PART I -- THE FRANCHISE

2. GRANT OF FRANCHISE

- 2.1. Franchisee is hereby granted, subject to the terms and conditions of this Agreement, the right, privilege, and authority to construct, operate, and maintain a Communications System within the streets, alleys, and public ways of the Municipality, as now exist and may hereafter be changed.
- 2.2. Franchisee may erect, install, extend, repair, replace, and retain in, on, over, under, or upon, across and along the public streets, alleys, and ways within the Municipality, such wires, cables, conductors, ducts, conduits, vaults, manholes, amplifiers, appliances, pedestals, attachments, and other property and equipment as, in Franchisee's discretion, are necessary and appurtenant to the operation of the System in conformance with Municipal Law. Consistent with Federal law, Municipality, insofar as it may have the authority to so grant, hereby authorizes Franchisee to use any and all easements dedicated to compatible uses, such as electric, gas, telephone or other utility transmissions, for the purposes described in this Section 2 and further agrees, on request and at Franchisee's sole expense, to assist Franchisee in gaining access to and use of such easements.
- 2.3. Nothing in this Agreement shall be deemed to waive the requirements of Municipal Law regarding permits, fees to be paid to the Municipality for permits or construction, or the manner of construction.
- 2.4. No privilege or power of eminent domain shall be deemed to be bestowed by this Agreement other than that conferred pursuant to statutory law.

3. NON-EXCLUSIVE NATURE OF THIS FRANCHISE

- 3.1. This Agreement shall not be construed as any limitation upon the right of the Municipality to grant to other persons rights, privileges, or authorities similar to the rights, privileges, and authorities herein set forth, in the same or other streets, alleys, or other public ways or public places to the extent permitted under applicable law. The Municipality specifically reserves the right to grant at any time such additional franchises for this purpose as it deems appropriate, subject however, to the provisions of Section 34 of this Agreement. Any such additional franchises and/or other grants of rights to use the streets, alleys or other public ways or public spaces shall not adversely impact the authority granted under this Agreement and shall not interfere, except as permitted by applicable law, with existing facilities of the Communications System.

4. TERRITORIAL LIMITS

- 4.1. The rights and privileges awarded pursuant to this Agreement shall relate to and over the entire present territorial limits of the Municipality. In the event that any area outside the territorial limits of the Municipality is annexed during the term of this Agreement, the Franchisee shall be authorized to serve such area and, at its option, may extend service therein under the same general terms and conditions that exist in this Agreement.

5. FRANCHISE SUBJECT TO LAW AND REGULATION

- 5.1. All terms and conditions of this Agreement are subject to Federal and State law and to the rules and regulations of the FCC and the NYSPSC, as now exist or may be hereafter amended.
- 5.2. All terms and conditions of this Agreement are subject to the approval of the NYSPSC to the extent required by applicable law.
- 5.3. All rights and privileges granted hereby are subject to the police power of the Municipality to adopt and enforce laws, rules and regulations. Expressly reserved to the Municipality is the right to adopt, in addition to the provisions of this Agreement and existing laws, rules, and regulations, such additional laws, rules, and regulations as it may find necessary in the exercise of its police power; provided, however, that such additional laws, rules and regulations are reasonable, properly within the authority of the Municipality to enact, not materially in conflict with the privileges granted in this Agreement, and consistent with all Federal and State laws, rules regulations and orders.
- 5.4. The Municipality agrees to enforce applicable law in a non-discriminatory manner against all other providers of Cable Service doing business in the Municipality.
- 5.5. Within sixty (60) days of receipt of formal notification of the Municipality's approval of this Franchise, Franchisee shall file a request for certification of this franchise with the NYSPSC and shall provide the Municipality with evidence of such filing.
- 5.6. The Mayor, or other person as designated by the Municipality, shall have responsibility for the continuing administration of the rights and interests of the Municipality under this Franchise. Notwithstanding the foregoing, however, any award or denial of a franchise, revocation, termination or final notice of default shall require vote of the Municipality's governing body.

6. CONDITIONS ON USE OF STREETS AND PUBLIC GROUNDS

- 6.1. Any work that requires the disturbance of any street or that will interfere with traffic shall be undertaken in accordance with Municipal Law.
- 6.2. No poles, underground conduits or other wire-holding structures shall be erected by Franchisee without the approval of the appropriate municipal official through established permit procedures to the extent that same now or hereafter may exist, with regard to the location, height, type and any other pertinent aspect of such wire-holding facilities; provided however, such approval may not be unreasonably withheld or delayed.
- 6.3. To the extent commercially practicable, all structures, lines and equipment erected by Franchisee within the Municipality shall be so located as to cause minimum interference with the proper use of streets, alleys, easements and other public ways and places, and to cause minimum interference with rights or reasonable convenience of property owners who adjoin any of the said streets, alleys or other public ways and places. Existing poles, posts and other structures of the electric power company or any telephone company or any other public utility that may be available to Franchisee shall be used to the extent commercially practicable in order to minimize interference with travel. Where both power and telephone utilities are placed underground, and to the extent commercially practicable, Franchisee's cable also shall be placed underground.
- 6.4. Franchisee shall have the right and authority to remove, trim, cut, and keep clear trees and bushes upon and overhanging all streets, alleys, easements, sidewalks, and public places in the Municipality to the minimum extent necessary to keep same clear of poles, wires, cables, conduits and fixtures.
- 6.5. In the case of any disturbance of pavement, sidewalk, driveway or other surfacing, Franchisee shall, at its own cost and expense in accordance with Municipal Law, and within thirty (30) days, replace and restore such pavement, sidewalk, driveway or surfacing so disturbed to as good a condition as existed before said work was commenced, to the extent practicable. In the event that any municipal property is damaged or destroyed by Franchisee, such property shall be repaired or replaced by Franchisee within thirty (30) days and restored to as good a condition as existed before said work was commenced, to the extent practicable.
- 6.6. Franchisee shall take reasonable measures to ensure that all structures and all lines, equipment and connections, in, over, under and upon streets, sidewalks, alleys and public ways and places of the Municipality, wherever situated or located, shall at all times be kept and maintained in a safe, suitable, and substantial condition, and in good order and repair.

- 6.7. In exercising rights pursuant hereto, Franchisee shall not endanger or interfere with the lives of persons, nor interfere with any installations of the Municipality, any public utility serving the Municipality or any other person permitted to use the streets and public grounds, nor unnecessarily hinder or obstruct the free use of the streets and public grounds to the extent practicable. All rights granted for the construction and operation of the System shall be subject to the continuing right of the Municipality, pursuant to Municipal Law, to require such reconstruction, relocation, or change of the facilities and equipment used by Franchisee to provide Cable Service in the streets, alleys, avenues, and highways of the Municipality, as shall be reasonable under the circumstances, necessary in the public interest and without undue interference to the rights and privileges granted Franchisee pursuant to this Agreement.
- 6.8. Nothing in this Agreement shall hinder the right of the Municipality, under Municipal Law, or any governmental authority to perform or carry on, directly or indirectly, any public works or public improvements of any description. Should the System in any way materially interfere with the construction, maintenance, or repair of such public works or public improvements, Franchisee shall, at its own cost and expense, protect or relocate its System, or part thereof, as reasonably directed by the Municipality and provided Municipality provides at least thirty (30) days' written notice to Franchisee.
- 6.9. Upon notice and payment as set forth herein by a person holding a building or moving permit issued by the Municipality, Franchisee shall temporarily raise or lower its wires or other property or relocate the same temporarily so as to permit the moving or erection of buildings to the extent practicable. The expenses of any such temporary removal, raising or lowering of wires or other property shall be paid in advance to Franchisee by the person requesting same. In such cases, Franchisee shall be given not fewer than ten (10) working days prior written notice in order to arrange for the changes required.
- 6.10 With the exception of routine maintenance, the Franchisee shall give notice to the Municipality and to the residents and commercial establishments in the vicinity of proposed construction, excavation, laying or stringing of cable under streets or on poles for projects more than 1,500 feet, not less than three (3) calendar days before the commencement of such work.

7. ASSIGNMENT OR TRANSFER OF FRANCHISE

- 7.1. Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, as amended, no Transfer of the Franchise shall occur without the prior written consent of the Municipality, which consent shall not be unreasonably withheld, delayed, or conditioned.

- 7.2. To the extent permitted and/or required by applicable law, at least one-hundred twenty (120) days before a proposed Transfer of the Franchise is scheduled to become effective, Franchisee shall petition in writing for the Municipality's written consent of such proposal. If the Municipality fails to render a final decision on the request for a change of control or assignment within one-hundred twenty (120) days after receipt by the Municipality, such request shall be deemed granted unless the Franchisee and the Municipality jointly agree in writing to an extension of time.
- 7.3. In determining the ability of the proposed assignee or transferee to meet the obligations of the Franchise hereunder and in deciding whether to grant the petition, the Municipality may consider the proposed assignee's/transferee's:
 - 7.3.1. technical ability;
 - 7.3.2. the financial ability;
 - 7.3.3. good character; and
 - 7.3.4. other qualifications necessary to continue to operate the cable television system consistent with the terms of the franchise.
- 7.4. Franchisee's written petition shall be filed with the Municipality using FCC Form 394, or such similar form as hereinafter may be provided by the FCC for such purposes, and such other information as is required pursuant thereto.
- 7.5. In the event that the Municipality refuses to grant the aforementioned petition, it shall set forth the specific reasons for its decision in writing by municipal resolution.
- 7.6. No consent from or notice to the Municipality shall be required for a transfer in trust, mortgage, or other instrument of hypothecation, in whole or in part, to secure an indebtedness, or for transactions otherwise excluded under Section 1.17 above.

8. DEFAULT, REVOCATION, TERMINATION, ABANDONMENT

- 8.1. Subject to the other terms and conditions of this Agreement, the Municipality may revoke this Franchise and all rights of Franchisee hereunder for any of the following reasons:
 - 8.1.1. Franchisee fails, after sixty days (60) prior written notice from the Municipality, to comply or to take reasonable steps to comply with a material provision or material provisions of this Agreement. Notwithstanding the above, when Franchisee is once again in compliance, the right to revoke this Agreement shall no longer remain with respect to the condition that precipitated the notice; or

- 8.1.2. Franchisee takes the benefit of any present or future insolvency statute, or makes a general assignment for the benefit of creditors, or files a voluntary petition in bankruptcy, or files a petition or answer seeking an arrangement or reorganization or readjustment of its indebtedness under Federal bankruptcy laws or under any other law or statute of the United States or any State thereof, or consents to the appointment of a receiver, trustee or liquidator of all or substantially all of its property, or is adjudged bankrupt by order of decree of a court, or an order is made approving a petition filed by any of its creditors or stockholders seeking reorganization or readjustment of its indebtedness under any law or statute of the United States or of any State thereof; or
- 8.1.3. Franchisee attempts or does practice a material fraud or deceit in its securing of this Franchise; or
- 8.1.4. Franchisee practices material fraud or displays repeated negligence in the accurate reporting of information to the Municipality, including but not limited to information pertaining to Franchisee's calculation of the Municipality's Franchise Fee; or
- 8.1.5. Franchisee fails to pay any legally owed taxes or fees due the Municipality, unless the amount of such payment is part of a good faith dispute or the failure to pay is caused by inadvertent error; or
- 8.1.6. Franchisee fails to maintain adequate insurance as specified in Section 19 of this Agreement; or
- 8.1.7. Franchisee fails to obtain the prior approval of the Municipality for transfer or assignment of the Franchise pursuant to Section 7 of this Agreement.
- 8.2. For purposes of this Agreement the term "material provision" or "material provisions" shall mean the following sections of this Franchise (including any referenced definitions in Section 1): Section 7.1; Section 12.3; Section 14.1; Section 18; and Section 34.
- 8.3. Notwithstanding the above, no default, revocation or termination shall be effective unless and until the governing board of Municipality shall have adopted an ordinance or resolution setting forth the cause and reason for the revocation and the effective date thereof. The procedures for adoption of such an ordinance or resolution shall be as follows: Municipality shall provide sixty (60) days prior written notice to Franchisee of a claim of violation and reasons therefore in sufficient detail for Franchisee to address the particulars of the claim; during said sixty (60) day period Municipality shall cooperate with Franchisee and provide Franchisee an opportunity

for Franchisee to cure the alleged violation, or provide a cure plan that reasonably satisfies the Municipality. If Franchisee has failed to cure after the expiration of said sixty (60) day period or fails to provide a cure plan that reasonably satisfies the Municipality, the Municipality shall promptly schedule a public hearing no sooner than fourteen (14) days after written notice to the Franchisee. Franchisee shall be provided an opportunity to offer evidence and be fully and fairly heard at said public hearing held on the proposed adoption of such ordinance or resolution. Municipality shall obtain and make available to Franchisee, at a reasonable expense to Franchisee, a transcript of said hearing. Franchisee shall have the right to appeal any such administrative decision to a court of competent jurisdiction as Franchisee may choose, and revocation of the Franchise shall not become effective until any such appeal has become final or the time for taking such appeal shall have expired.

- 8.4. In no event, and notwithstanding any contrary provision in this section or elsewhere in this Agreement, shall this Agreement be subject to default, revocation or termination, or Franchisee be liable for non-compliance with or delay in the performance of any obligation hereunder, where its failure to cure or to take reasonable steps to cure is attributable to formal U.S. declaration of war, government ban on the affected obligation, U.S. government sponsored or supported embargo, civil commotion, strikes or work stoppages, fires, terrorist acts, any acts of God or of nature, or other events beyond the immediate control of Franchisee.
- 8.5. In the event of such circumstances as described in 8.4, Franchisee shall be automatically excused from its obligations herein during the course of any such events or conditions. Franchisee shall take reasonable measures to notify the Municipality of the existence of circumstances described in Section 8.4. The time specified for performance of Franchisee's obligations hereunder shall automatically extend for a time period equal to the period of the existence of the events or conditions and such reasonable time period thereafter as may be necessitated by any such events or conditions.
- 8.6. Franchisee shall not voluntarily abandon any service or portion thereof required to be provided pursuant to the terms of this Agreement without the prior written consent of the Municipality and the NYSPSC. Deletion of or changes to a programming service or functionality of the System shall not constitute abandonment of service for purposes of this Agreement.
- 8.7. Upon expiration, termination or revocation of this Franchise, Franchisee, at its sole cost and expense and upon written direction of the Municipality, shall remove the cables and appurtenant devices constructed or maintained in the public right-of-way in connection with the services authorized herein and provided to subscribers within the Municipality, unless Franchisee, its affiliated entities or assignees should, within six (6) months after such expiration, termination or revocation obtain certification

from the FCC to operate an Open Video System or any other Federal or State certification to provide service over the System or provided events beyond Franchisee's reasonable control make removal impracticable.

9. SEVERABILITY

- 9.1. With the exception of material provisions as defined in Section 8.2 of this Franchise, should any other provision of this Agreement be held invalid by a court of competent jurisdiction or rendered a nullity by Federal or State legislative or regulatory action, the remaining provisions of this Agreement shall remain in full force and effect.

10. EFFECTIVE DATE AND TERM

- 10.1. The effective date of this Agreement shall be the date this Agreement is granted a certificate of confirmation by the NYSPSC.
- 10.2. Subject to Section 10.3, the term of this Agreement shall be ten (10) years from the effective date.
- 10.3. Should any change to state or federal law, rules or regulations have the lawful effect of materially altering the terms and conditions under which an operator may provide cable service in the Municipality, then Franchisee may, at its option, request that the Municipality modify this Franchise to ameliorate the negative effects of the change on Franchisee or terminate this Agreement without further obligation to the Municipality. To the extent required by applicable law, modifications to and/or termination of this Agreement shall be subject to NYSPSC review and approval. If the parties cannot reach agreement on the above-referenced modification to the Franchise, then Franchisee may terminate this Agreement without further obligation to the Municipality or, at Franchisee's option, the parties agree to submit the matter to binding arbitration in accordance with the commercial arbitration rules of the American Arbitration Association.

PART II -- THE SYSTEM

11. COMPLIANCE WITH FEDERAL AND STATE LAW AND REGULATIONS

- 11.1. Franchisee shall take reasonable measures to comply with all applicable Federal, State, and local laws and regulations pertaining to the construction, erection, installation, operation, maintenance, and/or repair of the System, including the regulations of the FCC and the NYSPSC, Federal and State occupational safety and health regulations, and applicable codes including the National Electric Code, and National Electric Safety Code, all as may now exist or hereinafter amended. In addition, Franchisee shall take reasonable measures to ensure that the System shall

meet or exceed all applicable technical and performance standards of Federal and State law, including those of the FCC and the NYSPSC, as now exist or hereinafter amended.

- 11.2. Franchisee shall file requests for all necessary operating authorization with the NYSPSC and the FCC within sixty (60) days of the effective date of this Agreement.

12. SYSTEM SPECIFICATIONS

- 12.1. Subject to Federal and State law and the rules and regulations of the FCC and NYSPSC, and subject to the System's capability of providing the services and facilities prescribed in this Agreement, the technical design of the System serving the Municipality shall be at the option of Franchisee and as further described in this section.
- 12.2. All such construction and any subsequent maintenance, repair, or improvement of said System shall use materials of good and durable quality and shall be performed in a safe, workmanlike, thorough, and reliable manner to the extent practicable.
- 12.3. Franchisee's System shall provide for a minimum channel capacity of not fewer than seventy-seven (77) channels on the effective date of this Agreement. In accordance with the requirements of the NYSPSC, the exercise of this Agreement shall include reasonable efforts in good faith to maximize the number of energized channels available to subscribers, subject to the rights and obligations granted and imposed by Federal law and regulation, and to the extent economically reasonable and commercially practicable, including Franchisee's right to consider how such actions may impact upon its commercially reasonable rate of return on investment over the remaining term of the Franchise.
- 12.4. The System shall incorporate equipment capable of providing standby powering of the System so as to minimize, to the extent practicable, Area Outages caused by interruption of power furnished by the utility company. The standby powering equipment shall provide for automatic cut-in upon failure of the AC power and automatic reversion to the AC power upon resumption of AC power service. The equipment also shall be so designed as to prevent the standby power source from powering a "dead" utility line.
- 12.5. The design and construction of the System will include substantial utilization of fiber optic technology.
- 12.6. The System shall be so designed as to enable Franchisee to provide Cable Service throughout the territorial limits of the Municipality. The System shall be so constructed so as to be capable of providing Cable Service to all residential housing

units throughout the territorial limits of the Municipality subject to the provisions of Section 15.1. The Franchisee shall design the System to be able to offer Cable Service to any commercial or business customer that Franchisee is authorized to serve, subject to the provisions of Section 15.1.2.

13. SYSTEM PERFORMANCE STANDARDS

- 13.1. All Cable Service signals carried by the System shall be transmitted with a degree of technical quality not less than that prescribed by the rules and regulations of the Federal and State regulatory agencies having jurisdiction. Franchisee shall not be deemed to be out of compliance with this Section 13 to the extent another user of radio spectrum interferes with the signal quality provided by Franchisee to subscribers within the Municipality and Franchisee takes reasonable measures within its control to mitigate signal quality problems.
- 13.2. Operation of the System shall be such that, except as permitted by applicable law, no harmful interference will be caused to broadcast and satellite television and radio reception, telephone communication, amateur radio communication, aircraft and emergency communications, or other similar installation or communication within the Municipality, provided such communications are authorized and licensed, as required by applicable law.

14. SYSTEM MAINTENANCE AND REPAIR

- 14.1. Franchisee shall establish and take reasonable measures to adhere to maintenance policies that provide Service to subscribers at or above the performance standards set forth herein.
- 14.2. When interruption of Service is necessary for the purpose of making repairs, adjustments, or installations, Franchisee shall do so at such time and in such manner as will reduce inconvenience to subscribers. Unless such interruption is unforeseen or immediately necessary, Franchisee shall give reasonable notice thereof to subscribers.
- 14.3. Franchisee shall have a local or toll-free telephone number so that requests for Service repairs or adjustments can be received at any time, twenty-four (24) hours per day, and seven (7) days per week.
- 14.4. The response of Franchisee to such requests shall be in accordance with Federal and State law and regulation at a minimum and, at all times, commensurate with Franchisee's responsibility to maintain service to each subscriber with the degree of quality specified herein.

PART III -- THE SERVICE

15. GENERAL SERVICE OBLIGATION

- 15.1. Franchisee shall provide Service within the Municipality upon the lawful request of any and all persons who are owners or tenants of residential property within the Municipality, subject to the following:
 - 15.1.1. With the exception of customized installations, all residential structures located along public rights-of-way served by aerial plant within the territorial limits of the Municipality and situated within two hundred (200) feet from the trunk or feeder cable shall receive such Service at the standard installation charge.
 - 15.1.2. All commercial structures within the territorial limits of the Municipality shall be able to receive such Service, provided the owners or tenants of such structures, and such structures themselves, meet the reasonable requirements and conditions of Franchisee, including any line extension charge for the provision of said Service.
 - 15.1.3. Franchisee shall extend the System to provide Service to all areas of the Municipality along public rights-of-way which have a density of twenty (20) homes per linear mile of aerial cable or greater, or areas with less than twenty (20) homes per linear mile of aerial cable where residents agree to a contribution-in-aid-of construction as per the standards established in Section 895.5 of the rules and regulations of the NYSPSC.
 - 15.1.4. Franchisee shall not unreasonably discriminate against any person as to the availability, maintenance, and pricing of Cable Service. Nothing herein shall require Franchisee to provide service to any person who fails to abide by Franchisee's terms and conditions of service.
- 15.2. Nothing herein shall be construed to limit the Franchisee's ability to offer or provide bulk rate discounts or promotions where applicable, to the extent permitted under Federal and State law.
- 15.3. It is agreed that Service offered to subscribers pursuant to this agreement shall be conditioned upon Franchisee having legal access to any such subscriber's dwelling unit or other units wherein such service is provided.

16. MUNICIPAL AND SCHOOL SERVICE

- 16.1. Upon written request from Municipality, franchisee shall provide one (1) installation of broadcast basic cable television service without monthly service charge to one (1)

receiver location in each municipal office building, school, and library, subject to the applicable rules and regulations of the FCC and the NYSPSC, as set forth below:

16.1.1. Franchisee shall, without charge, provide one (1) standard aerial connection for basic service, as provided below, into the internal R.F. distribution system of each municipal office building, library and school within the Municipality (hereinafter singly or collectively referred to as the “premises”). Franchisee shall make a connection at one outlet in each such premise for the purpose of enabling the said premises to distribute the basic cable television service. Where such premises consist of more than one building, only one tie-in and connection shall be provided by Franchisee.

16.1.1.1. Franchisee shall make such tie-in and connection at the location designated by the appropriate official as the location of the internal R.F. distribution System of the premises. The responsibility of Franchisee shall terminate when the tie-in and connection to the internal R.F. distribution System are completed, and the responsibility for performance of the internal R.F. distribution system, and for distribution of the transmissions throughout such system shall be solely that of the administrator of the premises. Franchisee makes no representation or warranty as to the ability of such distribution system to carry the programs transmitted over its Cable System.

17. PUBLIC, EDUCATIONAL, AND GOVERNMENTAL ACCESS

17.1. Franchisee shall comply with applicable Federal and State law, rules, and regulations pertaining to non-commercial public, educational, and governmental (PEG) access to the System.

17.2. Franchisee shall provide the Municipality and the residents of the Municipality with equitable access to all non-commercial PEG access services provided by Franchisee as part of its PEG access policies, rules, and procedures. Should Franchisee's said policies, rules and procedures be inconsistent with the standards established in Section 895.4 of the rules of the NYSPSC pertaining to non-commercial governmental, educational or public access, such rules shall govern.

17.3. Franchisee shall continue to maintain an insertion point at the Warwick Town Hall, which shall include a fiber-optic transmitter, for the purpose of permitting the Municipality to originate non-commercial government/education access programming on the System from such location.

17.4 In consideration of the grant of the rights in this Agreement for the term described herein, Franchisee shall tender to Municipality, for the support of PEG access capital needs, a total of ten thousand dollars (\$10,000.00), paid within sixty (60) days after the certification of this franchise agreement, and an additional five thousand dollars (\$5,000.00) paid within sixty (60) days of written request from the Municipality during the fifth year of the franchise. To the extent such a reduction is not sufficient to make the total obligations of this Franchise equivalent to the new or renewed franchise, Franchise may deduct from future Franchise Fee payments an amount sufficient to make the obligations of this Franchise equivalent to the new or renewed franchise.

17.5 To the extent permitted by and consistent with applicable law, Franchisee may, in its sole discretion, pass through to subscribers the costs of support for PEG access provided in this Agreement.

PART IV -- FRANCHISEE'S OBLIGATIONS TO THE MUNICIPALITY

Such payment shall be made on a quarterly basis for the periods ending March 31, June 30, September 30 and December 31. Each such payment shall be due no later than thirty (30) days after the close of each such period.

- 18.1.1. The Municipality shall impose a Franchise Fee of at least the same amount as in this Section 18.1 on all new and renewed providers of Cable Service in the Municipality. In the event any new or renewed franchise agreement contains a Franchise Fee that is lesser in amount than the obligations imposed in this Section 18.1, Franchisee's obligations under this Section 18.1 shall thereafter be reduced to an equivalent amount.
- 18.2. Franchisee may, in its sole discretion, apply Franchise Fees paid pursuant to this Agreement against special franchise assessments pursuant to Section 626 of the New York State Real Property Tax Law.
 - 18.2.1. Franchisee agrees that it will not apply the Franchise Fee as a deduction against the special franchise tax payable to the Municipality, pursuant to N.Y. Real Property Tax Law Section 626, provided the Municipality obtains and enforces a written complete waiver of the full amount of the special franchise tax deduction (whether in the form of a reduction in the franchise fee amount paid to the Municipality or as a credit against the special franchise tax) from such existing and any new provider of Cable Service or cable service (as such term may be defined by other providers) in the Service Area. The operation of this Section 18.2 shall be strictly limited to Franchise Fees lawfully imposed upon Cable Service, and shall not be construed to affect the Franchisee's rights under any provision of State or Federal law regarding the provision of services other than Cable Service.
- 18.3. Each quarterly payment shall be accompanied by a report prepared by Franchisee setting out the basis for the computation of the payment.
- 18.4. Municipality or its agent may question and request data concerning the calculation or scope of the franchisee fees paid by Franchisee to Municipality pursuant to this Section 18 within three hundred sixty five days (365) days of their payment. For each such payment, after such three hundred sixty five (365) day period has run, Municipality shall be deemed to have accepted Franchisee's payment and waives its rights to challenge the amount or calculation of such payment.

19. INDEMNITY AND INSURANCE

- 19.1. Franchisee shall purchase and maintain commercial general liability insurance that shall include the following minimum coverage levels during the term of this Agreement that will protect Franchisee and the Municipality from any claims against either or both which may arise directly or indirectly as a result of Franchisee's performance hereunder:

- 19.2. The Municipality shall impose at least the same insurance obligations as those in this Section 19 on all new and renewed providers of Cable Service in the Municipality. - 19.3. Franchisee shall indemnify and hold harmless the Municipality, its officers, employees, and agents from and against all losses and claims, demands, payments, suits, actions, recoveries, and judgments of every nature and description, resulting from bodily injury, property damage or personal injury, brought or recovered, by any act or omission of Franchisee, its agents, employees, contractors and subcontractors in the construction, operation, maintenance, service or repair of the Communications System or any portion thereof, or of any failure to comply with any law, ordinance, or regulation, or by reason of any suit or claim for royalties, license fees, or infringement of patent rights arising from Franchisee's performance under this Agreement. Municipality shall promptly notify Franchisee of any claim for which it seeks indemnification, afford Franchisee the opportunity to fully control the defense of such claim and any compromise, settlement resolution or other disposition of such claim, including selection of counsel and by making available to Franchisee all relevant information under Municipality's control. Notwithstanding any provision contained herein and to the contrary, Franchisee shall have no obligation to indemnify or defend the Municipality with respect to any programming provided by the Municipality or from the Municipality's negligence.
- 19.4. Each insurance policy shall bear the name of the Municipality as an additional insured. The insurance covered referred to in this Section 19 may be included in one or more policies covering other risks of Franchisee or any of its parent companies, affiliates, subsidiaries or assigns.
- 19.5. All Franchisee insurance policies and certificates of insurance shall stipulate that the coverage afforded under the policies will not be canceled until at least thirty (30) days prior written notice has been given to the Municipality. If any policy is canceled, it shall be replaced forthwith with insurance that meets the requirements of this Agreement so that there is no lapse in coverage.
- 19.6. Not later than sixty (60) days after the effective date of this Agreement and on written request, Franchisee shall furnish to the Municipality copies of certificates of insurance in conformity with the requirements of this Franchise.

- 19.7. The Municipality may, at any time after reasonable notice, review Franchisee's compliance with the provisions of this Section. - 22.1. The Municipality, at any time, may make reasonable inquiries related to its regulatory responsibilities concerning the operation of the System. Franchisee shall respond to such inquiries in a timely fashion.
- 22.2. When repeated subscriber complaints cause the Municipality to question the reliability or technical quality of Cable Service, the Municipality shall have the right and authority to test or require Franchisee reasonably to test, analyze, and report on the performance of the System consistent with the requirements of NYPSC Rule 896 (or any subsequently enacted rule relating to testing and reporting of such tests). Franchisee shall cooperate fully with the Municipality and the NYPSC in performing such testing.
- 22.3. At all reasonable times and for the purpose of enforcement of this Agreement, Franchisee shall permit examination by any duly authorized representative of the

- 24.2. Franchisee shall furnish to the Municipality such additional information and records with respect to the operation of the System in the Municipality, and the Cable Service provided to the Municipality under this Agreement, as may be reasonably necessary and appropriate to the performance of any of the rights, functions or duties of the Municipality in connection with this Agreement.

- 25.1. Franchisee shall comply with all record keeping requirements established by Federal and State law, rules, and regulation.
- 25.2. The Franchisee shall maintain a full and complete set of plans, records, and "as built" maps showing the exact location of all cable installed or in use in the Municipality, exclusive of subscriber service drops. Municipality specifically recognizes that "as built" maps submitted pursuant to this Section 25.2 shall be treated as confidential and proprietary, in accordance with the provisions of this Section 25 and applicable law.

- 25.3. All records, logs, and maps maintained pursuant to this Agreement shall be made available to the Municipality or its designee during Franchisee's regular business hours upon reasonable request, subject to the provisions of Sections 25.4 through 25.6 and applicable privacy laws.
- 25.4. Except: (a) publicly available information, including materials filed by Franchisee with governmental agencies for which no confidential treatment has been requested; (b) as indicated in writing by Franchisee; or (c) as provided by applicable law, Municipality shall treat all materials submitted by Franchisee as confidential and proprietary and shall make them available only to persons who must have access to such information in order to perform their duties on behalf of the Municipality.

- 25.6. If Franchisee determines in its sole discretion that information requested by Municipality contains proprietary or confidential data, or if records requested by Municipality must be kept confidential under applicable law, Franchisee may present redacted versions of documents responsive to Municipality's request.

discretion of the Municipality; however, each such evaluation shall not be initiated sooner than one year after the close of a previously conducted performance evaluation, absent repeated and material customer complaints. All performance evaluation meetings shall be open to the public.

- 32.2. Not fewer than thirty (30) days prior to any performance evaluation, Municipality shall provide notice to Franchisee of the topics that it wishes to address. If Franchisee finds that the agreement(s) granting said other franchise(s) contain provisions imposing lesser obligations or more favorable terms on the company(s) thereof than are imposed by the provisions of this Agreement, then Franchisee may petition the Municipality for a modification of this Agreement. Franchisee shall be entitled with respect to said lesser obligations or more favorable terms to such modification(s) of this Agreement as may be determined to be necessary to insure fair and equal treatment by this Agreement and said other Agreements.

Such petition shall: i) indicate the presence of a non-franchised competitor(s); ii) identify the basis for Franchisee's belief that certain provisions of the Franchise Agreement place Franchisee at a competitive disadvantage; iii) identify the provisions of this Agreement to be amended or repealed in order to eliminate the competitive disadvantage. The Municipality shall not unreasonably deny Franchisee's petition.
