**RE: Notice of Preliminary Scoping Statement (PSS) for the  
Bluestone Wind Project, Case No. 16-F-0559  
Towns of Windsor and Sanford, Broome County, New York**

Dear Stakeholder:

As you are probably aware, Bluestone Wind, LLC ("Applicant"), a wholly-owned subsidiary of Calpine Corporation, proposes to construct a major electric generating facility in the Towns of Sanford and Windsor, Broome County, New York. To construct the facility, the Applicant is seeking a Certificate of Environmental Compatibility and Public Need ("Certificate") from the New York State Board on Electric Generating Siting and the Environment ("Siting Board") pursuant to Article 10 of the Public Service Law and the Siting Board's rules (16 NYCRR Part 1000).

Your agency/group has been identified as an initial project stakeholder with potential interest in this proposed project. As such, we would like to take this opportunity to inform you that a Preliminary Scoping Statement (PSS) has been prepared for this project and will be filed on or about August 16th, 2017. The PSS is intended to describe the scope and methodology of studies the Applicant intends to undertake in order to develop the information necessary to characterize potential environmental and health impacts which could result from construction and operation of the proposed facility, and to identify other information and documentation which will be necessary to support the Article 10 Application.

Once the PSS is filed, stakeholders and members of the public are provided an opportunity to review and comment on the document and proposed studies. That public comment period will run 21 days from the date the PSS is filed. The Bluestone Wind PSS document will be available for review online at [www.bluestonewind.com](http://www.bluestonewind.com) and paper copies will be filed at the following Local Document Repositories:

- Windsor Library, 107 Main Street, Windsor, NY 13865
- Deposit Free Library, 159 Front St, Deposit, NY 13754

We look forward to working with you as a project stakeholder. We plan to hold an open house informational meeting in the summer of 2017 in the Town of Sanford. Please be sure to check the project website listed above for project updates and notices. If you have any questions, please feel free to contact Alec Jarvis via email at [ajarvis@calpine.com](mailto:ajarvis@calpine.com) or (207) 956-1169, or stop by our upcoming open house meetings where additional project information will be available.

Yours truly,

William Whitlock
