Re: Case 07-V-_____

Dear Secretary Brilling:

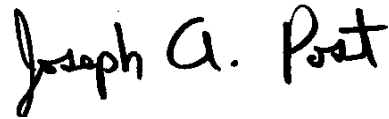

Enclosed please find an original and four (4) copies of the Petition of Verizon New York Inc. ("Verizon") for confirmation, pursuant to § 221 of the Public Service Law, of a cable franchise awarded to Verizon by the Village of Sands Point, New York.

The cable service that Verizon proposes to offer in Sands Point is a key component of the suite of advanced services (known as "Verizon FiOSSM") that will be provided through the use of innovative Fiber-to-the-Premises ("FTTP") technology. Verizon FiOS will provide the residents of Sands Point with a robust array of high-quality video services, as well as a new competitive alternative to the video services currently offered by incumbent cable and satellite providers.

Honorable Jaclyn A. Brilling
May 30, 2007

Verizon's proposed offering of FiOS video service in Sands Point complies in all respects with the requirements of New York and federal law, and will provide valuable benefits to consumers in the franchise area. Moreover, Verizon is already technically and operationally capable of offering cable service in significant portions of the franchise area. (*See* Petition ¶ 9.) Accordingly, Verizon respectfully requests that the Commission promptly review the Petition and approve it at its June 20, 2007 session.

Respectfully submitted,

Case 07-V-_____

PETITION FOR CONFIRMATION

Verizon New York Inc. (“Verizon”) respectfully requests that the Commission confirm, pursuant to § 221 of the Public Service Law, a non-exclusive cable franchise (the “Franchise”) that has been awarded to Verizon by the Village of Sands Point, a municipality located in Nassau County (the “Franchisor”).

The Franchise, and Verizon’s proposed offering of cable service in Sands Point pursuant to the Franchise, comply with all applicable requirements of federal and state law. Moreover, prompt approval of the Franchise would be in the public interest and would provide important benefits to the people of this State.

First, cable service is a key component of the suite of services (known as “Verizon FiOSSM”) that Verizon intends to offer over its Fiber-to-the-Premises (“FTTP”) platform. FTTP is an innovative new technology that uses fiber-optic cable and optical electronics to link homes and businesses directly to Verizon’s network. Aside from making advanced services — including a robust array of video services — available to Verizon’s customers, FTTP exemplifies the substantial investments that Verizon has been making in new network technologies. By approving and confirming the Franchise, the Commission will thus be demonstrating its own commitment to policies that encourage innovation and network investment.

Second, the offering of FiOS video services by Verizon will provide a competitive alternative to conventional cable and satellite services, thus promoting the emergence in the video market of the same sort of healthy competition that already exists in the telecommunications voice market — with the price and service discipline that is associated with such competition.

Accordingly, Verizon respectfully requests that the Commission review this Petition and confirm the Franchise on an expedited basis.

I. INFORMATION SUBMITTED IN SUPPORT OF THE PETITION

In support of this Petition, Verizon states as follows:¹

1. The applicant for confirmation and approval of the Franchise is Verizon.

Verizon's contact for purposes of this application is Thomas McCarroll, Vice President — Regulatory Affairs, 158 State Street, Albany, New York 12207, (518) 396-1001. The municipality that will be served pursuant to the Franchise is the Franchisor. Verizon anticipates that it will begin offering service to the public for hire pursuant to the Franchise as soon as is practicable after the Commission confirms the Franchise. (16 NYCRR § 897.2(a))

2. True copies of the Franchise and the resolution authorizing the Franchise are provided as Attachments A and B, respectively, to this Petition. A public hearing (the "Hearing") on Verizon's application for a franchise was held by the Franchisor on April 24, 2007, at Village Hall, 26 Tibbits Lane, Sands Point, New York, starting at approximately 8:00 P.M. A vote on the Franchise was taken on May 22, 2007. A true copy of the affidavit of

¹ Each of the numbered paragraphs in this section of the Petition identifies the statute or regulation that requires Verizon to provide the information set forth in the paragraph.

publication of the notice of public hearing is provided as Attachment C to this petition. (16 NYCRR § 897.2(b))

3. True copies of the documents submitted by Verizon to the Franchisor as part of, or in support of, its application for the Franchise are included in Attachment D to this petition. (16 NYCRR § 897.2(c))

4. The facilities in New York State that will be used to provide cable television service pursuant to the Franchise are owned by Verizon. (16 NYCRR § 897.2(d))

5. The technical specifications and design of the cable system are described in Attachment E to this Petition.

The Commission's rules do not require, and Verizon has no plans at this time to engage in, origination cablecasting, and Verizon will not be providing any facilities, equipment, or staff to be employed in such cablecasting. Verizon meets all of the Commission's regulations regarding the provision of PEG access channels. With respect to access cablecasting, the Franchise provides that:

Franchisee shall provide the technical ability to play back pre-recorded programming provided to Franchisee consistent with this Section. Franchisee shall transmit programming consistent with the dedicated uses of PEG Access Channels. Franchisee shall comply at all times with the requirements of Section 895.4 of the NY PSC rules and regulations.

(16 NYCRR § 897.2(e))

6. Verizon's proposed operation of the cable system at issue in this Petition would not be in violation of, or in any way inconsistent with, any applicable federal or State law or regulation. (16 NYCRR § 897.2(f))

7. A copy of this Petition is being served upon the Clerk for the Franchisor, and proof of such service is provided as Attachment F to this Petition. (Publ. Serv. L. § 221(1); 16 NYCRR § 897.2(g))

8. A notice of this Petition will be published on June 1, 2007 in Newsday. Newsday is a newspaper of general circulation in the Village of Sands Point. Verizon has submitted the notice to that newspaper, has arranged for payment of the necessary charges, and has been assured that the notice will be published on the specified date. Proof of these facts is provided as Attachment G to this Petition. Verizon will file a supplemental affidavit confirming the actual publication of the notice following publication. (16 NYCRR § 897.2(g))

9. Verizon already has the technical and operational ability to offer cable service in significant portions of the franchise area, and intends to begin offering such service shortly after the Franchise is confirmed. In order to ensure the earliest possible availability of competitive cable service within the franchise area, together with the benefits that such competition will bring, we respectfully request that the Commission rule on this Petition at its June 20, 2007 Session.

II. ISSUES RELATING TO THE STATE ENVIRONMENTAL QUALITY REVIEW ACT

A Department of Environmental Conservation “Full Environmental Assessment Form” (“EAF”) for Verizon’s offering of cable service in Sands Point, together with certain supplemental materials, is provided as Attachment H to this Petition. Verizon has completed Part 1 of the form, which calls for information to be provided by the “Project Sponsor”; Parts 2 and 3 are to be filled out by the Commission.

It is Verizon’s position that submission of an EAF is not required for the activities at issue in this Petition, and that even if such a submission were required, a short-form EAF would

suffice.² Attachment H is submitted without prejudice to that position, at Staff’s request, and in recognition of the fact that the Commission has concluded in previous orders that the offering of cable service by Verizon is an “unlisted” action — rather than a Type II action or a non-action — under the State Environmental Quality Review Act (“SEQRA”). Even if the Commission concludes that submission of an EAF is required, it should determine on the basis of Attachment H that the actions at issue here will not have a significant effect on the environment — *i.e.*, the Commission should issue a “negative declaration” under SEQRA — as it has done in prior Verizon confirmation proceedings.

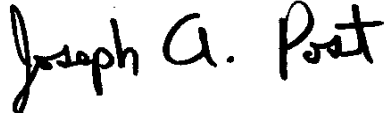

III. CONCLUSION

The Franchise, and Verizon’s proposed offering of FiOS video services in Sands Point pursuant to the Franchise, comply in all respects with applicable laws. Moreover, the proposed offering of a new alternative to the video services provided by incumbent cable and satellite providers, utilizing Verizon’s FTTP platform, is in the public interest. Accordingly, the Commission should promptly review this Petition and based on such review should confirm and approve the Franchise. Further, if the Commission concludes that review under SEQRA is required in connection with its confirmation and approval of the Franchise, it should determine that Verizon’s proposed offering of cable service pursuant to the Franchise will not have a

significant adverse environmental impact, and it should accordingly include a negative declaration under SEQRA in its confirmation order.

2.3. *Effective Date and Term:* This Franchise shall become effective on the date that the NY PSC issues a certificate of confirmation for this Franchise (the "Effective Date"), following its approval by the LFA's governing authority authorized to grant franchises and its acceptance by the Franchisee. The term of this Franchise shall be ten (10) years from the Effective Date unless the Franchise is earlier revoked as provided herein. The Franchisee shall memorialize the Effective Date by notifying the LFA in writing of the same, which notification shall become a part of this Franchise.

2.4. *Grant Not Exclusive:* The Franchise and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the LFA reserves the right to grant other franchises for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use itself, at any time during the term of this Franchise. Any such rights which are granted shall not adversely impact the authority as granted under this Franchise and shall not interfere with existing facilities of the Cable System or Franchisee's FTTP Network.

2.5. *Franchise Subject to Federal and State Law:* Notwithstanding any provision to the contrary herein, this Franchise is subject to and shall be governed by all applicable provisions of federal and state law as may be amended, including but not limited to the Communications Act and the Cable Law.

2.6. *No Waiver:*

2.6.1. The failure of the LFA on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require compliance or performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance of this Agreement, nor shall it excuse Franchisee from compliance or performance, unless such right or such compliance or performance has been specifically waived in writing.

2.6.2. The failure of the Franchisee on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of performance of this Agreement, nor shall it excuse the LFA from performance, unless such right or such performance has been specifically waived in writing.

2.7. *Construction of Agreement:*

2.7.1. The provisions of this Franchise shall be liberally construed to effectuate their objectives.

2.7.2. Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545, as amended.

2.8. *Police Powers:* Nothing in this Franchise shall be construed to prohibit the LFA's reasonable, necessary and lawful exercise of the police powers of the LFA in a manner not materially in conflict with the privileges granted in this Franchise and consistent with all federal and state laws, regulations and orders.

2.9. *Restoration of Municipal Property:* Any municipal property damaged or destroyed shall be promptly repaired or replaced by the Franchisee and restored to pre-existing condition.

2.10. *Restoration of Subscriber Premises:* The Franchisee shall ensure that Subscriber's premises are restored to their pre-existing condition if damaged by the Franchisee's employees or agents in any respect in connection with the installation, repair, or disconnection of Cable Service.

2.11. *Level Playing Field:* In accordance with the requirements of Section 895.3 of the PSC Rules, the parties hereto have determined that the terms of this Agreement, when compared against the terms of that certain cable franchise agreement (the "Incumbent Agreement"), dated January 30, 2001, by and between the LFA and the incumbent cable operator, Cablevision Systems Long Island Corporation ("Cablevision"), does not contain economic or regulatory burdens, which, when taken as a whole, are greater or lesser than those burdens placed upon Cablevision pursuant to the Incumbent Agreement.

3. **PROVISION OF CABLE SERVICE**

3.1. *Service Area:*

3.1.1. *Service Area:* Subject to the issuance of all necessary permits by the LFA, Franchisee shall offer Cable Service to significant numbers of Subscribers within residential areas of the Service Area and may make Cable Service available to businesses in the Service Area, within twelve (12) months and shall offer Cable Service to all residential areas of the Service Area within five (5) years, of the Effective Date of this Franchise, or, in both instances, such longer period as may be permitted by the Cable Law, except, in accordance with NY PSC rules and regulations: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to

access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments or buildings where Franchisee cannot gain access after good faith efforts, and (F) in areas, developments or buildings where the provision of Cable Service is economically infeasible because such provision requires non-standard facilities which are not available on a commercially reasonable basis, and (G) in areas where the occupied residential household density does not meet the density and other requirements set forth in Sub-Subsection 3.1.1.1. and Section 3.2.

3.1.1.1. *Density Requirement:* Franchisee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than thirty-five (35) occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line. Should, through new construction, an area within the Service Area meet the density requirements after the time stated for providing Cable Service as set forth in Subsection 3.1.1 respectively, Franchisee shall provide Cable Service to such area within twelve (12) months of receiving notice from the LFA that the density requirements have been met.

3.2. *Availability of Cable Service:* Franchisee shall make Cable Service available to all residential dwelling units and may make Cable Service available to businesses within the Service Area in conformance with Section 3.1, and Franchisee shall not discriminate between or among any individuals in the availability of Cable Service or based upon the income in a local area. In the areas in which Franchisee shall provide Cable Service, Franchisee shall be required to connect, at Franchisee's expense, other than a standard installation charge, all residential dwelling units that are within two hundred fifty (250) feet of aerial trunk or feeder lines not otherwise already served by Franchisee's FTTP Network. Franchisee shall be allowed to recover, from a Subscriber that requests such connection, the actual costs incurred for residential dwelling unit connections that exceed two hundred fifty (250) feet or are in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile and the actual costs incurred to connect any non-residential dwelling unit Subscriber, provided, however, that Franchisee may seek a waiver of any requirement that it extend service to any party requesting the same in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile if such would not be possible within the limitations of economic feasibility. If premises are served by aerial lines, and the Subscriber requests an underground installation, Franchisee can charge the Subscriber Franchisee's actual cost. Such costs shall be submitted to said Subscriber in writing, before installation is begun.

3.2.1. *Service Availability Meeting:* Franchisee agrees that, upon the LFA's request and with no less than thirty (30) days written notice, but no more than once per year, a representative of the Franchisee will meet with representatives of the LFA at a Service Availability Meeting to provide additional information on the status of the deployment of Cable Services in the Franchise Area. During these Service Availability Meetings, the Franchisee's representative will show the LFA's representatives, for viewing only, a map provided by the Franchisee showing the availability of Cable Services in the Franchise Area. The Service Availability Meetings may be attended only by representatives of the LFA and the Franchisee and will not be open to the public. Any information disclosed by the Franchisee during these Service Availability Meetings that the Franchisee requests be treated as confidential, trade secret

or proprietary in nature shall be treated by the LFA as being confidential, trade secret or proprietary to the extent provided under Section 87(2)(d) of the New York Public Officers Law and shall be disclosed only to employees, representatives, and agents thereof who have a need to know. For purposes of this Section, proprietary or confidential information includes, but is not limited to: information related to the Cable System design; trade secrets; Subscriber lists; marketing plans; financial information; or other information which may reasonably be considered competitively sensitive. If the LFA receives a request under FOIL or similar law for the disclosure of information that Franchisee has requested be treated as confidential, trade secret or proprietary, the LFA shall notify Franchisee of such request within five (5) business days of receipt of such a request. The Franchisee will notify the LFA of its position on disclosure within five (5) days of notification from the LFA. The LFA shall notify both the FOIL applicant and the Franchisee in writing of its decision to grant or deny a request. If the Franchisee has requested that the LFA deny release of any information that the LFA determines is subject to disclosure, then the LFA shall withhold such information for seven (7) days from the date of LFA's notice of its decision to the Franchisee to give Franchisee the opportunity to seek judicial redress to preclude disclosure. The LFA shall not make public disclosure of such information if it is exempt from mandatory disclosure under FOIL or unless required by court order. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

3.3. *Cable Service to Public Buildings:* Subject to Section 3.1, Franchisee shall provide, without charge within the Service Area, one service outlet activated for Basic Service to each public school and public library, and such other buildings used for municipal purposes as may be designated by the LFA as provided in Exhibit A attached hereto; provided, however, that if it is necessary to extend Franchisee's aerial trunk or feeder lines more than five hundred feet solely to provide service to any such school or public building, the LFA shall have the option either of paying Franchisee's direct costs for such extension in excess of five hundred (500) feet, or of releasing Franchisee from the obligation to provide service to such school or public building. Furthermore, Franchisee shall be permitted to recover, from any school or public building owner entitled to free service, the direct cost of installing, when requested to do so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than five hundred (500) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed. Cable Service may not be resold or otherwise used in contravention of Franchisee's rights with third parties respecting programming. Equipment provided by Franchisee, if any, shall be replaced at retail rates if lost, stolen or damaged. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such costs shall be submitted to said recipient in writing, before installation is begun.

3.4. *Contribution in Aid:* Notwithstanding the foregoing, Franchisee shall comply at all times, with the requirements of Section 895.5 of NY PSC rules and regulations.

4. **SYSTEM FACILITIES**

4.1. *Quality of Materials and Work:* Franchisee shall construct and maintain its System using materials of good and durable quality, and all work involved in the construction,

installation, maintenance and repair of the Cable System shall be performed in a safe, thorough and reliable manner.

4.2. *System Characteristics:* During the term hereof Franchisee's Cable System shall meet or exceed the following requirements:

4.2.1. The System shall be designed and operated with an initial analog and digital carrier passband between 50 and 860 MHz and shall provide for a minimum channel capacity of not less than 77 channels on the Effective Date.

4.2.2. The System shall be designed to be an active two-way plant for subscriber interaction, if any, required for the selection or use of Cable Service.

4.3. *Interconnection:* The Franchisee shall design its Cable System so that it may be interconnected with other cable systems in the Franchise Area. Interconnection of systems may be made by direct cable connection, microwave link, satellite, or other appropriate methods.

4.4. *Emergency Alert System:* Franchisee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and the State of New York, including the NY PSC's rules and regulations and the current New York EAS Plan, in order that emergency messages may be distributed over the System.

5. **PEG SERVICES**

5.1. *PEG Set Aside:*

5.1.1. In order to ensure universal availability of public, educational and government programming, Franchisee shall provide capacity on its Basic Service tier for up to one (1) dedicated Public Access Channel, one (1) dedicated Educational Access Channel, and up to one (1) dedicated Government Access Channel (collectively, "PEG Channels").

5.1.2. The programming to be carried on each of the PEG Channels set aside by Franchisee is reflected in Exhibit C attached hereto. The LFA hereby authorizes Franchisee to transmit such programming within and without LFA jurisdictional boundaries. Franchisee specifically reserves the right to make or change channel assignments in its sole discretion. If a PEG Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Channel for its intended purpose. In the event that the LFA determines to use PEG capacity, the LFA shall provide Franchisee with prior written notice of such request in accordance with NY PSC rules and regulations.

5.1.3. Franchisee shall provide the technical ability to play back pre-recorded programming provided to Franchisee consistent with this Section. Franchisee shall transmit programming consistent with the dedicated uses of PEG Access Channels. Franchisee shall comply at all times with the requirements of Section 895.4 of the NY PSC rules and regulations.

5.2. *Franchise Grants:*

5.2.1. The Franchisee shall pay an Initial Franchise Grant to the LFA in the amount of Seven Thousand Five Hundred and 00/100 Dollars (\$7,500.00) (the "Initial Franchise Grant"), which shall be payable within sixty (60) days of the Effective Date.

5.2.2. In addition to the Initial Franchise Grant, the Franchisee shall pay to the LFA a Supplementary Franchise Grant (the "Supplementary Franchise Grant") totaling five thousand 00/100 dollars (\$5,000) in accordance with the following schedule and respective amounts.

5.2.2.1. On the date which is sixty (60) days from the fourth (4th) anniversary of the Effective Date, the Franchisee shall pay to the LFA a Supplementary Franchise Grant in the amount of two thousand five hundred 00/100 dollars (\$2,500.00).

5.2.2.2. On the date which is sixty (60) days from the seventh (7th) anniversary of the Effective Date, the Franchisee shall pay to the LFA a Supplementary Franchise Grant in the amount of two thousand five hundred 00/100 dollars (\$2,500.00).

5.2.3. The Initial Franchise Grant and the Supplementary Franchise Grant shall be used by the LFA in a manner consistent with applicable federal and state laws, rules and regulations.

5.3. *Indemnity for PEG:* The LFA shall require all local producers and users of any of the PEG facilities or Channels to agree in writing to authorize Franchisee to transmit programming consistent with this Agreement and to defend and hold harmless Franchisee and the LFA from and against any and all liability or other injury, including the reasonable cost of defending claims or litigation, arising from or in connection with claims for failure to comply with applicable federal laws, rules, regulations or other requirements of local, state or federal authorities; for claims of libel, slander, invasion of privacy, or the infringement of common law or statutory copyright; for unauthorized use of any trademark, trade name or service mark; for breach of contractual or other obligations owing to third parties by the producer or user; and for any other injury or damage in law or equity, which result from the use of a PEG facility or Channel. The LFA shall establish rules and regulations for use of PEG facilities, consistent with, and as required by, 47 U.S.C. §531.

5.4. *Recovery of Costs:* To the extent permitted by federal law, the Franchisee shall be allowed to recover the costs of an Initial and Supplementary Franchise Grant or any other costs arising from the provision of PEG services from Subscribers and to include such costs as separately billed line items on each Subscriber's bill. Without limiting the foregoing, if allowed under state and federal laws, Franchisee may externalize, line-item, or otherwise pass-through interconnection and any franchise-related costs to Subscribers.

6. **FRANCHISE FEES**

6.1. *Payment to LFA:* Franchisee shall pay to the LFA a Franchise Fee of five percent (5%) of annual Gross Revenue (the "Franchise Fee"). In accordance with Title VI, the twelve (12) month period applicable under the Franchise for the computation of the Franchise

Fee shall be a calendar year. Such payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Franchisee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall be refunded any payments that were incorrectly submitted, in connection with the quarterly Franchise Fee remittances within ninety (90) days following the close of the calendar year for which such payments were applicable.

6.2. *Supporting Information:* Each Franchise Fee payment shall be accompanied by a brief report prepared by a representative of Franchisee showing the basis for the computation.

6.3. *Audit:* LFA, or its designee, may conduct an audit or other inquiry in relation to payments made by Franchisee no more than once every three (3) years during the Term. As a part of the audit process, LFA or LFA's designee may inspect Franchisee's books of accounts relative to LFA at any time during regular business hours and after thirty (30) calendar days prior written notice.

6.3.1. All records deemed by LFA or LFA's designee to be reasonably necessary for such audit shall be made available by Franchisee in a mutually agreeable format and location. Franchisee agrees to give its full cooperation in any audit and shall provide responses to inquiries within thirty (30) calendar days of a written request. Franchisee may provide such responses within a reasonable time after the expiration of the response period above so long as Franchisee has made a good faith effort to procure any such tardy response.

6.3.2. If the results of any audit indicate that Franchisee (i) paid the correct franchise fee, (ii) overpaid the franchise fee and is entitled to a refund or credit, or (iii) underpaid the franchise fee by five percent (5%) or less, then LFA shall pay the costs of the audit. If the results of the audit indicate Franchisee underpaid the franchise fee by more than five percent (5%), then Franchisee shall pay the reasonable, documented, third-party costs of the audit, which costs shall be limited to Ten Thousand Dollars (\$10,000.00).

6.3.3. Any auditor employed by LFA shall not be compensated on a success based formula, e.g., payment based on a percentage on underpayment, if any. Franchisee shall be provided a reasonable opportunity to review the results of any audit and to dispute any audit results which indicate an underpayment to the LFA.

6.4. *Limitation on Franchise Fee Actions:* The parties agree that the period of limitation for recovery of any Franchise Fee payable hereunder shall be six (6) years from the date on which payment by Franchisee is due, but cannot exceed the date of records retention reflected in Section 7.

6.5. *Bundled Services:* If Cable Services subject to the Franchise Fee required under this Article 6 are provided to Subscribers in conjunction with Non-Cable Services, the Franchise Fee shall be applied only to the value of the Cable Services, as reflected on the books and records of Franchisee in accordance with FCC or state public utility regulatory commission rules, regulations, standards or orders.

7. REPORTS AND RECORDS

7.1. *Open Books and Records:* Upon reasonable written notice to the Franchisee and with no less than thirty (30) business days written notice to the Franchisee, the LFA shall have the right to inspect Franchisee's books and records pertaining to Franchisee's provision of Cable Service in the Franchise Area at any time during Normal Business Hours and on a non-disruptive basis, as are reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the section or subsection of the Franchise which is under review, so that Franchisee may organize the necessary books and records for appropriate access by the LFA. Franchisee shall not be required to maintain any books and records for Franchise compliance purposes longer than six (6) years. Notwithstanding anything to the contrary set forth herein, Franchisee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Service Area. The LFA shall treat any information disclosed by Franchisee as confidential and shall only disclose it to employees, representatives, and agents thereof who have a need to know, or in order to enforce the provisions hereof. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

7.2. *Records Required:* Franchisee shall at all times maintain:

7.2.1. Records of all written complaints for a period of three (3) years after receipt by Franchisee. The term "complaint" as used herein refers to complaints about any aspect of the Cable System or Franchisee's cable operations, including, without limitation, complaints about employee courtesy. Complaints recorded will not be limited to complaints requiring an employee service call;

7.2.2. Records of outages for a period of three (3) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

7.2.3. Records of service calls for repair and maintenance for a period of three (3) years after resolution by Franchisee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

7.2.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by Franchisee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

7.2.5. A map showing the area of coverage for the provisioning of Cable Services and estimated timetable to commence providing Cable Service.

7.3. *System-Wide Statistics:* Any valid reporting requirement in the Franchise may be satisfied with system-wide statistics, except those related to Franchise Fees and consumer complaints.

8. **INSURANCE AND INDEMNIFICATION**

8.1. *Insurance:*

8.1.1. Franchisee shall maintain in full force and effect, at its own cost and expense, during the Franchise Term, the following insurance coverage:

8.1.1.1. Commercial General Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for property damage and bodily injury. Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of Franchisee's Cable Service business in the LFA.

8.1.1.2. Automobile Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for bodily injury and property damage coverage.

8.1.1.3. Workers' Compensation Insurance meeting all legal requirements of the State of New York.

8.1.1.4. Employers' Liability Insurance in the following amounts: (A) Bodily Injury by Accident: \$100,000; and (B) Bodily Injury by Disease: \$100,000 employee limit; \$500,000 policy limit.

8.1.1.5. Excess liability or umbrella coverage of not less than ten million dollars (\$10,000,000).

8.1.2. The LFA shall be designated as an additional insured under each of the insurance policies required in this Article 8 except Worker's Compensation Insurance, Employer's Liability Insurance, and excess liability or umbrella coverage.

8.1.3. Each of the required insurance policies shall be non-cancellable except upon thirty (30) days prior written notice to the LFA. Franchisee shall not cancel any required insurance policy without submitting documentation to the LFA verifying that the Franchisee has obtained alternative insurance in conformance with this Agreement.

8.1.4. Each of the required insurance policies shall be with sureties qualified to do business in the State of New York, with an A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition.

8.1.5. Upon written request, Franchisee shall deliver to the LFA Certificates of Insurance showing evidence of the required coverage.

8.2. *Indemnification:*

8.2.1. Franchisee agrees to indemnify the LFA, its officers, agents, boards, elected officials, authorized representatives and employees for, and hold the same harmless from, all liability, damage, cost or expense arising from claims of injury to persons or damage to property occasioned by reason of any conduct undertaken pursuant to the Franchise,

provided that the LFA shall give Franchisee timely written notice of the LFA's request for indemnification within a reasonable period of time from receipt of a claim or action pursuant to this Subsection to enable the Franchisee to timely answer complaints, raise defenses and to defend all claims. Notwithstanding the foregoing, Franchisee shall not indemnify the LFA for any damages, liability or claims resulting from the willful misconduct or negligence of the LFA, its officers, agents, employees, attorneys, consultants, independent contractors, or third parties or for any activity or function conducted by any Person other than Franchisee in connection with PEG Access or EAS.

8.2.2. With respect to Franchisee's indemnity obligations set forth in Subsection 8.2.1, Franchisee shall provide the defense of any claims brought against the LFA by selecting counsel of Franchisee's choice to defend the claim, subject to the consent of the LFA, which shall not be unreasonably withheld. Nothing herein shall be deemed to prevent the LFA from cooperating with the Franchisee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the LFA, Franchisee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Franchisee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such proposed settlement includes the release of the LFA and the LFA does not consent to the terms of any such settlement or compromise, Franchisee shall not settle the claim or action but its obligation to indemnify the LFA shall in no event exceed the amount of such settlement.

8.2.3. The LFA shall be responsible for its own acts of willful misconduct, negligence, or breach, subject to any and all defenses and limitations of liability provided by law. The Franchisee shall not be required to indemnify the LFA for acts of the LFA which constitute willful misconduct or negligence on the part of the LFA, its officers, employees, agents, attorneys, consultants, independent contractors or third parties.

9. TRANSFER OF FRANCHISE

9.1. *Transfer:* Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, as amended, no Transfer of the Franchise shall occur without the prior consent of the LFA, provided that such consent shall not be unreasonably withheld, delayed or conditioned. In considering an application for the Transfer of the Franchise, the LFA may consider the applicant's: (i) technical ability; (ii) financial ability; (iii) good character; and (iv) other qualifications necessary to continue to operate the Cable System consistent with the terms of the Franchise. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Franchisee in the Franchise or Cable System in order to secure indebtedness, or for transactions otherwise excluded under Section 1.31 above.

10. RENEWAL OF FRANCHISE

10.1. *Governing Law:* The LFA may lawfully grant or deny any proposal for renewal submitted by the Franchisee to the LFA. The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed

by and comply with the provisions of Section 12.11 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended.

10.2. *Needs Assessment:* In addition to the procedures set forth in Section 626 of the Communications Act, the LFA shall notify Franchisee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of Franchisee under the then current Franchise term. Such assessments shall be provided to Franchisee by the LFA within 10 business days of the completion of the assessments so that Franchisee will have adequate time to submit a proposal under 47 U.S.C. § 546 and complete renewal of the Franchise prior to expiration of its term.

10.3. *Informal Negotiations:* Notwithstanding anything to the contrary set forth herein, Franchisee and the LFA agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the LFA and Franchisee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the LFA may grant a renewal thereof.

10.4. *Consistent Terms:* Franchisee and the LFA consider the terms set forth in this Article 10 to be consistent with the express provisions of 47 U.S.C. § 546 and the Cable Law.

11. **ENFORCEMENT AND TERMINATION OF FRANCHISE**

11.1. *Notice of Violation:* If at any time the LFA believes that Franchisee has not complied with the terms of the Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the LFA shall then notify Franchisee in writing of the exact nature of the alleged non-compliance in a reasonable time (for purposes of this Article, the "Non-compliance Notice").

11.2. *Franchisee's Right to Cure or Respond:* Franchisee shall have sixty (60) days from receipt of the Non-compliance Notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of non-compliance; (ii) cure such non-compliance; or (iii) in the event that, by its nature, such non-compliance cannot be cured within such sixty (60) day period, initiate reasonable steps to remedy such non-compliance and notify the LFA of the steps being taken and the date by which Franchisee projects that it will complete cure of such non-compliance. Upon cure of any non-compliance, the LFA shall provide written confirmation that such cure has been effected.

11.3. *Public Hearing:* The LFA shall schedule a public hearing if the LFA seeks to continue its investigation into the alleged non-compliance (i) if Franchisee fails to respond to the Non-compliance Notice pursuant to the procedures required by this Article, or (ii) if Franchisee has not remedied the alleged non-compliance within sixty (60) days or the date projected pursuant to Section 11.2(iii) above. The LFA shall provide Franchisee at least sixty (60) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Franchisee the opportunity to be heard.

11.4. *Enforcement:* Subject to Section 12.11 below and applicable federal and state law, in the event the LFA, after the public hearing set forth in Section 11.3, determines that Franchisee is in default of any provision of this Franchise, the LFA may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

11.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

11.4.3. In the case of a substantial non-compliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 11.5.

11.5. *Revocation:* Should the LFA seek to revoke this Franchise after following the procedures set forth above in this Article, including the public hearing described in Section 11.3, the LFA shall give written notice to Franchisee of such intent. The notice shall set forth the specific nature of the non-compliance. The Franchisee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the LFA has not received a satisfactory response from Franchisee, it may then seek termination of the Franchise at a second public hearing. The LFA shall cause to be served upon the Franchisee, at least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

11.5.1. At the designated public hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the LFA, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing.

11.5.2. Following the second public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the LFA in writing and thereafter the LFA shall determine (i) whether an event of default has occurred under this Franchise; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Franchisee. The LFA shall also determine whether it will revoke the Franchise based on the information presented, or, where applicable, grant additional time to the Franchisee to effect any cure. If the LFA determines that it will revoke the Franchise, the LFA shall promptly provide Franchisee with a written determination setting forth the LFA's reasoning for such revocation. Franchisee may appeal such written determination of the LFA to an appropriate court, which shall, to the extent permitted under applicable law, have the power to review the decision of the LFA *de novo*. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the written determination of the LFA.

11.5.3. The LFA may, at its sole discretion, take any lawful action that it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

11.6. *Abandonment of Service:* Franchisee shall not abandon any Cable Service or portion thereof without the LFA's prior written consent as provided in the Cable Law.

12. **MISCELLANEOUS PROVISIONS**

12.1. *Actions of Parties:* In any action by the LFA or Franchisee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

12.2. *Binding Acceptance:* This Agreement shall bind and benefit the parties hereto and their respective heirs, beneficiaries, administrators, executors, receivers, trustees, successors and assigns, and the promises and obligations herein shall survive the expiration date hereof.

12.3. *Preemption:* In the event that federal or state law, rules, or regulations preempt a provision or limit the enforceability of a provision of this Agreement, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. In the event such federal or state law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the LFA.

12.4. *Force Majeure:* Franchisee shall not be held in default under, or in non-compliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to non-compliance or default, where such non-compliance or alleged defaults occurred or were caused by a Force Majeure.

12.4.1. Furthermore, the parties hereby agree that it is not the LFA's intention to subject Franchisee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on Subscribers, or where strict performance would result in practical difficulties and hardship being placed upon Franchisee that outweigh the benefit to be derived by the LFA and/or Subscribers.

12.5. *Notices:* Unless otherwise expressly stated herein, notices required under the Franchise shall be mailed first class, postage prepaid, to the addressees below. Each party may change its designee by providing written notice to the other party.

Any local laws or parts of local laws that materially conflict with the provisions of this Agreement are superseded by this Agreement.

12.7. *Amendments and Modifications:* Amendments and/or modifications to this Franchise shall be mutually agreed to in writing by the parties and subject to the approval of the NY PSC, pursuant to the Cable Law.

12.8. *Captions:* The captions and headings of articles and sections throughout this Agreement are intended solely to facilitate reading and reference to the articles, sections and provisions of this Agreement. Such captions shall not affect the meaning or interpretation of this Agreement.

APPLICATION FOR A CABLE TELEVISION FRANCHISE

BY VERIZON NEW YORK INC.

Verizon New York Inc. ("Verizon NY") respectfully submits this application form ("Application") and requests the award of a cable television franchise from the Village of Sands Point ("Municipality"). In this application, Verizon NY answers the questions set forth in Title 16, Chapter VIII, Part 894, Section 894.5, of the Official Compilation of Codes, Rules and Regulations of the State of New York, as amended.

- (1) A description of the cable television system proposed to be constructed including information regarding (a) channel capacity, including both the total capability of the proposed system and the number of channels to be energized immediately; (b) television and radio broadcast signals which Verizon NY intends to carry on its system initially; (c) the extent and type of any origination cable casting to be undertaken, and the facilities, equipment and staff to be employed therein; and (d) the system layout or design, including where applicable: (i) location of antennae and headends; (ii) plans for a two-way capability including a proposed schedule indication when two-way capability will become available from particular points; (iii) location or origination points and origination facilities; (iv) extent and type of automated services to be provided; and (v) number of channels to be utilized for access cablecasting and the facilities, equipment, staff and other support to be available to access users including access utilization or production costs.

In response to the information requested in subsections 1(a) and (d)(i-ii), please see attached Exhibit 1, "Proposed Service Overview, Product Offers and Architecture." In response to question 1(b), please see the sample channel line up set forth in Exhibit 2, "Verizon FiOS TV-Sample Channel Lineup."¹

In response to the information requested in subsection 1(c) and 1(d)(iii), Verizon NY does not currently plan to engage in origination cable casting.

In response to the information sought in subsection 1(d)(v), in order to ensure universal availability of public, educational and government programming, upon written request, Franchisee shall provide capacity on its Basic Service tier for up to one (1) dedicated Public Access Channel, one (1) dedicated Educational Access Channel, and up to one (1) dedicated Government Access Channel (collectively, "PEG Channels").

¹ Please note that the channel line-up set forth in Exhibit 2 is a sample and is subject to modification for the Municipality. Once the channel line-up is finalized, Verizon NY will provide it to the Municipality.

- (2) The terms and conditions under which service is to be provided to educational and governmental entities.

Verizon NY will provide channel capacity to educational and governmental entities under terms and conditions consistent with applicable law, and as may be required by the Municipality.

- (3) The terms concerning rates and construction schedules.

Verizon NY's current cable television service rates and available packages are attached as Exhibit 3.

Verizon NY has completed or is in the process of completing the construction of its fiber to the premises ("FTTP") network to approximately 88% of the households in the Municipality. A full discussion of the construction requirements and central office conversion requirements to bring FTTP and cable television service to the Municipality is contained in Exhibit 1.

On June 15, 2005, the New York Public Service Commission ("PSC") "declared that Verizon NY's FTTP upgrade is authorized under its existing state telephone rights because the upgrade furthers the deployment of telecommunications and broadband services, and is consistent with state and federal law and in the public interest." The PSC determined that, unlike a company seeking to build an unfranchised cable television system, Verizon NY already has the necessary authority to use the rights-of-way to provide telecommunications service over its existing network. See Declaratory Ruling on Verizon Communication, Inc.'s Built-Out of its Fiber to the Premises Network, NY Public Service Commission, Case 05-M-0520/05-M-0247, June 15, 2005 at 4.

Verizon NY will continue to adhere to applicable lawful customary time, place and manner permitting requirements of the Municipality.

- (4) An indication of whether Verizon NY will provide service on the same terms and conditions as contained in the existing franchise in effect.

Verizon NY will provide service on terms and conditions consistent with the needs and interests of the Municipality and the level playing field requirement set forth in Title 16, Chapter VIII, Part 895, Section 895.3 of the Official Compilation of Codes, Rules and Regulations of the State of New York, as amended, in that the Verizon NY proposed franchise is comparable in its totality with the incumbent cable television provider's agreement. Verizon NY is applying for a cable television franchise in the Municipality in order to provide the residents of the Municipality with competitive choice.

As more fully described in Exhibit 1, Verizon NY is constructing its FTTP network pursuant to its authority as a common carrier under Title II of the Communications Act of 1934, as amended, and Section 27 of the New York Transportation Corporations Law. For this reason and others, certain terms and conditions may differ between the incumbent cable provider's franchise and Verizon NY's franchise.

- (5) A statement of Verizon NY's experience in the cable television field including, if applicable, the names and professional experience of the persons or organizations who will be responsible for the construction, installation and operation of the proposed system.

Verizon NY and its predecessor entities have provided telecommunications services in the State of New York for over one hundred years. Consequently, Verizon NY has extensive experience and expertise in the telecommunications field. Generally, the current cable service operation of Verizon NY is similarly based on an extensive history. Specifically, Verizon NY has applied the comprehensive knowledge of current Verizon NY employees in the provision of telecommunications service, including in-depth knowledge and experience of employees who were involved in affiliated enterprises.

Verizon NY was awarded cable television franchises by the following municipalities: (1) Village of Massapequa Park (Nassau County); (2) Village of Nyack (Rockland County); (3) Village of South Nyack (Rockland County); (4) Village of Upper Nyack (Rockland County); (5) Town of Hempstead (Nassau County); (6) Village of Cedarhurst (Nassau County); (7) Town of Oyster Bay (Nassau County); (8) Village of Laurel Hollow (Nassau County); (9) Village of Grand View-on-Hudson (Rockland County); (10) Village of Lynbrook (Nassau County); (11) Town of Clarkstown (Rockland County); (12) Village of Mineola (Nassau County); (13) Village of East Rockaway (Nassau County); (14) Town of Greenburgh (Westchester County); (15) Town of Smithtown (Suffolk County); (16) Village of Irvington (Westchester County); (17) Village of Valley Stream (Nassau County); (18) Town of Huntington (Suffolk County); (19) Village of Farmingdale (Nassau County); (20) Village of Ardsley (Westchester County); (21) Village of Freeport (Nassau County); (22) Village of Dobbs Ferry (Westchester County); (23) Village of Tarrytown (Westchester County); (24) Town of Eastchester (Westchester County); (25) Town/Village of Mount Kisco; (26) Village of Elmsford (Westchester County); (27) Village of Port Chester (Westchester County); (28) Village of Tuckahoe (Westchester County); and (29) Town of Orangetown (Rockland County).

The NY PSC granted the following Orders and Certificates of Confirmation for Verizon NY's approved franchises: (1) Massapequa Park - December 14, 2005; (2) Nyack - February 8, 2006; (3) South Nyack -

February 8, 2006; (4) Upper Nyack – May 18, 2006; (5) Hempstead – May 18, 2006; (6) Cedarhurst – June 22, 2006; (7) Oyster Bay – June 23, 2006; (8) Laurel Hollow – August 24, 2006; (9) Grand View-on-Hudson – August 24, 2006; (10) Lynbrook – September 21, 2006; (11) Clarkstown – September 21, 2006; (12) Mineola – September 21, 2006; (13) East Rockaway – October 19, 2006; (14) Greenburgh – October 19, 2006; (15) Smithtown – November 10, 2006; (16) Irvington – November 10, 2006; (17) Valley Stream – November 10, 2006; (18) Huntington – November 10, 2006; (19) Farmingdale – November 10, 2006; (20) Tarrytown – December 15, 2006; (21) Dobbs Ferry – December 15, 2006; (22) Ardsley – December 15, 2006; (23) Freeport – December 15, 2006; (24) Eastchester – January 19, 2007; (25) Mount Kisko – January 19, 2007; (26) Elmsford – February 15, 2007; (27) Village of Port Chester – March 23, 2007; and (28) Village of Tuckahoe – March 23, 2007.

Furthermore, other subsidiaries of Verizon Communications Inc. were awarded cable television franchises by 766 franchising authorities in California, Delaware, Florida, Maryland, Massachusetts, Pennsylvania, Texas, and Virginia.

- (6) A statement indicating whether Verizon NY or any of its principals owns or operates any other cable television system, directly or indirectly, and a statement indicating the name of any such operations and the name and address of the chief executive officer of the franchising authority in which such system or station is located.

Verizon NY does not own or operate any other cable television system, directly or indirectly.

- (7) A documented plan for financing the proposed system, which plan shall indicate specifically every significant anticipated source of capital and any and all limitations or conditions with respect to the availability of the indicated sources of capital.

Verizon NY intends to finance the construction of the FTTP system and the provision of cable services over the FTTP system through a variety of internally and externally generated funds. Verizon NY is a financially stable company which has provided telecommunications services in New York State for more than a century. Its parent company, Verizon Communications Inc., is a Fortune 20 company, a Dow 30 Industrials company, and had 2005 revenues in excess of \$75 billion. Overview of Fiber To The Premises (FTTP) Deployment

Fiber to the Premises (FTTP) is a key Verizon corporate initiative to provide voice, cable television and very high speed data services. FTTP uses fiber-optic cable and optical electronics to directly link homes and many businesses to the Verizon network. The fiber network being deployed can support cable television and, where appropriate, Verizon will seek to provide cable service to customers. Key objectives include, but are not limited to, the delivery of higher customer satisfaction, superior performance (network, applications & technical support), and an installation process that surpasses the Cable, DBS and DSL experience today.

- Verizon Communications companies began deploying FTTP in twelve states in 2004. Verizon passed three million homes with FTTP in sixteen states by the end of 2005, and passed an additional three million homes in 2006.
- Cable television services deployment will be a subset that is ancillary to the voice and data FTTP services. Select FTTP-enabled wire centers will be deployed for cable service in the first instance.

Service Overview

The FTTP Network will enable provision of a feature rich and fully competitive cable television offering. The major components of the cable television services which Verizon will offer to consumers will include:

- Basic tier, including local and Educational and Government (EG) channels as requested by and as negotiated with the community
- Expanded Service tiers
- Premium channel tiers
- Pay Per View (PPV)
- HDTV channels
- Digital music channels

Product Offers

For residential customers, Verizon will initially offer Broadcast Television, High Definition TV (HDTV), Digital Video Recorders (DVR), Interactive Programming Guide (IPG) and Pay Per View (PPV) Movies and Events. The Broadcast Television offering will consist of both a Basic Service tier and an Expanded Service tier. The Basic Service tier will include local, educational/government (EG) channels and select cable channels. The Expanded Service tier will include all channels carried on the Basic Service tier as well as additional cable channels, premium cable channels, Spanish language channels, international channels, digital music channels, an interactive program guide (IPG), HDTV programming (for subscribers with an HD STB) and PPV programming. Customers will be charged a monthly recurring fee for each set top_box (STB) based upon model. The customer will be offered the option to upgrade STBs to include support for HDTV, or a combined HD DVR STB for additional monthly fees.

In addition to organizing and informing the customer of the programming line-up, the system is designed from its outset to be an active two-way system for subscriber interaction, if any, required for the selection or use of cable service. The IPG will support on-screen program control, parental controls, timers, search, and ordering of PPV services. Pay Per View allows subscribers to pay for and watch prescheduled programming events on an on-demand basis. PPV movies or events will be selected from the IPG. Authorization for billing will occur at the time of purchase. Events begin at pre-scheduled intervals (i.e., programming is not immediately available). Customers will purchase PPV either as discrete events or in pre-defined packages.

Service Delivery/Connection Method

Connection Method

At initial deployment, an installation and maintenance (I&M) technician will connect the Optical Network Terminal (ONT) to a central point of demarcation where a cable television I & M technician will make final connections to provide the cable television service. After the installation of the ONT, a cable television field technician will test the existing in-home coaxial cable to determine if it is technically acceptable and will connect the service. If no coaxial cable exists or the coaxial cable is unacceptable, the technician will install wiring to the first cable outlet, and will install new coaxial wiring to other locations identified by the customer at the customer's request and expense. The customer may choose to self-install such wiring, or to obtain inside wiring installation service from a third party or Verizon.

Connection Method: Set Top Box

The technician also have a set top box that will need to be installed near the TV. The technician will connect a coaxial cable from the wall outlet to the set top and another coaxial cable from the

EXHIBIT 1

set top box to the TV. The technician will also connect the customer's VCR and/or DVD device and check for proper operation. A fee may be charged for non-standard installations involving multiple components such as surround sound systems or other electronic equipment.

This process will be followed for any boxes installed.

When a set top box is installed the technician will call the service center at which point certain services previously ordered by the customer will be activated. A remote command will be issued to the set top box in real time to turn the purchased service(s) on.

Connection Method: - PPV

The set top box provides access to the service. Customers will use their remote control to purchase the programming they desire. Purchases will appear on the monthly bill.

Equipment Changes and Re-Configurations

When a customer changes the in-home configuration (e.g., moving a set top box from one TV to another), the customer will be able to accomplish this change without reconfiguring the set top box.

FTTP System Architecture

End-to-End Architecture

Figure 1 shows the architecture topology for supporting service across multiple market areas. A brief summary of the end-to-end architecture follows. Subsequent sections provide more information on each major component within the planned Verizon FTTP overlay architecture.

Figure 2 shows full build and overlay architecture. FTTP will be built instead of copper facilities in new communities. In existing communities, the existing copper network will continue to serve those customers who have not migrated to the FTTP network. The fiber is deployed from a Central Office location within a wire center area.

At the national or regional level, a “super” headend (SHE) (Temple Terrace, Florida with a backup in Bloomington, Illinois) shall serve as the single point of national content aggregation (see Figure 1). All content shall be encoded into MPEG2 streams and transported over nationwide SONET services. In each market where Verizon seeks to offer service, the broadcast cable television traffic is off loaded from the long haul network and terminated at a Video Hub Office (VHO). Network redundancy and route diversity shall extend from the SHE to the VHO.

The VHO serves as the metro or local point of aggregation. It is here that off-air and public, educational, and government (PEG) channels (where appropriate) are combined with the broadcast cable television coming from the SHE. Interactive Program Guides (IPG) shall be controlled from this site, also. The service that exits the VHO shall look like the final product viewed by the end user subscriber.

Cable television traffic is converted to optical signals at the VHO and transported over Verizon’s metro area, inter-office facilities (IOF) to Video Serving Offices (VSOs). Voice and high-speed

data signals are combined with the cable television at this location for final transport to the subscriber premises over Verizon's FTTP Passive Optical Network (PON).

At the premise, the optical cable television signal is de-multiplexed and converted to an electrical signal, which meets cable television industry standards for cable services. Standard home wiring practices, using coaxial cables, as well as alternative media, shall distribute the signal to cable ready TVs and standard set top boxes.

There will be 24x7 control and surveillance of the cable television platform from a remote location. This Network Operations Center (NOC) will be centrally located and shall be responsible for the operation and maintenance of the Conditional Access System (CAS), which directs the encryption functions performed back at the VHO.

Super Headend (SHE)

A "super" headend (SHE) shall serve as the single point of national content aggregation. At general service availability, Verizon shall deploy a primary SHE and an additional SHE for redundancy.

Both the primary and redundant SHEs will be strategically located to ensure technical and environmental requirements are met.

The key functions of the SHE include:

Content Reception

Signal Processing

Encoding

Network Interface

The majority of cable television sources shall be individual content provider programming. A mix of standard and high definition formats shall be supported. All content shall be encoded into MPEG2 streams, formatted for SONET, and transported via an OC48c to a local point-of-presence (POP) for wide area (national) transport.

Wide Area Transport

In support of the cable television service, Verizon will use OC48c SONET facilities in the POPs serving target cable markets. Where multiple POPs exist within a market, redundancy options shall dictate if a single or multiple POPs shall be designated for supporting the cable television traffic.

In most cases, it is expected that the cable television traffic shall traverse multiple interconnected rings between the SHE and the destination market. Once the cable traffic reaches a POP located in a target market, it will be forwarded to an OC48c SONET interface connected to metro/local

SONET facilities. These facilities shall connect the POP to a Video Hub Office (VHO). VHOs are capable of serving multiple communities within a target market. If more than one VHO is required, the metro SONET ring(s) would be deployed to cover multiple sites.

Video Hub Office (VHO)

The VHO serves as the metro or local point of aggregation. The VHO location (Queens, NY) is based on a combination of technical factors, metro fiber/IOF availability, local channel reception characteristics, and municipal regulations (e.g., zoning ordinances).

Under current network design plans, the anticipated functions of the VHO include:

WAN Interface for Cable television Transport

Ad Insertion

PEG Content

Signal Grooming and Multiplexing

Emergency Alert Service

Interactive Program Guide

Conditional Access

Local Content

The VHO shall aggregate three basic sources of content: national broadcast channels, local broadcast channels, and public, educational, & government (PEG) channels. The national content is the traffic sent from the SHE and is delivered via an OC48c SONET interface from the SONETPOP. The local broadcast channels shall be received off-air via antennas or terrestrial fiber transport located at the VHO site. The PEG channels shall be collected via terrestrial connections from each local franchising area (LFA) served by the VHO.

The final collection of content is placed into the RF spectrum between 50 – 870 MHz as either an analog AM-VSB signal or, as part of a digital multiplex, into a 256-QAM modulated carrier. Digital content requiring encryption by the CAS shall also be multiplexed into QAM modulators and combined with other analog and digital carriers. In addition, an out-of-band downstream channel is generated which carries the Interactive Program Guide (IPG), provisioning, and management messages to STBs. The combined RF signal is converted to optics and fed into erbium-doped fiber amplifiers (EDFAs) at egress from the VHO. These optical cable television signals are transported on the 1550 nm wavelength of the G.983-specified Enhancement band to Verizon Video Serving Offices (VSOs).

As noted previously, it is intended that the broadcast cable television traffic/service that exits the VHO shall look like the final product viewed by the end user subscriber.

Metro Area Transport

The optical cable television signals coming from the VHO are transported on the 1550 nm wavelength over fiber available within Verizon's inter-office facilities (IOF).

Video Serving Office (VSO) & Passive Optical Network (PON)

The Video Serving Office (VSO) is a location within the central office containing FTTP equipment. The VSO that will serve the Village of Sands Point is located in Port Washington, New York. If technically feasible or otherwise appropriate, PEG insertion may occur at this location in the network.

The key function of the VSO is to combine Broadcast Cable television into the Voice and High Speed Data FTTP Network.

Once in the VSO, the optical cable television signal is sent through an EDFA and then to a Wave Division Multiplexer (WDM) combiner and splitter, which is used to add the cable signal to the voice and high-speed data signals' wavelength (1490nm) – coming from the Optical Line Terminal (OLT) – together with the cable wavelength onto a single optical source. This optical signal is then sent towards the subscriber premises via a PON. The VSO will also play a role in supporting upstream signals from the customer premises for pay-per-view services. Pay-per-view usage data uses the data service's 1310nm upstream wavelength. The upstream data communications shall be sent back to a subscriber database located in the Operations Center located in the VHO.

Customer Premises

At the premise, an Optical Network Terminal (ONT) de-multiplexes the 1550nm optical signal and simply converts it to a voice, data and cable television electrical signal, which meets cable television industry standards for cable services.

LEGAL AUTHORITY TO CONSTRUCT FIBER TO THE PREMISES

Verizon New York Inc. ("Verizon"), as a common carrier under Title II of the Communications Act of 1934 (the "Act"), is constructing its Fiber To The Premises (FTTP) network as an upgrade to its existing telecommunications network. Verizon has the requisite authority to upgrade its network for enhanced voice and broadband services for the reasons discussed, in part, below.

Verizon has the necessary Federal, state and local authorizations to upgrade its Title II telecommunications network, subject to customary time, place and manner permitting requirements. Specifically, Section 27 of the New York Transportation Corporations Law ("New York Telecom Law") grants Verizon the right to place its facilities upon, over or under any public streets within the State of New York. See New York Tel. Co. v. Town of North Hempstead, 41 N.Y.2d 691, 363 N.E.2d 694 (1977); New York Tel. Co. v. City of Amsterdam, 613 N.Y.S.2d 993, 994 (App. Div. 1994) (stating that Section 27 grants "an unconditional privilege to install, maintain and repair" telephone facilities in public streets).

The Title II services to be provided over Verizon's FTTP network are not subject to Title VI of the Act or Article 11 of the New York State Public Service Law ("New York Cable Law"), which regulate cable television service. Verizon plans to utilize FTTP to offer its customers enhanced voice and broadband data services. While FTTP may give Verizon the future capability of providing video service, the network is not subject to Title VI of the Act or the New York Cable Law (including any construction requirements that may be set forth therein) unless and until the network constitutes a "cable system" as defined in Section 602(7) of the Act or a "cable television system" as defined in Section 212(2) of the New York Cable Law. This is triggered only when cable services, such as video programming, are provided to multiple subscribers within a community. As stated in Section 602(7) the Act, "the term 'cable system' ... does not include ... (C) a facility of a common carrier which is subject, in whole or in part, to the provisions of title II of this Act, except ... to the extent that such facility is used in the transmission of video programming directly to subscribers...." (emphasis added) 47 U.S.C. § 522(7)(C). See Nat'l Cable Television Ass'n v. FCC, 33 F.3d 66 (D.C. Cir. 1994) (concluding that the FCC "reasonably interpreted the Act to require that an entity obtain a cable franchise only when that entity selects or provides the video programming to be offered.") Moreover, Section 621(b)(3) of the Act (47 U.S.C. § 541(b)(3)) further specifically prohibits franchising authorities from requiring cable franchises for the provision of telecommunications service or in any way restricting or impeding the provision of such service.

Verizon has the requisite authority as a common carrier under Title II of the Act and Section 27 of the NY Telecom Law to construct its FTTP network. It need not seek supplemental authority to construct the network. However, as provided in Title VI of the Act and the New York Cable Law, a cable franchise would be required prior to Verizon using the FTTP network to provide video programming to multiple subscribers in a local franchise area.

Furthermore, on June 15, 2005, the New York Public Service Commission ruled that Verizon does not need to obtain a cable franchise before constructing its FTTP network. The Commission found that unlike cable companies, Verizon already has the necessary authority

VERIZON NEW YORK INC.

VILLAGE OF SANDS POINT, NEW YORK

under state law to use the public rights-of-way. Thus, the Commission concluded that Verizon has the right to upgrade its telecommunications network to make it capable of providing cable service. See Declaratory Ruling on Verizon Communication, Inc.'s Built-Out of its Fiber to the Premises Network, NY Public Service Commission, Case 05-M-0520/05-M-0247, June 15, 2005.

3. **PROVISION OF CABLE SERVICE**

3.1. *Service Area:*

3.1.1. *Service Area:* Subject to the issuance of all necessary permits by the LFA, Franchisee shall offer Cable Service to significant numbers of Subscribers within residential areas of the Service Area and may make Cable Service available to businesses in the Service Area, within twelve (12) months and shall offer Cable Service to all residential areas of the Service Area within five (5) years, of the Effective Date of this Franchise, or, in both instances, such longer period as may be permitted by the Cable Law, except, in accordance with NY PSC rules and regulations: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to

access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments or buildings where Franchisee cannot gain access after good faith efforts, and (F) in areas, developments or buildings where the provision of Cable Service is economically infeasible because such provision requires non-standard facilities which are not available on a commercially reasonable basis, and (G) in areas where the occupied residential household density does not meet the density and other requirements set forth in Sub-Subsection 3.1.1.1. and Section 3.2.

3.1.1.1. *Density Requirement:* Franchisee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than thirty-five (35) occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line. Franchisee shall be allowed to recover, from a Subscriber that requests such connection, the actual costs incurred for residential dwelling unit connections that exceed two hundred fifty (250) feet or are in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile and the actual costs incurred to connect any non-residential dwelling unit Subscriber, provided, however, that Franchisee may seek a waiver of any requirement that it extend service to any party requesting the same in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile if such would not be possible within the limitations of economic feasibility. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such costs shall be submitted to said recipient in writing, before installation is begun.

3.3. *Cable Service to Public Buildings:* Subject to Section 3.1, Franchisee shall provide, without charge within the Service Area, one service outlet activated for Basic Service to each public school and public library, and such other buildings used for municipal purposes as may be designated by the LFA as provided in Exhibit A attached hereto; provided, however, that if it is necessary to extend Franchisee's aerial trunk or feeder lines more than five hundred feet solely to provide service to any such school or public building, the LFA shall have the option either of paying Franchisee's direct costs for such extension in excess of five hundred (500) feet, or of releasing Franchisee from the obligation to provide service to such school or public building. Furthermore, Franchisee shall be permitted to recover, from any school or public building owner entitled to free service, the direct cost of installing, when requested to do

so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than five hundred (500) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed. Cable Service may not be resold or otherwise used in contravention of Franchisee's rights with third parties respecting programming. Equipment provided by Franchisee, if any, shall be replaced at retail rates if lost, stolen or damaged. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such costs shall be submitted to said recipient in writing, before installation is begun.

5.1.2. The programming to be carried on each of the PEG Channels set aside by Franchisee is reflected in Exhibit C attached hereto. The LFA hereby authorizes Franchisee to transmit such programming within and without LFA jurisdictional boundaries. Franchisee specifically reserves the right to make or change channel assignments in its sole discretion. If a PEG Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Channel for its intended purpose. In the event that the LFA determines to use PEG capacity, the LFA shall provide Franchisee with prior written notice of such request in accordance with NY PSC rules and regulations.

5.1.3. Franchisee shall provide the technical ability to play back pre-recorded programming provided to Franchisee consistent with this Section. Franchisee shall transmit programming consistent with the dedicated uses of PEG Access Channels. 5.2.2.2. On the date which is sixty (60) days from the seventh (7th) anniversary of the Effective Date, the Franchisee shall pay to the LFA a Supplementary Franchise Grant in the amount of two thousand five hundred 00/100 dollars (\$2,500.00).

5.2.3. The Initial Franchise Grant and the Supplementary Franchise Grant shall be used by the LFA in a manner consistent with applicable federal and state laws, rules and regulations.

any other injury or damage in law or equity, which result from the use of a PEG facility or Channel. The LFA shall establish rules and regulations for use of PEG facilities, consistent with, and as required by, 47 U.S.C. §531.

5.4. *Recovery of Costs:* To the extent permitted by federal law, the Franchisee shall be allowed to recover the costs of an Initial and Supplementary Franchise Grant or any other costs arising from the provision of PEG services from Subscribers and to include such costs as separately billed line items on each Subscriber's bill. Without limiting the foregoing, if allowed under state and federal laws, Franchisee may externalize, line-item, or otherwise pass-through interconnection and any franchise-related costs to Subscribers.

6. **FRANCHISE FEES**

6.1. *Payment to LFA:* Franchisee shall pay to the LFA a Franchise Fee of five percent (5%) of annual Gross Revenue (the "Franchise Fee"). In accordance with Title VI, the twelve (12) month period applicable under the Franchise for the computation of the Franchise Fee shall be a calendar year. Such payments shall be made no later than forty-five (45) days following the end of each calendar quarter. As a part of the audit process, LFA or LFA's designee may inspect Franchisee's books of accounts relative to LFA at any time during regular business hours and after thirty (30) calendar days prior written notice.

6.3.1. All records deemed by LFA or LFA's designee to be reasonably necessary for such audit shall be made available by Franchisee in a mutually agreeable format and location. Franchisee agrees to give its full cooperation in any audit and shall provide responses to inquiries within thirty (30) calendar days of a written request. Franchisee may provide such responses within a reasonable time after the expiration of the response period above so long as Franchisee has made a good faith effort to procure any such tardy response.

6.3.2. If the results of any audit indicate that Franchisee (i) paid the correct franchise fee, (ii) overpaid the franchise fee and is entitled to a refund or credit, or (iii) underpaid the franchise fee by five percent (5%) or less, then LFA shall pay the costs of the audit. If the results of the audit indicate Franchisee underpaid the franchise fee by more than five percent (5%), then Franchisee shall pay the reasonable, documented, third-party costs of the audit, which costs shall be limited to Ten Thousand Dollars (\$10,000.00).

6.3.3. Any auditor employed by LFA shall not be compensated on a success based formula, e.g., payment based on a percentage on underpayment, if any.

Franchisee shall be provided a reasonable opportunity to review the results of any audit and to dispute any audit results which indicate an underpayment to the LFA.

6.4. *Limitation on Franchise Fee Actions:* The parties agree that the period of limitation for recovery of any Franchise Fee payable hereunder shall be three (3) years from the date on which payment by Franchisee is due.

6.5. *Bundled Services:* If Cable Services subject to the Franchise Fee required under this Article 6 are provided to Subscribers in conjunction with Non-Cable Services, the Franchise Fee shall be applied only to the value of the Cable Services, as reflected on the books and records of Franchisee in accordance with FCC or state public utility regulatory commission rules, regulations, standards or orders.

Notwithstanding anything to the contrary set forth herein, Franchisee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Service Area. The LFA shall treat any information disclosed by Franchisee as confidential and shall only disclose it to employees, representatives, and agents thereof who have a need to know, or in order to enforce the provisions hereof. 8.1. *Insurance*:

8.1.1. Franchisee shall maintain in full force and effect, at its own cost and expense, during the Franchise Term, the following insurance coverage:

8.1.1.1. Commercial General Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for property damage and bodily injury. 8.1.1.2. Automobile Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for bodily injury and property damage coverage.

8.1.1.3. Workers' Compensation Insurance meeting all legal requirements of the State of New York.

8.1.1.4. Employers' Liability Insurance in the following amounts: (A) Bodily Injury by Accident: \$100,000; and (B) Bodily Injury by Disease: \$100,000 employee limit; \$500,000 policy limit.

8.1.2. The LFA shall be designated as an additional insured under each of the insurance policies required in this Article 8 except Worker's Compensation Insurance, Employer's Liability Insurance, and excess liability or umbrella coverage.

8.1.3. Each of the required insurance policies shall be non-cancellable except upon thirty (30) days prior written notice to the LFA. Franchisee shall not cancel any required insurance policy without submitting documentation to the LFA verifying that the Franchisee has obtained alternative insurance in conformance with this Agreement.

8.1.4. Each of the required insurance policies shall be with sureties qualified to do business in the State of New York, with an A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition.

8.1.5. Upon written request, Franchisee shall deliver to the LFA Certificates of Insurance showing evidence of the required coverage.

8.2. *Indemnification:*

8.2.1. Franchisee agrees to indemnify the LFA, its officers, agents, boards, elected officials, authorized representatives and employees for, and hold the same harmless from, all liability, damage, cost or expense arising from claims of injury to persons or damage to property occasioned by reason of any conduct undertaken pursuant to the Franchise, provided that the LFA shall give Franchisee timely written notice of the LFA's request for indemnification within a reasonable period of time from receipt of a claim or action pursuant to this Subsection to enable the Franchisee to timely answer complaints, raise defenses and to defend all claims. Notwithstanding the foregoing, Franchisee shall not indemnify the LFA for any damages, liability or claims resulting from the willful misconduct or negligence of the LFA, its officers, agents, employees, attorneys, consultants, independent contractors, or third parties or for any activity or function conducted by any Person other than Franchisee in connection with PEG Access or EAS.

8.2.2. With respect to Franchisee's indemnity obligations set forth in Subsection 8.2.1, Franchisee shall provide the defense of any claims brought against the LFA by selecting counsel of Franchisee's choice to defend the claim, subject to the consent of the LFA, which shall not be unreasonably withheld. Nothing herein shall be deemed to prevent the LFA from cooperating with the Franchisee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the LFA, Franchisee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Franchisee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such proposed settlement includes the release of the LFA and the LFA does not consent to the terms of any such settlement or compromise, Franchisee shall not settle the claim or action but its obligation to indemnify the LFA shall in no event exceed the amount of such settlement.

8.2.3. The LFA shall be responsible for its own acts of willful misconduct, negligence, or breach, subject to any and all defenses and limitations of liability provided by law. The Franchisee shall not be required to indemnify the LFA for acts of the LFA which constitute willful misconduct or negligence on the part of the LFA, its officers, employees, agents, attorneys, consultants, independent contractors or third parties.

9. **TRANSFER OF FRANCHISE**

9.1. *Transfer:* Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, as amended, no Transfer of the Franchise shall occur without the prior consent of the LFA, provided that such consent shall not be unreasonably withheld, delayed or conditioned. In considering an application for the Transfer of the Franchise, the LFA may consider the

applicant's: (i) technical ability; (ii) financial ability; (iii) good character; and (iv) other qualifications necessary to continue to operate the Cable System consistent with the terms of the Franchise. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Franchisee in the Franchise or Cable System in order to secure indebtedness, or for transactions otherwise excluded under Section 1.31 above.

10. **RENEWAL OF FRANCHISE**

10.1. *Governing Law:* The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed by and comply with the provisions of Section 12.11 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended.

10.2. *Needs Assessment:* In addition to the procedures set forth in Section 626 of the Communications Act, the LFA shall notify Franchisee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of Franchisee under the then current Franchise term. Such assessments shall be provided to Franchisee by the LFA within 10 business days of the completion of the assessments so that Franchisee will have adequate time to submit a proposal under 47 U.S.C. § 546 and complete renewal of the Franchise prior to expiration of its term.

10.3. *Informal Negotiations:* Notwithstanding anything to the contrary set forth herein, Franchisee and the LFA agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the LFA and Franchisee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the LFA may grant a renewal thereof.

10.4. *Consistent Terms:* Franchisee and the LFA consider the terms set forth in this Article 10 to be consistent with the express provisions of 47 U.S.C. § 546 and the Cable Law.

11. **ENFORCEMENT AND TERMINATION OF FRANCHISE**

11.1. *Notice of Violation:* If at any time the LFA believes that Franchisee has not complied with the terms of the Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the LFA shall then notify Franchisee in writing of the exact nature of the alleged non-compliance in a reasonable time (for purposes of this Article, the "Non-compliance Notice").

11.2. *Franchisee's Right to Cure or Respond:* Franchisee shall have sixty (60) days from receipt of the Non-compliance Notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of non-compliance; (ii) cure such non-compliance; or (iii) in the event that, by its nature, such non-compliance cannot be cured within such sixty (60) day period, initiate reasonable steps to remedy such non-compliance and notify the LFA of the steps being taken and the date by which Franchisee projects that it will complete cure of such non-compliance. Upon cure of any non-compliance, the LFA shall provide written confirmation that such cure has been effected.

11.3. *Public Hearing:* The LFA shall schedule a public hearing if the LFA seeks to continue its investigation into the alleged non-compliance (i) if Franchisee fails to respond to the Non-compliance Notice pursuant to the procedures required by this Article, or (ii) if Franchisee has not remedied the alleged non-compliance within sixty (60) days or the date projected pursuant to Section 11.2(iii) above. The LFA shall provide Franchisee at least sixty (60) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Franchisee the opportunity to be heard.

11.4. *Enforcement:* Subject to Section 12.11 below and applicable federal and state law, in the event the LFA, after the public hearing set forth in Section 11.3, determines that Franchisee is in default of any provision of this Franchise, the LFA may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

11.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

11.4.3. In the case of a substantial non-compliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 11.5.

11.5. *Revocation:* Should the LFA seek to revoke this Franchise after following the procedures set forth above in this Article, including the public hearing described in Section 11.3, the LFA shall give written notice to Franchisee of such intent. The notice shall set forth the specific nature of the non-compliance. The Franchisee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the LFA has not received a satisfactory response from Franchisee, it may then seek termination of the Franchise at a second public hearing. The LFA shall cause to be served upon the Franchisee, at least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

11.5.1. At the designated public hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the LFA, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing.

11.5.2. Following the second public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the LFA in writing and thereafter the LFA shall determine (i) whether an event of default has occurred under this Franchise; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Franchisee. The LFA shall also determine whether it will revoke the Franchise based on the information presented, or, where applicable, grant additional time to the Franchisee to effect any cure. If the LFA determines that it will revoke the Franchise, the LFA shall promptly provide Franchisee with a written determination setting forth the LFA's reasoning for such revocation. Franchisee may appeal such written determination of the LFA to

an appropriate court, which shall, to the extent permitted under applicable law, have the power to review the decision of the LFA *de novo*. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the written determination of the LFA.

11.5.3. The LFA may, at its sole discretion, take any lawful action that it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

11.6. *Abandonment of Service:* Franchisee shall not abandon any Cable Service or portion thereof without the LFA's prior written consent as provided in the Cable Law.

12. **MISCELLANEOUS PROVISIONS**

12.1. *Actions of Parties:* In any action by the LFA or Franchisee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

12.2. *Binding Acceptance:* This Agreement shall bind and benefit the parties hereto and their respective heirs, beneficiaries, administrators, executors, receivers, trustees, successors and assigns, and the promises and obligations herein shall survive the expiration date hereof.

12.3. *Preemption:* In the event that federal or state law, rules, or regulations preempt a provision or limit the enforceability of a provision of this Agreement, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. In the event such federal or state law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the LFA.

12.4. *Force Majeure:* Franchisee shall not be held in default under, or in non-compliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to non-compliance or default, where such non-compliance or alleged defaults occurred or were caused by a Force Majeure.

12.4.1. Furthermore, the parties hereby agree that it is not the LFA's intention to subject Franchisee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on Subscribers, or where strict performance would result in practical difficulties and hardship being placed upon Franchisee that outweigh the benefit to be derived by the LFA and/or Subscribers.

WHEREAS, the LFA wishes to grant Franchisee a non-exclusive franchise to construct, install, maintain, extend and operate a cable system in the Franchise Area as designated in this Franchise;

3. PROVISION OF CABLE SERVICE

3.1. *Service Area:*

3.1.1. *Service Area:* Subject to the issuance of all necessary permits by the LFA, Franchisee shall offer Cable Service to significant numbers of Subscribers within residential areas of the Service Area and may make Cable Service available to businesses in the Service Area, within twelve (12) months and shall offer Cable Service to all residential areas of the Service Area within five (5) years, of the Effective Date of this Franchise, or, in both instances, such longer period as may be permitted by the Cable Law, except, in accordance with NY PSC rules and regulations: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments or buildings where Franchisee cannot gain access after good faith efforts, and (F) in areas, developments or buildings where the provision of Cable Service is economically infeasible because such provision requires non-standard facilities which are not available on a commercially reasonable basis, and (G) in areas where the occupied residential household density does not meet the density and other requirements set forth in Sub-Subsection 3.1.1.1. and Section 3.2.

3.1.1.1. *Density Requirement:* Franchisee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than thirty-five (35) occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line. Should, through new construction, an area within the Service Area meet the density requirements after the time stated for providing Cable Service as set forth in Subsection 3.1.1 respectively, Franchisee shall provide Cable Service to such area within twelve (12) months of receiving notice from the LFA that the density requirements have been met.

In the areas in which Franchisee shall provide Cable Service, Franchisee shall be required to connect, at Franchisee's expense, other than a standard installation charge, all residential dwelling units that are within two hundred fifty (250) feet of aerial trunk or feeder lines not otherwise already served by Franchisee's FTTP Network. Franchisee shall be allowed to recover, from a Subscriber that requests such connection, the actual costs incurred for residential dwelling unit connections that exceed two hundred fifty (250) feet or are in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile and the actual costs incurred to connect any non-residential dwelling unit Subscriber, provided, however, that Franchisee may seek a waiver of any requirement that it extend service to any party requesting the same in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile if such would not be possible within the limitations of economic feasibility. For underground installations, Franchisee shall charge the recipient Franchisee's

actual cost. Such costs shall be submitted to said recipient in writing, before installation is begun.

3.3. *Cable Service to Public Buildings:* Subject to Section 3.1, Franchisee shall provide, without charge within the Service Area, one service outlet activated for Basic Service to each public school and public library, and such other buildings used for municipal purposes as may be designated by the LFA as provided in Exhibit A attached hereto; provided, however, that if it is necessary to extend Franchisee's aerial trunk or feeder lines more than five hundred feet solely to provide service to any such school or public building, the LFA shall have the option either of paying Franchisee's direct costs for such extension in excess of five hundred (500) feet, or of releasing Franchisee from the obligation to provide service to such school or public building. Furthermore, Franchisee shall be permitted to recover, from any school or public building owner entitled to free service, the direct cost of installing, when requested to do so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than five hundred (500) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed. Cable Service may not be resold or otherwise used in contravention of Franchisee's rights with third parties respecting programming. Equipment provided by Franchisee, if any, shall be replaced at retail rates if lost, stolen or damaged. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such costs shall be submitted to said recipient in writing, before installation is begun.

3.4. *Contribution in Aid:* Notwithstanding the foregoing, Franchisee shall comply at all times, with the requirements of Section 895.5 of NY PSC rules and regulations.

4.4. *Emergency Alert System:* Franchisee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and the State of New York, including the NY

5.1.2. The programming to be carried on each of the PEG Channels set aside by Franchisee is reflected in Exhibit C attached hereto. The LFA hereby authorizes Franchisee to transmit such programming within and without LFA jurisdictional boundaries. Franchisee specifically reserves the right to make or change channel assignments in its sole discretion. If a PEG Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Channel for its intended purpose. In the event that the LFA determines to use PEG capacity, the LFA shall provide Franchisee with prior written notice of such request in accordance with NY PSC rules and regulations.

5.1.3. Franchisee shall provide the technical ability to play back pre-recorded programming provided to Franchisee consistent with this Section. Franchisee shall transmit programming consistent with the dedicated uses of PEG Access Channels. Without limiting the foregoing, if allowed under state and federal laws, Franchisee may externalize, line-item, or otherwise pass-through interconnection and any franchise-related costs to Subscribers.

6. **FRANCHISE FEES**

6.1. *Payment to LFA:* Franchisee shall pay to the LFA a Franchise Fee of five percent (5%) of annual Gross Revenue (the "Franchise Fee"). In accordance with Title VI, the twelve (12) month period applicable under the Franchise for the computation of the Franchise Fee shall be a calendar year. Such payments shall be made no later than forty-five (45) days following the end of each calendar quarter. As a part of the audit process, LFA or LFA's designee may inspect Franchisee's books of accounts relative to LFA at any time during regular business hours and after thirty (30) calendar days prior written notice.

6.3.1. All records deemed by LFA or LFA's designee to be reasonably necessary for such audit shall be made available by Franchisee in a mutually agreeable format and location. Franchisee agrees to give its full cooperation in any audit and shall provide responses to inquiries within thirty (30) calendar days of a written request. Franchisee may

provide such responses within a reasonable time after the expiration of the response period above so long as Franchisee has made a good faith effort to procure any such tardy response.

6.3.2. If the results of any audit indicate that Franchisee (i) paid the correct franchise fee, (ii) overpaid the franchise fee and is entitled to a refund or credit, or (iii) underpaid the franchise fee by five percent (5%) or less, then LFA shall pay the costs of the audit. If the results of the audit indicate Franchisee underpaid the franchise fee by more than five percent (5%), then Franchisee shall pay the reasonable, documented, third-party costs of the audit, which costs shall be limited to Ten Thousand Dollars (\$10,000.00).

6.3.3. Any auditor employed by LFA shall not be compensated on a success based formula, *e.g.*, payment based on a percentage on underpayment, if any. Franchisee shall be provided a reasonable opportunity to review the results of any audit and to dispute any audit results which indicate an underpayment to the LFA.

6.4. *Limitation on Franchise Fee Actions:* The parties agree that the period of limitation for recovery of any Franchise Fee payable hereunder shall be three (3) years from the date on which payment by Franchisee is due.

6.5. *Bundled Services:* If Cable Services subject to the Franchise Fee required under this Article 6 are provided to Subscribers in conjunction with Non-Cable Services, the Franchise Fee shall be applied only to the value of the Cable Services, as reflected on the books and records of Franchisee in accordance with FCC or state public utility regulatory commission rules, regulations, standards or orders.

10.1. *Governing Law:* The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed by and comply with the provisions of Section 12.11 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended.

10.2. *Needs Assessment:* In addition to the procedures set forth in Section 626 of the Communications Act, the LFA shall notify Franchisee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of Franchisee under the then current Franchise term. Such assessments shall be provided to Franchisee by the LFA within 10 business days of the completion of the assessments so that Franchisee will have adequate time to submit a proposal under 47 U.S.C. § 546 and complete renewal of the Franchise prior to expiration of its term.

10.3. *Informal Negotiations:* Notwithstanding anything to the contrary set forth herein, Franchisee and the LFA agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the LFA and Franchisee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the LFA may grant a renewal thereof.

10.4. *Consistent Terms:* Franchisee and the LFA consider the terms set forth in this Article 10 to be consistent with the express provisions of 47 U.S.C. § 546 and the Cable Law.

11. **ENFORCEMENT AND TERMINATION OF FRANCHISE**

11.1. *Notice of Violation:* If at any time the LFA believes that Franchisee has not complied with the terms of the Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the LFA shall then notify Franchisee in writing of the exact nature of the alleged non-compliance in a reasonable time (for purposes of this Article, the "Non-compliance Notice").

11.2. *Franchisee's Right to Cure or Respond:* Franchisee shall have sixty (60) days from receipt of the Non-compliance Notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of non-compliance; (ii) cure such non-compliance; or (iii) in the event that, by its nature, such non-compliance cannot be cured within such sixty (60) day period, initiate reasonable steps to remedy such non-compliance and notify the LFA of the steps being taken and the date by which Franchisee projects that it will complete cure of such non-compliance. Upon cure of any non-compliance, the LFA shall provide written confirmation that such cure has been effected.

11.3. *Public Hearing:* The LFA shall schedule a public hearing if the LFA seeks to continue its investigation into the alleged non-compliance (i) if Franchisee fails to respond to the Non-compliance Notice pursuant to the procedures required by this Article, or (ii) if Franchisee has not remedied the alleged non-compliance within sixty (60) days or the date projected pursuant to Section 11.2(iii) above. The LFA shall provide Franchisee at least sixty (60) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Franchisee the opportunity to be heard.

11.4. *Enforcement:* Subject to Section 12.11 below and applicable federal and state law, in the event the LFA, after the public hearing set forth in Section 11.3, determines that Franchisee is in default of any provision of this Franchise, the LFA may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

11.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

11.4.3. In the case of a substantial non-compliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 11.5.

11.5. *Revocation:* Should the LFA seek to revoke this Franchise after following the procedures set forth above in this Article, including the public hearing described in Section 11.3, the LFA shall give written notice to Franchisee of such intent. The notice shall set forth the specific nature of the non-compliance. The Franchisee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the LFA has not received a satisfactory response from Franchisee, it may then seek termination of the Franchise at a second public hearing. The LFA shall cause to be served upon the Franchisee, at least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

11.5.1. At the designated public hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the LFA, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing.

11.5.2. Following the second public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the LFA in writing and

thereafter the LFA shall determine (i) whether an event of default has occurred under this Franchise; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Franchisee. The LFA shall also determine whether it will revoke the Franchise based on the information presented, or, where applicable, grant additional time to the Franchisee to effect any cure. If the LFA determines that it will revoke the Franchise, the LFA shall promptly provide Franchisee with a written determination setting forth the LFA's reasoning for such revocation. Franchisee may appeal such written determination of the LFA to an appropriate court, which shall, to the extent permitted under applicable law, have the power to review the decision of the LFA *de novo*. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the written determination of the LFA.

11.5.3. The LFA may, at its sole discretion, take any lawful action that it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

11.6. *Abandonment of Service*: Franchisee shall not abandon any Cable Service or portion thereof without the LFA's prior written consent as provided in the Cable Law.

12. **MISCELLANEOUS PROVISIONS**

12.1. *Actions of Parties*: In any action by the LFA or Franchisee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. In the event such federal or state law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the LFA.

12.4. *Force Majeure*: Franchisee shall not be held in default under, or in non-compliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to non-compliance or default, where such non-compliance or alleged defaults occurred or were caused by a Force Majeure.

12.4.1. Furthermore, the parties hereby agree that it is not the LFA's intention to subject Franchisee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or

minimal negative impact on Subscribers, or where strict performance would result in practical difficulties and hardship being placed upon Franchisee that outweigh the benefit to be derived by the LFA and/or Subscribers.

1.32. *Video Programming:* Shall be defined herein as it is defined under Section 602 of the Communications Act, 47 U.S.C. § 522(20), as amended.

2. **GRANT OF AUTHORITY; LIMITS AND RESERVATIONS**

2.1. *Grant of Authority:* Subject to the terms and conditions of this Agreement and the Cable Law, the LFA hereby grants the Franchisee the right to own, construct, operate and maintain a Cable System along the Public Rights-of-Way within the Franchise Area, in order to provide Cable Service. No privilege or power of eminent domain is bestowed by this grant; nor is such a privilege or power bestowed by this Agreement.

2.2. *The FTTP Network:* Upon delivery of Cable Service, by subjecting Franchisee's mixed-use facilities to the NY PSC's minimum franchise standards and the LFA's police power, the LFA has not been granted broad new authority over the construction, placement and operation of Franchisee's mixed-use facilities.

2.3. *Effective Date and Term:* This Franchise shall become effective on the date that the NY PSC issues a certificate of confirmation for this Franchise (the "Effective Date"), following its approval by the LFA's governing authority authorized to grant franchises and its acceptance by the Franchisee. The term of this Franchise shall be ten (10) years from the Effective Date unless the Franchise is earlier revoked as provided herein. The Franchisee shall memorialize the Effective Date by notifying the LFA in writing of the same, which notification shall become a part of this Franchise.

2.4. *Grant Not Exclusive:* The Franchise and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the LFA reserves the right to grant other franchises for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use itself, at any time during the term of this Franchise. Any such rights which are granted shall not adversely impact the authority as granted under this Franchise and shall not interfere with existing facilities of the Cable System or Franchisee's FTTP Network.

2.5. *Franchise Subject to Federal and State Law:* Notwithstanding any provision to the contrary herein, this Franchise is subject to and shall be governed by all applicable provisions of federal and state law as may be amended, including but not limited to the Communications Act and the Cable Law.

2.6. *No Waiver:*

2.6.1. The failure of the LFA on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require compliance or performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance of this Agreement, nor shall it excuse Franchisee from compliance or performance, unless such right or such compliance or performance has been specifically waived in writing.

2.6.2. The failure of the Franchisee on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of performance of this Agreement, nor shall it excuse the LFA from performance, unless such right or such performance has been specifically waived in writing.

2.7. *Construction of Agreement:*

2.7.1. The provisions of this Franchise shall be liberally construed to effectuate their objectives.

2.7.2. Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545, as amended.

2.8. *Police Powers:* Nothing in this Franchise shall be construed to prohibit the LFA's reasonable, necessary and lawful exercise of the police powers of the LFA in a manner not materially in conflict with the privileges granted in this Franchise and consistent with all federal and state laws, regulations and orders.

2.9. *Restoration of Municipal Property:* Any municipal property damaged or destroyed shall be promptly repaired or replaced by the Franchisee and restored to pre-existing condition.

2.10. *Restoration of Subscriber Premises:* The Franchisee shall ensure that Subscriber's premises are restored to their pre-existing condition if damaged by the Franchisee's employees or agents in any respect in connection with the installation, repair, or disconnection of Cable Service.

2.11. *Level Playing Field:* In accordance with the requirements of Section 895.3 of the PSC Rules, the parties hereto have determined that the terms of this Agreement, when compared against the terms of that certain cable franchise agreement (the "Incumbent Agreement"), dated January 30, 2001, by and between the LFA and the incumbent cable operator, Cablevision Systems Long Island Corporation ("Cablevision"), does not contain economic or regulatory burdens, which, when taken as a whole, are greater or lesser than those burdens placed upon Cablevision pursuant to the Incumbent Agreement.

3. **PROVISION OF CABLE SERVICE**

3.1. *Service Area:*

3.1.1. *Service Area:* Subject to the issuance of all necessary permits by the LFA, Franchisee shall offer Cable Service to significant numbers of Subscribers within residential areas of the Service Area and may make Cable Service available to businesses in the Service Area, within twelve (12) months and shall offer Cable Service to all residential areas of the Service Area within five (5) years, of the Effective Date of this Franchise, or, in both instances, such longer period as may be permitted by the Cable Law, except, in accordance with NY PSC rules and regulations: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to

access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments or buildings where Franchisee cannot gain access after good faith efforts, and (F) in areas, developments or buildings where the provision of Cable Service is economically infeasible because such provision requires non-standard facilities which are not available on a commercially reasonable basis, and (G) in areas where the occupied residential household density does not meet the density and other requirements set forth in Sub-Subsection 3.1.1.1. and Section 3.2.

3.1.1.1. *Density Requirement:* Franchisee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than thirty-five (35) occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line. Should, through new construction, an area within the Service Area meet the density requirements after the time stated for providing Cable Service as set forth in Subsection 3.1.1 respectively, Franchisee shall provide Cable Service to such area within twelve (12) months of receiving notice from the LFA that the density requirements have been met.

3.2. *Availability of Cable Service:* Franchisee shall make Cable Service available to all residential dwelling units and may make Cable Service available to businesses within the Service Area in conformance with Section 3.1, and Franchisee shall not discriminate between or among any individuals in the availability of Cable Service or based upon the income in a local area. In the areas in which Franchisee shall provide Cable Service, Franchisee shall be required to connect, at Franchisee's expense, other than a standard installation charge, all residential dwelling units that are within two hundred fifty (250) feet of aerial trunk or feeder lines not otherwise already served by Franchisee's FTTP Network. Franchisee shall be allowed to recover, from a Subscriber that requests such connection, the actual costs incurred for residential dwelling unit connections that exceed two hundred fifty (250) feet or are in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile and the actual costs incurred to connect any non-residential dwelling unit Subscriber, provided, however, that Franchisee may seek a waiver of any requirement that it extend service to any party requesting the same in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile if such would not be possible within the limitations of economic feasibility. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such costs shall be submitted to said recipient in writing, before installation is begun.

3.3. *Cable Service to Public Buildings:* Subject to Section 3.1, Franchisee shall provide, without charge within the Service Area, one service outlet activated for Basic Service to each public school and public library, and such other buildings used for municipal purposes as may be designated by the LFA as provided in Exhibit A attached hereto; provided, however, that if it is necessary to extend Franchisee's aerial trunk or feeder lines more than five hundred feet solely to provide service to any such school or public building, the LFA shall have the option either of paying Franchisee's direct costs for such extension in excess of five hundred (500) feet, or of releasing Franchisee from the obligation to provide service to such school or public building. Furthermore, Franchisee shall be permitted to recover, from any school or public building owner entitled to free service, the direct cost of installing, when requested to do

so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than five hundred (500) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed. Cable Service may not be resold or otherwise used in contravention of Franchisee's rights with third parties respecting programming. Equipment provided by Franchisee, if any, shall be replaced at retail rates if lost, stolen or damaged. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such costs shall be submitted to said recipient in writing, before installation is begun.

3.4. *Contribution in Aid:* Notwithstanding the foregoing, Franchisee shall comply at all times, with the requirements of Section 895.5 of NY PSC rules and regulations.

4. **SYSTEM FACILITIES**

4.1. *Quality of Materials and Work:* Franchisee shall construct and maintain its System using materials of good and durable quality, and all work involved in the construction, installation, maintenance and repair of the Cable System shall be performed in a safe, thorough and reliable manner.

4.2. *System Characteristics:* During the term hereof Franchisee's Cable System shall meet or exceed the following requirements:

4.2.1. The System shall be designed and operated with an initial analog and digital carrier passband between 50 and 860 MHz and shall provide for a minimum channel capacity of not less than 77 channels on the Effective Date.

4.2.2. The System shall be designed to be an active two-way plant for subscriber interaction, if any, required for the selection or use of Cable Service.

4.3. *Interconnection:* The Franchisee shall design its Cable System so that it may be interconnected with other cable systems in the Franchise Area. Interconnection of systems may be made by direct cable connection, microwave link, satellite, or other appropriate methods.

4.4. *Emergency Alert System:* Franchisee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and the State of New York, including the NY PSC's rules and regulations and the current New York EAS Plan, in order that emergency messages may be distributed over the System.

5. **PEG SERVICES**

5.1. *PEG Set Aside:*

5.1.1. In order to ensure universal availability of public, educational and government programming, Franchisee shall provide capacity on its Basic Service tier for up to one (1) dedicated Public Access Channel, one (1) dedicated Educational Access Channel, and up to one (1) dedicated Government Access Channel (collectively, "PEG Channels").

5.1.2. The programming to be carried on each of the PEG Channels set aside by Franchisee is reflected in Exhibit C attached hereto. The LFA hereby authorizes Franchisee to transmit such programming within and without LFA jurisdictional boundaries. Franchisee specifically reserves the right to make or change channel assignments in its sole discretion. If a PEG Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Channel for its intended purpose. In the event that the LFA determines to use PEG capacity, the LFA shall provide Franchisee with prior written notice of such request in accordance with NY PSC rules and regulations.

5.1.3. Franchisee shall provide the technical ability to play back pre-recorded programming provided to Franchisee consistent with this Section. Franchisee shall transmit programming consistent with the dedicated uses of PEG Access Channels. Franchisee shall comply at all times with the requirements of Section 895.4 of the NY PSC rules and regulations.

5.2. *Franchise Grants:*

5.2.1. The Franchisee shall pay an Initial Franchise Grant to the LFA in the amount of Five Thousand and 00/100 Dollars (\$5,000.00) (the "Initial Franchise Grant"), which shall be payable within sixty (60) days of the Effective Date.

5.2.2. In addition to the Initial Franchise Grant, the Franchisee shall pay to the LFA a Supplementary Franchise Grant (the "Supplementary Franchise Grant") totaling five thousand 00/100 dollars (\$5,000) in accordance with the following schedule and respective amounts.

5.2.2.1. On the date which is sixty (60) days from the fourth (4th) anniversary of the Effective Date, the Franchisee shall pay to the LFA a Supplementary Franchise Grant in the amount of two thousand five hundred 00/100 dollars (\$2,500.00).

5.2.2.2. On the date which is sixty (60) days from the seventh (7th) anniversary of the Effective Date, the Franchisee shall pay to the LFA a Supplementary Franchise Grant in the amount of two thousand five hundred 00/100 dollars (\$2,500.00).

5.2.3. The Initial Franchise Grant and the Supplementary Franchise Grant shall be used by the LFA in a manner consistent with applicable federal and state laws, rules and regulations.

5.3. *Indemnity for PEG:* The LFA shall require all local producers and users of any of the PEG facilities or Channels to agree in writing to authorize Franchisee to transmit programming consistent with this Agreement and to defend and hold harmless Franchisee and the LFA from and against any and all liability or other injury, including the reasonable cost of defending claims or litigation, arising from or in connection with claims for failure to comply with applicable federal laws, rules, regulations or other requirements of local, state or federal authorities; for claims of libel, slander, invasion of privacy, or the infringement of common law or statutory copyright; for unauthorized use of any trademark, trade name or service mark; for breach of contractual or other obligations owing to third parties by the producer or user; and for

any other injury or damage in law or equity, which result from the use of a PEG facility or Channel. The LFA shall establish rules and regulations for use of PEG facilities, consistent with, and as required by, 47 U.S.C. §531.

5.4. *Recovery of Costs:* To the extent permitted by federal law, the Franchisee shall be allowed to recover the costs of an Initial and Supplementary Franchise Grant or any other costs arising from the provision of PEG services from Subscribers and to include such costs as separately billed line items on each Subscriber's bill. Without limiting the foregoing, if allowed under state and federal laws, Franchisee may externalize, line-item, or otherwise pass-through interconnection and any franchise-related costs to Subscribers.

6. **FRANCHISE FEES**

6.1. *Payment to LFA:* Franchisee shall pay to the LFA a Franchise Fee of five percent (5%) of annual Gross Revenue (the "Franchise Fee"). In accordance with Title VI, the twelve (12) month period applicable under the Franchise for the computation of the Franchise Fee shall be a calendar year. Such payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Franchisee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall be refunded any payments that were incorrectly submitted, in connection with the quarterly Franchise Fee remittances within ninety (90) days following the close of the calendar year for which such payments were applicable.

6.2. *Supporting Information:* Each Franchise Fee payment shall be accompanied by a brief report prepared by a representative of Franchisee showing the basis for the computation.

6.3. *Audit:* LFA, or its designee, may conduct an audit or other inquiry in relation to payments made by Franchisee no more than once every three (3) years during the Term. As a part of the audit process, LFA or LFA's designee may inspect Franchisee's books of accounts relative to LFA at any time during regular business hours and after thirty (30) calendar days prior written notice.

6.3.1. All records deemed by LFA or LFA's designee to be reasonably necessary for such audit shall be made available by Franchisee in a mutually agreeable format and location. Franchisee agrees to give its full cooperation in any audit and shall provide responses to inquiries within thirty (30) calendar days of a written request. Franchisee may provide such responses within a reasonable time after the expiration of the response period above so long as Franchisee has made a good faith effort to procure any such tardy response.

6.3.2. If the results of any audit indicate that Franchisee (i) paid the correct franchise fee, (ii) overpaid the franchise fee and is entitled to a refund or credit, or (iii) underpaid the franchise fee by five percent (5%) or less, then LFA shall pay the costs of the audit. If the results of the audit indicate Franchisee underpaid the franchise fee by more than five percent (5%), then Franchisee shall pay the reasonable, documented, third-party costs of the audit, which costs shall be limited to Ten Thousand Dollars (\$10,000.00).

6.3.3. Any auditor employed by LFA shall not be compensated on a success based formula, e.g., payment based on a percentage on underpayment, if any.

Franchisee shall be provided a reasonable opportunity to review the results of any audit and to dispute any audit results which indicate an underpayment to the LFA.

6.4. *Limitation on Franchise Fee Actions:* The parties agree that the period of limitation for recovery of any Franchise Fee payable hereunder shall be six (6) years from the date on which payment by Franchisee is due, but cannot exceed the date of records retention reflected in Section 7.

6.5. *Bundled Services:* If Cable Services subject to the Franchise Fee required under this Article 6 are provided to Subscribers in conjunction with Non-Cable Services, the Franchise Fee shall be applied only to the value of the Cable Services, as reflected on the books and records of Franchisee in accordance with FCC or state public utility regulatory commission rules, regulations, standards or orders.

7. REPORTS AND RECORDS

7.1. *Open Books and Records:* Upon reasonable written notice to the Franchisee and with no less than thirty (30) business days written notice to the Franchisee, the LFA shall have the right to inspect Franchisee's books and records pertaining to Franchisee's provision of Cable Service in the Franchise Area at any time during Normal Business Hours and on a non-disruptive basis, as are reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the section or subsection of the Franchise which is under review, so that Franchisee may organize the necessary books and records for appropriate access by the LFA. Franchisee shall not be required to maintain any books and records for Franchise compliance purposes longer than six (6) years. Notwithstanding anything to the contrary set forth herein, Franchisee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Service Area. The LFA shall treat any information disclosed by Franchisee as confidential and shall only disclose it to employees, representatives, and agents thereof who have a need to know, or in order to enforce the provisions hereof. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

7.2. *Records Required:* Franchisee shall at all times maintain:

7.2.1. Records of all written complaints for a period of three (3) years after receipt by Franchisee. The term "complaint" as used herein refers to complaints about any aspect of the Cable System or Franchisee's cable operations, including, without limitation, complaints about employee courtesy. Complaints recorded will not be limited to complaints requiring an employee service call;

7.2.2. Records of outages for a period of three (3) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

7.2.3. Records of service calls for repair and maintenance for a period of three (3) years after resolution by Franchisee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and

the date and time service was provided, and (if different) the date and time the problem was resolved;

7.2.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by Franchisee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

7.2.5. A map showing the area of coverage for the provisioning of Cable Services and estimated timetable to commence providing Cable Service.

7.3. *System-Wide Statistics*: Any valid reporting requirement in the Franchise may be satisfied with system-wide statistics, except those related to Franchise Fees and consumer complaints.

8. **INSURANCE AND INDEMNIFICATION**

8.1. *Insurance*:

8.1.1. Franchisee shall maintain in full force and effect, at its own cost and expense, during the Franchise Term, the following insurance coverage:

8.1.1.1. Commercial General Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for property damage and bodily injury. Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of Franchisee's Cable Service business in the LFA.

8.1.1.2. Automobile Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for bodily injury and property damage coverage.

8.1.1.3. Workers' Compensation Insurance meeting all legal requirements of the State of New York.

8.1.1.4. Employers' Liability Insurance in the following amounts: (A) Bodily Injury by Accident: \$100,000; and (B) Bodily Injury by Disease: \$100,000 employee limit; \$500,000 policy limit.

8.1.1.5. Excess liability or umbrella coverage of not less than ten million dollars (\$10,000,000).

8.1.2. The LFA shall be designated as an additional insured under each of the insurance policies required in this Article 8 except Worker's Compensation Insurance, Employer's Liability Insurance, and excess liability or umbrella coverage.

8.1.3. Each of the required insurance policies shall be non-cancellable except upon thirty (30) days prior written notice to the LFA. Franchisee shall not cancel any required insurance policy without submitting documentation to the LFA verifying that the Franchisee has obtained alternative insurance in conformance with this Agreement.

8.1.4. Each of the required insurance policies shall be with sureties qualified to do business in the State of New York, with an A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition.

8.1.5. Upon written request, Franchisee shall deliver to the LFA Certificates of Insurance showing evidence of the required coverage.

8.2. *Indemnification:*

8.2.1. Franchisee agrees to indemnify the LFA, its officers, agents, boards, elected officials, authorized representatives and employees for, and hold the same harmless from, all liability, damage, cost or expense arising from claims of injury to persons or damage to property occasioned by reason of any conduct undertaken pursuant to the Franchise, provided that the LFA shall give Franchisee timely written notice of the LFA's request for indemnification within a reasonable period of time from receipt of a claim or action pursuant to this Subsection to enable the Franchisee to timely answer complaints, raise defenses and to defend all claims. Notwithstanding the foregoing, Franchisee shall not indemnify the LFA for any damages, liability or claims resulting from the willful misconduct or negligence of the LFA, its officers, agents, employees, attorneys, consultants, independent contractors, or third parties or for any activity or function conducted by any Person other than Franchisee in connection with PEG Access or EAS.

8.2.2. With respect to Franchisee's indemnity obligations set forth in Subsection 8.2.1, Franchisee shall provide the defense of any claims brought against the LFA by selecting counsel of Franchisee's choice to defend the claim, subject to the consent of the LFA, which shall not be unreasonably withheld. Nothing herein shall be deemed to prevent the LFA from cooperating with the Franchisee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the LFA, Franchisee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Franchisee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such proposed settlement includes the release of the LFA and the LFA does not consent to the terms of any such settlement or compromise, Franchisee shall not settle the claim or action but its obligation to indemnify the LFA shall in no event exceed the amount of such settlement.

8.2.3. The LFA shall be responsible for its own acts of willful misconduct, negligence, or breach, subject to any and all defenses and limitations of liability provided by law. The Franchisee shall not be required to indemnify the LFA for acts of the LFA which constitute willful misconduct or negligence on the part of the LFA, its officers, employees, agents, attorneys, consultants, independent contractors or third parties.

9. **TRANSFER OF FRANCHISE**

9.1. *Transfer:* Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, as amended, no Transfer of the Franchise shall occur without the prior consent of the LFA, provided that such consent shall not be unreasonably withheld, delayed or conditioned. In considering an application for the Transfer of the Franchise, the LFA may consider the

applicant's: (i) technical ability; (ii) financial ability; (iii) good character; and (iv) other qualifications necessary to continue to operate the Cable System consistent with the terms of the Franchise. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Franchisee in the Franchise or Cable System in order to secure indebtedness, or for transactions otherwise excluded under Section 1.31 above.

10. **RENEWAL OF FRANCHISE**

10.1. *Governing Law:* The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed by and comply with the provisions of Section 12.11 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended.

10.2. *Needs Assessment:* In addition to the procedures set forth in Section 626 of the Communications Act, the LFA shall notify Franchisee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of Franchisee under the then current Franchise term. Such assessments shall be provided to Franchisee by the LFA within 10 business days of the completion of the assessments so that Franchisee will have adequate time to submit a proposal under 47 U.S.C. § 546 and complete renewal of the Franchise prior to expiration of its term.

10.3. *Informal Negotiations:* Notwithstanding anything to the contrary set forth herein, Franchisee and the LFA agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the LFA and Franchisee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the LFA may grant a renewal thereof.

10.4. *Consistent Terms:* Franchisee and the LFA consider the terms set forth in this Article 10 to be consistent with the express provisions of 47 U.S.C. § 546 and the Cable Law.

11. **ENFORCEMENT AND TERMINATION OF FRANCHISE**

11.1. *Notice of Violation:* If at any time the LFA believes that Franchisee has not complied with the terms of the Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the LFA shall then notify Franchisee in writing of the exact nature of the alleged non-compliance in a reasonable time (for purposes of this Article, the "Non-compliance Notice").

11.2. *Franchisee's Right to Cure or Respond:* Franchisee shall have sixty (60) days from receipt of the Non-compliance Notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of non-compliance; (ii) cure such non-compliance; or (iii) in the event that, by its nature, such non-compliance cannot be cured within such sixty (60) day period, initiate reasonable steps to remedy such non-compliance and notify the LFA of the steps being taken and the date by which Franchisee projects that it will complete cure of such non-compliance. Upon cure of any non-compliance, the LFA shall provide written confirmation that such cure has been effected.

11.3. *Public Hearing:* The LFA shall schedule a public hearing if the LFA seeks to continue its investigation into the alleged non-compliance (i) if Franchisee fails to respond to the Non-compliance Notice pursuant to the procedures required by this Article, or (ii) if Franchisee has not remedied the alleged non-compliance within sixty (60) days or the date projected pursuant to Section 11.2(iii) above. The LFA shall provide Franchisee at least sixty (60) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Franchisee the opportunity to be heard.

11.4. *Enforcement:* Subject to Section 12.11 below and applicable federal and state law, in the event the LFA, after the public hearing set forth in Section 11.3, determines that Franchisee is in default of any provision of this Franchise, the LFA may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

11.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

11.4.3. In the case of a substantial non-compliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 11.5.

11.5. *Revocation:* Should the LFA seek to revoke this Franchise after following the procedures set forth above in this Article, including the public hearing described in Section 11.3, the LFA shall give written notice to Franchisee of such intent. The notice shall set forth the specific nature of the non-compliance. The Franchisee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the LFA has not received a satisfactory response from Franchisee, it may then seek termination of the Franchise at a second public hearing. The LFA shall cause to be served upon the Franchisee, at least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

11.5.1. At the designated public hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the LFA, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing.

11.5.2. Following the second public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the LFA in writing and thereafter the LFA shall determine (i) whether an event of default has occurred under this Franchise; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Franchisee. The LFA shall also determine whether it will revoke the Franchise based on the information presented, or, where applicable, grant additional time to the Franchisee to effect any cure. If the LFA determines that it will revoke the Franchise, the LFA shall promptly provide Franchisee with a written determination setting forth the LFA's reasoning for such revocation. Franchisee may appeal such written determination of the LFA to

an appropriate court, which shall, to the extent permitted under applicable law, have the power to review the decision of the LFA *de novo*. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the written determination of the LFA.

11.5.3. The LFA may, at its sole discretion, take any lawful action that it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

11.6. *Abandonment of Service*: Franchisee shall not abandon any Cable Service or portion thereof without the LFA's prior written consent as provided in the Cable Law.

12. **MISCELLANEOUS PROVISIONS**

12.1. *Actions of Parties*: In any action by the LFA or Franchisee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

12.2. *Binding Acceptance*: This Agreement shall bind and benefit the parties hereto and their respective heirs, beneficiaries, administrators, executors, receivers, trustees, successors and assigns, and the promises and obligations herein shall survive the expiration date hereof.

12.3. *Preemption*: In the event that federal or state law, rules, or regulations preempt a provision or limit the enforceability of a provision of this Agreement, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. The Honorable Leonard Wurzel
Village of Sands Point
26 Tibbits Lane
Sands Point, NY 11050

Dear Mayor Wurzel:

Verizon is looking forward to the public hearing on April 24 in the Village of Sands Point to consider approval of Verizon's video franchise application. It is a step in a comprehensive review process that will open the door to cable choice and advanced video technology for the residents of the Village of Sands Point.

I respect and thank you and those who negotiated on behalf of the village for your determined efforts in reaching this high point in the franchise process. The results are commendable. Together, we have crafted a franchise agreement that is fair and equitable, competitively neutral, and consistent with Public Service Commission rulings as well as all state and federal laws and regulations.

As you prepare for the upcoming hearing, please know that Verizon is committed to meeting the needs of the community and, more importantly, to delivering a competitive, next-generation cable technology and entertainment platform to the residents of the Village of Sands Point. I trust that the franchising team has answered all of your questions. Please feel free to contact me at the number above if there is additional information that you need.

I have enclosed information outlining the extraordinary benefits of Verizon FIOS TV - the service that awaits the approval of you and your Board.

Again, thank you for your commitment to bringing cable choice and a new video technology to the Village of Sands Point.

Sincerely,

A handwritten signature in black ink, appearing to read "Monica Azare", written over a large, stylized circular flourish.

We never stop working for you.

The Village of Sands Point Can Advance New York's Broadband Revolution.

Favorable action on Verizon's proposed cable franchise agreement positions Sands Point to be among the first group of communities in New York to open the doors to the robust competition underway in New York's television and video marketplace.

A win for the community -- *and* its residents.

- **Benefits to the community:** The competitive cable TV franchise agreement under consideration will deliver:
 - **Homebuyers who actively seek out Sands Point** – Fiber to the home has become an important criterion to customers in the housing market. In communities where Verizon has deployed its fiber optic network, homebuyers favor properties served by it.
 - **Competitive Consumer Prices** – Cable rates increase less in places where cable operators face real wireline competition.
 - According to the FCC, rates for basic and expanded basic cable TV service rose by about 5% in 2005, to \$43. Those rates are up 93% over the past decade.
 - The remedy? Competition! The FCC's December 2006 report shows that in areas where there is land-based competition like Verizon FiOS TV, prices are 17% below average.
 - And in areas where Verizon is offering FiOS TV, Cablevision has offered freebies, like free DVR service or free HBO, and steep discounts to keep customers from disconnecting. And they're offering new customers the triple play bundle for \$89.95 monthly with a one year contract. It's amazing what a little competition can do for consumers!

The Village of Sands Point is among the first.

- **Deployment Commitment:** Sands Point is among the first communities in New York to benefit from Verizon's fiber-to-the-premises (FTTP) initiative. Today, this network offers Sands Point the largest ever voice, data, and video pipeline into the home, resulting in clearer, more reliable voice connections and lightning-fast Internet connections - far faster than the most powerful cable modem connections.
- **Personnel and Resource Commitment:** Verizon has hired new full-time employees and contractors to deliver fiber to the home in the area.
- **Quality Commitment:** Verizon is delivering the best video offering on the market to downstate New York – and intends to do the same for the residents of Sands Point.

Broadband. The Village of Sands Point has a lot riding on it.

We never stop working for you.

More Choices. Right Before Your Eyes.

Top 10 Reasons Why New Yorkers Want FiOS TV

- 10 It's affordable.** FiOS TV is priced to compete. And that's important. The FCC has found that cable television rates have increased 93 percent over the last decade.
- 9 It's state-of-the-art.** Verizon's programming rides over an all-digital fiber-optic network to the home – with the fastest connections available in the industry.
- 8 It's in demand.** FiOS TV was available to about 2.4 million homes at the end of 2006, and the company expects to attract 3–4 million customers by 2010.
- 7 It comes with other great services.** Customers in parts of our service territory are surfing the web at up to 50 Mbps using FiOS Internet Service. Customers also tell us that phone calls placed over our FiOS fiber optic network are clearer than ever.
- 6 It's future proof.** The network has enough capacity for the most demanding consumers today and plenty more for applications still on the drawing board.
- 5 Lots of HDTV.** There's nearly unlimited high-definition channel capacity on the FiOS TV network. FiOS TV customers today have access to twice as many HD channels as many cable providers.
- 4 It's diverse.** FiOS TV offers one of the most diverse and exciting multicultural channel lineups in the industry.
- 3 Lots of channels.** Verizon's channel lineup offers more than 400 total channels, with more on the way.
- 2 It's better.** Our analog and digital television signals travel over a pipeline far more robust than cable's. Cablevision and other providers must add voice and data service to their pipeline too, leading to a tradeoff between Internet speeds or enhancing cable TV service.
- 1 It's from Verizon.** We offer the most advanced and reliable network in the country along with a legacy of providing outstanding service in New York for more than a century.

Competition Works!

You get to choose which company to use for your wireline or wireless phone service. You get to choose your Internet Service Provider. You should have the same freedom of choice for cable TV. It's choice and competition that benefit you the most.

When a true wireline television competitor challenges cable, prices for basic and expanded basic cable TV service are 17% below average.
(Source: FCC Report on Cable Industry Prices, Dec 2006)

Delaying video entry by one year would cost New Yorkers \$458 million in lost consumer savings from video services alone, and these losses increase with each year of delay.
(Source: Phoenix Center Policy Bulletin No. 13, Jan 2006)

Incumbent cable companies have responded with service price cuts of 28 - 42% in some areas where FiOS TV is available.

Support change. Let's bring true cable TV competition to New York now – not years from now. Let your voice be heard. Urge your local elected officials to vote "YES" in favor of TV choice and competition!

WHEREAS, the LFA wishes to grant Franchisee a non-exclusive franchise to construct, install, maintain, extend and operate a cable system in the Franchise Area as designated in this Franchise;

WHEREAS, the LFA is a “franchising authority” in accordance with Title VI of the Communications Act, (*see* 47 U.S.C. §522(10)) and is authorized to grant one or more non-exclusive cable franchises pursuant to Article 11 of the New York Public Service Law, as amended, and Title 16, Chapter VIII, Parts 890.60 through 899, of the Official Compilation of Codes, Rules and Regulations of the State of New York, as amended;

Any such rights which are granted shall not adversely impact the authority as granted under this Franchise and shall not interfere with existing facilities of the Cable System or Franchisee's FTTP Network.

2.5. *Franchise Subject to Federal and State Law:* Notwithstanding any provision to the contrary herein, this Franchise is subject to and shall be governed by all applicable provisions of federal and state law as may be amended, including but not limited to the Communications Act and the Cable Law.

2.6. *No Waiver:*

2.6.1. The failure of the LFA on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require compliance or performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance of this Agreement, nor shall it excuse Franchisee from compliance or performance, unless such right or such compliance or performance has been specifically waived in writing.

2.6.2. The failure of the Franchisee on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of performance of this Agreement, nor shall it excuse the LFA from performance, unless such right or such performance has been specifically waived in writing.

2.7. *Construction of Agreement:*

2.7.1. The provisions of this Franchise shall be liberally construed to effectuate their objectives.

2.7.2. Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545, as amended.

2.8. *Police Powers:* Nothing in this Franchise shall be construed to prohibit the LFA's reasonable, necessary and lawful exercise of the police powers of the LFA in a manner not materially in conflict with the privileges granted in this Franchise and consistent with all federal and state laws, regulations and orders.

2.9. *Restoration of Municipal Property:* Any municipal property damaged or destroyed shall be promptly repaired or replaced by the Franchisee and restored to pre-existing condition.

2.10. *Restoration of Subscriber Premises:* The Franchisee shall ensure that Subscriber's premises are restored to their pre-existing condition if damaged by the Franchisee's employees or agents in any respect in connection with the installation, repair, or disconnection of Cable Service.

2.11. *Level Playing Field:* In accordance with the requirements of Section 895.3 of the PSC Rules, the parties hereto have determined that the terms of this Agreement, when compared against the terms of that certain cable franchise agreement (the "Incumbent Agreement"), dated January 30, 2001, by and between the LFA and the incumbent cable operator, Cablevision Systems Long Island Corporation ("Cablevision"), does not contain economic or regulatory burdens, which, when taken as a whole, are greater or lesser than those burdens placed upon Cablevision pursuant to the Incumbent Agreement.

3. **PROVISION OF CABLE SERVICE**

3.1. *Service Area:*

3.1.1. *Service Area:* Subject to the issuance of all necessary permits by the LFA, Franchisee shall offer Cable Service to significant numbers of Subscribers within residential areas of the Service Area and may make Cable Service available to businesses in the Service Area, within twelve (12) months and shall offer Cable Service to all residential areas of the Service Area within five (5) years, of the Effective Date of this Franchise, or, in both instances, such longer period as may be permitted by the Cable Law, except, in accordance with NY PSC rules and regulations: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to

access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments or buildings where Franchisee cannot gain access after good faith efforts, and (F) in areas, developments or buildings where the provision of Cable Service is economically infeasible because such provision requires non-standard facilities which are not available on a commercially reasonable basis, and (G) in areas where the occupied residential household density does not meet the density and other requirements set forth in Sub-Subsection 3.1.1.1. and Section 3.2.

3.1.1.1. *Density Requirement:* Franchisee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than thirty-five (35) occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line. Should, through new construction, an area within the Service Area meet the density requirements after the time stated for providing Cable Service as set forth in Subsection 3.1.1 respectively, Franchisee shall provide Cable Service to such area within twelve (12) months of receiving notice from the LFA that the density requirements have been met.

3.2. *Availability of Cable Service:* Franchisee shall make Cable Service available to all residential dwelling units and may make Cable Service available to businesses within the Service Area in conformance with Section 3.1, and Franchisee shall not discriminate between or among any individuals in the availability of Cable Service or based upon the income in a local area. In the areas in which Franchisee shall provide Cable Service, Franchisee shall be required to connect, at Franchisee's expense, other than a standard installation charge, all residential dwelling units that are within two hundred fifty (250) feet of aerial trunk or feeder lines not otherwise already served by Franchisee's FTTP Network. Franchisee shall be allowed to recover, from a Subscriber that requests such connection, the actual costs incurred for residential dwelling unit connections that exceed two hundred fifty (250) feet or are in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile and the actual costs incurred to connect any non-residential dwelling unit Subscriber, provided, however, that Franchisee may seek a waiver of any requirement that it extend service to any party requesting the same in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile if such would not be possible within the limitations of economic feasibility. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such costs shall be submitted to said recipient in writing, before installation is begun.

3.3. *Cable Service to Public Buildings:* Subject to Section 3.1, Franchisee shall provide, without charge within the Service Area, one service outlet activated for Basic Service to each public school and public library, and such other buildings used for municipal purposes as may be designated by the LFA as provided in Exhibit A attached hereto; provided, however, that if it is necessary to extend Franchisee's aerial trunk or feeder lines more than five hundred feet solely to provide service to any such school or public building, the LFA shall have the option either of paying Franchisee's direct costs for such extension in excess of five hundred (500) feet, or of releasing Franchisee from the obligation to provide service to such school or public building. Furthermore, Franchisee shall be permitted to recover, from any school or public building owner entitled to free service, the direct cost of installing, when requested to do

so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than five hundred (500) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed. Cable Service may not be resold or otherwise used in contravention of Franchisee's rights with third parties respecting programming. Equipment provided by Franchisee, if any, shall be replaced at retail rates if lost, stolen or damaged. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such costs shall be submitted to said recipient in writing, before installation is begun.

3.4. *Contribution in Aid:* Notwithstanding the foregoing, Franchisee shall comply at all times, with the requirements of Section 895.5 of NY PSC rules and regulations.

4. **SYSTEM FACILITIES**

4.1. *Quality of Materials and Work:* Franchisee shall construct and maintain its System using materials of good and durable quality, and all work involved in the construction, installation, maintenance and repair of the Cable System shall be performed in a safe, thorough and reliable manner.

4.2. *System Characteristics:* During the term hereof Franchisee's Cable System shall meet or exceed the following requirements:

4.2.1. The System shall be designed and operated with an initial analog and digital carrier passband between 50 and 860 MHz and shall provide for a minimum channel capacity of not less than 77 channels on the Effective Date.

4.2.2. The System shall be designed to be an active two-way plant for subscriber interaction, if any, required for the selection or use of Cable Service.

4.3. *Interconnection:* The Franchisee shall design its Cable System so that it may be interconnected with other cable systems in the Franchise Area. Interconnection of systems may be made by direct cable connection, microwave link, satellite, or other appropriate methods.

4.4. *Emergency Alert System:* Franchisee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and the State of New York, including the NY PSC's rules and regulations and the current New York EAS Plan, in order that emergency messages may be distributed over the System.

5. **PEG SERVICES**

5.1. *PEG Set Aside:*

5.1.1. In order to ensure universal availability of public, educational and government programming, Franchisee shall provide capacity on its Basic Service tier for up to one (1) dedicated Public Access Channel, one (1) dedicated Educational Access Channel, and up to one (1) dedicated Government Access Channel (collectively, "PEG Channels").

5.1.2. The programming to be carried on each of the PEG Channels set aside by Franchisee is reflected in Exhibit C attached hereto. The LFA hereby authorizes Franchisee to transmit such programming within and without LFA jurisdictional boundaries. Franchisee specifically reserves the right to make or change channel assignments in its sole discretion. If a PEG Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Channel for its intended purpose. In the event that the LFA determines to use PEG capacity, the LFA shall provide Franchisee with prior written notice of such request in accordance with NY PSC rules and regulations.

5.1.3. Franchisee shall provide the technical ability to play back pre-recorded programming provided to Franchisee consistent with this Section. Franchisee shall transmit programming consistent with the dedicated uses of PEG Access Channels. Franchisee shall comply at all times with the requirements of Section 895.4 of the NY PSC rules and regulations.

5.2. *Franchise Grants:*

5.2.1. The Franchisee shall pay an Initial Franchise Grant to the LFA in the amount of Seven Thousand Five Hundred and 00/100 Dollars (\$7,500.00) (the "Initial Franchise Grant"), which shall be payable within sixty (60) days of the Effective Date.

5.2.2. In addition to the Initial Franchise Grant, the Franchisee shall pay to the LFA a Supplementary Franchise Grant (the "Supplementary Franchise Grant") totaling five thousand 00/100 dollars (\$5,000) in accordance with the following schedule and respective amounts.

5.2.2.1. On the date which is sixty (60) days from the fourth (4th) anniversary of the Effective Date, the Franchisee shall pay to the LFA a Supplementary Franchise Grant in the amount of two thousand five hundred 00/100 dollars (\$2,500.00).

5.2.2.2. On the date which is sixty (60) days from the seventh (7th) anniversary of the Effective Date, the Franchisee shall pay to the LFA a Supplementary Franchise Grant in the amount of two thousand five hundred 00/100 dollars (\$2,500.00).

5.2.3. The Initial Franchise Grant and the Supplementary Franchise Grant shall be used by the LFA in a manner consistent with applicable federal and state laws, rules and regulations.

5.3. *Indemnity for PEG:* The LFA shall require all local producers and users of any of the PEG facilities or Channels to agree in writing to authorize Franchisee to transmit programming consistent with this Agreement and to defend and hold harmless Franchisee and the LFA from and against any and all liability or other injury, including the reasonable cost of defending claims or litigation, arising from or in connection with claims for failure to comply with applicable federal laws, rules, regulations or other requirements of local, state or federal authorities; for claims of libel, slander, invasion of privacy, or the infringement of common law or statutory copyright; for unauthorized use of any trademark, trade name or service mark; for breach of contractual or other obligations owing to third parties by the producer or user; and for

any other injury or damage in law or equity, which result from the use of a PEG facility or Channel. The LFA shall establish rules and regulations for use of PEG facilities, consistent with, and as required by, 47 U.S.C. §531.

5.4. *Recovery of Costs:* To the extent permitted by federal law, the Franchisee shall be allowed to recover the costs of an Initial and Supplementary Franchise Grant or any other costs arising from the provision of PEG services from Subscribers and to include such costs as separately billed line items on each Subscriber's bill. Without limiting the foregoing, if allowed under state and federal laws, Franchisee may externalize, line-item, or otherwise pass-through interconnection and any franchise-related costs to Subscribers.

6. **FRANCHISE FEES**

6.1. *Payment to LFA:* Franchisee shall pay to the LFA a Franchise Fee of five percent (5%) of annual Gross Revenue (the "Franchise Fee"). In accordance with Title VI, the twelve (12) month period applicable under the Franchise for the computation of the Franchise Fee shall be a calendar year. Such payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Franchisee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall be refunded any payments that were incorrectly submitted, in connection with the quarterly Franchise Fee remittances within ninety (90) days following the close of the calendar year for which such payments were applicable.

6.2. *Supporting Information:* Each Franchise Fee payment shall be accompanied by a brief report prepared by a representative of Franchisee showing the basis for the computation.

6.3. *Audit:* LFA, or its designee, may conduct an audit or other inquiry in relation to payments made by Franchisee no more than once every three (3) years during the Term. As a part of the audit process, LFA or LFA's designee may inspect Franchisee's books of accounts relative to LFA at any time during regular business hours and after thirty (30) calendar days prior written notice.

6.3.1. All records deemed by LFA or LFA's designee to be reasonably necessary for such audit shall be made available by Franchisee in a mutually agreeable format and location. Franchisee agrees to give its full cooperation in any audit and shall provide responses to inquiries within thirty (30) calendar days of a written request. Franchisee may provide such responses within a reasonable time after the expiration of the response period above so long as Franchisee has made a good faith effort to procure any such tardy response.

6.3.2. If the results of any audit indicate that Franchisee (i) paid the correct franchise fee, (ii) overpaid the franchise fee and is entitled to a refund or credit, or (iii) underpaid the franchise fee by five percent (5%) or less, then LFA shall pay the costs of the audit. If the results of the audit indicate Franchisee underpaid the franchise fee by more than five percent (5%), then Franchisee shall pay the reasonable, documented, third-party costs of the audit, which costs shall be limited to Ten Thousand Dollars (\$10,000.00).

6.3.3. Any auditor employed by LFA shall not be compensated on a success based formula, e.g., payment based on a percentage on underpayment, if any.

Franchisee shall be provided a reasonable opportunity to review the results of any audit and to dispute any audit results which indicate an underpayment to the LFA.

6.4. *Limitation on Franchise Fee Actions:* The parties agree that the period of limitation for recovery of any Franchise Fee payable hereunder shall be six (6) years from the date on which payment by Franchisee is due, but cannot exceed the date of records retention reflected in Section 7.

6.5. *Bundled Services:* If Cable Services subject to the Franchise Fee required under this Article 6 are provided to Subscribers in conjunction with Non-Cable Services, the Franchise Fee shall be applied only to the value of the Cable Services, as reflected on the books and records of Franchisee in accordance with FCC or state public utility regulatory commission rules, regulations, standards or orders.

7. REPORTS AND RECORDS

7.1. *Open Books and Records:* Upon reasonable written notice to the Franchisee and with no less than thirty (30) business days written notice to the Franchisee, the LFA shall have the right to inspect Franchisee's books and records pertaining to Franchisee's provision of Cable Service in the Franchise Area at any time during Normal Business Hours and on a non-disruptive basis, as are reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the section or subsection of the Franchise which is under review, so that Franchisee may organize the necessary books and records for appropriate access by the LFA. Franchisee shall not be required to maintain any books and records for Franchise compliance purposes longer than six (6) years. Notwithstanding anything to the contrary set forth herein, Franchisee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Service Area. The LFA shall treat any information disclosed by Franchisee as confidential and shall only disclose it to employees, representatives, and agents thereof who have a need to know, or in order to enforce the provisions hereof. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

7.2. *Records Required:* Franchisee shall at all times maintain:

7.2.1. Records of all written complaints for a period of three (3) years after receipt by Franchisee. The term "complaint" as used herein refers to complaints about any aspect of the Cable System or Franchisee's cable operations, including, without limitation, complaints about employee courtesy. Complaints recorded will not be limited to complaints requiring an employee service call;

7.2.2. Records of outages for a period of three (3) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

7.2.3. Records of service calls for repair and maintenance for a period of three (3) years after resolution by Franchisee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and

the date and time service was provided, and (if different) the date and time the problem was resolved;

7.2.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by Franchisee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

7.2.5. A map showing the area of coverage for the provisioning of Cable Services and estimated timetable to commence providing Cable Service.

7.3. *System-Wide Statistics*: Any valid reporting requirement in the Franchise may be satisfied with system-wide statistics, except those related to Franchise Fees and consumer complaints.

8. **INSURANCE AND INDEMNIFICATION**

8.1. *Insurance*:

8.1.1. Franchisee shall maintain in full force and effect, at its own cost and expense, during the Franchise Term, the following insurance coverage:

8.1.1.1. Commercial General Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for property damage and bodily injury. Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of Franchisee's Cable Service business in the LFA.

8.1.1.2. Automobile Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for bodily injury and property damage coverage.

8.1.1.3. Workers' Compensation Insurance meeting all legal requirements of the State of New York.

8.1.1.4. Employers' Liability Insurance in the following amounts: (A) Bodily Injury by Accident: \$100,000; and (B) Bodily Injury by Disease: \$100,000 employee limit; \$500,000 policy limit.

8.1.1.5. Excess liability or umbrella coverage of not less than ten million dollars (\$10,000,000).

8.1.2. The LFA shall be designated as an additional insured under each of the insurance policies required in this Article 8 except Worker's Compensation Insurance, Employer's Liability Insurance, and excess liability or umbrella coverage.

8.1.3. Each of the required insurance policies shall be non-cancellable except upon thirty (30) days prior written notice to the LFA. Franchisee shall not cancel any required insurance policy without submitting documentation to the LFA verifying that the Franchisee has obtained alternative insurance in conformance with this Agreement.

8.1.4. Each of the required insurance policies shall be with sureties qualified to do business in the State of New York, with an A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition.

8.1.5. Upon written request, Franchisee shall deliver to the LFA Certificates of Insurance showing evidence of the required coverage.

8.2. *Indemnification:*

8.2.1. Franchisee agrees to indemnify the LFA, its officers, agents, boards, elected officials, authorized representatives and employees for, and hold the same harmless from, all liability, damage, cost or expense arising from claims of injury to persons or damage to property occasioned by reason of any conduct undertaken pursuant to the Franchise, provided that the LFA shall give Franchisee timely written notice of the LFA's request for indemnification within a reasonable period of time from receipt of a claim or action pursuant to this Subsection to enable the Franchisee to timely answer complaints, raise defenses and to defend all claims. Notwithstanding the foregoing, Franchisee shall not indemnify the LFA for any damages, liability or claims resulting from the willful misconduct or negligence of the LFA, its officers, agents, employees, attorneys, consultants, independent contractors, or third parties or for any activity or function conducted by any Person other than Franchisee in connection with PEG Access or EAS.

8.2.2. With respect to Franchisee's indemnity obligations set forth in Subsection 8.2.1, Franchisee shall provide the defense of any claims brought against the LFA by selecting counsel of Franchisee's choice to defend the claim, subject to the consent of the LFA, which shall not be unreasonably withheld. Nothing herein shall be deemed to prevent the LFA from cooperating with the Franchisee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the LFA, Franchisee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Franchisee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such proposed settlement includes the release of the LFA and the LFA does not consent to the terms of any such settlement or compromise, Franchisee shall not settle the claim or action but its obligation to indemnify the LFA shall in no event exceed the amount of such settlement.

8.2.3. The LFA shall be responsible for its own acts of willful misconduct, negligence, or breach, subject to any and all defenses and limitations of liability provided by law. The Franchisee shall not be required to indemnify the LFA for acts of the LFA which constitute willful misconduct or negligence on the part of the LFA, its officers, employees, agents, attorneys, consultants, independent contractors or third parties.

9. **TRANSFER OF FRANCHISE**

9.1. *Transfer:* Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, as amended, no Transfer of the Franchise shall occur without the prior consent of the LFA, provided that such consent shall not be unreasonably withheld, delayed or conditioned. In considering an application for the Transfer of the Franchise, the LFA may consider the

applicant's: (i) technical ability; (ii) financial ability; (iii) good character; and (iv) other qualifications necessary to continue to operate the Cable System consistent with the terms of the Franchise. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Franchisee in the Franchise or Cable System in order to secure indebtedness, or for transactions otherwise excluded under Section 1.31 above.

10. **RENEWAL OF FRANCHISE**

10.1. *Governing Law:* The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed by and comply with the provisions of Section 12.11 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended.

10.2. *Needs Assessment:* In addition to the procedures set forth in Section 626 of the Communications Act, the LFA shall notify Franchisee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of Franchisee under the then current Franchise term. Such assessments shall be provided to Franchisee by the LFA within 10 business days of the completion of the assessments so that Franchisee will have adequate time to submit a proposal under 47 U.S.C. § 546 and complete renewal of the Franchise prior to expiration of its term.

10.3. *Informal Negotiations:* Notwithstanding anything to the contrary set forth herein, Franchisee and the LFA agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the LFA and Franchisee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the LFA may grant a renewal thereof.

10.4. *Consistent Terms:* Franchisee and the LFA consider the terms set forth in this Article 10 to be consistent with the express provisions of 47 U.S.C. § 546 and the Cable Law.

11. **ENFORCEMENT AND TERMINATION OF FRANCHISE**

11.1. *Notice of Violation:* If at any time the LFA believes that Franchisee has not complied with the terms of the Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the LFA shall then notify Franchisee in writing of the exact nature of the alleged non-compliance in a reasonable time (for purposes of this Article, the "Non-compliance Notice").

11.2. *Franchisee's Right to Cure or Respond:* Franchisee shall have sixty (60) days from receipt of the Non-compliance Notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of non-compliance; (ii) cure such non-compliance; or (iii) in the event that, by its nature, such non-compliance cannot be cured within such sixty (60) day period, initiate reasonable steps to remedy such non-compliance and notify the LFA of the steps being taken and the date by which Franchisee projects that it will complete cure of such non-compliance. Upon cure of any non-compliance, the LFA shall provide written confirmation that such cure has been effected.

11.3. *Public Hearing:* The LFA shall schedule a public hearing if the LFA seeks to continue its investigation into the alleged non-compliance (i) if Franchisee fails to respond to the Non-compliance Notice pursuant to the procedures required by this Article, or (ii) if Franchisee has not remedied the alleged non-compliance within sixty (60) days or the date projected pursuant to Section 11.2(iii) above. The LFA shall provide Franchisee at least sixty (60) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Franchisee the opportunity to be heard.

11.4. *Enforcement:* Subject to Section 12.11 below and applicable federal and state law, in the event the LFA, after the public hearing set forth in Section 11.3, determines that Franchisee is in default of any provision of this Franchise, the LFA may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

11.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

11.4.3. In the case of a substantial non-compliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 11.5.

11.5. *Revocation:* Should the LFA seek to revoke this Franchise after following the procedures set forth above in this Article, including the public hearing described in Section 11.3, the LFA shall give written notice to Franchisee of such intent. The notice shall set forth the specific nature of the non-compliance. The Franchisee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the LFA has not received a satisfactory response from Franchisee, it may then seek termination of the Franchise at a second public hearing. The LFA shall cause to be served upon the Franchisee, at least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

11.5.1. At the designated public hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the LFA, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing.

11.5.2. Following the second public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the LFA in writing and thereafter the LFA shall determine (i) whether an event of default has occurred under this Franchise; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Franchisee. The LFA shall also determine whether it will revoke the Franchise based on the information presented, or, where applicable, grant additional time to the Franchisee to effect any cure. If the LFA determines that it will revoke the Franchise, the LFA shall promptly provide Franchisee with a written determination setting forth the LFA's reasoning for such revocation. Franchisee may appeal such written determination of the LFA to

an appropriate court, which shall, to the extent permitted under applicable law, have the power to review the decision of the LFA *de novo*. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the written determination of the LFA.

11.5.3. The LFA may, at its sole discretion, take any lawful action that it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

11.6. *Abandonment of Service:* Franchisee shall not abandon any Cable Service or portion thereof without the LFA's prior written consent as provided in the Cable Law.

12. **MISCELLANEOUS PROVISIONS**

12.1. *Actions of Parties:* In any action by the LFA or Franchisee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

12.2. *Binding Acceptance:* This Agreement shall bind and benefit the parties hereto and their respective heirs, beneficiaries, administrators, executors, receivers, trustees, successors and assigns, and the promises and obligations herein shall survive the expiration date hereof.

12.3. *Preemption:* In the event that federal or state law, rules, or regulations preempt a provision or limit the enforceability of a provision of this Agreement, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. In the event such federal or state law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the LFA.

12.4. *Force Majeure:* Franchisee shall not be held in default under, or in non-compliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to non-compliance or default, where such non-compliance or alleged defaults occurred or were caused by a Force Majeure.

12.4.1. Furthermore, the parties hereby agree that it is not the LFA's intention to subject Franchisee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on Subscribers, or where strict performance would result in practical difficulties and hardship being placed upon Franchisee that outweigh the benefit to be derived by the LFA and/or Subscribers.

12.5. *Notices:* Unless otherwise expressly stated herein, notices required under the Franchise shall be mailed first class, postage prepaid, to the addressees below. Each party may change its designee by providing written notice to the other party.

The Franchisee shall memorialize the Effective Date by notifying the LFA in writing of the same, which notification shall become a part of this Franchise.

2.4. *Grant Not Exclusive:* The Franchise and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the LFA reserves the right to grant other franchises for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use itself, at any time during the term of this Franchise. Any such rights which are granted shall not adversely impact the authority as granted under this Franchise and shall not interfere with existing facilities of the Cable System or Franchisee's FTTP Network.

2.5. *Franchise Subject to Federal and State Law:* Notwithstanding any provision to the contrary herein, this Franchise is subject to and shall be governed by all applicable provisions of federal and state law as may be amended, including but not limited to the Communications Act and the Cable Law.

2.10. *Restoration of Subscriber Premises:* The Franchisee shall ensure that Subscriber's premises are restored to their pre-existing condition if damaged by the Franchisee's employees or agents in any respect in connection with the installation, repair, or disconnection of Cable Service.

2.11. *Level Playing Field:* In accordance with the requirements of Section 895.3 of the PSC Rules, the parties hereto have determined that the terms of this Agreement, when compared against the terms of that certain cable franchise agreement (the "Incumbent Agreement"), dated January 30, 2001, by and between the LFA and the incumbent cable operator, Cablevision Systems Long Island Corporation ("Cablevision"), does not contain economic or regulatory burdens, which, when taken as a whole, are greater or lesser than those burdens placed upon Cablevision pursuant to the Incumbent Agreement.

3. **PROVISION OF CABLE SERVICE**

3.1. *Service Area:*

3.1.1. *Service Area:* Subject to the issuance of all necessary permits by the LFA, Franchisee shall offer Cable Service to significant numbers of Subscribers within residential areas of the Service Area and may make Cable Service available to businesses in the Service Area, within twelve (12) months and shall offer Cable Service to all residential areas of the Service Area within five (5) years, of the Effective Date of this Franchise, or, in both instances, such longer period as may be permitted by the Cable Law, except, in accordance with NY PSC rules and regulations: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to

access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments or buildings where Franchisee cannot gain access after good faith efforts, and (F) in areas, developments or buildings where the provision of Cable Service is economically infeasible because such provision requires non-standard facilities which are not available on a commercially reasonable basis, and (G) in areas where the occupied residential household density does not meet the density and other requirements set forth in Sub-Subsection 3.1.1.1. and Section 3.2.

3.1.1.1. *Density Requirement:* Franchisee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than thirty-five (35) occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line. Should, through new construction, an area within the Service Area meet the density requirements after the time stated for providing Cable Service as set forth in Subsection 3.1.1 respectively, Franchisee shall provide Cable Service to such area within twelve (12) months of receiving notice from the LFA that the density requirements have been met.

3.2. *Availability of Cable Service:* Franchisee shall make Cable Service available to all residential dwelling units and may make Cable Service available to businesses within the Service Area in conformance with Section 3.1, and Franchisee shall not discriminate between or among any individuals in the availability of Cable Service or based upon the income in a local area. In the areas in which Franchisee shall provide Cable Service, Franchisee shall be required to connect, at Franchisee's expense, other than a standard installation charge, all residential dwelling units that are within two hundred fifty (250) feet of aerial trunk or feeder lines not otherwise already served by Franchisee's FTTP Network. Franchisee shall be allowed to recover, from a Subscriber that requests such connection, the actual costs incurred for residential dwelling unit connections that exceed two hundred fifty (250) feet or are in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile and the actual costs incurred to connect any non-residential dwelling unit Subscriber, provided, however, that Franchisee may seek a waiver of any requirement that it extend service to any party requesting the same in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile if such would not be possible within the limitations of economic feasibility. If premises are served by aerial lines, and the Subscriber requests an underground installation, Franchisee can charge the Subscriber Franchisee's actual cost. Such costs shall be submitted to said Subscriber in writing, before installation is begun.

3.2.1. *Service Availability Meeting:* Franchisee agrees that, upon the LFA's request and with no less than thirty (30) days written notice, but no more than once per year, a representative of the Franchisee will meet with representatives of the LFA at a Service Availability Meeting to provide additional information on the status of the deployment of Cable Services in the Franchise Area. During these Service Availability Meetings, the Franchisee's representative will show the LFA's representatives, for viewing only, a map provided by the Franchisee showing the availability of Cable Services in the Franchise Area. The Service Availability Meetings may be attended only by representatives of the LFA and the Franchisee and will not be open to the public. Any information disclosed by the Franchisee during these Service Availability Meetings that the Franchisee requests be treated as confidential, trade secret

or proprietary in nature shall be treated by the LFA as being confidential, trade secret or proprietary to the extent provided under Section 87(2)(d) of the New York Public Officers Law and shall be disclosed only to employees, representatives, and agents thereof who have a need to know. For purposes of this Section, proprietary or confidential information includes, but is not limited to: information related to the Cable System design; trade secrets; Subscriber lists; marketing plans; financial information; or other information that is reasonably determined by the Franchisee to be competitively sensitive. If the LFA receives a request under FOIL or similar law for the disclosure of information that Franchisee has requested be treated as confidential, trade secret or proprietary, the LFA shall notify Franchisee of such request within five (5) business days of receipt of such a request. The Franchisee will notify the LFA of its position on disclosure within five (5) days of notification from the LFA. The LFA shall notify both the FOIL applicant and the Franchisee in writing of its decision to grant or deny a request. If the Franchisee has requested that the LFA deny release of any information that the LFA determines is subject to disclosure, then the LFA shall withhold such information for seven (7) days from the date of Franchisee's notification of its position to the LFA to give Franchisee the opportunity to seek judicial redress to preclude disclosure. The LFA shall not make public disclosure of such information if it is exempt from mandatory disclosure under FOIL or unless required by court order. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

Furthermore, Franchisee shall be permitted to recover, from any school or public building owner entitled to free service, the direct cost of installing, when requested to do so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than five hundred (500) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed. Cable Service may not be resold or otherwise used in contravention of Franchisee's rights with third parties respecting programming. Equipment provided by Franchisee, if any, shall be replaced at retail rates if lost, stolen or damaged. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. 5.1.2. The programming to be carried on each of the PEG Channels set aside by Franchisee is reflected in Exhibit C attached hereto. The LFA hereby authorizes Franchisee to transmit such programming within and without LFA jurisdictional boundaries. Franchisee specifically reserves the right to make or change channel assignments in its sole discretion. If a PEG Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Channel for its intended purpose. Without limiting the foregoing, if allowed under state and federal laws, Franchisee may externalize, line-item, or otherwise pass-through interconnection and any franchise-related costs to Subscribers.

6. **FRANCHISE FEES**

6.1. *Payment to LFA:* Franchisee shall pay to the LFA a Franchise Fee of five percent (5%) of annual Gross Revenue (the “Franchise Fee”). In accordance with Title VI, the twelve (12) month period applicable under the Franchise for the computation of the Franchise

Franchisee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall be refunded any payments that were incorrectly submitted, in connection with the quarterly Franchise Fee remittances within ninety (90) days following the close of the calendar year for which such payments were applicable.

As a part of the audit process, LFA or LFA's designee may inspect Franchisee's books of accounts relative to LFA at any time during regular business hours and after thirty (30) calendar days prior written notice.

6.3.1. All records deemed by LFA or LFA's designee to be reasonably necessary for such audit shall be made available by Franchisee in a mutually agreeable format and location. Franchisee agrees to give its full cooperation in any audit and shall provide responses to inquiries within thirty (30) calendar days of a written request. Franchisee may provide such responses within a reasonable time after the expiration of the response period above so long as Franchisee has made a good faith effort to procure any such tardy response.

6.3.2. If the results of any audit indicate that Franchisee (i) paid the correct franchise fee, (ii) overpaid the franchise fee and is entitled to a refund or credit, or (iii) underpaid the franchise fee by five percent (5%) or less, then LFA shall pay the costs of the audit. If the results of the audit indicate Franchisee underpaid the franchise fee by more than five percent (5%), then Franchisee shall pay the reasonable, documented, third-party costs of the audit, which costs shall be limited to Ten Thousand Dollars (\$10,000.00).

6.3.3. Any auditor employed by LFA shall not be compensated on a success based formula, *e.g.*, payment based on a percentage on underpayment, if any. Franchisee shall be provided a reasonable opportunity to review the results of any audit and to dispute any audit results which indicate an underpayment to the LFA.

6.4. *Limitation on Franchise Fee Actions:* The parties agree that the period of limitation for recovery of any Franchise Fee payable hereunder shall be six (6) years from the date on which payment by Franchisee is due, but cannot exceed the date of records retention reflected in Section 7.

6.5. *Bundled Services:* If Cable Services subject to the Franchise Fee required under this Article 6 are provided to Subscribers in conjunction with Non-Cable Services, the Franchise Fee shall be applied only to the value of the Cable Services, as reflected on the books and records of Franchisee in accordance with FCC or state public utility regulatory commission rules, regulations, standards or orders.

7. **REPORTS AND RECORDS**

7.1. *Open Books and Records:* Upon reasonable written notice to the Franchisee and with no less than thirty (30) business days written notice to the Franchisee, the LFA shall have the right to inspect Franchisee's books and records pertaining to Franchisee's provision of Cable Service in the Franchise Area at any time during Normal Business Hours and on a non-disruptive basis, as are reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the section or subsection of the Franchise which is under review, so that Franchisee may organize the necessary books and records for appropriate access by the LFA. Franchisee shall not be required to maintain any books and records for Franchise compliance purposes longer than six (6) years. Notwithstanding anything to the contrary set forth herein, Franchisee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Service Area. The LFA shall treat any information disclosed by Franchisee as confidential and shall only disclose it to employees, representatives, and agents thereof who have a need to know, or in order to enforce the provisions hereof. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

7.2. *Records Required:* Franchisee shall at all times maintain:

7.2.1. Records of all written complaints for a period of three (3) years after receipt by Franchisee. 8.1.3. Each of the required insurance policies shall be non-cancellable except upon thirty (30) days prior written notice to the LFA. Franchisee shall not cancel any required insurance policy without submitting documentation to the LFA verifying that the Franchisee has obtained alternative insurance in conformance with this Agreement.

8.1.4. Each of the required insurance policies shall be with sureties qualified to do business in the State of New York, with an A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition.

8.2. *Indemnification:*

8.2.1. Franchisee agrees to indemnify the LFA, its officers, agents, boards, elected officials, authorized representatives and employees for, and hold the same harmless from, all liability, damage, cost or expense arising from claims of injury to persons or damage to property occasioned by reason of any conduct undertaken pursuant to the Franchise,

provided that the LFA shall give Franchisee timely written notice of the LFA's request for indemnification within a reasonable period of time from receipt of a claim or action pursuant to this Subsection to enable the Franchisee to timely answer complaints, raise defenses and to defend all claims. Notwithstanding the foregoing, Franchisee shall not indemnify the LFA for any damages, liability or claims resulting from the willful misconduct or negligence of the LFA, its officers, agents, employees, attorneys, consultants, independent contractors, or third parties or for any activity or function conducted by any Person other than Franchisee in connection with PEG Access or EAS.

8.2.2. With respect to Franchisee's indemnity obligations set forth in Subsection 8.2.1, Franchisee shall provide the defense of any claims brought against the LFA by selecting counsel of Franchisee's choice to defend the claim, subject to the consent of the LFA, which shall not be unreasonably withheld. Nothing herein shall be deemed to prevent the LFA from cooperating with the Franchisee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the LFA, Franchisee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Franchisee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such proposed settlement includes the release of the LFA and the LFA does not consent to the terms of any such settlement or compromise, Franchisee shall not settle the claim or action but its obligation to indemnify the LFA shall in no event exceed the amount of such settlement.

8.2.3. The LFA shall be responsible for its own acts of willful misconduct, negligence, or breach, subject to any and all defenses and limitations of liability provided by law. The Franchisee shall not be required to indemnify the LFA for acts of the LFA which constitute willful misconduct or negligence on the part of the LFA, its officers, employees, agents, attorneys, consultants, independent contractors or third parties.

9. TRANSFER OF FRANCHISE

9.1. *Transfer:* Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, as amended, no Transfer of the Franchise shall occur without the prior consent of the LFA, provided that such consent shall not be unreasonably withheld, delayed or conditioned. In considering an application for the Transfer of the Franchise, the LFA may consider the applicant's: (i) technical ability; (ii) financial ability; (iii) good character; and (iv) other qualifications necessary to continue to operate the Cable System consistent with the terms of the Franchise. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Franchisee in the Franchise or Cable System in order to secure indebtedness, or for transactions otherwise excluded under Section 1.31 above.

10. RENEWAL OF FRANCHISE

10.1. *Governing Law:* The LFA may lawfully grant or deny any proposal for renewal submitted by the Franchisee to the LFA. The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed

by and comply with the provisions of Section 12.11 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended.

10.2. *Needs Assessment:* In addition to the procedures set forth in Section 626 of the Communications Act, the LFA shall notify Franchisee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of Franchisee under the then current Franchise term. Such assessments shall be provided to Franchisee by the LFA within 10 business days of the completion of the assessments so that Franchisee will have adequate time to submit a proposal under 47 U.S.C. § 546 and complete renewal of the Franchise prior to expiration of its term.

10.3. *Informal Negotiations:* Notwithstanding anything to the contrary set forth herein, Franchisee and the LFA agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the LFA and Franchisee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the LFA may grant a renewal thereof.

10.4. *Consistent Terms:* Franchisee and the LFA consider the terms set forth in this Article 10 to be consistent with the express provisions of 47 U.S.C. § 546 and the Cable Law.

11. ENFORCEMENT AND TERMINATION OF FRANCHISE

11.1. *Notice of Violation:* If at any time the LFA believes that Franchisee has not complied with the terms of the Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the LFA shall then notify Franchisee in writing of the exact nature of the alleged non-compliance in a reasonable time (for purposes of this Article, the “Non-compliance Notice”).

11.2. *Franchisee’s Right to Cure or Respond:* Franchisee shall have sixty (60) days from receipt of the Non-compliance Notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of non-compliance; (ii) cure such non-compliance; or (iii) in the event that, by its nature, such non-compliance cannot be cured within such sixty (60) day period, initiate reasonable steps to remedy such non-compliance and notify the LFA of the steps being taken and the date by which Franchisee projects that it will complete cure of such non-compliance. Upon cure of any non-compliance, the LFA shall provide written confirmation that such cure has been effected.

11.3. *Public Hearing:* The LFA shall schedule a public hearing if the LFA seeks to continue its investigation into the alleged non-compliance (i) if Franchisee fails to respond to the Non-compliance Notice pursuant to the procedures required by this Article, or (ii) if Franchisee has not remedied the alleged non-compliance within sixty (60) days or the date projected pursuant to Section 11.2(iii) above. The LFA shall provide Franchisee at least sixty (60) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Franchisee the opportunity to be heard.

11.4. *Enforcement:* Subject to Section 12.11 below and applicable federal and state law, in the event the LFA, after the public hearing set forth in Section 11.3, determines that Franchisee is in default of any provision of this Franchise, the LFA may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

11.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

11.4.3. In the case of a substantial non-compliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 11.5.

11.5. *Revocation:* Should the LFA seek to revoke this Franchise after following the procedures set forth above in this Article, including the public hearing described in Section 11.3, the LFA shall give written notice to Franchisee of such intent. The notice shall set forth the specific nature of the non-compliance. The Franchisee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the LFA has not received a satisfactory response from Franchisee, it may then seek termination of the Franchise at a second public hearing. The LFA shall cause to be served upon the Franchisee, at least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

11.5.1. At the designated public hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the LFA, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing.

11.5.2. Following the second public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the LFA in writing and thereafter the LFA shall determine (i) whether an event of default has occurred under this Franchise; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Franchisee. The LFA shall also determine whether it will revoke the Franchise based on the information presented, or, where applicable, grant additional time to the Franchisee to effect any cure. If the LFA determines that it will revoke the Franchise, the LFA shall promptly provide Franchisee with a written determination setting forth the LFA's reasoning for such revocation. Franchisee may appeal such written determination of the LFA to an appropriate court, which shall, to the extent permitted under applicable law, have the power to review the decision of the LFA *de novo*. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the written determination of the LFA.

11.5.3. The LFA may, at its sole discretion, take any lawful action that it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

11.6. *Abandonment of Service:* Franchisee shall not abandon any Cable Service or portion thereof without the LFA's prior written consent as provided in the Cable Law.

12. **MISCELLANEOUS PROVISIONS**

12.1. *Actions of Parties:* In any action by the LFA or Franchisee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. In the event such federal or state law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the LFA.

12.4. *Force Majeure:* Franchisee shall not be held in default under, or in non-compliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to non-compliance or default, where such non-compliance or alleged defaults occurred or were caused by a Force Majeure.

12.4.1. Furthermore, the parties hereby agree that it is not the LFA's intention to subject Franchisee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on Subscribers, or where strict performance would result in practical difficulties and hardship being placed upon Franchisee that outweigh the benefit to be derived by the LFA and/or Subscribers.

12.5. *Notices:* Unless otherwise expressly stated herein, notices required under the Franchise shall be mailed first class, postage prepaid, to the addressees below. Each party may change its designee by providing written notice to the other party.

WHEREAS, the LFA wishes to grant Franchisee a non-exclusive franchise to construct, install, maintain, extend and operate a cable system in the Franchise Area as designated in this Franchise;

WHEREAS, the LFA is a “franchising authority” in accordance with Title VI of the Communications Act, (*see* 47 U.S.C. §522(10)) and is authorized to grant one or more non-exclusive cable franchises pursuant to Article 11 of the New York Public Service Law, as amended, and Title 16, Chapter VIII, Parts 890.60 through 899, of the Official Compilation of Codes, Rules and Regulations of the State of New York, as amended;

WHEREAS, the LFA has identified the future cable-related needs and interests of the LFA and its community, has considered and approved the financial, technical and legal qualifications of Franchisee, and has determined that Franchisee’s plans for its Cable System are adequate and feasible in a full public proceeding affording due process to all parties;

WHEREAS, the LFA has found Franchisee to be financially, technically and legally qualified to operate the Cable System;

No privilege or power of eminent domain is bestowed by this grant; nor is such a privilege or power bestowed by this Agreement.

2.2. *The FTTP Network*: Upon delivery of Cable Service, by subjecting Franchisee's mixed-use facilities to the NY PSC's minimum franchise standards and the LFA's police power, the LFA has not been granted broad new authority over the construction, placement and operation of Franchisee's mixed-use facilities.

2.3. *Effective Date and Term*: This Franchise shall become effective on the date that the NY PSC issues a certificate of confirmation for this Franchise (the "Effective Date"), following its approval by the LFA's governing authority authorized to grant franchises and its acceptance by the Franchisee. The term of this Franchise shall be ten (10) years from the Effective Date unless the Franchise is earlier revoked as provided herein. The Franchisee shall memorialize the Effective Date by notifying the LFA in writing of the same, which notification shall become a part of this Franchise.

2.4. *Grant Not Exclusive*: The Franchise and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the LFA reserves the right to grant other franchises for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use itself, at any time during the term of this Franchise. Any such rights which are granted shall not adversely impact the authority as granted under this Franchise and shall not interfere with existing facilities of the Cable System or Franchisee's FTTP Network.

2.5. *Franchise Subject to Federal and State Law*: Notwithstanding any provision to the contrary herein, this Franchise is subject to and shall be governed by all applicable provisions of federal and state law as may be amended, including but not limited to the Communications Act and the Cable Law.

The failure of the LFA on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require compliance or performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance of this Agreement, nor shall it excuse Franchisee from compliance or performance, unless such right or such compliance or performance has been specifically waived in writing.

2.6.2. The failure of the Franchisee on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require performance under this Franchise, shall not be deemed to constitute a waiver of such right or a

waiver of performance of this Agreement, nor shall it excuse the LFA from performance, unless such right or such performance has been specifically waived in writing.

2.8. *Police Powers:* Nothing in this Franchise shall be construed to prohibit the LFA's reasonable, necessary and lawful exercise of the police powers of the LFA in a manner not materially in conflict with the privileges granted in this Franchise and consistent with all federal and state laws, regulations and orders.

2.10. *Restoration of Subscriber Premises:* The Franchisee shall ensure that Subscriber's premises are restored to their pre-existing condition if damaged by the Franchisee's employees or agents in any respect in connection with the installation, repair, or disconnection of Cable Service.

2.11. *Level Playing Field:* In accordance with the requirements of Section 895.3 of the PSC Rules, the parties hereto have determined that the terms of this Agreement, when compared against the terms of that certain cable franchise agreement (the "Incumbent Agreement"), dated January 30, 2001, by and between the LFA and the incumbent cable operator, Cablevision Systems Long Island Corporation ("Cablevision"), does not contain economic or regulatory burdens, which, when taken as a whole, are greater or lesser than those burdens placed upon Cablevision pursuant to the Incumbent Agreement.

3. **PROVISION OF CABLE SERVICE**

3.1. *Service Area:*

3.1.1. *Service Area:* Subject to the issuance of all necessary permits by the LFA, Franchisee shall offer Cable Service to significant numbers of Subscribers within residential areas of the Service Area and may make Cable Service available to businesses in the Service Area, within twelve (12) months and shall offer Cable Service to all residential areas of the Service Area within five (5) years, of the Effective Date of this Franchise, or, in both instances, such longer period as may be permitted by the Cable Law, except, in accordance with NY PSC rules and regulations: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments or buildings where Franchisee cannot gain access after good faith efforts, and (F) in areas, developments or buildings where the provision of Cable Service is economically

infeasible because such provision requires non-standard facilities which are not available on a commercially reasonable basis, and (G) in areas where the occupied residential household density does not meet the density and other requirements set forth in Sub-Subsection 3.1.1.1. and Section 3.2.

3.1.1.1. *Density Requirement:* Franchisee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than thirty-five (35) occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line. Should, through new construction, an area within the Service Area meet the density requirements after the time stated for providing Cable Service as set forth in Subsection 3.1.1 respectively, Franchisee shall provide Cable Service to such area within twelve (12) months of receiving notice from the LFA that the density requirements have been met.

3.2. *Availability of Cable Service:* Franchisee shall make Cable Service available to all residential dwelling units and may make Cable Service available to businesses within the Service Area in conformance with Section 3.1, and Franchisee shall not discriminate between or among any individuals in the availability of Cable Service or based upon the income in a local area. In the areas in which Franchisee shall provide Cable Service, Franchisee shall be required to connect, at Franchisee's expense, other than a standard installation charge, all residential dwelling units that are within two hundred fifty (250) feet of aerial trunk or feeder lines not otherwise already served by Franchisee's FTTP Network. Franchisee shall be allowed to recover, from a Subscriber that requests such connection, the actual costs incurred for residential dwelling unit connections that exceed two hundred fifty (250) feet or are in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile and the actual costs incurred to connect any non-residential dwelling unit Subscriber, provided, however, that Franchisee may seek a waiver of any requirement that it extend service to any party requesting the same in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile if such would not be possible within the limitations of economic feasibility. If premises are served by aerial lines, and the Subscriber requests an underground installation, Franchisee can charge the Subscriber Franchisee's actual cost. Such costs shall be submitted to said Subscriber in writing, before installation is begun.

3.2.1. *Service Availability Meeting:* Franchisee agrees that, upon the LFA's request and with no less than thirty (30) days written notice, but no more than once per year, a representative of the Franchisee will meet with representatives of the LFA at a Service Availability Meeting to provide additional information on the status of the deployment of Cable Services in the Franchise Area. During these Service Availability Meetings, the Franchisee's representative will show the LFA's representatives, for viewing only, a map provided by the Franchisee showing the availability of Cable Services in the Franchise Area. The Service Availability Meetings may be attended only by representatives of the LFA and the Franchisee and will not be open to the public. Any information disclosed by the Franchisee during these Service Availability Meetings that the Franchisee requests be treated as confidential, trade secret or proprietary in nature shall be treated by the LFA as being confidential, trade secret or proprietary to the extent provided under Section 87(2)(d) of the New York Public Officers Law and shall be disclosed only to employees, representatives, and agents thereof who have a need to know. For purposes of this Section, proprietary or confidential information includes, but is not limited to: information related to the Cable System design; trade secrets; Subscriber lists;

marketing plans; financial information; or other information that is reasonably determined by the Franchisee to be competitively sensitive. If the LFA receives a request under FOIL or similar law for the disclosure of information that Franchisee has requested be treated as confidential, trade secret or proprietary, the LFA shall notify Franchisee of such request within five (5) business days of receipt of such a request. The Franchisee will notify the LFA of its position on disclosure within five (5) days of notification from the LFA. The LFA shall notify both the FOIL applicant and the Franchisee in writing of its decision to grant or deny a request. If the Franchisee has requested that the LFA deny release of any information that the LFA determines is subject to disclosure, then the LFA shall withhold such information for seven (7) days from the date of Franchisee's notification of its position to the LFA to give Franchisee the opportunity to seek judicial redress to preclude disclosure. The LFA shall not make public disclosure of such information if it is exempt from mandatory disclosure under FOIL or unless required by court order. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

3.3. *Cable Service to Public Buildings:* Subject to Section 3.1, Franchisee shall provide, without charge within the Service Area, one service outlet activated for Basic Service to each public school and public library, and such other buildings used for municipal purposes as may be designated by the LFA as provided in Exhibit A attached hereto; provided, however, that if it is necessary to extend Franchisee's aerial trunk or feeder lines more than five hundred feet solely to provide service to any such school or public building, the LFA shall have the option either of paying Franchisee's direct costs for such extension in excess of five hundred (500) feet, or of releasing Franchisee from the obligation to provide service to such school or public building. Furthermore, Franchisee shall be permitted to recover, from any school or public building owner entitled to free service, the direct cost of installing, when requested to do so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than five hundred (500) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed. Cable Service may not be resold or otherwise used in contravention of Franchisee's rights with third parties respecting programming. Equipment provided by Franchisee, if any, shall be replaced at retail rates if lost, stolen or damaged. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such costs shall be submitted to said recipient in writing, before installation is begun.

3.4. *Contribution in Aid:* Notwithstanding the foregoing, Franchisee shall comply at all times, with the requirements of Section 895.5 of NY PSC rules and regulations.

4. **SYSTEM FACILITIES**

4.1. *Quality of Materials and Work:* Franchisee shall construct and maintain its System using materials of good and durable quality, and all work involved in the construction, installation, maintenance and repair of the Cable System shall be performed in a safe, thorough and reliable manner.

4.2. *System Characteristics:* During the term hereof Franchisee's Cable System shall meet or exceed the following requirements:

4.2.1. The System shall be designed and operated with an initial analog and digital carrier passband between 50 and 860 MHz and shall provide for a minimum channel capacity of not less than 77 channels on the Effective Date.

4.2.2. The System shall be designed to be an active two-way plant for subscriber interaction, if any, required for the selection or use of Cable Service.

4.3. *Interconnection:* The Franchisee shall design its Cable System so that it may be interconnected with other cable systems in the Franchise Area. Interconnection of systems may be made by direct cable connection, microwave link, satellite, or other appropriate methods.

4.4. *Emergency Alert System:* Franchisee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and the State of New York, including the NY PSC's rules and regulations and the current New York EAS Plan, in order that emergency messages may be distributed over the System.

5. **PEG SERVICES**

5.1. *PEG Set Aside:*

5.1.1. In order to ensure universal availability of public, educational and government programming, Franchisee shall provide capacity on its Basic Service tier for up to one (1) dedicated Public Access Channel, one (1) dedicated Educational Access Channel, and up to one (1) dedicated Government Access Channel (collectively, "PEG Channels").

5.1.2. The programming to be carried on each of the PEG Channels set aside by Franchisee is reflected in Exhibit C attached hereto. The LFA hereby authorizes Franchisee to transmit such programming within and without LFA jurisdictional boundaries. Franchisee specifically reserves the right to make or change channel assignments in its sole discretion. If a PEG Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Channel for its intended purpose. In the event that the LFA determines to use PEG capacity, the LFA shall provide Franchisee with prior written notice of such request in accordance with NY PSC rules and regulations.

5.1.3. Franchisee shall provide the technical ability to play back pre-recorded programming provided to Franchisee consistent with this Section. Franchisee shall transmit programming consistent with the dedicated uses of PEG Access Channels. Franchisee shall comply at all times with the requirements of Section 895.4 of the NY PSC rules and regulations.

5.2. *Franchise Grants:*

5.2.1. The Franchisee shall pay an Initial Franchise Grant to the LFA in the amount of Seven Thousand Five Hundred and 00/100 Dollars (\$7,500.00) (the "Initial Franchise Grant"), which shall be payable within sixty (60) days of the Effective Date.

5.2.2. In addition to the Initial Franchise Grant, the Franchisee shall pay to the LFA a Supplementary Franchise Grant (the “Supplementary Franchise Grant”) totaling five thousand 00/100 dollars (\$5,000) in accordance with the following schedule and respective amounts.

5.2.2.1. On the date which is sixty (60) days from the fourth (4th) anniversary of the Effective Date, the Franchisee shall pay to the LFA a Supplementary Franchise Grant in the amount of two thousand five hundred 00/100 dollars (\$2,500.00).

5.2.2.2. On the date which is sixty (60) days from the seventh (7th) anniversary of the Effective Date, the Franchisee shall pay to the LFA a Supplementary Franchise Grant in the amount of two thousand five hundred 00/100 dollars (\$2,500.00).

5.2.3. The Initial Franchise Grant and the Supplementary Franchise Grant shall be used by the LFA in a manner consistent with applicable federal and state laws, rules and regulations.

5.3. *Indemnity for PEG:* The LFA shall require all local producers and users of any of the PEG facilities or Channels to agree in writing to authorize Franchisee to transmit programming consistent with this Agreement and to defend and hold harmless Franchisee and the LFA from and against any and all liability or other injury, including the reasonable cost of defending claims or litigation, arising from or in connection with claims for failure to comply with applicable federal laws, rules, regulations or other requirements of local, state or federal authorities; for claims of libel, slander, invasion of privacy, or the infringement of common law or statutory copyright; for unauthorized use of any trademark, trade name or service mark; for breach of contractual or other obligations owing to third parties by the producer or user; and for any other injury or damage in law or equity, which result from the use of a PEG facility or Channel. The LFA shall establish rules and regulations for use of PEG facilities, consistent with, and as required by, 47 U.S.C. §531.

5.4. *Recovery of Costs:* To the extent permitted by federal law, the Franchisee shall be allowed to recover the costs of an Initial and Supplementary Franchise Grant or any other costs arising from the provision of PEG services from Subscribers and to include such costs as separately billed line items on each Subscriber’s bill. Without limiting the foregoing, if allowed under state and federal laws, Franchisee may externalize, line-item, or otherwise pass-through interconnection and any franchise-related costs to Subscribers.

6. **FRANCHISE FEES**

6.1. *Payment to LFA:* Franchisee shall pay to the LFA a Franchise Fee of five percent (5%) of annual Gross Revenue (the “Franchise Fee”). In accordance with Title VI, the twelve (12) month period applicable under the Franchise for the computation of the Franchise Fee shall be a calendar year. Such payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Franchisee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall be refunded any payments that were incorrectly submitted, in connection with the quarterly Franchise Fee remittances within ninety (90) days following the close of the calendar year for which such payments were applicable.

6.2. *Supporting Information:* Each Franchise Fee payment shall be accompanied by a brief report prepared by a representative of Franchisee showing the basis for the computation.

6.3. *Audit:* LFA, or its designee, may conduct an audit or other inquiry in relation to payments made by Franchisee no more than once every three (3) years during the Term. As a part of the audit process, LFA or LFA's designee may inspect Franchisee's books of accounts relative to LFA at any time during regular business hours and after thirty (30) calendar days prior written notice.

6.3.1. All records deemed by LFA or LFA's designee to be reasonably necessary for such audit shall be made available by Franchisee in a mutually agreeable format and location. Franchisee agrees to give its full cooperation in any audit and shall provide responses to inquiries within thirty (30) calendar days of a written request. Franchisee may provide such responses within a reasonable time after the expiration of the response period above so long as Franchisee has made a good faith effort to procure any such tardy response.

6.3.2. If the results of any audit indicate that Franchisee (i) paid the correct franchise fee, (ii) overpaid the franchise fee and is entitled to a refund or credit, or (iii) underpaid the franchise fee by five percent (5%) or less, then LFA shall pay the costs of the audit. If the results of the audit indicate Franchisee underpaid the franchise fee by more than five percent (5%), then Franchisee shall pay the reasonable, documented, third-party costs of the audit, which costs shall be limited to Ten Thousand Dollars (\$10,000.00).

6.3.3. Any auditor employed by LFA shall not be compensated on a success based formula, e.g., payment based on a percentage on underpayment, if any. Franchisee shall be provided a reasonable opportunity to review the results of any audit and to dispute any audit results which indicate an underpayment to the LFA.

6.4. *Limitation on Franchise Fee Actions:* The parties agree that the period of limitation for recovery of any Franchise Fee payable hereunder shall be six (6) years from the date on which payment by Franchisee is due, but cannot exceed the date of records retention reflected in Section 7.

6.5. *Bundled Services:* If Cable Services subject to the Franchise Fee required under this Article 6 are provided to Subscribers in conjunction with Non-Cable Services, the Franchise Fee shall be applied only to the value of the Cable Services, as reflected on the books and records of Franchisee in accordance with FCC or state public utility regulatory commission rules, regulations, standards or orders.

7. REPORTS AND RECORDS

7.1. *Open Books and Records:* Upon reasonable written notice to the Franchisee and with no less than thirty (30) business days written notice to the Franchisee, the LFA shall have the right to inspect Franchisee's books and records pertaining to Franchisee's provision of Cable Service in the Franchise Area at any time during Normal Business Hours and on a non-disruptive basis, as are reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the section or subsection of the Franchise which is under review, so that Franchisee may organize the necessary books and records for

appropriate access by the LFA. Franchisee shall not be required to maintain any books and records for Franchise compliance purposes longer than six (6) years. Notwithstanding anything to the contrary set forth herein, Franchisee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Service Area. The LFA shall treat any information disclosed by Franchisee as confidential and shall only disclose it to employees, representatives, and agents thereof who have a need to know, or in order to enforce the provisions hereof. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

7.2. *Records Required:* Franchisee shall at all times maintain:

7.2.1. Records of all written complaints for a period of three (3) years after receipt by Franchisee. The term "complaint" as used herein refers to complaints about any aspect of the Cable System or Franchisee's cable operations, including, without limitation, complaints about employee courtesy. Complaints recorded will not be limited to complaints requiring an employee service call;

7.2.2. Records of outages for a period of three (3) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

7.2.3. Records of service calls for repair and maintenance for a period of three (3) years after resolution by Franchisee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

7.2.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by Franchisee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

7.2.5. A map showing the area of coverage for the provisioning of Cable Services and estimated timetable to commence providing Cable Service.

7.3. *System-Wide Statistics:* Any valid reporting requirement in the Franchise may be satisfied with system-wide statistics, except those related to Franchise Fees and consumer complaints.

8. **INSURANCE AND INDEMNIFICATION**

8.1. *Insurance:*

8.1.1. Franchisee shall maintain in full force and effect, at its own cost and expense, during the Franchise Term, the following insurance coverage:

8.1.1.1. Commercial General Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for property damage and bodily injury.

Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of Franchisee's Cable Service business in the LFA.

8.1.1.2. Automobile Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for bodily injury and property damage coverage.

8.1.1.3. Workers' Compensation Insurance meeting all legal requirements of the State of New York.

8.1.1.4. Employers' Liability Insurance in the following amounts: (A) Bodily Injury by Accident: \$100,000; and (B) Bodily Injury by Disease: \$100,000 employee limit; \$500,000 policy limit.

8.1.1.5. Excess liability or umbrella coverage of not less than ten million dollars (\$10,000,000).

8.1.2. The LFA shall be designated as an additional insured under each of the insurance policies required in this Article 8 except Worker's Compensation Insurance, Employer's Liability Insurance, and excess liability or umbrella coverage.

8.1.3. Each of the required insurance policies shall be non-cancellable except upon thirty (30) days prior written notice to the LFA. Franchisee shall not cancel any required insurance policy without submitting documentation to the LFA verifying that the Franchisee has obtained alternative insurance in conformance with this Agreement.

8.1.4. Each of the required insurance policies shall be with sureties qualified to do business in the State of New York, with an A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition.

8.1.5. Upon written request, Franchisee shall deliver to the LFA Certificates of Insurance showing evidence of the required coverage.

8.2. *Indemnification:*

8.2.1. Franchisee agrees to indemnify the LFA, its officers, agents, boards, elected officials, authorized representatives and employees for, and hold the same harmless from, all liability, damage, cost or expense arising from claims of injury to persons or damage to property occasioned by reason of any conduct undertaken pursuant to the Franchise, provided that the LFA shall give Franchisee timely written notice of the LFA's request for indemnification within a reasonable period of time from receipt of a claim or action pursuant to this Subsection to enable the Franchisee to timely answer complaints, raise defenses and to defend all claims. Notwithstanding the foregoing, Franchisee shall not indemnify the LFA for any damages, liability or claims resulting from the willful misconduct or negligence of the LFA, its officers, agents, employees, attorneys, consultants, independent contractors, or third parties or for any activity or function conducted by any Person other than Franchisee in connection with PEG Access or EAS.

8.2.2. With respect to Franchisee's indemnity obligations set forth in Subsection 8.2.1, Franchisee shall provide the defense of any claims brought against the LFA by selecting counsel of Franchisee's choice to defend the claim, subject to the consent of the LFA, which shall not be unreasonably withheld. Nothing herein shall be deemed to prevent the LFA from cooperating with the Franchisee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the LFA, Franchisee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Franchisee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such proposed settlement includes the release of the LFA and the LFA does not consent to the terms of any such settlement or compromise, Franchisee shall not settle the claim or action but its obligation to indemnify the LFA shall in no event exceed the amount of such settlement.

8.2.3. The LFA shall be responsible for its own acts of willful misconduct, negligence, or breach, subject to any and all defenses and limitations of liability provided by law. The Franchisee shall not be required to indemnify the LFA for acts of the LFA which constitute willful misconduct or negligence on the part of the LFA, its officers, employees, agents, attorneys, consultants, independent contractors or third parties.

9. **TRANSFER OF FRANCHISE**

9.1. *Transfer:* Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, as amended, no Transfer of the Franchise shall occur without the prior consent of the LFA, provided that such consent shall not be unreasonably withheld, delayed or conditioned. In considering an application for the Transfer of the Franchise, the LFA may consider the applicant's: (i) technical ability; (ii) financial ability; (iii) good character; and (iv) other qualifications necessary to continue to operate the Cable System consistent with the terms of the Franchise. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Franchisee in the Franchise or Cable System in order to secure indebtedness, or for transactions otherwise excluded under Section 1.31 above.

10. **RENEWAL OF FRANCHISE**

10.1. *Governing Law:* [The LFA may lawfully grant or deny any proposal for renewal submitted by the Franchisee to the LFA.](#) The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed by and comply with the provisions of Section 12.11 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended.

10.2. *Needs Assessment:* In addition to the procedures set forth in Section 626 of the Communications Act, the LFA shall notify Franchisee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of Franchisee under the then current Franchise term. Such assessments shall be provided to Franchisee by the LFA within 10 business days of the completion of the assessments so that Franchisee will have adequate time to submit a proposal under 47 U.S.C. § 546 and complete renewal of the Franchise prior to expiration of its term.

10.3. *Informal Negotiations:* Notwithstanding anything to the contrary set forth herein, Franchisee and the LFA agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the LFA and Franchisee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the LFA may grant a renewal thereof.

10.4. *Consistent Terms:* Franchisee and the LFA consider the terms set forth in this Article 10 to be consistent with the express provisions of 47 U.S.C. § 546 and the Cable Law.

11. **ENFORCEMENT AND TERMINATION OF FRANCHISE**

11.1. *Notice of Violation:* If at any time the LFA believes that Franchisee has not complied with the terms of the Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the LFA shall then notify Franchisee in writing of the exact nature of the alleged non-compliance in a reasonable time (for purposes of this Article, the “Non-compliance Notice”).

11.2. *Franchisee’s Right to Cure or Respond:* Franchisee shall have sixty (60) days from receipt of the Non-compliance Notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of non-compliance; (ii) cure such non-compliance; or (iii) in the event that, by its nature, such non-compliance cannot be cured within such sixty (60) day period, initiate reasonable steps to remedy such non-compliance and notify the LFA of the steps being taken and the date by which Franchisee projects that it will complete cure of such non-compliance. Upon cure of any non-compliance, the LFA shall provide written confirmation that such cure has been effected.

11.3. *Public Hearing:* The LFA shall schedule a public hearing if the LFA seeks to continue its investigation into the alleged non-compliance (i) if Franchisee fails to respond to the Non-compliance Notice pursuant to the procedures required by this Article, or (ii) if Franchisee has not remedied the alleged non-compliance within sixty (60) days or the date projected pursuant to Section 11.2(iii) above. The LFA shall provide Franchisee at least sixty (60) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Franchisee the opportunity to be heard.

11.4. *Enforcement:* Subject to Section 12.11 below and applicable federal and state law, in the event the LFA, after the public hearing set forth in Section 11.3, determines that Franchisee is in default of any provision of this Franchise, the LFA may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

11.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

11.4.3. In the case of a substantial non-compliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 11.5.

11.5. *Revocation*: Should the LFA seek to revoke this Franchise after following the procedures set forth above in this Article, including the public hearing described in Section 11.3, the LFA shall give written notice to Franchisee of such intent. The notice shall set forth the specific nature of the non-compliance. The Franchisee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the LFA has not received a satisfactory response from Franchisee, it may then seek termination of the Franchise at a second public hearing. The LFA shall cause to be served upon the Franchisee, at least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

11.5.1. At the designated public hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the LFA, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing.

11.5.2. Following the second public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the LFA in writing and thereafter the LFA shall determine (i) whether an event of default has occurred under this Franchise; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Franchisee. The LFA shall also determine whether it will revoke the Franchise based on the information presented, or, where applicable, grant additional time to the Franchisee to effect any cure. If the LFA determines that it will revoke the Franchise, the LFA shall promptly provide Franchisee with a written determination setting forth the LFA's reasoning for such revocation. Franchisee may appeal such written determination of the LFA to an appropriate court, which shall, to the extent permitted under applicable law, have the power to review the decision of the LFA *de novo*. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the written determination of the LFA.

11.5.3. The LFA may, at its sole discretion, take any lawful action that it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

11.6. *Abandonment of Service*: Franchisee shall not abandon any Cable Service or portion thereof without the LFA's prior written consent as provided in the Cable Law.

12. MISCELLANEOUS PROVISIONS

12.1. *Actions of Parties*: In any action by the LFA or Franchisee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

successors and assigns, and the promises and obligations herein shall survive the expiration date hereof.

12.3. *Preemption:* In the event that federal or state law, rules, or regulations preempt a provision or limit the enforceability of a provision of this Agreement, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. In the event such federal or state law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the LFA.

12.4. *Force Majeure:* Franchisee shall not be held in default under, or in non-compliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to non-compliance or default, where such non-compliance or alleged defaults occurred or were caused by a Force Majeure.

12.4.1. Furthermore, the parties hereby agree that it is not the LFA's intention to subject Franchisee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on Subscribers, or where strict performance would result in practical difficulties and hardship being placed upon Franchisee that outweigh the benefit to be derived by the LFA and/or Subscribers.

12.5. *Notices:* Unless otherwise expressly stated herein, notices required under the Franchise shall be mailed first class, postage prepaid, to the addressees below. Each party may change its designee by providing written notice to the other party.

For purposes of this Agreement, the term “material provision” or “material provisions” shall mean the terms set forth in Section 2.3 (Effective Date and Term), Article 3 (Provision of Cable Service), Subsection 4.2 (System Characteristics), Section 7.1 (Open Books and Records), and Article 9 (Transfer of Franchise).

Karen,

[Here is the provision Ken would like to make edits to:](#)

3.2.1 *Service Availability Meeting*: Franchisee agrees that, upon the LFA's request and with no less than thirty (30) days written notice, but no more than once per year, a representative of the Franchisee will meet with representatives of the LFA at a Service Availability Meeting to provide additional information on the status of the deployment of Cable Services in the Franchise Area. During these Service Availability Meetings, the Franchisee's representative will show the LFA's representatives, for viewing only, a map provided by the Franchisee showing the availability of Cable Services in the Franchise Area. The Service Availability Meetings may be attended only by representatives of the LFA and the Franchisee and will not be open to the public. Any information disclosed by the Franchisee during these Service Availability Meetings that the Franchisee requests be treated as confidential, trade secret or proprietary in nature shall be treated by the LFA as being confidential, trade secret or proprietary to the extent provided under Section 87(2)(d) of the New York Public Officers Law and shall be disclosed only to employees, representatives, and agents thereof who have a need to know. For purposes of this Section, proprietary or confidential information includes, but is not limited to: information related to the Cable System design; trade secrets; Subscriber lists; marketing plans; financial information; or other information that is reasonably determined by the Franchisee to be competitively sensitive. If the LFA receives a request under FOIL or similar law for the disclosure of information that Franchisee has requested be treated as confidential, trade secret or proprietary, the LFA shall notify Franchisee of such request within five (5) business days of receipt of such a request. The Franchisee will notify the LFA of its position on disclosure within five (5) days of notification from the LFA. The LFA shall notify both the FOIL applicant and the Franchisee in writing of its decision to grant or deny a request. If the Franchisee has requested that the LFA deny release of any information that the LFA determines is subject to disclosure, then the LFA shall withhold such information for seven (7) days from the date of Franchisee's notification of its position to the LFA to give Franchisee the opportunity to seek judicial redress to preclude disclosure. The LFA shall not make public disclosure of such information if it is exempt from mandatory disclosure under FOIL or unless required by court order. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

**Re: Proposed Cable Franchise Agreement between Verizon New York Inc.
and the Village of Sands Point**

Dear Ms. Bond:

Enclosed please six copies of the revised proposed Cable Franchise Agreement by and between the Village of Sands Point and Verizon New York Inc. ("Verizon Franchise") for distribution to the Village Board. Please also place a copy of the document on file at Village Hall for public inspection.

I would note that Verizon's representatives and your Village Attorney Ken Auerbach engaged in extensive discussions in an effort to reach accommodation on the issues raised by the Village Board at the public hearing on April 24th. We believe the enclosed Verizon Franchise fully addresses those issues and concerns. For ease of reference, I would note that the following changes have been made to the Verizon Franchise since April 24:

(1) We added the following provision:

3.2.1 Service Availability Meeting: Franchisee agrees that, upon the LFA's request and with no less than thirty (30) days written notice, but no more than once per year, a representative of the Franchisee will meet with representatives of the LFA at a Service Availability Meeting to provide additional information on the status of the deployment of Cable Services in the Franchise Area. During these Service Availability Meetings, the Franchisee's representative will show the LFA's representatives, for viewing only, a map provided by the Franchisee showing the availability of Cable Services in the Franchise Area. The Service Availability Meetings may be attended only by representatives of the LFA and the Franchisee and will not be open to the public. Any information disclosed by the Franchisee during these Service Availability Meetings that the Franchisee requests be treated as confidential, trade secret or proprietary in nature shall be treated by the LFA as

being confidential, trade secret or proprietary to the extent provided under Section 87(2)(d) of the New York Public Officers Law and shall be disclosed only to employees, representatives, and agents thereof who have a need to know. For purposes of this Section, proprietary or confidential information includes, but is not limited to: information related to the Cable System design; trade secrets; Subscriber lists; marketing plans; financial information; or other information which may reasonably be considered competitively sensitive. If the LFA receives a request under FOIL or similar law for the disclosure of information that Franchisee has requested be treated as confidential, trade secret or proprietary, the LFA shall notify Franchisee of such request within five (5) business days of receipt of such a request. The Franchisee will notify the LFA of its position on disclosure within five (5) days of notification from the LFA. The LFA shall notify both the FOIL applicant and the Franchisee in writing of its decision to grant or deny a request. If the Franchisee has requested that the LFA deny release of any information that the LFA determines is subject to disclosure, then the LFA shall withhold such information for seven (7) days from the date of LFA's notice of its decision to the Franchisee to give Franchisee the opportunity to seek judicial redress to preclude disclosure. The LFA shall not make public disclosure of such information if it is exempt from mandatory disclosure under FOIL or unless required by court order. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

(2) The following language was added to Section 10.1: "The LFA may lawfully grant or deny any proposal for renewal submitted by the Franchisee to the LFA."

(3) We have revised the build schedule as follows:

The construction of the Franchisee's FTTP Network has been completed to approximately 88% of the current households in the Franchise Area. At present, Franchisee's anticipated schedule calls for 88% deployment by November 2007, 91% deployment by May 2008, 93% deployment by November 2008, 94% deployment by May 2009, 95% deployment by November 2009, 97% deployment by May 2010, 98% deployment by November 2010, 99% deployment by May 2011, 99% deployment by November 2011, and 100% deployment by May 2012. This schedule is subject to further review and modification by the Franchisee consistent

with Section 895.5(b)(1) of the NY PSC rules and regulations; provided, however, that Franchisee shall provide notice to the LFA and the NY PSC of any material change in this schedule.

Please contact me should you have any questions.

Very truly yours,

Nia Y. McDonald

2.2. *The FTTP Network*: Upon delivery of Cable Service, by subjecting Franchisee's mixed-use facilities to the NY PSC's minimum franchise standards and the LFA's police power, the LFA has not been granted broad new authority over the construction, placement and operation of Franchisee's mixed-use facilities.

2.3. *Effective Date and Term*: This Franchise shall become effective on the date that the NY PSC issues a certificate of confirmation for this Franchise (the "Effective Date"), following its approval by the LFA's governing authority authorized to grant franchises and its acceptance by the Franchisee. The term of this Franchise shall be ten (10) years from the Effective Date unless the Franchise is earlier revoked as provided herein. The Franchisee shall memorialize the Effective Date by notifying the LFA in writing of the same, which notification shall become a part of this Franchise.

2.4. *Grant Not Exclusive*: The Franchise and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the LFA reserves the right to grant other franchises for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use itself, at any time during the term of this Franchise. Any such rights which are granted shall not adversely impact the authority as granted under this Franchise and shall not interfere with existing facilities of the Cable System or Franchisee's FTTP Network.

2.5. *Franchise Subject to Federal and State Law*: Notwithstanding any provision to the contrary herein, this Franchise is subject to and shall be governed by all applicable provisions of federal and state law as may be amended, including but not limited to the Communications Act and the Cable Law.

The failure of the LFA on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require compliance or performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance of this Agreement, nor shall it excuse Franchisee from compliance or performance, unless such right or such compliance or performance has been specifically waived in writing.

2.6.2. The failure of the Franchisee on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of performance of this Agreement, nor shall it excuse the LFA from performance, unless such right or such performance has been specifically waived in writing.

2.7. *Construction of Agreement:*

2.7.1. The provisions of this Franchise shall be liberally construed to effectuate their objectives.

2.7.2. Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545, as amended.

2.8. *Police Powers:* Nothing in this Franchise shall be construed to prohibit the LFA's reasonable, necessary and lawful exercise of the police powers of the LFA in a manner not materially in conflict with the privileges granted in this Franchise and consistent with all federal and state laws, regulations and orders.

2.9. *Restoration of Municipal Property:* Any municipal property damaged or destroyed shall be promptly repaired or replaced by the Franchisee and restored to pre-existing condition.

2.10. *Restoration of Subscriber Premises:* The Franchisee shall ensure that Subscriber's premises are restored to their pre-existing condition if damaged by the Franchisee's employees or agents in any respect in connection with the installation, repair, or disconnection of Cable Service.

2.11. *Level Playing Field:* In accordance with the requirements of Section 895.3 of the PSC Rules, the parties hereto have determined that the terms of this Agreement, when compared against the terms of that certain cable franchise agreement (the "Incumbent Agreement"), dated January 30, 2001, by and between the LFA and the incumbent cable operator, Cablevision Systems Long Island Corporation ("Cablevision"), does not contain economic or regulatory burdens, which, when taken as a whole, are greater or lesser than those burdens placed upon Cablevision pursuant to the Incumbent Agreement.

3. **PROVISION OF CABLE SERVICE**

3.1. *Service Area:*

3.1.1. *Service Area:* Subject to the issuance of all necessary permits by the LFA, Franchisee shall offer Cable Service to significant numbers of Subscribers within residential areas of the Service Area and may make Cable Service available to businesses in the Service Area, within twelve (12) months and shall offer Cable Service to all residential areas of the Service Area within five (5) years, of the Effective Date of this Franchise, or, in both instances, such longer period as may be permitted by the Cable Law, except, in accordance with NY PSC rules and regulations: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to

access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments or buildings where Franchisee cannot gain access after good faith efforts, and (F) in areas, developments or buildings where the provision of Cable Service is economically infeasible because such provision requires non-standard facilities which are not available on a commercially reasonable basis, and (G) in areas where the occupied residential household density does not meet the density and other requirements set forth in Sub-Subsection 3.1.1.1. and Section 3.2.

3.1.1.1. *Density Requirement:* Franchisee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than thirty-five (35) occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line. Should, through new construction, an area within the Service Area meet the density requirements after the time stated for providing Cable Service as set forth in Subsection 3.1.1 respectively, Franchisee shall provide Cable Service to such area within twelve (12) months of receiving notice from the LFA that the density requirements have been met.

3.2. *Availability of Cable Service:* Franchisee shall make Cable Service available to all residential dwelling units and may make Cable Service available to businesses within the Service Area in conformance with Section 3.1, and Franchisee shall not discriminate between or among any individuals in the availability of Cable Service or based upon the income in a local area. In the areas in which Franchisee shall provide Cable Service, Franchisee shall be required to connect, at Franchisee's expense, other than a standard installation charge, all residential dwelling units that are within two hundred fifty (250) feet of aerial trunk or feeder lines not otherwise already served by Franchisee's FTTP Network. Franchisee shall be allowed to recover, from a Subscriber that requests such connection, the actual costs incurred for residential dwelling unit connections that exceed two hundred fifty (250) feet or are in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile and the actual costs incurred to connect any non-residential dwelling unit Subscriber, provided, however, that Franchisee may seek a waiver of any requirement that it extend service to any party requesting the same in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile if such would not be possible within the limitations of economic feasibility. If premises are served by aerial lines, and the Subscriber requests an underground installation, Franchisee can charge the Subscriber Franchisee's actual cost. Such costs shall be submitted to said Subscriber in writing, before installation is begun.

3.2.1. *Service Availability Meeting:* Franchisee agrees that, upon the LFA's request and with no less than thirty (30) days written notice, but no more than once per year, a representative of the Franchisee will meet with representatives of the LFA at a Service Availability Meeting to provide additional information on the status of the deployment of Cable Services in the Franchise Area. During these Service Availability Meetings, the Franchisee's representative will show the LFA's representatives, for viewing only, a map provided by the Franchisee showing the availability of Cable Services in the Franchise Area. The Service Availability Meetings may be attended only by representatives of the LFA and the Franchisee and will not be open to the public. Any information disclosed by the Franchisee during these Service Availability Meetings that the Franchisee requests be treated as confidential, trade secret

or proprietary in nature shall be treated by the LFA as being confidential, trade secret or proprietary to the extent provided under Section 87(2)(d) of the New York Public Officers Law and shall be disclosed only to employees, representatives, and agents thereof who have a need to know. For purposes of this Section, proprietary or confidential information includes, but is not limited to: information related to the Cable System design; trade secrets; Subscriber lists; marketing plans; financial information; or other information which may reasonably be considered competitively sensitive. If the LFA receives a request under FOIL or similar law for the disclosure of information that Franchisee has requested be treated as confidential, trade secret or proprietary, the LFA shall notify Franchisee of such request within five (5) business days of receipt of such a request. The Franchisee will notify the LFA of its position on disclosure within five (5) days of notification from the LFA. The LFA shall notify both the FOIL applicant and the Franchisee in writing of its decision to grant or deny a request. If the Franchisee has requested that the LFA deny release of any information that the LFA determines is subject to disclosure, then the LFA shall withhold such information for seven (7) days from the date of LFA's notice of its decision to the Franchisee to give Franchisee the opportunity to seek judicial redress to preclude disclosure. The LFA shall not make public disclosure of such information if it is exempt from mandatory disclosure under FOIL or unless required by court order. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

3.3. *Cable Service to Public Buildings:* Subject to Section 3.1, Franchisee shall provide, without charge within the Service Area, one service outlet activated for Basic Service to each public school and public library, and such other buildings used for municipal purposes as may be designated by the LFA as provided in Exhibit A attached hereto; provided, however, that if it is necessary to extend Franchisee's aerial trunk or feeder lines more than five hundred feet solely to provide service to any such school or public building, the LFA shall have the option either of paying Franchisee's direct costs for such extension in excess of five hundred (500) feet, or of releasing Franchisee from the obligation to provide service to such school or public building. Furthermore, Franchisee shall be permitted to recover, from any school or public building owner entitled to free service, the direct cost of installing, when requested to do so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than five hundred (500) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed. Cable Service may not be resold or otherwise used in contravention of Franchisee's rights with third parties respecting programming. Equipment provided by Franchisee, if any, shall be replaced at retail rates if lost, stolen or damaged. For underground installations, Franchisee shall charge the recipient Franchisee's actual cost. Such costs shall be submitted to said recipient in writing, before installation is begun.

3.4. *Contribution in Aid:* Notwithstanding the foregoing, Franchisee shall comply at all times, with the requirements of Section 895.5 of NY PSC rules and regulations.

4. **SYSTEM FACILITIES**

4.1. *Quality of Materials and Work:* Franchisee shall construct and maintain its System using materials of good and durable quality, and all work involved in the construction,

4.4. *Emergency Alert System:* Franchisee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and the State of New York, including the NY PSC's rules and regulations and the current New York EAS Plan, in order that emergency messages may be distributed over the System.

5.1.1. In order to ensure universal availability of public, educational and government programming, Franchisee shall provide capacity on its Basic Service tier for up to one (1) dedicated Public Access Channel, one (1) dedicated Educational Access Channel, and up to one (1) dedicated Government Access Channel (collectively, "PEG Channels").

5.1.2. The programming to be carried on each of the PEG Channels set aside by Franchisee is reflected in Exhibit C attached hereto. The LFA hereby authorizes Franchisee to transmit such programming within and without LFA jurisdictional boundaries. Franchisee specifically reserves the right to make or change channel assignments in its sole discretion. If a PEG Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Channel for its intended purpose. In the event that the LFA determines to use PEG capacity, the LFA shall provide Franchisee with prior written notice of such request in accordance with NY PSC rules and regulations.

5.1.3. Franchisee shall provide the technical ability to play back pre-recorded programming provided to Franchisee consistent with this Section. Franchisee shall transmit programming consistent with the dedicated uses of PEG Access Channels. 5.2. *Franchise Grants:*

5.2.1. The Franchisee shall pay an Initial Franchise Grant to the LFA in the amount of Seven Thousand Five Hundred and 00/100 Dollars (\$7,500.00) (the "Initial Franchise Grant"), which shall be payable within sixty (60) days of the Effective Date.

5.2.2. In addition to the Initial Franchise Grant, the Franchisee shall pay to the LFA a Supplementary Franchise Grant (the "Supplementary Franchise Grant") totaling five thousand 00/100 dollars (\$5,000) in accordance with the following schedule and respective amounts.

5.2.2.1. On the date which is sixty (60) days from the fourth (4th) anniversary of the Effective Date, the Franchisee shall pay to the LFA a Supplementary Franchise Grant in the amount of two thousand five hundred 00/100 dollars (\$2,500.00).

5.2.2.2. On the date which is sixty (60) days from the seventh (7th) anniversary of the Effective Date, the Franchisee shall pay to the LFA a Supplementary Franchise Grant in the amount of two thousand five hundred 00/100 dollars (\$2,500.00).

5.2.3. The Initial Franchise Grant and the Supplementary Franchise Grant shall be used by the LFA in a manner consistent with applicable federal and state laws, rules and regulations.

5.3. *Indemnity for PEG:* The LFA shall require all local producers and users of any of the PEG facilities or Channels to agree in writing to authorize Franchisee to transmit programming consistent with this Agreement and to defend and hold harmless Franchisee and the LFA from and against any and all liability or other injury, including the reasonable cost of defending claims or litigation, arising from or in connection with claims for failure to comply with applicable federal laws, rules, regulations or other requirements of local, state or federal authorities; for claims of libel, slander, invasion of privacy, or the infringement of common law or statutory copyright; for unauthorized use of any trademark, trade name or service mark; for breach of contractual or other obligations owing to third parties by the producer or user; and for any other injury or damage in law or equity, which result from the use of a PEG facility or Channel. The LFA shall establish rules and regulations for use of PEG facilities, consistent with, and as required by, 47 U.S.C. §531.

5.4. *Recovery of Costs:* To the extent permitted by federal law, the Franchisee shall be allowed to recover the costs of an Initial and Supplementary Franchise Grant or any other costs arising from the provision of PEG services from Subscribers and to include such costs as separately billed line items on each Subscriber's bill. Without limiting the forgoing, if allowed under state and federal laws, Franchisee may externalize, line-item, or otherwise pass-through interconnection and any franchise-related costs to Subscribers.

6. **FRANCHISE FEES**

6.1. *Payment to LFA:* Franchisee shall pay to the LFA a Franchise Fee of five percent (5%) of annual Gross Revenue (the "Franchise Fee"). In accordance with Title VI, the twelve (12) month period applicable under the Franchise for the computation of the Franchise

Fee shall be a calendar year. Such payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Franchisee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall be refunded any payments that were incorrectly submitted, in connection with the quarterly Franchise Fee remittances within ninety (90) days following the close of the calendar year for which such payments were applicable.

6.2. *Supporting Information:* Each Franchise Fee payment shall be accompanied by a brief report prepared by a representative of Franchisee showing the basis for the computation.

6.3. *Audit:* LFA, or its designee, may conduct an audit or other inquiry in relation to payments made by Franchisee no more than once every three (3) years during the Term. As a part of the audit process, LFA or LFA's designee may inspect Franchisee's books of accounts relative to LFA at any time during regular business hours and after thirty (30) calendar days prior written notice.

6.3.1. All records deemed by LFA or LFA's designee to be reasonably necessary for such audit shall be made available by Franchisee in a mutually agreeable format and location. Franchisee agrees to give its full cooperation in any audit and shall provide responses to inquiries within thirty (30) calendar days of a written request. Franchisee may provide such responses within a reasonable time after the expiration of the response period above so long as Franchisee has made a good faith effort to procure any such tardy response.

6.3.2. If the results of any audit indicate that Franchisee (i) paid the correct franchise fee, (ii) overpaid the franchise fee and is entitled to a refund or credit, or (iii) underpaid the franchise fee by five percent (5%) or less, then LFA shall pay the costs of the audit. If the results of the audit indicate Franchisee underpaid the franchise fee by more than five percent (5%), then Franchisee shall pay the reasonable, documented, third-party costs of the audit, which costs shall be limited to Ten Thousand Dollars (\$10,000.00).

6.3.3. Any auditor employed by LFA shall not be compensated on a success based formula, e.g., payment based on a percentage on underpayment, if any. Franchisee shall be provided a reasonable opportunity to review the results of any audit and to dispute any audit results which indicate an underpayment to the LFA.

6.4. *Limitation on Franchise Fee Actions:* The parties agree that the period of limitation for recovery of any Franchise Fee payable hereunder shall be six (6) years from the date on which payment by Franchisee is due, but cannot exceed the date of records retention reflected in Section 7.

6.5. *Bundled Services:* If Cable Services subject to the Franchise Fee required under this Article 6 are provided to Subscribers in conjunction with Non-Cable Services, the Franchise Fee shall be applied only to the value of the Cable Services, as reflected on the books and records of Franchisee in accordance with FCC or state public utility regulatory commission rules, regulations, standards or orders.

7. REPORTS AND RECORDS

7.1. *Open Books and Records:* Upon reasonable written notice to the Franchisee and with no less than thirty (30) business days written notice to the Franchisee, the LFA shall have the right to inspect Franchisee's books and records pertaining to Franchisee's provision of Cable Service in the Franchise Area at any time during Normal Business Hours and on a non-disruptive basis, as are reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the section or subsection of the Franchise which is under review, so that Franchisee may organize the necessary books and records for appropriate access by the LFA. Franchisee shall not be required to maintain any books and records for Franchise compliance purposes longer than six (6) years. Notwithstanding anything to the contrary set forth herein, Franchisee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Service Area. The LFA shall treat any information disclosed by Franchisee as confidential and shall only disclose it to employees, representatives, and agents thereof who have a need to know, or in order to enforce the provisions hereof. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

7.2. *Records Required:* Franchisee shall at all times maintain:

7.2.1. Records of all written complaints for a period of three (3) years after receipt by Franchisee. The term "complaint" as used herein refers to complaints about any aspect of the Cable System or Franchisee's cable operations, including, without limitation, complaints about employee courtesy. Complaints recorded will not be limited to complaints requiring an employee service call;

7.2.2. Records of outages for a period of three (3) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

7.2.3. Records of service calls for repair and maintenance for a period of three (3) years after resolution by Franchisee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

7.2.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by Franchisee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

7.2.5. A map showing the area of coverage for the provisioning of Cable Services and estimated timetable to commence providing Cable Service.

7.3. *System-Wide Statistics:* Any valid reporting requirement in the Franchise may be satisfied with system-wide statistics, except those related to Franchise Fees and consumer complaints.

8. INSURANCE AND INDEMNIFICATION

8.1. *Insurance:*

8.1.1. Franchisee shall maintain in full force and effect, at its own cost and expense, during the Franchise Term, the following insurance coverage:

8.1.1.1. Commercial General Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for property damage and bodily injury. Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of Franchisee's Cable Service business in the LFA.

8.1.1.2. Automobile Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for bodily injury and property damage coverage.

8.1.1.3. Workers' Compensation Insurance meeting all legal requirements of the State of New York.

8.1.1.4. Employers' Liability Insurance in the following amounts: (A) Bodily Injury by Accident: \$100,000; and (B) Bodily Injury by Disease: \$100,000 employee limit; \$500,000 policy limit.

8.1.1.5. Excess liability or umbrella coverage of not less than ten million dollars (\$10,000,000).

8.1.2. The LFA shall be designated as an additional insured under each of the insurance policies required in this Article 8 except Worker's Compensation Insurance, Employer's Liability Insurance, and excess liability or umbrella coverage.

8.1.3. Each of the required insurance policies shall be non-cancellable except upon thirty (30) days prior written notice to the LFA. Franchisee shall not cancel any required insurance policy without submitting documentation to the LFA verifying that the Franchisee has obtained alternative insurance in conformance with this Agreement.

8.1.4. Each of the required insurance policies shall be with sureties qualified to do business in the State of New York, with an A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition.

8.1.5. Upon written request, Franchisee shall deliver to the LFA Certificates of Insurance showing evidence of the required coverage.

8.2. *Indemnification:*

8.2.1. Franchisee agrees to indemnify the LFA, its officers, agents, boards, elected officials, authorized representatives and employees for, and hold the same harmless from, all liability, damage, cost or expense arising from claims of injury to persons or damage to property occasioned by reason of any conduct undertaken pursuant to the Franchise,

provided that the LFA shall give Franchisee timely written notice of the LFA's request for indemnification within a reasonable period of time from receipt of a claim or action pursuant to this Subsection to enable the Franchisee to timely answer complaints, raise defenses and to defend all claims. Notwithstanding the foregoing, Franchisee shall not indemnify the LFA for any damages, liability or claims resulting from the willful misconduct or negligence of the LFA, its officers, agents, employees, attorneys, consultants, independent contractors, or third parties or for any activity or function conducted by any Person other than Franchisee in connection with PEG Access or EAS.

8.2.2. With respect to Franchisee's indemnity obligations set forth in Subsection 8.2.1, Franchisee shall provide the defense of any claims brought against the LFA by selecting counsel of Franchisee's choice to defend the claim, subject to the consent of the LFA, which shall not be unreasonably withheld. Nothing herein shall be deemed to prevent the LFA from cooperating with the Franchisee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the LFA, Franchisee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Franchisee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such proposed settlement includes the release of the LFA and the LFA does not consent to the terms of any such settlement or compromise, Franchisee shall not settle the claim or action but its obligation to indemnify the LFA shall in no event exceed the amount of such settlement.

8.2.3. The LFA shall be responsible for its own acts of willful misconduct, negligence, or breach, subject to any and all defenses and limitations of liability provided by law. The Franchisee shall not be required to indemnify the LFA for acts of the LFA which constitute willful misconduct or negligence on the part of the LFA, its officers, employees, agents, attorneys, consultants, independent contractors or third parties.

9. TRANSFER OF FRANCHISE

9.1. *Transfer:* Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, as amended, no Transfer of the Franchise shall occur without the prior consent of the LFA, provided that such consent shall not be unreasonably withheld, delayed or conditioned. In considering an application for the Transfer of the Franchise, the LFA may consider the applicant's: (i) technical ability; (ii) financial ability; (iii) good character; and (iv) other qualifications necessary to continue to operate the Cable System consistent with the terms of the Franchise. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Franchisee in the Franchise or Cable System in order to secure indebtedness, or for transactions otherwise excluded under Section 1.31 above.

10. RENEWAL OF FRANCHISE

10.1. *Governing Law:* The LFA may lawfully grant or deny any proposal for renewal submitted by the Franchisee to the LFA. The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed

by and comply with the provisions of Section 12.11 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended.

10.2. *Needs Assessment:* In addition to the procedures set forth in Section 626 of the Communications Act, the LFA shall notify Franchisee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of Franchisee under the then current Franchise term. Such assessments shall be provided to Franchisee by the LFA within 10 business days of the completion of the assessments so that Franchisee will have adequate time to submit a proposal under 47 U.S.C. § 546 and complete renewal of the Franchise prior to expiration of its term.

10.3. *Informal Negotiations:* Notwithstanding anything to the contrary set forth herein, Franchisee and the LFA agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the LFA and Franchisee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the LFA may grant a renewal thereof.

10.4. *Consistent Terms:* Franchisee and the LFA consider the terms set forth in this Article 10 to be consistent with the express provisions of 47 U.S.C. § 546 and the Cable Law.

11. **ENFORCEMENT AND TERMINATION OF FRANCHISE**

11.1. *Notice of Violation:* If at any time the LFA believes that Franchisee has not complied with the terms of the Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the LFA shall then notify Franchisee in writing of the exact nature of the alleged non-compliance in a reasonable time (for purposes of this Article, the "Non-compliance Notice").

11.2. *Franchisee's Right to Cure or Respond:* Franchisee shall have sixty (60) days from receipt of the Non-compliance Notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of non-compliance; (ii) cure such non-compliance; or (iii) in the event that, by its nature, such non-compliance cannot be cured within such sixty (60) day period, initiate reasonable steps to remedy such non-compliance and notify the LFA of the steps being taken and the date by which Franchisee projects that it will complete cure of such non-compliance. Upon cure of any non-compliance, the LFA shall provide written confirmation that such cure has been effected.

11.3. *Public Hearing:* The LFA shall schedule a public hearing if the LFA seeks to continue its investigation into the alleged non-compliance (i) if Franchisee fails to respond to the Non-compliance Notice pursuant to the procedures required by this Article, or (ii) if Franchisee has not remedied the alleged non-compliance within sixty (60) days or the date projected pursuant to Section 11.2(iii) above. The LFA shall provide Franchisee at least sixty (60) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Franchisee the opportunity to be heard.

11.4. *Enforcement:* Subject to Section 12.11 below and applicable federal and state law, in the event the LFA, after the public hearing set forth in Section 11.3, determines that Franchisee is in default of any provision of this Franchise, the LFA may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

11.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

11.4.3. In the case of a substantial non-compliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 11.5.

11.5. *Revocation:* Should the LFA seek to revoke this Franchise after following the procedures set forth above in this Article, including the public hearing described in Section 11.3, the LFA shall give written notice to Franchisee of such intent. The notice shall set forth the specific nature of the non-compliance. The Franchisee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the LFA has not received a satisfactory response from Franchisee, it may then seek termination of the Franchise at a second public hearing. The LFA shall cause to be served upon the Franchisee, at least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

11.5.1. At the designated public hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the LFA, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing.

11.5.2. Following the second public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the LFA in writing and thereafter the LFA shall determine (i) whether an event of default has occurred under this Franchise; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Franchisee. The LFA shall also determine whether it will revoke the Franchise based on the information presented, or, where applicable, grant additional time to the Franchisee to effect any cure. If the LFA determines that it will revoke the Franchise, the LFA shall promptly provide Franchisee with a written determination setting forth the LFA's reasoning for such revocation. Franchisee may appeal such written determination of the LFA to an appropriate court, which shall, to the extent permitted under applicable law, have the power to review the decision of the LFA *de novo*. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the written determination of the LFA.

11.5.3. The LFA may, at its sole discretion, take any lawful action that it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

11.6. *Abandonment of Service:* Franchisee shall not abandon any Cable Service or portion thereof without the LFA's prior written consent as provided in the Cable Law.

12. MISCELLANEOUS PROVISIONS

12.1. *Actions of Parties:* In any action by the LFA or Franchisee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

12.3. *Preemption:* In the event that federal or state law, rules, or regulations preempt a provision or limit the enforceability of a provision of this Agreement, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. In the event such federal or state law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the LFA.

12.4. *Force Majeure:* Franchisee shall not be held in default under, or in non-compliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to non-compliance or default, where such non-compliance or alleged defaults occurred or were caused by a Force Majeure.

12.4.1. Furthermore, the parties hereby agree that it is not the LFA's intention to subject Franchisee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on Subscribers, or where strict performance would result in practical difficulties and hardship being placed upon Franchisee that outweigh the benefit to be derived by the LFA and/or Subscribers.

12.5. *Notices:* Unless otherwise expressly stated herein, notices required under the Franchise shall be mailed first class, postage prepaid, to the addressees below. Each party may change its designee by providing written notice to the other party.

SERVICE AREA

A map of the Service Area is attached hereto.

The construction of the Franchisee's FTTP Network has been completed to approximately 88% of the current households in the Franchise Area. At present, Franchisee's anticipated schedule calls for 88% deployment by November 2007, 91% deployment by May 2008, 93% deployment by November 2008, 94% deployment by May 2009, 95% deployment by November 2009, 97% deployment by May 2010, 98% deployment by November 2010, 99% deployment by May 2011, 99% deployment by November 2011, and 100% deployment by May 2012. This schedule is subject to further review and modification by the Franchisee consistent with Section 895.5(b)(1) of the NY PSC rules and regulations; provided, however, that Franchisee shall provide notice to the LFA and the NY PSC of any material change in this schedule.

Ken,

As we discussed, we added the following language to Section 10.1 to address the Trustee's concern that the agreement itself state that the LFA may grant or deny any renewal:

"The LFA may lawfully grant or deny any proposal for renewal submitted by the Franchisee to the LFA."

The additional language in Section 10.1:

"The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed by and comply with the provisions of Section 12.11 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended"

is merely a reference to Cable Law (as defined in the franchise agreement as "Article 11 of the New York Public Service Law, as amended, and Title 16, Chapter VIII, Parts 890.60 through 899, of the Official Compilation of Codes, Rules and Regulations of the State of New York, as amended, to the extent authorized under and consistent with federal law") and Section 626 of the Communication Act. Both Section 626 and provisions in the Cable Law (which refer back to the Communications Act) clearly govern any renewal proceeding undertaken by either a LFA or a Franchisee. This is an area where the federal government has unquestionably occupied the field.

In regards to the reference back to Section 12.11,

"FTTP Network Transfer Prohibition: Under no circumstance including, without limitation, upon expiration, revocation, termination, denial of renewal of the Franchise or any other action to forbid or disallow Franchisee from providing Cable Services, shall Franchisee or its assignees be required to sell any right, title, interest, use or control of any portion of Franchisee's FTTP Network including, without limitation, the Cable System and any capacity used for Cable Service or otherwise, to the LFA or any third party. Franchisee shall not be required to remove the FTTP Network or to relocate the FTTP Network or any portion thereof as a result of revocation, expiration, termination, denial of renewal or any other action to forbid or disallow Franchisee from providing Cable Services. This provision is not intended to contravene leased access requirements under Title VI or PEG requirements set out in this Agreement."

we need to be clear in the franchise agreement that in the case of a LFA denial of a renewal, there is an acknowledgement that we cannot be required to sell or remove our system because we operate through our system in the rights-of-way as a telephone service provider. Absent a cable

franchise agreement we are still authorized and must provide telephone service over our FTTP network to Sands Point residents.

What is important to note about Section 10.1 is that it **does not** require the LFA to undertake a renewal proceeding. It simply states that if the LFA undertakes a renewal proceeding it will agree to follow the law governing renewals set out under the Cable Law and Section 626. The permissive language of this Section is even further magnified by the addition of the first sentence: "The LFA may lawfully grant or deny any proposal for renewal submitted by the Franchisee to the LFA."

Furthermore, both the Cable Law and the Communications Act renewal provisions apply to each and every cable operator doing business in the Village of Sands Point and in the state of New York.

SUBCHAPTER B. GENERAL
PART 891. RENEWAL PROCEDURES

16 NYCRR § 891.2 (2005)

§ 891.2 Proposal for renewal of franchise that requires affirmative action by municipality

(a) Filing requirement. Except as provided in section 891.3 of this Part, any cable television company lawfully engaged in the operation of a cable television system pursuant to an existing franchise may submit a proposal for renewal of said franchise in accordance with *47 U.S.C. section 546(h)* at any time. Title *47 U.S.C. Section 546(h)* is available for public inspection and copying at the office of the Department of Public Service, Three Empire State Plaza, Albany, New York 12223 and the New York State Department of State located at 41 State Street, Albany, New York 12207. *47 U.S.C. Section 546(h)* is published in the United States Code by the United States Government Printing Office, Superintendent of Documents, Washington, D.C. 20402.

The proposal shall be submitted to the municipality and a copy shall be served on the commission. The proposal shall encompass the minimum standards for franchises as set forth in Part 895 of this chapter. The municipality may, after affording the public adequate notice and opportunity for comment, grant or deny such proposal at any time; provided, however, a municipality may not grant a proposal for renewal except after a public hearing on notice to the public in accordance with state and local laws applicable to public hearings generally, which notice shall also specifically state that the renewal proposal is available for public inspection at the office of the municipal clerk prior to the hearing.

(b) Notwithstanding the provisions of paragraph (a) hereof, and subject to the provisions of paragraph (c), a municipality shall during the six month period which commences with the thirty-sixth month prior to the expiration of an existing franchise, commence a process which affords the public in the franchise area appropriate notice and participation for the purpose of:

(i) identifying the future cable-related community needs and interests, taking into account the costs of meeting such needs and interests; and

(ii) reviewing the performance of the cable television company during the then current franchise term; provided, however, that if during such six month period, the franchisee requests by written renewal notice submitted to the municipality (with a copy to the commission) the commencement of such a process, the municipality may defer the commencement of the process for a period not longer than six months after the date such notice is received from the franchisee. The process shall be completed on or before the first day of the fifteenth month prior to the expiration date of the franchise.

(c) Whenever a municipality grants a renewal proposal submitted by the franchisee pursuant to paragraph (a), the provisions of paragraph (b) shall be of no further effect;

(d) In order to facilitate the renewal of cable television franchises, either party to a renewal negotiation has the right to request the non-binding mediation services of the commission to aid resolution of any disagreements that have become obstacles to renewal. In addition to the foregoing, within six months of the expiration of any franchise, the cable operator shall, upon request, notify the commission staff, orally or in writing, of the status of franchise renewal negotiations.

(a) Commencement of proceedings; public notice and participation

(1) A franchising authority may, on its own initiative during the 6-month period which begins with the 36th month before the franchise expiration, commence a proceeding which affords the public in the franchise area appropriate notice and participation for the purpose of

(A) identifying the future cable-related community needs and interests, and

(B) reviewing the performance of the cable operator under the franchise during the then current franchise term. If the cable operator submits, during such 6-month period, a written renewal notice requesting the commencement of such a proceeding, the franchising authority shall commence such a proceeding not later than 6 months after the date such notice is submitted.

(2) The cable operator may not invoke the renewal procedures set forth in subsections (b) through (g) of this section unless—

(A) such a proceeding is requested by the cable operator by timely submission of such notice; or

(B) such a proceeding is commenced by the franchising authority on its own initiative.

(b) Submission of renewal proposals; contents; time

(1) Upon completion of a proceeding under subsection (a) of this section, a cable operator seeking renewal of a franchise may, on its own initiative or at the request of a franchising authority, submit a proposal for renewal.

(2) Subject to section 544 of this title, any such proposal shall contain such material as the franchising authority may require, including proposals for an upgrade of the cable system.

(3) The franchising authority may establish a date by which such proposal shall be submitted.

(c) Notice of proposal; renewal; preliminary assessment of nonrenewal; administrative review; issues; notice and opportunity for hearing; transcript; written decision

(1) Upon submittal by a cable operator of a proposal to the franchising authority for the renewal of a franchise pursuant to subsection (b) of this section, the franchising authority shall provide prompt public notice of such proposal and, during the 4-month period which begins on the date of the submission of the cable operator's proposal pursuant to subsection (b) of this section, renew the franchise or, issue a preliminary assessment that the franchise should not be renewed and, at the request of the operator or on its own initiative, commence an administrative proceeding, after providing prompt public notice of such proceeding, in accordance with paragraph (2) to consider whether—

(A) the cable operator has substantially complied with the material terms of the existing franchise and with applicable law;

(B) the quality of the operator's service, including signal quality, response to consumer complaints, and billing practices, but without regard to the mix or quality of cable services or other services provided over the system, has been reasonable in light of community needs;

(C) the operator has the financial, legal, and technical ability to provide the

services, facilities, and equipment as set forth in the operator's proposal; and

(D) the operator's proposal is reasonable to meet the future cable-related community needs and interests, taking into account the cost of meeting such needs and interests.

(2) In any proceeding under paragraph (1), the cable operator shall be afforded adequate notice and the cable operator and the franchise authority, or its designee, shall be afforded fair opportunity for full participation, including the right to introduce evidence (including evidence related to issues raised in the proceeding under subsection (a) of this section), to require the production of evidence, and to question witnesses. A transcript shall be made of any such proceeding.

(3) At the completion of a proceeding under this subsection, the franchising authority shall issue a written decision granting or denying the proposal for renewal based upon the record of such proceeding, and transmit a copy of such decision to the cable operator. Such decision shall state the reasons therefor.

(d) Basis for denial

Any denial of a proposal for renewal that has been submitted in compliance with subsection (b) of this section shall be based on one or more adverse findings made with respect to the factors described in subparagraphs (A) through (D) of subsection (c)(1) of this section, pursuant to the record of the proceeding under subsection (c) of this section. A franchising authority may not base a denial of renewal on a failure to substantially comply with the material terms of the franchise under subsection (c)(1)(A) of this section or on events considered under subsection (c)(1)(B) of this section in any case in which a violation of the franchise or the events considered under subsection (c)(1)(B) of this section occur after the effective date of this subchapter unless the franchising authority has provided the operator with notice and the opportunity to cure, or in any case in which it is documented that the franchising authority has waived its right to object, or the cable operator gives written notice of a failure or inability to cure and the franchising authority fails to object within a reasonable time after receipt of such notice.

(e) Judicial review; grounds for relief

(1) Any cable operator whose proposal for renewal has been denied by a final decision of a franchising authority made pursuant to this section, or has been adversely affected by a failure of the franchising authority to act in accordance with the procedural requirements of this section, may appeal such final decision or failure pursuant to the provisions of section 555 of this title.

(2) The court shall grant appropriate relief if the court finds that—

(A) any action of the franchising authority, other than harmless error, is not in compliance with the procedural requirements of this section; or

(B) in the event of a final decision of the franchising authority denying the renewal proposal, the operator has demonstrated that the adverse finding of the franchising authority with respect to each of the factors described in subparagraphs (A) through (D) of subsection (c)(1) of this section on which the denial is based is not supported by a preponderance of the evidence, based on the record of the proceeding conducted under subsection (c) of this section.

(f) Finality of administrative decision

Any decision of a franchising authority on a proposal for renewal shall not be considered final unless all administrative review by the State has occurred or the opportunity therefor has lapsed.

(g) "Franchise expiration" defined

For purposes of this section, the term "franchise expiration" means the date of the expiration of the term of the franchise, as provided under the franchise, as it was in effect on October 30, 1984.

(h) Alternative renewal procedures

Notwithstanding the provisions of subsections (a) through (g) of this section, a cable operator may submit a proposal for the renewal of a franchise pursuant to this subsection at any time, and a franchising authority may, after affording the public adequate notice and opportunity for

comment, grant or deny such proposal at any time (including after proceedings pursuant to this section have commenced). The provisions of subsections (a) through (g) of this section shall not apply to a decision to grant or deny a proposal under this subsection. The denial of a renewal pursuant to this subsection shall not affect action on a renewal proposal that is submitted in accordance with subsections (a) through (g) of this section.

(i) Effect of renewal procedures upon action to revoke franchise for cause

Notwithstanding the provisions of subsections (a) through (h) of this section, any lawful action to revoke a cable operator's franchise for cause shall not be negated by the subsequent initiation of renewal proceedings by the cable operator under this section.

FTTP System Architecture

End-to-End Architecture

Figure 1 shows the architecture topology for supporting service across multiple market areas. A brief summary of the end-to-end architecture follows. Subsequent sections provide more information on each major component within the planned Verizon FTTP overlay architecture.

Figure 2 shows full build and overlay architecture. FTTP will be built instead of copper facilities in new communities. In existing communities, the existing copper network will continue to serve those customers who have not migrated to the FTTP network. The fiber is deployed from a Central Office location within a wire center area.

CABLE TELEVISION FRANCHISE APPLICATION
VILLAGE OF SANDS POINT, NEW YORK

Figure 2-FTTP Full Build and Overlay Architectures

At the national or regional level, a “super” headend (SHE) (Temple Terrace, Florida with a backup in Bloomington, Illinois) shall serve as the single point of national content aggregation (see Figure 1). All content shall be encoded into MPEG2 streams and transported over nationwide SONET services. In each market where Verizon seeks to offer service, the broadcast cable television traffic is off loaded from the long haul network and terminated at a Video Hub Office (VHO). Network redundancy and route diversity shall extend from the SHE to the VHO.

The VHO serves as the metro or local point of aggregation. It is here that off-air and public, educational, and government (PEG) channels (where appropriate) are combined with the broadcast cable television coming from the SHE. Interactive Program Guides (IPG) shall be controlled from this site, also. The service that exits the VHO shall look like the final product viewed by the end user subscriber.

Cable television traffic is converted to optical signals at the VHO and transported over Verizon’s metro area, inter-office facilities (IOF) to Video Serving Offices (VSOs). Voice and high-speed

data signals are combined with the cable television at this location for final transport to the subscriber premises over Verizon's FTTP Passive Optical Network (PON).

At the premise, the optical cable television signal is de-multiplexed and converted to an electrical signal, which meets cable television industry standards for cable services. Standard home wiring practices, using coaxial cables, as well as alternative media, shall distribute the signal to cable ready TVs and standard set top boxes.

There will be 24x7 control and surveillance of the cable television platform from a remote location. This Network Operations Center (NOC) will be centrally located and shall be responsible for the operation and maintenance of the Conditional Access System (CAS), which directs the encryption functions performed back at the VHO.

Super Headend (SHE)

A "super" headend (SHE) shall serve as the single point of national content aggregation. At general service availability, Verizon shall deploy a primary SHE and an additional SHE for redundancy.

Both the primary and redundant SHEs will be strategically located to ensure technical and environmental requirements are met.

The key functions of the SHE include:

Content Reception

Signal Processing

Encoding

Network Interface

The majority of cable television sources shall be individual content provider programming. A mix of standard and high definition formats shall be supported. All content shall be encoded into MPEG2 streams, formatted for SONET, and transported via an OC48c to a local point-of-presence (POP) for wide area (national) transport.

Wide Area Transport

In support of the cable television service, Verizon will use OC48c SONET facilities in the POPs serving target cable markets. Where multiple POPs exist within a market, redundancy options shall dictate if a single or multiple POPs shall be designated for supporting the cable television traffic.

In most cases, it is expected that the cable television traffic shall traverse multiple interconnected rings between the SHE and the destination market. Once the cable traffic reaches a POP located in a target market, it will be forwarded to an OC48c SONET interface connected to metro/local

EXHIBIT 1
VERIZON NEW YORK INC.
CABLE TELEVISION FRANCHISE APPLICATION

SONET facilities. These facilities shall connect the POP to a Video Hub Office (VHO). VHOs are capable of serving multiple communities within a target market. If more than one VHO is required, the metro SONET ring(s) would be deployed to cover multiple sites.

Video Hub Office (VHO)

The VHO serves as the metro or local point of aggregation. The VHO location (Queens, NY) is based on a combination of technical factors, metro fiber/IOF availability, local channel reception characteristics, and municipal regulations (e.g., zoning ordinances).

Under current network design plans, the anticipated functions of the VHO include:

WAN Interface for Cable television Transport

Ad Insertion

PEG Content

Signal Grooming and Multiplexing

Emergency Alert Service

Interactive Program Guide

Conditional Access

Local Content

The VHO shall aggregate three basic sources of content: national broadcast channels, local broadcast channels, and public, educational, & government (PEG) channels. The national content is the traffic sent from the SHE and is delivered via an OC48c SONET interface from the SONETPOP. The local broadcast channels shall be received off-air via antennas or terrestrial fiber transport located at the VHO site. The PEG channels shall be collected via terrestrial connections from each local franchising area (LFA) served by the VHO.

The final collection of content is placed into the RF spectrum between 50 – 870 MHz as either an analog AM-VSB signal or, as part of a digital multiplex, into a 256-QAM modulated carrier. Digital content requiring encryption by the CAS shall also be multiplexed into QAM modulators and combined with other analog and digital carriers. In addition, an out-of-band downstream channel is generated which carries the Interactive Program Guide (IPG), provisioning, and management messages to STBs. The combined RF signal is converted to optics and fed into erbium-doped fiber amplifiers (EDFAs) at egress from the VHO. These optical cable television signals are transported on the 1550 nm wavelength of the G.983-specified Enhancement band to Verizon Video Serving Offices (VSOs).

As noted previously, it is intended that the broadcast cable television traffic/service that exits the VHO shall look like the final product viewed by the end user subscriber.

EXHIBIT 1
VERIZON NEW YORK INC.
CABLE TELEVISION FRANCHISE APPLICATION
VILLAGE OF SANDS POINT, NEW YORK

Metro Area Transport

The optical cable television signals coming from the VHO are transported on the 1550 nm wavelength over fiber available within Verizon's inter-office facilities (IOF).

Video Serving Office (VSO) & Passive Optical Network (PON)

The Video Serving Office (VSO) is a location within the central office containing FTTP equipment. The VSO that will serve the Village of Sands Point is located in Port Washington, New York. If technically feasible or otherwise appropriate, PEG insertion may occur at this location in the network.

The key function of the VSO is to combine Broadcast Cable television into the Voice and High Speed Data FTTP Network.

Once in the VSO, the optical cable television signal is sent through an EDFA and then to a Wave Division Multiplexer (WDM) combiner and splitter, which is used to add the cable signal to the voice and high-speed data signals' wavelength (1490nm) – coming from the Optical Line Terminal (OLT) – together with the cable wavelength onto a single optical source. This optical signal is then sent towards the subscriber premises via a PON. The VSO will also play a role in supporting upstream signals from the customer premises for pay-per-view services. Pay-per-view usage data uses the data service's 1310nm upstream wavelength. The upstream data communications shall be sent back to a subscriber database located in the Operations Center located in the VHO.

Customer Premises

At the premise, an Optical Network Terminal (ONT) de-multiplexes the 1550nm optical signal and simply converts it to a voice, data and cable television electrical signal, which meets cable television industry standards for cable services.

EXPLANATORY NOTES TO ATTACHMENT H

1. This Attachment H consists of: (a) a Department of Environmental Conservation “Full Environmental Assessment Form” (“EAF”) for Verizon’s offering of cable service in Sands Point, New York, with Part 1 filled in; (b) an EAF Addendum providing certain additional background information; and (c) exhibits to the Addendum, including maps showing environmentally relevant features of the franchise area and a list of state and federal historic sites within that area.

2. The Attachment is submitted without prejudice to Verizon’s positions that: (a) the activities for which it seeks approval in this proceeding are not “actions” under the State Environmental Quality Review Act (“SEQRA”), and that therefore no EAF is required; and (b) if an EAF is required in this case, a short-form EAF will suffice.

3. The EAF and the EAF Addendum are based on information in Verizon’s possession or available to us through research in readily available sources. Beyond such sources, we have not undertaken any “new studies, research or investigation.”¹

4. Historic site information was derived from the SPHINX database of the New York State Historic Preservation Office (*see* <http://www.nysparks.state.ny.us/shpo/resources/index.htm>). Coastal area information was obtained from the New York State Geographic Information Systems Clearinghouse website (*see* <http://www.nysgis.state.ny.us/gisdata/inventories/details.cfm?DSID=317>), as was flood plain data (*see* <http://www.nysgis.state.ny.us/gisdata/inventories/details.cfm?DSID=246>). Information on wetlands locations was obtained from the U.S. Fish & Wildlife Service National Wetlands Inventory (*see* <http://www.fws.gov/nwi/>) and the Cornell University Geospatial Information Repository (*see* <http://cugir.mannlib.cornell.edu/mapbrowse.jsp?series=counties>). Information on agricultural districts was obtained from the Cornell University Geospatial Information Repository (*see* <http://cugir.mannlib.cornell.edu/mapbrowse.jsp?series=counties>). Information on “critical environmental areas” was obtained from the website of the State Department of Environmental Conservation (<http://www.dec.state.ny.us/website/dcs/seqr/cea/index.html>). Information on National Natural Landmarks was obtained from the website of the National Park Service (*see* http://www.nature.nps.gov/nml/Registry/USA_Map/States/NewYork/new_york.cfm).

5. In response to several questions in Part 1, Verizon has indicated that the question is “Not Applicable” (“N/A”) to the confirmation that is the subject of the Petition. The activities to be undertaken pursuant to the franchise for which confirmation is sought involve the delivery of video programming and, thus, do not have a definite location or “area.” To the extent any construction — including line extensions, placement of drop wires, extensions, and repairs — takes place after the franchise becomes effective, all of the locations within the franchise area at which such activity will occur cannot be known in advance.

¹ See Full Environmental Assessment Form at 2.

The information provided for contiguity to historic sites, etc., has been provided with respect to Verizon's FTTP facilities in the franchise area, even though it is Verizon's position that such facilities have been constructed pursuant to independent permissions and authorities.

Appendix A
State Environmental Quality Review
FULL ENVIRONMENTAL ASSESSMENT FORM

Purpose: The full EAF is designed to help applicants and agencies determine, in an orderly manner, whether a project or action may be significant. The question of whether an action may be significant is not always easy to answer. Frequently, there are aspects of a project that are subjective or unmeasurable. It is also understood that those who determine significance may have little or no formal knowledge of the environment or may not be technically expert in environmental analysis. In addition, many who have knowledge in one particular area may not be aware of the broader concerns affecting the question of significance.

The full EAF is intended to provide a method whereby applicants and agencies can be assured that the determination process has been orderly, comprehensive in nature, yet flexible enough to allow introduction of information to fit a project or action.

Full EAF Components: The full EAF is comprised of three parts:

- Part 1:** Provides objective data and information about a given project and its site. By identifying basic project data, it assists a reviewer in the analysis that takes place in Parts 2 and 3.
- Part 2:** Focuses on identifying the range of possible impacts that may occur from a project or action. It provides guidance as to whether an impact is likely to be considered small to moderate or whether it is a potentially-large impact. The form also identifies whether an impact can be mitigated or reduced.
- Part 3:** If any impact in Part 2 is identified as potentially-large, then Part 3 is used to evaluate whether or not the impact is actually important.

DETERMINATION OF SIGNIFICANCE -- Type 1 and Unlisted Actions

Identify the Portions of EAF completed for this project:

☐ Part 1

☐ Part 2

☐ Part 3

Upon review of the information recorded on this EAF (Parts 1 and 2 and 3 if appropriate), and any other supporting information, and considering both the magnitude and importance of each impact, it is reasonably determined by the lead agency that:

- ☐ A. The project will not result in any large and important impact(s) and, therefore, is one which **will not** have a significant impact on the environment, therefore a **negative declaration will be prepared**.
- ☐ B. Although the project could have a significant effect on the environment, there will not be a significant effect for this Unlisted Action because the mitigation measures described in PART 3 have been required, therefore a **CONDITIONED negative declaration will be prepared.***
- ☐ C. The project may result in one or more large and important impacts that may have a significant impact on the environment, therefore a **positive declaration will be prepared**.

*A Conditioned Negative Declaration is only valid for Unlisted Actions

Answers to these questions will be considered as part of the application for approval and may be subject to further verification and public review. Provide any additional information you believe will be needed to complete Parts 2 and 3.

It is expected that completion of the full EAF will be dependent on information currently available and will not involve new studies, research or investigation. If information requiring such additional work is unavailable, so indicate and specify each instance.

If the action is in the Coastal Area, and you are a state agency, complete the Coastal Assessment Form before proceeding with this assessment.

PART 2 - PROJECT IMPACTS AND THEIR MAGNITUDE

Responsibility of Lead Agency

General Information (Read Carefully)

- ! In completing the form the reviewer should be guided by the question: Have my responses and determinations been **reasonable?** The reviewer is not expected to be an expert environmental analyst.
- ! The **Examples** provided are to assist the reviewer by showing types of impacts and wherever possible the threshold of magnitude that would trigger a response in column 2. The examples are generally applicable throughout the State and for most situations. But, for any specific project or site other examples and/or lower thresholds may be appropriate for a Potential Large Impact response, thus requiring evaluation in Part 3.
- ! The impacts of each project, on each site, in each locality, will vary. Therefore, the examples are illustrative and have been offered as guidance. They do not constitute an exhaustive list of impacts and thresholds to answer each question.
- ! The number of examples per question does not indicate the importance of each question.
- ! In identifying impacts, consider long term, short term and cumulative effects.

Instructions (Read carefully)

- a. Answer each of the 20 questions in PART 2. Answer **Yes** if there will be **any** impact.
- b. **Maybe** answers should be considered as **Yes** answers.
- c. If answering **Yes** to a question then check the appropriate box(column 1 or 2)to indicate the potential size of the impact. If impact threshold equals or exceeds any example provided, check column 2. If impact will occur but threshold is lower than example, check column 1.
- d. Identifying that an Impact will be potentially large (column 2) does not mean that it is also necessarily **significant**. Any large impact must be evaluated in PART 3 to determine significance. Identifying an impact in column 2 simply asks that it be looked at further.
- e. If reviewer has doubt about size of the impact then consider the impact as potentially large and proceed to PART 3.
- f. If a potentially large impact checked in column 2 can be mitigated by change(s) in the project to a small to moderate impact, also check the **Yes** box in column 3. A **No** response indicates that such a reduction is not possible. This must be explained in Part 3.

If Any Action in Part 2 Is Identified as a Potential Large Impact or If you Cannot Determine the Magnitude of Impact, Proceed to Part 3

Part 3 - EVALUATION OF THE IMPORTANCE OF IMPACTS

Responsibility of Lead Agency

Part 3 must be prepared if one or more impact(s) is considered to be potentially large, even if the impact(s) may be mitigated.

Instructions (If you need more space, attach additional sheets)

Discuss the following for each impact identified in Column 2 of Part 2:

1. Briefly describe the impact.
2. Describe (if applicable) how the impact could be mitigated or reduced to a small to moderate impact by project change(s).
3. Based on the information available, decide if it is reasonable to conclude that this impact is **important**.

To answer the question of importance, consider:

- ! The probability of the impact occurring
- ! The duration of the impact
- ! Its irreversibility, including permanently lost resources of value
- ! Whether the impact can or will be controlled
- ! The regional consequence of the impact
- ! Its potential divergence from local needs and goals
- ! Whether known objections to the project relate to this impact.

**ADDENDUM TO ENVIRONMENTAL ASSESSMENT FORM RELATING TO
CONFIRMATION OF A CABLE TELEVISION FRANCHISE FOR THE
VILLAGE OF SANDS POINT (NASSAU COUNTY), NEW YORK**

Setting

The Village of Sands Point is located in the Town of North Hempstead in Nassau County. As of the 2000 Census, the Village had a population of 2,786 within a total area of 5.62 square miles.

The Village is (1) not within an agricultural district, (2) not in or substantially contiguous to a Critical Environmental Area, and (3) not substantially contiguous to a National Natural Landmark. A list of historic sites, historic districts, and national historic landmarks in the Village is attached. It is Verizon's policy to conform to all applicable laws and regulations in placing its facilities, including any special requirements that may be applicable to historic sites, districts, or landmarks.

Like much of Long Island, the Village sits atop an aquifer. The Village is within a coastal area. The Village has designated wetlands areas and designated 100-year flood plains. Verizon's FTTP extensions and drop wires will be placed only to serve existing or future residences and businesses and will be consistent with physical arrangements for the provision of non-video communications services (voice, data), and other types of utility service, to such areas. Video programming will be delivered over existing distribution routes and supporting structures. Moreover, cable service is already provided within the franchise area by the incumbent, Cablevision. Thus, Verizon's construction activities would not impact otherwise undeveloped areas.

Three maps are included with this addendum. The first map shows the franchise area, historical sites and districts, tidal wetlands, and coastal area boundary. The second map shows freshwater wetlands. The third map shows the 100-year flood plains in this area.

Description of Potential Construction Activities

The Commission is being asked to approve the Village's award of a cable television franchise to Verizon. The franchise will enable Verizon to deliver video programming to subscribers over its FTTP network, which is also used for the provision of voice and data services. It is Verizon's position that the construction, extension, modification, and repair of the facilities comprising the FTTP network are independently authorized, do not require franchise authority, and are thus not included within any "action" (within the meaning of SEQRA) for which approval is sought in this proceeding. Nevertheless, at Staff's request, Verizon is providing the following information concerning work on Verizon's FTTP facilities that may be undertaken in the Village subsequent to the Commission's approval of the franchise.

Extensions of Verizon's FTTP network may take place in the Village of Sands Point following the award of the franchise. FTTP construction in the Village's rights-of-way would relate to facilities that will also be used for Verizon's voice and data services. (Any equipment

that is utilized exclusively for the provision of cable services in the Village will be located in Verizon's central offices.) Verizon has completed the construction of its FTTP network to approximately 88% of the current households in the franchise area.

When a Verizon subscriber requests the FiOSSM voice, data, and/or video services that are available over the FTTP network, fiber drop wire is run to the subscriber's home. There are 902 households within the Village of Sands Point that could potentially be served with fiber drops.¹ In terms of the potential environmental impact of drop placement activities, the fiber drops that are associated with FTTP do not differ in any significant respect from the copper drops that Verizon routinely installs, maintains and on occasion replaces in connection with its current services. Moreover, fiber drops will be deployed to customers who request other FiOS services even if such customers do not elect to purchase FiOS video.

¹ In general, Verizon's outside plant may include both aerial and underground facilities. Some of the work related to the extension of FTTP facilities and the placement of drops may therefore be underground.
