PETITION

Pursuant to Section 70 of the New York State Public Service Law ("PSL") and Section 31.1 of the New York State Public Service Commission's ("Commission") rules and regulations, Orange and Rockland Utilities, Inc. ("Orange and Rockland" or the "Petitioner") hereby respectfully requests Commission approval to transfer to the Town of Clarkstown (the "Town") all of those certain overhead street lighting facilities that are owned by the Petitioner, attached to utility poles located within the geographical boundaries of the Town, used solely for street lighting purposes, and which consist of luminaires, lamps, mast arms, their associated wiring, electrical connections, and appurtenances, including In-Line Fused Disconnects ("Facilities"), now owned by Orange and Rockland, which are installed throughout the Town.

In support of this application, the Petitioner states the following:

1. Orange and Rockland is an electric and gas distribution corporation organized under the laws of the State of New York, including the Transportation Corporations Law, and has its principal place of business at One Blue Hill Plaza, Pearl River, New York 10965.

2. A copy of the Agreement for Purchase and Sale of Street Lighting Facilities (the "Agreement") between Orange and Rockland and the Town, executed as of January 30, 2015, is attached hereto as Schedule A.
3. The Town desires to purchase the Facilities and Orange and Rockland is agreeable to selling, pursuant to the terms of PSC No. 3 - Electricity, Service Classification No. 6, Public Street Lighting – Customer Owned ("SC No. 6"). Special Provision K of SC No. 6 provides that the purchase price of the street lighting system to be sold will be negotiated between Orange and Rockland and the customer.
4. Orange and Rockland and the Town commenced negotiations for the sale of the Facilities in July 2012. After multiple rounds of negotiations, Orange and Rockland and the Town reached an agreement in principle for the sale of the Facilities in August 2013.
5. Currently, the Facilities to be sold are serviced by Orange and Rockland under PSC No. 3 - Electricity, Service Classification No. 4, Public Street Lighting – Company Owned. Upon closing, the Facilities will be serviced under SC No. 6.
6. The Town shall have sole responsibility for the installation, operation, maintenance, repair, replacement, removal, modification and inspection of the Facilities.
7. The Town shall, at its sole cost, isolate the Facilities from the Orange and Rockland electric distribution system in accordance with the Agreement.
8. As set forth in Schedule B, the net book value of the assets is $227, 828 as of March 31, 2015.
9. The purchase price shall be $691,619, plus any accrued taxes as set forth in the Agreement. In light of this price and the other terms and conditions of the Agreement

(*e.g.*, no continuing obligation to repair and maintain the Facilities), this transaction is in the public interest. For purposes of this transaction, the Company proposes to defer 100 percent of the net after-tax proceeds on the sale of the Facilities plus accrued interest at the Commission-approved Other Customer Provided Capital Rate, for the future benefit of the Company's electric customers, upon closing of the transaction. The Company reserves its rights to propose a different allocation of net proceeds in connection with any future property dispositions, based on the facts and circumstances of such property and associated transaction.

(c) Seller, with respect to the Seller's Required Approvals, will provide prompt notification to Buyer, and Buyer, with respect to the Buyer's Required Approvals, will provide prompt notification to Seller, of any material communications with the applicable

Governmental Authority or other Person from whom the Seller's Required Approvals or Buyer's Required Approvals are sought and when any such approval is obtained, taken, made, given or denied, as applicable.

Section 6.4. Indemnification Against Third Party Claims And Losses.

(a) From and after the Closing, Seller shall retain liability for and shall defend, indemnify and hold harmless Buyer, its parents, subsidiaries, affiliates and its and their respective trustees, directors, officers, employees, attorneys, shareholders, contractors, subcontractors, agents, representatives, successors and assigns (collectively, the "Buyer Protected Parties") from and against any and all claims, counterclaims, causes of action, lawsuits, proceedings, judgments, losses, liabilities, damages, fines, penalties, interest, costs and expenses (including court costs, reasonable fees of attorneys, accountants and other experts and reasonable expenses of investigation, preparation, and litigation) for personal injuries (including death) or damages to property arising from or claimed to arise from the Street Lighting Facilities (collectively, "Third Party Losses/Claims") that third parties have suffered or sustained prior to the Closing or that third parties claim to have been suffered or sustained prior to the Closing, except to the extent that such Third Party Losses/Claims arise from the negligence or other acts or omissions of any one or more of the Buyer Protected Parties.

(b) From and after the Closing, Buyer shall have liability for and shall defend, indemnify and hold harmless Seller, its parents, subsidiaries, affiliates and its and their respective trustees, directors, officers, employees, attorneys, shareholders, contractors, subcontractors, agents, representatives, successors and assigns (collectively, the "Seller Protected Parties") from and against any and all Third Party Losses/Claims that third parties have suffered or sustained on or after the Closing or that third parties claim to have been suffered or sustained on or after the Closing, except to the extent that such Third Party Losses/Claims arise from the negligence or other acts or omissions of any one or more of the Seller Protected Parties on or after the Closing Date for which negligence or other acts or omissions a Seller's Tariff does not provide an applicable exclusion from or limitation of liability.

(c) The obligations set forth in this Section 6.4 shall survive the Closing.

Section 6.5 Procedure with Respect to Third Party Claims And Losses.

(a) If any Party becomes subject to a pending or threatened Third Party Claim/Loss and such Party (the "Claiming Party") believes it is entitled to indemnification pursuant to Section 6.4 hereof from the other Party (the "Responding Party") as a result, then the Claiming Party shall notify the Responding Party in writing of the basis for its claim for indemnification setting forth the nature of the claim in reasonable detail. The failure of the Claiming Party to so notify the Responding Party shall not relieve the Responding Party of any liability or obligations under Section 6.4 or this Section 6.5 except to the extent that the defense of such Third Party Claim/Loss is prejudiced by the failure to give such notice.

(b) If any Third Party Claim/Loss proceeding is brought by a third party against a Claiming Party and the Claiming Party gives notice to the Responding Party pursuant to this Section 6.5, the Responding Party shall be entitled to participate in such proceeding and, to the extent that it wishes, to assume the defense of such proceeding, if (i) the Responding Party provides written notice to the Claiming Party that the Responding Party intends to undertake such defense, (ii) the Responding Party conducts the defense of the Third Party Claim/Loss actively and diligently with counsel reasonably satisfactory to the Claiming Party and (iii) if the Responding Party is a party to the proceeding, the Responding Party has not determined in good faith that joint representation would be inappropriate because of a conflict in interest. The Claiming Party shall, in its sole discretion, have the right to employ separate counsel (who may be selected by the Claiming Party in its sole discretion) in any such action and to participate in the defense thereof, and the fees and expenses of such counsel shall be paid by such Claiming Party. The Claiming Party shall fully cooperate with the Responding Party and its counsel in the defense or compromise of such Third Party Claim/Loss. If the Responding Party assumes the defense of a Third Party Claim/Loss proceeding, no compromise or settlement of such Third Party Claim/Loss may be effected by the Responding Party without the Claiming Party's consent unless (A) there is no finding or admission of any violation of law or any violation of the rights of any Person and no effect on any other Third Party Claims/Loss that may be made against the Claiming Party and (B) the sole relief provided is monetary damages that are paid in full by the Responding Party.

(c) If (i) notice is given to the Responding Party of the commencement of any Third Party Claim/Loss proceeding and the Responding Party does not, within 30 days after the Claiming Party's notice is given, give notice to the Claiming Party of its election to assume the defense of such proceeding, (ii) any of the conditions set forth in clauses (i) through (iii) of Section 6.5(b) become unsatisfied or (iii) the Claiming Party determines in good faith that there is a reasonable probability that a legal proceeding may adversely affect it other than as a result of monetary damages for which it would be entitled to indemnification from the Responding Party under this Agreement, then the Claiming Party shall (upon notice to the Responding Party) have the right to undertake the defense, compromise or settlement of such Third Party Claim And Loss; provided that the Responding Party shall reimburse the Claiming Party for the costs of defending against such Third Party Claim/Loss (including reasonable attorneys' fees and expenses) and shall remain otherwise responsible for any liability with respect to amounts arising from or related to such Third Party Claim/Loss, in both cases to the extent it is determined that such Responding Party is liable to the Claiming Party under this Agreement with respect to such Third Party Claim/Loss. The Responding Party may elect to participate in such legal proceedings, negotiations or defense at any time at its own expense.

Section 6.6 Property Tax Reduction. Buyer shall exercise Commercially Reasonable Efforts to cause any and all assessed values and related special franchise tax assessments and real property tax assessments reasonably associated with the Street Lighting Facilities (the "Street Lighting Facilities Assessed Values/Taxes") to be reduced as of the Closing such that the assessed values and related special franchise tax assessments and real property tax assessments with respect to property that Seller retains after the Closing (including the Excluded Assets) does

Each Party (an indemnifying Party) will pay or otherwise discharge, and will indemnify, defend and hold the other Party harmless from and against, any and all claims against and liabilities of the other Party for any and all brokerage fees, commissions and finder's fees in connection with the transactions contemplated hereby by reason of any action taken or the breach of this covenant by the indemnifying Party.

Section 6.10 Expenses. Except to the extent expressly provided to the contrary in this Purchase Agreement, and whether or not the transactions contemplated herein are consummated, all costs and expenses incurred by a Party in connection with the negotiation, execution and

consummation of the transactions contemplated hereby, including the cost of filing for and prosecuting applications for the Seller Required Approvals and the Buyer Required Approvals, shall in all instances be borne by the Party incurring such costs and expenses.
