RE: REQUEST FOR TRADE SECRET PROTECTION

Dear Records Access Officer:

Attached please find the Historic Pricing Report of United Metro Energy Services Corp. For the Third Quarter of 2014. United Metro Energy Services Corp. ("UMESC") respectfully requests that the information in the attached document be treated by the Commission and the Department of Public Service as trade secret information and confidential commercial information pursuant to Public Officers Law §§ 87(2) and 89(2), and the Commission's implementing regulation, 16 NYCRR § 6-1.3. General dissemination of the information contained in the filing would harm the position of UMESC in the marketplace as it would provide its competitors with proprietary information critical to its ability to do business in the state. Accordingly, we respectfully request that the attached unredacted document be treated as confidential trade secret information and afforded all of the protections against public disclosure available for such information, as provided by law.

Should you have anything further, please feel free to contact me.

Very truly yours,

UNITED METRO ENERGY SERVICES CORP.
