**Re: Application for Authority to Transfer Ownership and Control of Comm South Companies, Inc. from TracFone Wireless, Inc. to its Affiliate, AM Comm Solutions, LLC and from that Company to ARBROS Communications, Inc. and for Approval, as Necessary, of Related Financing Transaction. Case No. 01-C-0351.**

Dear Ms. Deixler:

On March 12, 2001, Comm South Companies, Inc. ("Comm South"), its parent entities, and ARBROS Communications, Inc. ("ARBROS") (collectively "Parties"), by their attorneys, filed an Application regarding the transfer of control of Comm South ultimately to ARBROS through a series of stock transactions. This Application was approved by the Commission on May 4, 2001. This letter is to advise the Commission that the transactions that were the subject of the Application have been completed. ARBROS now holds all of the stock of Comm South. As described in the Application, this change in control is transparent to the public as Comm South continues to provide the same services to customers pursuant to its same authorization and tariffs.

Should there be any questions regarding this matter, please contact the undersigned.

Very truly yours,

  
John A. Wenzel\*
