Re: CASE 11-G-0412 - Tariff Filing by the Keyspan Gas East Corporation d/b/a National Grid

PUBLIC COMMENT BY URAC CORP.

Dear Secretary Brillling:

Urac submits herein its comments regarding National Grid's (NGRID) filing on August 1, 2011 to amend its temperature controlled tariffs.

A review of the letter of transmittal failed to uncover the specific changes that NGRID is requesting. It is our understanding that 16 NYCRR Section 720-2.2 requires that NGRID specify each change and the reason for such. We therefore request that NGRID be directed to re-submit its letter of transmittal incorporating "The changes which are proposed to be made and the reason for each change."

Sincerely,

Douglas DiCeglio
