Re: Case 08-G-0609 - Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Niagara Mohawk Power Corporation for Gas Service – Compliance Filing

Dear Secretary Brilling:

Niagara Mohawk Power Corporation d/b/a National Grid (the “Company”) hereby respectfully submits for filing the attached quarterly gas Construction Work Completed but not Closed to Plant In Service (“CCNC”) Report pursuant to Section 6.10 of the Joint Proposal approved by the New York State Public Service Commission (“Commission”) in the above referenced proceeding.

The Joint Proposal requires that the Company provide quarterly reports concerning aged Account 106 CCNC Balances. These reports identify the amounts included in Account 106 that have remained unclassified for (i) more than six months, (ii) more than twelve months; and (iii) more than eighteen months.

Please contact me at the number provided below with any questions regarding this filing.

Sincerely,

/s/ Keri Sweet Zavaglia
