Reason: Millennium Pipeline Company, LLC ("MPC") moves to request party status in this proceeding initiated by Bluestone Wind, LLC ("Bluestone"). Bluestone submitted an application authorizing Bluestone to construct and operate its Bluestone wind project. Bluestone's proposed facility crosses Millennium's Right of Way and the proposed construction corridor directly impacts the natural gas transportation and transmission pipeline which MPC operates. MPC therefore has a direct and substantial interest in the outcome of this proceeding. Other participants in this proceeding may take positions on the issues that support their specific interest, and those positions may differ from the positions MPC may take. Therefore, MPC will be affected directly by the outcome of this proceeding and its interest in this proceeding cannot be adequately represented by any other entity. MPC agrees to accept the record as it now stands, and no other party will be harmed by this late request of party status. MPC respectfully requests that the Commission grant this request to have party status in this proceeding with all rights of a party.
