

## Request for Party Status

Case Number: 16-F-0559

Case Title: Application of Bluestone Wind, LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 for Construction of the Bluestone Wind Farm Project Located in the Towns of Windsor and Sanford, Broome County.

Name: Kristine Blaisure

Firm or Organization:

Postal Address: 83 Mountainview Drive, Wi

Email ID: kristineblaisure@yahoo.com

Appear on behalf of: Broome County Concerned Residents

Reason: I live in the project area - 83 Mountain View Drive, Windsor NY 13865 - Town of Sanford. I live near the project area - right in the midst of the 33 turbines - 3 of which will be in view and very close proximity of my home. I have many concerns that I feel are not being addressed in the application from Bluestone wind. I like to participate to help build the record. I am a member of BCCR and we are working together as a coalition through task groups and regular meetings.

I also like to be a party as an individual, so I can help upload documents and facilitate the discussion. Under article 10 the public has a right to participate and I am standing up for my rights.

I am concerned that the community and the nearby residences' are taken into full consideration of the impact that this project has to them regarding the vibration, noise, infrastructure (roads, lakes, streams, water tables, aquifers, etc), magnetic field, fire hazard, home values, property insurance cost increase, etc. etc.

Thank you for your consideration.
