "goody bags," the Board notes that it addressed the question of a public servant's **receipt** of gift bags by advisory opinion (**see** Board Opinion No. 2006-2).

53 RCNY 1-02

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-02 Public Servants Charged with Substantial Policy Discretion.

(a) For purposes of Charter §2604(b)(12) and §2604(b)(15), a public servant is deemed to have substantial policy discretion if he or she has major responsibilities and exercises independent judgment in connection with determining important agency matters. Public servants with substantial policy discretion include, but are not limited to: agency heads, deputy agency heads, assistant agency heads, members of boards and commissions, and public servants in charge of any major office, division, bureau or unit of an agency. Agency heads shall:

(1) designate by title, or position, and name the public servants in their agencies who have substantial policy discretion as defined by this section;

(2) file annually with the Conflicts of Interest Board, no later than February 28 of each year, a list of such titles or positions and the names of the public servants holding them; and

(3) notify these public servants in writing of the restrictions set forth in Charter §2604(b)(12) and §2604(b)(15) to which they are subject.

If the Conflicts of Interest Board determines that the title, position, or name of any public servant should be added to or deleted from the list supplied by an agency, the Board shall notify the head of the agency involved of that addition or deletion; the agency shall in turn promptly notify the affected public servant of the change.

(b) Each agency may make available for public inspection a copy of the most recent list filed by the agency, with any additions or deletions made by the Board pursuant to subdivision (a) of this section.

Section in original publication July 1, 1991.

NOTE

1. Statement of Basis and Purpose in City Record May 30, 2001:

Section 2604(b) of the New York City Charter contains two provisions imposing restrictions on political fundraising and the holding of political party office by certain high-level public servants. Included within the restriction are enumerated officials as well as those public servants who are charged with "substantial policy discretion as defined by rule of the board." Specifically, §2604(b)(12) provides:

12. No public servant, other than an elected official, who is a deputy mayor, or head of an agency or who is charged with substantial policy discretion as defined by rule of the board, shall directly or indirectly request any person to make or pay any political assessment, subscription or contribution for any candidate for an elective office of the city or for any elected official who is a candidate for any elective office; provided that nothing contained in this paragraph shall be construed to prohibit such public servant from speaking on behalf of any such candidate or elected official at an occasion where a request for a political assessment, subscription or contribution may be made by others.

Section 2604(b)(15) provides:

15. No elected official, deputy mayor, deputy to a citywide or boroughwide elected official, head of an agency, or other public servant who is charged with substantial policy discretion as defined by rule of the board may be a member of the national or state committee of a political party, serve as an assembly district leader of a political party or serve as the chair or as an officer of the county committee or county executive committee of a political party, except that a member of the council may serve as an assembly district leader or hold any lesser political office as defined by rule of the board.

Pursuant to those Charter provisions, the Board adopted §1-02 of Title 53 of the Rules of the City of New York, set forth above, defining "substantial policy discretion" and requiring each agency head to designate the public servants within the agency having such discretion, to file annually with the Board a list of those public servants, and to notify them of the restrictions set forth in Charter §§2604(b)(12) and 2604(b)(15). The rule further provides that the list supplied by the agency to the Board is subject to review and modification by the Board.

Although, as reflected in the Board's rule, the Charter vests in the Board the ultimate authority to determine whether any particular public servant is in fact charged with substantial policy discretion within the meaning of Chapter 68, prudent use of the Board's limited resources dictates that the Board not expend the enormous amount of staff time that would be required to review the actual duties of all higher level public servants throughout City service to determine whether the lists submitted by the agencies are accurate and complete. Instead, the Board currently reviews each list to determine whether it appears to include the types of positions required by the rule and then relies upon the public, the media, and other public servants to apprise the Board of possible errors in the lists submitted by agencies.

Thus, for example, if the media reports that a public servant, whose name does not appear on his or her agency's list, has hosted a fundraiser for a candidate for elective City office, the Board may investigate whether the duties and responsibilities of that public servant are such that he or she in fact possesses substantial policy discretion. Similarly, the Board sometimes receives a complaint that a public servant listed by his or her agency as having substantial policy discretion has acted in violation of Charter §2604(b)(12) or §2604(b)(15) but, upon investigation, determines that the public servant in fact possesses no such discretion and should be deleted from the agency's list.

Accordingly, in policing compliance with the requirements of Charter §§2604(b)(12) and 2604(b)(15), the Board must depend largely upon inquiries, reports, and complaints from the public, the media, and other public servants. Those communications, however, can prove meaningful only if the contents of the agencies' lists are available for public inspection. Therefore, the Board is amending its substantial policy discretion rule to provide for such public availability.

2. Statement of Basis and Purpose in City Record Sept. 23, 1997: Charter §2604(b)(12) prohibits certain public servants, including those charged with "substantial policy discretion as defined by rule of the board," from soliciting political contributions for candidates for elective City office or for City elected officials who are running for any elective office. Charter §2604(b)(15) prohibits certain public servants, including those charged with "substantial policy discretion as defined by rule of the board," from holding certain political party positions. Section 1-02 of the Board's rules sets forth the Board's definition of "substantial policy discretion" for purposes of those Charter provisions. While that rule has worked reasonably well in practice, one aspect of the rule has proven impractical and unnecessarily burdensome on agency heads: the requirement that agency heads update their list of substantial policy discretion titles or positions within 30 days of any change in the list. The Board has thus decided to require only an annual update. In addition, the Board has consistently interpreted its substantial policy discretion rule (1) to apply to members of boards and commissions, (2) to require that the agency's list include not only the titles or positions but also the names of the employees who, in the opinion of the agency head, fall within the rule, and (3) to recognize that the Charter vests in the Board the ultimate authority to determine whether any particular title, position, or person is in fact charged with substantial policy discretion within the meaning of Chapter 68. The Board, however, believes that these interpretations of the substantial policy discretion rule should be made explicit in the text of the rule itself to prevent any misunderstandings by public servants or political party leaders. In regard to the inclusion of members of boards and committees, it should be noted that the rule does not apply to unpaid members of advisory committees-that is, to members of advisory committees who are not entitled to receive per diem or other compensation-since such members are not subject to Chapter 68. See Charter §§2601(1), (19).

3. Statement of Basis and Purpose in City Record Jan. 30, 2004: Statutory Authority: Sections 2603(a), 2604(b)(12), and 2604(b)(15) of the New York City Charter. Statement of Basis of Purpose of the Amendment: Local Law 43 of 2003 amended the City's Financial Disclosure Law, Section 12-110 of the Administrative Code, to, among other things, add to the list of required filers those City employees holding a "policymaking position . . ., as defined by rule of the conflicts of interest board. . . ." Ad. Code §12-110(b)(3)(a)(3). The Board had adopted a rule, Section 1-14 of Title 53 of the Rules of the City of New York, stating that a public servant shall be deemed to hold a policymaking position, within the meaning of the Financial Disclosure Law, if the public servant is charged with substantial policy discretion within the meaning of Section 1-02 of Title 53 of the Rules of the City of New York. Section 1-02 requires that City agencies file with the Board by September 30 each year their annual statement of the names and positions, or titles, of those employees within the agency who have substantial policy discretion. That September 30 deadline does not mesh with the collection cycle for financial disclosure reports, as agencies must identify their financial disclosure filers by the end of February each year in order to enable distribution of the financial disclosure forms to filers in time for the May 1 filing deadline. Thus, the amendment would change the September 30 deadline to February 28.

4. Statement of Basis and Purpose in City Record July 13, 1990: Pursuant to the authority vested in the Conflicts of Interest Board by §2604(b)(12) and §2604(b)(15) of the New York City Charter and in accordance with the requirements of §1043 of the New York City Charter, the Conflicts of Interest Board is authorized to promulgate a rule concerning the definition of a public servant charged with substantial policy discretion. For the purpose of ensuring compliance by the City and all public servants with the applicable provisions of the conflicts of interest law, New York

City Charter §2604(b)(12) provides that a public servant who is charged with substantial policy discretion shall not directly or indirectly request any person to make or pay any political assessment, subscription or contribution for any candidate for an elective office of the City or for any elected official who is a candidate for any elective office. New York City Charter §2604(b)(15) provides that a public servant charged with substantial policy discretion may not be a member of the national or state committee of a political party, serve as an assembly district leader of a political party or serve as the chair or as an officer of the county committee or county executive committee of a political party.

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-03 Definition of Lesser Political Office Than That of Assembly District Leader Which May be Held by Members of the City Council.

For purposes of Charter §2604(b)(15), the definition of a political office which is a "lesser political office" than that of assembly district leader includes:

(a) membership on a county committee;

(b) membership on a county executive committee;

(c) membership on a state committee; and

(d) membership on a national committee.

HISTORICAL NOTE

Section amended City Record July 16, 1999 eff. Aug. 15, 1999. [See Note 1]

DERIVATION

Section in original publication July 1, 1991.

Section added City Record Apr. 27, 1990. [See Note 2]

NOTE

1. Statement of Basis and Purpose in City Record July 16, 1999:

Charter §2604(b)(15) provides:

No elected official, deputy mayor, deputy to a citywide or boroughwide elected official, head of an agency, or other public servant who is charged with substantial policy discretion as defined by rule of the board may be a member of the national or state committee of a political party, serve as an assembly district leader of a political party or serve as the chair or as an officer of the county committee or county executive committee of a political party, except that a member of the council may serve as an assembly district leader or hold any lesser political office as defined by rule of the board.

Section 1-03, the Board's rule defining "lesser political office", currently identifies three "lesser" offices which members of the City Council may hold: (a) member of a county committee; (b) member of a county executive committee; and, (c) member of a state committee. An examination of the history of Charter §2604(b)(15), which was adopted following the 1989 Charter revision process, and of the Rules §1-03, which was promulgated on the heels of the Charter revision, reveals no consideration of the national committees of political parties in the discussion of what "lesser political offices" members of the City Council might be permitted to hold. The Board thus now considers, for the first time, whether membership in a national committee of a political party is, within the meaning of §2604(b)(15), a lesser political office than district leader. Section 2604(b)(15) was enacted following the municipal corruption scandals of the 1980s, and had, in limiting certain high-ranking officials from holding high party office, two primary purposes: to prevent dual loyalty, and to prevent the undue concentration of power. For further discussion of its history, see **Golden v. Clark,** 76 N.Y.2d 618, 563 N.Y.S.2d 1 (1990), where the Court of Appeals rejected a constitutional challenge to §2604(b)(15). In examining the question, therefore, of whether a national committee member is a lesser position than district leader, the Board looks to the evils sought to be prevented, and in particular to what real power a national committee member exercises in New York City government or politics. In fact, in New York City, while district leaders elect the powerful county leaders, and while state committee members provide access to the primary ballot, otherwise available only through the petition process, national committee members exercise little if any local political power. The national committees (whose members number in the low hundreds) are charged with running the affairs of their party between national conventions and also fill, in the unlikely event that a vacancy occurs, a vacated nomination for president or vice-president. These duties, however, give the members of the national committee of a political party little, if any, significant political power in New York City, and in any event less power than the already permitted positions of district leader, county committee member, county executive committee member, or state committee member. The Board accordingly amends §1-03 to add membership on a national committee of a political party to the list of those party positions which a member of the City Council may hold.

2. Statement of Basis and Purpose in City Record Apr. 27, 1990: Pursuant to the authority vested in the Conflicts of Interest Board by §2604(b)(15) of the New York City Charter and in accordance with the requirements of §1043 of the New York City Charter, the Conflicts of Interest Board is authorized to promulgate a rule concerning the definition of a "lesser political office" than that of assembly district leader which may be held by members of the City Council, for the purpose of ensuring compliance by the City and all public servants with the applicable provisions of the conflicts of interest law. New York City Charter §2604(b)(15) provides that a member of the council may serve as an assembly district leader or hold any lesser political office. The requirement that this regulation not become effective until thirty days after publication shall not apply because, pursuant to Charter §1043(e)(1)(c), the Conflicts of Interest Board has found in writing that substantial need exists for earlier implementation due to the January 1, 1990 effective date of certain provisions of the revised Chapter 68 of the Charter and the Mayor has approved the Board's finding by letter dated December 4, 1989.

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-05 Definition of Blind Trust.

(a) For purposes of Charter §2601(6), the term "blind trust" means a trust in which a public servant, or the public servant's spouse, domestic partner, as defined in New York City Administrative Code §1-112(21), or unemancipated child, has a beneficial interest, the holdings and sources of income of which the public servant, the public servant's spouse, domestic partner, as defined in New York City Administrative Code §1-112(21), and unemancipated child have no knowledge, and which meets the following requirements:

(1) The trust is under the management and control of a trustee who is a bank or trust company authorized to exercise fiduciary powers, a licensed attorney, a certified public accountant, a broker or an investment advisor, who is:

(i) independent of any interested party;

(ii) is not or has not been an employee of any interested party or any firm in which any interested party has a substantial investment, and is not a partner of, or involved in any joint venture or other investment with any interested party; and

(iii) is not a relative of any party.

(2) The trust instrument provides that:

(i) the trustee in the exercise of his or her authority and discretion to manage and control the assets of the trust shall not consult or notify any interested party;

(ii) the trust tax return shall be prepared by the trustee or his or her designee and such return and any information relating thereto (except as such information may be needed by an interested party in order to complete a personal tax return) shall not be disclosed to any interested party;

(iii) no interested party shall receive any report on the holdings and sources of income of the trust, except periodic reports with respect to the total cash value of the trust or the net income or loss of the trust;

(iv) there shall be no communications, direct or indirect, between the trustee and an interested party with respect to the trust unless such communication is in writing. Except as provided elsewhere in this subdivision, such written communications shall be limited to the general financial interest and needs of the interested party, including requests for distribution of cash or other unspecified assets of the trust;

(v) the interested parties shall make no effort to obtain, and shall take appropriate action to avoid, receiving information with respect to the holdings and the sources of income of the trust including obtaining a copy of any trust tax return file or any information relating thereto except as such information may be needed by an interested party in order to complete a personal tax return.

(3) For purposes of this subdivision, the term "interested party" means a public servant, or the public servant's spouse, domestic partner, as defined in New York City Administrative Code §1-112(21), or unemancipated child.

(b) **Existing trusts.** (1) Any trust existing as of the effective date of these Regulations shall be deemed a blind trust for purposes of these Regulations if the trust instrument is amended to comply with the requirements of paragraph 2 of subdivision (a) of this section and the trustee of the trust meets the requirements of subdivision (a) of such section, or, in the case of a trust instrument which does not by its terms permit amendment, if the trustee and the trust beneficiary (or, if the trust beneficiary is a dependent child, any other interested party) agree in writing that the trust shall be administered in accordance with the requirements of paragraph 2 of subdivision (a) of this section and the trustee of the trust meets the requirement of paragraph 1 of subdivision (a) of this section.

(c) **Establishment and dissolution of blind trust.** (1) The preparer of a blind trust instrument, or agreement entered into pursuant to subdivision (a) of this section shall, within thirty days of the establishment of such trust or agreement, file an affidavit with the Conflicts of Interest Board stating that the blind trust instrument or trust as agreed to be administered pursuant to agreement, as the case may be, conforms to the requirements set forth in paragraph 2 of subdivision (a) of this section and that the trustee meets the requirements of subdivision (a) of such section.

(2) Within thirty days of the dissolution of blind trust, the beneficiary of such trust or other interested party shall file an affidavit with the Conflicts of Interest Board stating that such blind trust has been dissolved and identifying the date of such dissolution.

53 RCNY 1-08

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-08 Procedures for Obtaining an Extension of Time Within Which to File a Financial Disclosure Report.

(a) **Bases for obtaining an extension of time to file.** (1) A person required to file a financial disclosure report with the Conflicts of Interest Board (the "Board") pursuant to §12-110 of the Administrative Code of the City of New York (the "Administrative Code") may be granted an extension of time within which to file a report or portion thereof upon a showing of justifiable cause or undue hardship.

(2) A finding of justifiable cause or undue hardship shall not be based on periods of annual leave, attendance at conferences or meetings, or other pre-scheduled or voluntary absences from work.

(b) **General procedures.** (1) A request for an extension of time within which to file a financial disclosure report or portions thereof which is due by May first shall be postmarked, or delivery made to the Board, no later than April fifteenth of the year in which such report is to be filed. Where Administrative Code §12-110 requires the filing of such report at a time other than on or before May first, a request for extension of time within which to file shall be postmarked, or delivery made to the Board, no later than fifteen days prior to such filing deadline.

(2) The request for an extension of time shall be mailed to the Board by certified mail or shall be delivered by hand and, upon request, a receipt may be issued upon acceptance of such delivery.

(3) The request for an extension of time within which to file a financial disclosure report or portions thereof due to justifiable cause or undue hardship shall contain the following information:

(i) The name of the person making such request and his or her home address and work address;

(ii) The title of the position or job classification and name of the agency by which he or she is employed;

(iii) Explanation of justifiable cause or undue hardship in the form of a written statement with copies of any necessary supporting documents such person wishes the Board to consider;

(iv) Where the filer is seeking an extension to answer a portion of the report on the grounds that certain information is not yet available, the request shall state what information is not available. Documentation, if available, shall be provided in support of such request (for example, a copy of an application to the Internal Revenue Service for an automatic extension of time within which to file one's income tax return); and

(v) The additional time requested and the date by which such person intends to comply with the filing requirements.

(c) **Time limitations upon extensions.** (1) The Board shall not grant an extension of time to file a financial disclosure report or portions thereof due to justifiable cause or undue hardship for a period greater than four months from the original date the report was due.

(2) An individual who is seeking an extension of time to answer a portion of the financial disclosure report shall nevertheless file his or her report on or before May first, or at such other time required by Administrative Code §12-110, containing all the information required by such report, except for that information which is not available. A supplemental statement providing information not previously available shall be filed on the date set by the Board. Failure to file such supplemental statement, or the filing of an incomplete or deficient supplemental statement, shall subject the reporting person to the penalties set forth in Administrative Code §12-110(h).

(d) **Board action.** (1) Upon receipt of a timely request for an extension of time within which to file a financial disclosure report or portions thereof, the Board shall review the material filed to determine whether an extension is appropriate.

(2) The Board may in its discretion request, in writing, additional information from the person making the request. Such additional information shall be submitted to the Board within ten business days of the date of the Board's request. In the event the Board does not receive the additional information within ten business days, it may make a determination on the basis of the information it has available.

(3) The Board shall give written notice of its determination to the person making the request.

(i) In the event the request for an extension of time within which to file a financial disclosure report or portions thereof is approved, such report shall be filed on or before the date indicated by the Board in its determination.

(ii) In the event the request for an extension of time within which to file a financial disclosure report or portions thereof is denied, such report shall be filed before or on the due date set forth in Administrative Code §12-110 or such date as may thereafter be established by the Board in its determination.

(4) The Board may delegate to its executive director the authority to act pursuant to this Rule.

HISTORICAL NOTE

Section added City Record Feb. 26, 1992 eff. Mar. 24, 1992. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Feb. 26, 1992:

Pursuant to Charter §2603(d), the Board administers the City's financial disclosure law, contained in §12-110 of

the Administrative Code. The rule, which is promulgated pursuant to such statutory authority, and in accordance with Charter §1043, sets forth procedures to be followed to obtain an extension of time within which to file a financial disclosure report, pursuant to Charter §2604(d)(3) and §12-110 of the Administrative Code.

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-09 Prohibited Appearances Before City Agencies by City Planning Commis- sioners.

(a) **Definitions.**

Appear. "Appear" in accordance with Charter Section 2601(4), means to make any communication, for compensation, other than those involving ministerial matters.

Indirect Appearance. "Indirect Appearance" shall mean a member of the commission will be deemed to "appear indirectly" before a city agency concerning a particular matter if he or she communicates indirectly with such agency, by, for example, having another person, including but not limited to a member of the Commissioner's firm, represent to the agency orally or in writing what the Commissioner's views are on such matter. An indirect appearance will not include, in and of itself and without more, the presentation of project plans or documents bearing the Commissioner's name or seal.

Ministerial. A "ministerial" matter, in accordance with Charter Section 2601(15), shall mean an administrative act, including the issuance of a license, permit or other permission by the city which is carried out in a prescribed manner and which does not involve substantial personal discretion.

(b) **Prohibited Appearances.**

(1) For the purposes of Charter Section 192(b), no member of the City Planning Commission (the Commission) while serving as a member, shall appear directly or indirectly before: the Mayor and Deputy Mayors and their staffs; the Mayor's Office of Planning and Coordination; the offices of the Borough Presidents; the City Council; Community

Boards; the Art Commission; the Office of Environmental Coordination; the Landmarks Preservation Commission; and the Hardship Appeals Panel to which certain determinations of the Landmarks Preservation Commission may be appealed.

(2) For the purposes of Charter Section 192(b), no member of the Commission, while serving as a member, shall appear directly or indirectly:

(i) before the Department of Buildings on any matter involving zoning or land use, provided that a member of the Commission shall not be barred from filing plans with the Department of Buildings or from making appearances related to the filing of such plans, except that appearances in reconsideration proceedings before a Borough Supervisor or the Commissioner of the Department of Buildings shall be prohibited;

(ii) before the Board of Standards and Appeals on any matter involving zoning or land use;

(iii) before the Department of Consumer Affairs with respect to licenses and permits which involve land use;

(iv) before the Department of Business Services (DBS), and any local development corporation that has entered into a contract with the City to perform services on behalf of DBS, on any matter involving zoning or land use;

(v) before any City agency with respect to planning, environmental, financial or other aspects of a project that can reasonably be expected to come before the Commission for a statutory approval or other formal action, including, but not limited to action on major concessions, franchises, the acquisition, use or disposition of City-owned land, an application for a zoning change or special permit, or any action before the Commission pursuant to the Uniform Land Use Review Procedure.

HISTORICAL NOTE

Section added City Record June 18, 1992 eff. July 18, 1992. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record June 18, 1992:

Pursuant to the authority vested in the Conflicts of Interest Board (the "Board") by §2603(a) and §192(b) of the New York City Charter, the Board is required to determine by rule when an appearance of a member of the City Planning Commission (the "Commission") before a City agency other than the Department of City Planning (the "Department") or the City Planning Commission creates a conflict of interest with the duties and responsibilities of the member.

Charter §192(b) provides that:

"Members [of the City Planning Commission], except for the chair, shall not be considered regular employees of the city for purposes of chapter sixty-eight." The agency served by the members of the commission shall for purposes of chapter sixty-eight be deemed to be both the commission and the department of city planning. No member, while serving as a member, shall appear directly or indirectly before the department, the commission, **or any other city agency for which the conflicts of interest board shall, by rule, determine such appearance creates a conflict of interest with the duties and responsibilities of the member.** No firm in which a member has an interest may appear directly or indirectly before the department or commission. For purposes of this section, the terms "agency," "appear," "firm," and "interest" shall be defined as provided in chapter sixty-eight. (Emphasis added)

For the purposes of the conflicts of interest provisions contained in Chapter 68 of the New York City Charter, members of the City Planning Commission are "public servants," a term which includes all officials, officers and employees of the City. **See** Charter §2601(19). As provided in Charter §192(b), however, they are not "regular

employees," **i.e.,** public servants whose primary employment is with the City, as defined by rule of the Board. **See** Charter §2601(20). The Board's rule defining "primary employment with the City" excludes, among others, members of the City Planning Commission. The following rule delineates the appropriate scope of appearances by members of the Commission before City agencies, **e.g.,** their compensated communications before such agencies involving non-ministerial matters. **See** Charter §2601(4). It is intended to reconcile important, but quite different, policies. First, it is desirable that the Commission be made up of people knowledgeable and experienced in a variety of disciplines and in civic affairs. As a result, more members of the Commission may be involved in ongoing projects which may involve City agencies. **See** Charter Revision Commission**, Minutes of Public Meeting**. August 1, 1989, at 45-46. Second, the protective provisions of Chapter 68 must be enforced to avoid conflicts of interest which might affect a Commissioner's judgment or actions and to avoid situations which might create an appearance of such a conflict. **See** Charter §2604(b)(2), which provides that no public servant shall engage in any transaction which is in conflict with the proper discharge of his or her official duties. **See also** Charter §2604(b)(3), which provides that no public servant shall use or attempt to use his or her position as a public servant to obtain any personal advantage. The Charter Revision Commission headed by Richard Ravitch proposed that members of the Commission could appear before any City agency, except for the Commission itself. This issue was reconsidered by the Charter Revision Commission headed by Frederick A. O. Schwarz Jr., following public hearings at which deep concern was expressed concerning this issue. The Commission then concluded that a stricter rule was appropriate, which should be fashioned by the Board. **See** Charter Revision Commission. An uncompensated communication by a City Planning Commissioner on behalf of a private interest before a City agency would not be an "appearance," as defined in Charter §2601(4), and thus would not be covered by this rule. Under some circumstances, however, such communication could be in violation of Chapter 68. **See i.e.** Charter §2604(b)(2), which provides that no public servant shall have a private interest, direct or indirect, which is in conflict with the proper discharge of his or her official duties. Commissioners are significant members of the City government, who are involved in the capital planning of every city agency and in the policy and programs of many. As a result, many public servants may feel influenced to act favorably upon matters involving a Commissioner even though these matters do not arise out of his or her official duties. This perception may exist whether or not a Commissioner puts improper pressure upon the City employee. **Minutes of Public Meeting,** August 1, 1989, at pages 22-23, 42. The rule set forth below thus seeks to balance the need to attract the best qualified persons to serve on the Commission, including those who have active practices either solo or in large firms, with the need to prevent appearances by Commissioners before City agencies other than the Department and Commission that would either involve real conflicts of interest or have the appearance of involving such conflicts. The rule does not create a blanket prohibition against appearances. Rather, it adopts an agency-by-agency analysis, prohibiting only those appearances before City agencies which have a reasonable likelihood of creating either an actual conflict or the appearance of a conflict.

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-10 Retention of Financial Disclosure Reports.

(a) **Definitions.** As used in this Rule, the following terms shall have the respective meanings set forth below:

(1) "Administrative Code" shall mean the Administrative Code of the City of New York.

(2) "Board" shall mean the New York City Conflicts of Interest Board, established pursuant to §2602 of the New York City Charter.

(3) "Financial disclosure report" shall mean any financial disclosure report filed or on file with the Board pursuant to §12-110 of the Aministrative Code, including reports previously filed with the Office of the City Clerk and transferred to the Board's custody.

(4) "Prior disclosure report" shall mean any Financial Disclosure Report which, as of the effective date of this Rule, has been retained by the Board for a period in excess of six years from December 31 of the calendar year to which such report relates.

(b) **Retention of financial disclosure reports.** (1) Whenever a Financial Disclosure Report is filed with the Board, it shall be retained by the Board for a period commencing on the date such report was filed with the Board and expiring on the sixth anniversary of December 31 of the calendar year to which such report relates. The period during which the Board is required to retain a Financial Disclosure Report, pursuant to this paragraph (1), is hereinafter referred to as the "Required Retention Period" for such report.

(2) (i) Except as provided in subparagraphs (ii) and (iii) below, upon expiration of the Required Retention Period for a Financial Disclosure Report, pursuant to paragraph (1) above, the Board shall either (i) destroy such report, or (ii) if requested by the individual who filed such report, return such report to such individual. Any request that the Board return such report must be made in writing to the Board not later than 10 days prior to the expiration of such period.

(ii) Notwithstanding the provisions of subparagraph (i), if a law enforcement agency requests that the Board retain a Financial Disclosure Report for an additional period of time beyond the expiration of its required retention period, for purposes of an ongoing investigation, the Board shall retain such report for such additional period, provided the request is made in writing and is submitted to the Board not later than 10 days prior to the expiration of such required retention period. Upon expiration of such additional period of time, the Board shall either (i) destroy such report, or (ii) if requested by the individual who filed such report, return such report to such individual. Any such request must be made in accordance with the provision of subparagraph (i) above.

(iii) Notwithstanding the provisions of subparagraph (i), all reports shall be retained by the Board for a period of not less than one year from the date such report was filed with the Board.

(3) In accordance with the provisions of subdivision (e) of Administrative Code §12-110, as amended by Local Law No. 93 of 1992, the retention period established in paragraph (1) is intended to supersede, and shall be observed by the Board in lieu of, the retention periods set forth in such sudivision (e).

(4) Notwithstanding any other provision of this section, the Board shall be entitled, upon the effective date of the Rule, to destroy immediately all Prior Financial Disclosure Reports then in its possession.

HISTORICAL NOTE

Subd. (b) par (2) amended City Record Mar. 28, 2001 eff. Apr. 27, 2001. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Mar. 28, 2001:

Section 1-10(b)(1) of Title 53 of the Rules of the City of New York provides:

Whenever a Financial Disclosure Report is filed with the Board, it shall be retained by the Board for a period commencing on the date such report was filed with the Board and expiring on the sixth anniversary of December 31 of the calendar year to which such report relates. The period during which the Board is required to retain a Financial Disclosure Report, pursuant to this paragraph (l), is hereinafter referred to as the "Required Retention Period" for such report.

The amendment addresses the situation where a report is filed less than a year before it is scheduled to be destroyed pursuant to §1-10(b)(1). Although infrequent, such situations have occurred where the public servant's obligation to file, or his or her failure to file, must be litigated. If, for example, a report for calendar year 1994 is not filed until December 20, 2000, the retention rule would require the report to be destroyed less than two weeks after it was filed. Destroying a report almost immediately upon filing makes little sense and undermines the purpose of financial disclosure. The amendment requires that every financial disclosure report be maintained on file by the Board for at least one year.

2. Statement of Basis and Purpose in City Record July 14, 1994: In 1975, the City of New York (the "City") adopted a financial disclosure law, requiring that certain public servants file detailed reports concerning their incomes, investments, outside positions, and other assets and liabilities. The law has been amended several times and is currently

codified at §12-110 of the Administrative Code. Prior to 1990, the financial disclosure law was administered by the City Clerk. Since 1990, it has been administered by the Conflicts of Interest Board (the "Board"). The Board currently collects approximately 12,000 financial disclosure reports each year from the following categories of individuals required to file: (a) holders of Citywide elective offices (Mayor, Comptroller, City Council President, Borough Presidents, and Members of the City Council); (b) holders of political party office, as defined in the law; (c) candidates for Citywide elective office or political party office; (d) agency heads, deputy agency heads, assistant agency heads, members of City boards or commissions (other than members serving without compensation), and City employees who are members of the City's management pay plan or whose salary on April 30 of the year in which a report is to be filed is $42,300 or more; and (e) City employees, whose duties directly involve the negotiation, authorization, or approval of contracts, leases, franchises, revocable consents, concessions, and applications for zoning changes, variances, and special permits. **See** §§12-110(a)(1) through (3) of the Administrative Code. The Board has a total of over 140,000 reports on file including reports collected by the City Clerk during the period 1978 through 1988. Financial disclosure reports are utilized by the Board to detect actual or potential conflicts between a public servant's official duties and his or her private interests or affiliations. In addition, reports are utilized by the City's Department of Investigation to facilitate inquiries into actual or potential cases of fraud, waste and abuse or other wrongful conduct on the part of City officials or employees. Until December 7, 1992, the financial disclosure law required that the Board retain all reports filed with it by public servant until the expiration of two years after that public servant has separated from City service or, in the case of reports filed by any unsuccessful candidate for office, until the expiration of two years from the date of the election at which the candidate was defeated. After the two year period has elapsed the Board is obligated to destroy the reports or, in the alternative, return them to the individual who filed the report. The two-year retention period, tied to separation from City service, has posed both administrative and legal difficulties for the board. In any given year, large numbers of City employees transfer to different agencies or leave City service entirely. The City's records are sometimes outdated or inaccurate and it is often difficult to obtain precise information on the status of a City employee. As a result of these uncertainties the Board for all practical purposes has been forced to retain many reports for an indefinite period of time. This, in turn, has required ever increasing amounts of storage space, filing cabinets, supplies and staff time to insure that all files are properly arranged and maintained. Indeed, because of the number of reports already on hand, the Board has been forced to store a portion of its financial disclosure files off-site, making access and security arrangements far more difficult. In addition, the Board receives approximately 900 requests each year for copies of financial disclosure reports. Such requests are made by the media, law enforcement agencies and members of the public. Because of the uncertainties surrounding the exact date of separation for many former City employees, and the resulting retention of many reports for indefinite periods of time (see above), the Board runs the risk of inadvertently disclosing the contents of a report to a third party, after the date on which the report should have been destroyed. This risk was highlighted in an Article 78 proceeding brought against the Board in the Fall of 1992, in which the Board was informed, long after the fact but just prior to the release of a report, that the individual who filed the report had retired from City service more than two years previously. Effective December 7, 1992, the financial disclosure law was amended to allow the Board, in consultation with the Department of Records and Information Services ("DORIS") and the Department of Investigation ("DOI"), to establish by rule a different period or periods for the retention of financial disclosure reports taking into account the need for efficient records management and the need to retain such reports for a reasonable period for investigatory and other purposes. **See** Local Law No. 93 of 1982, amending §12-110(e) of the Administrative Code. The rule set forth above establishes a uniform retention period for all financial disclosure reports. Each report is to be retained for a fixed period commencing on the date it is filed and expiring on the sixth anniversary of December 31 of the calendar year to which it relates. Since most reports are due on May 1, and cover the preceding calendar year, this rule will insure that the vast majority of reports which are filed with the Board will be retained for at least five full years. This rule was developed in consultation with DORIS, DOI, and the Office of the Corporation Counsel, and seeks to carefully balance the following considerations: (1) the statute of limitations for misconduct in public office (**See** Criminal Procedure Law, §10.10(3)(b)); (2) the need to retain financial disclosure reports for a reasonable period of time, in order to facilitate an inquiry into allegations of conflict of interest or other wrongful conduct; (3) the desire to conform any rule to existing City record retention policies to the extent possible; and (4) the practical benefits of a fixed retention period tied to a date certain, allowing the Board to manage its space requirements more efficiently and avoid the risk of inadvertently disclosing reports that should have been destroyed or returned.

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-11 Adjustment of Dollar Amount in Definition of "Ownership Interest".

Effective as of January 1, 2006, the dollar amount in the definition of "Ownership Interest" in subdivision (16) of §2601 of the New York City Charter shall be adjusted from $35,000 to $40,000.

HISTORICAL NOTE

NOTE

1. Statement of Basis and Purpose in City Record Jan. 28, 2003:

Subject to certain exceptions, the conflicts of interest provisions of Chapter 68 of the New York City Charter prohibit New York City public servants from having "interests" in firms engaged in business dealings with the City or from taking actions as a public servant particularly affecting the public servant's interest in a firm. **See** Charter Sections 2604(a) and 2604(b)(1). An interest may be either an ownership interest in a firm or a position with a firm. **See** Charter §2601(12). "Ownership interest" is, in turn, defined in Charter §2601(16) as

an interest in a firm held by a public servant, or the public servant's spouse or unemancipated child, which exceeds five percent of the firm or an investment of twenty-five thousand dollars in cash or other form of commitment, whichever is less, or five percent or twenty-five thousand dollars of the firm's indebtedness, whichever is less, and any lesser interest in a firm when the public servant, or the public servant's spouse or unemancipated child exercises managerial control or responsibility regarding any such firm, but shall not include interests held in any pension plan, deferred compensation plan or mutual fund, the investments of which are not controlled by the public servant, the public servant's spouse or unemancipated child, or in any blind trust which holds or acquires an ownership interest. **The amount of twenty-five thousand dollars specified herein shall be modified by the board pursuant to subdivision a of section twenty-six hundred three.** (emphasis added)

Charter §2603(a) requires the Conflicts of Interest Board, by rule amendment, once every four years to adjust the $25,000 amount established in §2601(16) to reflect changes in the Consumer Price Index for the metropolitan New York-New Jersey region as published by the United States Bureau of Labor Statistics. The forgoing provision became effective on January 1, 1990. Pursuant to Charter §2603(a), Board Rule §1-11 was first adopted in 1994 to reflect the change in the Consumer Price Index from 135.1 in January 1990, to 156.0 in January 1994, or an increase of 15.5%, and to raise the original $25,000 Charter amount in a like percentage to $29,000, rounded to the nearest $1,000. In 1998, Board Rule §1-11 was amended, effective January 1998, to reflect the change in the Consumer Price Index from 135.1 in January 1990, to 172.1 in January 1998, reflecting a total of a 27.4% increase in the original $25,000 Charter amount, raising the threshold to $32,000, rounded to the nearest $1,000. According to the United States Department of Commerce, Bureau of Labor Statistics, for the twelve-year period from January 1990, to January 2002, the Consumer Price Index for the metropolitan area increased from 135.1 to 188.5, reflecting a total increase of 39.5%. Thus, the $25,000 Charter amount should be adjusted to $35,000, reflecting a 39.5% increase in the $25,000 Charter amount, rounded to the nearest $1,000. Pursuant to Charter §1042, this proposed amendment to Board Rule Section 1-11 was published in the Board's Fiscal Year 2003 regulatory agenda.

2. Statement of Basis and Purpose in City Record June 11, 1998: Subject to certain exceptions, the conflicts of interest provisions of Chapter 68 of the New York City Charter prohibit New York City public servants from having "interests" in firms engaged in business dealings with the City or from taking actions as a public servant particularly affecting the public servant's interest in a firm. **See** Charter §§2604(a) and 2604(b)(1). An interest may be either an ownership interest in a firm or a position with a firm. **See** Charter §2601(12). "Ownership interest" is, in turn, defined in Charter §2601(16) as

an interest in a firm held by a public servant, or the public servant's spouse or unemancipated child, which exceeds five percent of the firm or an investment of twenty-five thousand dollars in cash or other form of commitment, whichever is less, or five percent or twenty-five thousand dollars of the firm's indebtedness, whichever is less, and any lesser interest in a firm when the public servant, or the public servant's spouse or unemancipated child exercises managerial control or responsibility regarding any such firm, but shall not include interests held in any pension plan, deferred compensation plan or mutual fund, the investments of which are not controlled by the public servant, the public servant's spouse or unemancipated child, or in any blind trust which holds or acquires an ownership interest. **The amount of twenty-five thousand dollars specified herein shall be modified by the board pursuant to subdivision a of section twenty-six hundred three.** (Emphasis added.)

Charter §2603(a) requires the Conflicts of Interest Board, by amendment, once every four years to adjust the $25,000 dollar amount established in section 2601(16) to reflect changes in the Consumer Price Index for the metropolitan New York-New Jersey region published by the United States Bureau of Labor Statistics. The foregoing provision became effective on January 1, 1990. The Rule was adopted in 1994 to reflect the change in the Consumer Price Index from 135.1 in January 1990 to 156.0 in January 1994, or an increase of 15.5%. Thus, the $25,000 dollar amount was adjusted to $29,000, reflecting an increase in the $25,000 dollar amount rounded to the nearest $1,000. According to the United States Department of Commerce, Bureau of Labor Statistics, for the eight-year period from January 1990 to January 1998, the Consumer Price Index for the metropolitan area increased from 135.1 to 172.1, or 27.4%. Thus, the $25,000 amount should be adjusted to $32,000; reflecting a 27.4% increase in the $25,000 Charter

amount, rounded to the nearest $1,000.

3. Statement of Basis and Purpose in City Record Oct. 28, 1994: Subject to certain exceptions, the conflicts of interest provisions of chapter 68 of the New York City Charter prohibit New York City public servants from having "interests" in firms engaged in business dealings with the City or from taking actions as a public servant particularly affecting the public servant's interest in a firm. **See** Charter §2604(a) and §2604(b)(1). An interest may be either an ownership interest in a firm or a position with a firm. **See** Charter §2601(12).

"Ownership interest" is, in turn, defined in Charter §2601(16) as an interest in a firm held by a public servant, or the public servant's spouse or unemancipated child, which exceeds five percent of the firm or an investment of twenty-five thousand dollars in cash or other form of commitment, whichever is less, or five percent or twenty-five thousand dollars of the firm's indebtedness, whichever is less, and any lesser interest in a firm when the public servant, or the public servant's spouse or unemancipated child exercises managerial control or responsibility regarding any such firm, but shall not include interests held in any pension plan, deferred compensation plan or mutual fund, the investments of which are not controlled by the public servant, the public servant's spouse or unemancipated child, or in any blind trust which holds or acquires an ownership interest. **The amount of twenty-five thousand dollars specified herein shall be modified by the Board pursuant to subdivision a of section twenty-six hundred three.** (Emphasis added.)

Charter §2603(a) requires the Conflicts of Interest Board, by rule, once every four years to adjust the $25,000 amount established in §2601(14) to reflect changes in the Consumer Price Index for the metropolitan New York-New Jersey region published by the United States Bureau of Labor Statistics. The foregoing provision became effective on January 1, 1990. Accordingly, the Board must adopt a rule adjusting the $25,000 amount to reflect changes in the Consumer Price Index. According to the United States Department of Commerce, Bureau of Labor Statistics, for the four year period from January 1990 to January 1994, the Consumer Price Index for the metropolitan area increased from 135.1 to 156.0 or 15.5%. Thus, the $25,000 amount should be adjusted to $29,000, reflecting a 15.5% increase in the $25,000 Charter amount, rounded to the nearest $1,000.

4. Statement of Basis and Purpose in City Record Mar. 14, 2006: Subject to certain exceptions, the conflicts of interest provisions of Chapter 68 of the New York City Charter prohibit New York City public servants from having "interests" in firms engaged in business dealings with the City or from taking actions as a public servant particularly affecting the public servant's interest in a firm. **See** Charter §§2604(a) and 2604(b)(1). An interest may be either an ownership interest in a firm or a position with a firm. **See** Charter §2601(12). "Ownership interest" is, in turn, defined in Charter §2601(16) as

an interest in a firm held by a public servant, or the public servant's spouse or unemancipated child, which exceeds five percent of the firm or an investment of twenty-five thousand dollars in cash or other form of commitment, whichever is less, or five percent or twenty-five thousand dollars of the firm's indebtedness, whichever is less, and any lesser interest in a firm when the public servant, or the public servant's spouse or unemancipated child exercises managerial control or responsibility regarding any such firm, but shall not include interests held in any pension plan, deferred compensation plan or mutual fund, the investments of which are not controlled by the public servant, the public servant's spouse or unemancipated child, or in any blind trust which holds or acquires an ownership interest. **The amount of twenty-five thousand dollars specified herein shall be modified by the board pursuant to subdivision a of section twenty-six hundred three.** (emphasis added)

Charter §2603(a) requires the Conflicts of Interest Board, by rule amendment, once every four years to adjust the $25,000 amount established in §2601(16) to reflect changes in the Consumer Price Index for the metropolitan New York-New Jersey region as published by the United States Bureau of Labor Statistics. The forgoing provision became effective on January 1, 1990. Pursuant to Charter §2603(a), Board Rule §1-11 was adopted in 1994 to reflect the change in the Consumer Price Index from 135.1 in January 1990, to 156.0 in January 1994, or an increase of 15.5%, and to raise the original $25,000 Charter amount in a like percentage to $29,000, rounded to the nearest $1,000. In 1998, Board

Rule §1-11 was amended, effective January 1998, to reflect the change in the Consumer Price Index from 135.1 in January 1990, to 172.1 in January 1998, reflecting a total of a 27.4% increase from the original $25,000 Charter amount, raising the threshold to $32,000, rounded to the nearest $1,000. In 2002, Board Rule §1-11 was amended, effective January 2002, to reflect the change in the Consumer Price Index from 135.1 in January 1990, to 188.5 in January 2002, reflecting a total of a 39.5% increase from the original $25,000 Charter amount, raising the threshold to $35,000, rounded to the nearest $1,000. According to the United States Department of Commerce, Bureau of Labor Statistics, for the fifteen-year period from January 1990, to October 2005, the Consumer Price Index for the metropolitan area increased from 135.1 to 216.6, reflecting a total increase of 60.3%. Thus, the $25,000 Charter amount should be adjusted to $40,000, reflecting a 60% increase from the $25,000 Charter amount, rounded to the nearest $1,000.

Rules of the City of New York

***** Current through December 2009 ****

53 RCNY 1-12

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-12 Definition of "Particular Matter" for Tax Commissioners and Certain Other Public Servants in the Tax Commission, Department of Finance, Comptroller's Office, and Law Department in Relation to Real Estate Tax Assessments.

(a) Pursuant to City Charter §2604(d)(4), no former public servant who has served on or been employed by the Tax Commission, the Department of Finance, the Comptroller's Office, or the Law Department shall appear, whether paid or unpaid, before the City, or receive compensation for any services rendered, in relation to a proceeding involving a tax year or the immediately subsequent tax year for a given parcel of property with respect to which the public servant engaged in one or more of the activities described in subdivision (b).

(b) Subdivision (a) shall apply with respect to a parcel and tax year about which the former public servant: (1) heard an application for correction of assessment for taxation ("protest") from any real estate tax assessment; or (2) reviewed any proposal to settle or offer to reduce the assessment with respect to any such protest; or (3) participated personally and substantially in (i) the preparation or review of an appraisal, (ii) the review, analysis, or recommendation of a real estate tax assessment, or (iii) the conducting of a tax certiorari proceeding, which shall include but not be limited to its negotiation, settlement, trial, or review.

HISTORICAL NOTE

Section added City Record June 4, 1997 eff. July 4, 1997. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record June 4, 1997:

Charter §2604(d)(4) permanently bars a former public servant from appearing, whether paid or unpaid, before the City, or from receiving compensation for any services rendered, in relation to any "particular matter" involving the same party or parties with respect to which particular matter the former public servant participated personally and substantially as a public servant through decision, approval, recommendation, investigation, or the like.

This permanent bar as to particular matters has created a quandary for those involved in real property tax assessments. If "particular matter" is defined as the particular parcel, then assessors and tax commissioners, who consider thousands of parcels during their City careers, would, upon leaving City service, find themselves permanently barred from working on any assessments involving those parcels. That result, while a literal reading of the Charter, may appear unduly harsh and, some might argue, may discourage public service in this area.

On the other hand, limiting "particular matter" in this context to the matters pertaining to the assessment of a parcel in a single tax year would permit an assessor or tax commissioner to determine an assessment one day, leave City service the next, and within months represent individuals contesting their assessment for the following tax year and, in that regard, rely upon evidence and knowledge gained in City service about that very piece of property a few months earlier. Although each tax year may be separate and distinct for tax purposes (**see People ex rel. Hilton v. Fahrenkopf,** 279 N.Y. 49 (1938)), that tax concept would seem to bear little relation to the purposes of the City conflicts of interest law, which is designed to protect integrity in City government. Furthermore, although under **Hilton** a determination in one tax year does not bind assessors in subsequent tax years, as a practical matter evidence found and determinations made in one tax year will tend to be replicated in the next tax year. The danger, or at least the perceived danger, that confidential information may be used by a former assessor or tax commissioner to promote the interests of his or her private clients over the interests of the City compounds these problems. Thus, interpreting the term "particular matter" to mean assessment-related activity for a parcel in a single tax year would appear ill-advised.

The new rule permits the former public servant to work on an assessment involving a parcel of property he or she worked on while a public servant, provided that (1) the former public servant does not appear before his or her former agency within one year after leaving City service (existing provisions of Charter §2604(d)(2)); (2) the former public servant does not disclose or use any confidential City information (existing provisions of Charter §2604(d)(5)); and (3) the former public servant does not work on matters pertaining to an assessment for the tax year he or she had worked on such assessment or for the subsequent tax year. The following example will help illustrate how the rule will work.

Example. In April 1996 a tax commissioner hears a protest from an assessment involving a parcel of property for tax year 1996-1997. During the fall of 1996, the tax commissioner is involved in a tax certiorari proceeding relating to that same piece of property for the tax year 1990-1991. The matter is before the Tax Commission for the year 1990-1991. The tax commissioner leaves City service on March 1, 1997. Under Charter §2604(d)(2), the tax commissioner could not appear before the Tax Commission on non-ministerial matters until March 1, 1998. In addition, he or she may not appear before the City, or work for compensation, in connection with the assessments for that parcel of property for the tax years 1990-1991, 1991-1992, 1996-1997, or 1997-1998.

Two final points with respect to the new rule should be noted. First, although primarily aimed at assessors and tax commissioners, the rule is not limited to those public servants but, rather, regulates any public servant in the Office of the Tax Commission, Comptroller's Office, Department of Finance, or Law Department who engages in the conduct specified in the rule. Secondly, the rule does not expressly require that a public servant (e.g., a tax commissioner) hearing a protest from an assessment or reviewing a proposal to settle such a protest be personally and substantially involved in those activities. The Conflicts Board has determined that any public servant who hears such a protest or reviews such a proposal is, of necessity, personally and substantially involved in those matters. If in a particular case a public servant believes that his or her involvement was not personal and substantial, he or she may seek a ruling to that effect from the Board.

The Board conducted a public hearing on February 18, 1997, during which time it received testimony from the president of the City union representing assessors, appraisers, and mortgage analysts (Local 1757 of District Council 37). The union is generally supportive of the rule proposed by the Board but suggested that with respect to tax certiorari proceedings the two-year proscription on appearing before the City be enlarged to a three-year ban. The Board has considered this and other comments and suggestions submitted by the local and has concluded that the uniform two-year ban applicable to all tax proceedings should be retained.

Rules of the City of New York

***** Current through December 2009 ****

53 RCNY 1-13

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-13 Conduct Prohibited by City Charter §2604(b)(2).

(a) Except as provided in subdivision 3 of this section, it shall be a violation of City Charter §2604(b)(2) for any public servant to pursue personal and private activities during times when the public servant is required to perform services for the City.

(b) Except as provided in subdivision 3 of this section, it shall be a violation of City Charter §2604(b)(2) for any public servant to use City letterhead, personnel, equipment, resources, or supplies for any non-City purpose.

(c) (1) A public servant may pursue a personal and private activity during normal business hours and may use City equipment, resources, personnel, and supplies, but not City letterhead, if, (i) the type of activity has been previously approved for employees of the public servant's agency by the Conflicts of Interest Board, upon application by the agency head and upon a determination by the Board that the activity furthers the purposes and interests of the City; and (ii) the public servant shall have received approval to pursue such activity from the head of his or her agency.

(2) In any instance where a particular activity may potentially directly affect another City agency, the employee must obtain approval from his or her agency head to participate in such particular activity. The agency head shall provide written notice to the head of the potentially affected agency at least 10 days prior to approving such activity.

(d) It shall be a violation of City Charter §2604(b)(2) for any public servant to intentionally or knowingly:

(1) solicit, request, command, importune, aid, induce or cause another public servant to engage in conduct that violates any provision of City Charter§2604; or

(2) agree with one or more persons to engage in or cause the performance of conduct that violates any provision of City Charter §2604.

(e) Nothing contained in this section shall preclude the Conflicts of Interest Board from finding that conduct other than that proscribed by subdivisions (a) through (d) of this section violates City Charter §2604(b)(2), although the Board may impose a fine for a violation of City Charter §2604(b)(2) only if the conduct violates subdivision (a), (b), (c), or (d) of this section. The Board may not impose a fine for violation of subdivision (d) where the public servant induced or caused another public servant to engage in conduct that violates City Charter §2604(b)(2), unless such other public servant violated subdivision (a), (b), or (c) of this section.

HISTORICAL NOTE

redesignated by the Law Department per Charter §1045(b). [See Note 1]

Subd. (d) amended City Record Jan. 9, 2007 §1, eff. Feb. 8, 2007. [See Note 2]

NOTE

1. Statement of Basis and Purpose in City Record July 9, 1998:

New York City Charter §2604(b)(2) provides:

No public servant shall engage in any business, transaction or private employment, or have any financial or other private interest, direct or indirect, which is in conflict with the proper discharge of his or her official duties.

The Charter Revision Commission

retained this "catch-all" prohibition in recognition of the fact that the specific prohibitions set forth in the [Charter] chapter [68] cannot address all conflict of interest situations which may arise in the future and that the [Conflicts of Interest] board must retain the flexibility to handle new situations as they arise. However, fairness to public servants dictates that no punishment be imposed for actions not previously identified as prohibited. Volume II, **Report of the New York City Charter Revision Commission, December 1986-November 1988,** at p. 175.

Accordingly, Charter §2606(d) precludes the Conflicts of Interest Board (the "Board") from imposing penalties for a violation of Charter §2604(b)(2), "unless such violation involved conduct identified by rule of the board as prohibited by such paragraph." The purpose of the rule is to identify certain such conduct. As experience reveals additional conduct, the Board may amend the rule to add it. Since its establishment the Board has received hundreds of requests from public servants for advice as to whether the public servant may engage in various outside activities, such as volunteering for a non-profit organization or working for a private business. Often the Board finds that Chapter 68 permits the particular activity, provided that the public servant abides by certain restrictions. In that regard, the Board cites, among other provisions, Charter §2604(b)(2), cautioning the public servant that he or she must pursue the activity at times when he or she is not required to perform services for the City. So, too, in the enforcement context, the Board has observed on a number of occasions that a public servant has violated Charter §2604(b)(2) by performing an outside activity, particularly a compensated outside activity, on City time. The Board has also noted that from time to time public servants have, in violation of Charter §2604(b)(2), encouraged or caused another public servant to violate the provisions of Charter §2604 by, for example, inducing that second public servant to obtain from the City a financial benefit for a son or daughter, in violation of Charter §2604(b)(3). In addition, the Board has received complaints about City employees using City personnel, equipment, letterhead, resources, or supplies for non-City purposes. If such a use is to obtain a private or personal advantage for the employee, for a member of his or her immediate family, for a person with whom the employee has a business or other financial relationship, or for a firm with which the employee has a

present or potential position or ownership interest, then the use might be a violation of Charter §2604(b)(3). However, (b)(3) might not apply, for example, where a City employee writes a letter on City letterhead endorsing a political candidate or uses a City photocopier to make photocopies for a volunteer organization. Adoption of the rule will permit the Board to impose penalties for such violations of Charter §2604(b)(2), either alone or in combination with the imposition of penalties for violation of other provisions of Chapter 68. It is important to note, however, that certain public service activities, such as volunteering one's services for a professional organization, may in some instances further the City's interests. For example, a public servant's uncompensated participation on a bar association committee not only may help the public servant meet his or her obligations to the profession but also may reflect favorably upon the City and the public servant's agency, may assist in the professional development of the public servant, and may provide him or her with new insights into the performance of his or her City job, all to the City's benefit. For this reason, the rule, in subdivision (3), permits an agency head to apply to the Conflicts Board for permission for the employees of the agency to engage in such activities during normal working hours and to use City equipment, resources, personnel, and supplies-but not City letterhead-in connection with the activity. Thus, for example, the Corporation Counsel could seek approval of the Board for attorneys in the Law Department to attend bar association committee meetings during the day and even to type and photocopy a bar association report on City computers and photocopiers-but not to use Law Department letterhead. If, however, the work of the bar association committee has a direct impact upon another City agency, then the Corporation Counsel would have to give the head of that other agency at least 10 days written notice before approving the employee's request. Furthermore, once a type of activity has been approved by the Board for the employees of a particular agency under this provision, other employees of that agency who wish to engage in the same type of activity need obtain approval only from their agency head; additional approval from the Board is not required. Three additional points should be noted. First, as with any ethics law, the rule must be interpreted in light of reason, experience, and common sense. A brief telephone call to a friend or doctor would not constitute a violation of the rule. Running an outside business from one's City office would, as would spending an afternoon at the beach during City time. Second, as stated in subdivision (4) of the rule, conduct other than that identified in the rule may constitute a violation of Charter §2604(b)(2), although, under Charter §2606(d), the Board may not impose any penalties for such other conduct, unless it violates some other provision of Charter §2604. As noted by the Charter Revision Commission, "the board may in some situations adjudicate a public servant to be in violation of paragraph two [of section 2604(b)] without imposing any penalties." Volume II, **Report of the New York City Charter Revision Commission, December 1986-November 1988,** at pp. 175-176. The Board may in the future amend the rule to identify other conduct prohibited by section 2604(b)(2). Third, where a charitable or philanthropic activity, such as the annual toy collection drive or the Combined Municipal Campaign, is sanctioned by the Mayor as a City activity, neither Charter §2604(b)(2) nor this rule comes into play. Accordingly, City employees may use City time, letterhead, and resources in connection with that activity. In response to the public hearing notice on the proposed rule, the Board received detailed and persuasive comments from the City Council and the Comptroller's Office. In response to those comments, the Board changed the rule in several respects: to delete the requirement that a public servant may engage in an activity permitted under subdivision 3 only at times when the public servant is not required to perform services for the City; to remove the prohibition on using City personnel for an activity permitted under subdivision 3; to require that such an activity further the purposes and interests of the City (the same standard as that set forth in Charter §2604(c)(6)(b)); to replace with a notice requirement the requirement that permission for such an activity be obtained from every affected City agency; to add a mental state ("intentionally and knowingly") to subdivision 4; and to make certain technical changes in the rule.

2. Statement of Basis and Purpose in City Record Jan. 9, 2007: New York City Charter §2604(b)(2) provides:

No public servant shall engage in any business, transaction or private employment, or have any financial or other private interest, direct or indirect, which is in conflict with the proper discharge of his or her official duties. Rule 1-13(d) currently provides: It shall be a violation of City Charter §2604(b)(2) for any public servant to intentionally or knowingly **induce or cause** another public servant to engage in conduct that violates any provision of City Charter §2604 (emphasis added).

The language "induce or cause" has proven to be too narrow in scope and does not capture all of the conduct that

could be subject to accessorial liability under the Penal Law. Accordingly, the amendment would modify the language of the rule to be parallel with that in §20.20 of the Penal Law, as specified in the proposed paragraph (1) above. In addition, the current rule does not provide for liability for those persons who engaged in a conspiracy with others to violate the conflicts of interest law. The proposed paragraph (2) would adopt the Penal Law definition of conspiracy in the sixth degree found in Penal Law §105.00 to specify additional conduct that would form the basis for liability for the acts of another under this provision.

A public hearing on these rules was held on November 28, 2006, pursuant to notice published in the **City Record** on October 19, 2006, and no one attended to provide testimony or comment, nor were comments received prior thereto.

CASE NOTES

¶ 1. Subsection (a) of this section prohibits the use of City resources for personal purposes when the use occurs during a time when the employee is required to perform City services. Subsection (b) prohibits the use of City resources for personal purposes regardless of whether the use occurs when the employee is on or off-duty. Therefore, employee's use of City van for personal purposes violated section (b), regardless of whether the use occurred on or off-duty; his personal use of the van violated subsection (a) only when the use occurred during work time-not when he used it on a vacation day. **Conflicts of Interest Bd. v. Allen**, Conflicts of Interest Bd. Case No. 06-411 (Sept. 11, 2007), **adopting**, OATH Index No. 1791/07 (June 12, 2007).

¶ 2. An assistant principal of a New York City public school violated 2604(b)(2) and (b)(3) of the New York City Charter when she failed to deposit $8,500 into a school account and instead used the funds from the account for her personal benefit and other non-city purposes, including purchasing intimate apparel and a handbag, and to pay a teacher's parking ticket. The ALJ rejected the assistant principal's unverified defense that she was only reimbursing herself for school related purchases as implausible. Further, even if she had been reimbursing herself, she failed to follow agency procedures and gave priority to her claims over those of vendors or other teachers, thereby using her position as custodian of the student fund for personal advantage. $7,500 fine recommended. **Conflicts of Interest Bd. v. Bryan**, OATH Index No. 1366/08 (Aug. 14, 2008), **adopted**, Chair's Dec. (Nov. 18, 2008).

¶ 3. In Molinari v. Bloomberg, 564 F.3d 587 (2d Cir. 2009), a group of elected officials and private citizens, including the current Comptroller, Public Advocate of NYC and several current members of the City Counsel, challenged the enactment of Local Law 51. The defendants included the leaders of the City Council, who pushed for the enactment of the law, and the Mayor, who signed it. The challenged law modified the two-term limit for certain public offices; it increased the limit to three terms for Mayor, Council Member, Public Advocate, Comptroller and Borough President. What the new law did was to change term limits by legislative enactment even though the term limits had originally been enacted in 1993 by City-wide referendum.

Plaintiffs claimed the following:

1) Defendants violated their First Amendment rights because the City voters will be less likely to engage in First Amendment speech if laws enacted by referenda can be amended by City Council legislation;

2) Defendants violated their substantive due process guaranteed by the Fourteenth Amendment of the U.S. Constitution because the sole purpose of Local Law 51 is to extend defendants own political careers by entrenching incumbents;

3) Defendants violated NY Municipal Home Rule Law Sec. 23(2)(b), which they contend requires a referendum to enact the provisions of Local Law 51;

4) Defendants violated the City Charter's conflict of interest provisions by enacting legislation conferring upon themselves a political benefit.

In upholding the law, the court rejected all four of the above arguments. At the outset, the court pointed out that the City Council and Mayor are given broad power to enact local laws, including amendments to the City Charter, so long as they relate to property, affairs or government and are not inconsistent with the New York State Constitution or general laws. See NY Mun. Home Rule Law Sec. 10(l)(i)-(ii). Sections 36 and 37 of the NY Municipal Home Rule Law allows voters to enact such laws directly by means of referendum. This can be directly initiated by voters through a voter initiative process. See Sec. 37. If voters who are qualified file with the City Clerk a petition containing a certain number of signatures requesting that a proposed local law amending the City Charter be put to referendum, the proposed local law will appear on the ballot at the next general election. A referendum proposing a local law amending the City Charter may also be initiated by a Charter Commission. See Section 36. Thus, a charter commission can be created either by a voter's petition, the City Council or the Mayor.This happened in 1993 where the City voters put a referendum on the ballot by voter initiative proposing term limits for certain elected officials. This was ultimately adopted by a vote of more than 59%.

Before the enactment of Local Law 51, City Charter 1137 stated that a mayor was limited to eight consecutive years (also includes public advocate, comptroller, borough president and council members so that elected representatives represent the citizens and can therefore be responsive to the needs of the people and are not career politicians. Moreover, before Local Law 51, Section 1138 stated that no person shall be eligible to be elected to or serve in the offices referenced above except if one full four year term has elapsed after the person has held office.

In October 2008, the Mayor announced that he was going to work with the Speaker of the City Counsel to introduce legislation to extend the City's term limits because it was his belief that experienced leadership in a time of deep financial crisis was needed. Bill 845-A was introduced and if signed into law, would amend the above sections of the City Charter to change the term limits for no more than two consecutive terms to no more than three consecutive terms. Plaintiffs claimed that the Mayor planned to initiate this change as early as 2007, but delayed this announcement so that voters could not put the issue of term limits on the ballot through a voter initiative prior to the November 2009 election. Under Sec. 37 of the NY Municipal Home Rule Law, if qualified voters were to have filed a petition following the introduction of the bill in October 2008 putting the term limits issue to a referendum, it would appear on the November 2009 election ballot at the earliest. See Municipal Home Rule Law Sec. 37(6)-(7). The bill was signed into law on Nov. 3, 2008 and is known as Local Law 51. The plaintiffs commenced suit a week later.

The court addressed each of plaintiffs arguments.

Argument #1-First Amendment. Court agreed with defendants and agreed with Appellee's that Local Law 51 does not implicate plaintiffs' First Amendment rights. The First Amendment was created for the exchange of ideas leading to political and social change, as desired by the people. Here, plaintiffs have not been restricted from engaging in First Amendment activity. Plaintiffs were free to exercise their First Amendment rights in connection with the prior referendums (1993 and 1996). Plaintiffs simply claim that their First Amendment rights have been violated by Local Law 51 because voters will be less likely in the future to engage in the referendum process if a law enacted by that process can be amended or repealed through City Council legislation. As noted in other circuit courts, plaintiff's First Amendment rights are not implicated by referendum schemes in and of themselves, but by the regulation of advocacy with this process (i.e. Petition circulating, discourse and other protected forms of advocacy). What is important is that the communication of ideas associated with the referendum process is not affected, even if plaintiffs are correct in their assumption that it will be more difficult for plaintiffs to organize voter initiatives and referenda in the future. The fact that a process may be difficult is insufficient to implicate the First Amendment, the court held.

Argument #2-Substantive Due Process. The appellants believe that the purpose of Local Law 51 was an "incumbency re-employment program" to allow "those in power to have the opportunity to remain in power." Appellants do not point to a fundamental right nor a suspect classification in connection with this legislation, and there is a rational relationship between the legislation and its purpose. The City's reason for enacting the law is to provide voters with an opportunity to elect experienced public officials in a time of financial crisis, which is rationally related to a legitimate objective. The fact that a politician wishes to remain in office is not consequential. Therefore, the

legislation stands. There is nothing unconstitutional per se about incumbents shaping the electoral process to their advantage, and is an aspect of the American political scene.

Argument #3-NYS Referendum Law. Plaintiffs argued before the District court that under Municipal Home Rule Law §23(2)(b)(e)(f), the substance of Local Law 51 could be enacted only by referendum. On appeal, the appellants have abandoned their arguments under (e) and (f), as well as NYC Charter §38. They argue here that Local Law 51 changes the membership of the legislative body pursuant to §23(2)(b). Section 10 of the Municipal Home Rule Law provides that city governments have the power to adopt and amend local laws relating to the powers, duties, qualifications, terms of office, compensation, welfare and safety of its officers and employees, among other considerations. Mun. Home Rule Law §10(l)(a)(l). Plaintiffs argued that Local Law 51 changes the composition of the City Council because it will result in re-electing incumbents who were not previously eligible to seek re-election under the previous term limit law. There is no case law interpreting §23(2)(b) although there is case law interpreting its predecessor, City Home Rule Law Sec. 15(l), which states that an act of the legislature is subject to a mandatory referendum except as otherwise noted or under authority. In any event, the NYS legislature did not intend to make a substantive change in the meaning of the provision, but wanted to establish uniformity among various governmental bodies. It was not intended to abolish or curtail any rights, privileges or powers. NY Municipal Home Rule Law Sec. 50(3). While Local Law 51 now uses the word "membership" where section 15(l) used the word "form" the law remains unchanged with respect to the types of local laws subject to referenda, and the restrictions and prohibitions have not changed. While the law can change the composition of a legislative body, this does not mean that it can change the form or composition of that body. Membership, as used in the revised Municipal Home Rule Law, §23(2)(b) refers to the structural characteristics of the legislative body. Local law affects only an incumbent's eligibility for re-election and does not alter the number of seats in the legislative body. Local Law 51 does not trigger Municipal Home Rule Law Sec. 23(2)(b) because it does not directly change the membership. (City Charter 22 provides that the size of the council may be increased by local law without approval by the voters in a referendum.)

Argument #4-Conflict of Interest. Plaintiffs allege that defendants violated conflict of interest provisions under Chapter 68 of the City Charter Sec. 2604(b)(2)(3) and Conflicts Board Rule 1-13(d) (Rule 1-13(d). Under Sec. 2604(b)(2)-no public servant shall engage in any business, transaction, private employment, or have a financial or private interest, whether direct or indirect, which conflicts with his or her official duties. Under Sec. 2604(b)(3)-No public servant shall use or attempt to use his or her position as a public servant to obtain financial gain, contract, license, privilege, either directly or indirectly, from a person or firm associated with the public servant. Prior to voting on Local Law 51, an advisory opinion was sought from the Conflict of Interest Board, who concluded that it is within the proper discharge of Council Members' official duties as legislators for them to vote upon and participate in the legislative process in connection with a bill that is lawfully pending before the council. While term limited elected officials may have a personal political interest in what happens, that interest does not fall under Chapter 68, and would not be disqualified from participating in the enactment of this legislation. Agreeing with the District Court, the Appeals Court gives considerable deference and validity to these advisory opinions, absent a clear showing to the contrary. There is no personal or private interest shown.

53 RCNY 1-14

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-14 City Employees Holding Policymaking Positions for Purposes of the Financial Disclosure Law.

For purposes of Administrative Code §12-110(b)(3)(a)(3), a City employee shall be deemed to hold a policymaking position, and therefore be required to file a financial disclosure report, if such employee is charged with substantial policy discretion within the meaning of §1-02 of Title 53 of the Rules of the City of New York.

HISTORICAL NOTE

Section added City Record Dec. 23, 2003 eff. Jan. 22, 2004. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Dec. 23, 2003:

Local Law 43 of 2003 amended the City's Financial Disclosure Law, Section 12-110 of the Administrative Code, to, among other things, add to the list of required filers those City employees holding a "policymaking position . . ., as defined by rule of the conflicts of interest board. . . ." Ad. Code §12-110(b)(3)(a)(3). In analogous provisions, the City's Conflicts of Interest Law (City Charter Chapter 68, §2600 **et seq.**) imposes restrictions on the political activity of certain public servants "charged with substantial policy discretion as defined by rule of the board. . . ." Charter §2604(b)(12) (prohibiting certain political fundraising by appointed public servants with substantial policy discretion) and §2604(b)(15) (prohibiting public servants with substantial policy discretion from holding certain political party offices). "Substantial policy discretion" is defined in Board Rules §1-02. Both the Financial Disclosure Law and the Conflicts of Interest Law thus impose certain additional responsibilities on City policymakers. No principled reason

exists for defining policymaker differently in these two laws. Furthermore, linking the policymaking position rule and the substantial policy discretion rule would ensure that all public servants with substantial policy discretion file financial disclosure reports. Such a linkage also provides a simple definition and avoids a multiplicity of rules, one for substantial policy discretion and one for policymaking position. In addition, adopting a single rule for both laws will reduce, by 50%, the burden on City agencies in identifying their employees who fall within the rules. Finally, the Board has had in place for some time a system for determining which public servants exercise substantial policy discretion, and that system has worked well.

Indeed, many ethics laws link financial disclosure filing status and restrictions on high-level public servants. For example, the New York State Ethics Commission, by rule, prohibits State officers and employees who hold "policymaking positions" from moonlighting without the approval of the Commission and ties the definition of "policymaking position" for that purpose to the definition of "policymaking position" in the State financial disclosure law. **See** 9 NYCRR §932.1(e) (defining "policymaking position" by cross-reference to the State financial disclosure law, NYC Pub. Off. Law §§73-a(1)(c)(ii) and 73-a(1)(c)(iii)) and §932.3(c) (imposing a moonlighting restriction on individuals serving in policymaking positions).

Similarly, Westchester County's Code of Ethics imposes post-employment restrictions on "reporting officers or employees," defined as those full-time County officers and employees required to file a financial disclosure statement. **See** Laws of Westchester County §§883.11(1), 883.21(h), 883.21(i)(3), 883.61.

It should be noted that this policymaker category of financial disclosure filers applies only to employees, not to officers, and thus not to members of boards and commissions. Such members must file financial disclosure reports under Ad. Code §12-110(b)(3)(a)(1), but only if they are entitled to compensation. If they serve without compensation, they do not file financial disclosure reports despite the fact that they exercise substantial policy discretion, as defined in 53 RCNY §1-02(a).

Rules of the City of New York

53 RCNY 1-15

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-15 City Employees Whose Duties Involve the Negotiation, Authorization, or Approval of Contracts and of Certain Other Matters.

(a) For purposes of Administrative Code §12-110(b)(3)(a)(4), a City employee shall be deemed to have duties that involve the negotiation, authorization, or approval of contracts, leases, franchises, revocable consents, concessions, and applications for zoning changes, variances, and special permits if the employee performs any of the following duties:

(1) Determines the substantive content of a request for proposals or other bid request or change order;

(2) Makes a determination as to the responsiveness of a bid or the responsibility of a vendor or bidder;

(3) Evaluates a bid;

(4) Negotiates or determines the substantive content of a contract, lease, franchise, revocable consent, concession, or application for a zoning change, variance, or special permit or change order;

(5) Recommends or determines whether or to whom a contract, lease, franchise, revocable consent, concession, or application for a zoning change, variance, or special permit or change order should be awarded or granted;

(6) Approves a contract, lease, franchise, revocable consent, or concession or change order on behalf of the City or any agency subject to Administrative Code §12-110; or

(7) Determines the content of or promulgates City procurement policies, rules, or regulations.

(b) Clerical personnel and other public servants who, in relation to the negotiation, authorization, or approval of contracts, leases, franchises, revocable consents, concessions, and applications for zoning changes, variances, and special permits, perform only ministerial tasks shall not be required to file a financial disclosure report pursuant to Administrative Code §12-110(b)(3)(a)(4). For example, public servants who are under the supervision of others and are without substantial personal discretion, and who perform only clerical tasks (such as typing, filing, or distributing contracts, leases, franchises, revocable consents, concessions, or zoning changes, variances, or special permits or calendaring meetings or who identify potential bidders or vendors) shall not, on the basis of such tasks alone, be required to file a financial disclosure report. Similarly, public servants who write a request for proposals, bid request, change order, contract, lease, franchise, revocable consent, concession or application for a zoning change, variance, or special permit or procurement policy, rule, or regulation under the direction of a superior but who do not determine the substantive content of the document shall not, on the basis of such tasks alone, be required to file a financial disclosure report.

HISTORICAL NOTE

Section added City Record Jan. 30, 2004 eff. Feb. 29, 2004. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Jan. 30, 2004:

Statutory Authority:

Sections 2603(a) of the New York City Charter and Section 12-110(b)(3)(a)(4) of the New York City Administrative Code.

Statement of Basis of Purpose of the Rule:

As mandated by New York State law, the City's Financial Disclosure Law requires the filing of an annual financial disclosure report by, among others,

Each city employee whose duties at any time during the preceding calendar year involved the negotiation, authorization or approval of contracts, leases, franchises, revocable consents, concessions and applications for zoning changes, variances and special permits, as defined by rule of the conflicts of interest board and as annually determined by his or her agency head, subject to review by the conflicts of interest board.

Ad. Code §12-110(b)(3)(a)(4), as amended by Local Law 43 of 2003, effective January 1, 2004. **See also** NYS Gen. Mun. Law §§811(1)(a), 813(9)(k). The Board must, therefore, adopt a rule defining these so-called "contract" filers. The Board must also adopt a separate rule regulating appeals by public servants who contest their designation as "contract" filers. **See** Ad. Code §12-110(c)(2), as amended by Local Law 43 of 2003. Historically, determination of such appeals by unionized employees has consumed considerable time of the filer's agency, which makes the initial determination as to whether the agency correctly identified the public servant as a "contract" filer and provides documentation in support of that initial determination; the filer's union, which prosecutes the appeal; the Office of Labor Relations, which currently defends the appeal; the Office of Collective Bargaining, which currently hears the appeal and makes a recommendation; the Department of Investigation, which currently makes the final determination of the public servant's filing status; and the Board, which currently provides technical and legal support throughout the appeal process. As of January 1, 2004, appeals will be determined by the Board. **See** Ad. Code §12-110(c)(2), as amended by Local Law 43 of 2003. Moreover, in the Board's experience, agencies differ widely in their interpretation of what constitutes the "negotiation, authorization or approval of contracts." Some agencies include everyone involved in purchasing, even clerical help; other agencies include only procurement officers. Little uniformity exists among agencies in interpreting this provision of law. As the Board has often stated, the purpose of the City's ethics laws, including its Financial Disclosure Law, lies in promoting both the reality and the perception of integrity in City

goverment by preventing conflicts of interest before they occur. The focus, therefore, lies on prevention, not punishment. Thus, financial disclosure focuses the official's attention at least once each year upon the Conflicts of Interest Law; alerts the public, the media, supervisors, vendors, and the filer to his or her possible conflicts of interest, thereby helping to avoid them; and provides a check on transactional disclosure and recusal by a public servant when a potential conflict actually arises. In light of the foregoing, the Board's intent in drafting the rule is threefold: (1) to limit financial disclosure filing to those public servants who are at risk of conflicts of interest; (2) to ensure that rules for determining who is a "contract" filer are uniform and uniformly applied throughout the City; and (3) to reduce the number of appeals by defining with some precision who should and should not be filing a financial disclosure report because of "contracting" duties.

Rules of the City of New York

***** Current through December 2009 ****

53 RCNY 1-16

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 1 CONFLICTS OF INTEREST

§1-16 Prohibited Gifts from Lobbyists and Exceptions Thereto.

(a) Pursuant to Administrative Code §3-225, no person required to be listed on a statement of registration pursuant to §3-213(c)(1) of the Administrative Code shall offer or give a gift to any public servant.

(b) For purposes of this section:

(1) the persons required to be listed on a statement of registration pursuant to §3-213(c)(1) of the Administrative Code include (i) the lobbyist, (ii) the spouse or domestic partner of the lobbyist, (iii) the unemancipated children of the lobbyist, and (iv) if the lobbyist is an organization, the officers or employees of such lobbyist who engage in any lobbying activities or who are employed in such lobbyist's division that engages in lobbying activities and the spouse or domestic partner and unemancipated children of such officers or employees;

(2) the term "lobbyist" shall have the same meaning as used in §3-211 of the Administrative Code;

(3) the term "offer" shall include every (i) attempt or offer to give a gift, or (ii) attempt or offer to arrange for the making of a gift;

(4) the term "give" shall include every (i) tender of a gift, or (ii) action as an agent in the making of a gift, or (iii) arrangement for the making of a gift;

(5) the term "gift" shall include any gift which has any value whatsoever, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise, or in any other form.

(c) For purposes of Administrative Code §3-225 and this section, the following gifts shall not be prohibited:

(1) de minimis promotional items having no substantial resale value such as pens, mugs, calendars, hats, and t-shirts which bear an organization's name, logo, or message in a manner which promotes the organization's cause;

(2) gifts that are customary on family or social occasions from a family member or close personal friend, when it can be shown under all relevant circumstances that it is the family or personal relationship rather than the lobbying activity that is the controlling factor and the public servant's receipt of the gift would not result in or create the appearance of:

(i) using his or her office for private gain;

(ii) giving preferential treatment to any person or entity;

(iii) losing independence or impartiality; or

(iv) accepting gifts or favors for performing official duties;

(3) awards, plaques, and other similar items which are publicly presented in recognition of public service, provided that the item or items have no substantial resale value; (4) free meals or refreshments in the course of and for the purpose of conducting City business under the following circumstances:

(i) when offered during a meeting which the public servant is attending for official reasons;

(ii) when offered at a company cafeteria, club or other setting where there is no public price structure and individual payment is impractical;

(iii) when a meeting the public servant is attending for official reasons begins in a business setting but continues through normal meal hours in a restaurant, and refusal to participate and/or individual payment would be impractical;

(iv) when the free meals or refreshments are provided by the host entity at a meeting held at an out-of-the-way location, alternative facilities are not available and individual payment would be impractical; or,

(v) when the public servant would not have otherwise purchased food and refreshments had he or she not been placed in such a situation while representing the interests of the City;

(5) meals or refreshments when participating as a panelist or speaker in a professional or educational program and the meals or refreshments are provided to all panelists;

(6) invitation to attendance at professional or educational programs as a guest of the sponsoring organization;

(7) invitation to attendance at ceremonies or functions sponsored or encouraged by the City as a matter of City policy, such as, for example, those involving housing, education, legislation or government administration;

(8) invitation to attendance at a public affair of an organization composed of representatives of business, labor, professions, news media or organizations of a civic, charitable or community nature, when invited by the sponsoring organization;

(9) invitation to attendance by a public servant who is an elected official, a member of the elected official's staff authorized by the elected official, or a member of the central staff for the council authorized by the speaker of the council at a function given by an organization composed of representatives of business, labor, professions, news media or organizations of a civic, charitable or community nature, when invited by the sponsoring organization;

(10) travel-related expenses from a private entity which is offered or given as a gift to the City rather than to the public servant, so long as: (i) the trip is for a City purpose and therefore could properly be paid for with City funds; (ii) the travel arrangements are appropriate for that purpose; and (iii) the trip is no longer than reasonably necessary to accomplish the business which is its purpose;

(d) Nothing in this section shall be deemed to authorize a person required to be listed on a statement of registration pursuant to §3-213(c)(1) of the Administrative Code to offer or give a gift to any public servant in violation of any other applicable federal, state or local law, rule or regulation, including but not limited to the New York State Lobbying Act.

53 RCNY 2-01

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 2 PROCEDURAL RULES FOR HEARINGS*

§2-01 Initial Determination.

(a) **Notice.** If the Board makes an initial determination, based on a complaint, investigation, or other information available to the Board, that there is probable cause to believe that a public servant (which for purposes of Charter §2603(h) includes a former1 public servant) has violated a provision of Chapter 68 of the City Charter, the Board shall notify the public servant of its determination in writing. The notice shall contain a statement of the facts upon which the Board relied for its determination of probable cause and a statement of the provisions of law allegedly violated. The notice shall afford the public servant an opportunity, either orally or in writing, to respond to, explain, rebut, or provide information concerning the allegations in such notice within fifteen days of service of the notice. The notice shall also inform the public servant of his or her right to be represented by counsel or any other person, and shall include a copy of the Board's procedural rules. A notice of initial determination shall not be required in a proceeding brought pursuant to §12-110 of the Administrative Code.

(b) **Request for a Stay.** In response to the Board's notice, the public servant may apply to the Board for a stay of the proceedings, for good cause shown. The Board may grant or deny such request in its sole discretion.

(c) **Admission of Facts.** If, in response to the Board's notice, the public servant admits to the facts contained therein or to a violation of the provisions of Chapter 68 of the City Charter and elects to forgo a hearing, the Board may, after consulting with the head of the agency served or formerly served by the public servant, or, in the case of an agency head, after consulting with the Mayor, issue an order finding a violation and imposing the penalties it deems appropriate under Chapter 68 of the City Charter, provided, however, that pursuant to Charter §2603(h)(3), the Board shall not impose penalties against members of the City Council, or public servants employed by the City Council or by members of the City Council, but may recommend to the City Council such penalties as the Board deems appropriate. When a

penalty is recommended, the City Council shall report to the Board what action was taken.

(d) **No Probable Cause Finding.** If, after receipt of the public servant's response, the Board determines that there is no probable cause to believe that a violation has occurred, the Board shall dismiss the matter and inform the public servant in writing of its decision.

CASE AND ADMINISTRATIVE NOTES

¶ 1. A non-incumbent candidate for City Council is not a "public servant," and therefore service of adjudication notices on the candidate is governed not by this section but by OATH's rule, 48 RCNY §1-23(b). Conflicts of Interest Board v. Two City Council Candidates, OATH Index Nos. 902-03/93 (July 7, 1993).

FOOTNOTES

1

[Footnote 1]: * Chapter 2 added City Record Aug. 5, 1991 eff. Sept. 4, 1991. Note Statement of Basis and Purpose: Pursuant to the authority vested in the Conflicts of Interest Board (the Board) by §2603(h) of the New York City Charter, the Board is authorized to promulgate procedural rules for conducting adjudicatory hearings. Such hearings are to be held following the Board's determination that there is probable cause to believe that a public servant has violated a provision of the Conflicts of Interest Law (City Charter Chapter 68) or the financial disclosure law (Administrative Code §12-110). The rules proposed herein provide that the hearings shall be conducted by the Board or by the Office of Administrative Trials and Hearings, designated by the Board.

Chapter 2 amended City Record Feb. 6, 1996 eff. Mar. 7, 1996. Note further provisions:

Although the Conflicts of Interest Board's (the "Board's") procedural rules for hearings have worked well since their adoption in 1991, several problems have arisen with respect to those rules that need to be addressed, particularly in view of the Board's substantially increased enforcement efforts. The amendments address those problems.

The hearing process may be divided into four stages:

(1) The Board's initial determination of probable cause to believe that the respondent has violated the conflicts of interest law (Chapter 68 of the New York City Charter) or the financial disclosure law (Section 12-110 of the Administrative Code) and the respondent's response;

(2) Service of a petition, which commences the formal proceedings, and the respondent's answer;

(3) The hearing; and

(4) The decision and order of the Board.

The first four sections of the Board's hearing rules address each of these stages. The fifth section of the Board's hearing rules currently addresses only confidentiality but is amended to regulate miscellaneous matters

that are relevant throughout the hearing process, such as service of papers.

The amendments effect eight primary changes in the Board's hearing rules:

(1) Elimination of probable cause notices in financial disclosure litigation;

(2) Elimination of the requirement for certified mail service, except for petitions (the jurisdiction-obtaining document that commences an enforcement proceeding) when they are served by first class mail, and expansion of the methods for serving Board documents to allow all methods of service permitted by the CPLR;

(3) Clarification of which rules apply to hearings before OATH and which apply to hearings before the Board or before a Board member;

(4) Clarification of the requirement that only the hearing officer may issue subpoenas in Chapter 68 or Section 12-110 hearings;

(5) Clarification of the procedures for disposing of a case by agreement;

(6) Authorization of ex parte communications between the enforcement attorney and the Board in certain circumstances;

(7) Reorganization of the rules; and

(8) Certain technical amendments, such as measuring deadlines from time of service instead of from time of receipt.

Each of these changes is discussed below.

Probable cause notices. Through complaints, through referrals from the Department of Investigation and other City agencies, and through the Board's own initiatives, the Board becomes aware of conduct that might violate Chapter 68. If upon examining that conduct the Board makes an initial determination that there is probable cause to believe that the public servant has violated a provision of Chapter 68, the Board must notify the public servant of that determination in writing. The notice must contain a statement of the facts upon which the Board relied for its determination and a statement of the provisions of law allegedly violated. Charter §2603(h)(1); current Board rules §2-01(a).

The financial disclosure law contains no such requirement for probable cause notices in financial disclosure litigation. Indeed, such notices have little use in such litigation, where the sole issue is whether the official filed his or her financial disclosure report (or paid his or her late fine). In addition, as a result of the large number of financial disclosure cases, the requirement of a probable cause notice imposes a substantial and unnecessary burden upon the Board's staff. For these reasons, the amendments eliminate the requirement of probable cause notices in cases arising under the financial disclosure law. See amended Board rule §2-01.

Certified mail. The current Board rules require that the Board serve notices, petitions, orders, and other documents both by first class mail and either by personal service or by certified mail, return receipt requested, or by fax. Current Board rules §2-01(e). Except for petitions, which formally commence the enforcement proceeding, no reason exists for requiring that every Board document be served twice. Such a requirement is wasteful and, particularly in financial disclosure litigation, imposes a significant burden upon the Board's staff, which currently spends substantial time simply filling out forms for certified mail. Furthermore, any method of service permissible under the Civil Practice Law and Rules ("CPLR") in civil litigation should also be permissible in Board proceedings. Accordingly, the amended rule eliminates the dual service requirement, except for petitions served by mail rather than by other methods of service, and expands the methods of service

to include those permitted by the CPLR. For these purposes, the amended rule treats petitions like summonses and other Board documents like interlocutory papers. Amended Board rule §2-05(c), (d).

Applicable rules in hearings. The current Board rules are vague as to which rules apply to hearings conducted by the Board or a Board member and which apply to hearings conducted by the Office of Administrative Trials and Hearings ("OATH") at the Board's request. For example, the current provisions regulating dispositions by agreement, although set forth in the subdivision dealing with Board hearings, would appear also to apply to hearings held before OATH. See current Board rules §2-03(b)(3). The amendments clarify these matters and also clarify that hearings may be conducted by an individual Board member designated by the Board. See amended Board rule §2-03.

Subpoenas. The current Board rules provide that, where the Board hears the case, only the Board may issue a subpoena. The amended rules require that subpoenas be issued by a member of the Board, where the Board or a Board member is hearing the case, or by an administrative law judge, where OATH is hearing the case. See amended Board rule §2-03(b).

Dispositions by agreement. The amended rule clarifies a number of matters relating to the disposition of a proceeding by agreement between the responent and the Board. See amended Board rule §2-05(h). For example, the current rule suggests that a disposition by agreement must await service of a petition (which formally commences the proceeding), even in a Chapter 68 case, although in many instances the Board may be able favorably to dispose of a case by agreement after service of the probable cause notice. The current rule also suggests that an individual Board member may dispose of a case by agreement with the respondent, when in fact only the Board itself may dispose of a case.

The amended rule also introduces certain safeguards, based on OATH's rules, to prevent the appearance of bias as a result of settlement conferences, where the Board or a Board member is hearing the case. See amended Board rule §§2-03(d)(2), 2-05(h). The amended rule adopts the requirements of the OATH rules that offers of disposition are confidential and inadmissible at trial. Finally, the current rule appears to confuse a disposition by agreement and a determination by the Board that a violation of law has occurred. The Board may make such a determination of violation only after a hearing or respondent's default on a hearing or respondent's admission in response to the Board's notice of probable cause. See Charter §2603(h)(3). After consultation with the respondent's agency head, the Board then issues an order of violation imposing or recommending penalties. A disposition by agreement, on the other hand, is an agreement between the Board and the respondent and does not involve any hearing or any determination by the Board that a violation of law has occurred. These matters have been clarified in the amended rule.

Ex parte communications. Current Board rule §2-03(b)(5) prohibits ex parte communications between the prosecuting attorney and the Board once the Board "has determined that there is probable cause to believe that a violation of the provisions of Chapter 68 has occurred." That rule contains at least two defects. First, it is unclear whether "determined" refers to the initial determination of probable cause or the sustaining of probable cause. Second, the rule has proven unnecessarily cumbersome and an impediment to disposition of cases by agreement. The amended rule clarifies that the prohibition against ex parte communications comes into play once the petition is served, that the prohibition only applies to communications concerning the merits of the case, and that ex parte communications are permitted on ministerial matters, in an emergency, or with the consent of the respondent. Amended Board rule §2-05(g).

Reorganization of rules. The current Board hearing rules contain provisions of general application within rules governing specific matters. For example, the provisions on service of documents and computation of time are contained in the rule on the initial determination of probable cause. Current Board rule §2-01(e), (f). The provisions on disposition by agreement and ex parte communications are set out in the rule on hearings. Current Board rule §2-03(b)(3), (b)(5). The amended rule collects these provisions that address matters dealing with

Board proceedings generally into Board rule §2-05, which currently addresses only confidentiality. The rule on hearings is also reorganized. See amended rule §2-03. Specifically, that amended rule is divided into four subdivisions: conduct of hearings generally, subpoenas, conduct of hearings by OATH, and conduct of hearings by the Board or a Board member. The provisions of the current rule §2-03 are incorporated into the appropriate subdivision in the amended rule.

Technical amendments. The Board's rules are clarified by a number of technical amendments, including:

· Measuring time periods in all cases from the service of a document (amended rule §§2-01(a), 2-02(c)(1), 2-04(a));

· Setting out a provision, modelled on CPLR 2103(b)(2), for uniform extensions of time to serve documents in response to documents served by mail (amended Board rule §2-05(e));

· Clarifying that leave for permission to amend a pleading may be granted by the person or entity conducting the hearing (amended Board rule §2-02(d)) (this change was proposed by the Board during the commenting period);

· Deleting unnecessary cross-references to the OATH rules (current Board rule §§2-03(a)(1)-(3), (b)(1), (5));

· Clarifying that Board consultation with an agency head is not required in financial disclosure cases, only in Chapter 68 cases (amended Board rule §2-04(b));

· Establishing procedures, based on OATH's rules, for appearances and substitution of counsel (amended Board rule §2-05(a), (b));

· Changing "legal holiday" to "public holiday" to conform to General Construction Law §24 and changing the provision on extensions of time where a deadline falls on a non-business day to conform to General Construction Law §25-a (amended Board rule §2-05(e)); and

· Specifying that OATH's rules yield to a contrary Board rule (amended Board rule §2-05(i)).

The foregoing amendments to the Board hearing rules should streamline and substantially aid the Board in its enforcement efforts.

Rules of the City of New York

***** Current through December 2009 ****

53 RCNY 2-02

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 2 PROCEDURAL RULES FOR HEARINGS*

§2-02 Commencement of Formal Proceedings and Pleadings.

(a) **Determination of Probable Cause.** If, after consideration of the public servant's response, the Board determines that there remains probable cause to believe that a violation of the provisions of Chapter 68 of the City Charter has occurred, and the public servant has not elected to forgo the hearing, the Board shall hold or direct a hearing to be held on the record to determine whether such violation has occurred.

If the public servant is subject to the jurisdiction of a state law provision or collective bargaining agreement which provides for the conduct of a disciplinary hearing by another body, the Board shall refer the matter to the appropriate entity. The hearing shall be conducted in accordance with the rules of that entity.

The Board may also refer a matter to the public servant's agency if the Board deems the violation to be minor or if other disciplinary charges are pending there against the public servant.

(b) **Petition.** The Board shall institute formal proceedings by serving a petition on the public servant. The petition shall set forth the facts which, if proved, would constitute a violation of Chapter 68 of the City Charter or Section 12-110 of the Administrative Code, as well as the applicable provisions thereof which are alleged to have been violated. The petition shall also advise the public servant of the public servant's rights to file an answer, to a hearing, to be represented at such hearing by counsel or any other person, and to cross-examine witnesses and present evidence.

(c) **Answer.** (1) **General Rule.** The public servant shall answer the petition by serving an answer on the Board within eight days after service of the petition, unless a different time is fixed by the Board. The public servant shall serve the answer personally or by certified or registered mail, return receipt requested.

(2) **Form and Contents of Answer.** The answer shall be in writing and shall contain specific responses, by admission, denial, or otherwise, to each allegation of the petition and shall assert all affirmative defenses, if any. The public servant may include in the answer matters in mitigation. The answer shall be signed and shall contain the full name, address, and telephone number of the public servant. If the public servant is represented, the representative's name, address, and telephone number shall also appear on the answer, which shall be signed by either the public servant or by his or her representative.

(3) **Effect of Failure to Answer.** If the public servant fails to serve an answer, all allegations of the petition shall be deemed admitted and the Board shall proceed to hold a hearing in which prosecuting counsel shall submit for the record an offer of proof establishing the factual basis on which the Board may issue an order. If the public servant fails to respond specifically to any allegation or charge in the petition, such allegation or charge shall be deemed admitted.

(d) **Amendment of Pleadings.** Pleadings shall be amended as promptly as possible upon conditions just to all parties. If a pleading is to be amended less than twenty-five days before the commencement of the hearing, the amendment may be made only on consent of the parties or by leave of the Board, if the Board is conducting the hearing, or by leave of a Board member or Administrative Law Judge, if the Board member or Administrative Law Judge is conducting the hearing.

Section added City Record Aug. 5, 1991 eff. Sept. 4, 1991.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Pursuant to paragraph (c) of this section, a respondent's failure to answer the petition constitutes an admission of all of the allegations of the petition. Conflicts of Interest Board v. Sixty-Two City Employees, OATH Index Nos. 593/94, et al. (Apr. 8, 1994).

¶ 2. Pursuant to paragraph (c)(3) of this section, a respondent's failure to answer the petition constitutes an admission of all of the allegations of the petition. **Conflicts of Interest Board v. Ten Public Servants,** OATH Index Nos. 1352/95, **et al.** (June 12, 1995).

¶ 3. Pursuant to this rule, if a public servant fails to answer a petition, the allegations of the petition shall be deemed to be admitted and the prosecuting attorney is only required to submit an offer of proof establishing the factual basis on which the Board may issue an order. **Conflicts of Interest Bd. v. Three Public Servants,** OATH Index Nos. 361, 366, 371/04 (Nov. 6, 2003).

Rules of the City of New York

***** Current through December 2009 ****

53 RCNY 2-03

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 2 PROCEDURAL RULES FOR HEARINGS*

§2-03 Hearing.

(a) **Conduct of Hearings Generally.** Hearings shall be conducted by the Board or, upon designation by the Board, by a member of the Board or the Chief Administrative Law Judge of the Office of Administrative Trials and Hearings (OATH), or such administrative law judge (ALJ) as the Chief Administrative Law Judge shall assign.

(b) **Subpoenas.** Subpoenas requiring the attendance of a witness and subpoenas duces tecum requiring the production of books, papers, and other things may be issued only by (i) the Administrative Law Judge, where the hearing has been referred to OATH, or (ii) a member of the Board, where the hearing is conducted by the Board or by a member of the Board, upon application of a party or upon the Administrative Law Judge's or the Board member's own motion. In addition to or in lieu of these subpoenas, the Administrative Law Judge or the Board member may also issue an order directing the party or person under the control of a party to attend or produce.

(c) **Conduct of Hearings by OATH.** If the Board refers a hearing to OATH, a copy of the petition shall also be sent to OATH at the time the public servant is served with the petition. OATH shall conduct the hearing in accordance with its rules, as set forth in Title 48 of the Rules of the City of New York, except as otherwise provided by these rules.

(d) **Conduct of Hearings by the Board or by a Board Member.** (1) **Generally.** The Board may hear a case or may designate a member of the Board to hear a case, make findings of fact and conclusions of law, preside over pre-hearing matters and adjournments, and make recommendations to the Board for the proposed disposition of the proceeding. When a hearing is conducted by the Board, the hearing shall be presided over by the Board's Chair or by his or her designee. The Board or Board member shall conduct the hearing, including such pre-hearing matters as conferences, discovery, and motion practice, in conformance with the rules and procedures of OATH, as set forth in

Title 48 of the Rules of the City of New York, except as otherwise provided by these rules.

(2) **Disposition Conferences and Agreements.** If disposition of the proceeding is to be discussed at a conference, the Board shall designate an individual, other than a Board member participating in the hearing, to conduct the conference. During disposition discussions, upon notice to the parties, the person conducting the conference may confer with each party and/or representative separately. Board members shall not be called to testify in any proceeding concerning statements made at a disposition conference.

(3) **Order of Proceedings.** Prosecuting counsel shall have the burden of proof by the preponderance of the evidence, shall initiate the presentation of evidence, and may present rebuttal evidence. The public servant may introduce evidence after prosecuting counsel has completed his or her case. Opening statements, if any, shall be made first by prosecuting counsel. Closing statements, if any, shall be made first by the public servant. This order of proceedings may be modified at the discretion of the Board or Board member.

HISTORICAL NOTE

Section amended City Record Feb. 6, 1996 eff. Mar. 7, 1996. [See T53 Chapter 2 footnote]

Section added City Record Aug. 5, 1991 eff. Sept. 4, 1991.

Rules of the City of New York

***** Current through December 2009 ****

53 RCNY 2-04

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 2 PROCEDURAL RULES FOR HEARINGS*

§2-04 Decisions and Orders.

(a) **Report to the Board.** When a hearing has been conducted by either OATH or a member of the Board designated to hear the case, a report of recommended findings of fact and conclusions of law and recommendations for the disposition of the proceeding shall be issued and forwarded, along with the original transcript of the proceeding and all documents introduced into the record, to the Board for review and final action. The report shall not be made public. A copy of the report and recommendation shall be sent to all parties and their counsel or other representative in order to afford them the opportunity to comment before final action is taken by the Board. If prosecuting counsel or the public servant wishes to comment, he or she shall do so within ten days of service of the report and recommendation.

(b) **Finding of Violation.** If after the hearing and upon a consideration of all the evidence in the record of hearing, including comments, the Board finds that a public servant has engaged in conduct prohibited by Chapter 68 of the City Charter, the Board shall consult with the head of the agency served or formerly served by the public servant, or in the case of an agency head, consult with the Mayor. Where the Board finds a violation of Chapter 68 or Section 12-110 of the Administrative Code, the Board shall state its final findings of fact and conclusions of law and issue an order imposing any penalties it deems appropriate under either statute. The order shall include notice of the public servant's right to appeal to the New York State Supreme Court. Alternatively, in the case of a violation of Chapter 68, the Board may state its findings and conclusions and recommend a penalty, if any, to the head of the agency served by the public servant or former public servant or, in the case of an agency head or former agency head, to the Mayor. Pursuant to Charter §2604(h)(3), the Board shall not impose penalties against members of the City Council, or public servants employed by the City Council or by members of the City Council, but may state its findings and conclusions and recommend to the City Council such penalties as the Board deems appropriate. When a penalty is recommended, the

head of the agency, Mayor, or City Council shall report to the Board what action was taken.

(c) **Consultation by Agency.** In instances where the Board does not hold a hearing and instead refers a matter to the public servant's agency, that agency shall consult with the Board prior to issuing its final decision.

(d) **Dismissals.** If, after the hearing and upon consideration of the record, the Board finds that a public servant has not engaged in acts prohibited by Chapter 68 of the City Charter or Section 12-110 of the Administrative Code, the Board shall state its findings of facts and conclusions of law and shall issue an order dismissing the petition. The order shall not be made public.

CASE NOTES

¶ 1. A post-hearing motion requesting the ALJ to increase a fine imposed on a City employee who filed a financial form and intentionally failed to pay the late filing fee was denied. Under 48 RCNY § 1-52, OATH does not have jurisdiction to consider post-hearing motions. Under section 2-04 of this title, counsel's arguments could be forwarded to the Conflict of Interest Board for consideration. **Conflicts of Interest Bd. v. Diaz-Irizarry,** OATH Index No. 2406/00, mem. dec. (June 15, 2001).

Rules of the City of New York

***** Current through December 2009 ****

53 RCNY 2-05

RULES OF THE CITY OF NEW YORK

Title 53 Conflicts of Interest Board

CHAPTER 2 PROCEDURAL RULES FOR HEARINGS*

§2-05 General Matters.

(a) **Appearances before the Board.** (1) A party may appear before the Board in person, by an attorney, or by a duly authorized representative. The person appearing for the party shall file a notice of appearance with the Board. The filing of any papers by an attorney or other representative who has not previously appeared shall constitute the filing of a notice of appearance by that person and shall conform to the requirements of paragraphs (2) and (4) of this subdivision.

(2) The appearance of a member in good standing of the bar of a court of general jurisdiction of any state or territory of the United States shall be indicated by the suffix "Esq." and the designation "Attorney for (person represented)." The appearance of any other person shall be indicated by the designation "Representative for (person repre- sented)."

(3) Absent extraordinary circumstances, no application shall be made or argued by any attorney or other representative who has not filed a notice of appearance.

(4) A person may not file a notice of appearance on behalf of a party unless the person has been retained by that party to represent the party before the Board. Filing a notice of appearance constitutes a representation that the person appearing has been so retained.

(b) **Withdrawal and Substitution of Counsel.** (1) An attorney who has filed a notice of appearance shall not withdraw from representation without the permission of the Board, upon application. Withdrawals shall not be granted unless upon consent of the client or when other cause exists, as delineated in the applicable provisions of the Code of

Professional Responsibility.

(2) Notices of substitution of counsel served and filed more than twenty days prior to a hearing before the Board or before a member of the Board may be filed without leave of the Board or Board member. Notices of substitution of counsel served and filed less than twenty-one days prior to a hearing before the Board or before a member of the Board may be filed only with the permission of the Board or Board member, which permission shall be freely given, absent prejudice or substantial delay of the proceedings.

(c) **Service of Petition by Board.** A petition shall be served on the public servant (i) in the manner provided in §312-a, or subdivisions 1, 2, or 4 of §308, of the New York Civil Practice Law and Rules for service of a summons or (ii) by both certified mail, return receipt requested, and first class mail to the public servant's last known residence or actual place of business or (iii) in such manner as the Board directs, if service is impracticable under paragraphs (i) and (ii) of this subdivision, or (iv) in any manner agreed upon by counsel to the Board and the public servant or his or her representative.

(d) **Service of Other Documents by Board.** Notices, orders, and all other documents, except petitions and subpoenas, originating with the Board shall be served on the public servant (i) by personal delivery to the public servant or (ii) by first class mail to the public servant's last known residence or actual place of business or (iii) by overnight delivery service to the public servant's last known residence or actual place of business or (iv) by telephonic facsimile (FAX) or similar transmission or (v) by leaving the paper at the public servant's last known residence with a person of suitable age and discretion or (vi) in such manner as the Board directs, if service is impracticable under paragraphs (i), (ii), (iii), (iv), or (v) of this subdivision, or (vii) in any manner agreed upon by counsel to the Board and the public servant or his or her representative. Where the public servant has appeared by a representative, all papers served by the Board subsequent to that appearance shall be served upon the representative by one of the methods provided in paragraphs (i)-(vii) of this subdivision.

(e) **Computation of Time.** The computation of any time period referred to in these rules shall be calculated in calendar days, except that when the last day of the time period is a Saturday, Sunday, or public holiday, the period shall run until the end of the next following business day. Where a period of time prescribed by the rules set forth in this chapter is measured from the service of a paper and service of that paper is made in the manner provided by paragraph (ii) of subdivision (a) or paragraph (ii) of subdivision (b) of this section, five days shall be added to the prescribed period.

(f) **Confidentiality.** All matters relating to complaints submitted to or inquired into by the Board, or any action taken by the Board in connection therewith or hearings conducted by the Board or OATH, shall be kept confidential unless the public servant waives confidentiality and the Board determines that confidentiality is not otherwise required. Hearings conducted by the Board or by OATH shall be public if requested by the public servant. Final findings, conclusions, and orders issued upon a violation of Chapter 68 shall be made public.

(g) **Ex Parte Communications with Board.** (1) After service of the petition in a case, counsel conducting the prosecution of the case on behalf of the Board shall not communicate ex parte with any member of the Board concerning the merits of the case, except as provided in paragraph (2) of this subdivision.

(2) Counsel conducting the prosecution of a case on behalf of the Board may communicate ex parte with the Board, or any member thereof, with respect to ministerial matters involving the case or on consent of the respondent or respondent's counsel or in an emergency.

(h) **Disposition by Agreement.** At any time after the service of a notice of probable cause in a proceeding brought pursuant to Chapter 68 or at any time after service of a petition in a proceeding brought pursuant to §12-110 of the Administrative Code, the public servant and the Board may agree to dispose of the case by agreement. For this purpose, the Board or any Board member designated by the Board may conduct a disposition conference, provided that, when the

Board or a member of the Board conducts or is to conduct the hearing, the Board shall comply with the requirements of §2-03(d)(2). All offers of disposition, whether made at a conference, hearing, or otherwise, shall be confidential and shall be inadmissible at trial of any case. If a disposition by agreement is reached, it shall be reduced to writing and signed by the public servant or his or her representative and the Board or, in the discretion of the Board, placed on the record. When a disposition by agreement contains an acknowledgment that a public servant's conduct has violated a provision of Chapter 68 of the City Charter or §12-110 of the Administrative Code, that disposition by agreement shall be made public by the Board.

(i) **OATH Rules.** In the event of any inconsistency between these rules and the rules of the Office of Administrative Trials and Hearings, these rules shall govern.

HISTORICAL NOTE

Section amended City Record Feb. 6, 1996 eff. Mar. 7, 1996. [See T53 Chapter 2 footnote]

Section added City Record Aug. 5, 1991 eff. Sept. 4, 1991.

CASE NOTES

¶ 1. Failure to comply with subsection (c) of this section did not deprive the Board or OATH of jurisdiction where it was clear respondent had actual notice of the petition. **Conflicts of Interest Bd. v. Pentangelo**, Conflicts of Interest Bd. Case No. 99-026 (July 13, 2007), **adopting,** OATH Index No. 422/07 (Mar. 8, 2007).

¶ 2. Absent agreement by respondent's attorney to accept service of the petition on behalf of his/her client, subdivision (c) of this section does not permit the Board to serve the petition on respondent's attorney. Where, however, respondent received timely actual notice of the petition that was served upon his attorney, any irregularity in the manner of service was harmless and provided no basis to dismiss the petition. **Conflicts of Interest Bd. v. Pentangelo**, OATH Index No. 422/07 (Mar. 8, 2007), **adopted**, Conflicts of Interest Bd. Case No. 99-026 (July 13, 2007).

¶ 3. Provision in subdivision (d) for service of papers upon party's attorney after attorney has appeared in the case does not apply to service of the petition. **Conflicts of Interest Bd. v. Pentangelo**, OATH Index No. 422/07 (Mar. 8, 2007), **adopted**, Conflicts of Interest Bd. Case No. 99-026 (July 13, 2007).

§1-02 Definitions.

The following words and phrases as used in these Rules and Regulations shall have the following meaning:

Authorized individual. An "authorized individual" is any police officer, peace officer, special patrolman, city official or any individual designated by the Deputy Commissioner of the Division of Facilities Management and Construction Services or the head of an occupant agency to exercise authority in the management, operation and utilization of property.

Deputy Commissioner. The "Deputy Commissioner" is the Deputy Commissioner of the Division of Facilities Management and Construction Services.

Occupant agency. An "occupant agency" is any agency of the City of New York which occupies or possesses any part of property under the control of the Division of Facilities Management and Construction Services.

Property. "Property" is any real estate which is owned, leased or operated by the City of New York or any agency thereof, which is under the control of the Division of Facilities Management and Construction Services.

Section in original publication July 1, 1991.

NOTE

1. Statement of Basis and Purpose in City Record Mar. 3, 1998:

New York City Charter ("Charter") Section 811 authorizes the Commissioner of the Department of Citywide Administrative Services to perform all the functions and operations of the City relating to the maintenance and care of

public buildings and facilities. Pursuant to these powers, the Department has promulgated rules regulating behavior on City property under its control. This amendment allows the Department to expel and ban any person who violates the prohibition on private soliciting, vending and debt collection on such City property without the prior approval of the Department. The amendment facilitates the performance of the Department in its maintenance and operation of City property.

CHAPTER 3 FEES

§3-01 Fees.

(a) The fees charged by the Division of Real Property fall into the following categories:

(I) Lease application fee charged for the processing of lease applications.

(II) Title closing mortgage fees for preparation and processing of various documents used in connection with the auctioning and sale of real property by DRP.

(III) Test boring license fees.

(IV) Carnarsie cemetery fees for a certificate of burial right, perpetual care, annual care, foundation charges, interment and other services.

(V) Redemption of properties taken In Rem - management Fees.

(b) The fee schedule below lists each of these categories separately. All fees, unless otherwise specifically provided, shall be paid by certified cashier's check or postal order payable to the order of the Division of Real Property.

Category I-Lease application fee-$25

Category II-Title closings & mortgage fees for non-residential properties sold by City

Fee

(i)	Duplicate document (e.g. mortgage, deed)	$250
(ii)	Preparation of purchase Money mortgage and mortgage note Mortgage amount	
	Up to $40,000	$125
	$40,001-$100,000	$250
	Over $100,000	$500
(iii)	Preparation of other purchase money Mortgage related documents (assignments, satisfactions, subordinations and assumptions of the purchase money mortgage)	$150/per document
(iv)	Attendance of DRP employees at locations other than DRP office of execute transactions	$250 for each day or part thereof for each employee
(v)	Nonrefundable mortgage application fee	1% of maximum mortgage available, but not less than $300, nor more than $5,000
(vi)	Auctioneer's fee due from purchaser at the auction and payable by check drawn to order of auctioneer identified at time of sale,	

Purchase Price	Fee
$1,000 or less	$ 10
$1,001 to $5,000	$ 25
$5,001 to $7,500	$ 35
$7,501 to $25,000	$ 50
$25,001 to $50,000	$ 75
$50,001 to $75,000	$100
$75,001 to $100,000	$150
$100,001 to $200,000	$200
Above $200,000	.1% of the purchase price, but in no event greater than $500

(vii)	Assignment of purchaser's right Under memorandum of sale	$150.00
(viii)	Assignment of contract within 7 days of sale	$ 0
	Between 8 and 14 days from sale	$100.00
	After 14 days from sale	Not Allowed

Category III-Test Boring License fee

Public and Quasi Public Agencies	$ 1.00
All Other Applicants	$350.00

Category IV-Carnarsie Cemetery

Schedule of Prices Certificate of Burial Right

A certificate of burial right grants the privilege of interment or entombment in a specified grave or plot. Each grave measures 3 feet by 9 feet. Two interments may be in each grave in the traditional area and three in each grave in the park area. Each plot in the urn gardens measures 2 feet by 2 feet and permits the interment of several urns. Prices of certificates of burial rights are as follows:

[See tabular material in printed version]

Category V-Redemption of properties taken In Rem-Management fees

(i) Seven (7%) percent of all rents billed during the period of management by the City (from the date vesting through the date of release); or Twenty-Five ($25.00) Dollars per month, or fraction thereof, during the period of management by the City; whichever is greater.

(ii) Vacant property, deriving no income, is to be charged the minimum fee of Twenty-Five ($25.00) Dollars per month, or fraction thereof, during the period of management by the City.

Note: The Twenty-Five ($25.00) Dollar fee is to be applied to each lot within the "property"only if the lots are not contiguous.

HISTORICAL NOTE

Section in original publication July 1, 1991.

Subds. (a), (b) amended City Record May 15, 1992 eff. June 14, 1992.

Subd. (b) Category III deleted and added City Record Nov. 15, 1999 eff. Dec. 15, 1999. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Nov. 15, 1999:

New York City Charter, §824, authorizes the Commissioner of the Department of Citywide Administrative Services to manage and dispose of commercial real property of the City not used for public purposes. Such management and disposition entails a number of tasks including granting licenses to purchasers of such real property to enable them to enter upon the property to take test boring samples prior to closing of title. Previously DCAS has charged a flat rate of $350 to all applicants for test boring licenses. It has been determined that amending the fee schedule to charge a nominal fee of $1.00 to applicants which are public or quasi-public agencies would better serve public policy by not imposing an undue burden on publicly funded institutions engaged in acquisition of real property.

55 RCNY 5-01

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 5 DISPOSITION OF PERSONAL PROPERTY

§5-01 Disposition of Personal Property of the City.

(a) Personal property may be disposed of by the Division of Municipal Supplies by public or private sale or as otherwise authorized by law or regulation.

(1) The prior approval of the Comptroller is not required on a sale of personal property where such sale is to the highest responsible bidder at public auction or after receipt of sealed bids after advertisement in at least ten successive issues of The City Record. A bidder may be disqualified in accordance with applicable laws and regulations.

(2) If the estimated sales value of the personal property is $5,000 or less, the Division of Municipal Supply Services may make requests for offers, if possible, to at least three persons, firms or corporations separately engaged in the regular business of selling and buying materials of the class offered. All bids from other bidders shall be duly considered in making an award. Award of such informal sale, if any, must be made to the highest responsible bidder. However, no such award shall be valid without the prior approval of the comptroller. The total amount of such informal sales of the same class of materials shall not exceed $5,000 within a thirty-day period. The classification of materials of "the same class" shall be as determined by the commissioner and approved by the comptroller. Such classification shall be filed in the Division of Municipal Supply Services and the Office of the Comptroller and shall be effective upon publication in the City Record.

(3) When no bid or acceptable bid is received on an advertised sale, the Commissioner may waive the advertising requirements in an informal re-bid. Such sale on an informal re-bid shall be made only with the approval of the Comptroller. The Commissioner shall issue a certificate in writing that no acceptable bid was received when the proposal was originally advertised. Such certificate shall be filed in the Division of Municipal Supplies and with the

Comptroller.

(4) Personal property may be given to a vendor in part payment on a contract at public letting to furnish new personal property at the lowest net price.

(5) Personal property may be sold at private sale without public notice, at no less than the value fixed by the Division of Municipal Supplies subject to the approval of the Comptroller.

(6) Personal property may be transferred between the various City agencies by order of the Commissioner.

(7) All materials, supplies and equipment which the Commissioner considers of no sale value or use to the City may be destroyed or otherwise disposed of in the most advantageous manner under the direction of the Commissioner. This provision shall not apply to public records until their destruction or other disposition has been duly authorized in accordance with applicable law or regulation.

(8) Notwithstanding any of the foregoing, property classified by the commissioner as "memorabilia" may be disposed of in the best interests of the city by public, private, wholesale or retail sale under the direction of the commissioner without the prior approval of the comptroller. "Memorabilia" is defined as surplus or obsolete personal property, excluding aircraft, watercraft and land vehicles, not exceeding an estimated per-unit sale value of $5,000, which by reason of its use by the city has historic, aesthetic, novelty or sentimental value in excess of the property's salvage value. In addition to a wholesale or retail price not exceeding an estimated per-unit sale value of $5,000, the commissioner is authorized to negotiate in the best interests of the city to obtain additional income from the disposition of "memorabilia".

HISTORICAL NOTE

Section in original publication July 1, 1991.

Subd. (a) par (2) amended City Record Nov. 21, 2003 eff. Dec. 21, 2003. [See Note 2]

Subd. (a) par (8) amended City Record Nov. 21, 2003 eff. Dec. 21, 2003. [SeeNote 2]

Subd. (a) par (8) added City Record May 4, 1999 eff. June 3, 1999. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record May 4, 1999:

New York City Charter Section 823 authorizes the Commissioner of the Department of Citywide Administrative Services to promulgate rules concerning the disposition of personal property. Current procedures for the disposition of surplus and obsolete property require the Department of Citywide Administrative Services to dispose of such property inefficiently and without maximizing the revenue received for surplus with historic, aesthetic, novelty or sentimental value greater than the property's salvage value. Adoption of this amendment facilitates the performance of the Department in the disposal of surplus property that has historic, aesthetic, novelty or sentimental value by allowing the Department to dispose of such property efficiently and in a manner which maximizes the revenue obtained from such disposal.

2. Statement of Basis and Purpose in City Record Nov. 21, 2003: New York City Charter Section 823 authorizes the commissioner of the Department of Citywide Administrative Services to promulgate rules concerning the disposition of personal property. Current rules allow for the disposition of personal property with an estimated sales value of $2,500 or less through an informal sale. Moreover, "memorabilia" is currently defined as surplus or obsolete personal property excluding aircraft, watercraft and land vehicles, not exceeding an estimated per-unit sale value of $2,500 which by reason of its use by the city has historic, aesthetic, novelty or sentimental value in excess of the

property's salvage value. This amendment increases the respective estimated sales values to not exceed $5,000 to expedite dispositions of personal property with relatively small value and, further, allows the Department to realize additional revenue from its disposition of "memorabilia".

55 RCNY 6-01

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 6 "ORIGINAL EQUIPMENT MANUFACTURER AGREEMENTS" FOR PURPOSES OF THE CITY'S ANTI-APARTHEID LAW

§6-01 Definitions.

For purposes of the City's anti-apartheid rider, included in City contracts pursuant to Administrative Code Section 6-115*1 whenever the contractor has agreed to sign the rider, a company shall be deemed to be providing goods or services to South Africa pursuant to an "original equipment manufacturer agreement which provides for or authorizes the sale of equipment, alone or as part of a finished product, to a South African entity" in accordance with the following definitions:

(a) "Company #1" includes the company which seeks to enter a contract with a City agency, and is determining whether it is qualified to sign the City's anti-apartheid rider, and all "affiliates" of that company, as that term is defined in Administrative Code Section 6-115(a)(8).*

(b) "Sale" includes lease or rental of equipment.

(c) An "original equipment manufacturer agreement" ("O.E.M. agreement") is an agreement between a manufacturer (Company #1) and another manufacturer, a distributor, or a value-added reseller (Company #2), such that Company #1 provides products (which may include parts, components and/or subassemblies) and authorizes the sale of such products by Company #2 under any of the following circumstances:

(1) Company #1 makes a sale of its equipment to Company #2, which, with or without making minor modifications to the equipment, privately labels and sells it. An example would be an O.E.M. agreement whereby Company #2 purchases a copier from Company #1, and resells it as a copier under its own brand name, with or without

having first made minor modifications to the copier's packaging.

(2) Company #1 makes a sale of its equipment to Company #2, which provides substantial added value to Company #1's product before selling it. Company #2's added value may be major application software and/or special hardware integrated into the product. Examples include:

(i) an O.E.M. agreement whereby Company #2 adds banking application software to Company #1's personal computer, marketing the resulting product as a banking teller station under Company #2's brand name.

(ii) an O.E.M. agreement whereby Company #2 embeds a subassembly purchased from Company #1, such as a disk drive or a telecommunications multiplexor, into Company #2's computer system, and then sells that computer system under its own brand name.

(iii) Company #1 makes a sale to Company #2, which resells Company #1's product with Company #1's name still intact on the product. An example would be an O.E.M. agreement whereby Company #2 sells Company #1's word processor and licensed software as an authorized dealer (exclusive or non-exclusive) of Company #1.

(d) An O.E.M. agreement for equipment sold by a manufacturer of computers, copiers or telecommunications equipment is considered to "provide for or authorize the sale of such equipment, alone or as part of a finished product, to a South African entity" if any of the following conditions is met:

(1) The O.E.M. agreement states that Company #2 may sell equipment made by Company #1 (with or without modification by Company #2) in South Africa.

(2) The equipment covered by the agreement (as sold by Company #1 or after modification by Company #2, if any is made) falls under one of the designated classifications government by the Export Administration Act of 1979 (50 U.S.C. App. Section 2401) and the associated federal regulations for Electronics and Precision Instruments (15 C.F.R. Section 799.1, Supp. 1, Group 5), such that Company #1 knows of the resale or distribution of the equipment to South Africa by Company #2 and assists Company #2 in procuring required governmental authorizations for such resale or distribution.

(3) Company #1 has actual knowledge of resale or distribution of the equipment to South Africa by Company #2 and has not either terminated its contractual arrangement with Company #2 concerning such equipment or otherwise prohibited Company #2 from making further resale or distribution of Company #1's equipment to South Africa.

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 7 CANARSIE CEMETERY RULES AND REGULATIONS

§7-01 Definitions.

Annual Care. The term "Annual Care" means care provided by the cemetery on a year-by-year basis upon payment of an annual fee by or on behalf of a Plot Holder.

Burial Grounds. The term "Burial Grounds" means any burial ground which formerly was the public property of any town, village or city consolidated into and now a part of the City of New York.

Burial Right. The term "Burial Right" means only the privilege of interment or entombment in the cemetery. It does not convey an ownership of land or other interest in the grave, or plot to which it refers.

Care. The term "Care" means the cutting of the grass on plots at reasonable intervals, the raking and cleaning of the plots and the maintaining of the grade and turf of the plots; meaning and intending the general preservation of the plots to the end that said plots shall remain and be reasonably cared for as cemetery plots. The term "Care" shall in no case be construed to mean the maintenance, repair or replacement of any gravestones or monumental structures or flowers or ornamental plants; nor the maintenance or doing of any special or unusual work in the cemetery; nor does it mean the reconstruction of any marble, granite, bronze or concrete work on any section or plot, or any portion or portions thereof in the cemetery or buildings, or structures, caused by the elements, an act of God, common enemy, thieves, vandals, strikers, malicious mischief makers, explosions, unavoidable accidents, invasions, insurrections, riots or by order of the military authorities, whether the damage be direct or collateral, other than as herein provided.

Cemetery. The term "Cemetery" means the Canarsie Cemetery (Block 8038, Lot 1; Block 8038, Lot 10; Block 8039, Lot 1; Block 8041, Lot 1; and Block 8041, Lot 2: Borough of Brooklyn), a former town Burial Ground within the

meaning of §100.01 of these Rules and Regulations.

Certificate of Burial Right. The term "Certificate of Burial Right" means a document granting only the privilege of interment and entombment as defined above and not to be construed as a deed to the land itself.

Commissioner. The term "Commissioner" means the Deputy Commissioner of the Department of Citywide Administrative Services, Division of Real Estate Services, or authorized representative designated in writing by the Commissioner or his/her successor in office.

Domestic Partner. The term "Domestic Partner" means a person who has registered a domestic partnership in accordance with applicable law with the City Clerk, or has registered such a partnership with the former City Department of Personnel pursuant to Executive Order 123 (dated August 7, 1989) during the period August 7, 1989 through January 7, 1993. (The records of domestic partnerships registered at the former City Department of Personnel are to be transferred to the City Clerk.)

Grave. The term "Grave" means a space of ground (approximately three feet by nine feet) in the Cemetery used or intended to be used for the burial of human remains.

Interment. The term "Interment" means the permanent disposition of the remains of a deceased person by entombment or burial.

Memorial. The term "Memorial" means a monument, marker, tombstone, tablet, headstone or private mausoleum or tomb for family or individual use.

Park Area. The term "Park Area" means a landscaped area and includes Sections 3, 4, 5, 11 and 12 of the cemetery.

Perpetual Care. The term "Perpetual Care" means care provided by the cemetery forever upon payment of a one-time fee by or on behalf of a plot holder.

Plot. The term "Plot" means a lot, plot, plat or part thereof or a grave in the Cemetery.

Plot Holder. The term "Plot Holder" means any person having a burial right in a plot in the cemetery.

Traditional Area. The term "Traditional Area" means Sections A, B, C, 1, 6, 7, 8, 9, 10 and 14 of the Cemetery.

Urn Gardens. The term "Urn Gardens" means that portion of the cemetery set aside for the burial of cremated remains.

Visitor. The term "Visitor" means any person who may enter the former town burial grounds or cemetery grounds and includes plot holders and workers of all kinds.

HISTORICAL NOTE

Section in original publication July 1, 1991.

Domestic partner definition added City Record Aug. 31, 1998 eff. Sept. 30, 1998. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Aug. 31, 1998:

Mayoral Executive Orders spanning the past two administrations have established several rights and procedures relative to domestic partnerships, including a procedure for City residents to register their domestic partnerships in the

office of the City Clerk. Such orders have further provided, among other things, that (i) registered domestic partners are eligible for visitation rights in City hospitals and correction facilities; (ii) City employees with registered domestic partnerships are eligible for child care leave and bereavement leave on the same basis as those benefits are afforded to employees with regard to their spouses; and (iii) registered domestic partnership is evidence of the right to succession to tenancy rights in facilities operated by the New York City Housing Authority and the Department of Housing Preservation and Development. By the end of April, 1998, there were approximately 8,700 couples registered as domestic partners in New York City. More than 55 percent of those registered domestic partners who reported demographic information were heterosexual couples, and less than 45 percent were same sex couples. Almost forty percent of registered domestic partnerships have accessed City health benefits available to partners of City employees and retirees.

Consistent with the intent of such orders and the authority of the Commissioner of Citywide Administrative Services pursuant to New York City Charter §814(c) and Administrative Code §4-117, the Department is now acting to provide that rules applicable to spouses, as specified herein, should now be extended to domestic partners and/or children of domestic partners. These amendments will define domestic partner as a person who has registered a domestic partnership with the City Clerk; will grant the right to be buried with a domestic partner in the Canarsie Cemetery; and will allow eligibility for special examination or refund of fees for certain candidates for civil service and license examinations in the event of the death of a domestic partner and/or child of a domestic partner within one week prior to the date the test was originally held.

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 7 CANARSIE CEMETERY RULES AND REGULATIONS

§7-02 Purchase of Burial Rights.

(a) All persons wishing to purchase burial rights in the cemetery must execute applications provided for that purpose.

(b) The Commissioner reserves the right to refuse to accept any application form which is either incomplete or improperly executed. The Commissioner further reserves the right not to honor an application when it is learned that the application has been fraudulently completed or if information found therein is found to be incorrect. The Commissioner reserves the right to limit the number of burial rights purchased by any individual, association or corporation.

(c) Acceptance of payment along with the application should not be deemed an automatic granting of Burial Rights. Burial rights do not vest until a fully executed certificate of burial right is issued to the applicant.

(d) The purchase after January 19, 1949 of burial rights includes perpetual care.

(e) It shall be the obligation of the plot holder to notify the cemetery of any change in his/her post office address. Notice sent to a plot holder by ordinary mail at the last address of record at the cemetery shall be considered sufficient and proper notification.

55 RCNY 7-03

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 7 CANARSIE CEMETERY RULES AND REGULATIONS

§7-03 Interments.

(a) Interment privileges can be received only from the plot holders, and no persons can be recognized as plot holders unless their names appear as such upon the records of the cemetery.

(b) The Commissioner reserves the right to refuse Interments in any Plot and to refuse to open any burial space for any purpose, except by court order or on written application by the plot holder or by the person designated to represent the plot holder.

(c) All Interments, disinterments or removals, including all openings and closings of Graves shall be made only by cemetery personnel.

(d) All funerals, upon entering the cemetery grounds shall be under the charge of the superintendent and/or his/her assistant.

(e) Once a casket containing a body is within the confines of the cemetery grounds, no funeral director or his/her embalmer, assistant, employee or agent shall be permitted to open the casket or touch the body without the consent of a legal representative of the deceased, or without an order of a court of competent jurisdiction.

(f) The right is reserved by the Commissioner to insist upon at least 48 hours notice prior to any interment, and to at least one week's notice prior to any disinterment or removal.

(g) When instructions regarding the location of an interment space in a plot cannot be obtained, or are indefinite, or

when for any reason the interment space cannot be opened when specified, the superintendent of the cemetery may, in his/her discretion, open it in such a location in the plot as he/she deems best and proper, so as not to delay the funeral; and the cemetery shall not be liable in damages for such action or for any error so made; nor shall the cemetery be held responsible for any order given over the telephone, or for any mistake occurring from the lack of precise and proper instructions as to the particular plot space, size and location where interment is desired.

(h) The cemetery shall in no way be liable for any delay in the interment of a body where a protest to the interment has been made, or where the Rules and Regulations have not been complied with; and, further, the superintendent of the cemetery reserves the right, under such circumstances, to place the body in a City receiving vault until the full rights have been determined. The cemetery shall be under no duty to recognize any protests of Interments unless they are in writing and duly filed with the cemetery.

(i) The cemetery shall not be liable for the interment permit nor for the identity of the person sought to be interred; nor shall the cemetery be liable in any way for the embalming of the body.

(j) Where a plot is owned by a church, lodge or other society, interments shall be limited to those actually authorized by such church, lodge, etc.

(k) No interment shall be permitted in any plot so long as there are any outstanding charges due the cemetery with respect to that plot or any other plot head by the plot holder.

(l) There shall be no interments on weekends and legal holidays.

(m) No interments shall be begun after 3:30 p.m.

(n) No more than two interments shall be permitted in each grave in the traditional area and no more than three interments shall be permitted in each grave in the park area.

(o) No disinterment or removal shall be allowed except for a good reason and with the written permission of the Commissioner, the written authorization of the plot holder and nearest of kin, and all permits required by law.

(p) The cemetery shall exercise the utmost care in making a removal, but it shall assume no liability for damage to any casket, burial case or urn incurred in making the removal.

(q) The cemetery reserves the right to correct any errors that may be made by it either in making disinterments or removals, or in the description, transfer or sale and substituting and selling in lieu thereof another burial right of equal value and similar location as far as possible, or as may be selected by the cemetery, or in the sole discretion of the cemetery, in allowing for a request to the Comptroller of the City of New York for a refund of the money paid on account of said Burial Right purchase. The cemetery shall also have the right to correct any error made by placing an improper inscription, including an incorrect name or date on any memorial. The cemetery shall not be liable in damages for any such errors.

(r) The cemetery shall not be deemed in default nor shall it be liable for any failure of performance event or any damages resulting from an "unavoidable delay." An "unavoidable delay" shall mean (1) strikes, lockouts, or labor disputes; (2) acts of God, governmental restrictions, regulations or controls, enemy or hostile governmental actions, civil commotion, insurrection, revolution, sabotage or fire or other casualty or other conditions similar to those enumerated in this section.

CHAPTER 7 CANARSIE CEMETERY RULES AND REGULATIONS

§7-04 Plot Usage and Maintenance.

(a) All plots shall be used as a place of burial for the dead or the remains of deceased persons and for no other purpose whatever.

(b) All grading, landscaping work and improvements of any kind shall be under the direction of and subject to the consent, satisfaction and approval of the Commissioner.

(c) Cemetery personnel may at any time enter upon a plot to keep it neat, to cut grass and to remove weeds, wilted flowers and debris, but nothing herein contained shall obligate the cemetery to render any such service without compensation therefor.

(d) Floral frames, when removed from a plot, unless specific instructions are given to the contrary by those lawfully entitled to them may be disposed of by the cemetery superintendent in any manner he/she sees fit.

(e) No plants, trees, shrubs or grave coverings, or other decorations may be introduced into any plot without the written consent of the Commissioner, and no plants, trees, shrubs or other covering growing within a plot or border shall be cut down or destroyed without the consent of the Commissioner.

(f) Mounds and shrubs are prohibited in the park area and in section 2 of the cemetery.

(g) Artificial flowers and plants are prohibited.

(h) In the event annual care charges have not been paid for five successive years, any empty graves or plots for

which these charges remain unpaid shall be deemed abandoned, all rights therein shall be deemed terminated, and burial rights therein may be granted by the cemetery to others.

55 RCNY 7-05

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 7 CANARSIE CEMETERY RULES AND REGULATIONS

§7-05 Memorials.

(a) No memorial shall be placed on any plot except by the plot holder or his/her authorized representative.

(b) Designs, plans and specifications for proposed memorials, or other improvements must be submitted on written application, signed by the plot holder. Written approval of the Commissioner is required before work can be begun. The foundation work is to be done at the expense of the plot holder or his/her representatives, heirs or assignees. Foundations shall be of concrete.

(c) Memorial dealers shall abide by these Rules and Regulations. Violations of any such Rule or Regulation by any producer or retail dealer may be cause for disapproval by the Commissioner of such producer or retailer.

(d) All memorials are to be constructed of natural stone. No artificial stone of any description is permitted.

(e) Should any memorial become unsightly, dilapidated or a menace to visitors, the superintendent of the cemetery shall have the right, at the expense of the plot holder, either to correct the condition or to remove the memorial, if after due notice to the plot holder, sent by registered mail, the plot holder fails to take proper steps to remedy the conditions, within a reasonable time, not exceeding thirty days.

(f) Enclosures, fences, copings, benches and vases are not permitted unless approved by the Commissioner.

(g) While a funeral or interment is being conducted, all work of any description which is near enough to disturb, either by noise or otherwise, shall cease. No work will be permitted on Saturdays, Sundays or legal holidays. All

deliveries shall be made at the cemetery prior to 4:00 p.m. on weekdays.

(h) No memorials are allowed in the park area and urn gardens, except for markers flush with the ground.

(i) Memorials in section 2 of the cemetery are limited to two feet wide, by two feet high, by one foot thick.

(j) No memorial or foundation shall be constructed on any plot so long as there are any outstanding charges due the cemetery with respect to that plot or any other plot held by the plot holder.

CHAPTER 7 CANARSIE CEMETERY RULES AND REGULATIONS

§7-06 Mausoleum.

(a) No mausoleum shall be constructed without prior written approval of the Commissioner. No such approval shall be granted until satisfactory design plans and construction contracts have been submitted to the Commissioner.

(b) The plot holder shall make, at his/her own expense, a survey; provide and pay for his/her own contractor to excavate and construct the mausoleum foundation; and have his/her contractor provide the cemetery with a guarantee that only first grade materials will be used; that it will be executed in first grade workmanship; and should fault develop within five years due to setting, treatment or handling, the required repairs or replacements will be made by the contractor without cost to the cemetery. Unless such guarantee in writing is furnished the Commissioner, approval for construction of a mausoleum cannot be had. Foundations must be at least six feet below grade.

(c) The plot holder must provide for perpetual care and maintenance of a mausoleum by payment to the cemetery of fifteen percent of the total cost of the structure within thirty days of completion of construction.

(d) Only substantially non-corrosive metals of approved permanency shall be permitted for mausoleum or memorial fixtures, such as doors, window grilles, statutary, etc.

(e) Care and maintenance of mausoleums shall include cleaning the interiors and stained glass; cleaning and oiling bronze work unless otherwise requested; repainting and cleaning the exterior stone where and when necessary; and repairing damage caused by wear and tear.

(f) In the event the mausoleum, due to any reason, is badly damaged in the opinion of the Commissioner, he/she

shall request the Estate of the deceased or the plot holder restore the mausoleum to a condition satisfactory to the Commissioner. If these repairs are not made within a reasonable time, not to exceed sixty days, the Commissioner reserves the right to remove the remaining mausoleum and inter the bodies in the plot over which the mausoleum had been constructed.

55 RCNY 7-07

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 7 CANARSIE CEMETERY RULES AND REGULATIONS

§7-07 Inheritance of Burial Right.

(a) In the event of the death of the owner of a burial right any and all privileges (rights) of the plot holder shall pass to the plot holder's family as set forth in the following sections.

(b) The surviving spouse or surviving domestic partner of the owner of the certificate of burial right of record has the right to be buried with his/her spouse or domestic partner. This right may be waived at any time but terminates with burial elsewhere.

(c) Where burial privileges in the grave or plot are held in the name of one person only:

(1) The rights of interment in the plot may be disposed of by specific bequest in a will, subject to the vested right of interment of the surviving spouse, but not by residuary clause. The specific bequest must mention the section, the lot and grave number of the plot.

(2) If the owner of the certificate of burial right shall have filed notarized instructions at the cemetery office as to which member or members of his/her family shall succeed to the privileges (rights) of the plot, said instructions shall be recognized by the Commissioner and will be followed if in the judgment of the Commissioner such instructions are definite, reasonable and practicable, subject, however, to a vested right of interment of the surviving spouse.

(3) If no valid or sufficient written instructions shall have been filed with the Commissioner, or if valid and sufficient instructions are in conflict with a later will, and the owner of the certificate of burial right has left instructions in said will, duly admitted to probate in a court having jurisdiction thereof, subject, however, to a vested right of

interment of a surviving spouse, such instructions shall control, provided they are not in conflict with cemetery rules and regulations then in force and providing the Commissioner has been furnished with a certified copy of the same.

(4) In the absence of valid and sufficient instructions filed with the commissioner by the owner of the certificate of burial right or a duly probated will, the privileges (rights) of interment shall devolve upon those entitled to succeed thereto by the intestate laws of the State of New York keeping in mind the vested right of interment of the surviving spouse or surviving domestic partner.

(d) Where the certificate of burial right is registered with the Commissioner in the name of more than one person the privileges (rights) of the interment follow as above for the deceased co-owners.

(e) When no one included in the classification set forth above is living, burial rights will have terminated.

(f) Any person acquiring the privileges (rights) of a plot holder by inheritance must also accept any and all liabilities associated with the plot, including, in the case of a plot covered by annual care, any arrearages and all future annual care charges.

(g) Notwithstanding the above provisions of this section, it shall be the obligation of the supervising spouse or surviving domestic partner and/or heirs to claim ownership of a burial right upon the death of a plot holder. In the event that the commissioner is not notified in writing of a claim to a burial right within five years of the death of the plot holder, such burial right shall terminate with respect to any empty grave covered by the deceased plot holder's certificate of burial.

(h) Any person(s) claiming inheritance of a burial right must furnish the Commissioner a copy of the will of the deceased plot holder duly certified by the court in which the will was admitted to probate. In the event that the deceased plot holder left no will, the claimant(s) must furnish to the Commissioner a notarized affidavit from the executor of the decedent's estate stating that the claimant(s) is (are) the beneficiary(ies) of the burial right or other proof of inheritance satisfactory to the Commissioner in his sole discretion. Additionally, all claims must be documented on the cemetery's official claim of inheritance of right of burial form.

§7-08 Transfer of Burial Right.

(a) No burial right may be sold, transferred, exchanged, or otherwise disposed of without the written consent of the Commissioner on the cemetery's official transfer of right of burial form.

(b) No burial right with respect to a grave in which an interment has been made may be sold, transferred, exchanged, or otherwise disposed of, except to a family member.

(c) If a plot holder wishes to sell, transfer, exchange or otherwise dispose of to a person other than a family member a burial right with respect to an empty grave, the cemetery may, at the option of the Commissioner, repurchase the burial right for the price originally paid by the plot holder, less any outstanding charges due the cemetery by the plot holder.

(d) No burial right may be sold, transferred, exchanged or otherwise disposed of so long as there are any outstanding charges due the cemetery by the plot holder with respect to the burial right in question or any other burial right held by the plot holder.

(e) No sale, transfer, exchange, or other disposition of a burial right in a plot covered by annual care will be permitted unless the transferee purchases a perpetual care contract for the plot.

CHAPTER 7 CANARSIE CEMETERY RULES AND REGULATIONS

§7-09 Visitors and Others.

(a) All persons disturbing the quiet and good order of the cemetery by noise or other improper conduct will be compelled instantly to leave the grounds. cemetery personnel will exclude from cemetery grounds any persons it deems improper and will disperse any improper assemblages in the cemetery.

(b) The cemetery gates will be open seven days a week from 8:30 a.m. to 4:00 p.m.

(c) No children under the age of 18 will be admitted unless accompanied by an adult.

(d) No truck, cart or business wagon will be allowed to enter the gates, unless on business.

(e) Admittance will not be granted to persons on bicycles.

(f) All persons are strictly forbidden to pluck or carry flowers, either wild or cultivated, out of the cemetery without written permit from the office.

(g) All solicitations of any kind whatever are strictly prohibited on the cemetery grounds.

(h) No money shall be paid to any person in the employ of the cemetery in reward for any personal service or attention.

(i) Motor vehicles shall be admitted only on permit from the cemetery office. The speed limit for vehicles within the cemetery grounds is fifteen miles per hour. Vehicles shall not park or come to a full stop in front of any open grave

unless they are in attendance at a funeral.

(j) Dogs brought into the cemetery must be kept on leash.

(k) No firearms or guns of any kind shall be brought into the cemetery except with the express permission of the superintendent.

(l) The superintendent reserves the right to compel any person or persons lawfully upon a plot, to temporarily withdraw from same whenever, in the judgment of the superintendent, their presence would interfere with the orderly conduct of funeral services upon a plot in the near vicinity.

(m) No person or persons, other than cemetery employees, shall be permitted to bring food or refreshments into the cemetery grounds.

(n) All workers while on the cemetery grounds shall be subject to the orders of the superintendent of the cemetery. They shall immediately cease work when he/she so orders them to do so, if, in his/her opinion, the carrying on of the work would interfere with the orderly conduct of a funeral service or an interment.

(o) Except when necessary to cross another plot to reach the plot being visited, all persons within the cemetery grounds shall use only the roads, avenues, walks and paths established and maintained by the cemetery.

CHAPTER 8 CONTRACTS FOR THE PURCHASE OF PRODUCTS CONTAINING SECONDARY MATERIAL AND MINIMUM SECONDARY MATERIAL CONTENT STANDARDS FOR THE PURCHASE OF ESTABLISHING PRICE PREFERENCE ELIGIBILITY

§8-01 Purpose.

New York City's Recycling Law, which is codified as §16-301 et seq of the Administrative Code of the City of New York encourages the use of "secondary materials" in the manufacture of products purchased by DMSS for use by various city agencies and departments. A mechanism authorized by the Recycling Law to achieve the goal of purchasing products made from secondary materials is the authority to award a contract pursuant to a "price preference." Simply stated, the City is given the discretion to determine that the public interest will be served by awarding contracts for the purchase of specified products to other than the lowest responsive and responsible bidder provided that the product contains a mandated "minimum amount of secondary material" and that the price is within the specified percentage of the price bid by the lowest responsive and responsible bidder.

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 8 CONTRACTS FOR THE PURCHASE OF PRODUCTS CONTAINING SECONDARY MATERIAL AND MINIMUM SECONDARY MATERIAL CONTENT STANDARDS FOR THE PURCHASE OF ESTABLISHING PRICE PREFERENCE ELIGIBILITY

§8-02 Definitions.

Aggregate product purchase. "Aggregate product purchase" shall mean a procurement of products by DMSS which consists of a group or groups of products which are related to each other in one of the following ways:

(1) The products are manufactured by a single manufacturer and are purchased in the form of a price list which is a listing of items and their prices;

(2) The products are contained in a published catalog which is offered to DMSS at prices listed in the catalog or at a discount therefrom; or

(3) The products have been combined in a class for award to a single vendor based upon fiscal, operational or pricing advantages.

Commissioner. "Commissioner" shall mean the Commissioner of the Department of Citywide Administrative Services of the City of New York, or his or her designee.

Contract. "Contract" means a procurement by DMSS to purchase goods, the total value of which is in excess of $10,000 (or such other amount as the Procurement Policy Board Rules may hereafter establish as the ceiling below which the procurement is treated as a small purchase).

DMSS. "DMSS" means the Division of Municipal Supply Services of the Department of Citywide Administrative Services.

Minimum amount of secondary material. "Minimum amount of secondary material" means the secondary material content level established by these Rules as the minimum percentage required for a product to potentially qualify for a price preference in accordance with Administrative Code §16-322.

Post-consumer material. "Post-consumer material" means only those products generated by a business or a consumer which have served their intended end uses, and which have been separated or diverted from solid waste for the purposes of collection, recycling and disposition.

Procurement Policy Board Rules. "Procurement Policy Board Rules" means the regulations originally effective September 1, 1990 governing contracting by city agencies which are promulgated by the Procurement Policy Board of the City of New York as those rules may, from time to time, be amended.

Secondary material. "Secondary material" means any material recovered from or otherwise destined for the waste stream, including but not limited to, post-consumer material, industrial scrap material and overstock or obsolete inventories from distributors, wholesalers and other companies, but such term does not include those materials and by-products generated from and commonly reused within an original manufacturing process.

USEPA. "USEPA" means the United States Environmental Protection Agency.

CHAPTER 8 CONTRACTS FOR THE PURCHASE OF PRODUCTS CONTAINING SECONDARY MATERIAL AND MINIMUM SECONDARY MATERIAL CONTENT STANDARDS FOR THE PURCHASE OF ESTABLISHING PRICE PREFERENCE ELIGIBILITY

§8-03 Minimum Content Standards and Applicability of Price Preference.

(a) **Applicability of price preference.** In general, on a contract let by DMSS for the purchase of a product, a bidder shall be eligible for the price preference set forth in §16-322 of the Administrative Code for such product only if such bidder offers to supply such product manufactured with the minimum content of secondary material specified in these Rules.

(b) **Minimum content standards incorporated.** DMSS shall utilize the minimum content standards for secondary materials contained in the tables in subdivision (g) of this section to determine eligibility for the price preference set forth in §16-322 of the Administrative Code, provided, however, that, except as provided in subdivision (c) of this section, DMSS shall utilize all minimum content standards for secondary materials subsequently promulgated or amended by either USEPA or the New York State Department of Environmental Conservation (DEC), and if there is a conflict between USEPA and DEC standards, DMSS shall utilize the highest standard that it is permitted to utilize by §16-322 of the Administrative Code.

(c) **Minimum content standards for aggregate product purchases, multi-material products, and metals.** Except as provided by §16-322, notwithstanding any other provision of this section, the minimum content standard for the following products shall be zero:

(1) any product which DMSS purchases by means of an aggregate product purchase, except where such aggregate product purchase consists solely of products that are substantially manufactured from the same material, and for which

the same minimum content standard applies or identical numerical minimum content standards apply;

(2) any product that is not substantially manufactured from a single material; and

(3) metal products.

(d) **Recycled product purchases.** DMSS may restrict bids solely to products composed of specified minimum secondary material content levels. If the minimum secondary material content level specified by DMSS for such a bid is less than the minimum secondary material content standard for such product set forth in these Rules, a bidder may be eligible for a price preference if such bidder offers to provide such product with a level of secondary material content that is equal to or greater than the minimum content standard specified in these Rules.

(e) **Market stimulus bids.** Except for products for which DMSS is required to utilize a USEPA minimum content standard for secondary materials pursuant to Administrative Code §16-322, DMSS may stipulate that for a specific bid a price preference shall only be applicable to products which satisfy additional minimum content standards or higher minimum content standards than those set forth in these Rules, provided that DMSS first finds that such additional or higher standards are intended to stimulate the market for secondary materials.

(f) **Packaging.** Notwithstanding any other provision of this section, this section does not apply to packaging incidental to the product being purchased.

(g) **Tables.**

[See tabular material in printed version]

1. This table has been taken from 40 CFR §250.21. All terms in this USEPA standard are as defined in the regulations heretofore adopted by the USEPA, pursuant to 42 USC §6901 for paper products. The definitions for such terms are found at 40 CFR §250.4.

2. Waste paper is defined in §250.4 and refers to specified postconsumer and other recovered materials.

3. [US]EPA found insufficient production of these papers with recycled content to assure adequate competition.

(2) Additional Standards for Paper

Product	Minimum Percentage by Weight of Secondary Material Content	Minimum Percentage by weight of Post- Consumer Material Content
Paper for High Speed Copiers	50 percent	10 percent
Form bond including computer paper and carbonless	50 percent	10 percent

(3) Printing Contracts

The price preference is applicable solely to the paper portion of any printing contract. For purposes of establishing the size of the price preference, the paper portion of printing contracts shall be deemed to be 50 percent of the bid price. The minimum content standard for preference eligibility for the paper shall be that established for the type of paper specified in the Request for Bids.

[See tabular material in printed version]

Lubricating Oils[5]

For engine lubricating oils, hydraulic fluids, and gear oils, excluding marine and aviation oils, the minimum re-refined oil content shall be not less than 25 percent re-refined oil.

Plastics[6]

Minimum Percentage by Weight of Secondary Material Content	Minimum Percentage by Weight of Post-Consumer Material Content
50 percent	15 percent

Note-The minimum content standards are based on the weight of material (not volume) in the insulating core only.

4. This Table has been taken from 40 CFR §248.21(a)(4). All terms used in this standard are as defined in the regulations heretofore adopted by the USEPA, pursuant to 42 USC §6901 for building insulation products. The definitions for such terms are found at 40 CFR §248.4.

5. The source for this standard is found at 40 CFR §252.21(a)(12). Definitions for same are located at 40 CFR §252.4.

6. These standards have been derived from Table 1 located at 6 NYCRR §368.4(a). The definitions for the terms used in these standards may be found at 6 NYCRR §368.2.

Glass[6]

Minimum Percentage by Weight of Secondary Material Content	Minimum Percentage by Weight of Post-Consumer Material Content
50 percent	35 percent

Rubber[6]

Minimum Percentage by Weight of Secondary Material Content	Minimum Percentage by Weight of Post-Consumer Material Content
50 percent	25 percent

Solvents[6]

Minimum Percentage by Weight of Secondary Material Content	Minimum Percentage by Weight of Post-Consumer Material Content
75 percent	75 percent

6. These standards have been derived from Table 1 located at 6 NYCRR §368.4(a). The definitions for the terms used in these standards may be found at 6 NYCRR §368.2.

CHAPTER 8 CONTRACTS FOR THE PURCHASE OF PRODUCTS CONTAINING SECONDARY MATERIAL AND MINIMUM SECONDARY MATERIAL CONTENT STANDARDS FOR THE PURCHASE OF ESTABLISHING PRICE PREFERENCE ELIGIBILITY

§8-04 Implementation Procedure.

(a) To be eligible for a price preference, bidders must submit with their bids a written certification of the secondary material and post-consumer material content of such product.

(b) In the event that a bidder offers a product which at the time of bid submission is authorized by DEC, pursuant to 6 NYCRR Part 368 **et seq,** to use the New York State "Recycled" emblem in connection with the sale of such product in New York State, then such product shall be deemed to meet the standards for minimum secondary material content pursuant to these Rules, and the bidder, in lieu of the certification required by §8-04(a) above, may submit with its bid a copy of the DEC letter to the manufacturer authorizing the use of the "Recycled" emblem in connection with the sale of the particular product.

CHAPTER 8 CONTRACTS FOR THE PURCHASE OF PRODUCTS CONTAINING SECONDARY MATERIAL AND MINIMUM SECONDARY MATERIAL CONTENT STANDARDS FOR THE PURCHASE OF ESTABLISHING PRICE PREFERENCE ELIGIBILITY

§8-05 Miscellaneous.

(a) DMSS' specifications will encourage:

(1) the offering of products made with secondary materials;

(2) the offering of products manufactured with remanufactured components;

(3) the offering of products which are capable of utilizing products made with secondary materials or components that are remanufactured.

(b) DMSS will work with other government agencies and purchase from their existing contracts for products made with secondary materials or join with them in the cooperative purchase of such products.

(c) Requests for bids for aggregate product purchases and multi-material products will require that vendors identify products which are made wholly or partially with secondary materials. As appropriate, based upon considerations which include the amount of secondary material content and the volume of purchases by the City, such products may be separately bid or bid as a recycled product purchase or as a market stimulus bid.

(d) DMSS will encourage agencies wherever practicable to purchase retreaded tires from the DMSS requirements contract for such retreaded tires.

(e) DMSS will encourage agencies wherever practicable to purchase products made from post-consumer and other secondary materials.

FOOTNOTES

1

[Footnote 1]: * Chapter 9 repealed City Record July 13, 2000 §1, eff. Aug. 12, 2000. City Record Apr. 19, 2000 §1, eff. May 19, 2000. Chapter was replaced by new Chapter 10. Chapter 9 amended City Record Jan. 19, 2000 §1, eff. Feb. 18, 2000, See Note 2. Chapter 9 added City Record June 16, 1999 eff. July 16, 1999, See Note 1.

NOTE 1. Statement of Basis and Purpose in City Record June 16, 1999: City Hall is the site of many important government functions. People visit City Hall to call at the offices of their elected representatives, to observe and participate in public proceedings of the City Council, the City Planning Commission and other bodies, and to address their elected representatives. Officeholders and candidates for public office use the City Hall area for press conferences and similar events. City Hall is a significant historical site which draws visitors, and school children tour City Hall to learn about City government. In addition, people seek to express their views to elected officials and others by engaging in public assemblies or demonstrations in the City Hall area.

The use of the City Hall steps and sidewalk fronting City Hall for expressive activity must be considered in light of the significant governmental interest in providing for the safety and security of City Hall, the Mayor, other elected officials, people participating in public proceedings held at City Hall and other members of the public. Protecting the safety and security of the public and City Hall is the responsibility of the Police Department.

These procedures are intended to provide a framework for the Police Department to assure the safety and convenience of the public, the Mayor, members of the City Council and other elected officials.

After consideration of public and agency comments received and pursuant to §1043(d) of the Charter, the Department of Citywide Administrative Services has revised the rule to address comments which indicated confusion concerning the permit process for applications filed less than 2 business days prior to an event. To address such comments, subdivision b of §9-06 has been modified to indicate clearly that permit applications may be filed within 2 business days of a proposed event.

2. Statement of Basis and Purpose in City Record Jan. 19, 2000: City Hall is the site of many important government functions. People visit City Hall to call at the offices of their elected representatives, to observe and participate in public proceedings of the City Council, the City Planning Commission and other bodies, and to address their elected representatives. Officeholders and candidates for public office use the City Hall area for press conferences and similar events. City Hall is a significant historical site which draws visitors, and school children tour City Hall to learn about City government. In addition, people seek to express their views to elected officials and others by engaging in public assemblies or demonstrations in the City Hall area.

The use of the City Hall steps, sidewalk and plaza area fronting City Hall for expressive activity must be considered in light of the significant governmental interest in providing for the safety and security of City Hall, the Mayor, other elected officials, people participating in public proceedings held at City Hall and other members of the public. Protecting the safety and security of the public and City Hall is the responsibility of the Police Department.

These procedures are intended to provide a framework for the Police Department to assure the safety and convenience of the public, the Mayor, members of the City Council and other elected officials.

Officeholders and candidates for public office use the City Hall area for press conferences and similar events. City Hall is a significant historical site which draws visitors, and school children tour City Hall to learn about City government. In addition, people seek to express their views to elected officials and others by engaging in public assemblies or demonstrations in the City Hall area.

The use of the City Hall steps and sidewalk fronting City Hall for expressive activity must be considered in light of the significant governmental interest in providing for the safety and security of City Hall, the Mayor, other elected officials, people participating in public proceedings held at City Hall and other members of the public. Protecting the safety and security of the public and City Hall is the responsibility of the Police Department.

These procedures are intended to provide a framework for the Police Department to assure the safety and convenience of the public, the Mayor, members of the City Council and other elected officials.

After consideration of public and agency comments received and pursuant to §1043(d) of the Charter, the Department of Citywide Administrative Services has revised the rule to address comments which indicated confusion concerning the permit process for applications filed less than 2 business days prior to an event. To address such comments, subdivision b of §9-06 has been modified to indicate clearly that permit applications may be filed within 2 business days of a proposed event.

2. Statement of Basis and Purpose in City Record Jan. 19, 2000: City Hall is the site of many important government functions. People visit City Hall to call at the offices of their elected representatives, to observe and participate in public proceedings of the City Council, the City Planning Commission and other bodies, and to address their elected representatives. Officeholders and candidates for public office use the City Hall area for press conferences and similar events. City Hall is a significant historical site which draws visitors, and school children tour City Hall to learn about City government. In addition, people seek to express their views to elected officials and others by engaging in public assemblies or demonstrations in the City Hall area.

The use of the City Hall steps, sidewalk and plaza area fronting City Hall for expressive activity must be considered in light of the significant governmental interest in providing for the safety and security of City Hall, the Mayor, other elected officials, people participating in public proceedings held at City Hall and other members of the public. Protecting the safety and security of the public and City Hall is the responsibility of the Police Department.

These procedures are intended to provide a framework for the Police Department to assure the safety and convenience of the public, the Mayor, members of the City Council and other elected officials.

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 10* RULES FOR PRESS CONFERENCES, DEMONSTRATIONS AND SIMILAR ACTIVITIES IN THE IMMEDIATE VICINITY OF CITY HALL

§10-01 [Application.]

These procedures apply to press conferences, demonstrations, picketing, speechmaking, vigils and like forms of expressive conduct by participants or onlookers ("covered activities") on the steps, sidewalk and plaza area fronting City Hall. The "plaza area" consists of the1 bluestone-paved area bordered on the north by the sidewalk fronting City Hall, on the south by City Hall Park and to the east and west by cobblestone parking areas.

HISTORICAL NOTE

Section added City Record July 13, 2000 §2, eff. Aug. 12, 2000. [See Chapter 10 footnote]

Section added (as an emergency rule) City Record Apr. 19, 2000 §2, eff. May 19, 2000. [See Chapter 10 footnote]

DERIVATION

Section derived from former T55 §9-01.

CASE NOTES

¶ 1. A group provided housing services and advocacy on behalf of New York City residents who are HIV positive or have AIDS, challenged a permit which allowed it to stage a demonstration in City Hall Plaza but prohibited the use

of sound amplification devices. The court held that the City had statutory authority to ban sound amplification devices in demonstrations held in City Hall Plaza. However, the court held that the ban was unconstitutional under the First Amendment. The court said that in order to be valid, any regulation of speech had to be content neutral, and that the standards used for granting exceptions to the ban gave City officials impermissibly wide discretion, and thus were not content neutral. Housing Works v. Kerik, N.Y.L.J., Nov. 30, 2000, page 39, col. 1 (U.S. Dist. Ct, S.D.N.Y.).

FOOTNOTES

1

[Footnote 1]: * Chapter added City Record July 13, 2000 §2, eff. Aug. 12, 2000. [See Note 2] Chapter added (as an emergency rule) City Record Apr. 19, 2000 §2, eff. May 19, 2000. [See Note 1]

NOTE 1.Statement of Basis and Purpose in City Record Apr. 19, 2000: This emergency rule is promulgated pursuant to the authority of the Commissioner of the Department of Citywide Administrative Services under §§1043, 811, 822(a) of the New York City Charter. City Hall is the site of many important government functions. People visit City Hall to call at the offices of their elected representatives, to observe and participate in public proceedings of the City Council, the City Planning Commission and other bodies, and to address their elected representatives. Officeholders and candidates for public office use the City Hall area for press conferences and similar events. City Hall is a significant historical site which draws visitors, and school children tour City Hall to learn about City government. In addition, people seek to express their views to elected officials and others by engaging in public assemblies or demonstrations in the City Hall area.

The use of the City Hall steps, sidewalk and plaza for expressive activity must be considered in light of the significant governmental interest in providing for the safety and security of City Hall, the Mayor, other elected officials, people participating in public proceedings held at City Hall and other members of the public. Protecting the safety and security of the public and City Hall is the responsibility of the Police Department.

These procedures are intended to provide a framework for the Police Department to assure the safety and convenience of the public, the Mayor, members of the City Council and other elected officials.

FINDING OF IMMEDIATE THREAT IT IS HEREBY CERTIFIED that the immediate effectiveness of emergency rules governing activities in the immediate vicinity of City Hall is necessary to prevent an immediate threat to health, safety and property, that is, to the security of City Hall, elected officials, persons participating at public proceedings held at City Hall and other members of the public. I hereby make the following finding of immediate threat to health, safety and property necessary to establish that an emergency rulemaking is required in relation to the protection of health, safety and property.

The protection of security at City Hall is of vital importance to the public, as City Hall is the seat of municipal government and houses the operations of the Mayor, the City Council and other public employees. Likewise, City Hall is a significant location for those who seek to exercise their First Amendment rights and to petition their elected representatives. A duly promulgated permitting system for expressive activity in the immediate vicinity of City Hall was recently stayed by order of the federal district court. In the absence of a permitting system, the Police Department is unduly hampered in its ability to adequately protect City Hall, elected officials, members of the public and those who seek to participate in expressive activity in the area of City Hall. Pending the adoption of new rules in accordance with standard procedures of the City Administrative Procedures Act, it is necessary that the Police Department have in place procedures so that it may accept and act on permit applications for the use of the steps, sidewalk and plaza of City Hall for First Amendment activities. Therefore, at the Police Department's request, adoption of these new emergency rules is necessary to ensure that

such procedures are in place, and to protect against immediate threat to the safety and security of the seat of municipal government.

IT IS THEREFORE HEREBY CERTIFIED that the immediate effectiveness of a rule enabling the Police Department to adequately protect the safety and security of City Hall is necessary to address an immediate threat to health, safety and property. 2. Statement of Basis and Purpose in City Record July 13, 2000: This rule is promulgated pursuant to the authority of the Commissioner of the Department of Citywide Administrative Services under §§1043, 811, 822(a) of the New York City Charter. City Hall is the site of many important government functions. People visit City Hall to call at the offices of their elected representatives, to observe and participate in public proceedings of the City Council, the City Planning Commission and other bodies, and to address their elected representatives. Officeholders and candidates for public office use the City Hall area for press conferences and similar events. City Hall is a significant historical site which draws visitors, and school children tour City Hall to learn about City government. In addition, people seek to express their views to elected officials and others by engaging in public assemblies or demonstrations in the City Hall area.

The use of the City Hall steps, sidewalk and plaza for expressive activity must be considered in light of the significant governmental interest in providing for the safety and security of City Hall, the Mayor, other elected officials, people participating in public proceedings held at City Hall and other members of the Public. Protecting the safety and security of the public and City Hall is the responsibility of the Police Department.

These procedures are intended to provide a framework for the Police Department to assure the safety and convenience of the public, the Mayor, members of the City Council and other elected officials.

55 RCNY 10-06 [Permit

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 10* RULES FOR PRESS CONFERENCES, DEMONSTRATIONS AND SIMILAR ACTIVITIES IN THE IMMEDIATE VICINITY OF CITY HALL

§10-06 [Permit System; Administration.]

These procedures shall be administered by the Police Department, on behalf of the Department of Citywide Administrative Services and the Department of Parks and Recreation. In administering these procedures, the following permit system will apply:

a. Applicants shall submit fully executed permit applications in a form prescribed by the Police Department to a designated office or division of the Police Department, which will process applications in the order they are received. In the event that multiple applications are received for the same time period, permits will be considered in the order of receipt of fully executed applications.

b. Applications shall be granted or denied within 10 business days of the Police Department's receipt of the application. Applications filed within 10 business days of a proposed covered activity shall be processed as expeditiously as possible. In the case of applications made two business days or less before the proposed covered activity and in the absence of exigent circumstances which prevented the applicant from earlier seeking a permit, the application may be denied where the size or nature of the activity reasonably requires an additional police presence and there is insufficient time to make such presence available. In this event, the applicant will be informed of alternative locations or times for the covered activity.

c. Permits may be denied on the following grounds:

(i) A permit has previously been granted to another applicant for a covered activity for the date and time requested.

(ii) It reasonably appears that the covered activity will present a clear and present danger to the public safety, good order or health.

(iii) The application proposes activities which would be in violation of law or regulation.

(iv) An event enumerated in §10-02 was previously calendared for the same date and time.

(v) The Police Department determines that the proposed covered activity conflicts with security needs anticipated for the time and place of the proposed activity.

In the event that a permit is denied under paragraphs (i), (iv) or (v), the applicant will be informed of alternative locations or times available for the covered activity.

d. Covered activities are subject to the following additional limitations:

(i) Applicants for permits that are issued in error because an event enumerated in §10-02 had previously been calendared or a permit had previously been granted for another covered activity will be notified and provided with a reasonable opportunity to conduct the covered activity at an alternative location or an alternative time.

(ii) No permit will authorize the erection or placement of structures.

(iii) Permits shall authorize only one covered activity by one permit holder at a time.

(iv) Permits shall extend for a period of not more than three hours.

e. Permits may be revoked prior to the scheduled covered activity under the following circumstances: (i) unanticipated security needs or other exigent circumstances; or (ii) information comes to the attention of the Police Department which indicates that the proposed activity reasonably presents a clear and present danger to the public safety, good order or health. Revocations of previously granted permits which occur at least 10 days prior to the covered activity shall be made in writing.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Even though the statute does not contain an express provision regarding sound amplification devices, the Police Department's broad statutory authority to preserve public peace and safety in the vicinity of City Hall gives it the authority to regulate sound amplification devices. The court agreed that City Hall was a public forum which has long

been devoted to assembly and debate. The First Amendment protects the free use of such a public place for rallies of the sort conducted by Housing Works. The protection afforded such use, however is not absolute, because expressive activity, even in a public forum may interfere with other important activities for which the property is used. Thus, even in a public forum, the government may impose reasonable restrictions on the time, place or manner of protected speech, so long as the restrictions are justified without reference to the content of the regulated speech, they are narrowly tailored to serve a significant governmental interest, and that they leave open ample alternative channels for communication of the information. However, in order to avoid being struck down as giving government officials overly broad discretion, the regulations must contain narrow, objective and definite standards to guide the licensing authority. The policy here regarding amplified sound in City Hall Plaza, however, does not confer unfettered or unbridled discretion upon City officials. The policy provides that amplified sound may not be used in the City Hall Plaza except for those limited and celebratory occasions when City Hall is closed. The reason for the policy is that the noise level of amplified sound so close to City Hall is a distraction to the executive and legislative officials who work inside the building as well as to the members of the public who have business to transact there. The control of noise is a legitimate public concern. The court did not find the use of the special ticker tape parades, which have occurred only twelve times in the past 20 years, to be equivalent to content-based rules which have banned demonstrations or sound devices. They are designed to celebrate and recognize the kind of accomplishment and achievement that is recognized by all. Thus, the court held that the City's policy banning amplified sound in City Hall Plaza, except for the very occasional ticker-tape parades when City Hall is closed, provide on its face a sufficiently narrow, objective and definite standard to pass the "content neutral" requirement. It also said that the ban on sound devices advances the City's substantial interest in protecting its citizen from unwelcome noise. In terms of the "narrow tailoring" requirement, the evidence showed that only a complete ban would work and it was too difficult to try to regulate the decibel level once sound amp equipment was used. There were alternative areas of communication because there were many other areas in the City where sound amplification was permitted, including City Hall Park, adjacent to and south of the plaza. If Housing Works believes that it really has to be right in front of City Hall to convey its message, it can still do so, provided it does without sound amplification devices. Housing Works v. Kerik, 283 F.3d 471 (2d Cir. 2002).

55 RCNY 11-01

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 11 PERSONNEL PRACTICE AND PROCEDURE

§11-01 General Examination Regulations.

(a) **General provisions.**

(1) These regulations shall be applicable to all examinations conducted by the New York City Department of Citywide Administrative Services for positions in the competitive, non-competitive and labor classes. Before applying to take an examination, applicants should consult the Notice of Examination for the specific position for which they are applying and these General Examination Regulations. Applicants are responsible for knowledge of the contents of those documents, which are binding on all applicants. In addition, the Civil Service Law and the personnel rules and regulations of the City of New York apply to all examinations.

(2) All information concerning an examination, including these regulations, notices of examination, filing dates, test dates, and key answers are posted in the Application Section of the Department of Citywide Administrative Services at 18 Washington Street, N.Y., N.Y. 10004.

(b) **Applications.**

(1) Completed application forms and required fee may be submitted by mail only to the Applications Section of the Department of Citywide Administrative Services, unless otherwise provided in the Notice of Examination. Application forms submitted by mail must be properly stamped and addressed to "Applications Section, New York City Department of Citywide Administrative Services, 18 Washington Street, New York, N.Y. 10004," and must be received by the last date for receipt of applications specified in the Notice of Examinations.

(2) Except on legal holidays and unless otherwise stated in the Notice of Examination, the Applications Section of the Department of Citywide Administrative Services, 18 Washington Street is open from Monday to Friday, from 9 a.m. to 5 p.m. Application forms can be obtained without charge at the Applications Section during the application period specified in the Notice of Examination.

(3) A late application in a promotion examination shall be accepted if submitted by the employing agency personnel office as early as practicable prior to the day of the first test thereof if such late application includes a signed statement from his or her personnel officer that he or she was absent from employment because of vacation, sick leave, military duty, or other reason acceptable to the Department of Citywide Administrative Services, for a period of not less than one-half of the application period.

(4) The Department of Citywide Administrative Services assumes no responsibility for applications where:

(i) errors or mistakes are made therein by the applicant;

(ii) they are filed by mail;

(iii) they are not filed with the Department of Citywide Administrative Services or other agency designated by the Commissioner of Citywide Administrative Services to accept applications; or

(iv) they are not received on a timely basis.

(c) **Application fees.**

(1) An application fee, as required in the notice of examination, must be paid at the time of submitting the application for any civil service appointment and for any application for appointment without competitive examination including provisional and labor class appointments and transfers. The application fee will be based upon the minimum of the salary range of the title being sought:

Salary Category	Fee
Under $30,000	$30
30,000-34,999	$35
35,000-39,999	$40
40,000-44,999	$45
$45,000-49,999	$50
$50,000 & above	$60

(2) An application fee is not required of a New York City resident receiving public assistance from the New York City Department of Social Services. To have the fee waived, such applicant must submit a photocopy of a current Medicaid identification card.

In addition, the application fee may be waived, in the discretion of the Commissioner of Citywide Administrative Services, upon a showing of compelling circumstances.

(3) Unless otherwise required in the Notice of Examination, payment must be made with a money order made payable to the order of the New York City Department of Citywide Administrative Services. Applicants must write their Social Security number and the examination number, for which the application is being submitted, on the money order. Cash or checks will not be accepted, unless specified in the Notice of Examination.

(4) An applicant who was unable to take or complete an examination may apply for refund of the application fee by submitting a written request therefor to the Fiscal Division of the Department of Citywide Administrative Services within 30 days of the date of the first test in the examination at which he or she was unable to appear with verification that such absence was due to:

(i) compulsory attendance before a court or other public body or official having the power to compel attendance;

(ii) hospitalization;

(iii) a clear error or mistake for which the Department of Citywide Administrative Services is responsible.

(5) An applicant who was unable to take the first test in an open competitive examination because of active military service with the armed forces of the United States may apply for refund of the filing fee by submitting written request therefor with verification of such service not later than 60 days from the termination of military duty.

(d) **Test date and admission cards.**

(1) The tentative date of the first assembled test in an examination is stated in the Notice of Examination. The official test date will be given in the admission card sent to the applicant. The City assumes no responsibility for mail delivery. Applicants who do not receive an admission card at least 4 days prior to the tentative test date must appear at the Examining Service Division of the Department of Citywide Administrative Services, 2 Washington Street, 17th Floor, during normal business hours on one of the 4 days preceding the test date to obtain an admission card.

(2) A candidate who is found to be not qualified or not eligible for an examination or for whom the Department of Citywide Administrative Services has no record of receiving an application will not have his/her test scored.

(e) **Change of address.**

(1) A candidate in an examination whose address changes after s/he submits the application but prior to mailing of the notice of results, must promptly notify the Examining Service Division of the Department of Citywide Administrative Services in writing in the manner described in paragraph (3) of this subdivision.

(2) A candidate in an examination whose address changes after mailing of the notice of results and during the life of an eligible list upon which the candidate's name appears shall promptly notify the Certification Section of the Department of Citywide Administrative Services in writing in the manner described in paragraph (3) of this subdivision.

(3) A separate notification of a change of address should be submitted for each examination in which the person is a candidate or an eligible. Each submission must include the candidate's name, Social Security number, complete new address, the title of the examination and the examination number, and place on the eligible list, if applicable. For promotion examinations, include the name of the city agency by which the candidate is employed. Failure to furnish notification of a change of address may result in the loss of opportunity to compete in tests or loss of opportunity to appear for appointment interviews.

(f) **Citizenship.** (1) Any citizenship requirement will be set forth in the Notice of Examination. When citizenship is not required, non-citizens must be able to establish at the time of appointment and throughout the period of their employment that they are legally permitted to work in the United States.

(2) Under the Immigration Reform and Control Act of 1986, each candidate must be able to prove his/her identity and his/her right to obtain employment in the United States prior to employment with the City of New York.

(g) **Age.** Persons who have not reached their eighteenth birthday shall obtain employment certificates as required by law before appointment.

(h) **Residency.** §§12-120 and 12-121 of the Administrative Code of the City of New York require that any person who enters City service on or after September 1, 1986 shall be a resident of the City within 90 days after the date he or she enters City service and shall thereafter maintain city residence as a condition of employment. The Commissioner of Citywide Administrative Services may waive this requirement for positions which are hard to fill. In addition, certain positions are exempted by law.

(i) **Language.** Candidates must be able to understand and be understood in English. A qualifying English language oral will be given by the Department of Citywide Administrative Services to all candidates who, in the opinion of the appointing officer, do not meet this requirement.

(j) **Special testing services for disabled applicants.** (1) Any applicant who is disabled to the extent that he or she requires special accommodations to take an examination shall submit a written request for such accommodations, together with proof of disability as described below, to the Examining Service Section of the Department of Citywide Administrative Services, 2 Washington Street, N.Y., N.Y. 10004, postmarked no later than 30 working days before the date of the examination. The written request must indicate the specific accommodation requested, and any alternative which would be equally acceptable. Where appropriate and practicable, the Department of Citywide Administrative Services will provide one or more forms of testing accommodations, such as providing an accessible or alternate examination site, additional time to complete the examination, special seating, full written instructions and special attention from the monitor to insure that the applicant has understood oral instructions, a reader or tape recorder for test questions, an amanuensis or tape recorder for test answers, and large print or braille.

(2) Where the disability involves vision, the applicant shall submit:

(i) proof of registration with the New York State Commission for the Blind and Visually Handicapped, or

(ii) proof that corrected total vision is less than 20/200 or that the applicant's field of vision is less than 20 degrees.

(3) Where the disability involves hearing, the applicant shall submit an audiogram taken within the past year by an audiologist licensed in New York State or board certified otologist, indicating registration number, and showing the level of hearing loss.

(4) Where the applicant's disability does not come within the categories described in paragraphs (2) or (3) of this subdivision and the applicant nevertheless requires special accommodations to take the examination because of his or her disability, the applicant shall submit either a doctor's note or proof of disability from an agency or organization which is recognized as one which specializes in serving persons with the applicant's type of disability. The substantiating document shall indicate the extent of the disability and the specific testing accommodations recommended for the applicant.

(5) For the purpose of these regulations, "an agency or organization which is recognized as one which specializes in serving persons with (certain disabilities)" means a government agency (such as the New York State Office of Vocational Rehabilitation) or a private organization or agency (such as United Cerebral Palsy) which is known to the Department of Citywide Administrative Services or the Mayor's Office for People with Disabilities for its work. The substantiating document must be on letterhead and must bear the signature and title of the person certifying the applicant's disability.

(6) Disabled applicants may take steps to personally accommodate their special testing needs in the following ways:

(i) Applicants may use their own impairment-related aids, such as magnifying glasses or talking calculators with ear plugs (where all other applicants are permitted to use calculators), during the examination.

(ii) An applicant who requires an amanuensis or reader with special skills or abilities not provided by the

Department of Citywide Administrative Services may submit proof of special need from an agency or organization which is recognized as one which specializes in serving persons with the candidate's type of disability and which further has volunteers available to perform the requested service. The agency or organization must notify the Department of Citywide Administrative Services no later than 15 work days before the test date that it will provide a volunteer. The Department of Citywide Administrative Services will not be responsible for providing a replacement amanuensis or reader in the event a volunteer fails to appear on the day of the examination.

(k) **Special examinations.** (1) An applicant who is unable, for any of the reasons listed below, to take the regular examination as scheduled may be given a special examination upon written request. Such applicant must submit a written request setting forth the reasons requiring the absence and providing documentary evidence which demonstrates to the satisfaction of the Commissioner of Citywide Administrative Services that the applicant was unable to take the regular examination as scheduled. Unless otherwise specified herein, such material must be submitted to the Examining Service Section either in person or by certified or registered mail no later than one week following close of the application period. If one of the following circumstances arises after that date, such documentation must be received within one week following the occurrence, but no later than one week before the special test.

(2) **Religious observance.** An applicant claiming to be unable to take an examination when originally scheduled because of his or her religious beliefs may request a special examination by submitting either in person or by certified or registered mail to the Examining Services Division of the Department of Citywide Administrative Services, a written request no later than 15 days before the scheduled date of the regular examination. The request must include a recent written statement on letterhead signed by the applicant's religious leader attesting to the applicant's religious beliefs and certifying that the applicant is a Sabbath observer and that it is contrary to the applicant's tenets to participate in an examination on the date the regular test is scheduled.

(3) **Military service.** (i) §243: An applicant who has taken the first test:

(A) in an open competitive examination but is unable to complete the remaining test because of military duty as defined in §243 of the New York Military Law must apply to the Control and Service Division of the Department of Citywide Administrative Services with his or her separation papers not later than 90 days from the termination of such military duty;

(B) in a promotion examination, who is unable to take or complete such examination because of military duty as defined in §243 of the New York Military Law, must apply to the Control and Service Division of the Department of Citywide Administrative Services with his or her separation papers not later than 60 days from the date of restoration to his or her City position.

(ii) §242: An applicant in a multiple choice promotion examination who is ordered to appear for military duty on the scheduled test date must notify the Examining Service Section in writing no later than one week from the close of the application period. To be admitted to the make-up test scheduled in the Notice of Examination, such applicant must provide by certified or registered mail, written documentation on letterhead signed by the commanding officer stating that such duty cannot be rescheduled to permit the applicant to participate in the test and setting forth the reasons why. Such documentation must be received by the Examining Service Section no later than 10 working days prior to the regular test date. Such applicants who do not follow the above procedures must apply for a special test under the procedures in paragraph (3)(i)(B) of this subdivision.

(4) **Other reasons:**

(i) a manifest error or mistake for which the Department of Citywide Administrative Services or the examining agency is responsible; or

(ii) compulsory attendance before a court or other public body or official having the power to compel attendance; or

(iii) physical disability incurred during the course of and within the scope of municipal employment where such applicant is an officer or employee of the City; or

(iv) absence from the test within one week after the date of death of a spouse, domestic partner, mother, father, sister, brother, child or child of a domestic partner of such applicant where such applicant is an officer or employee of the City; (For purposes of this subparagraph, a domestic partner shall mean a person who has registered a domestic partnership in accordance with applicable law with the City Clerk, or has registered such a partnership with the former City Department of Personnel pursuant to Executive Order 123 (dated August 7, 1989) during the period August 7, 1989 through January 7, 1993. (The records of domestic partnerships registered at the former City Department of Personnel are to be transferred to the City Clerk.))

(l) **Education and experience credit.** (1) To be credited, the education and experience must be of the nature, duration and quality described in the notice of examination and must have occurred during the prescribed period of time. Unless otherwise specified in the Notice of Examination, all requirements must be met by the last date of the application period.

(2) All education and experience must be clearly specified on the experience paper in order to be credited or considered on appeal. Education and experience listed on the experience paper will receive credit only to the extent that it is described clearly and in detail. A maximum of one year of experience will be credited for each 12 month period. Part-time experience will be pro-rated and credited in lieu of, but not in addition to full time experience during the same period.

(3) If statements of material facts are found to be false, exaggerated or misleading, an applicant may be disqualified.

(4) Where experience is a qualifying test only, experience which falls short by up to one month shall be accepted as qualifying.

(m) **Physical tests.** To be permitted to participate in any physical test candidates must sign the prescribed release form.

(n) **Medical examination.** (1) Any impairment which will adversely affect ability to perform the duties of the position in a reasonable manner, or which may reasonably be expected to render the applicant unfit to continue to perform the duties of the position shall constitute grounds for disqualification.

(2) A candidate medically rejected for a condition which thereafter materially improves may apply for medical reexamination. However, no such candidate will be re-examined following expiration of the eligible list.

(o) **Test administration.** A candidate who fails to follow instructions at the test site will not have his/her test scored.

(p) **Impersonating and cheating.** (1) A person who impersonates another or who allows himself or herself to be impersonated or who otherwise cheats in an examination shall be barred from taking civil service examinations for positions with the City of New York or receiving appointments with the City of New York.

(2) A person barred from city employment pursuant to subdivision (p)(1) of this section may submit a written request to the Commissioner of Citywide Administrative Services for reconsideration of this action, setting forth reasons to substantiate the request.

(q) **Protests.** Candidates may file protests against proposed key answers in accordance with §50-a of the Civil Service Law. Protest procedures and time limits will be described at the time of the test.

(r) **Appeals.** (1) Except as may otherwise be provided by the Commissioner of Citywide Administrative Services and upon payment of applicable fees:

(i) Candidates who wish to appeal a computational error in rating shall file an appeal within 30 days from the date of the notice of results of the examination.

(ii) Candidates who wish to appeal the rating of oral, practical, or essay tests may request a breakdown of their scores and an appointment for review by submitting a written request to the Committee on Manifest Errors within one week following the date of the notice of results of the examination and shall file their completed appeals within 60 days from that date. An appointment for review, i.e. for playback of audio/video recording, inspection of work sample on practical test, or review of answer paper and the key or illustrative answers of essay tests, where available, will be granted prior to the end of the appeal period.

(2) For all oral, practical, or essay tests, such playback, inspection or review shall be limited in duration to a period equivalent to the duration of the test in question. A representative of the Department of Citywide Administrative Services must be present at all times.

(s) **Investigation.** (1) All applicants must be of satisfactory character and reputation and must meet all requirements set forth in the Notice of Examination for the position for which they are applying. Applicants may be summoned for the written test prior to investigation of their qualifications and background. Admission to the test does not mean that the applicant has met the qualifications for the position.

(2) A fee of $50 is required of each candidate to cover the cost of fingerprint processing. Payment shall be submitted to the appointing agency at the time of fingerprinting and shall be in the form of a Travelers Express, American Express or postal money order payable to the "New York State Division of Criminal Justice Services." Cash will not be accepted.

(t) **Probationary terms.** (1) Except as otherwise provided, all appointments and promotions shall be for a probationary term of one year.

(2) Upon showing to the satisfaction of the Commissioner that the services of a probationer have been unsatisfactory, an appointing officer may terminate the employment of such probationer at any time during the probationary term.

(u) **Fees for special services.**Fees for special services furnished upon request shall be as follows:

(1) duplicate result cards-$l per card

(2) breakdown of rating on examination-$5 per copy

(3) photocopies-$l per page

(4) play-back of audio recordings-$5 per play-back

(5) play-back of video recordings-$10 per play-back

(6) other-as may be provided

(v) **Correspondence and address.** All correspondence to the Department of Citywide Administrative Services, Division of Citywide Personnel Services, shall be sent to 2 Washington Street, N.Y., N.Y. 10004, unless otherwise specified.

(w) **Seniority and veterans' credit.** Where seniority or Veterans' Preference credit is claimed, the candidate must

achieve a passing score in order to be eligible for such credit.

Subd. (k) par (4) subpar (iv) amended City Record Aug. 31, 1998 eff. Sept. 30, 1998. [See T55 §7-01 Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Aug. 23, 1996:

The adopted amendments to the General Examination Regulations and License Examinations of the Department are based upon the City Personnel Director's authority to recruit personnel pursuant to Section 15 and Article IV of the New York State Civil Service Law and to schedule and conduct examinations for positions in the civil service pursuant to section 813a of the New York City Charter. The New York City Charter §1043 provides that each agency is empowered to adopt rules necessary to carry out the powers and duties delegated to it by or pursuant to federal, state or local law.

The adopted amendments to Rule §1-01(c) and §1-02(c), providing for the Department to increase application fees to cover some of the expenses incurred for developing and administering civil service examinations and for increasing fees for license examinations, have become necessary due to increasing costs facing City government. The Department can no longer obtain the funds necessary to support many of the services required for the development, administration and rating of these examinations in its proposed budget. Many examinations require extraordinary services necessary to develop, administer and rate since they involve tens of thousands of candidates in different skill levels. Therefore, an increase in application fees is necessary to defray more of the cost of these services.

The additional fees will be used solely to cover some of the Department's costs of developing, administering and rating an examination. When applicable, they will be announced in the Notice of Examination or its amendments.

CASE NOTE FROM FORMER SECTION

¶ 1. Caponigro v. White, 636 N.Y.S.2d 307 (App.Div. 1st Dept. 1996). A challenge to that portion of this section which bars a person who cheats on a civil service examination from receiving appointments or taking future examinations, must be brought as an Article 78 proceeding rather than as a declaratory judgment action, since the rule in question is an administrative regulation rather than a statute. Hence, the four month Article 78 statute of limitations applies even though there is a challenge to the constitutionality of the regulation.

Special Sign Hanger

Welder

These regulations shall be applicable also to examinations conducted by the Department of Citywide Administrative Services for appointment by the Mayor as a City Surveyor.

These regulations shall not be applicable to examinations for licenses for Refrigerating Machine Operator (Unlimited Capacity) and To Install, Alter, Test and Repair Underground Storage Tanks, to Wit: Gasoline, Diesel Fuel Oil (Used for Operation of Motor Vehicles) and Other Volatile Inflammable Liquids. Such examinations shall be administered by the Fire Department in accordance with §9-01 of Title 3 of the Rules of the City of New York, and applicants who establish their qualifications for such licenses in accordance with the provisions of said section and New York City Administrative Code §§27-4002(8a) and 27-4194(d), as applicable, shall be so certified by the Department of Citywide Administrative Services.

(b) **Applications.** (1) An examination schedule of written tests indicating the last day to file is posted in the Applications Section of the Department of Citywide Administrative Services, Division of Citywide Personnel Services, 18 Washington Street, N.Y., N.Y. 10004.

(2) The Department of Citywide Administrative Services assumes no responsibility for applications where errors or mistakes are made therein by the applicant, or for applications not filed with the Department of Citywide Administrative Services, or for applications not received on a timely basis.

(3) Applications submitted must include the correct filing fee. Payment may be made in person or by mail and must be with a money order made payable to Department of Citywide Administrative Services. Applicants must write their social security number and the examination number, for which the application is being submitted, on the front of the money order.

(4) Except for the examination for license for welder, special rigger and special sign hanger, a practical test shall be given only to those candidates who have filed applications at least 20 days (excluding Saturdays, Sundays and legal holidays) before the first test date.

(c) **Filing fees.**

(1) Except as provided in paragraph (2) of this subdivision, the filing fees shall be:

[See tabular material in printed version]

(2) (i) Filing fees shall be waived for a New York City resident receiving public assistance who submits a clear photocopy of a current benefit identification card along with the application.

(ii) For the license examinations for Master Electrician, Master Plumber, Master Rigger, Special Electrician, and Special Rigger, filing fees shall be waived for employees of public agencies doing work solely for their agencies, where

the license is required for work performed in such agencies, and where the agencies request such waiver.

(3) An applicant who is marked not qualified before the date of the first test or who has not passed the required English language test will be refunded, upon application therefor, all but $40 of the filing fee.

(d) **Education, training and experience requirements.** (1) An applicant must possess the minimum education, training and/or experience requirements at the time of filing of the application and must be able to read and write the English language.

A qualifying examination will be given to determine if the applicant is able to read and write the English language for those licenses issued by the Department of Buildings and where the examination given by the Department of Citywide Administrative Services for the license does not contain a written part. Applicants who do not pass this examination will not be permitted to take any other part of the license examination.

Admission to an examination does not imply that the applicant possesses the minimum qualifications required. The burden of proving that the applicant meets the required qualifications shall be upon the applicant.

(2) For licenses other than Master Plumber, Master Rigger and High Pressure Boiler Operating Engineer, the Administrative Code provides that time spent on active duty in the armed forces of the United States during time of war, including service with said armed forces in the Korean or Vietnam conflict, shall be credited as experience on a year-for-year basis provided that:

(i) the applicant is at least 18 years of age, and that

(ii) the applicant has at least 1 year of required experience prior to entry into the armed forces, and that

(iii) such military duty interrupted the continuance of the experience, and

(iv) the applicant received an honorable discharge from the military service.

(3) For the license of High Pressure Boiler Operating Engineer, the Administrative Code provides that an applicant who has served on active duty in the armed forces of the United States during time of war including service with said armed forces in the Korean or Vietnam conflict, and has been honorably discharged shall be deemed to meet the experience requirements if during the 10 years immediately prior to filing the Application For License Examination, the applicant shall have had:

(i) at least 5 years of required experience, or

(ii) at least 1 year of required experience prior to entry into military service and while in such service either served as or performed duties equivalent to those performed by a boilermaker, engineer, fireman, oiler, machinist or water tender to make a total of at least 5 years of required experience.

(e) **Examinations.** (1) For examinations for licenses of special rigger, special sign hanger and welder, the tests shall be scheduled as the receipt of applications warrants. For license examinations other than special rigger, special sign hanger and welder, the test dates are posted in the Application Section.

(2) The official test date will be contained in the admission card sent to the applicant. For license examinations for which the test date has been previously posted in the application section, applicants who filed timely applications and who do not receive an admission card within 7 days prior to the test date must appear prior to the test date at the Examining Service Section of the Department of Citywide Administrative Services, Division of Citywide Personnel Services, during normal business hours to obtain an admission card to the examination.

(3) An applicant who was unable to take or complete an examination may apply to take or complete the

examination or request a refund by submitting written request therefor to the Examining Service Section of the Department of Citywide Administrative Services within 60 days of the first test in the license examination at which the applicant was unable to appear with verification that such absence was due to:

(i) compulsory attendance before a court or other body or official having the power to compel attendance; or

(ii) a manifest error or mistake for which the Department of Citywide Administrative Services is responsible; or

(iii) death of a spouse, domestic partner, mother, father, sister, brother, child, or child of a domestic partner of such candidate within one week before the test; (For purposes of this subparagraph, a domestic partner shall mean a person who has registered a domestic partnership in accordance with applicable law with the City Clerk, or has registered such a partnership with the former City Department of Personnel pursuant to Executive Order 123 (dated August 7, 1989) during the period August 7, 1989 through January 7, 1993. (The records of domestic partnerships registered at the former City Department of personnel are to be transferred to the City Clerk.)) or

(iv) hospitalization or period of recuperation immediately following hospitalization; or

(v) active military service with the armed forces of the United States.

(4) License examinations may consist of a written test, practical test or oral test or a combination of any such tests.

The questions and answers in all tests for licenses shall not be released or made public.

(5) On a license examination for which there is a numerical rating, a candidate must attain a rating of not less than 70 percent in the examination or in any test, subtest or part thereof.

(6) Where a license examination other than for special rigger, special sign hanger and welder consists of both a written and a practical test, a candidate who has passed the written test but has been notified of failure to pass the practical test may request another practical test.

A total of not more than 3 practical tests shall be allowed a candidate in connection with the written test and a separate application must be made for each practical test requested.

Except as provided in paragraph (3) of this subdivision, applications for the second or third practical tests shall be filed in the Application Section of the Department of Citywide Administrative Services, Division of Citywide Personnel Services not later than 2 years from the date of the written test and shall be accompanied by the required fee. Where a candidate has already taken and passed a written test, the candidate will not be permitted to take a second written test until the candidate has completed all the practical tests to which the candidate is entitled.

(7) For license examinations for Site Safety Manager, Special Rigger, Special Sign Hanger and Welder, a candidate who fails any test or subtest in the examination shall be deemed to have failed the entire examination and no further test or subtest shall be either administered or rated, as the case may be.

However, for license of welder class 1 or welder class 1 restricted or welder class 3, a candidate who fails only one part in the practical test shall be qualified for license of welder class 2 or welder class 2 restricted or welder class 3 restricted, respectively.

(f) **Appeals.** (1) A candidate who has been notified of failure to pass the written or practical license examination may appeal such failure only if the candidate has failed by not more than 5 points. Such appeal must be in writing to the New York City Department of Citywide Administrative Services, 2 Washington Street, 17th Floor, New York, New York, 10004, ATTN: Examining Service Section, stating the title of the license examination, examination number, the application number, and the social security number, and be received not later than 30 days from the date of notification of failure to pass the license examination.

(2) A candidate who has failed the written test in a license examination by not more than 5 points may submit a written request to review the items scored as incorrect and the key answers thereto. Such request with the result card shall be mailed to the New York City Department of Citywide Administrative Services, 2 Washington Street, New York, New York 10004, ATTN: License Examinations, and it must be received no later than 15 days from the date of notification of failure to pass the test.

(g) **Impersonating and cheating.** (1) A person who impersonates another or who allows himself or herself to be impersonated or who otherwise cheats in a license examination shall be disqualified from receiving a license issued by the City of New York or from holding any position with the City of New York.

(2) A person disqualified pursuant to paragraph (1) of this subdivision may submit a written request to the Commissioner of Citywide Administrative Services for reconsideration of this action, setting forth reasons to substantiate the request.

(h) **Investigation.** (1) The Department of Citywide Administrative Services, Division of Citywide Personnel Services or the investigating agency, as the case may be, shall conduct an investigation of each candidate to determine the candidate's fitness and qualification for the license, and may refuse to certify a candidate who does not meet the requirements therefor.

(2) Successful candidates in the examination shall be summoned for investigation by the appropriate investigating agency. Candidates shall be disqualified for the license or certification of qualification if they do not appear for investigation within 4 months of the date for which originally summoned. Such candidates shall then be required to file for and pass a new license examination in order to obtain the license or certification of qualification.

(3) Investigation of candidates shall be conducted by the Department of Citywide Administrative Services except for those licenses where investigation shall be conducted by the agency responsible for the issuance of licenses as indicated below:

(i) **Department of Consumer Affairs**

(i) Motion Picture Operator

(ii) **Department of Buildings**

(ii) Master Electrician

(ii) Special Electrician

The names of successful candidates in the license examinations listed above will be submitted to the appropriate agency by the Department of Citywide Administrative Services.

(4) The names of candidates who have been found qualified after investigation will be transmitted by the Department of Citywide Administrative Services to the agency responsible for the issuance of licenses as indicated below:

Department of Buildings

Climber or Tower Crane Rigger

High Pressure Boiler Operating Engineer

Hoisting Machine Operator

Master Fire Suppression Piping Contractor

Master Plumber

Master Rigger

Master Sign Hanger*1

Oil Burning Equipment Installer

Portable High Pressure Boiler Operating Engineer

Site Safety Manager

Special Rigger

Special Sign Hanger*

Welder

(i) **Change of address.** A candidate in a license examination shall promptly notify the Department of Citywide Administrative Services in writing of any address change which occurs after filing the application for license examination.

A separate notification shall be submitted for each examination for which the person is a candidate. The notification shall include the candidate's name, complete new address, social security number, the title of the license examination, and license examination number.

Failure to furnish such notification shall be at the sole risk of such person and may result in the loss of opportunity to compete in any tests or subtests of the license examination not already held.

NOTE

1. Statement of Basis and Purpose in City Record Jan 14, 2000:

The Department of Citywide Administrative Services has administered the Refrigerating Machine Operator and Underground Tank Installer examinations in connection with the licensing of these activities by the New York City Fire Department, notwithstanding the fact that the Fire Department administers all of its other licensing examinations and is capable of administering these two examinations. Both departments agree that it would be a more efficient use of resources for the Fire Department to assume administration of the examinations. Such an arrangement would also benefit the affected industries because, among other reasons, the Fire Department could administer the examinations more frequently.

This rulemaking is being conducted in conjunction with the Fire Department's amendment of 3 RCNY §9-01 to (in part) address the administration of these two examinations. The Department of Citywide Administrative Services will continue to certify the results of the Underground Tank Installer examination pending the March 21, 2000 effective date of Local Law No. 68 of 1999, which authorized the Fire Department to administer such examinations. The Department of Citywide Administrative Services will continue to certify the results of the Refrigerating Machine Operator examination pending the enactment of legislation similarly granting such authority to the Fire Department.

FOOTNOTES

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 11 PERSONNEL PRACTICE AND PROCEDURE

§11-03 Adjudications of the Department of Citywide Administrative Services.

(a) Pursuant to the New York City Charter §§1041, 1046-1048, and by designation by the Mayor, the Department of Citywide Administrative Services has determined that adjudications held pursuant to Section 210.2(g) of the Civil Service Law Article 14 ("The Taylor Law") to determine whether an employee has violated the Taylor Law shall be conducted by the Department or a designee of the Commissioner of Citywide Administrative Services. Such designee shall be a Hearing Officer who is authorized in writing by the Commissioner of Citywide Administrative Services to conduct hearings pursuant to the Taylor Law. Administrative Law Judges from the Office of Administrative Trials and Hearings ("OATH") may be designated as Hearing Officers authorized by the Commissioner of Citywide Administrative Services to conduct hearings pursuant to the Taylor Law.

(b) Disciplinary hearings and disability hearings conducted pursuant to Civil Service Law §§72 and 75 shall be conducted by OATH. In all adjudications conducted by OATH, pursuant to Civil Service Law §§71, 72, 73 and 75, the Administrative Law Judge shall make written proposed findings of fact, conclusions of law, a recommended decision and, where appropriate, a proposed penalty. The Commissioner of Citywide Administrative Services may adopt, reject, or modify any such recommendations.

55 RCNY 11-04

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 11 PERSONNEL PRACTICE AND PROCEDURE

§11-04 Taylor Law Hearings.

(a) All hearings conducted pursuant to §210.2(g) of the New York Civil Service Law shall be subject to the following rules.

(b) **Notice.** All persons who are entitled to a Taylor Law Hearing shall receive a notice that shall contain the following provisions:

(1) a statement of the legal and jurisdictional authority for a hearing;

(2) a statement of the pertinent legal and regulatory sections at issue;

(3) a statement of the employee's right to object to a determination of a Taylor Law violation;

(4) a statement of the nature of the proceeding and the particular matter to be adjudicated;

(5) a statement of the date(s) a Taylor Law violation was committed;

(6) a statement of potential penalties that may be assessed;

(7) a statement that the employee is entitled to representation by counsel or a union representative.

(c) The notice shall be served personally or by certified mail addressed to the last address the employee has filed with his or her agency's personnel office.

(d) Where a hearing is required pursuant to §210.2(g) of the New York Civil Service Law, the employee shall receive further notice of the time and place of the hearing.

(e) **Hearing.** Where an employee requests that a hearing pursuant to §210.2(g) of the New York Civil Service Law, be held, such a hearing shall be held within a reasonable time. The hearing shall be conducted by a Hearing Officer assigned exclusively to perform adjudicative and related duties for the Department of Citywide Administrative Services, or by a designee of the Department who is authorized in writing by the Commissioner of Citywide Administrative Services to conduct hearings pursuant to the Taylor Law. Administrative Law Judges from OATH may be designated as Hearing Officers authorized by the Commissioner of Citywide Administrative Services to conduct hearings pursuant to the Taylor Law.

(1) At the hearing, the employee shall be entitled to: be represented by counsel or union representative; call witnesses and cross-examine opposing witnesses; present oral and written arguments on the law and facts; issue subpoenas or request that a subpoena be issued, requiring attendance and the giving of testimony and/or the production of books, papers, documents, and other evidence. The issuance of subpoenas shall be governed by the New York Civil Practice Law and Rules.

(2) Adherence to the formal rules of evidence is not required. Objections may be made to evidence, including testimony, and shall be noted in the record.

(3) There shall be no ex parte communications between a party and the hearing officer.

(4) The hearing shall be transcribed or recorded. Upon request, a copy of the transcript or record, or any part thereof. shall be made available and a copy shall be provided at reasonable cost.

(f) **Burden of proof.** The employee shall bear the burden of proof at the hearing in accordance with Civil Service Law §210.2(g).

(g) **Findings of fact.** In all hearings conducted by the Department or a designee of the Commissioner of Citywide Administrative Services, the Hearing Officer shall make findings of fact and determine whether the employee has established that he or she did not violate Section 210 of the New York Civil Service Law. These findings and the determination shall be in writing and delivered to the Commissioner of Citywide Administrative Services within a reasonable time following the conclusion of the hearing. The Commissioner of Citywide Administrative Services shall then notify the employee of the Hearing Officer's findings and determination.

(h) **Appeals.** The determination of the hearing officer may be appealed by any party by bringing a proceeding pursuant to Article 78 of the New York Civil Practice Law and Rules.

***** Current through December 2009 ****

55 RCNY 12-01

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 12 MUNICIPAL EMPLOYEES' CHARITABLE CONTRIBUTIONS*1

§12-01 Definitions.

Annual solicitation campaign. "Annual solicitation campaign" shall mean the period of organized solicitation of municipal employees conducted annually by the Combined Municipal Campaign to obtain contributions with respect to the ensuing year of contributions.

Charitable non-profit organization. "Charitable non-profit organization" shall mean a private non-profit organization performing charitable services for human health and welfare or recreation, eligible for approval as a coordinating agency, or for membership in the combined Municipal Campaign in accordance with the provisions of these rules.

Combined municipal campaign. "Combined municipal campaign" shall mean the joint campaign of the coordinating agency with one or more other charitable non-profit organizations, based on their written agreement, approved by the Commissioner of Citywide Administrative Services pursuant to §12-06 of these rules, for the joint conduct and sharing in the result of annual solicitation campaign.

Commissioner. "Commissioner" shall mean the Commissioner of Citywide Administrative Services.

Coordinating agency. "Coordinating agency" shall mean a federated community campaign, as defined in section 93-b of the General Municipal Law, which is approved by the Commissioner of Citywide Administrative Services pursuant to §12-05 of these rules to serve as the agent for the Combined Municipal Campaign.

Year of contributions. Year of contributions. "Year of contributions" shall mean the calendar year or other period

designated by the Commissioner of Citywide Administrative Services for collection of the payroll deductions authorized by municipal employees pursuant to §93-b of the General Municipal Law on behalf of the Combined Municipal Campaign.

HISTORICAL NOTE

Section renumbered formerly Title 59, §2-01 LL 59/1996 eff. Aug. 8, 1996.

Section in original publication July 1, 1991.

Year of contributions amended City Record July 24, 1995 eff. Aug. 23, 1995. [See Note 1]

NOTE

1. Statement of Basis and Purpose in City Record July 24, 1995:

The proposed amendments to the rules of the Department of Personnel and the Department of Finance are based upon the City Personnel Director's authority to administer personnel programs pursuant to Sections 813(a)(11) and (b)(7) of the New York City Charter and the authority granted the Commissioner of Finance by §93-b of the General Municipal Law. The New York City Charter §1043 provides that each agency is empowered to adopt rules necessary to carry out the powers and duties delegated to it by or pursuant to federal, state or local law.

The proposed amendments to Rules §2-01, §2-06(e) and §2-09(c) of the Department of Personnel and the same amendments to §18-01, §18-06(e) and §18-09(c) of the rules of the Department of Finance, authorize payroll deductions for municipal employees' charitable contributions to continue beyond one year until such time as it is revoked or the employee leaves the agency of employment, whichever shall occur first. Although the Department of Personnel will continue to conduct annual solicitation campaigns, it is financially imprudent to have payroll deductions for municipal employees' charitable contributions terminate after each annual period. The necessity of the paperwork and processing of the annual authorizations for paycheck deductions is burdensome due to the large numbers involved. In addition, the work is redundant and can be avoided merely by adopting the proposed amendments. Finally, it permits many of the charitable organizations involved in the Combined Municipal Campaign to have more accurate and dependable sources of funds since the municipal employees' charitable contributions will not automatically terminate at the end of an annual period.

The proposed amendments will have no adverse effect on the rights of employees. The Combined Municipal Campaign is voluntary and the employee is always free to end any paryoll deductions or charitable contributions at any time by following the procedure already in existence (see Department of Personnel Rule §2-09(d); Department of Finance Rule §18-09(d)).

CHAPTER 12 MUNICIPAL EMPLOYEES' CHARITABLE CONTRIBUTIONS*1

§12-03 Charitable Non-Profit Organizations.

To be eligible as a constituent organization of the coordinating agency or as a participating organization in the Combined Municipal Campaign, a charitable non-profit organization must meet and maintain the following requirements:

(a) It shall be

(1) a private, non-profit corporation, association, or organization,

(2) incorporated or authorized to do business in New York, or a member of a federation of charitable organizations which is authorized to do business in New York, and

(3) organized to render voluntary charitable services for human health and welfare or recreation.

(b) It shall be and remain registered with the Secretary of State; in compliance with the requirements and provisions of article 7-A of the Executive Law of New York; and a tax exempt organization under the terms of Section 501(c)(3) of the U.S. Internal Revenue Code.

(c) It shall operate without discrimination in regard to all persons served by the campaign and comply with all requirements of law and regulations respecting nondiscrimination and equal employment opportunity with respect to its officers, staff, employees and volunteers.

(d) As its principal purpose, function and activity, it shall carry out a **bona fide** program of charitable services in

support and advancement of the health, welfare or recreation of a substantial number of persons in need of such services.

55 RCNY 12-05

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 12 MUNICIPAL EMPLOYEES' CHARITABLE CONTRIBUTIONS*1

§12-05 Approval of Coordinating Agency.

(a) To solicit contributions among municipal employees, a charitable non-profit organization eligible pursuant to the conditions specified in §12-04 of these rules may make written application to the Commissioner of Citywide Administrative Services for approval as the coordinating agency for the City.

(b) In December of every year there shall be made available at the offices of the Commissioner of Citywide Administrative Services a proposed calendar of events for the preceding years' Combined Municipal Campaign, if any. This schedule shall include a timetable for application.

(c) The application shall contain a detailed statement and furnish documentation evidencing the organization's compliance with all conditions of eligibility as a coordinating agency and shall provide the following:

(1) corporate or registered business name and address of the organization; name, titles and addresses of its directors or principals and executive officers; registration number obtained upon registration pursuant to article 7-A of the Executive Law;

(2) concise description of the organization's structure, origin, and history of its activities in the City; financial statements for its two immediately preceding years of operation, showing contributions and other revenues received, administrative and overhead expenses, costs of operations and other significant financial data; a specification of the extent its operations have been carried out by volunteers' services;

(3) statement of its plan and program for performing charitable services within the City over the next three-year

period, with particular description of projected benefits to employees' communities of residence;

(4) copies of charter or certificate of incorporation, bylaws, latest external audit by a certified public accountant and letter from the Internal Revenue Service certifying tax exempt status pursuant to Section 501(c)(3) of the Internal Revenue Code;

(5) a listing, by corporate or registered business name, address, and name of the authorized principal representative, of each constituent charitable non-profit organization included in the coordinating agency; the applicant shall certify that it has examined and established compliance by all of its constituent organizations with the conditions and requirements of eligibility specified in §12-03 of these rules.

(d) The applicant shall furnish additional information and documentation as requested by the Commissioner of Citywide Administrative Services.

(e) The Commissioner's determination as to the approval or refusal of an application hereunder shall be conclusive and binding, and written notice thereof shall be given to the applicant.

(f) If it should become necessary to change the coordinating agency while the annual solicitation campaign or the year of contributions is in progress, the Commissioner shall substitute another charitable non-profit organization eligible to be coordinating agency pursuant to §12-04 of these rules.

55 RCNY 12-06

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 12 MUNICIPAL EMPLOYEES' CHARITABLE CONTRIBUTIONS*1

§12-06 Combined Municipal Campaign; Structure and Operations.

(a) For the purposes of conducting a joint annual solicitation campaign and sharing in the contributions of municipal employees obtained therefrom, the coordinating agency shall contract with all other organizations approved pursuant to §§12-07 and 12-08 of these rules to form a Combined Municipal Campaign.

(b) Such contract shall be subject to approval by the Commissioner of Citywide Administrative Services and shall:

(1) identify each charitable non-profit organization participating with the coordinating agency by corporate or business name and address, and name its authorized representative;

(2) provide an annual budget of the campaign and specify the allocation among the coordinating agency and participating organizations of administrative expenses including publicity, central receipt, accounting and distribution of contributions, and loss of anticipated income to the campaign due to withdrawal of consent to contribution, termination of employment, or other discontinuation of payroll deduction;

(3) state the method of calculation of the share of total contributions to be received respectively by the coordinating agency and each participating organization, and the manner of payment to them;

(4) inform participants that the administrative expenses of the campaign shall be divided equally among each participating agency; for this purpose each participating constituent member of a federation of charitable non-profit organizations shall be counted as a separate participating agency.

(5) Contain such other terms and conditions as may be required by the Commissioner.

(c) The coordinating agency shall be the recipient in the first instance of all contributions made by employees to the campaign, including both contributions collected through payroll deductions and those made by check. The coordinating agency shall act in a fiduciary capacity with respect to its receipt and distribution of the contributions in accordance with the terms of the Combined Municipal Campaign contract.

(d) The annual solicitation campaign shall be conducted at such times and pursuant to such procedures as shall be approved by the Commissioner.

(e) The coordinating agency shall submit a report to the Commissioner at the end of each calendar year and at such other times as the Commissioner may request, stating the total amount of contributions collected through the Combined Municipal Campaign, the amount received by each participating agency, and such other information as the Director may request.

CHAPTER 12 MUNICIPAL EMPLOYEES' CHARITABLE CONTRIBUTIONS*1

§12-07 Application for Participation in the Combined Municipal Campaign.

(a) A charitable non-profit organization seeking participation in the Combined Municipal Campaign shall make written application therefor to the Commissioner, who shall forward such application to the coordinating agency.

(b) Such application shall be made on the form prescribed by the Commissioner and shall be accompanied by all required documentation.

(c) The coordinating agency shall review the applications and approve the applications of all organizations qualified pursuant to §12-03 of these rules.

(d) The coordinating agency shall notify each applicant in writing whether or not it has been accepted as a participating organization in the Combined Municipal Campaign. If an applicant has not been accepted for participation, such notice shall state the reasons therefor, and shall state that the decision may be appealed to the Commissioner within fourteen days.

CHAPTER 12 MUNICIPAL EMPLOYEES' CHARITABLE CONTRIBUTIONS*1

§12-08 Review of Non-Acceptance for Participation.

(a) An organization which has been notified of non-acceptance for participation in the Combined Municipal Campaign may, within fourteen days of the date notice was sent to the applicant by the coordinating agency, appeal in writing to the Commissioner for review of the determination of the coordinating agency. Copies of all material previously submitted to the coordinating agency shall be furnished to the Commissioner by the organization seeking review.

(b) The Commissioner, consistent with these rules, shall determine whether sufficient grounds existed for non-acceptance of the applicant or whether the coordinating agency's decision shall be reversed, in which case the Commissioner shall direct the coordinating agency to accept the applicant for participation in the Combined Municipal Campaign.

(c) The Commissioner's written determination shall be transmitted to the applicant and the coordinating agency, and shall be final and conclusive. Upon a determination directing the acceptance of the applicant, the coordinating agency shall forthwith arrange for the participation of the applicant in the Combined Municipal Campaign.

55 RCNY 12-09

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

CHAPTER 12 MUNICIPAL EMPLOYEES' CHARITABLE CONTRIBUTIONS*1

§12-09 Conduct of Solicitation Among City Employees.

(a) Contributions by employees to any charitable non-profit organization shall be purely voluntary.

(b) No form of pressure or coercion shall be used at any time by any employee or charitable non-profit organization to persuade employees to contribute to any charitable non-profit organization.

(c) An employee who wishes to make a charitable contribution through the Combined Municipal Campaign shall do so by completing and signing the form furnished by the Director. The employee shall indicate on the form whether the contribution is to be given to a particular organization participating in the Combined Municipal Campaign, or to the Combined Municipal Campaign itself for distribution to all participating organizations in the manner set forth in this section. Contributions may be made by submitting a single check made out to the order of the Combined Municipal Campaign, or by consenting to payroll deduction of a specified amount per pay period. If the employee chooses to contribute to the Combined Municipal Campaign through payroll deduction, the year of contribution shall be deemed to be the period between the time the consent to the deduction is given and the time such consent is withdrawn or the employee leaves his/her agency of employment, whichever shall occur first. The deduction shall continue until the employee either withdraws his/her consent to the payroll deduction or the employee leaves his/her agency of employment, whichever shall occur first.

(d) Employees shall be allowed to withdraw their consent to payroll deduction for contribution to charitable non-profit organizations at any time, upon written notice to the Commissioner.

(e) Contributions received by the Combined Municipal Campaign which are not designated for receipt by a

particular participating organization shall be distributed among all participating organizations in the following manner: the total amount of such undesignated funds, less administrative expenses agreed upon as provided in §12-06 of these rules, shall be divided by the total number of participating agencies, and an amount equal to the dividend shall be received by each agency. For the purposes of this calculation, each constituent member of a federation of charitable non-profit organizations shall be counted as a separate participating agency, but the federation to which such member belongs shall receive that member's share of the undesignated funds, to be distributed in accordance with the federation's agreement with its members.

(f) When an employee's paycheck is refunded by the employee's agency to the Department of Finance, any charitable contribution deducted for the period covered by such paycheck shall be returned to the City by the coordinating agency, or recovered by the City from the Combined Municipal Campaign by deduction from subsequent payments.

55 RCNY 12 - APPENDIX A

RULES OF THE CITY OF NEW YORK

Title 55 Department of Citywide Administrative Services

APPENDIX A PERSONNEL RULES AND REGULATIONS OF THE CITY OF NEW YORK*1

APPENDIX A PERSONNEL RULES AND REGULATIONS OF THE CITY OF NEW YORK*1

RULE I-DEFINITIONS

Agency. Agency is any department, administration, board, body or authority possessing separate and independent powers and functions and recognized as such by the department of personnel.

Agency Head. Agency head is the head of an agency.

Announcement. Announcement is the official notice of examination.

Appointing Officer. Appointing officer is the officer, commission, board, body or authority having the power of appointment to subordinate positions.

Certifying Agency. Certifying agency is an agency which administers and certifies eligible lists for classes of positions unique to such agency.

Civil Service of New York City or Civil Service. Civil Service of New York City or Civil Service includes all offices and positions in the definitions hereinafter set forth of "classified service" and "unclassified service".

Class of Positions. Class of positions means a group of positions substantially similar with respect to duties, responsibilities, qualifications and examination requirements to the extent that the same title may be used to designate such positions and the same salary grade may be equally applied thereto.

Classified Service. Classified service means all offices or positions in the civil service of New York City, classified under one of the four jurisdictional classes: exempt; competitive; non-competitive; labor; including such offices and positions in the New York City housing authority, triborough bridge and tunnel authority, New York City transit authority, New York City board of education, and the offices of all district attorneys and all public administrators within the City of New York.

Commission. Commission means the New York City civil service commission.

Compensation. Compensation is the annual salary attaching to a position or its equivalent if stated by the day, week, month, hour or other unit. Maintenance in the form of board and lodging or its monetary equivalent as duly fixed may also be included therein.

Day. Day is each day of the week; provided, however, if the last day for completing action on any matter is a Saturday, Sunday or holiday, it shall be the next business day.

The Department of Citywide Administrative Services. The Department of Citywide Administrative Services is the department established by chapter thirty-five of the New York City charter.

Examination. Examination is the process by which the department of personnel or other examining agency ascertains the fitness of candidates for entrance into the classified service or promotion therein.

Examining Agency. Examining agency is an agency which schedules and conducts non-written promotion examinations for positions in that agency.

Grade or Salary Grade. Grade or salary grade is the order or standing of a position with reference to the full-time annual compensation attaching to it or, if compensation be paid on other than a full-time per annum rate, then the equivalent of such rate as determined by the commissioner of citywide administrative services.

Jurisdictional Classification. Jurisdictional classification is the assignment of positions in the classified service to the exempt, non-competitive, labor or competitive classes.

Period of Service. In computing the length of a period of service in order to attain a prescribed eligibility requirement, whenever the first working day is immediately preceded by a Saturday, Sunday or public holiday, or a combination thereof, such "period of service" shall be deemed to commence on the day following the last work day preceding the Saturday, Sunday or public holiday, or combination thereof.

Position. Position means a particular office or employment in the civil service.

Position Classification. Position classification is a grouping together under common or descriptive titles of positions that are substantially similar in the essential character and scope of their duties and responsibilities and in the qualification requirements thereof.

Position Reclassification. Position reclassification is the reassignment of a position or positions from one class of positions to a different class of positions.

Publish. The term "publish" means making a public announcement by advising the public or making known of something to the public or bringing before the public either by posting publicly and conspicuously in the office of the department of personnel or other appropriate agency or printing or causing to be printed and to issue from a newspaper, or such other distribution or circulation as the commissioner of citywide administrative services deems appropriate.

Regulation. Regulation is a resolution of the commissioner of citywide administrative services setting forth policy or procedures for the effectuation of the provisions of the civil service law of the State of New York and the rules of the commissioner of citywide administrative services, which shall not be inconsistent with or supersede the civil service

law or the rules.

Salary Grade Allocation. Salary grade allocation is the assignment of a class of positions to one of the salary grades set forth in the classification rules.

Salary Grade Reallocation. Salary grade reallocation is the reassignment of a class of positions from one salary grade to another salary grade.

Service Rating, Performance Rating, or Performance Evaluation. Service rating, performance rating, or performance evaluation means a rating or evaluation of an employee for performance in a position as defined in the rules or regulations of the commissioner of citywide administrative services.

Subject. Subject is a subdivision of a test.

Terminal Date. If the "terminal date" of a prescribed period in which to accomplish an act of duty occurs on a Saturday, Sunday or public holiday, or a combination thereof, such date shall be deemed to be the first working day following thereupon.

Test. Test is a major subdivision of an examination.

Title. Title is the designation of a position based upon its duties and functions.

Unclassified Service. Unclassified service means all offices or positions in the civil service of New York City as described in section thirty-five of the civil service law.

RULE II-APPLICABILITY AND ADMINISTRATION

SECTION I-PERSONNEL ADMINISTRATION

2.1. (a) The commissioner of citywide administrative services shall have the power to promulgate rules and regulations relating to the personnel policies, programs and activities of city government in furtherance of and consistent with state civil service law and chapter thirty-five of the New York City charter.

(b) The commissioner of citywide administrative services shall have all the powers and duties of a municipal civil service commission provided in the civil service law or in any other statute or local law other than such powers and duties as are by chapter thirty-five of the New York City charter assigned to the mayor, the city civil service commission or the heads of agencies.

(c) The heads of agencies shall have the powers and duties of personnel management as provided for in chapter thirty-five of the New York City charter.

SECTION II-RULES

2.2. These rules shall have the force and effect of law.

SECTION III-REGULATIONS

2.3. The commissioner of citywide administrative services shall have power to adopt suitable regulations to carry out the provisions of the civil service law, the New York City charter and the rules.

SECTION IV-GENERAL ADMINISTRATION AND

ENFORCEMENT

2.4. (a) The commissioner of citywide administrative services shall have the authority and responsibility in the administration and enforcement of the rules and regulations prescribed thereunder and shall possess the powers and duties assigned to the commissioner of citywide administrative services pursuant to the provisions of chapter thirty-five of the New York City charter.

(b) The commissioner of citywide administrative services shall prescribe directives and orders for the instruction of the staff of the department of citywide administrative services and for the execution of the rules and regulations and wherever practicable, shall prescribe forms for all applications, certifications, reports, records and returns required thereunder.

SECTION V-APPLICABILITY

2.5. These rules shall apply to all offices and positions in the classified service of the city including offices and positions in the New York City housing authority, New York City transit authority, triborough bridge and tunnel authority, New York City board of education, and the offices of all district attorneys and all public administrators within the City of New York.

SECTION VI-RULE CHANGES; CALENDAR

2.6. (a) No proposed amendment, modification or addition to the rules shall be acted upon until public notice thereof shall be given in a designated newspaper for not less than three days prior to a public hearing thereon. Such notice shall set forth the proposal; but notice and public hearing shall not be necessary where the purpose of the proposed amendment, modification or addition is to conform with a change in a statute.

(b) Certified copies of all duly adopted amendments, modifications or changes of rules shall be transmitted to the offices of the secretary of state, the corporation counsel, the city clerk and to said designated newspaper for publication. Certified copies of all duly adopted regulations shall be transmitted to all of the foregoing except the office of the secretary of state.

(c) The commissioner of citywide administrative services shall cause to be published in said designated newspaper, as the city personnel director may determine, those minutes of general interest or broad application appearing as items in the calendar. Copies of the entire calendar shall be maintained for public inspection at the office of the department of citywide administrative services.

(d) If one year after the date of the public hearing held to consider approval of a change of a rule of the commissioner of citywide administrative services (as provided for by section 20 of the New York State civil service law) either the commissioner of citywide administrative services or the mayor of the City of New York or the state civil service commission has not acted upon the matter, the resolution shall automatically be deemed withdrawn unless the period of consideration is extended by an official action of the commissioner of citywide administrative services.

SECTION VII-NON-DISCRIMINATION; EQUAL OPPORTUNITY

2.7. (a) There shall be no unlawful discrimination in city employment on the basis of race, sex, age, religion, national origin or handicap, and equal opportunity in employment shall be ensured and promoted in the administration of personnel.

SECTION VIII-CONTINUITY AND PRESERVATION

2.8. Any resolutions, equivalency tables, terminal dates, restrictions, terms and conditions, and regulations in connection with the rules of classification in force and effect immediately prior to the effective date of these rules, shall continue to be in force and effect to the extent theretofore provided under the provisions of these rules, unless otherwise provided herein.

RULE III-JURISDICTIONAL CLASSIFICATION

SECTION I-THE EXEMPT CLASS

3.1.1. Definition. The exempt class shall include all offices and positions in the classified service enumerated in section forty-one of the civil service law and all other subordinate offices or positions for the filling of which competitive or non-competitive examination shall be found by the commissioner of citywide administrative services to be not practicable.

3.1.2. Application to Classify. An application by an agency to classify in the exempt class a position not specifically thus classified by law shall not be considered unless it is accompanied by a statement setting forth the reasons why examination, competitive or non-competitive, is impracticable.

3.1.3. Number of Positions; Classification by Rule. Not more than one appointment shall be made to or under the title of any office or position placed in the exempt class unless a different number is specifically prescribed in the classification rules. No office or position shall be deemed to be in the exempt class unless it is specifically named in such class in the rules.

3.1.4. Agency Certificate. Appointments to positions in the exempt class may be made without examination; but the agency head shall in each case submit to the department of personnel, in such form as it shall prescribe, a certificate which shall include:

(a) the title of the position;

(b) the full name and residence of the appointee;

(c) the place of the appointee's residence for five years immediately preceding appointment;

(d) the appointee's previous appointments to and periods of service, if any, in the public service;

(e) the appointee's qualifications for the office or position to be filled.

3.1.5. Evaluation Upon Vacancy. (a) Upon the occurrence of a vacancy in any position in the exempt class, the commissioner of citywide administrative services shall study and evaluate such positions and, within four months after the occurrence of such vacancy shall determine whether such position, as then constituted, is properly classified in the exempt class. Pending such determination, such position shall not be filled, except on a temporary basis.

(b) If the commissioner of citywide administrative services shall determine that such position is properly classified in the exempt class, such appointment shall be deemed effective as exempt as of the original date of appointment. The determination of the commissioner of citywide administrative services thereon shall be recorded.

SECTION II-THE NON-COMPETITIVE CLASS

3.2.1. Definition. The non-competitive class shall include all positions that are not in the exempt or labor class and for which it is found by the commissioner of citywide administrative services not to be practicable to ascertain the merit and fitness of applicants by competitive examination.

3.2.2. Application to Classify. An application by an agency to classify in the non-competitive class a position not specifically thus classified by law shall not be considered unless it is accompanied by a statement setting forth the reasons why competitive examination is impracticable.

3.2.3. Classification by Rule. (a) Not more than one appointment shall be made to or under the title of any office or position placed in the non-competitive class, unless a different or unlimited number is specifically prescribed in the

classification rules. No office or position shall be deemed to be in the non-competitive class unless it is specifically named in such class in the rules.

(b) The commissioner of citywide administrative services shall designate among positions in the non-competitive class those positions which are confidential or require the performance of functions influencing policy.

3.2.4. Examination. Appointments to positions in the non-competitive class shall be made after such non-competitive examination as is hereinafter prescribed and all such examinations shall be subject to the control of the commissioner of citywide administrative services.

3.2.5. Agency Examiners. (a) In each agency there shall be a board of examiners for non-competitive positions, consisting of three members who are officers or employees of the agency designated by the agency head subject to the approval of the commissioner of citywide administrative services.

(b) In each institution of an agency there may be an institutional examiner who shall be designated by the agency head subject to the approval of the commissioner of citywide administrative services.

(c) Members of the agency board of examiners and the institutional examiners shall, insofar as practicable, be persons in the competitive class.

3.2.6. Scope of Examination. Such examinations shall be conducted so as to show that the candidate

(a) is free from any physical or medical disability which will interfere with the proper discharge of the candidate's duties;

(b) is a person of satisfactory character and reputation;

(c) possesses the requisite knowledge and ability;

(d) is qualified by experience or training to discharge the duties of the position efficiently.

3.2.7. Examination Reports; Action of Commissioner of Citywide Administrative Services. The reports of the character, scope and results of the examination of each candidate for a non-competitive position conducted by an agency board of examiners or by an institutional examiner, as the case may be, shall be transmitted to the commissioner of citywide administrative services or appropriate forms, when approved by such board at the end of each month or as otherwise prescribed in the regulations by the commissioner of citywide administrative services. If such reports are disapproved in whole or in part by the commissioner of citywide administrative services, the employees therein disapproved shall have their appointments terminated.

3.2.8. Compensation. Except as otherwise provided, the maximum compensation for positions in the non-competitive class shall be stated on a without maintenance basis. However, appointments may be made with or without maintenance. Where appointments are made with maintenance, the cash compensation for persons receiving maintenance shall be determined by subtracting the value of maintenance from the stated salary. A schedule showing allowable maintenance shall be prepared.

3.2.9. [Deleted 6/30/86]

3.2.10. Positions for the Physically or Mentally Disabled. (a) The commissioner of citywide administrative services may determine a prescribed number of positions, not to exceed the maximum set by state law, with limited duties which can be performed by physically or mentally disabled persons who are found qualified, in the manner prescribed by law, to perform such duties.

(b) Upon such a determination, such positions shall be classified in the non-competitive class, and shall be filled by

persons who shall have been certified by either the commission for the blind and visually handicapped in the state department of social services as physically disabled by blindness or by the state education department as otherwise physically or mentally disabled and, in any event, qualified to perform satisfactorily the duties of any such position. At least three hundred of such positions shall be filled by persons who have been certified as physically disabled. If no qualified physically disabled persons have applied for such positions, the commissioner of citywide administrative services may determine to fill those unfilled positions with qualified mentally disabled persons.

(c) The commissioner of citywide administrative services shall issue procedures for approval of appointments of physically or mentally disabled persons to such non-competitive positions as are established pursuant to this rule.

3.2.11. Service Outside the City of New York. The commissioner of citywide administrative services may except from competitive examination any qualified person who is to render services in a locality outside the city and who is a resident of such locality, where competitive examination is not practicable. No such person shall be eligible for transfer or assignment to work within the city.

SECTION III-THE LABOR CLASS

3.3.1. Definition; Clssification; Requirements. (a) The labor class shall comprise all unskilled laborers in the classified service as are not classified in the competitive or non-competitive class.

(b) The commissioner of citywide administrative services shall prescribe the requirements and tests to be held for positions in the labor class.

3.3.2. Termination. Upon the termination of an employment in the labor class, the agency head shall certify to the department of citywide administrative services the reasons therefor.

SECTION IV-THE COMPETITIVE CLASS

3.4.1. Definition. The competitive class shall include all positions for which it is practicable to determine the merit and fitness of applicants by competitive examination and shall include all positions now existing or hereafter created, of whatever functions, designations, or compensation, except such positions as are in the exempt class, the non-competitive class or the labor class.

3.4.2. Application to Otherwise Classify. An application by an agency to classify in the exempt, non-competitive or labor class, a position not specifically thus classified by law shall not be considered unless it is accompanied by a statement setting forth the reasons why competitive examination is impracticable.

3.4.3. Examination. The merit and fitness of applicants for positions which are classified in the competitive class shall be ascertained by such examinations as may be prescribed by the commissioner of citywide administrative services and as provided for in these rules.

3.4.4. Jurisdictional Reclassification. Whenever a position in the exempt, non-competitive or labor class is reclassified into the competitive class, the permanent incumbent of such position, if there be any at the time of such reclassification, shall continue to hold the position with all the rights and status of a competitive employee.

RULE IV-EXAMINATION PROCEDURES, VETERANS

PREFERENCE, ELIGIBLE LISTS AND CERTIFICATION

SECTION I-GENERAL EXAMINATION PROCEDURES

4.1.1. General Provisions; Applicability. (a) The commissioner of citywide administrative services shall conduct examinations for such positions as may be necessary to anticipate the needs of the city service.

(b) The head of an examining agency shall conduct non-written promotion examinations for such positions in the agency as may be necessary to anticipate the needs of the agency.

(c) The provisions of this section shall apply to examinations conducted by the department of citywide administrative services and by examining agencies.

4.1.2. Scheduling of Examinations. The department of citywide administrative services shall maintain the general schedule of all examinations for positions in the city service.

4.1.3. Examining Agency Examination Plans. Agency examination plans for non-written promotion examinations shall contain such material as set forth in these rules or provided in the regulations. Such plans shall be submitted to the commissioner of citywide administrative services for approval prior to the holding of such examination.

4.1.4. Job Analysis. (a) A job analysis shall be conducted for each examination.

(b) Agencies shall assist the department of citywide administrative services in the preparation of job analyses for examinations conducted by the department of citywide administrative services.

(c) Job analyses conducted by examining agencies for non-written promotion examinations shall be submitted to the department of citywide administrative services by the examining agency.

4.1.5. Examination Experts. The commissioner of citywide administrative services may secure outside expert assistance in examinations or may approve an agency examination plan providing for such assistance in such cases as the commissioner of citywide administrative services deems appropriate and necessary.

4.1.6. Responsibility for Examination. (a) Every examination shall be under the direction of the assistant commissioner for examinations or designated officer of the examining agency, who shall consult with agency heads concerning the qualifications for the position for which an examination is to be held.

(b) Such examination shall be free from the influence or participation of the agency head or subordinates, except those who may be assigned to assist such assistant commissioner for examinations or designated officer of the examining agency who shall have the sole direction and control of such individuals during the period of such assignments.

4.1.7. Test and Weight. The tests comprising an examination and the relative weight given to each shall be fixed prior to each examination by the assistant commissioner for examinations in charge or in the examining agency's examination plan subject to the approval of the citywide administration services.

4.1.8. Preparation of Examinations. (a) The assistant commissioner for examinations or designated officer of the examining agency shall assign examiners for a particular examination.

(b) All written questions prepared by such examiner shall be placed in safe compartments provided by such assistant commissioner for examinations or designated agency officer. Such questions shall be printed from type or other process under the immediate supervision of such assistant commissioner for examinations or designated agency officer or a designated subordinate.

(c) The assistant commissioner for examinations or designated agency officer shall be responsible for the safekeeping of such questions unless relieved by the commissioner of citywide administrative services or agency head, as the case may be. So far as practicable, such printing shall be done immediately prior to the date of the examination.

4.1.9. Announcement. (a) In advance of an examination, the commissioner of citywide administrative services shall prepare and publish an announcement setting forth the title of the position, the minimum qualifications required, the tests of the examination, and such other information as the commissioner of citywide administrative services may

deem necessary.

(b) Where an agency is conducting a non-written promotion examination such announcement shall be included in the agency's examination plan and upon approval by the commissioner of citywide administrative services the announcement shall be published by such agency.

4.1.10. Publication. Such announcement shall be published daily throughout the entire filing period. Where the announcement does not specify a closing date, a filing period shall not be closed without at least three days' notice by publication. Such announcement and list of examinations for which applications are being received shall be posted conspicuously in the office of the department of citywide administrative services or of the examining agency, as the case may be. The provisions of paragraph 4.1.9 of this section relative to the publication of announcements shall not be applicable where a nomination for promotion is made pursuant to paragraph 5.3.7 of these rules.

4.1.11. Modification. The commissioner of citywide administrative services may, after the announcement has been published, subdivide the several tests into subjects or parts, or approve such action by an examining agency. Notice of such action must be given at the time such tests are held.

4.1.12. Limitation. Eligibility may be limited to one sex where the duties of the position involve the institutional or other custody or care of persons of the same sex, or visitation, inspection or work of any kind the nature of which constitutes a bona fide occupational qualification requiring sex selection.

SECTION II-APPLICATIONS AND RECRUITMENT

4.2.1. Application Forms and Completion. (a) The standard application forms for examinations shall be furnished by the commissioner of citywide administrative services or examining agency without charge to all persons requesting the same.

(b) An applicant shall state upon the prescribed form such information as is required including the applicant's background, experience and qualification for the position sought and merit and fitness for the public service. Applications shall be subscribed by the applicant and shall contain a declaration that the statements are made subject to the penalties of perjury.

(c) The personal history form or other prescribed form provided in connection with the investigation of an applicant shall be deemed a part of the application.

4.2.2. Filing Period. Unless otherwise provided in the announcement of the examination, the commissioner of citywide administrative services shall fix the period, or shall approve the period fixed by the examining agency, to be not less than two weeks, during which applications shall be received. There shall be not less than ten days between the last day for the receipt of applications as originally publicly announced and the date of the first test in an examination unless otherwise provided in the announcement of the examination.

4.2.3. Filing Fees. Filing fees shall be accepted by the department of citywide administrative services for all examinations including those conducted by an examining agency. The amounts of such fees and the terms and conditions for receipt and acceptance and any waivers shall be set forth in the regulations.

4.2.4. Non-Return of Applications. All applications shall be dated. An accepted application shall not be returned to the applicant or the applicant's agent, as the case may be.

4.2.5. Defective Application. An application found to be defective shall be suspended. Where an application is found to be incomplete or defective or not accompanied by the proper fee, if any, such application shall not be accepted unless the defect or omission has been corrected by the applicant and returned within seven days from the date of notification to the applicant of the required corrections.

4.2.6. Recruitment. Recruitment of persons for positions in the city service shall be conducted by the department of citywide administrative services and by agencies. Recruitment procedures shall include those set forth in the regulations or otherwise prescribed by the commissioner of citywide administrative services.

SECTION III-DISQUALIFICATION OF APPLICANTS

OR ELIGIBLES

4.3.1. General Provisions. (a) The commissioner of citywide administrative services, upon investigation of applicants for positions in the civil service or review of their qualifications, may refuse to examine an applicant or after examination refuse to certify or refuse to permit the certification of an eligible for reasons and in the manner prescribed by law or these rules.

(b) Investigation of the qualifications and background of an eligible may be made after appointment and, upon finding facts which, if known prior to appointment, would have warranted disqualification, or upon a finding of illegality, irregularity or fraud of a substantial nature in the eligible's application, examination or appointment, the certification of such eligible may be revoked by the commissioner of citywide administrative services and the employment directed to be terminated, provided, however, that no such certification shall be revoked or appointment terminated more than three years after it is made, except in the case of fraud.

(c) No person shall be disqualified by the commissioner of citywide administrative services unless such person has been given a written statement by the commissioner of citywide administrative services of the reasons therefor and afforded an opportunity to make an explanation and to submit facts in opposition to such disqualification. An examining agency's determination of eligibility of candidates for such agency's non-written promotion examination shall be subject to the provisions of 8.2.2 and 8.2.3 of these rules.

(d) Agencies shall assist the department of citywide administrative services in investigations in the manner prescribed by the commissioner of citywide administrative services.

4.3.2. General Requirements. (a) An applicant or eligible must possess the established minimum requirements and qualifications for admission to an examination or for appointment to a position.

(b) Satisfactory character and reputation shall be deemed a part of the established minimum requirements and qualifications for admission to an examination or for appointment to a position.

(c) A person convicted of petit larceny may in the discretion of the commissioner of citywide administrative services be examined or certified as a police officer or fire fighter. A person dishonorably discharged from the armed forces of the United States shall not be examined, certified or appointed as a police officer or fire fighter.

(d) Except as provided in subdivisions (e) and (f) hereof, any physical or mental disability, disease, injury, abnormality, or defect which renders a person unfit for the performance in a reasonable manner of the duties of the position the person seeks or the failure to meet the required medical or physical standards of a position, shall constitute grounds for the disqualification of such person.

(e) In the case of blind or otherwise physically handicapped persons as described in section fifty-five of the civil service law, who do not qualify under subdivision (d) hereof, due consideration shall be given to such findings as may be submitted by the state commission for the visually handicapped or the state education department, as the case may be, and such persons, if otherwise qualified, may be certified to positions from eligible lists upon which their names appear either generally or upon limited terms and conditions, as provided by regulations and procedures adopted by the commissioner of citywide administrative services.

(f) Where a person on an eligible list does not qualify under subdivision (d) hereof for the position for which the

list was established, and where such list is declared appropriate for a position requiring lesser medical and physical standards than those required for the original position, such person shall, upon application during the life of the list, if he or she meets such lesser standards, be qualified for the latter position and shall be certified thereto in his or her regular order on such list.

4.3.3. Burden. The burden of establishing the required qualifications shall be upon the applicant or eligible.

SECTION IV-ADMINISTRATION AND RATING

OF EXAMINATIONS

4.4.1. Applicability. The provisions of this section shall apply to examinations conducted by the department of citywide administrative services and by examining agencies.

4.4.2. Admission to Examination; Identification. A candidate shall not be admitted to an examination or any test thereof whose application therefor has not been presented and accepted in accordance with the rules. The name of a candidate who has not been fingerprinted at the time of examination shall not be placed on the eligible list.

4.4.3. Processing of Examination Papers. On the day of the examination, the admission cards of the candidates shall be enclosed in an envelope and sealed. In an examination in which the papers are rated in whole or in part by examiners, the identity of each candidate shall remain concealed until the ratings are completed. In an examination in which all procedures from the rating of tests to the production of the list are accomplished entirely by machine, the seal may be broken prior to rating solely to permit verification of mark-sensed application numbers.

4.4.4. Oral Tests. Oral tests, wherever practicable, shall be recorded by a suitable method to provide a reviewable record.

4.4.5. Second or Special Examinations. Except as provided in paragraph 4.4.6 hereof, or as provided in the military law of the State of New York, no candidate shall be given a second or special competitive test in connection with an examination held, unless it be shown to the satisfaction of the commissioner of citywide administrative services or the head of the examining agency that the candidate's failure to take or complete such test was due to:

(a) a manifest error or mistake for which the department of citywide administrative services or the examining agency is responsible, the nature of which shall be recorded;

(b) compulsory attendance before a court or other public body or official having the power to compel attendance;

(c) physical disability incurred during the course of and within the scope of the municipal employment of such candidate where such candidate is an officer or employee of the city; or

(d) absence from the test within a period of one week after the date of death of a spouse, mother or father, sister or brother, or child of such candidate where such candidate is an officer or employee of the city.

No such claim shall be granted unless it is submitted in writing to the department of citywide administrative services or the examining agency either in person or by certified or registered mail within two months following the date of the regular examination.

4.4.6. Sabbath Observers. A candidate claiming to be unable to participate in an examination when originally scheduled because of the candidate's religious beliefs may seek consideration as a sabbath observer by requesting a special examination by submitting to the department of citywide administrative services or examining agency such request in writing either in person or by certified or registered mail no later than five days prior to the date of the examination. A written statement signed by the candidate's religious leader attesting to the candidate's religious beliefs and certifying that the candidate is a sabbath observer and that it is contrary to the candidate's tenets to participate in an

examination during the sabbath must accompany said written request.

4.4.7. General Rating Procedures. Except when otherwise specified by the assistant commissioner for examinations or by the designated officer of the examining agency, each test, subject or part of an examination shall be rated by not less than two examiners. They, or employees designated by the assistant commissioner for examinations or by the designated officer of the examining agency, shall then affix to each paper or record a rating expressing the average of their judgment attested by their respective signatures or initials.

4.4.8. General Rating Standards. The rating shall be comparative and in accordance with such standards as the needs of the service may require.

4.4.9. Passing Rating. (a) Unless otherwise specified by resolution or regulation of the commissioner of citywide administrative services, or by the announcement of examination, candidates must attain a final examination rating of not less than seventy percent in an examination in order to be placed upon an eligible list for certification and appointment.

(b) The required passing rating in any test, subject or part of an examination shall be fixed not later than the time of the holding thereof or as soon as practicable thereafter by the assistant commissioner for examinations in charge or by the designated officer of the examining agency.

(c) Where it is anticipated that the number of eligibles will not meet the needs of the service, the commissioner of citywide administrative services or the head of an examining agency, as the case may be, may, in order to provide an eligible list to meet the needs of the service, authorize the use of any type or combination of types of conversion methods or a mathematical formula of penalties for incorrect answers on the basis of test difficulty and other relevant factors involved in the rating of any test.

(d) The commissioner of citywide administrative services or the head of an examining agency may prescribe that the passing mark shall be the lowest grade received among a certain fixed number of candidates graded highest in the examination or in any subject or part thereof.

(e) In the case of an examining agency, any action proposed to be taken pursuant to subparagraphs (b), (c) or (d) hereof which was not provided for in the agency plan for examination approved by the commissioner of citywide administrative services shall be submitted for such approval prior to any such action.

4.4.10. Finality of Rating. Except as otherwise provided by paragraph 4.4.13 hereof or by resolution or regulation of the commissioner of citywide administrative services, no final rating of a test, subject or part of an examination shall be subject to alteration or re-rating.

4.4.11. Candidates With Same Final Examination Rating. Whenever two or more candidates in an examination receive the same final examination ratings, their respective place on the resulting eligible list shall be determined for administrative reasons only by a sequence of the number derived from the last five and then the first four positions of their social security numbers.

4.4.12. Certification and Use of Eligible List Where Paragraph 4.4.11 Has Been Applied. (a) If the name of any eligible whose place on the eligible list has been determined in accordance with the procedures set forth in paragraph 4.4.11 is included in the certification for appointment the names of all other eligibles on the list having the same final examination rating as such eligible shall likewise be included in such certification.

(b) Appointments and promotions then may be made by the selection of any such eligible whose final examination rating is equal to or higher than the final examination rating of the third highest standing eligible qualified and willing to accept appointment or promotion.

4.4.13. Correction of Manifest Error or Mistake. The commissioner of citywide administrative services, at any time

prior to the establishment or during the existence of an eligible list, may correct any manifest error or mistake made in connection with an examination, on the initiative of the commissioner of citywide administrative services or that of the head of an examining agency, or in the granting of a claim of manifest error or mistake. Such action shall be taken in accordance with the procedures set forth in rule VIII of these rules and may result in a higher or lower rating. The nature of such manifest error or mistake shall be recorded.

SECTION V-ADDITIONAL CREDIT ON COMPETITIVE

EXAMINATIONS FOR VETERANS AND DISABLED VETERANS

4.5.1. Application for Additional Credit. (a) A veteran or disabled veteran who elects to claim additional credit as provided in the civil service law, shall so notify the commissioner of citywide administrative services and establish by appropriate documentary evidence eligibility for such additional credit.

(b) No such claim shall be accepted as approved which has not been filed prior to the establishment of the eligible list. However, such timely claim may, prior to appointment, be amended to reflect the disabled or non-disabled veteran status recognized by the veterans administration at the time the list was established.

4.5.2. General Procedures. (a) Prior to appointment or promotion, as the case may be, a veteran or disabled veteran reached for appointment or promotion on an eligible list by virtue of such additional credits, shall subscribe a statement on a form provided by the commissioner of citywide administrative services that no permanent original appointment or permanent promotion to a position in the civil service of the state or any civil division or city thereof had previously been obtained as a result of the additional credits prescribed in the civil service law.

(b) The agency head shall at the time of appointment require a person appointed by virtue of such additional credits to execute an instrument on a form prescribed by the commissioner of citywide administrative services, setting forth such person's public employment since January 1, 1951.

4.5.3. Use of Additional Credit. (a) A person who has received a permanent original appointment or permanent promotion to a position in the civil service of the state or any of its civil divisions as a result of additional credit shall not thereafter be entitled to additional credit, either as a veteran or disabled veteran, in any competitive examination for original appointment or promotion to any position in the civil service of the state or any civil division thereof.

(b) The appointment or promotion of a veteran or disabled veteran as a result of additional credits shall be void if such veteran or disabled veteran, prior to such appointment or promotion, had received a permanent original appointment or permanent promotion to a position in the civil service of the state or any of its civil divisions as a result of additional credits.

4.5.4. Exhaustion of Credits; Exceptions. When a veteran or disabled veteran accepts a permanent position from an eligible list by virtue of such additional credits, such person shall be deemed to have exhausted those credits unless:

(a) prior to the expiration of the probationary term, such veteran or disabled veteran resigns from the position; or

(b) the services of such veteran or disabled veteran are terminated at the end of or during the probationary term; or

(c) at the time of establishment of an eligible list, the position of a veteran or disabled veteran on such list has not been affected by the addition of credits; or

(d) at the time of appointment from an eligible list, a veteran or disabled veteran is in the same relative standing among the eligibles who are willing to accept appointment as if the veteran or disabled veteran had not been granted additional credits.

4.5.5. Withdrawal of Application; Election to Relinquish. (a) An application for additional credits may be

withdrawn by the applicant in writing at any time prior to the establishment of an eligible list or during its existence and prior to appointment or promotion therefrom. In such case, the election shall be irrevocable and the applicant's place on the eligible list shall be revised accordingly.

(b) Where such election is made in connection with certification to a position for which the list has been declared appropriate other than to the position for which the examination was held, it shall not affect the applicant's standing on the list in respect to the latter position.

4.5.6. Roster. There shall be established in the department of citywide administrative services a roster of all veterans and disabled veterans appointed or promoted as a result of the additional credits granted pursuant to the civil service law.

4.5.7. Disabled Veteran's Records. All certificates and other documents, memoranda, reports and information furnished by the United States veterans administration to the department of citywide administrative services in connection with claims for disabled veterans' preference shall be deemed confidential unless the commissioner of citywide administrative services determines that the withholding thereof is contrary to the public interest.

SECTION VI-ELIGIBLE LISTS

4.6.1. Establishment of Lists. (a) The provisions of this section shall apply to examinations conducted by the department of citywide administrative services and by examining agencies.

(b) The results of each examination shall be reported by the assistant commissioner for civil service or by the head of the examining agency, as the case may be, to the commissioner of citywide administrative services and the names of the candidates passing such examination shall be listed in the order of their respective final examination ratings. The names of disabled and non-disabled veterans who have duly established claims to additional credits shall be reported in the manner prescribed by law.

(c) The list thus reported shall be officially established only by order of the commissioner of citywide administrative services. The date prescribed in such order shall be the date of such establishment.

4.6.2. Terms and Conditions. An eligible list may be established subject to the conduct of such medical, physical, or other appropriate non-competitive qualifying tests, investigations and conditions as may be deemed appropriate by the commissioner of citywide administrative services.

4.6.3. Publication of Established Lists. An established eligible list shall be published as soon as practicable after establishment. Upon the establishment of an open competitive eligible list notification thereof shall be published as soon as practicable thereafter stating the title of the examination, the examination number, the number of passing candidates, the date of establishment, and such other information as the commissioner of citywide administrative services shall prescribe.

4.6.4. Notification to Candidates. Unless otherwise provided for in the notice of examination with respect to a continuing eligible list, the commissioner of citywide administrative services, upon the establishment of an eligible list, shall notify each candidate of the candidate's ratings and, if the candidate has received a passing final examination rating, of the numerical place on such list. Any candidate rejected for reasons other than failure to attain a passing final examination rating shall be advised of such reasons.

4.6.5. Inspection of Examination Papers. Except as otherwise provided by the commissioner of citywide administrative services, candidates may personally inspect their examination papers at the offices of the department of citywide administrative services, or the examining agency, as the case may be, at specified times in the presence of employees designated by the city personnel director or by the head of the examining agency.

4.6.6. Duration of Eligible Lists. (a) The duration of either an open competitive or promotion eligible list shall be not less than one nor more than four years from the date of establishment.

(b) Unless otherwise provided, an eligible list which has been in existence for one year or more shall terminate upon the establishment of an appropriate subsequent like list for the same title.

(c) Where the duration of an eligible list is fixed in the announcement of examination at less than four years, the commissioner of citywide administrative services may by resolution prior to the expiration date of such list extend the duration of such list up to the maximum limitation of four years, provided that such announcement of examination states that such extension may be made.

(d) The commissioner of citywide administrative services may also by resolution prior to the expiration date of an eligible list extend the duration of such list as provided for in section fifty-six of the civil service law, as amended by section one of chapter four hundred and forty-three of the laws of nineteen hundred and seventy-six.

SECTION VII-CERTIFICATION OF ELIGIBLE LISTS AND

SELECTION THEREFROM

4.7.1. General Provisions. (a) The provisions of this section shall apply to the certification of eligible lists by the commissioner of citywide administrative services or, in the case of classes of positions unique to an agency, the certification of eligible lists for such classes by the agency head.

(b) Appointments or promotions shall be made from the established list most nearly appropriate for the position to be filled, as determined by the commissioner of citywide administrative services.

(c) Appointment or promotion from an established eligible list to a position in the competitive class shall be made by the selection of one of the three persons certified by the commissioner of citywide administrative services or the head of the certifying agency, as the case may be, as standing highest on such established list who are qualified and willing to accept such appointment or promotion. Where applicable, such selection shall be made as provided for in paragraph 4.4.12 of these rules.

(d) The rating of each eligible shall be stated in the certification.

(e) The agency head may review the examination application and records of each certified eligible at the office of the department of citywide administrative services.

4.7.2. Existing Eligible Lists. (a) When an eligible list has been in existence for less than one year and contains the names of less than three eligibles willing to accept appointment, and a new list for the same position or group of positions is established, the names of the eligibles remaining on the old list shall have preference in certification over the new list until such old list is one year old. During such period such names shall be certified along with enough names from the new list to provide a sufficient number of eligibles from which selection may be made.
