1 General

1.1 Application of Tariff

1.1.A This tariff contains the regulations and rates applicable to the provision of Intrastate Message Telecommunications Service and Intrastate Operator Services, hereinafter referred to as "Service", by DFT Local Service Corporation d/b/a DFT Select One, hereinafter referred to as the "Company", from its points of presence in the State of New York to domestic points, as specified herein. Service is furnished subject to the availability of facilities and subject to transmission, atmospheric and like conditions.

1.1.B. The provision of such Service by the Company as set forth in this Tariff does not constitute a joint undertaking with the Customer for the furnishing of any Service.

1.1.C The terms of this tariff including, but not limited to obligations for payment of all charges specified in this tariff, apply to (a) any person or entity using or accessing the network, facilities, or services of the Company, whether or not that person or entity has an established relationship with, or has affirmatively subscribed to service of, the Company; whether that person or entity is a "casual" caller accessing the Company's network and service through dialing codes available to the public; or whether that person or entity gains unauthorized or unlawful access, through any means, to the network, facilities, or services of the Company and (b) any person or entity (whether or not an established customer of the Company) whose equipment, lines, or services is used by any other person or entity with or without the knowledge or consent of the first mentioned person or entity, to access the network, facilities, or services of the Company.

2.2. Obligations of the Customer

- 2.2.A. All Customers assume general responsibilities in connection with the provision and use of the Company's Service. General responsibilities are described in this section. When facilities, equipment, and/or communication systems provided by others are connected to the Company's facilities, the Customer assumes the additional responsibilities as set forth in Section 2.2, herein.
- 2.2.B. The Customer is responsible for the payment of all charges for any and all Services or facilities provided by the Company to the Customer.
- 2.2.C. Subject to availability, the Customer may use specific codes to identify the users groups on its account and to allocate the cost of its service accordingly. The numerical composition of such codes shall be set forth by the Company to assure compatibility with the Company's accounting and automation systems and to avoid duplication of such specific codes.
- 2.2.D. The Company reserves the right to discontinue the use of any code provided to the Customer and to substitute another code for such Customer's use.
