RE: **2009 (Revised), 2010 FCC Form 1240 & 1205**

Dear Ms. Brillling:

The Federal Communications Commission's regulations concerning cable rates and our Social Contract permit us to adjust rates annually for inflation and changes in external costs such as programming fees and copyright fees.

Accordingly, please find FCC Forms 1205 and 1240 which we used for calculating our BST rates, equipment and installation charges. We reserve the right to update the enclosed forms should better information become available to us.

The following items are included:

- Revised 2009 FCC Form 1240
- Community Unit ID Numbers included in each filing
- 2009 Rate Card and Channel Line-Up
- 2010 FCC Form 1240
- 2010 Proposed Channel Line-Ups
- FCC Form 1205

Our customer's will receive notification of the rate adjustment in their bill preceding this change in rates.

Please do not hesitate to contact me at (315) 634-6278 if you have any questions.

Sincerely,

Joseph Straub  
Vice President, Finance
